# REGULAR SESSION OF 1991

## HOUSE JOURNAL No. 1

Wednesday, December 5, 1990

The House assembled at 1:00 p.m.

On the first Wednesday in December in the year of our Lord, one thousand nine hundred and ninety, being the day designated by the Constitution for assembling of that body, the one hundred and fifty-second General Court of the State of New Hampshire convened at the Capitol in the City of Concord. The representatives-elect were called to order by James A. Chandler, House Clerk for the preceding session.

Prayer was offered by Rep.-elect Calvin Warburton of Raymond.

Almighty One, we are about to begin a tough biennium and possibly a tough decade. In New Hampshire, providing answers to the problems will fall heavily on the shoulders of the members of this House.

All of the members will need help, especially Your help, including those present.

So, we ask Your blessing upon the Governor, the Judiciary, the Senate (they need it also), the House and the bureaucracy.

But above all we invoke individual blessings on each member of the House, and a special blessing on the new members.

God Bless New Hampshire and the United States of America. Amen.

Rep.-elect Stephen Burke of Nashua led the Pledge of Allegiance

House members-elect sang the National Anthem accompanied by Rep.-elect Eleanor Amidon at the Knight Memorial organ.

### LEAVES OF ABSENCE

Rep.-elect Guay, the day, illness.

Rep.-elect Steiner, Patricia Brown and Trelfa, the day, important business.

### CALL OF THE ROLL

#### BELKNAP COUNTY

Dist. No. 1 Steven R. Maviglio, d&r

Dist. No. 2 William W. Joscelyn, d

Dist. No. 3 Thomas B. Salatiello, d

Dist. No. 4 Carl R. Johnson, r&d; Charles C. Vogler, r&d

Dist. No. 5 Gordon E. Bartlett, r; Thomas G. Cain, r; Richard H. Campbell, Jr., r;  
Robert S. Hawkins, r

Dist. No. 6 Arnold P. Shibley, r, Alice S. Ziegra, r&d

Dist. No. 7 Paul A. Golden, r

Dist. No. 8 Thomas E.P. Rice, Jr., r

Dist. No. 9 Ralph J. Rosen, r

Dist. No. 10 Harry Accornero, r; Peter J. Zaharchuk, Jr., r

Dist. No. 11 Robert H. Turner, r

Dist. No. 12 Glenn E. Dewhirst, r

Dist. No. 13 Robert G. Holbrook, r&d

#### CARROLL COUNTY

Dist. No. 1 Gene G. Chandler, r&d

Dist. No. 2 Nanci A. Allard, r; Howard C. Dickinson, Jr., r; A. Gibb Dodge, r

Dist. No. 3 Robert J. Daly, Jr., r

- Dist. No. 4 Robert W. Foster, r; Allen R. Wiggin, r
- Dist. No. 5 Robert R. Jean, r; Howard N. Saunders, r
- Dist. No. 6 Mildred A. Beach, r; Jeb E. Bradley, r

- Dist. No. 8 Jane A. Harland, d&r; Michael A. Tetu, d
- Dist. No. 9 None

With 388 members having answered the call of the roll, a quorum was declared present.

Reps.-elect Burns of Whitefield and Chambers of Etna offered the following:

Resolved, that a committee of three be appointed to wait upon His Excellency the Governor, Judd Gregg, and the Executive Council, and inform them that a quorum of the House is assembled and requests their attendance.

Adopted

The Clerk appointed Reps.-elect Daniel Healy, Leclerc and Elizabeth Greene.

Governor Judd Gregg, having been informed that a quorum of the House was assembled, appeared, accompanied by the Honorable Councilors Raymond S. Burton, Peter J. Spaulding, Ruth L. Griffin, Earl A. Rinker, and the members-elect, having presented their credentials, were duly qualified by the Governor as members of the House of Representatives by taking and subscribing the oath of office agreeable to the provisions of the Constitution.

The Governor and Executive Council retired.

The Clerk declared that nominations for Speaker were in order.

Rep. Michael Hill placed the name of Rep. Burns in nomination for Speaker.

Rep. Schotanus seconded the nomination.

There being no further nominations the Clerk declared nominations closed.

Rep. Chambers moved that one ballot be cast for the member from Whitefield, Rep. Burns, and spoke to her motion.

The Clerk instructed the Assistant Clerk to cast one ballot for Rep. Burns and declared Rep. Burns duly elected Speaker of the 1991-92 House of Representatives.

Reps. Chambers and Michael Hill escorted Rep. Burns to the rostrum.

**(Speaker Burns in the Chair)**

The Speaker addressed the House.

Thank you. Thank you very much.

I am honored beyond words at being elected Speaker of the New Hampshire House of Representatives.

Those of you who know me well realize how very deeply I admire and respect this body and its members, collectively and individually.

The fact that you have chosen me to be your leader is all the more important to me because of the high esteem in which I have held my colleagues in the House over the past 22 years.

Again, thank you.

Now, before we proceed, I would like to pay tribute to the most important people in my life, those who have made it possible, both figuratively and literally, for me to be standing here before you today. Their support throughout the Speaker's race and throughout my legislative career have meant more to me than I can express.

I would also like to express my gratitude to the other House Republicans who were candidates for this honorable post. The level of the campaign, in my opinion, was very high, despite the intensity of the race. This is especially remarkable in comparison with the tone of other campaigns in recent months.

And I want to thank those who worked with and for me in my own campaign. Their dedication and determination are deeply appreciated.

Many very valuable ideas and suggestions came out of the race from my own camp and all the others. As your Speaker, I will take these ideas and search for ways to work them into the process. I consider being open to your ideas and utilizing them whenever possible to be one of the most important aspects of my responsibility. My sworn duty is to be Speaker of the entire House, to represent and work with and for every one of you.

I would like to express my thanks to Minority Leader Mary Chambers for her motion for a unanimous vote. I take this as a very welcome sign that both the majority and the minority will be working together to overcome the challenges we will face during the next two years.

I also want to take this opportunity to extend my thanks and my appreciation for the friendship, guidance, and knowledge that our last Speaker, Doug Scamman, shared with me over the 22 years we have worked together.

If there is anyone who has more love and respect for this body than I, it would have to be Doug. He gave 110 percent to this House and he will be missed. But I know I speak for many when I express the hope that he will not be long absent from public service.

Now, as I said earlier, I am very proud to be the new Speaker of the New Hampshire House, the 129th Speaker since the beginning of the Colonial legislature. I am even more proud to be the first Speaker from Coos County in this century and the first Speaker ever from my hometown of Whitefield.

I think my North Country heritage and my 22 years in this body will serve me, and you, well in meeting the challenges that will come before us in the coming months.

My job as Speaker is to provide an atmosphere in which the spirit of the town meeting prevails. Everyone will have his or her say. The minority on any given issue will receive the same fair shake as the majority, but when all's said and done, it is the majority that will prevail, as it should in a democracy.

I promise you that I will be fair and efficient in running the affairs of this House.

What issues will we be facing in the upcoming session?

Well, if what I heard during my campaign for re-election in Whitefield and during my campaign for the Speakership is any indication, I'd say the biggest question in this state today is how we're going to balance the budget. People are also very concerned about how we're going to prevent more state programs that mandate spending at the local level.

In the Legislature itself the most talked-about issues were redistricting, House ethics, rules and scheduling, and the efficient and economical administration of House affairs outside of this chamber.

We will be agonizing over the state budget more than in recent memory.

I promised my constituents, and I promise you now, that I will personally work hard to prevent tax increases and I will not appoint anyone to the Appropriations Committee who will not consider spending cuts.

Those are my personal preferences.

But I will be driven in my administration of this body, not by my own personal interests, but by a majority consensus of the House.

One of my first acts as your Speaker will be to discuss with the leadership ways to address the issues of ethics and mandates.

We are aware that legislation on these issues has already been filed. We want to be ready, very early in the session, with proposals to bring before you concerning rules changes that may be necessary to achieve what this House wants.

Another early action I plan to take is forming a competent, fair-minded and energetic committee to begin work on the redistricting process. This committee's work will be critical to the success of one of the most basic elements of our democracy: establishment of district lines that will ensure that the doctrine of equal representation will prevail across New Hampshire.

I have already placed before you a series of proposed rules and administrative changes that were the result of the deliberations of a committee I established last spring to find ways to expedite the process of lawmaking without jeopardizing the quality of those laws.

I hope these suggestions will stimulate your thinking, so that we may bring forth for your consideration a series of changes that will make it easier for all of us, and that will emphasize quality rather quantity legislation.

A major part of this effort will deal with rules and scheduling. I stress that every proposed rule change will be brought to you for your deliberation and action. And I caution you that some of the changes you will be asked to consider may well require fundamental changes in the way business has been conducted in this body for many generations.

I think it is imperative that we limit our demands upon the time and energy of the General Court by exercising self-discipline over the quality and quantity of legislation you file for consideration.

As your Speaker, I pledge to continue the open-door policy of former Speaker Scamman. My door will be open and I will be there, ready to listen to your concerns.

I will also take an economical approach to the operations of House affairs in these fiscally-challenging times when we are asking others to make sacrifices.

Finally, I will do my utmost to uphold the position of this House in its deliberations with the Executive Branch and with the Senate, always keeping in mind, however, that the processes of consensus-building and compromise are just as necessary among the branches of government as they are within it.

I am very confident that together we will meet successfully the challenges ahead. I am so confident because, as I look out before me today, I see great talent and energy and potential for leadership.

My job is not only to preside and lead, it is to create those conditions under which each of you can flourish and reach your full potential as legislators.

I'm confident that if we can harness that talent, that energy, that commitment, there is no problem we cannot solve, no common goal we cannot achieve.

The time and opportunity to really make a difference pass quickly here, and our time is now. Let us go forward together, committed to doing our very best so that we can, together, along with the good people we serve, take pride in our accomplishments. Thank you.

The Speaker made the following appointments:

Deputy Speaker - Rep. Michael Hill

Majority Leader - Rep. Caroline Gross

Majority Whip - Rep. Ann Torr

Minority Leader - Rep. Mary Chambers

Deputy Minority Leader - Rep. Susan Spear

Minority Whip - Rep. Joanne O'Rourke

The Sergeant-at-Arms escorted the appointed leadership to the rostrum.

The Speaker appointed the House Rules Committee: REPUBLICANS: Rep. Burns, Chairman; Michael Hill, Vice Chairman; Rep. Gross, Rep. Ann Torr, Rep. Channing Brown, Rep. Elizabeth Greene, Rep. Robert Foster, Rep. Donna Sytek and Rep. William McCain. DEMOCRATS: Rep. Chambers, Rep. Spear, Rep. O'Rourke and Rep. David Cote.

The Speaker declared nominations were in order for Clerk, Assistant Clerk and Sergeant-at-Arms.

Rep. Hager placed in nomination the names of James A. Chandler of Franklin for Clerk, Leo J. Callahan of Pembroke for Assistant Clerk and Warren W. Leary of Alton for Sergeant-at-Arms.

Rep. Skinner of Windham seconded the nomination of James A. Chandler for Clerk.

Rep. Rodeschin of Newport seconded the nomination of Leo J. Callahan for Assistant Clerk.

Rep. Robert Kelley of Merrimack seconded the nomination of Warren W. Leary for Sergeant-at-Arms.

There being no further nominations, the Chair declared nominations closed and instructed the Clerk to cast one ballot for the nominees.

The Chair declared Mr. Chandler elected Clerk; Mr. Callahan elected Assistant Clerk and Mr. Leary elected Sergeant-at-Arms.

Reps. Gross and Chambers offered the following:

RESOLVED, that the House inform the Honorable Senate it has organized and is ready to meet with the Senate in Joint Convention for the purpose of electing a State Treasurer and a Secretary of State.

Adopted.

RECESS

### SENATE MESSAGE

The Senate is ready to meet in Joint Convention for the purpose of electing a Secretary of State and a State Treasurer.

### INTRODUCTION OF GUESTS

Eleanor Burns, Stella and W. Douglas Scamman, Jr.; John and Carol Burns; Corbe, Scott and Katie Burns, Lillian A. ### JOINT CONVENTION

#### (Speaker presiding)

The Chair declared nominations were in order for Secretary of State.

Rep. Daniel Healy placed the name of William M. Gardner in nomination for Secretary of State.

Sen. Hough seconded the nomination.

There being no further nominations, the Chair declared nominations closed and instructed the Clerk to cast one ballot for Mr. Gardner.

The Chair declared William M. Gardner duly elected Secretary of State.

The Chair declared nominations in order for State Treasurer.

Sen. Fraser placed the name of Georgie A. Thomas in nomination for State Treasurer.

Rep. Packard seconded the nomination.

There being no further nominations, the Chair declared nominations closed and instructed the Clerk to cast one ballot for Mrs. Thomas.

The Chair declared Georgie A. Thomas duly elected State Treasurer.

Rep. Healy, Sen. Hough, Rep. Packard and Sen. Fraser escorted Mrs. Thomas and Mr. Gardner to the rostrum.

The Chair administered the oath of office to Mr. Gardner, Mrs. Thomas, Mr. Chandler, Mr. Callahan and Mr. Leary.

Mrs. Thomas and Mr. Gardner addressed the House briefly.

Sen. Blaisdell and Rep. Gross moved that the Joint Convention arise.

Adopted.

The Joint Convention adjourned.

Reps. Gross and Chambers offered the following:

#### **HOUSE RESOLUTION NO. 1**

RESOLVED, that the House adopt the rules of the 1989 session as printed in the 1989 Black Book, with the provision that the deadline for the filing of information for bills will be December 21, 1990, and that any House rule may be amended by majority vote through the first Tuesday of February (February 5th).

Reps. Gross, Sytek, William F. McCain and Chambers spoke in favor of the motion.

Adopted.

Reps. Ann Torr and Copenhaver offered the following:

#### **HOUSE RESOLUTION NO. 2**

RESOLVED, that the Speaker appoint a committee of three to assign seats to members.

Adopted.

The Chair appointed Reps. Ann Torr, Chairman; Kinney and O'Rourke.

Reps. Warburton and Nardi offered the following:

#### **HOUSE RESOLUTION NO. 3**

RESOLVED, that a committee of 10 members be appointed by the Speaker to select a suitable person to act as Chaplain during the 1991 session of the legislature and report such selection to the House for consideration.

Adopted.

The Chair appointed Reps. Stio, Chairman; Golden, Allard, Katherine Foster, Pignatelli, Adams, David Wheeler, Bell, Bernard and Domini.

Reps. Lozeau and Theriault offered the following:

#### **HOUSE RESOLUTION NO. 4**

RESOLVED, that action taken at all sessions of the House of Representatives be recorded through the public address system on tapes, and that said tapes be used, by the House and the Clerk, within three legislative days to confirm and correct the permanent Journal. The permanent Journal as thus prepared by the Clerk as corrected by the House shall be the official record of the House, and be it further

RESOLVED, that the Committee on the Journal be authorized to examine the permanent Journal of the last day of the session, as prepared by the Clerk, and make corrections to the same.

Adopted.

Reps. Hager and MacDonald offered the following:

#### **HOUSE RESOLUTION NO. 5**

RESOLVED, that the Clerk, with the approval of the Speaker, may employ such stenographic and other clerical assistance as he may deem necessary (RSA 17-E:5).

Adopted.

Reps. Skinner and Flynn offered the following:

#### **HOUSE RESOLUTION NO. 6**

RESOLVED, that the Sergeant-at-Arms, with the approval of the Speaker, may employ such personnel as he may deem necessary; that the Speaker be authorized to employ such other personnel as he deems necessary, and with the approval of the House Subcommittee of the Committee on Legislative Facilities, fix their compensation (RSA 17-E:5)

Adopted.

Reps. David Young and Kincaid offered the following:

#### **HOUSE RESOLUTION NO. 7**

RESOLVED, that the following policy be established for the distribution of House Journals, bills and joint resolutions to legislative agents, corporations and other persons, except the members of the General Court and state departments:

1. Every citizen is entitled to one copy of any publication free of charge at the legislative counter or to have the same mailed to him free of charge upon individual request for such one copy.

2. Persons requesting copies of all publications delivered complete for the entire session will be charged a fee sufficient to cover postage, envelopes and handling. Such fees may be prorated where service is received for portions of the session only. All fees are payable in advance. The subscriber list may be submitted for legislative accounting and auditing purposes, but is not for publication or sale.

3. All fees charged hereunder shall be fixed by the Sergeant-at-Arms with the approval of the Speaker and shall be collected by the Sergeant-at-Arms and paid into the state treasury and credited to the legislative appropriation.

Adopted.

Reps. Simon and Gabrielle Gagnon offered the following:

#### **HOUSE RESOLUTION NO. 8**

RESOLVED, that the Speaker, after consultation with the Minority Leader, may cancel a scheduled meeting of the House in the event of a severe snowstorm which would make it dangerous, in his opinion, for members to come to Concord for the session, provided he makes notification of such cancellation through the procedures set forth by the emergency committee recommendations which were developed in the 1969 session. In case of such cancellation, the House shall meet on the following legislative day. Any member who travels to Concord, or who is already in Concord on legislative business on any day that a meeting of the House is cancelled under the authority of this resolution, shall be entitled to legislative mileage for such attendance on legislative business.

Adopted.

Reps. Ward and Donovan offered the following:

### HOUSE RESOLUTION NO. 9

RESOLVED, that members will be paid their legislative salary, as provided in the Constitution, in the month of January 1991, and be it further

RESOLVED, that mileage of members of the House of Representatives be paid every two weeks during the session.

Adopted.

### HOUSE RESOLUTION NO. 10 PETITION

November 27, 1990

TO: Mr. James A. Chandler, House Clerk

Reference: RSA 660:19 PETITION - Objecting to the seating of Mr. Lowell D. Apple, representative-elect of Hooksett, NH

In compliance with the referenced RSA, this petition is being presented to you for the necessary action in the contest of Mr. Lowell D. Apple's election to office as a representative.

As evidence of my compliance with RSA 660:18 you will find attached a copy of the required letter which was sent to Mr. Apple and filed with both the Secretary of State and the Attorney General's office as required by RSA 666:8.

My objection is simply that a violator of the law should not be rewarded by official participation in the making of the law. It is important to notice that it is election laws that were violated. The violator must be disqualified from holding office in order that the integrity of the law be paramount.

I am not charging that a conspiracy of the three men existed although the elements of this matter might suggest that such was the case. I am charging that the Opinion of the Justices of the NH Supreme Court was violated in that 126 NH 554, states "Principles of equal protection are intended to ensure that persons similarly situated are similarly treated by government."

As a candidate for office in the general election, I charge that I have not been similarly treated by government, yet, I was similarly situated as a candidate.

Accordingly, I attach my entire file of six written pleas for equal treatment, dating back to October 1, 1990. I have not had the courtesy of a written reply from any public official or office to whom I have written, hence with patience and perseverance I submit this petition with six documents attached and ask that Mr. Lowell D. Apple be disqualified for a seat in the NH House of Representatives.

Sincerely Yours, Richard Marple  
21 Dartmouth St., Hooksett, N. H. 03106

The Speaker referred the Petition to the Subcommittee on Elections.

Rep. Caroline Gross moved that the House stand in recess for the purpose of introduction of bills only, and when the House adjourns, it be to meet Wednesday, January 2nd at 1:00 p.m.

Adopted.

The House recessed at 3:10 p.m.

RECESS

**(Rep. Michael Hill in the Chair)****SENATE MESSAGE**

The Senate has met and organized and elected the following officers: President, Sen. Edward Dupont; Clerk, Gloria Randlett; Assistant Clerk, Lois Schmelzer; Sergeant-at-Arms, Richard Wiggins; Doorkeeper, Emile Martineau.

Majority Leader - Caroline L. Gross

Majority Whip - Ann M. Torr

Assistant Majority Leaders - Beaton Marsh, Peter M. Simon, David A. Young

Assistant Majority Whips - Alice B. Record, Garret P. Cowenhoven

Minority Leader - Mary P. Chambers

Deputy Minority Leader - Susan S. Spear

Minority Whip - Joanne A. O'Rourke

Assistant Minority Leaders - Joseph A. MacDonald, William H. McCann, Debora B. Pignatelli, Rick A. Trombly, Peter Hoe Burling, Amanda A. Merrill, Jennifer G. Soldati

Assistant Minority Whip - David E. Cote

**HOUSE RESOLUTION NO. 11****PETITION**

The State of New Hampshire House of Representatives

In re Cynthia McGovern, Rockingham, 27

Petition pursuant to New Hampshire Constitution

Part 2, Article 22 and RSA 660:19

NOW COMES the Portsmouth Republican City Committee, Charles Felix, Chairman, Evelyn E. Marconi of 177 Mechanic Street, Portsmouth, New Hampshire and Raimond Bowles of 43 Pray Street, Portsmouth, New Hampshire and complain against Cynthia A. McGovern of 37 Towle Farm Road, Hampton, New Hampshire and say:

1. That Cynthia A. McGovern was a candidate for the House of Representatives from Rockingham 27, Ward 5 Portsmouth, New Hampshire in the election held November 6, 1990;

2. That Cynthia A. McGovern was declared the winner of the second seat in the District of Rockingham 27, having received the second highest number of votes cast;

3. That Raimond Bowles and Evelyn E. Marconi were candidates at the November 6, 1990 election and came in third and fourth respectively;

4. That the vote totals for said election were: Charles Vaughn 875, Cynthia McGovern 650, Raimond Bowles 630, and Evelyn E. Marconi 586;

5. That at the time of said election, Cynthia A. McGovern was not an inhabitant of the district from which she was elected contrary to New Hampshire Constitution Part 2, Article 14;

6. That Cynthia A. McGovern is not domiciled in the district of Rockingham 27 and did not qualify to be a legal voter at the time the election began, June 1990, or at the time the ballots were cast in November, 1990 contrary to RSA 654:1;

7. That Cynthia A. McGovern does not reside at her listed address of 41 Salter Street, Portsmouth, New Hampshire, and has not so resided for a significant portion of each year (RSA 654:1);

8. That upon information and belief Cynthia A. McGovern resides at 37 Towle Farm Road, also known as 21 Hampton Estates, Hampton, New Hampshire;

WHEREFORE, the petitioners pray the House of Representatives pursuant to its power granted in the New Hampshire Constitution Part 2, Article 22 as judge of the returns, elections and qualifications of its members to:

A. Declare that Cynthia A McGovern did not at the time of the election and does not now meet the qualifications set forth in the New Hampshire Constitution Part 2, Article 14 and RSA 654:1;

B. Declare that Cynthia A. McGovern was not duly elected a member from Rockingham 27;

C. Declare that Raimond Bowles having received the second highest number of votes cast for qualified candidates from Rockingham 27, is duly elected to the second seat from said district;

D. In the alternative, declare a vacancy in the second seat from Rockingham 27 and order a new election to fill same;

E. And for such other and further relief as may be just.

Respectfully submitted, Portsmouth Republican City Committee, Evelyn E. Marconi and Raimond Bowles, by their Attorney, Richard A. Hampe, Hampe & McNichols, 35 Pleasant St., Concord, New Hampshire 03301

The Speaker referred the Petition to the Subcommittee on Elections.

Rep. Gross moved that the House adjourn.  
Adopted.

**HOUSE JOURNAL No. 2**

Wednesday, January 2, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

The member from Bow, Mr. Stio, reported for the Committee established to select a Chaplain for the 1991 Session that the Rev. Edward G. Horstmann of the First Congregational Church in Hopkinton will serve as Chaplain for the January 2nd and 3rd Sessions.

Prayer was offered by the Rev. Edward G. Horstmann, Pastor, First Congregational Church of Hopkinton.

Compassionate God, we come to You in search of Your blessing upon our beginnings, asking not only for Your presence in our midst but for the light of Your wisdom and the guidance of Your truth. Grant us the long view of our work, and remove from us all cynicism that Your will may flow freely through our lives.

Hear our prayers, good Lord, for those in danger or trouble of any kind, and pour out Your spirit of new life into hearts and souls made weary by many burdens. And enable us to be for each other encouragement and inspiration; that our labors may meet real needs and bring real peace. Amen.

Rep. Zaharchuk led the Pledge of Allegiance.

**(Rep. Michael Hill in the Chair)**

**LEAVES OF ABSENCE**

Reps. Vogler, Molner, MacDonald and Perry, the day, illness.

Reps. Daniel Healy, Scanlan, Spencer, Mayhew, Bucu and Adams the day, important business.

**INTRODUCTION OF GUESTS**

On the Rostrum, Rep. Janice Peaslee of Vermont. Ann Lalonde, Paul LaDuc, Sandra and Peter McKay, guests and daughter and son-in-law of Rep. Burns. John McIlwaine, Sharon McIlwaine, Randy Monge and Sabra Packard, husband, daughter, friend and mother of Rep. McIlwaine. Cathy Tsiros, Dina Papatheologos and George Karogee, wife and guests of Rep. Tsiros. Chief O.B. Umezureekay of Nigeria and Bonnie Riley, guests of Rep. William Riley. John Tzinas, guest of Rep. Raymond Buckley. Leona Felch, guest of Rep. Felch. Paul Cooke, husband of Rep. Annette Cooke. Robert Nielsen, son of Rep. Niels Nielsen. Linda Thayer and Edward Frederick, guests of Rep. Thayer.

**COMMUNICATIONS**

James A. Chandler, House Clerk

This is to advise that the following representatives-elect were sworn into office by the Governor and Executive Council:

December 7, 1990

Hillsborough District No. 33, Lee Anne S. Steiner, r, Manchester (527 North River Road) 03104

December 19, 1990

Grafton District No. 2, Richard T. Trelfa, r, Lisbon (PO Box 245) 03585

Grafton District No. 11, Patricia Berry Brown, r&d, Canaan (PO Box 368, Enfield) 03748

Hillsborough District No. 9, Nancy L. Tarpley, r, Amherst (PO Box 693) 03031  
 Hillsborough District No. 31, Debora B. Pignatelli, d, Nashua (24 Decatur Drive)  
 03063

Hillsborough District No. 33, Linda S. Wihby, r, Manchester (2929 North Elm  
 Street) 03104

Merrimack District No. 4, Elizabeth S. Millard, r, Boscawen (137 Water Street)  
 03303

Merrimack District No. 10, Martin Feuerstein, r&d, Franklin (801 Central Street)  
 03235

December 27, 1990

Coos District No. 7, Lawrence J. Guay, r, Gorham (404 Main Street) 03581

sincerely, Karen H. Ladd,

Assistant Secretary of State

Reps. Gross and Chambers offered the following:

RESOLVED, that the Honorable Senate be notified that the House of Representa-  
 tives is ready to meet the Senate in Joint Convention for the purpose of canvassing the  
 votes for Governor and Executive Council.

Adopted.

### JOINT CONVENTION

(Speaker presiding)

Sen. Delahunty and Rep. Gross offered the following:

RESOLVED, that the Honorable Secretary of State be requested to lay before the  
 convention the return of votes for Governor and Executive Council.

Adopted.

William M. Gardner, Secretary of State, appeared before the Joint Convention and  
 laid the return of votes for Governor and the Executive Council cast in the General  
 Election held November 6, 1990, as follows:

#### FOR GOVERNOR

|              | Gregg, r | Grandmaison, d | Luce, lib. |
|--------------|----------|----------------|------------|
| Belknap      | 9,298    | 5,269          | 714        |
| Carroll      | 8,779    | 3,158          | 584        |
| Cheshire     | 8,158    | 8,327          | 881        |
| Coos         | 5,253    | 3,205          | 222        |
| Grafton      | 11,572   | 7,661          | 634        |
| Hillsborough | 57,345   | 26,064         | 4,310      |
| Merrimack    | 18,537   | 14,159         | 1,925      |
| Rockingham   | 39,957   | 19,767         | 3,511      |
| Strafford    | 13,218   | 9,693          | 1,170      |
| Sullivan     | 5,656    | 4,620          | 397        |
| Totals       | 177,773  | 101,923        | 14,348     |

Judd Gregg, having a plurality of 61,502 votes, was elected Governor.

#### FOR EXECUTIVE COUNCILORS

First District

|                      |        |
|----------------------|--------|
| Raymond S. Burton, r | 39,905 |
| Eleanor R. Hogan, d  | 17,474 |
| Plurality for Burton | 22,431 |

## Second District

|                         |        |
|-------------------------|--------|
| Peter J. Spaulding, r   | 33,435 |
| Molly Cahill, d         | 22,219 |
| Plurality for Spaulding | 11,216 |

## Third District

|                       |        |
|-----------------------|--------|
| Ruth L. Griffin, r    | 35,135 |
| Peter Murphy          | 18,392 |
| Plurality for Griffin | 16,743 |

## Fourth District

|                        |        |
|------------------------|--------|
| Earl A. Rinker, III, r | 30,471 |
| Lou D'Allesandro, d    | 23,918 |
| Plurality for Rinker   | 6,553  |

## Fifth District

|                             |        |
|-----------------------------|--------|
| Bernard A. Streeter, Jr., r | 30,300 |
| Nancy Richards-Stower, d    | 23,153 |
| Plurality for Streeter      | 7,147  |

Sen. Disnard and Rep. Chambers offered the following:

RESOLVED, that the vote for Governor and Council be referred to a committee consisting of two on the part of the Senate and three on the part of the House to compare and count the same and report thereon.

Adopted.

The Chair appointed Reps. Daniel Healy, Leclerc and Elizabeth Greene and Sens. Blaisdell and Oleson.

The Speaker appointed Reps. Stamatakis, Tsiros and Katsakiores to escort the Deputy Speaker of the Greek National Parliament, Theodoros Anagnostopoulos and his wife Thalia to the rostrum.

Deputy Speaker Anagnostopoulos addressed the House.

Mr. Speaker of the House, Mr. President of the Senate, Honorable Democratic Leaders of the House and Senate, fellow Legislators. I want to thank you for the honor of inviting me to be with you today at the start of the new legislative session.

I am here representing the Greek Parliament. As one of its members and one of its legislative leaders, I feel a special bond being in such a historic legislative building such as yours. I am especially honored because I am with a state legislative body, that of the great State of New Hampshire, which over the history of this great nation has contributed a great deal to the development of democracy.

I want to emphasize that I come from the country of Greece which gave birth to democracy. I wish to say, however, that you and millions of other Americans over the years have taken the ideal Democracy and have made it an every day practice and a way of life. Our historic bonds are many. You Americans were at our side when we fought for our independence in 1821. We fought along side each other in both World Wars and it was your help which prevented my country from being under a totalitarian system of government after World War II. Today, your sons and daughters, along with ours, are standing vigil once again together in the Gulf to stop aggression and to restore national sovereignty.

I came to your beautiful state to experience your hospitality and to observe first hand your unique representative government. You have been able to put into practice the most difficult aspects of Democracy. You have been able to transform the gov-

erned into the governing, while keeping the citizenry fully aware of its civic responsibilities. Your ancestors have created values, a constitutional and legislative process, which have survived the test of time. They have instituted a form of freedom which does not get tired easily and that shows its wisdom and its vision. I hope you will preserve it forever while modifying it to suit the challenging times.

I want to emphasize, however, that your values manifest experience and wisdom which have the echo of eternity. You have accomplished all of this by applying the ancient Greek philosophy of measured judgment.

I thank you again for the honor you have extended to the Greek Parliament and to me. I wish, during your tenure in office, that you have a productive session for the good of your state, your nation and the world. I wish you Happy New Year.

Rep. Raymond Buckley moved that Deputy Speaker Anagnostopoulos's remarks be printed in the Journal.

Adopted.

Sen. Dupont and Rep. Burns offered the following:

### RESOLUTION

welcoming Theodoros G. Anagnostopoulos,

Deputy Speaker of the Greek National Parliament

WHEREAS, the form of government called democracy was established by the ancient Greeks in 600 B.C. and the term is the combination of two Grecian words: demos meaning people and kratos meaning rule or authority, and

WHEREAS, Athenian political thinkers stressed the idea of rule by law commencing when ancient Athens was a direct democracy, and

WHEREAS, the State of Kardhitsa in the Province of Thessaly has chosen Theodoros G. Anagnostopoulos as its representative to Parliament where he currently serves as Deputy Speaker, and

WHEREAS, Speaker Anagnostopoulos and his wife Thalia are visiting the United States and New Hampshire for the purpose of observing organizational activities both here and in the United States Congress tomorrow, now therefore be it

RESOLVED, by the House and Senate, in Joint Session convened on Wednesday, January second, Nineteen Hundred and Ninety-One at the State Capitol in Concord, that Theodoros Anagnostopoulos be greeted with the friendship and admiration for his country's initiation of the governmental process that serves so many countries so well today, and be it further

RESOLVED, that a suitable copy of this resolution be prepared for presentation to him.

Adopted.

Sen. Delahunty and Rep. Gross moved that the Joint Convention arise.

Adopted.

The Joint Convention adjourned.

### RECESS

#### (Speaker in the Chair)

Senate President, Edward Dupont, Jr., addressed the House.

**RESOLUTION**

Rep. Gross offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, and when the House adjourns today it be to meet Thursday, January 3rd, 1991 at 11:00 a.m.

Adopted.

The House adjourned at 2:15 p.m.

**HOUSE JOURNAL No. 3**

Thursday, January 3, 1991

The House assembled at 11:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by the Reverend Edward G. Horstmann, Pastor, First Congregational Church of Hopkinton.

Gracious God, as a new year dawns we give thanks for the promise of the future, and also for the goodness of the past; the wisdom gained, the seeds that were sown, the truth that was received, the times when our consciences were awakened by Your compassion.

Equip us now, good Lord, for the work that needs doing; guide and strengthen Governor Gregg and all public servants; bless the land and people of New Hampshire that we may use our resources uncommonly well for the common good.

And help us to see in each other untapped reservoirs of knowledge and insight, that together we might do those things which make for peace on earth and goodwill among all people. Amen.

Rep. Domaingue led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Vogler, Perry, Molner and Stacey Cole; the day, illness.

Reps. Daniel Healy, Spencer, Mayhew, Adams, Lynch and Hurst; the day, important business.

**INTRODUCTION OF GUESTS**

Thomas Torr, son of Rep. Ann Torr. Mary Hoit McNerney, Donald and Polly Wright, wife, nephew and niece of Rep. McNerney. Dorothy Bancroft, guest of Rep. Burns. Susan Desrosiers, wife of Rep. William Desrosiers. Donna Smith, Mary Roy and Darlene Carroll, wife, mother-in-law and daughter of Rep. Arthur Smith.

Reps. Gross and Chambers offered the following:

RESOLVED, that the Honorable Senate be notified that the House of Representatives is ready to meet the Honorable Senate in Joint Convention for the purpose of hearing the report of the Joint Committee appointed to compare and count the votes for Governor and Executive Council, and the Inauguration of the Governor, the Honorable Judd Gregg.

Adopted.

**RECESS****JOINT CONVENTION**

(Speaker presiding)

**INTRODUCTION AND SEATING OF SPECIAL GUESTS**

The Sergeant-at-Arms introduced the following who were escorted to their seats by the Governor's Military Staff; Major General Lloyd M. Price. Adjutant General, Chief of Staff; Major Kevin J. Crowley, Major Raymond V. Rogers, Major William Estey, 1st Lieutenant Karen L. Larson, Commander William M. Golding, Captain Walter D. Kilian, Lieutenant Colonel Paul M. Mayette, Colonel Paul F. Lessard, Major John Croteau, Jr., Major Francis L. Cramer, Lieutenant Commander David Gregg and Major Cyrus Gregg, Aides-de-Camp.

The Honorable Shane Devine, Chief Justice of the United States District Court; the Honorable Norman Stahl, Justice of the United States District Court; the Honorable David A. Brock, Chief Justice of the New Hampshire Supreme Court; Associate Justices of the New Hampshire Supreme Court: William F. Batchelder, William R. Johnson, W. Stephen Thayer, III, Sherman D. Horton; the Honorable Richard P. Dunfee, Chief Justice of the Superior Court; the Associate Justices of the Superior Court: James J. Barry, Jr., Linda S. Dalanias, Robert B. Dickson, Joseph A. DiClerico, Jr., Vincent P. Dunn, Margaret Q. Flynn, Frederick D. Goode, Douglas R. Gray, William J. Groff, Bernard J. Hampsey, Jr., Philip S. Holman, Philip P. Mangones, George L. Manias, Kathleen A. McGuire, Bruce Mohl, Robert E.K. Morrill, Walter Murphy, Joseph P. Nadeau, William J. O'Neil, James D. O'Neill, III, Harold W. Perkins, Peter J. Smith, Robert H. Temple; District Court Justices: Armand Capistran, Norman E. Champagne, Robert L. Cullinane, Roger L. Gauthier, H. Philip Howarth, Edwin W. Kelly, Robert D. Marshall, Michael F. Sullivan and Lawrence F. Warhall.

Former Governor Meldrim Thomson, Jr., and Mrs. Thomson; former Governor Walter Peterson and Mrs. Peterson; former Governor Lane Dwinell and Mrs. Dwinell, former Governor Hugh Gregg and Mrs. Gregg, father and mother of Governor Judd Gregg.

Mrs. Gordon Humphrey; Congressman Charles Douglas; State Treasurer, Georgie Thomas; Attorney General, John Arnold; Secretary of State, William Gardner, Mrs. Gardner and son.

The Reverend Clergy: Bishop Leo E. O'Neil, Father James C. Christon, Rabbi Arthur Staff, Reverend Daniel Osgood; The Honorable Senate; the Council-elect, the Honorable Raymond Burton, Peter Spaulding, Ruth Griffin, Earl Rinker and Bernard Streeter; the Honorable President of the Senate, Edward C. Dupont, Jr.; former Congressman James C. Cleveland and Mrs. Cleveland; Mrs. Eleanor Burns, wife of Rep. Burns, guests of Councilors-elect and House leadership.

Family and guests of Governor Gregg; Kathy Gregg, Joshua, Molly and Sarah Gregg. The First Lady of the United States, Barbara Bush.

Sens. Blaisdell and Oleson and Reps. Daniel Healy, Leclerc and Elizabeth Greene offered the following report:

The Joint Committee appointed to compare and count the votes for Governor and Executive Council, reports that it has attended to its duties, and the vote is correct. Further, the Committee has advised the Governor-elect and the Councilors-elect of their election. They have accepted said offices and are ready to meet the Senate and House of Representatives in Joint Convention to take the oath of office.

The New Hampshire National Guard posted the Colors followed by the National Anthem sung by Jane Hively of Conway.

Invocation was offered by Bishop Leo E. O'Neil, Diocese of Manchester.

Gracious God of all ages, on the one remaining wall of the temple of Jerusalem are etched the words, "The Generation that does not rebuild the temple is guilty of its destruction." We gather today to rebuild the structures of our freedom, our rights and our duties.

Bless the time and seasons of our state. We, the people, gather today to acknowledge our sacred trust: the lakes and towns, cities, hills, seas and mountains — and our greatest treasure, the mind and spirit of the people of this free and federated state. This is our common wealth. May it be guarded and cherished in these chambers.

Here, too, is assumed a common burden, for the men and women who enact or execute, judge or protect our laws, must first listen. There can be no speeches, no proclamation, no debate until we have heard the cry of the poor, the voice of the powerless, the plea for justice, the thundering call for peace.

Here, in these chambers, there must be silence so that our constitution may whisper guidance and Your Holy Spirit may break through the barriers of confusing noise and lead us to the gentle task of righteous discernment. May these men and women, who are the voice of the people, carry our common burden. Make them, O Lord, attentive listeners.

Bless this man, Judd Gregg, into whose hands we place the governance of our state. May he accept the burden of confidence. For weariness is the partner of responsibility; criticism is the companion of leadership and steadfast resolve is often victimized by negativism. Only the dynamic energy of confidence can burst through the fortress that relies on the security of inaction, rather than the risk of renewal; or can pierce through the gloom of doubts. Make this man steady-as-you-go so that his confidence can rally us to hope, and free us from the paralysis of fear.

Bless Mrs. Bush whose vibrant and courageous personality embodies all we struggle to be as Americans and human beings.

Bless Kathy Gregg and her family, for in them the Governor will find his strength and his consolation.

Bless all of us. Teach us that only three things are required of us — to echo the Prophet Micah: to act with justice, to love tenderly, to walk humbly with our God. Then we can be confident that we are the generation that is not guilty of the destruction but has rebuilt Your Holy Temple. Amen.

The Chair introduced the First Lady of the United States, Barbara Bush.

Thank you very much. Before I read the letter from George, I noticed that there was a little speculation about my coming up here. I'm going to tell you the truth, the whole truth, believe it or not. I came because of the enormous affection the Bush family has for the Gregg family.

Mrs. Bush read the letter from President Bush:

I am delighted to extend my warmest greeting to all those gathered for the inauguration of Judd Gregg as Governor of New Hampshire. It is a particular pleasure for me to send this message because of the warm friendship the Bush and Gregg families have shared over the years.

Judd Gregg has served the State of New Hampshire with distinction, and the people of New Hampshire have wisely invested their confidence in him for a second term. Inaugurals are a time for renewal and rededication. Under Judd's able leadership, New Hampshire has a bright future, and I share the high hopes that are so much a part of this day.

I value the relationship I have with the nation's Governors. They provide leadership in a challenging arena, and every day, their work impacts the lives of the people they represent. Judd Gregg brings to this office a special understanding of the concerns of the citizens of New Hampshire and valuable insights into the opportunities facing your great state.

I am pleased that Barbara is able to be with you on this special day to express our respect for Judd and our affection to the whole Gregg family.

(Signed) George Bush.

Chief Justice David Brock administered the oath of office to Governor-elect Judd Gregg.

A prayer for peace and thanksgiving was offered by Reverend Father James C. Christon, Pastor Emeritus, Assumption Church, Chaplain, Eastern Orthodox at the Veterans Administration Center, Manchester.

Father in heaven, we are ever cognizant of our dependence on Your presence and Your approval of all of our endeavors.

On this inauguration day of the Governor of this sovereign state, we would pause in prayer before You. Increase, we beseech You, our faith in You and in Your divine purpose for humankind. Enable us to tune our wills to be in perfect harmony with Your sublime will. Inspire us in all our deliberations. Guide us to peace in the world in our time and in our hearts.

We stand in awe before You and express our grateful thanks for enabling our forefathers to found this blessed Nation, and particularly this progressive state, for the common good. We thank You for the gifts of truth and life. We thank You for the opportunity to serve. We thank You for the fellowship of enriching love which channels Your beneficial grace to us and makes us channels of Your enduring blessings.

Grant us wisdom, courage, perseverance, and, yes, even sacrifice to safeguard those gracious gifts that assure us our cherished freedoms.

Bless our Governor, our legislators, all our leaders in this great country with Your wisdom from above. Help them and us to diligently work unceasingly for peace and its establishment in all the earth.

In the name of the Prince of Peace, whose teachings embody the principles of Your kingdom, we pray. Amen.

The Governor administered the oath of office to the Honorable Councilors-elect, Raymond Burton, Peter Spaulding, Ruth Griffin, Earl Rinker and Bernard Streeter.

The Governor delivered his Inaugural Address as follows:

I'd like to begin today with a series of acknowledgments. The first acknowledgments I'd like to make are to people who are not here with us. Men and women who are our friends and our neighbors and who have been called to arms. Our National Guard and reserve units and those who serve in the service and who are now serving our nation: men and women of the 744th Transportation Company; men and women of the 1159th Medical Detachment; men and women of the 94th MP Company, Army Reserve; men and women of the 157th Air Refueling Group, Air National Guard; men and women in Company B, First Battalion, 25th Marines; and those men and women from New Hampshire and throughout this country, of course, who are serving in the regular armed services. These individuals have been called by our President to defend and stand for our freedoms. We obviously wish them the best and we ask that they be returned to us safe and sound. We support our President in his initiatives to assert the needs of liberty and independence as they exist throughout the world.

I also, of course, want to acknowledge Kathy and my family. Of course, we are extraordinarily honored to have Barbara Pierce Bush with us today. I use the full name because there is a certain symmetry to her being here today. There are really two Pierces that we have in this hall: the wonderful, dynamic First Lady, and also our own Franklin Pierce, of whom she is a direct descendent. We do thank you very much, Mrs. Bush, Kathy and I, for your taking the time out of what is an extraordinarily hectic schedule, to be here in New Hampshire. It means a great deal to me and to our

family, to my parents, to all of New Hampshire. The relationship which you and your husband have to our state is, we believe, unique and we recognize that you feel that way also. We greatly admire you and call you friend. Thank you very much.

I also wish to acknowledge, of course, the Chief Justice, the members of the Court, the Honorable Council which has been introduced to you today, the Speaker and the Legislature, a body which I look forward to working with. In fact, as I think of it, I have seen many of you for the last two years.

I don't think he's here today, but I think we should also acknowledge, individually, one member of the Legislature and that's Dan Healy, who for 23 terms has served in the House. He couldn't make it today, but that's 46 years at the completion of this term that he has been in the House of Representatives. An incredible record for anyone, obviously. We're just hoping that for the next 46 he'll get it right and be a Republican. He reflects the type of commitment to state government and to a volunteer form of government which our Legislature so appropriately serves. Also, of course, the President of the Senate and the members of the Senate. I'll be honored to serve with you over the coming year.

Friends and citizens of New Hampshire.

We gather today as a society, facing a world in transition, a federal legislature which is in fiscal paralysis and a regional economy which is in a severe recession. These clearly are not easy times. But they are times when we, who govern the states, can have an immediate, positive and permanent impact.

At the end of World War I, in the early part of this century which is now closing, the federal government consolidated and began growing in a geometric progression, being turned to for the answers and solutions to almost all issues of public policy.

In the same time frame, the proposition of socialism took on its greatest force with the rise of the communist state, a movement that brought about a world confrontation on the issues of how best to govern.

Today, socialism has been proven to be a nightmare of idealism and the federal government has grown to be a behemoth whose mass is so great and so unmovable as to be a frustrating weight on a market-oriented society.

Therefore, we who govern at the state level are as much by chance, as by design, thrust forward as the forces for opportunity; the accomplisshers of the dreams of the self-governed.

It is, therefore, a great bit of good fortune to be at this time and place, no matter how acute the state of the economy may be. For, we have the chance to use our imagination, creativity, common sense and New Hampshire fiscal prudence to deliver into this world of turbulence, disarray and disorientation, effective, quality government.

This is no small challenge. For, to describe our economy or our economic outlook as being dire, might be a generous term.

Having gone through the greatest economic expansion in the post World War II period in the late 1980s, we are now facing what may well be the most significant economic retrenchment or contraction in the same period. With the real tragedy being that a great many people are losing their jobs.

As we look ahead at this stretched economy, we face further deterioration resulting from a banking system that cannot fund or even slightly encourage the activities of the risk-takers and the entrepreneurs. We have a budget where revenues for the year 1990 were less than the revenues for the year 1989; even after some tax increases, and

revenues for the year 1991 will likely not be much better than the year 1990, again, after some tax increases.

We can, of course, in the area of state finances compare ourselves with some slight satisfaction to the plights of our sister states which are even more severe. This does not, however, resolve our problems, but at least it should confirm the strength of the courses we have taken, which has been to act quickly and definitively on issues of fiscal policy.

Thus, again over the next few weeks I will be asking you for quick and definitive responses, first in the supplemental and then in the biennial budgets.

During the late 1980s, the government of the State of New Hampshire grew faster than any other state government in the country. Revenues were managed, but spending was not. Today, we are facing revenue growth of less than 1.3 percent and an overall economic growth of less than 2 percent. Clearly we cannot allow government to grow faster than these factors. We are no longer in a time of ever-expanding economy, but rather in a time of a significantly slowed economic growth and government must also contract.

We should heed the counsel — as we often do as a nation, but specifically relative to New Hampshire — of Thomas Jefferson, who in writing to the Governor of New Hampshire in 1816, William Plumer, said, “I place economy among the first and most important virtues in the area of managing government.”

The simple fact is that some areas of government are going to have to be reduced in size.

This will be an immense challenge. For, obviously, during times like these certain activities of government, those that benefit the people out of work, the displaced and the poor need to be increased in their level of support. This means that I am going to ask you to look at all functions of government, acknowledge that we cannot be all things to all people and order our priorities. Some programs will have to be reduced; some possibly even eliminated. Many agencies will receive less funding. These are not going to be enjoyable decisions, but it is our obligation to make them.

For if we fail to act decisively, then this government will be adding its weight to the already overburdened economy. Our goal must be to create jobs, for a good job is the core element of high quality life, and quality jobs cannot be created in an environment where the rate of growth of the government is not limited to the rate of growth of the economy.

In addition, to energize economic growth we must continue to move forward in the area of economic development. This is obviously an arena which has received tremendous attention over the last year, but it is also an arena where much can still be done. The biggest single economic problem confronting us as a state is the lack of debt equity for our business community. It is becoming virtually impossible for our entrepreneurs and our risk takers, even for our successful merchant businessmen, to find the necessary liquidity to expand, grow and create jobs.

In fact, if you were to order the problems which we face today as a government, it would not begin with the economy and it would not begin with the budget. It would begin with our banking system.

We need to re-invigorate our banking system if we are to see our economy pick-up and in turn see the revenues flow into the state which will support our service needs.

In order to address this issue, I have been meeting aggressively with the regulators, for in large part, what we are confronting here is a regulatory driven, recessionary banking contraction.

Getting the attention of the FDIC, Federal Reserve Bank and comptroller on this issue has not been easy. However, as chairman of the New England Governors' Conference, I have aggressively pursued and will continue to pursue this path. We will be pulling together in February a forum of New England leaders, including all the Governors of New England, with this issue as the primary item on our agenda.

In New Hampshire, there are some things we can do, although I must admit to a large extent they are at the margin. We will be proposing to fund a venture capital initiative which will create an available pool of liquidity for job creators using funds that can be leveraged up by loans from federal agencies.

In addition, to the extent that we have public projects which are ready to go and which we can afford, we should begin to build those projects as quickly as possible. Now, I didn't say a state office building on the Heights. Further, we intend to continue to expand and aggressively pursue our three-point effort in the area of economic development. Specifically, encouraging those companies already in New Hampshire to expand in New Hampshire if they are in the growth phase; to assist in the area of export, helping our small and moderate-level companies export and to attract good new companies to New Hampshire. This program has produced some major successes and there are still major successes to come, and we will pursue the program aggressively.

Certainly, the activity around Pease Air Force Base, although frustrating at times, shows progress, and interest remains extraordinarily high. In addition, we will be proposing, in the capital budget, the funding needed for expansion of the Port Facility.

We see the combination of Pease and the port facility as being the window of opportunity for export to Europe, not only for New Hampshire, but also for all of New England.

New Hampshire is unique. We remain a state that offers to our citizens the lowest overall tax burden of any state in the country. That, of course, includes the amount paid for property taxes. This uniqueness should never be underestimated in our ability to attract and create economic activity and jobs. And, therefore, it would quite simply be killing the goose that lays the golden egg to step off on the path of our sister states who have proceeded to dramatically expand their overall burden of government by introducing the machinery of broad-based taxes.

The proponents of adding a broad base tax have sheltered their presentation of the theory in the proposition that they will use these revenues to reduce the burden of property taxes.

Obviously, you cannot reduce taxes by raising taxes. I reject this position both from a standpoint of logic and facts. Government always spends all the money it receives, one revenue source is never used to reduce another, and there is no state that has accepted this theory where the whole burden of government has not increased and where the total of taxation has not risen.

Also, there is the question of fairness. There is nothing less fair than a sales tax or a flat-rate income tax which is the only type of income tax allowed by our Constitution. The moderate-income individual inevitably pays a disproportionate share of a flat-rate income tax. A poor individual pays a disproportionate share of a sales tax. The issue of fairness amongst the property-tax payers should be addressed, but it should be addressed in a manner that does not use the issue of a broad base property tax as a cover for the purpose of creating a broad base tax. Thus, in the unlikely event that any general sales or income tax should reach my desk, I will veto it.

We can address property tax relief first by empowering our towns to exempt the low-income individuals and even further exempt our senior citizens from paying a portion of the property taxes assessed against them. This would make property taxes a more progressive system, representing not only a tax assessment on capital worth, which it already is, but ability to pay.

In addition, it is time that we passed a bill enabling our towns to exercise impact fees. If we are to talk about reducing real estate taxes, one point to begin at is the cost which major development passes on to the entire community through infrastructure improvements which would not otherwise be required. Clearly, the impact-fee bill is a way to mitigate this occurrence and to reduce the pressure on property taxes.

Further, we should put in place legislation that will make it clear that when the state government returns to a position of significant revenue surplus, as it will as the economy turns around, that rather than repeating the mistakes of the late '80s when state government programs were dramatically expanded, we instead will share those excess revenues with the towns and cities to help reduce the property tax burden.

But, today, since the economic downturn has severely restricted the revenues of government rather than demanding more taxes, we should look on this event as an opportunity to view government through a different prism and take this opportunity to improve government. Over the years, it has been too easy to say that more money is equated to better services. Since we no longer have the luxury of subscribing to that formula because there simply is not more money, let us see if we can accomplish those functions of government which are critical in a better way on either the money we have or even less dollars.

Take, for example, the issue of education which, of course, is the primary driver of the property tax concerns. Approximately 80 percent of the average property tax dollar goes to support education. We continue to hear from the coalition, which ironically is saying they are going to reduce taxes through raising taxes, that all they need is further dollars to correct our present educational crisis.

Well, America presently spends more per pupil on education than any other industrialized country and yet we continually rank at the lowest level in key disciplines of education such as math, science and literacy. A recent international review concluded that Taiwan ranked first among the top 16 industrial countries in the area of math and science, and the United States ranked last. But when asked a further question, which was, "How do you feel about your education"?, ironically, Taiwan ranked number 16 whereas American children ranked number one for feeling positive about their educational experiences. Thus, you have the syndrome of "I don't know a great deal but I am pretty happy about it." There is, I believe, much that we can do to change this basic problem within our society which doesn't necessarily require more dollars.

We have an educational system which continues to be based on an agrarian calendar during a time when we are a commercial state. It is training our children for an industrial economy when we are participating in an information age. It is educating people in the context that there is a traditional family at home when 70 percent of both parents are working. Issues such as a longer school day, a longer school year, alternative certification, merit pay, the teaching of ethics and sex education can be undertaken or at least reviewed and made available as tools to our local school.

We should also introduce the concepts of a marketplace into the educational community. Choice, an idea which causes many to scream in horror but an idea which in light of the breakdown of the monopolistic approach of government in other functions

of society, should be applied to education. Means test it, in order to limit abuse, but at least allow the concept of choice to be exercised by our local communities such as recently has occurred and is occurring in Epsom and Barrington.

Further, we have a business community which feels it has been left out of the equation of education. It sees more and more of its potential employees being trained in a manner which is irrelevant to the jobs which are available to them. We should not be managing the minutia of day-to-day education; we should not be telling our educators the size of their classrooms or the books to use, but rather we should require the education community to meet certain output standards and those standards should be tied directly to what the commercial and industrial community demands and needs. This is critical if we are to remain a competitive society in the face of global competition.

Almost all of these initiatives can be undertaken without major funding increases. All they take is willingness to reflect some flexibility and to stop the insistence on approaching education with the lowest-common-denominator mentality. If we demand excellence we may get it, but if we accept mediocrity we will certainly get mediocrity.

We must also address, and can address without a great deal of expenditure, the need to protect our environment. One of the key points which came out of the Commission on the 21st Century was the linkage between the various functions of our society and especially among economic development, the environment and tourism.

People seek New Hampshire as a place to create jobs and a place to be employed, not only because we give them a positive tax climate and government climate, but also because we give them a high quality of life in which to raise their families and be employed. This quality of life is tied directly to the environment.

We are now in a period of what some might call a breathing spell. New Hampshire will obviously grow and grow dramatically over the next generation. In fact, the Commission on the 21st Century found that although we had not reached a population of 500,000 until the year 1950 we doubled that population within the next 40 years, reaching the population of one million by the year 1990, and it is expected that we will double again reaching a population of two million in the first third of the next century.

That sort of population growth is inevitably going to put immense pressure on those institutions, ways of life and physical characteristics which have made New Hampshire such an extraordinary place in which to live.

On the environmental side there are a number of initiatives which we should undertake to position New Hampshire for this next growth spurt.

I have proposed a shoreline protection bill arising out of the Shoreline Study Committee which works to protect our lakes, our rivers and the Great Bay estuary. This is where most of the pressure was felt in the 1980s and where we did the poorest job of protecting the state's interest and preserving a high quality recreational environment and the water. The Shoreline bill will essentially put the state in the business of regulating land use around these areas in conjunction with and in cooperation with the local communities. This is an obligation we have to assert as a State.

We will need to continue to pursue, not only recycling initiatives which have been so accepted by so many citizens of this state and communities, but also the issue of marketing recyclable goods. We obviously have a success story but to make that success story have a happy ending we have to sell the goods which we have recycled. Further, we need to encourage a national movement to have goods produced in a manner that makes them either readily recyclable or compostable. I believe a time

will come, sooner than most might think, when we will either re-use our goods or turn them into dirt. Then, we can have our clergy say, "From dust to compost to dust."

Further, in my opinion we need legislation in the area of scenic roads so that we can protect more effectively the roads which are the primary responsibility of the state including legislation which deals with the proliferation of billboards, some of which through their enormity or placement create horrific eyesores.

In addition, we should take a look at ways to assess regional impacts of development activity, encourage cluster zoning and watershed management and enhance our park system. This is all legislation that can be accomplished, all initiatives which can be undertaken without additional costs either to our treasury or to the local communities, but it is activity that should be undertaken if we are to position ourselves for this next surge of growth.

Let me read to you from the report of the Commission on the 21st Century: "The New Hampshire Paradox. People come to New Hampshire or stay in New Hampshire to be independent. We discover paradoxically that independence requires community effort. To maintain independence from large government interference, for example, people at local levels have to take responsibility for local control."

As policymakers, as we go through this difficult economic time, which is a passing event, it is essential that we not take actions in reaction to this time which will fundamentally undermine those qualities which have made New Hampshire unique and which will be needed if we are to retain our quality of life for the next generation.

New Hampshire is our responsibility as citizens. Our government depends upon that commitment. Maintaining a living landscape is essential to creating and retaining our identity as a state and as a people. But to accomplish these goals we must understand our core values and responsibilities.

We are a state that believes in retaining government closest to the people and it would fundamentally undermine that form of government if we were to put the primary engine of taxation at the state level.

We are a state that believes that the citizenry must participate and we would fundamentally undermine that form of government if we professionalize our legislature and make the service in local government so onerous that none should volunteer for it.

We are a state that believes in our scenic value and our aesthetic qualities and we would fundamentally undermine those values and those qualities if we do not limit our development so that it is consistent with the rural images and scenic beauty of the state.

We are, most importantly, a state that understands the impact of the individual and the importance of maintaining individual liberties and in order to maintain those liberties we must not allow the size of government to grow or evolve in a way that causes it to exceed the capacity of individuals to affect it.

As we look forward, our spirits should rise and our expectations be limitless for we have the good fortune to be living in an extraordinary time, in a magnificent place, amongst exceptionally fine people and it is with those convictions that I look forward to leading you over the next two years.

The Rundlett Junior High School Chorus of Concord sang "Old New Hampshire."

Prayer for a successful administration was offered by Rabbi Arthur Starr, Temple Adath Yeshurun, Manchester.

As we gather together today amid the joy of this inauguration and festivity, we pause to ask for blessings: the blessings of wisdom and understanding; the blessings of compassion and patience; the blessings of leadership and cooperation for Judd Gregg, his counselors and advisors, and all who have been entrusted in positions of authority in our state. May the dreams, the visions and the hopes of this administration for our common good be made real. May they bring all of us closer together; may they bring honor to our state and brotherhood to our citizens.

We also ask for blessings, at this time, on our nation and our country. May the machines of destruction poised in the Persian Gulf be turned to instruments of peace as nations realize the futility of war and seek understanding, justice and lasting peace, bringing our sons and daughters home speedily and safely.

As this New Year and this new administration begin, we ask for the strength to enable us to fulfill these goals, bring blessings to the citizens of the Granite State, our nation and all humankind. Amen.

The Reverend Daniel Osgood of the Union Congregational Church in Greenfield offered the Benediction.

O God, You have been from the beginning of creation, a solid rock in times of trouble, a strength in times of conflict, a guide in times of rapid change and uncertainty and a deep resource of love and compassion.

Today, O God, we have witnessed the swearing-in of Judd Gregg as our Governor. We ask You that Your grace may come in overflowing measure upon Governor Gregg. Keep him humble and open-minded as he faces the pressures of leading our state in changing and difficult times. Let him hunger and thirst after true righteousness. Grant him the courage to resist the pressures which make for indifference and injustice. Give him the wisdom and courage to do what he knows to be right as You increase his knowledge of what is right for this our state. Continue to give Governor Gregg integrity that he may be a trusted leader for all people.

We ask Your gracious blessing upon his wife Kathy, their children: Sara, Molly and Joshua. As they continue to face the demands and pressures of public life, may each find in You a deep spirit of contentment, happiness, and joy.

O God, we ask Your blessing on this state of New Hampshire. Guide all her leaders and people by Your spirit. Give us what outward prosperity may be Your will, but above all else give us faith in You that our state may give glory to Your name and be a blessing to all people.

Now, O God, we ask that You bless us and keep us; that Your face shine upon us and be gracious to us; that You look upon us with kindness and give us Your peace, not just today, but everyday. Amen.

Rep. Gross and Sen. Delahunty moved that the Joint Convention arise.  
Adopted.

**(Rep. David Young in the Chair)**  
**RESOLUTION**

Rep. Marsh offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, and when the House adjourns today it be to meet Tuesday, February 5th, 1991 at 1:00 p.m. unless otherwise ordered by the Speaker.

Adopted.

**LATE SESSION****Third reading and final passage**

Rep. Marsh moved that the House stand in recess for the purpose of introduction of bills only.

Adopted.

The House recessed at 1:15 p.m.

**RECESS****(Rep. Felch in the chair)**

Rep. Krueger offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 50 and 51, and 100 through 145, and Constitutional Amendment Concurrent Resolutions numbered 1 and 2, shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

**INTRODUCTION OF HOUSE BILLS and CACRs****First, second reading and referral**

**HB 50-FN-A**, relative to state revenue and expenditures. (Gross of Merrimack Dist. 16; Delahunty of Dist. 22 - To Appropriations)

**HB 51-FN**, relative to determining employer contribution rates in the New Hampshire retirement system, eliminating the "special account" as a means of funding cost of living adjustments, and providing limited cost of living adjustments. (Campbell of Belknap Dist. 5 - To Executive Departments and Administration)

**HB 100**, clarifying when a school bus driver must pull over to let other drivers pass. (J. Flanders of Rockingham Dist. 10 - To Transportation)

**HB 101-FN**, relative to metered motor fuel deliveries. (P. White of Grafton Dist. 6 - To Commerce, Small Business and Consumer Affairs)

**HB 102**, relative to a state budget spending cap. (Bucio of Rockingham Dist. 20; Ouellette of Hillsborough Dist. 48; A. Smith of Rockingham Dist. 20; Cooke of Rockingham Dist. 20; Klemm of Rockingham Dist. 22 - To Appropriations)

**HB 103**, relative to the time period for perfection of a purchase money security interest under the uniform commercial code. (B. Gage of Rockingham Dist. 20 - To Commerce, Small Business and Consumer Affairs)

**HB 104-FN**, relative to a public water rights report and advisory committee. (Conroy of Rockingham Dist. 7; Dupont of Dist. 6 - To Resources, Recreation and Development)

**HB 105**, making English the official language of the state of New Hampshire. (Raynowska of Rockingham Dist. 20; Weyler of Rockingham Dist. 10 - To Education)

**HB 106-FN**, establishing a committee to study the feasibility of an enhanced state-wide uniform emergency 911 telephone system. (Salatiello of Belknap Dist. 3; Jeffrey Brown of Rockingham Dist. 14; Gross of Merrimack Dist. 16; Cowenhoven of Hillsborough Dist. 19; Dupont of Dist. 6; Delahunty of Dist. 22; Currier of Dist. 7; Russman of Dist. 19; Hollingworth of Dist. 23 - To Commerce, Small Business and Consumer Affairs)

**HB 107-FN**, eliminating registration fees for class AA dams. (Ziegler of Belknap Dist. 6; Schotanus of Sullivan Dist. 1; K. Wheeler of Strafford Dist. 4; Dickinson of Carroll Dist. 2; Disnard of Dist. 8; Fraser of Dist. 4 - To Resources, Recreation and Development)

**HB 108**, prohibiting the legislature from clearing title to a deed through legislation. (Record of Hillsborough Dist. 23; Jasper of Hillsborough Dist. 19 - To Municipal and County Government)

**HB 109-FN**, relative to ballots for districts which elect more than one state representative. (Flanagan of Rockingham Dist. 8; Benton of Rockingham Dist. 5 - To Constitutional and Statutory Revision)

**HB 110-FN**, increasing the fees for licenses to carry loaded pistols and revolvers. (Chase of Rockingham Dist. 28; W. McCain of Rockingham Dist. 11 - To Public Protection and Veterans Affairs)

**HB 111**, relative to recording of information concerning well radii. (Roulston of Rockingham Dist. 20 - To Resources, Recreation and Development)

**HB 112-FN**, relative to the length of time for which variances to zoning ordinances may be granted. (Roulston of Rockingham Dist. 20; Rep. Klemm of Rockingham Dist. 22 - To Municipal and County Government)

**HB 113**, relative to weighted voting in school administrative unit affairs. (Larson of Grafton Dist. 9; Schotanus of Sullivan Dist. 1; Laurent of Cheshire Dist. 2 - To Education)

**HB 114-FN**, relative to the date for terminating the motor vehicle emissions inspection program. (Stewart of Grafton Dist. 4; E. Greene of Rockingham Dist. 18; B. McCann of Hillsborough Dist. 31 - To Environment and Agriculture)

**HB 115-FN**, relative to an elderly property tax increase limitation. (Parr of Rockingham Dist. 17; Stio of Merrimack Dist. 5; Baroody of Hillsborough Dist. 39; Anderson of Merrimack Dist. 7; Parks of Strafford Dist. 6; Oleson of Dist. 1 - To Municipal and County Government)

**HB 116**, relative to a definition of active military service in relation to representatives and senators. (Gross of Merrimack Dist. 16 - To Public Protection and Veterans Affairs)

**HB 117-FN**, relative to housekeeping changes in the weights and measures laws. (Millard of Merrimack Dist. 4 - To Environment and Agriculture)

**HB 118**, relative to determination of alimony where one spouse has remarried. (Record of Hillsborough Dist. 23; Jasper of Hillsborough Dist. 19; Jacobson of Merrimack Dist. 2; Burling of Sullivan Dist. 1; Doucette of Cheshire Dist. 17 - To Judiciary)

**HB 119-FN**, relative to bottled water. (Millard of Merrimack Dist. 4; Desrosiers of Hillsborough Dist. 43 - To Resources, Recreation and Development)

**HB 120**, to standardize the use of tax exemptions and tax credits for property tax purposes. (Grodin of Cheshire Dist. 6 - To Municipal and County Government)

**HB 121-FN**, relative to limiting the mode of taking deer in Rollinsford. (Jankowski of Strafford Dist. 5 - To Fish and Game)

**HB 122**, relative to placing ballots directly in the ballot box. (Theriault of Coos Dist. 8; Salatiello of Belknap Dist. 3 - To Constitutional and Statutory Revision)

**HB 123-FN**, prohibiting merchants from requiring credit cards as identification from customers paying by check. (Guay of Coos 7 - To Commerce, Small Business and Consumer Affairs)

**HB 124**, relative to liability of corporate officers. (T. Christie of Merrimack Dist. 9 - To Judiciary)

**HB 125**, relative to the width of drink rails. (Behrens of Sullivan Dist. 3; Klemm of Rockingham Dist. 22; R. Kelley of Hillsborough Dist. 13 - To Regulated Revenues)

**HB 126**, relative to rules in manufactured housing parks. (Lozeau of Hillsborough Dist. 25 - To State Institutions and Housing)

**HB 127**, changing the name of Fast Day to Civil Rights Day. (Domaingue of Hillsborough Dist. 42; Ouellette of Hillsborough Dist. 48; Barberia of Merrimack Dist. 6 - To Executive Departments and Administration)

**HB 128-FN**, excluding certain types of violations by persons 16 years of age or over from the application of laws regarding children in need of services. (Fields of Hillsborough Dist. 13 - To Children, Youth and Juvenile Justice)

**HB 129-FN**, relative to monitoring the reassessment of taxable property by the department of revenue administration. (Perry of Cheshire Dist. 10 - To Municipal and County Government)

**HB 130-FN**, relative to mass transportation in certain cities. (Nardi of Hillsborough Dist. 35; Reidy of Hillsborough Dist. 45 - To Municipal and County Government)

**HB 131-FN**, relative to liability for acts which create situations requiring unnecessary emergency responses. (Daly of Carroll Dist. 3; Benton of Rockingham Dist. 5 - To Public Protection and Veterans Affairs)

**HB 132-FN**, reclassifying portions of certain highways in the town of Sandwich. (Marsh of Coos 1 - To Public Works)

**HB 133**, relative to the right to know law. (Holbrook of Belknap Dist. 13 - To Judiciary)

**HB 134-FN**, relative to convening county charter commissions. (Salatiello of Belknap Dist. 3 - To Municipal and County Government)

**HB 135**, relative to the term of office for county sheriffs. (Chase of Rockingham Dist. 28; J. Flanders of Rockingham Dist. 10; W. McCain of Rockingham Dist. 11 - To Constitutional and Statutory Revision)

**HB 136-FN**, relative to current use assessments and the land use change tax. (E. Greene of Rockingham Dist. 18; Dickinson of Carroll Dist. 2; Teschner of Grafton Dist. 5 - To Environment and Agriculture)

**HB 137-FN**, relative to railroad rights-of-way. (Hoar of Rockingham Dist. 6; Teschner of Grafton Dist. 5; Burling of Sullivan Dist. 1; Oleson of Dist. 1 - To Transportation)

**HB 138-FN**, relative to spousal support. (Lown of Hillsborough Dist. 9 - To Judiciary)

**HB 139-FN**, relative to fair credit billing. (Drolet of Hillsborough Dist. 8; Tsiros of Strafford Dist. 2; B. Packard of Hillsborough Dist. 15 - To Commerce, Small Business and Consumer Affairs)

**HB 140-FN**, allowing 18-year-old students to register to vote at high schools. (P. Brown of Grafton Dist. 11; D. Christy of Grafton Dist. 11; Scanlan of Grafton Dist. 11; Hough of Dist. 5 - To Constitutional and Statutory Revision)

**HB 141-FN**, relative to limiting the mode of taking deer in Dover. (Corte of Strafford Dist. 6; A. Torr of Strafford Dist. 6; Parks of Strafford Dist. 6; Gilmore of Strafford Dist. 7; W. McCann of Strafford Dist. 7 - To Fish and Game)

**HB 142-FN**, relative to school district budgets. (Ferguson of Hillsborough Dist. 10 - To Education)

**HB 143-FN**, relative to the liquor commission's authority to close liquor stores. (Larson of Grafton Dist. 9; Brungot of Coos 8; J. Chandler of Merrimack Dist. 1; Nielsen of Grafton Dist. 8 - To Regulated Revenues)

**HB 144-FN**, exempting municipalities from annual dam registration and classification fees and eliminating registration fees for class AA dams. (Elliott of Hillsborough

Dist. 2; Dow of Grafton Dist. 8; Hultgren of Hillsborough Dist. 1; Currier of Dist. 7 - To Resources, Recreation and Development)

**HB 145-FN**, expanding the definition of "residential real estate" for the purposes of the veterans' tax exemptions. (Scanlan of Grafton Dist. 11 - To Municipal and County Government)

**CACR 1**, relating to initiative petitions. Providing that referenda to amend the constitution and to enact laws may be initiated by petitions. (T. Christie of Merrimack Dist. 9 - To Constitutional and Statutory Revision)

**CACR 2**, relating to biennial legislative sessions. Providing that the general court shall meet biennially. (J. Flanders of Rockingham Dist. 10; Welch of Rockingham Dist. 10; Pepino of Hillsborough Dist. 37; Senter of Rockingham Dist. 9; Whittemore of Merrimack Dist. 10; Podles of Dist. 16; Humphrey of Dist. 17 - To Constitutional and Statutory Revision)

## RECESS

### (Rep. John W. Flanders in the Chair)

Rep. Dube offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, House Bills numbered 146 through 190, and House Joint Resolution numbered 1, shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

## INTRODUCTION OF HOUSE BILLS, and HJR First, second reading and referral

**HB 146-FN-A**, to establish a uniform business tax and making an appropriation therefor. (Ahrens of Hillsborough Dist. 13 - To Ways and Means)

**HB 147**, relative to the information required on declarations of candidacy, primary petitions, and affidavits for qualifications of candidates. (F. Riley of Hillsborough Dist. 44 - To Constitutional and Statutory Revision)

**HB 148**, relative to the duties and liabilities of roller skating facility operators and roller skaters. (Fields of Hillsborough Dist. 13 - To Judiciary)

**HB 149-FN-A**, relative to a liquor store in Center Harbor and making an appropriation therefor. (Salatiello of Belknap Dist. 3; Maviglio of Belknap Dist. 1 - To Regulated Revenues)

**HB 150**, relative to the observance of Memorial Day. (Hoar of Rockingham Dist. 6; Wall of Strafford Dist. 4; Mason of Hillsborough Dist. 8; Robinson of Hillsborough Dist. 12; Holden of Hillsborough Dist. 9; Hollingworth of Dist. 23; Pressly of Dist. 12; Humphrey of Dist. 17; King of Dist. 18; Hough of Dist. 5 - To Public Protection and Veterans Affairs)

**HB 151-FN**, establishing a committee to study the use and preservation of the buildings and grounds at the state hospital. (W. Boucher of Rockingham Dist. 23 - To State Institutions and Housing)

**HB 152**, relative to electing the executive committee for the county convention in Merrimack county. (Whittemore of Merrimack Dist. 10; Currier of Dist. 7 - To Municipal and County Government)

**HB 153-FN**, to regulate the handling of manure, agricultural compost and chemical fertilizers. (Teschner of Grafton Dist. 5 - To Environment and Agriculture)

**HB 154**, relative to electing Belknap county commissioners and relative to printing county convention proceedings in Belknap county. (Maviglio of Belknap Dist. 1; Salatiello of Belknap Dist. 3 - To Municipal and County Government)

**HB 155**, relative to notice to tenants of manufactured housing park foreclosure. (McRae of Hillsborough Dist. 6 - To State Institutions and Housing)

**HB 156-FN-A**, establishing a committee to study the feasibility of constructing an access road from West Franklin to exit 19 on I-93 and making an appropriation therefor. (Whittemore of Merrimack Dist. 10; Asplund of Merrimack Dist. 10; Gilbreth of Merrimack Dist. 12; Feuerstein of Merrimack Dist. 10; Currier of Dist. 7 - To Public Works)

**HB 157-FN**, relative to designating trauma care centers. (Cowenhoven of Hillsborough Dist. 9; Copenhaver of Grafton Dist. 12; Currier of Dist. 7; Podles of Dist. 16 - To Health, Human Services and Elderly Affairs)

**HB 158**, relative to highway safety for riders and drivers of horses. (Benton of Rockingham Dist. 5 - To Transportation)

**HB 159-FN-A**, making a supplemental appropriation to the board of tax and land appeals. (Schotanus of Sullivan Dist. 1; Hough of Dist. 5 - To Appropriations)

**HB 160-FN**, requiring persons 14 years of age or older who are charged with certain crimes to be tried as adults. (Rosencrantz of Rockingham Dist. 15; Palazzo of Rockingham Dist. 16; Jeffrey M. Brown of Rockingham Dist. 14 - To Children, Youth and Juvenile Justice)

**HB 161-FN**, to allow former federal employees to purchase credit for their federal services as creditable service in the New Hampshire retirement system. (M. Hill of Merrimack Dist. 14; Fillion of Merrimack Dist. 15 - To Executive Departments and Administration)

**HB 162-FN**, extending the committee studying a statewide trauma care system. (Cowenhoven of Hillsborough Dist. 9; Copenhaver of Grafton Dist. 12; Currier of Dist. 7; Podles of Dist. 16 - To Health, Human Services and Elderly Affairs)

**HB 163**, permitting consideration of annulled criminal records in the hiring and certification process for law enforcement officers. (Fields of Hillsborough Dist. 13 - To Public Protection and Veterans Affairs)

**HB 164-FN**, establishing an unclassified attorney position within the department of corrections. (Sytek of Rockingham Dist. 20 - To Executive Departments and Administration)

**HB 165-FN**, relative to right to trial by jury in small claims cases. (Coffey of Rockingham Dist. 18 - To Judiciary)

**HB 166**, relative to registering voters in cooperative school districts. (Barberia of Merrimack Dist. 6; R. Hawkins of Belknap Dist. 5; Trombly of Merrimack Dist. 4; Lockwood of Merrimack Dist. 6; Stapleton of Merrimack Dist. 6 - To Constitutional and Statutory Revision)

**HB 167-FN**, relative to airman certificates and fees. (Stewart of Grafton Dist. 4 - To Transportation)

**HB 168**, relative to highway classifications. (Marsh of Coos Dist. 1; Salatiello of Belknap Dist. 3; Nelson of Coos Dist. 8; Stio of Merrimack Dist. 5; J. Chandler of Merrimack Dist. 1 - To Municipal and County Government)

**RECESS**

Rep. C. Dana Christy moved that the House adjourn.  
Adopted.

**HOUSE JOURNAL No. 4**

Tuesday, February 5, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

The Speaker introduced Reverend Henry A. Beairsto of Barnstead, the choice of the Chaplain Committee for the 1991 Session, who offered the prayer.

All gracious and loving God, who created us to serve You and to serve one another, grant us thankfulness for the opportunity to serve in this House of Representatives, patience in our dealings with others, openness in our deliberations, and wisdom in our decisions. Amen.

Rep. Reidy led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Joyce Johnson, Lynch, Domini, Schneiderat, William McCann and David Young (military service), the day, important business.

Reps. Jelley, Irene Pratt, Hoelzel, Amanda Merrill, Palazzo, Eunice Campbell, Bernard, Parr and Rosencrantz, the day, illness.

Rep. Crotty, the day, death in the family.

Reps. Warburton and Chasse the day, illness in the family.

**HOUSE RESOLUTION NO. 12****PETITION**

The State of New Hampshire, House of Representatives

In re Gregory Janas, Hillsborough 39

Petition pursuant to New Hampshire Constitution Part 2, Article 22

NOW COMES Norma Champagne of 114 Hudson Street, Manchester, New Hampshire 03103 and complains against Gregory Janas of 1010 Page Street, Manchester, New Hampshire 03104 and says:

1. That Gregory Janas was a candidate for the House of Representatives from Hillsborough 39, Ward 6, Manchester, New Hampshire in the election held November 6, 1990;

2. That Gregory Janas was declared the winner of the seat;

3. That Norma Champagne, also a candidate for the same seat, requested a recount;

4. Following the recount and a subsequent appeal to the Ballot Law Commission, the Ballot Law Commission ordered that the election ended in a tie;

5. That Mr. Janas has already been sworn in as a member of the House of Representatives; and

6. That Mr. Janas should not remain seated because he did not win the Hillsborough 39 election.

WHEREFORE, The Petitioner prays the House of Representatives pursuant to its power granted in the New Hampshire Constitution Part 2, Article 22 as judge of the returns, elections and qualifications of its members to:

A. Declare that Gregory Janas did not win the Hillsborough 39 election;

B. In the alternative, declare both Gregory Janas and Norma Champagne the winners of the Hillsborough 39 race and allow them to share the seat, with each representative having one half of one vote;

C. In the alternative, declare a vacancy in the Hillsborough 39 seat and order a new election to fill same; and

D. Declare such other and further relief as may be just and equitable.

Respectfully submitted,  
Norma Champagne,  
by her attorneys,  
Roussos, Hage & Hodes, PA,  
Paul J. Alfano, Esquire  
1855 Elm Street, Manchester, NH 03104

The Speaker referred the petition to the Subcommittee on Elections.

### RESIGNATION

Harold W. Burns, Speaker

Please accept my resignation effective midnight, February 5, 1991. The purpose of this is so my district may declare this seat open and a new representative elected as soon as possible.

Sincerely, William Gregorio,  
Rockingham, Dist. 5

### INTRODUCTION OF GUESTS

Greta Whittemore, wife of Rep. Whittemore. Helen Holbrook, wife of Rep. Holbrook. Joe Garnett, guest of Rep. Buckley. Gordon Upton and Barlow Cutter, husband and guest of Rep. Upton. Chris Berwind, Chris Garos, Zoe Hallowell, Eric Marshall, Ted Platt and Abbie Stevenson, guests of Rep. Burns. Former Rep. Roland Morrisette and John Smart, adjutant of the New Hampshire VFW, guests of Rep. Lefebvre. Alice Waible, guest of and recently betrothed to Rep. Stephen Burke.

### COMMITTEE REPORTS CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**CACR 1**, relating to initiative petitions. Providing that referenda to amend the constitution and to enact laws may be initiated by petitions, was removed at the request of Rep. Flanagan.

**HB 110-FN**, increasing the fees for licenses to carry loaded pistols and revolvers, was removed at the request of Rep. Lawrence Chase.

Consent Calendar adopted.

**HB 160-FN**, requiring persons 14 years of age or older who are charged with certain crimes to be tried as adults. **INEXPEDIENT TO LEGISLATE.**

The Committee is sympathetic to the problems expressed by the sponsors. However, the Committee believes recent changes in the law regarding certification of juveniles already answers the problems expressed. Juveniles aged 15-17 may be certified now as adults for a felony. Juveniles 13 and 14 may be certified as adults for certain crimes, i.e. murder. Vote 12-0. Rep. Ellen-Ann Robinson for Children, Youth and Juvenile Justice

**HB 234-FN**, requiring grandparents to financially support their daughter's illegitimate children until the illegitimate child is 18 years of age. **INEXPEDIENT TO LEGISLATE.**

This bill presents several biased and discriminatory actions that raise many serious constitutional questions. It also would counter existing insurance laws regarding second generation (grandchild) coverages. For these and numerous other reasons this bill is Inexpedient to Legislate. Vote 12-0. Rep. Juanita L. Bell for Children, Youth and Juvenile Justice.

**HB 101-FN**, relative to metered motor fuel deliveries. INEXPEDIENT TO LEGISLATE.

Testimony from fuel distributors showed no problems in the situation the bill addressed. Testimony from the Agriculture Department, which does the testing shows no problem. The sponsor of the bill did not appear to give testimony, although notified of the hearing in progress. Vote 11-0. Rep. C. Dana Christy for Commerce, Small Business and Consumer Affairs.

**HB 103**, relative to the time period for perfection of a purchase money security interest under the uniform commercial code. OUGHT TO PASS.

This bill changes the period allowed to file liens on paper covering purchases other than real estate and motor vehicles from 10 days to 20 days. The Uniform Commercial Code covers these transactions. No one appeared in opposition to this bill. Vote 13-0. Rep. C. Dana Christy for Commerce, Small Business and Consumer Affairs.

**HB 135**, relative to the term of office for county sheriffs. INEXPEDIENT TO LEGISLATE.

The Committee did not see the need for sheriffs to be elected to four-year terms while all similar county or state positions are elected for two years. Vote 15-0. Rep. Natalie S. Flanagan for Constitutional and Statutory Revision.

**HB 147**, relative to the information required on declarations of candidacy, primary petitions, and affidavits for qualifications of candidates. OUGHT TO PASS.

House Bill 147 amends the forms used for declarations of candidacy, primary petitions and affidavits for qualifications of candidates. The bill requires a candidate to declare he is not a candidate for incompatible office or a federal employee. This section of the law may have to be rewritten upon pending revision of the Hatch Act. Vote 14-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

**HB 113**, relative to weighted voting in school administrative unit affairs. OUGHT TO PASS.

This bill is the result of interim study of House Bill 1135 in the 1990 session. It is a much more equitable measure and it will not change the number of votes in a School Advisory Unit. The formula would be changed from the number of teachers to the number of students in each district sent to the SAU. Also, it will take the vote of the majority to call for a weighted vote to prevent any abuses. It is a much fairer method. Vote 17-0. Rep. John J. Laurent for Education.

**HB 117-FN**, relative to housekeeping changes in the weights and measures laws. OUGHT TO PASS.

This bill, requested by the Department of Agriculture, makes three changes to existing law. First, the archaic procedure of requiring the State's standard used in weights and measures will not have to be submitted to the federal government for certification. Second, the Commissioner is authorized to adopt rules pursuant to RSA 541-A in order to enforce this chapter. Commercial device owners and users, and servicemen who are already regulated, are added specifically to the statute. Finally, the bill requires annual tests of standards rather than on a 5 year and 2 year basis. Vote 17-0. Rep. Rick A. Trombly for Environment and Agriculture.

**HB 124**, relative to liability of corporate officers. INEXPEDIENT TO LEGISLATE.

The Committee felt strongly that this bill eliminates the purpose of forming corporations in the first place, i.e. sharing liability; that the sponsor's stated purpose is presently covered under existing criminal law and that the results of passage would be

contrary to the purpose of much of the tort reform legislation in the past several sessions of the General Court. Vote 15-0. Rep. Robert A. Lockwood for Judiciary.

**HB 108.** prohibiting the legislature from clearing title to a deed through legislation. INEXPEDIENT TO LEGISLATE.

While the Committee is sympathetic towards the intent of this legislation, the Committee finds the bill would not serve its intended purpose. Future legislatures could clear title, this bill notwithstanding. RSA 162-C:2, VII refers to the process whereby the State disposes of real estate through the Council on Resources and Development (CORD). The CORD is composed of state department heads to ensure that no important state need is overlooked prior to disposal.

There are three regular methods to clear title, i.e., deed, probate court, or superior court. These are used in the overwhelming majority of cases. In that rare case where legislative action is needed, there must be a preponderance of evidence to justify legislative action. If that were the case, then this bill would have no effect. Vote 17-0. Rep. Kenneth L. Weyler for Municipal and County Government.

**HB 120.** to standardize the use of tax exemptions and tax credits for property tax purposes. OUGHT TO PASS WITH AMENDMENT.

Legislation dealing with various property tax exemptions or credits has used the terms exemption and credit more or less interchangeably - thus leading to confusion at the local level. This clarifies that a credit means the amount of money to be deducted from a tax bill and an exemption means the amount deducted from the assessed valuation. The bill makes no other change in law. All testimony was favorable. Vote 17-0. Rep. Richard A. Grodin for Municipal and County Government.

#### Amendment

Amend RSA 72:29, II as inserted by section 9 of the bill by replacing it with the following:

II. The term "residential real estate" for the purposes of [sections 28 to 34] *RSA 72:28-34*, inclusive, shall mean the real estate which the person qualified for an exemption *or a tax credit* thereunder occupies as his principal place of abode together with any land or buildings appurtenant thereto and shall include [a house trailer] *manufactured housing* if used for said purpose.

Amend RSA 72:29, III as inserted by section 10 of the bill by replacing it with the following:

III. "Exemption" as used in RSA 72 shall mean the amount of money to be deducted from the assessed valuation, *for property tax purposes*, of real property.

Amend RSA 72:35, II as inserted by section 17 of the bill by replacing it with the following:

II. The [exemptions] *tax credit* in paragraph I may be applied only to property which is occupied as the principal place of abode by the disabled person or the surviving spouse. The [exemption] *tax credit* may be applied to any land or buildings appurtenant to the residence or to manufactured housing if that is the principal place of abode.

Amend RSA 72:35, IV(b) as inserted by section 17 of the bill by replacing it with the following:

(b) The [exemptions] *tax credit* in subparagraph (a) may be applied only to property which is occupied as the principal place of abode by the disabled person or the surviving spouse. The [exemption] *tax credit* may be applied to *the taxes due on* any land or buildings appurtenant to the residence or to manufactured housing, if that is the principal place of abode.

Amend the bill by replacing sections 20-31 with the following:

20 Wording of Question to Adopt Exemption for the Blind. Amend RSA 72:36-b, 1(c) to read as follows:

(c) The wording of the question shall be: "Shall we adopt the provisions of RSA 72:37 for the exemption for the blind from [property tax] *the assessed value of residential real estate for property tax purposes*? This statute provides that every inhabitant who is legally blind shall be exempt each year, *for property tax purposes*, from the [property tax] *assessed value* on a residence to the value of \$15,000"

21 Exemption for the Blind from Assessed Value. Amend RSA 72:37 to read as follows:

72:37 Exemption for the Blind. Every inhabitant who is legally blind as determined by the blind services department of the vocational rehabilitation division of the education department shall be exempt each year [from taxation upon] *on the assessed value, for property tax purposes, of* his or her residential real estate to the value of \$15,000. The term "residential real estate" as used in this section shall mean the same as defined in RSA 72:29. All applications made under this section shall be subject to the provisions of RSA 72:33 and RSA 72:34.

22 Exemption for the Physically Disabled from Assessed Value. Amend RSA 72:37-a, II to read as follows:

II. Every owner of residential real estate upon which he resides, and to which he has made improvements for the purpose of assisting a person with a disability who also resides on such real estate, is each year entitled to an exemption from [taxation] *the assessed value, for property tax purposes*, upon such residential real estate determined by deducting the value of such improvements from the assessed value of the residential real estate before determining the taxes upon such real estate.

23 Exemption for Persons 68 Years or Over. Amend the introductory paragraph of RSA 72:39 to read as follows:

Residential real estate, as defined by RSA 72:29, II, to the assessed value of \$5,000 shall be exempt, *for property tax purposes*, [from taxation] provided it is:

24 Exemption on Real Estate Owned by the Elderly. Amend the introductory paragraph of RSA 72:43-b, I to read as follows:

I. *The assessed value of* residential real estate, as defined by RSA 72:29, II, shall be exempt [from taxation], *for property tax purposes*, as specified in subparagraphs (a), (b) or (c) as follows:

25 Amount of Adjusted Elderly Exemption. Amend the introductory paragraph of RSA 72:43-f, I to read as follows:

I. *The assessed value of* residential real estate, as defined by RSA 72:29, II, which meets the requirements of paragraph II and whose owner qualifies under RSA 72:43-g shall be exempt [from tax], *for property tax purposes*, in the following amounts:

26 Exemption for Solar Energy Systems. Amend RSA 72:62 to read as follows:

72:62 [Property Tax] Exemption *for Solar Energy Systems*. Each city and town may adopt under RSA 72:63 an exemption from the [property tax] *assessed value, for*

*property tax purposes*, for persons owning real property which is equipped with a solar energy heating or cooling system.

27 Wording of the Question for Adopting Solar Exemption. Amend RSA 72:63, I(c) to read as follows:

(c) The wording on the ballot of any referendum for the adoption of RSA 72:62 shall be as follows: "Shall we adopt the provisions of RSA 72:62 for [a property tax] *an exemption [on] for property tax purposes from the assessed value of* real property equipped with a solar energy heating or cooling system which exemption shall be in an amount .....?" The amount of the exemption or the manner of its determination shall be included in the written application of the voters presented under RSA 39:3 and shall be inserted in the question on the referendum where the blank appears above.

28 Exemption for Wind-Powered Energy Systems. Amend RSA 72:66 to read as follows:

72:66 [Property Tax] Exemption *for Wind-Powered Energy Systems*. Each city and town may adopt under RSA 72:67 an exemption from the [property tax] *assessed value, for property tax purposes*, for persons owning real property which is equipped with a wind-powered energy system.

29 Wording of the Question for Adopting Exemption for Wind-Powered Energy Systems. Amend RSA 72:67, I(c) to read as follows:

(c) The wording on the ballot of any referendum for the adoption of RSA 72:62 shall be as follows: "Shall we adopt the provisions of RSA 72:62 for [a property tax] *an exemption [on] from the assessed value, for property tax purposes, of* real property equipped with a solar energy heating or cooling system which exemption shall be in an amount .....?" The amount of the exemption or the manner of its determination shall be included in the written application of the voters presented under RSA 39:3 and shall be inserted in the question on the referendum where the blank appears above.

30 Exemption for Woodheating Energy Systems. Amend RSA 72:70 to read as follows:

72:70 [Property Tax] Exemption *for Woodheating Energy Systems*. Each city and town may adopt under RSA 72:71 an exemption from the [property tax of] *assessed value, for property tax purposes, for* persons owning real property which is equipped with a woodheating energy system.

31 Wording of the Question for Adopting Woodheating Energy System Exemption. Amend RSA 72:71, I(c) to read as follows:

(c) The wording on the ballot of any referendum for the adoption of RSA 72:70 shall be as follows: "Shall we adopt the provisions of RSA 72:70 for [a property tax] *an exemption [on] from the assessed value, for property tax purposes, of* real property equipped with a wood heating energy system which exemption shall be in an amount.....?" The amount of the exemption or the manner of its determination shall be included in the written application of the voters presented under RSA 39:3 and shall be inserted in the question on the referendum where the blank appears above.

### AMENDED ANALYSIS

This bill provides that for existing property tax exemption purposes, an "exemption" shall mean the amount of money to be deducted from the assessed valuation of real property, for property tax purposes, and a "tax credit" shall mean the amount of money to be deducted from the property tax bill.

This bill amends the existing property tax exemptions to make this distinction.

The bill was requested by the department of revenue administration.

**HB 134-FN**, relative to convening county charter commissions. **INEXPEDIENT TO LEGISLATE.**

Although the Committee felt the intent of the legislation has merit, other vehicles should be considered to convene county charter commissions. This issue requires more research and study. Also, the Committee questioned the proposed change meeting the requirement of the "one man, one vote" rule. Vote 17-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 116**, relative to a definition of active military service in relation to representatives and senators. **OUGHT TO PASS WITH AMENDMENT.**

This legislation clarifies the term "active military service" as contained in Art. 95 Part II of the New Hampshire Constitution. "Active military service" shall not include duty with United States Reserve or National Guard units which have been activated by an emergency presidential order. The benefit of this legislation would be that communities would not lose the services of elected legislators who are members of such units. Vote 17-0. Rep. Thomas J. Christie for Public Protection and Veterans Affairs.

### Amendment

Amend the bill by replacing section 1 with the following:

1 New Section; Definition of Active Military Service. Amend RSA 21 by inserting after section 48 the following new section:

21:49 Active Military Service. For the purposes of article 95 of part II of the constitution of the state of New Hampshire, "active military service" shall not include any service by a United States military reserve or national guard unit called forth on an emergency by a presidential executive order.

### AMENDED ANALYSIS

This bill defines "active military service," as it concerns the capability of a person to serve in certain state offices, as not including service in a United States military reserve unit called forth on an emergency by executive order.

**HB 131-FN**, relative to liability for acts which create situations requiring unnecessary emergency responses. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 131 amends RSA 151-B:19 enacted during the last session to allow cities and towns to recover costs incurred by emergency responses to situations created through negligent or reckless behavior.

It allows similar actions by juveniles to be recoverable in a manner subject to the limits and provisions imposed in RSA 169-B:45, II-V.

The amendment changes the restrictive "SHALL" to a more permissive "MAY" in order to allow the court discretion in determining the issue. Vote 16-0. Rep. David A. Welch for Public Protection and Veterans Affairs.

### Amendment

Amend RSA 151-B:19, I(c) as inserted by section 1 of the bill by replacing it with the following:

*(c) Recklessly or intentionally creates a situation requiring an emergency response.*

Amend RSA 151-B:19, III as inserted by section 2 of the bill by replacing it with the following:

III. A parent or legal guardian may be held responsible for the liability of a minor under this subdivision subject to the same limits and provisions as imposed in RSA 169-B:45, II-V.

### AMENDED ANALYSIS

This bill permits persons, including juveniles and their parents, to be held liable for recklessly or intentionally creating situations requiring emergency responses.

**HB 181-FN**, relative to transportation of a ward committed to New Hampshire hospital. INEXPEDIENT TO LEGISLATE.

House Bill 181 would require any law enforcement officer to transport a ward to New Hampshire Hospital when committed to same. Currently, the Hospital Security Staff performs this task. There was no information presented as to number of such transports during the fiscal year, nor were costs of providing such a service addressed in the bill. The Committee felt that this would not be consistent with New Hampshire Constitution Art. 28-a which prohibits mandating costs from the state to other political subdivisions. Vote 17-0. Rep. David A. Welch for Public Protection and Veterans Affairs.

**HB 119-FN**, relative to bottled water. INEXPEDIENT TO LEGISLATE.

This legislation would require bottled water sold in New Hampshire to be labeled and classified by source, mineral content, carbonation, and chemical content. Testimony from the Division of Public Health Services indicates that these requirements will be included in rules that will be published in the near future. Given their inclusion in rules, the Committee found the legislation duplicative and thus unnecessary at this time. Vote 15-0. Rep. Steven R. Maviglio for Resources, Recreation and Development.

**HB 144-FN**, exempting municipalities from annual dam registration and classification fees and eliminating registration fees for class AA dams. INEXPEDIENT TO LEGISLATE.

The proposed legislation, to exempt municipalities from registration and classification fees for dams of all hazard potential classifications, cannot be justified at this time as a matter of policy. Dams owned by municipalities must be inspected to the same extent as comparable privately-owned dams, and the local community does benefit from the state's service. The loss in state revenues, if this bill were passed, would be substantial. The subject of registration fees for class AA dams is addressed in a separate piece of legislation. Vote 15-0. Rep. Carol M. Stamatakis for Resources, Recreation and Development.

### REGULAR CALENDAR

**HB 50-FN-A**, relative to state revenue and expenditures. OUGHT TO PASS WITH AMENDMENT.

This bill contains \$33 million to fund current obligations of the state. It also contains \$30 million in revenue adjustments to help meet those obligations. This bill, in

conjunction with another bill brought in by Ways and Means, should bring the state to a balanced budget status by the end of fiscal year 1991 on June 30. This bill will be explained in detail on the House floor. Vote 13-8. Rep. Elizabeth S. Hager for Appropriations.

Reps. Hager and Sytek spoke to the bill and yielded to questions.

### **LAID ON THE TABLE**

Rep. Ann Torr moved that HB 50 be laid on the table.  
Adopted.

### **SUSPENSION OF RULES**

Reps. Gross and Chambers moved that the rules be so far suspended as to permit introduction, consideration and final passage at the present time of HCR 4, supporting the U.S. troops in the Persian Gulf.

Rep. Gross spoke to the motion.

Adopted by the necessary two-thirds.

### **INTRODUCTION OF HCR**

#### **First, second reading and referral**

**HCR 4**, supporting the U.S. troops in the Persian Gulf. (Burns of Coos Dist. 5; Gross of Merrimack Dist. 16; Chambers of Grafton Dist. 12; Dupont of Dist. 6; Delahunty of Dist. 22; Disnard of Dist. 8 - To State-Federal Relations)

Adopted.

#### **Third reading and final passage**

**HCR 4**, supporting the U.S. troops in the Persian Gulf

### **REGULAR CALENDAR (continued)**

**HB 102**, relative to a state budget spending cap. **INEXPEDIENT TO LEGISLATE**.

While the Committee believes the intent of the sponsors was sincere in light of the state's financial condition, the majority believed that this is a flawed approach toward sound fiscal management. It allows no flexibility until at least one year after a more desirable fiscal condition is reached. Vote 18-1. Rep. Raymond Buckley for Appropriations.

Adopted.

**HB 109-FN**, relative to ballots for districts which elect more than one state representative. **INEXPEDIENT TO LEGISLATE**.

The Committee felt it unnecessary to change the ballot as the sponsor intended; that the effect of the proposed change would be unfair to candidates from small communities. Vote 13-1. Rep. Gary R. Gilmore for Constitutional and Statutory Revision.

Adopted.

**HB 140-FN**, allowing 18-year-old students to register to vote at high schools. **INEXPEDIENT TO LEGISLATE**.

This bill is already in the statutes. The Committee feels it is up to the individual schools to plan programs. Vote 9-5. Rep. Natalie S. Flanagan for Constitutional and Statutory Revision.

Adopted.

**HB 51-FN**, relative to determining employer contribution rates in the New Hampshire retirement system, eliminating the "special account" as a means of funding cost of living adjustments, and providing limited cost of living adjustments. **OUGHT TO PASS WITH AMENDMENT**.

This is a temporary basis for one year while we deliberate a fair and equitable solution to propose for the 1992 session of the Legislature. During this year all retirees will receive their basic monthly check and will continue to receive all the current benefits paid through the Special Account. The Committee amendment appropriates \$100,000 of Retirement System funds for the study committee. A fiscal note is being prepared. Vote 17-1. Rep. Kathleen W. Ward for Executive Departments and Administration.

### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to the normal contribution rate for retirement  
system members and establishing a committee  
to study retirement system benefits and  
making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 Normal Contribution Rate for Fiscal Year Ending June 30, 1992. Notwithstanding any other provisions of law to the contrary, for the fiscal year ending June 30, 1992:

I. The normal contribution rates for each member classification in the New Hampshire retirement system shall be determined using the aggregate funding method reflecting both current and anticipated future members of the retirement system. The actuary, in determining the normal contribution rates, shall employ an interest discount rate of 10 percent, compounded annually, and salary increase assumptions which shall average 7 percent annually.

II. Beginning with the fiscal year ending June 30, 1991, the amount credited annually to the special account, RSA 100-A:16, II(h), shall be determined as follows:

(a) Each component of the special account shall first be credited with all the earnings of that component for the fiscal year.

(b) All of the earnings of the remaining assets of the retirement system in excess of 10 percent shall be allocated to the 4 member classifications.

2 Study Committee Established. There is hereby established a committee to study New Hampshire retirement system benefits.

3 Membership. The committee shall consist of 10 members, as follows:

I. Three members of the house executive departments and administration committee, one of whom shall be the chairman of the committee, appointed by the speaker of the house.

II. Two members of the house appropriations committee, appointed by the speaker of the house.

III. Two members of the senate, appointed by the president of the senate.

IV. One member of the senate executive departments committee, appointed by the president of the senate.

V. Two members of the senate finance committee, appointed by the president of the senate.

4 Study and Report.

I. On or before October 15, 1991, the committee shall report to the president of the senate and the speaker of the house, and shall recommend such legislation as may

be necessary for the 1992 session of the general court concerning the New Hampshire retirement system.

II. Any proposed legislation shall incorporate the results of the committee's study. The committee shall study:

- (a) Funding methodology.
- (b) The defined benefits plan.
- (c) The defined contributions plan.
- (d) Membership eligibility.
- (e) Compensation.
- (f) Income averaging for final compensation purposes.
- (g) The availability and amount of a cost of living adjustment for 1992, based on anticipated funding.

III. The committee shall have full power and authority to require from the several departments, agencies, and officials of the state such information and assistance as it deems necessary.

5 Appropriation. The sum of \$100,000 is hereby appropriated for the fiscal year ending June 30, 1991, from the New Hampshire retirement system administrative account to be expended by the committee established by this act for the purposes of this act. Of this sum, \$40,000 may be expended by the committee without any prior approval, and \$60,000 may only be expended subject to the prior approval of the fiscal committee of the general court.

6 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill changes the way the normal contribution rates for each member classification in the New Hampshire retirement system shall be determined for the fiscal year ending June 30, 1992.

The bill also establishes a committee to study retirement benefits relative to:

- (a) Funding methodology.
- (b) The defined benefits plan.
- (c) The defined contributions plan.
- (d) Membership eligibility.
- (e) Compensation.
- (f) Income averaging for final compensation purposes.
- (g) The availability of a cost of living adjustment for 1992.

The study committee is funded by a \$100,000 appropriation from the retirement system administrative account. Of this sum, \$40,000 may be expended by the committee without any prior approval, and \$60,000 may only be expended subject to the prior approval of the fiscal committee.

Rep. Ward spoke to the amendment and yielded to questions.

Adopted.

Report adopted.

#### SUSPENSION OF RULES

Reps. Gross and Chambers moved that the rules be so far suspended as to permit HB 51 ordered to third reading without referral to Appropriations.

Adopted by the necessary two-thirds

Ordered to third reading.

**Third reading and final passage**

**HB 51-FN**, relative to the normal contribution rate for retirement system members and establishing a committee to study retirement system benefits and making an appropriation therefor.

**REGULAR CALENDAR (continued)**

**HB 129-FN**, relative to monitoring the reassessment of taxable property by the department of revenue administration. **OUGHT TO PASS.**

House Bill 129 intended to reduce the number of appeals for abatements of taxes that come to the Board of Land and Tax Appeals following a reappraisal of taxable property in towns. The bill includes only towns which are ordered by the Board of Land and Tax Appeals to be reappraised and which do not have a qualified appraiser on staff.

The Committee feels that the limited number of BLTA-ordered reappraisals of towns without a qualified assessor, coupled with the limited skilled manpower needs, would not generate such a fiscal impact on the Department of Revenue Administration as stated in the Fiscal Note. In fact the bill could actually reduce state expenditures by reducing the workload on BLTA. Vote 17-0. Rep. David M. Perry for Municipal and County Government.

Ordered to third reading.

**HB 150**, relative to the observance of Memorial Day. **INEXPEDIENT TO LEGISLATE.**

The Committee expressed itself in no uncertain terms as to its opposition to HB 150. One million two hundred thousand Americans who gave their lives in the defense of our country, from Bunker Hill to Baghdad, would not rest easy if Memorial Day were to become a part of a three-day weekend, with emphasis on money, pleasure and convenience, rather than a day of memory and gratitude, based on tradition, honor and respect. Vote 18-0. Rep. Dennis H. Fields for Public Protection and Veterans Affairs.

Rep. Hoar moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate.

Reps. Mason, Robinson, Holden, Flynn and Hoar spoke in favor of the motion.

Reps. Fields, Thomas Christie, Welch, Nielsen, Walsh and Benton spoke against the motion.

Rep. Hoar yielded to questions.

Rep. Benton yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

Middleton, John A.  
 Stamatakis, Carol M.

and the motion lost.  
 Report adopted.

**CACR 1**, relating to initiative petitions. Providing that referenda to amend the constitution and to enact laws may be initiated by petitions. **INEXPEDIENT TO LEGISLATE.**

This Constitutional Amendment Concurrent Resolution has been a perennial one, having been brought up six times in a dozen years. The major reason for the opposition to initiative petitions is that in New Hampshire, a small state with a large legislative body, an ordinary citizen has an opportunity to voice his/her opinion in hearings. Vote 13-0. Rep. Calvin Warburton for Constitutional and Statutory Revision.

Rep. Flanagan spoke to the report.  
 Adopted.

**HB 110-FN**, increasing the fees for licenses to carry loaded pistols and revolvers. **INEXPEDIENT TO LEGISLATE.**

The content of this bill will be considered with other legislation on the subject of handgun permits, etc. Vote 16-0. Rep. Francis C. Vincent for Public Protection and Veterans Affairs.

Rep. Lawrence Chase moved that the words, Ought to Pass, be substituted for the report of the Committee, Inexpedient to Legislate, and spoke to his motion.

Reps. Vincent, Feuer and Benton spoke against.  
 Reps. Vincent and Benton yielded to questions.  
 Roll call request sufficiently seconded.  
 The question being on the substitute motion.

 Walsh, Robert R.

The Rules Committee offered the following:

### HOUSE RESOLUTION NO. 16

amending House Rules for the 1991 Session.

Amend Rule 5 to read as follows:

5. The Speaker shall not be called upon to vote unless his vote would be decisive. If the vote is tied after the Speaker has voted, the question shall be lost as provided in Rule 22.

Amend Rule 24 on Reconsideration as follows:

Combine sections a and d into section a.

Combine sections b, c and e into section b.

Amend House Rule 29(e) by inserting the phrase "the postsecondary college system" so that it will read as follows:

(e) It shall be the duty of the Committee on Education to consider subjects relating to the regulation of school districts and schools; the postsecondary college system; the University System of New Hampshire; matters concerning education; and such other matters as may be referred to it.

Amend Rule 29(1)(2) by deleting the following:

"provided, however, that the Journal of the preceding day shall be read at the opening of the early session whenever requested by any 10 members."

Amend Rule 34(b) as follows:

(b) In the second-year session no bill or resolution shall be introduced if it is substantially similar to any bill or legislation which was indefinitely postponed or voted inexpedient to legislate by the House in the first-year session, unless however, it has been approved by a majority of the Committee on Rules or a two-thirds vote of the House, whether as a bill, an amendment, a committee of conference report or in any other manner.

(c) The House Committee on Rules shall consider alternative methods for limiting bills in the second-year session and, prior to adjournment from the first-year session, shall submit a proposal for limiting bills in the second year. Such proposal, if adopted by majority vote of the House, shall govern the introduction of bills in the second year.

Amend Rule 37(a) by inserting the words "or a general revenue bill" so it reads as follows:

(a) No request by a member of the House for drafting a bill or joint resolution other than the general budget, the capital budget bill or a general revenue bill, shall be accepted by the Office of Legislative Services for drafting unless the subject matter of the legislation, with complete information necessary for drafting, has been filed with said service no later than the date specified by Rule 67.

Amend Rule 44 by adding a new section (d) as follows:

(d)(1.) No committee shall report with a positive recommendation any bill or resolution which would, if enacted, be a clear violation of Part I, Article 28-a of the N.H. Constitution.

(2.) The vice chairman or another member of each committee shall review all pending legislation and shall advise the chairman and the members of all legislation before the committee which should be reviewed in terms of Rule 44(d) 1 above.

Amend Rule 50 by inserting "34(b)" so it reads as follows:

No standing rule of the House shall be suspended unless two-thirds of the members present vote in favor thereof. This rule shall not apply to House Rules 19(b), 34(b) and 55, which may be suspended only in accordance with the terms of those rules.

Amend Rule 59 as follows:

Substitute the words "Speaker of the House or his designee" for the words "Committee on Appropriations or such member or subcommittee of the same as said committee may designate for the purpose."

Amend Rule 111 by deleting the words "shall be attached to the bill and a copy thereof sent to the Clerk of the appropriate House." and replacing them with "shall be inserted into the committee records on that bill."

Amend the definition of Joint Resolution by deleting the phrase "and to name public buildings and highways."

Amend Rule 67 by deleting the entire rule and replacing it with the following:

December 21, 1990, Friday - Final day to file information with Legislative Services.

January 24, Thursday - Final day to sign off money bills.

January 31, Thursday - Final day to sign off non-money bills;

Final day to introduce money bills.

February 7, Thursday - Final day to introduce non-money bills.

February 15, Friday - Final day for Governor's budget message.

February 21, Thursday - Ways and Means committee report on revenue.

February 28, Thursday - Final day for policy committees to report money bills.

March 7, Thursday - Final day for House to refer licensing bills to Executive Departments and Administration;

Final day for House to refer money bills to Appropriations.

March 14, Thursday - Final day to report non-money bills;

Final day for Public Works to report capital budget;

Final day for Executive Departments and Administration to report licensing bills.

March 21, Thursday - Crossover for all non-money bills;

Final day for House to refer capital budget to Appropriations;

Final day for House to refer licensing bills to Appropriations.

March 28, Thursday - Final day for Ways and Means to report revenue bills.

April 2, Tuesday - Final day for House to refer revenue bills to Appropriations.

April 4, Thursday - Final day for Appropriations to report money bills and budgets.

April 9, Tuesday - Crossover for all revenue bills;

Final day for briefing on House version of budget bills.

April 11, Thursday - Crossover for all money bills, including budgets.

### **Deadlines for Bills in the Second Body**

May 7, Tuesday - Final day for Ways and Means to report revenue bills.

May 9, Thursday - Final action on revenue bills in second body.

May 14, Tuesday - Final action on all money bills in second body.

May 16, Thursday - Final action on all non-money bills in second body.

### **Deadlines for Committees of Conference**

May 21, Tuesday - Final day to form Committees of Conference.

May 28, Tuesday - Final day to file (3:00 pm with Clerks) all Committee-of-Conference reports.

May 31, Friday - All Committee-of-Conference reports except budgets available by 4:00.

June 3, Monday - Committee-of-Conference reports on budgets available (10:00 am).

June 5, Wednesday - Final day to act on Committee-of-Conference reports except budget bills.

June 6, Thursday - Final day to act on budget Committee-of-Conference reports.

End of first-year session except for veto day.

June 10, Monday - All bills to Governor.

Rep. Michael Hill spoke to the committee report.

Adopted.

Rep. Jacobson offered the following amendment:

Amend Rule 67 by deleting

“June 5, Wednesday - Final Day to act on Committee of Conference reports except budget bills” and

“June 6, Thursday - Final day to act on Committee of Conference reports except budget bills.” and substituting therefore the following:

“June 6, Thursday - Final Day to act on Committee of Conference reports except budget bills” and

“June 11, Tuesday - Final day to act on Committee of Conference reports on budget bills.”

Rep. Jacobson spoke in favor and yielded to questions.

Rep. Gross spoke against the amendment.

On a division vote, 88 members having voted in the affirmative and 262 in the negative, the amendment lost.

Rep. Jacobson offered the following amendment:

Amend Rule 34 by deleting section (c).

Rep. Lozeau spoke in favor.

Rep. Gross spoke against and yielded to questions.

Rep. Chambers spoke to the motion.

On a division vote, 122 members having voted in the affirmative and 236 in the negative, the amendment lost.

### RECONSIDERATION

Having voted with the prevailing side, Rep. Pepino moved that the House reconsider its action whereby it found HB 150, relative to the observance of Memorial Day, Inexpedient to Legislate, and spoke against his motion.

Reconsideration lost.

### RESOLUTION

Rep. Gross offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, February 12, 1991 at 1:00 p.m..

Adopted.

**LATE SESSION****Third reading and final passage**

**HB 103**, relative to the time period for perfection of a purchase money security interest under the uniform commercial code.

**HB 147**, relative to the information required on declarations of candidacy, primary petitions, and affidavits for qualifications of candidates.

**HB 113**, relative to weighted voting in school administrative unit affairs.

**HB 117-FN**, relative to housekeeping changes in the weights and measures laws.

**HB 120**, to standardize the use of tax exemptions and tax credits for property tax purposes.

**HB 116**, relative to a definition of active military service in relation to representatives and senators.

**HB 131-FN**, relative to liability for acts which create situations requiring unnecessary emergency responses.

**HB 129-FN**, relative to monitoring the reassessment of taxable property by the department of revenue administration.

**UNANIMOUS CONSENT**

Rep. Searles addressed the House.

Rep. Jasper moved that the remarks of Rep. Searles be printed in the Journal.

Adopted.

**The Price of Love**

By Stanley N. Searles, Sr.

Across the seas in a foreign land there is a boy, fast grown a man  
 He lives each day with prayer and gun doing his best till the job is done  
 Alone with fate and his buddies hand away from home in a stranger's land  
 He's left behind the things held dear somebody's love, somebody's tear  
 The days will pass and time go by some will live, but some will die  
 And freedom's cause will still burn bright with the will to win and the power or  
 right

Back home a loved one waits with fear each day those final words to hear  
 Tonight a new star shines above that boy has paid his price of love

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills only.

Adopted.

The House recessed at 4:45 p.m.

**RECESS****(Speaker Burns in the Chair)**

Rep. Gross offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 53, 54, 56, 57, 60, 61, 65, and 442 through 782, Constitutional Amendment Concurrent Resolutions numbered 5 through 12, House Concurrent Resolutions numbered 10 and 11, House Joint Resolutions numbered 3 and 4, and House Bill of Intent numbered 3, shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

**HBI 3**, relating to purchases from beer distributors. (Dickinson of Carroll Dist. 2 - To Regulated Revenues)

#### RECESS

Rep. Michael Hill moved that the House adjourn.  
Adopted.

**HOUSE JOURNAL No. 5**

Tuesday, February 12, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairisto.

Almighty and gracious God, our creator, sustainer, and redeemer, we praise You for the gifts of life and the call of duty. Be with this body today, we pray. As its members consider important matters of finance and law, give to them a sense of fairness, of compassion, and of right priorities, that all they do will properly serve the citizens of this state. Amen.

Rep. Doucette led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Parr, Jelley, Wihby, and Bernard, the day, illness.

Reps. Jordan, Hashem, Trelfa, Schmidchen, Alukonis, Gerald Merrill, Fillion and David Young (military service), the day, important business.

Rep. Warburton, the day, death in the family.

Rep. Whittemore, the day, illness in the family.

Rep. Garret P. Cowenhoven was appointed to the Committee on Ways and Means.

**EXTENSIONS**

The Committee on Environment and Agriculture requested a seven-calendar-day extension HB 114, relative to the date for terminating the motor vehicle emissions inspection program.

The Committee on Resources, Recreation and Development requested a seven-calendar-day extension on HB 136, relative to current use assessments and the land use change tax.

The Committee on Children, Youth and Juvenile Justice requested a 14-calendar-day extension on HB 128, excluding certain types of violations by persons 16 years of age or over from the application of laws regarding children in need of services.

Granted.

### VACATES

Rep. Rodeschin moved that the House vacate the reference of **HB 376-FN**, applying hazardous waste generator fees to hazardous waste destined for off-site recycling to the Committee on Science, Technology and Energy.

Adopted and referred to Environment and Agriculture.

Rep. Robert Kelley moved that the House vacate the reference of **HB 353-FN**, to tax smokeless tobacco, to the Committee on Regulated Revenues.

Adopted and referred to Ways and Means.

Rep. William McCain moved that the House vacate the reference of **HB 455**, relative to determination of amount of alimony awards, to the Committee on Children, Youth and Juvenile Justice.

Adopted and referred to Judiciary.

Rep. Gross moved that the House vacate the reference of **HB 392-FN**, relative to payment of child support, to the Committee on Health, Human Services and Elderly Affairs.

Adopted and referred to Children, Youth and Juvenile Justice.

Rep. Gross moved that the House vacate the reference of **HB 423-FN**, making an appropriation for health services for young children, to the Committee on Health, Human Services and Elderly Affairs.

Adopted and referred to Children, Youth and Juvenile Justice.

Rep. Gross moved that the House vacate the reference of **HR 15**, urging the United States Congress to allow Regional Bell Operating Companies to promote the use of electronic telephone directories, to the Committee on State-Federal Relations.

Adopted and referred to Science, Technology and Energy.

### COMMITTEE REPORTS CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**HB 154**, relative to electing Belknap county commissioners and relative to printing county convention proceedings in Belknap county, was removed at the request of Rep. Rice.

**HB 222**, requiring certain persons to complete a hunter education program, was removed at the request of Rep. William McCann.

Consent Calendar adopted.

**HB 106-FN**, establishing a committee to study the feasibility of an enhanced state-wide uniform emergency 911 telephone system. **OUGHT TO PASS WITH AMENDMENT.**

The Committee feels this is a much needed service for the state. Vote 11-0. Rep. Beverly A. Gage for Commerce, Small Business and Consumer Affairs.

### Amendment

Amend section 1 of the bill by replacing all after paragraph VI with the following:

VII. One member of the emergency medical service coordinating board, appointed by the board.

VIII. One member appointed by New England Telephone Company.

IX. One member representing an independent telephone company, appointed by the New Hampshire Telephone Association.

X. One representative of the New Hampshire Municipal Association, appointed by such association.

XI. One representative of the department of safety, appointed by the governor and council.

XII. One public utilities commissioner, appointed by the governor and council.

XIII. One member of the E-911 Task Force, appointed by such organization.

XIV. One member from the bureau of emergency medical services, appointed by the director of the division of public health services.

XV. One public member, appointed by the governor and council.

XVI. One member of the New Hampshire Police Association, appointed by such association.

XVII. One member of the New Hampshire Professional Firefighters Association, appointed by such association.

Amend the bill by replacing all after section 2 with the following:

3 Duties; Report. The committee shall study the issues involved in delivering enhanced emergency 911 service to the citizens of New Hampshire. The committee shall report its findings to the governor, the governor's council, the senate president, and the speaker of the house on or before November 1, 1991.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill establishes a committee to study the feasibility of an enhanced statewide uniform emergency 911 telephone system. The committee shall report its findings to the governor, the governor's council, the senate president and the speaker of the house on or before November 1, 1991.

**HB 223-FN**, limiting the interest rate on consumer credit cards to the highest interest rate allowed by a bordering state. **INEXPEDIENT TO LEGISLATE**.

This bill was introduced to deal with a closed-end type of credit issued by a farm machinery franchiser in New Hampshire. The ultimate effect of the bill would be to penalize the average consumer's right to affordable consumer credit through the use of general issue credit cards as we know them. It also would affect negatively both vacation oriented and commercial business in the state. Only 25 percent of credit cards used in New Hampshire would be impacted. In the best interest of the New Hampshire consumer and New Hampshire merchants, the corporation should rethink its competitive position in relation to the rest of New England. Vote 11-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**HB 142-FN**, relative to school district budgets. **OUGHT TO PASS WITH AMENDMENT**. This bill, as amended, is a housekeeping measure recommended by the Department of Education which adjusts the current law to reflect existing practice of all single district school administrative units, whose budget shall be part of a school district budget subject to the vote of the annual school district meeting. Vote 18-0. Rep. Leo J. Spencer for Education.

#### Amendment

Amend RSA 189:47, I as inserted by section 1 by replacing it with the following:

**I.** At a meeting held before January 1 of each year, the school administrative unit board shall adopt a budget required for the expenses of the school administrative unit

for the next fiscal year, which budget may include the salary and expenses of supervisors of health, physical education, music, art, and guidance, and any other employees, and shall include the expenses necessary for the operation of the school administrative unit. Superintendents, assistant superintendents, business administrators, teacher consultants, and the regularly employed office personnel of the school administrative unit office shall be deemed employees of the school administrative unit insofar as payment of salaries and contributions to the employee's retirement system of the state of New Hampshire and workers' compensation are concerned. The school administrative unit board shall apportion the total amount of the budget among the constituent school districts in the following manner. The basis for the apportionment shall be 1/2 on the average membership in attendance for the previous school year and 1/2 on the most recently available equalized valuation of each district as of June 30 of the preceding school year. Prior to January 15 in each year, the board shall certify to the chairman of the school board of each constituent school district the amount so apportioned. Each district within a school administrative unit shall raise at the next annual district meeting the sum of money apportioned to it by the school administrative unit board for the expenses of services which each district received in connection with the school administrative unit office. [The provisions of this section relative to apportionment of expenses shall not apply to the school administrative units comprising only one district.] The school administrative unit board in adopting the budget shall not add any new service to the school administrative unit budget unless a majority of the school districts in the school administrative unit representing not less than 60 percent of the total pupils in the school administrative unit have voted favorably upon the establishment of the service. A vote to accept a new service shall not be construed as a vote to raise and appropriate money within the meaning of RSA 197:3.

**HB 121-FN**, relative to limiting the mode of taking deer in Rollinsford. OUGHT TO PASS WITH AMENDMENT.

The Committee felt that home rule in this case should prevail. Vote 18-0. Rep. Bernard J. Raynowska for Fish and Game.

#### **Amendment**

Amend section 2 of the bill by replacing it with the following:

2 Effective Date. This act shall take effect upon its passage.

**HB 175-FN**, relative to the hunting of pheasants. OUGHT TO PASS WITH AMENDMENT.

After public hearing and discussion, it was agreed by the Committee that HB 175 was a good bill. The amendment changes the effective date. Vote 18-0. Rep. Allen R. Wiggin for Fish and Game.

#### **Amendment**

Amend section 2 of the bill by replacing it with the following:

2 Effective Date. This act shall take effect upon its passage.

**HB 190**, relative to the taking of bear. INEXPEDIENT TO LEGISLATE.

After public hearing and testimony, it was agreed by the Committee that this problem be resolved by the Fish and Game Department through Administrative Rules. Vote 16-1. Rep. Allen R. Wiggin for Fish and Game.

**HB 199-FN**, restricting the use of electronic collars and telemetry equipment used in connection with dogs during the bear hunting season. **INEXPEDIENT TO LEGISLATE.**

After a public hearing, the Committee found that bear hunters and landowners corrected their problem locally. Vote 16-0. Rep. Joseph Schanda for Fish and Game.

**HB 212-FN**, relative to black bear hunting licenses. **OUGHT TO PASS WITH AMENDMENT.**

This is a basic housekeeping bill requested by the Department of Fish and Game. Vote 16-0. Rep. Allen R. Wiggin for Fish and Game.

#### **Amendment**

Amend the bill by replacing all after section 2 with the following:

3 New Paragraph; Restriction Added. Amend RSA 208:24 by inserting after paragraph III the following new paragraph:

III-a. A bear license shall not constitute satisfactory proof that the holder of such license previously had a hunting license issued to him in this state, or any other state, province or country as required under RSA 214:23-a.

4 Effective Date. This act shall take effect 60 days after its passage.

**HB 112-FN**, relative to the length of time for which variances to zoning ordinances may be granted. **INEXPEDIENT TO LEGISLATE.**

This bill would be contrary to the body of law that holds that a variance runs with the land. The problem the sponsor was trying to solve can be handled at the local level. The Committee voted Inexpedient to Legislate at the request of the sponsor. Vote 17-0. Rep. Karen O. Wadsworth for Municipal and County Government.

**HB 145-FN**, expanding the definition of "residential real estate" for the purposes of the veterans' tax exemptions. **INEXPEDIENT TO LEGISLATE.**

If passed, House Bill 145 would have changed the veterans' credits from the long-held concept that credits be on veterans' homes. As written, this bill could allow veterans from anywhere who own land anywhere in New Hampshire to gain credit in each town where they own land. Vote 17-0. Rep. David M. Perry for Municipal and County Government.

**HB 174**, requiring the appointment of deputy town clerks by the elected town clerk. **OUGHT TO PASS WITH AMENDMENT.**

Under present statute, the selectmen may appoint a deputy town clerk. The bill, as amended, now allows each town to have one deputy town clerk, who will be appointed by the elected town clerk, with the approval of the selectmen, to serve in the absence of the town clerk. This bill, as amended, removes all objections which were originally made in testimony. Vote 18-1. Rep. Thomas B. Salatiello for Municipal and County Government.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to the appointment of  
a deputy town clerk by the  
elected town clerk.

Amend the bill by replacing section 1 with the following:

1 Deputy Town Clerk. RSA 41:18 is repealed and reenacted to read as follows:

41:18 Deputy Town Clerk. Each town may have a deputy town clerk who shall be qualified in the same manner as the town clerk and who shall perform all the duties of the town clerk in case of his absence by sickness, resignation, or otherwise. A deputy town clerk shall be appointed by the elected town clerk with the approval of the selectmen.

#### AMENDED ANALYSIS

This bill allows each town to have one deputy town clerk, who will be appointed by the elected town clerk, with the approval of the selectmen, to serve in the town clerk's absence. Under current law, selectmen may appoint a deputy town clerk.

**HB 177-FN**, relative to the cost of notice of a public hearing held by a zoning board of adjustment. **INEXPEDIENT TO LEGISLATE.**

The intent of the bill is to provide an appellant relief from the cost of appeal to the Zoning Board of Adjustment. This bill is reflective of the English system where each litigant bears costs, but the prevailing party can be awarded costs in an egregious case. This bill is not only unfair to local officials who act in good faith, but also constitutes an unfunded state mandate. Vote 18-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 178**, enabling municipalities to establish review boards to address grievances of tenants and owners of manufactured housing parks. **INEXPEDIENT TO LEGISLATE.**

The Committee was sympathetic to the problems and concerns relative to manufactured housing parks. However, this bill adds an inappropriate judicial function to local government. Additionally, this issue is better addressed through other statutes, specifically RSA 205-A. Also there is proposed legislation relative to the same issue being considered this session. Vote 18-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 200**, relative to the approval of union contracts by the county convention and its executive committee. **INEXPEDIENT TO LEGISLATE.**

The problem described in testimony is not confined to Hillsborough County and not necessarily to county government. The problem is the presentation by the executive branch of budgets, specifically including union contracts, which the legislative branch of government is unwilling, unable, or cannot in good conscience agree to fund. As the testimony showed, the proposed remedy would certainly blur distinctions between the legislative and executive branches of government, contravene the separation of powers, and interfere with the ability of the executive to perform the duties of their elective office. In making this recommendation, it recognizes that the solution to the problem lies in the achievement of better communication between county commissioners and the county executive committee. It would earnestly hope that the two bodies concerned can achieve better communication through either a formal or an informal means designed locally, and thus, obviate the need for action by the General Court. Vote 19-0. Rep. Paul A. Golden for Municipal and County Government.

**HB 225**, relative to representatives- and senators-elect called to active duty. **INEXPEDIENT TO LEGISLATE.**

The procedures outlined in this bill are in conflict with Part Second Article 95 of the New Hampshire Constitution. A CACR will be offered later in the session to

correct this situation; and HB 116 clarifies the definition of active duty. Vote 14-0. Rep. Frances L. Riley for Public Protection and Veterans Affairs.

**HCR 3**, supporting the building of a fire academy. **OUGHT TO PASS.**

This resolution points to the urgent need for a centrally-located state fire training academy similar to the New Hampshire Police Training Academy. It is planned to locate the academy on state-owned land in Concord, and the academy could be utilized every day of the week. It would be utilized Monday through Friday by members of full time fire departments and weekends by members of volunteer fire departments. Trainees would be quartered at the school, which would allow training to be conducted in the evening hours. Funds will be available without seeking support from the residents of New Hampshire in the form of increased fees for permits, etc. Legislation has been filed to implement the goals of the resolution. Vote 12-0. Rep. James J. Fenton for Public Protection and Veterans Affairs.

**HB 132-FN**, reclassifying portions of certain highways in the town of Sandwich. **OUGHT TO PASS.**

This is a housekeeping bill which takes all responsibility for sections of roads in Sandwich from the state and gives it to the town. Currently, the town pays for plowing. With this legislation, the town also would be responsible for summer maintenance. Vote 18-0. Rep. Sandra B. Keans for Public Works.

**HB 171-FN**, relative to maintaining the "Old Man of the Mountain." **OUGHT TO PASS WITH AMENDMENT.**

Daniel Webster on the "Old Man of the Mountain": "Men hang out their signs indicative of their respective trades: shoemakers hang out a gigantic shoe; jewelers a monster watch; and the dentist hangs out a gold tooth; but up in the mountains of New Hampshire, God Almighty has hung out a sign to show that there He makes men."

This bill ensures that proper and timely maintenance on the "OLD MAN" will continue forever, affording this great natural resource the protection it so richly deserves. Vote 16-0. Rep. Gene G. Chandler for Public Works.

### **Amendment**

Amend RSA 12-A:1-c as inserted by section 1 of the bill by replacing it with the following:

12-A:1-c Powers and Duties of Department of Resources and Economic Development. In addition to any other powers and duties set forth in this chapter or as otherwise provided by statute, the department of resources and economic development shall have the power and duty to plan and conduct a program of information and publicity to attract tourists, visitors, industrial concerns and other interested persons from outside the state to the state of New Hampshire, and [also] to encourage, coordinate, and participate in the efforts of other public and private organizations or groups of citizens in order to publicize the facilities, industrial advantages and other attractions of the state for the same purposes. *The department of resources and economic development shall also have the power and duty to plan and conduct inspections at least semi-annually and to plan and conduct necessary maintenance, monitoring and consulting work to ensure the preservation of the "Old Man of the Mountain."* The commissioner shall assign, with the approval of the advisory commission, such duties and functions to the 3 divisions of the department, as in his discretion will best effectuate the purposes, powers and duties set forth in this section and as otherwise provided by statute, *provided, however, that the commissioner shall assign such*

*duties and functions relating to the preservation of the "Old Man of the Mountain" to the division of parks and recreation and to the officially designated caretaker for the "Old Man of the Mountain."*

**HB 193-FN**, authorizing the state to enter into a lease-purchase agreement with the town of Milford for a new district courthouse. **OUGHT TO PASS.**

House Bill 193 will replace the existing District Court with a new one which will be built and financed by the town of Milford. By entering into a lease-purchase agreement, the annual lease will be a fixed amount as opposed to the current lease which will result in significant future increases. Vote 16-0. Rep. David K. Wheeler for Public Works.

Referred to Appropriations.

**HB 125**, relative to the width of drink rails. **OUGHT TO PASS WITH AMENDMENT.**

The Committee by a vote of 13-0 recommended passage of this bill. Testimony by the sponsors indicated that it would remove restrictive language concerning the dimensions of drink rails which was contained in HB 1410 of 1990. Enactment of this legislation will eliminate unnecessary remodeling by on-sale licensees. The Liquor Commission testified in favor of this housekeeping bill. Rep. Laura C. Pantelakos for Regulated Revenues.

#### Amendment

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to drink rails.

Amend the bill by replacing all after the enacting clause with the following:

1 Width of Drink Rails. Amend RSA 175:1, XXX to read as follows:

XXX. "Drink rail" means a rail *or shelf* constructed at bar height [with a minimum of 12 inches in width per seating side]. Drink rails shall be permanent in nature and shall be attached to a wall or the floor. Drink rails shall comprise no more than 50 percent of a facility's seating capacity, with each 2 feet of drink rail constituting one seat per side.

2 Standing at Drink Rails. Amend RSA 179:27, I to read as follows:

I. Liquor and beverages may be served to patrons in on-sale establishments while seated at tables or booths, at the bar, seated at drink rails or while standing at the bar *or drink rails*, provided at least 2 feet of space is allowed for every person standing [at the bar] or seated at *the bar or* drink rails.

3 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill removes width requirement for drink rails or shelves.

The bill also allows patrons to stand at drink rails.

**HB 55-FN**, establishing the New Hampshire countryside fund and making an appropriation therefor. **RE-REFER TO COMMITTEE.**

House Bill 55 was filed at the request of the Governor. Since it was drafted, several additional proposals have been suggested as amendments. The Committee feels that all aspects of the proposed fund should have a hearing; therefore, it requests that the bill be re-referred for further study and introduced for action in the 1992 session. In short, while the concept deserves praise, the details need to be worked out. Vote 15-1. Rep. Mary Ann Lewis for Resources, Recreation and Development.

**HJR 2**, providing that the Kona Wildlife Management Area shall be forever managed by the state of New Hampshire in a manner so as to protect its habitats. **OUGHT TO PASS WITH AMENDMENT.**

This joint resolution declares that the Kona Wildlife Area shall henceforth be managed by the State of New Hampshire to protect its wildlife habitats from further development and permit such related public recreation as may be deemed consistent with that purpose. The amendment would require that the Legislature approve any future sale or disposition of the land. Vote 15-0. Rep. Mary Ann Lewis for Resources, Recreation and Development.

#### **Amendment**

Amend the resolution by replacing all after the resolving clause with the following:

That the Kona Wildlife Management Area shall be henceforth managed by the state of New Hampshire to protect its wildlife habitats from further development and to permit such related public recreation as may be deemed consistent with said purpose; and that any change in the disposition of the Kona Wildlife Management Area, by sale or any other means, shall be approved by the general court.

**HB 176-FN**, relative to conditions on mortgage loans. **INEXPEDIENT TO LEGISLATE.**

The sponsor wished that the bill be reported Inexpedient to Legislate because it was not needed. Vote 13-0. Rep. Lowell D. Apple for State Institutions and Housing.

#### **REGULAR CALENDAR**

**HB 115-FN**, relative to an elderly property tax increase limitation. **INEXPEDIENT TO LEGISLATE.**

This bill would require two different tax rates and the New Hampshire Constitution - Part 2 Article 5 prohibits multiple rates by saying that "a state tax must be uniform throughout the state, a county tax throughout the county, a town tax throughout the town." Vote 16-0. Rep. John A. Middleton for Municipal and County Government.

Adopted.

**HB 248-FN**, relative to developments having regional impact. **OUGHT TO PASS.**

This bill allows municipalities to grant abutter status to neighboring towns and Regional Planning Commissions in cases of developments with regional impact. It strengthens the ability of a region to act in a responsible manner with what are perceived as regional issues. Vote 14-5. Rep. Katherine H. Metzger for Municipal and County Government.

Adopted.

Ordered to third reading.

**HB 104-FN**, relative to a public water rights report and advisory committee. **OUGHT TO PASS WITH AMENDMENT.**

The issue of water rights is a complex one, requiring significant research and study. Recognizing this, the Legislature established a Public Water Rights Study Committee to examine a wide range of water rights' issues. Because of the volume of research required, the Committee could not complete its work in the allotted time. This legislation, as amended, extends the life of the study committee and adds members from the private sector to the Committee. In addition, it puts a moratorium on state action to limit water withdrawals by registered users for two years. This legislation is supported by business, water suppliers and conservation interests. Vote 16-0. Rep. Steven R. Maviglio for Resources, Recreation and Development.

### Amendment

Amend the introductory paragraph of 1990, 148:2 as inserted by section 1 of the bill by replacing it with the following:

To properly discharge its duty, the general court finds it desirable to establish a means to discern the extent and content of the public rights; to determine whether a present or proposed private use of a public water body impacts or may impact the public rights; and to establish under what conditions conveyance of some portion of the public rights would serve the public interest. To this end, the public water rights [legislative] study committee established in section 4 of this act shall report its findings and recommendations to the senate president and the speaker of the house of representatives on or before December 31, [1990] **1992**. The report shall address the following:

Amend the bill by replacing all after section 2 with the following:

1 New Paragraphs; Additional Duties of Public Water Rights Study Committee. Amend 1990, 148:2 by inserting after paragraph VI the following new paragraphs:

VII. The authorization for registered water users to continue their present water withdrawal.

VIII. The effect of major water withdrawals on waste water assimilation.

IX. Recommended legislation for the 1993 legislative session.

4 Legislative Deleted. Amend 1990, 148:3, I to read as follows:

I. "[Legislative] Study committee" means the public water rights [legislative] study committee established in section 4 of this act.

5 Membership of Committee Changed. 1990, 148:4, I is repealed and reenacted to read as follows:

I. A study committee is established to study the issues surrounding public water rights in New Hampshire. The committee shall consist of the following:

(a) Three house members from the house resources, recreation and development committee, appointed by the speaker of the house.

(b) Three senators from the senate environment committee, with no designees allowed, appointed by the president of the senate.

(c) One member representing the conservation community from a list of nominees submitted by the Society for the Protection of New Hampshire Forests, the New Hampshire Association of Conservation Commissions and the Merrimack River Watershed Council, to be appointed by the governor.

(d) One member representing the New Hampshire Waterworks Association selected from a list of nominees submitted by such association, to be appointed by the governor.

(e) One member representing recreational interests, nominated by the New Hampshire Business and Industry Association and appointed by the governor.

6 New Paragraph; First Meeting. Amend 1990, 148:4 by inserting after paragraph I the following new paragraph:

I-a. The first named house member shall call the first meeting of the study committee within 30 days of the effective date of this paragraph.

7 Legislative Deleted. Amend 1990, 148:4, III to read as follows:

III. The [legislative] study committee is hereby authorized to utilize the assistance of the office of the legislative services staff and the office of the legislative budget assistant staff. The [legislative] study committee may request the senate president and the speaker of the house to jointly assign additional general court staff to assist the committee.

8 New Section; Existing Uses. Amend 1990, 148 by inserting after section 4 the following new section:

I. 148:4-a Usage by Registered Water Users. No department of the state of New Hampshire, in pursuit or exercise of the doctrine of public trust as set forth by an opinion of the attorney general dated August 2, 1989, shall delimit or curtail the continued water usage of any water users, their successors and assigns, registered with and reporting uses or withdrawals with the division of water resources, department of environmental services, pursuant to 1983, 402:1 and RSA 482:3 for the duration of the public water rights study authorized by this act. With respect to the doctrine of public trust, registered users may continue usage or withdrawal to a level that does not exceed their maximum use or withdrawal as reported during the 3-year period from January 1, 1988, to January 1, 1991.

II. Nothing in this act shall:

(a) Affect any private rights in the respective water bodies of registered water users;

(b) Relieve registered water users, their successors and assigns, from compliance with laws or rules under the state's police power; or

(c) Affect the authority of the department of environmental services regarding uses or withdrawals authorized before the effective date of this paragraph by the legislature or within segments of rivers designated by the rivers management and protection program established by RSA 483:2.

9 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill extends the amount of time that the public water rights study committee has to submit its report by 2 years and changes the composition of the committee. It requires the report to address authorization for registered water users to continue their present water withdrawal, and recommend legislation for the 1993 legislative session. In addition it prohibits any department in the state of New Hampshire from delineating or curtailing continued water use for the duration of the study committee.

Adopted.

Report adopted.

Ordered to third reading.

**HB 254-FN**, relative to overnight mooring of houseboats. **INEXPEDIENT TO LEGISLATE.**

The Committee believes this is a benefit to limited private operators, and the number of complaints and time invested would result in overtime pay and excessive expenses for enforcement officers. Vote 14-1. Reps. Mildred A. Beach and Frederick B. Andrews for Resources, Recreation and Development.

Adopted.

**HB 593-FN-A**, relative to the rate of the business profits tax. **OUGHT TO PASS.**

House Bill 592 and HB 593 represent the Ways and Means funding package to support the supplemental budget. In considering possible revenue sources, the Committee noted that many taxes had had surcharges applied last session and that the proposed Uniform Business Profits Tax could not possibly be implemented for FY'91. The Committee eventually determined that business taxes were the least objectionable alternative available.

This bill raises the rate of the Business Profits Tax from 8% to 9% for a period of 12 months from enactment, generating approximately five million dollars (\$5,000,000)

in FY'91. The Committee was reluctant to increase the rate any higher, recognizing that most of this tax is paid by a few hundred profitable companies.

This is a short term solution to fund our current obligations. The Committee pledges to develop a proposal for the 1991 session which will reform business taxes, making them more widely and fairly applied. Vote 13-4. Rep. Donna P. Sytek for Ways and Means.

Rep. Sytek spoke in favor and yielded to questions.

Rep. Jasper spoke against and yielded to questions.

Rep. Ahrens spoke in favor and yielded to questions.

Rep. Domaingue spoke against.

Rep. David Welch spoke in favor and yielded to questions.

Rep. Paul White spoke against.

Rep. Nielsen spoke in favor.

**(Rep. Michael Hill in the Chair)**

Rep. Lozeau spoke against.

Rep. Lozeau made a parliamentary inquiry.

Rep. Lozeau challenged the Chair's ruling on HB 593-FN with regard to House Rule 43, Hearings and Notices.

**(Speaker Burns in the Chair)**

The Chair ruled that HBs 593 and 592 were properly before the House because the subject matter had been the focus of a public hearing on two other bills before the Committee on Ways and Means. At the request of the Ways and Means Committee, two new bills were admitted by the Rules Committee.

Rep. Donna Sytek spoke in favor of sustaining the ruling of the Chair.

Rep. Lozeau withdrew her challenge.

Rep. Larson spoke against HB 593.

Rep. Gross spoke in favor.

Roll call request sufficiently seconded.

The question being on the adoption of the Committee report.

and the report lost.

Reps. Leonard Smith, Lozeau and Robinson abstained from voting under Rule 16.

Rep. Donna Sytek moved that **HB 593** be recommitted to the Committee on Ways and Means.

On a division vote, 237 members having voted in the affirmative and 133 in the negative, **HB 593** was recommitted to the Committee on Ways and Means.

**HB 592-FN-A**, relative to a business tax and making an appropriation therefor. OUGHT TO PASS.

This bill establishes a business tax of \$150 on all business entities having more than \$12,000 per year in receipts. The tax is levied on all corporations, partnerships and proprietorships doing business in the state, raising eight million dollars (\$8,000,000) in fiscal year 1991.

It is the Committee's intent to bring to the House next session a business tax reform bill that will allocate the tax burden across a greater number of businesses. For the short term, this bill is our best effort to expand the tax to capture those businesses that currently pay little or no business profits tax, while addressing the supplemental budget revenue needs. The FN calls for state expenditures of \$50,000 in FY'90. Vote 13-4. Rep. Robert C. Hayes for Ways and Means.

Rep. Donna Sytek moved that **HB 592** be recommitted to the Committee on Ways and Means.

Recommitted to Committee.

**HB 222-FN**, requiring certain persons to complete a hunter education program. INEXPEDIENT TO LEGISLATE.

This bill would require all hunting license applicants to complete a Hunter Education Program. The Fish and Game Department is not in favor of the bill because the state cannot afford it. Vote 16-0. Rep. Allen R. Wiggin for Fish and Game.

Rep. William McCann moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke to his motion and yielded to questions.

Rep. Perham spoke against and yielded to questions.

On a division vote, 83 members having voted in the affirmative and 268 in the negative, the motion failed.

Adopted.

**HB 154**, relative to electing Belknap county commissioners and relative to printing county convention proceedings in Belknap county. OUGHT TO PASS WITH AMENDMENT.

The Committee strongly supports this legislation, as this bill places Belknap County in line with most other counties in having County Commissioners elected by districts. Belknap County is currently divided into three districts with the Commissioners elected on an at-large basis. This change also provides for greater accountability and responsibility to the voters and moves Commissioners, as elected officials, closer to the people they represent. Vote 19-0. Rep. Thomas B. Salatiello for Municipal and County Government.

#### Amendment

Amend the bill by replacing all after section 1 with the following:

2 Electing Belknap County Commissioners. RSA 653:1, VI(f) is repealed and reenacted to read as follows:

(f) Belknap county - one county commissioner by the voters in each county commissioner district; provided that, at the 1992 state general election, no commissioner from district 1 shall be elected, the commissioner from district 2 shall be elected to a 4-year term, and the commissioner from district 3 shall be elected to a 2-year term. At each subsequent state general election, 2 commissioners shall be chosen in the county by the inhabitants of the districts in which a commissioner's term is expiring; and, of the commissioners so chosen, one shall serve a 4-year term and one

shall serve a 2-year term and both shall hold their offices until their successors are chosen and qualified. Following the 1992 state general election, the 4-year term shall be rotated in sequence starting with district 3.

3 Application. No provision of section 2 of this act shall be construed as affecting the term of office or the constituencies of the Belknap county commissioners in office on the effective date of this act. If a vacancy occurs for any reason in the office of a Belknap county commissioner after the passage of this act and before the state general election in November, 1992, the vacancy shall be filled under the terms of RSA 661:9. The nomination and election of Belknap county commissioners at the state general election in November, 1992, shall be as provided in this act.

4 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill provides that in Belknap county, one county commissioner shall be elected by the voters in each county commissioner district on a staggered basis. The bill also eliminates a special provision for Belknap county relative to printing county proceedings so that county convention proceedings shall be published the same way in every county.

Reps. Rice and Perry spoke against.

Rep. Salatiello spoke in favor.

Adopted.

Report adopted.

Ordered to third reading.

#### RESOLUTION

Rep. Gross offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, February 13, 1991 at 1:00 p.m.

Adopted.

#### LATE SESSION

##### Third reading and final passage

**HB 106-FN**, establishing a committee to study the feasibility of an enhanced state-wide uniform emergency 911 telephone system.

**HB 142-FN**, relative to school district budgets.

**HB 121-FN**, relative to limiting the mode of taking deer in Rollinsford.

**HB 175-FN**, relative to the hunting of pheasants.

**HB 212-FN**, relative to black bear hunting licenses.

**HB 174**, relative to the appointment of a deputy town clerk by the elected town clerk.

**HCR 3**, supporting the building of a fire academy.

**HB 132-FN**, reclassifying portions of certain highways in the town of Sandwich.

**HB 171-FN**, relative to maintaining the "Old Man of the Mountain."

**HB 125**, relative to drink rails.

**HJR 2**, providing that the Kona Wildlife Management Area shall be forever managed by the state of New Hampshire in a manner so as to protect its habitats.

**HB 248-FN**, relative to developments having regional impact.

**HB 104-FN**, relative to a public water rights report and advisory committee.

**HB 154**, relative to electing Belknap county commissioners and relative to printing county convention proceedings in Belknap county.

Rep. Ann Torr moved that the House adjourn.

Adopted.

The House adjourned at 3:35 p.m.

**HOUSE JOURNAL No. 6**

Wednesday, February 13, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Almighty God, by whose mercies we are brought into each new day and sustained throughout that day, we thank You for Your bountiful gifts to us. We raise our prayers today for all who lead and legislate in the governance of this state. Give to each one a full measure of charity, justice, courage, and wisdom, that all they do may be done well in your sight. Bless each, we pray, in the carrying out of the tasks before them. Amen.

Rep. McNerney led the Pledge of Allegiance.

Rep. Gross offered the following:

RESOLVED, that the Honorable Senate be notified that the House of Representatives will be ready to meet the Honorable Senate in Joint Convention, for the purpose of receiving a Budget Message by the Governor.

Adopted.

**LEAVES OF ABSENCE**

Reps. Parr, Elizabeth Greene, Amanda Merrill, Falwell, Bernard, Jelley and Vogler, the day, illness.

Reps. Stamatakis, Doucette, Betty Hall, Hashem, Schmidtchen, Alukonis, Wadsworth, William McCann, Musler, Weeks, David Young (military service), Shackett, Asplund, Accornero, David Flanders, Stephen Burke, Drake, Peyron, Joyce Johnson, Scott Green, Fair and Maviglio, the day, important business.

Rep. Warburton, the day, death in the family.

The House Education Committee offered the following:

**HOUSE RESOLUTION NO. 18**

acknowledging Vocational Education Week

WHEREAS, the United States Department of Education does recognize and support vocational-technical education in America, and

WHEREAS, the seven days between February 10 and February 16 of 1991 have been designated in New Hampshire as Vocational Education Week, and

WHEREAS, countless New Hampshire men and women have dedicated themselves to teaching vocational-technical curriculums at the high school and college levels, and by so doing have made major contributions in strengthening the state's workforce, and

WHEREAS, vocational-technical education in New Hampshire is eagerly sought each academic year by several hundreds of young women and men who enroll at the Technical Institute at Concord and the six Technical Colleges at Berlin, Claremont, Laconia, Manchester, Nashua and Stratham, and

WHEREAS, the committed vocational-technical educators of New Hampshire have dedicated themselves to the continuation of maintaining a strong curriculum throughout the state, and

WHEREAS, the memberships of the New Hampshire Vocational Association and the New Hampshire State Council for Vocational Education have demonstrated great

commitment of purpose and dedication to the principles of education, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened, that all state citizens be urged to celebrate Vocational Education Week in New Hampshire, and be it further

RESOLVED, that all students and educators enrolled and working in vocational-technical curriculums receive highest praise and accolades for their accomplishments.

Adopted.

The Speaker presented the Resolution to Bruce Scamman and Paul Cernota.

### COMMUNICATION

James Chandler, House Clerk

This is to advise that the following representative-elect was sworn into office by the Governor and Executive Council on February 13, 1991.

Rockingham District No. 20, John J. Sytek, r, Salem (9 Garrison Road) 03079

Sincerely, William M. Gardner,  
Secretary of State

### COMMITTEE AND SEAT ASSIGNMENT

Rep. John Sytek was assigned to the Committee on Executive Departments and Administration and assigned to seat 4-69.

### SENATE MESSAGES REQUESTS CONCURRENCE

**SB 143**, extending time limits for condominium projects.

Reps. Gross and Chambers offered the following: RESOLVED, that in accordance with the list in the possession of the Clerk, Senate Bill number 143 shall be by this resolution read a first and second time by the therein listed title, and referred to the therein designated committees.

Adopted.

### INTRODUCTION OF SENATE BILL

#### First, second reading referral

**SB 143**, extending time limits for condominium projects. (To - Commerce, Small Business and Consumer Affairs)

### VACATE

Rep. Haynes moved that the House vacate the reference of **HB 447**, relative to bulk commodities to the Committee on Transportation.

Adopted and referred to Environment and Agriculture.

### INTRODUCTION OF GUESTS

Laverne Kehr, Joan Dwyer, Dianne Hoffman and Grace Thompson, guests of Rep. David Wheeler. Paul Cooke, husband of Rep. Annette Cooke. Michael Pignatelli, husband of Rep. Pignatelli. High School seniors from Mrs. Patricia Rude's Civics Class of Sunapee, guests of Rep. Behrens. Dudley Terrill and Buzz Gagne, guests of Rep. Stio. William Clifford, grandson of House Clerk James A. Chandler, guest of Rep. Burns.

**SENATE MESSAGE**

The Senate is ready to meet with the House of Representatives in Joint Convention for the purpose of hearing Governor Judd Gregg deliver his Budget Message and to hear a report on the New Hampshire National Guard and the Gulf Crisis by The Adjutant General, Major General Lloyd Price.

**RECESS****JOINT CONVENTION**

**(Speaker presiding)**

Governor Judd Gregg addressed the Joint Convention.

I do not need to inform you of the seriousness of our present fiscal situation. The State of New Hampshire, like all states in New England, is involved in a recession of significant proportion that has put tremendous pressure on our budgeting process over the past years; pressure which will continue into the next biennium.

I am reminded by this time of the title of a popular book in the 1960s which was "I Have Been Down So Long It Looks Like Up To Me." In that context this budget looks very good.

The budget I am presenting keeps the rate of growth of the total general fund account flat for the year 1992 and includes a 3.1 percent rate of growth in 1991.

We are, in other words, not going to allow the overall cost of government for New Hampshire taxpayers to increase next year. We are flat funding state government. Such action is not only necessary, it is our responsibility.

This does not mean that all programs will receive the same level of funding from this year to next. Due to the pressure created by the recession, certain functions of state government must grow. Many of these functions involve accounts where the number of people using the service has increased due to the economic hard times. Thus, since we are not expanding the overall size of government, other areas must be reduced.

By approaching our budget in this stringent manner, we will be able to avoid significant tax increases. The only tax increase proposed in this budget is action to take advantage of the fact that we are now a net exporter of energy as a state. However, we do anticipate that the Business Profits Tax Reform requested in the supplemental budget you are now working on will be in place for the purpose of this biennium.

Our purpose is to manage government within our revenue sources. People expect us to exercise this type of frugality and this budget allows us to do that without significantly impacting services.

The way we intend to accomplish these goals is by expanding and further energizing the approach to government which we have been following over the last two years, which I refer to as "managerial government." Essentially, we intend to give our department heads the tools they need for flexibility, self-initiative and management to allow them to get more out of the dollars they have available. This does not mean that we are asking the Legislature to forego its right to manage policy, rather it means that in executing on this legislative intent we will allow our managers to get more for each taxpayer dollar invested.

We will be presenting this budget in both the traditional 10-line form per PAU and also in a three-line form and ask you to mark to the former, but authorize departments to operate with transfer authority in a three-line format. The effect of this approach will be to allow you, the Legislature, to see how the spending reductions and in-

creases in each department are anticipated to affect the department, while at the same time giving the managers the flexibility to move funds within a program unit so as to get the most of the taxpayers' dollars.

It is an attempt to introduce some common sense and business skills into the crush of inefficiency which is the natural tendency of government bureaucracy.

The three-line operating budget will consolidate the traditional 10 accounts in each PAU into three: personnel services, operating expenses, and other expenses—primarily grants. Departments will have free transfer authority within each PAU. For example, Dr. Harry Bird (Commissioner of Health and Welfare) will be allowed to adjust priorities within a particular program as the year unfolds. If a category in public health that is less than fully funded in the ten-line format becomes a priority, Dr. Bird can transfer funds from another source within the PAU to fund it.

We are fortunate, very fortunate, to have attracted to public service in New Hampshire some extraordinarily talented people and this approach will take advantage of their skills. It also allows them to meet our objective, which is to control the growth in costs of government in these difficult times without significantly impacting services.

Let me turn now to some specifics of how this budget will look.

In this present fiscal year, presuming you pass the supplemental budget soon, spending will be approximately \$688 million. In the first year of the next biennium it will be approximately \$684 million followed by \$705 million for 1991.

We accomplished this no growth budget the following way: To begin with, we essentially hold harmless the towns and the cities. Foundation Aid is fully funded. Building Aid is fully funded. Catastrophic Aid is 95% funded. The 402 Special Ed Program is fully funded. Of the annual \$51 million revenue sharing account, the only action is that a \$5 million payment is delayed until the second year. Thus, over the period of the biennium there is no negative impact on revenue sharing.

In addition, the state will step forward and assume a further \$12 million to pick up the cost of pollution control in the towns known as the "dirty dozen." This is a bill which I discovered on my desk when I arrived in Concord and we intend to pay it.

This budget, therefore, represents a tremendous commitment by the state to the towns and cities. It follows on a commitment that has been made over the last two years when we have increased funding to the towns and cities even though we have had to significantly cut other functions of state government.

In addition, I will continue my policy of not supporting the passage of any bill which would create mandates on the communities for which the state does not pay.

It is not our purpose as a state government to aggravate the problems which towns and cities have during these difficult recessionary times and this budget reflects that position.

One would hope, on the other hand, that it would also not be the purpose of towns and cities to aggravate the problems of the state government, and I would cite here specifically the significant potential increase in retirement costs. These increased future costs are essentially created for the state as a result of personal compensation agreements reached at the local level with their employees. When a contract is reached, for example, with a teachers' union, it creates a cost to the state in retirement benefit funding. We would hope the towns and cities would be sensitive to the fact that the dramatic increases in pension benefits accrued in recent years at the local level have come to represent a significant burden passed on to the state.

It should also be noted that included within these commitments is a specific commitment to funding certain education accounts as they flow through the state government. Many of these education accounts are open-ended relative to their cost, especially in the area of building aid, catastrophic aid and the 402 program. It would be my hope that this Legislature would take an especially hard look at the manner in which we fund building aid. There clearly are revisions needed in order to improve this system: revisions our office has presented in the past and will be more than happy to discuss again.

We also have included additional monies for education to allow us to begin implementing the proposals of the Education Task Force. This Task Force, made up of business, community, and education leaders from around the state, concluded that we need to refocus our approach to educational oversight on performance or output standards. In other words, instead of trying to direct the day-to-day activities of our schools and teachers, we should ask that our students attain certain skill levels, critical skill levels, in different disciplines by certain grade levels and leave the manner of teaching those skills up to the imagination and initiative of the educators. In order to accomplish this performance approach and to generally find where we stand in education, relative to other states and the rest of the world, we need a better assessment system or testing approach and the new monies for such assessment programs are included.

Although we have been able to hold the towns, cities and education accounts essentially harmless, we have not been so fortunate with a number of agencies at the state level. In order to accomplish level funding, which is of course required by the fact that we do not expect revenues to increase substantially, it was necessary to request all departments to come in at 10% less than their 1991 appropriation level. After reviewing the submissions with each department, we made necessary adjustments and have reached an agreement with all departments, except for the University System and the Judiciary, which allows state agencies to be funded at levels that accomplish their respective missions. The effect of making these decisions has resulted in some of the departments receiving fewer general funds in 1992 than their 1991 appropriated level. Some of these reductions would include:

|                                |       |
|--------------------------------|-------|
| *Agriculture                   | (4%)  |
| *Environmental Services        | (1%)  |
| *Post-secondary Tech Education | (5%)  |
| *Pari-Mutuel Commission        | (19%) |
| *Department of Safety          | (2%)  |
| *Department of Transportation  | (2%)  |
| *Legislative Branch            | (8%)  |
| *Executive Departments         | (6%)  |

(Note for the record: Legislature increases 12 percent in 1992 and Executive 2 percent)

Health and Human Services is, of course, our primary area of expenditure for state managed programs. Total general fund expenditures for Health and Human Services will be essentially the same as they were in the prior year. However, as a result of better usage of our state funds and by utilizing increased federal funding, we will experience about a 5 percent overall increase in the Health and Human Services accounts from 1991 to 1992.

Still, the demand in this Department is significant and it is in this Department that our greatest advantage can be taken of the three-line approach to budgeting for each

program unit. By giving this Department necessary flexibility, we can significantly reduce the negative impacts of what is essentially a flat-funded budget.

Clearly there are some areas of this Department, such as the AFDC caseload accounts, which are going to have to increase due to the effects of the recession. The effect of those increases is that fewer dollars have been allocated to some other programs. The capacity of the managers within each Division to move dollars around in a quick and flexible manner can significantly mitigate the impact of these reductions. However, I believe it is appropriate to give you a sense of the type of reductions we are forecasting if we were to apply traditional ten-line item budgeting to these accounts.

Some of the programs which would be modified would include elimination of the State's small percentage of the funds for the Poison Hotline; restructuring of emergency care training at the local level, but without reduction in total service; elimination of free vaccines for those families with private payment reimbursements; elimination of the newborn emergency transportation system; small reductions in some contracted health services including family planning, well-child clinics and special health care services; elimination of payment for universal screening of all newborns for toxoplasmosis; establishment of a waiting list for the genetic services program; elimination of the AFDC emergency assistance program; deletion of the premium paid for living in shared homes and adult public assistance programs; elimination of some optional services for adults under Medicaid, but with maintenance of coverage for prescription drugs and durable medical equipment; and closure of the Philbrook School Building with transfer of its programs to another location on the same campus.

These are all very difficult decisions and to some degree they will be mitigated by the managerial budget approach, but they are the type of decisions that you are simply going to have to make as a legislature, and we have laid out a path for you to do it.

In the process of developing this budget, as I previously mentioned, I requested that all departments come forward with budgets for each year of the biennium of 10 percent less than 1991 appropriated levels. From that base line, we have added back into the Health and Human Services budget approximately \$65 million. As a result, it is my belief, and the belief of the Commissioner and his Division Directors, that the budget we are presenting now will supply the basic human service needs which are the obligation of that department.

We intend to meet the compliance guidelines for citizens requesting aid under the programs for Food Stamps, Medicaid and Aid to Families with Dependent Children. We intend to increase our activities in our Child Support Program, which will not only bring more funds directly to parents and children who are owed these funds by Court Order, but will also help some of these families to remain free of the need for public assistance and will generate Federal incentive funds which will accrue to the State. We will maintain the State's support of nursing home beds which currently involves Medicaid support for more than 4,500 of the State's 7,000 certified beds.

We will ask the Counties to join with us to preserve the community-based care waiver by which 600 New Hampshire citizens are supported in their own home setting rather than a nursing home, at substantially greater personal satisfaction and substantially less cost to the State. Since the counties share in the cost of Medicaid nursing home expenses, we believe it is important for them to assume a share of the preventive reduced cost for citizens who otherwise are qualified to be in nursing homes. Of the State's \$10 million optional program for medical services under Medi-

said, we intend to preserve the vast majority of that program including the provision of prescription medications and durable medical equipment.

In the area of services to children, we can do better than we are now doing. County and State costs for court-ordered settlement decisions have risen from \$10 million to \$27 million in the past five years. Despite this huge increase, and despite our desire to support these youngsters in need, there is very little hard evidence of success equal to this massive increase in expenditure. Further, we believe we have turned too much to the Court System and place on the Courts a responsibility which is better focused on the family and the community and on the social workers. The most important opportunity we can give a child is to grow in a health family and only remove that child as a last resort. It also is our best investment in the community at large.

We need to move away from a system that has become increasingly bureaucratic and outrageously legalistic. Services to children belong in the hands of families and communities and they need our support. This support is difficult to defend in a system that requires a myriad of clearances from agencies and Court officials before a single service is rendered.

For these reasons as well as for financial ones, we are recommending the restructuring of the CHINS Program. While it is true that financial savings will result, what is more important will be the construction of an effective system of services for New Hampshire's children. We have directed the Commissioner of Health and Human Services to begin now to develop a plan for an alternative service system for children which will be family and community based. We have asked for such a plan to be presented to the Executive and Legislative leadership during this legislative session. We have requested that all services and resources relating to children in the six divisions of the Department be considered as part of the comprehensive approach.

In the context of Health and Human Services, which has made the difficult decisions and brought forward a budget which we present to you today, which is basically a flat-funded budget, but one which continues to deliver a high level of quality services, I believe you should seriously review the proposal of the University of New Hampshire and our Court Systems. As you are aware, in both instances the Executive Branch and the Legislature have virtually no control over the day-to-day operations of these entities. In both instances these entities have proposed budgets which grossly exceed the budget guidelines. If approved as requested, they would put a tremendous strain on the capacity of our state government and would mean further cuts in other agencies, such as Health and Human Services, which have already met our guidelines.

At least in the case of the Court System, the argument can be made that the demand has increased dramatically for judicial services, although there remains a very serious question as to the efficiency of the operations of this branch of the government. I have thus recommended flat-funding the Courts at the 1991 level of spending.

However, the University System has given new meaning to the concept of "ivory tower" budgeting. The request of the University System to the State of New Hampshire is for a 24 percent biennial increase in funding. The overall proposed budget expansion for 1992 at the University System represents a total increase of \$50 million. The University System is projecting no increase in student population during this period. Those facts alone might give you cause to wonder.

Certainly in a time when the average citizen of New Hampshire is facing belt tightening as a result of a recession; when the revenues of the state are dropping; when the number of people being put out of work as a result of layoffs both at the state

government level and in the private sector is significant; when we are having to make the tough choices I just listed relative to Health and Human Services; one must ask what sort of realism can be contained in a budget which insists on a 24 percent increase in state funding. This, of course, comes from an institution which has deemed itself of such worth that it pays the vast majority of its senior staff significantly more than the highest paid individuals in state government. In fact, even its lobbyist, whose job it is to obtain a fair share of our tax dollars, is paid more with those tax dollars than the Commissioner of Health and Human Services, the Commissioner of Transportation, the Attorney General, the Commander of the National Guard, or for that matter the Governor of New Hampshire. For your information, I have appended a list of some of those salaries. We have placed the University System in the budget at a percentage figure which corresponds approximately to the Technical College System in the first year and at a significantly higher number than the Technical College System will experience in the second year. I would note as an aside that the Technical College System has aggressively and conscientiously worked to comply with the request for a budget at 10 percent less than appropriated levels. The final dollar figure which we were able to establish for it, which it feels it can function with and continue to deliver quality service, represents an approximate reduction from the 1991 budget of 5.4 percent.

The Technical College System is, of course, a growing system with an increasing number of students, 80 percent of whom come from New Hampshire and 90 percent of the graduates stay in New Hampshire. Thus it seems appropriate that the University System should be held to the same comparable funding percentages as the Technical College System and that is where we have set their accounts for the first year. In the second year we have restored the University to the 1991 level of funding. However, too often we have seen the University System, when asked to take less than their request by this Legislature, rather than reduce their overhead and attempt to deliver services more efficiently, simply turn to its students with a bill for higher tuition. It is my firm belief that this Legislature should seriously consider reclaiming its rights to more directly manage the University System and, at a minimum, should legislatively insist that over the next biennium there be no further tuition increases of any significance for New Hampshire students at the University System and that the salary accounts and productivity of the administration and faculty be subject to closer scrutiny.

In recognition of the slowdown in the economy, we have increased our commitment in funding for business development a total of \$300,000 from Fiscal Year 1990. This has been accomplished by maintaining an increase in the Office of Business and Industrial Development made in Fiscal Year 1991 through the transfer of \$250,000 from tourism, which I have proposed to return to the Office of Vacation Travel in the supplemental budget. Furthermore, I am requesting an additional \$50,000 in the areas of business and industrial advertising, promotion, international trade and out-of-state prospecting. Three positions, created in Fiscal Year 1991, will be made permanent in support of increased business development activities. Increased promotional activities in the office, begun in Fiscal Year 1991, will also be maintained.

In addition to these items, we have been able to maintain our funding commitment to the Small Business Development Centers which, in turn, is matched on a two-to-one basis by federal SBA funds. This is done in order to encourage and assist small business development and entrepreneurship in the state of New Hampshire.

One area that has received a significant increase in budgeted authority is the Department of Corrections and this is purely related to increased population in the prison system. We continue to run a prison system which maintains the lowest cost per inmate of any system in New England; however, the number of inmates continues to rise as our society becomes more aggressive in prosecuting people, especially in the area of drug offenses and violent crimes.

Since we will be facing a significant prison population in excess of present capacity by 1993, we have begun pursuing the creation of a minimum security facility at the Laconia State School grounds. This is part of a comprehensive approach to optimize utilization of the Laconia State School grounds and this minimum security facility, which will include the Shock Incarceration Unit, will be tied into a drug rehabilitation program and vocational-technical assistance programs. We expect the new facility to be a model program for the rehabilitation and incarceration of minimum security inmates. Commissioner Powell has given this facility the title "Camp Success" and in my opinion it has the potential to be an extraordinary success story.

Another program which this budget includes is a new approach to dealing with our Park System. The Park System in New Hampshire is one of the true jewels in our state's crown jewels and is at this time making money, although not a great deal. It is my belief that the Park System should be set up in a structure that will allow it to continue to flourish and be maintained as high quality places for our citizens and tourists to visit. In order to do this, since the Park System is now self-sustaining, it should be set up as a separate, self-funded entity. This will generate incentive in the parks' personnel and leadership to maintain and improve the facilities through its own revenues.

In order to bring the Park System back to a level of high quality, we will be including in the capital budget \$2.5 million for upgrading the physical facilities at our various parks. These actions, although not having a significant impact on the budget, will create a comprehensive undertaking which will assure the long-term viability and strength of our Park System.

In addition to the capital items which I have already mentioned, there are a number of capital items which I believe should be highlighted and which will be presented in my Capital Budget contemporaneously with the Operating Budget.

To fund capital investments which will assist in the development of State revenue sources, the Capital Budget includes \$5.5 million for construction of a new liquor store on I-95 for the Liquor Commission. \$1.6 million will address development and snowmaking capability at both Cannon and Sunapee. Further, \$16.5 million which will be offset by revenue has been included for Port of Portsmouth expansion. \$500,000 has been included to provide the required 10 percent State match for FAA approved priority projects for airports.

As a commitment to New Hampshire's environmental future, the Capital Budget includes \$7.5 million over the biennium to continue funding the Land Conservation and Investment Program. This program has been exceedingly successful to date and must be continued to preserve the quality of life for future generations. The budget also includes \$5.8 million for the required 20 percent match under the Federal Clean Water Loan Fund, and \$1.5 million for the 10 percent match for the Federal Hazardous Waste Fund; as well as \$1.5 million for increased funding for dam repairs.

In the area of education, \$1.8 million is budgeted for Phase II, building rehabilitation, at the Manchester Vocational Technical College. Roughly \$1.2 million will be provided for the upgrading of instrumentation at the several technical colleges.

Considering the times, and especially in comparison to the trauma some of our sister states are experiencing, this is a very positive budget. It does require that we essentially run the ship of state on the same dollars we ran it on last year; but this is a reasonable approach, one which our citizens expect, in light of the recession which requires all, even government, to exercise fiscal restraint. It also is a budget which continues to deliver a high level of service, especially in the core areas of government obligations, without unduly burdening our people with tax increases.

For those who will make the claim that this budget is too frugal on funding state services, I say: Give me this budget exactly as it is and I will live within it, I will deliver quality services and gladly accept any political heat that comes with it!

I also recognize that some in the Legislature believe that New Hampshire's people are fundamentally undertaxed and should be subject to the repressive machinery of a general sales or income tax. I recognize that some sincerely believe in pursuing this goal of dramatically altering the tax structure of New Hampshire on the claim, inconsistent as it is with history, fact and common sense, that you can somehow reduce other tax burdens by turning to a massive new tax burden. As you know, I do relish this debate, respect those who sincerely hold this view, and look forward to continuing the dialogue.

However, as a practical matter, the capacity to pass such a tax was killed by the referendum of the recent election. The people spoke rather clearly and I have the veto pen to prove it.

One of our greatest strengths as a state, in comparison to our sister states in the region, has been our ability to act quickly and definitively to resolve the fiscal strains we have experienced as a result of this recession. We have, as a state, stood out in the region as a shining light of fiscal common sense as a result of this "can do" approach. Failure to take this approach again could easily undermine our bond ratings and cost us dearly in delivering very much needed services.

We have taken the ship of state through some rough waters. Much like rounding the Cape of Good Hope, we have seen some high seas and strong winds, but the worst is behind us and, in my opinion, calm waters and favorable winds are predictable. If we continue to hold a course that insists on fiscal restraint, effective management and preserving the core obligation of government, we will be successful in assuring that New Hampshire prevails in this stormy time in a manner that gives confidence to our people, service to our less fortunate, and opportunity to our children.

This is our challenge and with passage of this budget we will meet this challenge.

Major General Lloyd M. Price, Adjutant General of the State of New Hampshire, addressed the Joint Convention.

Mr. Speaker; Mr. President; Your Excellency, Governor Gregg; Governor's Councilors; and Members of the General Court:

Words cannot adequately describe the deep sense of pride I feel today as I stand before this distinguished legislative assembly to represent the nearly 3,300 men and women who proudly serve our state and our nation with the New Hampshire National Guard.

You have offered this invitation to hear about the status of our soldiers and airmen who have been mobilized and deployed as part of Operation Desert Storm.

I must tell you that the past six months have been, by far, the most emotional I have experienced in my nearly 42 years of military service. I can assure you, it is not an enjoyable task to oversee the activation, mobilization and deployment of our citizen-

soldiers. But, it would be negligent on my part if I did not tell you that the positive attitude and professionalism with which our Guard members responded to this call to duty have been exemplary and represents the highest quality we have come to appreciate about our New Hampshire National Guard, made up of your friends and neighbors, your relatives, and while small in number, your fellow legislators.

From the very earliest days of the Iraqi invasion of Kuwait, the New Hampshire Air National Guard has had a major role in providing air refueling support for the deployment of U.S. forces and equipment to the Gulf. From early August through the end of December, every Air National Guard mission was conducted by volunteers.

Let me attempt to put the level of volunteerism into better perspective:

During the first five months of Operation Desert Shield, hundreds of our Air Guard members participated in more than 9,000 voluntary active duty days to support air refueling missions both within the continental United States and overseas, including providing two and one-half months of air refueling support to the Tanker Task Force in Saudi Arabia.

While the initial phases of the Operation Desert Shield support missions only involved volunteer participation by Air National Guard members, it became increasingly clear that our specialized Army units were prime targets for mobilization.

On November 17th, the 744th Transportation Company of Claremont and Hillsboro became the first unit from the State to receive activation orders. After organizing their military records, their equipment, preparing wills and making provisions for a wide range of personal affairs, the unit personnel headed for pre-deployment training at Ford Devens, Massachusetts.

That Monday morning of November 19th in Hillsboro will long be remembered. It was truly a monumental outpouring by family, friends, neighbors and citizens, young and old. While the official "going away" ceremony was being conducted inside the armory, hundreds lined the town's streets and the convoy route along Route 202 to Massachusetts, waving flags and banners, and most with yellow ribbons. Besides these spirited citizens from dozens of communities, there were the kindergarten, elementary and high school students, as well as high school bands, to wish our members well.

The 744th Transportation Company received a first class send-off which sent a clear signal to me and to our troops that our citizens were truly in support of our citizen-soldiers.

The unit deployed to the Persian Gulf on January 20th, and it is now providing transportation support to the forces involved with Operation Desert Storm.

While the 744th was training at Fort Devens, we received word of the activation of the 1159th Medical Company, Air Ambulance, from Concord. This unit was activated on November 21st and on December 1st, the flight crews, with their 12 UH-1 Huey helicopters, departed for duty at Fort Campbell, Kentucky. The remainder of the unit left on December 4th. The unit is currently providing aeromedical site support to U.S. Army installations at Fort Campbell and Fort Knox in Kentucky, as well as at Fort McCoy in Wisconsin.

At the present time, we have more than 400 men and women from the Guard serving on active duty with Operation Desert Storm. Besides the units I have mentioned, Air Guard flight crews involving 70 plus personnel were called to involuntary active duty in December and have been supporting the air refueling requirements of the Strategic Air Command, mostly within the United States. Some of our aircraft maintenance specialists have been called and they are deployed to an overseas airbase.

Within the past two weeks, members of the Security Police Flight have reported for active duty and are serving at an air base in Montana. This past Monday morning I was advised that medical specialists from the Air Guard's 157th U.S. Air Force Clinic will be activated this week and assigned for duty at Carswell Air Force Base in Texas. And, just yesterday, another 18 volunteer Army National Guardsmen with infantry, artillery and medical skills were ordered to report for active duty next week at various locations.

Also, 15 field artillery specialists from around the state have volunteered and were accepted for active duty assignment with a West Virginia Army National Guard Artillery Battalion. They, too, are currently serving in the Persian Gulf.

Some of you have asked me about the makeup of our mobilized units. As I've already mentioned, each and every member is a volunteer. The ages range from 18 to 57 and a large percentage of those who have been called up have had prior active duty military experience.

On a personal note, we have one father and son team in the 1159th, as well as a married couple, two brothers, and three father and son teams, one of whom is a father with two sons, in the 744th. Yes, the National Guard is family, in more ways than one.

Speaking of supporting the family, this is, without exaggeration, the most important responsibility that all of us have while our citizen-soldiers are deployed away from home. It is a demanding challenge, and I am confident that every federal, state and local resource is being identified and is being made available to those left behind. I can assure you that it is my number one priority, not only for our National Guard members, but for all military families living in New Hampshire.

If I may, I'd like to compliment our soldiers and the family members of the New Hampshire National Guard who had the foresight and took the initiative during the past five years to organize an ongoing Family Support Program. During that time, as our training focused upon the mobilization scenario, it became crystal clear that the organization's greatest challenge would be caring for the needs of the family. Admittedly, over the past months, we did not have all the answers nor were we perfect at it, but we did have the mechanism in place to respond almost immediately to family concerns.

Families, in fact, are the real heroes of the Persian Gulf mobilization. Their attitude and willingness to make great sacrifices have contributed to the ability of their loved ones to answer our nation's call.

Also, during the past few months, it became obvious that the scope of public, and even private, assistance programs would not be adequate for the neediest of our families. Therefore, I'm proud to announce that our military chaplains took the initiative and formed the "Chaplain Emergency Relief Fund," a tax exempt charitable trust which, now and in the future, will give our organization a capacity to respond to critical financial needs when other means of support have been exhausted. At the risk of sounding redundant, I must again say that it is most important that those who are called to serve their nation are assured that their loved ones will not fall by the wayside while they are away doing what is necessary to respond to the call to duty.

I believe that most of our citizens recognize that the National Guard cannot remain a strong and vibrant volunteer military organization without the support of not only the family, but also the employer.

As you can well imagine, the extent of an activation of Guardsmen and Reservists determines the degree of impact on industry and business, as well as agencies of state and local governments.

While the recent activations have had relatively little impact so far, it is important to know that federal law protects those who are called for a mobilization or other required military training from a wide range of adverse personnel actions, employment discrimination, or dramatic financial hardship. The laws ensure reemployment rights, reinstatement of benefits, reduced interest rates, and even protections against eviction and civil suits resulting from financial hardship during mobilization.

Despite these legal protections, I am pleased to tell you that, in general, the business community within our state has gone the extra mile for our people in an effort to keep hardship to a minimum.

Let me share but a few examples:

The Sturm Ruger Company of Newport, which lost 14 employees to the recent call-up, extended company health benefits through the end of June and assured employees that they would continue to earn seniority.

Wheelabrator Environmental Systems of Hampton and Ingersoll-Rand of Nashua are providing a pay differential and continuation of employee health benefits. And, the Hitchcock Medical Center has assured a pay differential for the first six months of active duty and continuation of health benefits. Again, these are but a few examples and are not all inclusive.

The New Hampshire Committee for Employer Support of the Guard and Reserve, under the able volunteer leadership of Bob Hamel and his committee, continues to work with companies across the state to assist with the development of personnel policies which recognize the contributions of reservists and, at the same time, minimize hardship on the employer and the employee.

I could go on and on about the many lessons we have learned from this mobilization, as well as the genuine and heartwarming response we have received from the public and private sectors. I believe it sufficient to acknowledge that New Hampshire hasn't taken a back seat to anyone and has shown over the past few months that those who have been called for Operation Desert Storm will not be forgotten, whether their service is in the Persian Gulf or here at home.

At this point, I would like to convey the deep appreciation of our units for the joint declaration of support and appreciation adopted by the legislative leadership in December. It was with distinct pride and pleasure that I could personally deliver your declaration to each unit. The support already publicly voiced by both Governor Gregg and many of you sitting in this chamber has been overwhelming and reassuring.

Your invitation for me to appear today is further positive confirmation that the New Hampshire House and Senate are very much in support of our citizen-soldiers. Not only those of the New Hampshire National Guard, but all of the state's men and women, active duty, guard and reserve, who are serving our nation during this time of war.

In conclusion, I have told you that the Guard cannot remain strong and vital without the support of the family and employer. That is true, but I'd like to give that one more dimension. As a simple analogy, I view the New Hampshire National Guard as a four-legged stool, with one leg representing the soldier, one the family, another the employer, and the fourth the executive and legislative branches of government. If any single one of these fails to be supportive, the organization is no longer functional and is bound to collapse. Yes, you, too, are a most vital part of the Guard family.

Thank you for your time and attention this afternoon. Thank you for all that you have done and will do to keep the New Hampshire National Guard strong. I join with each of you in praying that Desert Storm will come to a quick and successful conclu-

sion and that we may stand together once again, along with all of our citizens, in welcoming New Hampshire's sons and daughters home, as they are again reunited with their loved ones.

Sen. Delahunty and Rep. Gross moved that the Joint Convention arise.

Adopted.

The Joint Convention adjourned.

### COMMITTEE REPORTS CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**HB 244-FN**, establishing a committee to examine whether the state commission for human rights should be authorized to levy administrative fines and award compensatory and punitive damages, was removed at the request of Rep. Dyer.

Consent Calendar adopted.

**HB 229-FN**, relative to legislative review of the New Hampshire statutes. **INEXPEDIENT TO LEGISLATE**.

The Committee felt that it was not necessary at this time to set up a New Hampshire law revision commission. The Fiscal note indicated the cost could not be determined. Vote 14-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

**HB 247**, relative to unopposed candidates serving as election officials in certain municipalities. **INEXPEDIENT TO LEGISLATE**.

The Committee has tried to keep the statutes uniform and feels that where there is any possibility of a write-in vote, no candidate whose name appears on the ballot should work at the polls. Vote 12-0. Rep. Natalie S. Flanagan for Constitutional and Statutory Revision.

**HB 195-FN-A**, relative to appointment of legal counsel and investigations by the board of examiners of psychologists, and continually appropriating funds for such purposes. **INEXPEDIENT TO LEGISLATE**.

The Committee believes it is premature to appoint legal counsel for the Board of Examiners of Psychologists as no clear case was made for this position. Vote 14-0. Rep. Kathleen W. Ward for Executive Departments and Administration.

**HB 197-FN**, relative to a tuition reduction for employees of the department of safety. **INEXPEDIENT TO LEGISLATE**.

The intent of the bill is laudable. However, the economic impact on the University System, although not dramatic with one state department, would be devastating when other departments apply. The fact that this is a negotiated item and the bill would circumvent the process opens up a whole new world of hurt! Vote 14-0. Rep. William P. Boucher for Executive Departments and Administration.

**HB 149-FN-A**, relative to a liquor store in Center Harbor and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**.

The Committee recognizes the sponsor's desire to have a state liquor store located in Center Harbor. Upon review of the sales figures and geographic location of the six surrounding state stores, the Committee felt that while it would be convenient, opening of an additional store in this location would not be a good allocation of the Commission's limited appropriation. The Committee voted 14-0 that this legislation, while well meaning, should be Inexpedient to Legislate. Rep. Thomas A. Behrens for Regulated Revenues.

**HB 107-FN**, eliminating registration fees for class AA dams. **OUGHT TO PASS WITH AMENDMENT.**

This bill, as amended, changes the definition of dams so as to include only those structures with a height of six feet or more, or a storage capacity of more than three acre feet. This change will have the effect of removing so-called "farm ponds" and other small structures from the class AA classification so they would no longer be subject to the controversial "dam tax." Vote 15-0. Rep. Carol M. Stamatakis for Resources, Recreation and Development.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

I Non-hazardous Potential Added, Measurements Increased. Amend RSA 482:2, I and II to read as follows:

I. "Classification of a dam" means the potential hazard classification placed on a dam by the division of water resources, with a *class "AA" dam being of non-hazardous potential*; class "A" dam being the lowest potential hazard; class "B" being a significant potential hazard; and class "C" being the highest potential hazard. The classification of the potential hazard is the determination made by the division of water resources based on the potential threat to life and the potential extent of property damage in the event of an accident or failure of the dam structure.

II. "Dam" means any artificial barrier, including appurtenant works, which impounds or diverts water, and which has a height of [4] *more than 6 feet* [or more], or a storage capacity of [2] *more than 3 acre-feet* [or more], or is located at the outlet of a great pond. A roadway culvert shall not be considered a dam if its invert is at the natural bed of the water course, it has adequate discharge capacity, and it does not impound water under normal circumstances. Artificial barriers which create surface impoundments for industrial or commercial wastes or municipal sewage, regardless of height or storage capacity, shall be considered dams.

2 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill declares that class AA dams do not have a hazardous potential to life or property in the event of an accident or failure of the dam structure.

This bill also changes the definition of dams by increasing the height requirement and storage capacity.

Referred to Appropriations.

**HB 137-FN**, relative to railroad rights-of-way. **OUGHT TO PASS WITH AMENDMENT.**

The Committee amended the bill as proposed to help protect reversionary rights that might be lost if rail properties acquired by the state were declared by decree to be fee simple absolute. Notice shall be given to the public by newspaper advertisement, once a year for five years, and five years allowed for appeal to the Superior Court for any person who may be damaged by the declaration. Vote 15-0. Rep. Roger D. Stewart for Transportation.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

I Ownership of Rights-of-Way. Amend RSA 228:60-a, V to read as follows:

*V. All railroad rights-of-way and rail properties acquired by the commissioner or by the state are hereby declared to be owned in fee simple absolute.* Any and all

reversionary rights in railroad rights-of-way *and rail properties which have been acquired by the state or are* acquired by the commissioner by purchase, condemnation or otherwise are hereby declared extinguished as of *the effective date of this section as amended, or the date of acquisition, whichever occurs later. The commissioner shall give notice to the public of all such properties declared under this paragraph to be owned in fee simple absolute by the state by publishing a description of the properties sufficient for the identification thereof, specifying the county where the properties are located. Any such notice shall be published at least once each year for 5 years in a newspaper of general circulation in the county where the property is located.* Any person damaged thereby may make claim by petition against the commissioner to the appropriate superior court within [2] 5 years of the date of acquisition *or declaration of fee simple absolute ownership.* The petition shall then be referred to the board of tax and land appeals, which shall proceed as with a condemnation under RSA 498-A. The right to appeal contained in RSA 498-A:27 shall be available to the claimant or the commissioner.

2 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill grants fee simple absolute ownership rights to the state for all railroad rights-of-way and rail properties acquired by the transportation commissioner.

The bill also requires the commissioner to give public notice, through a newspaper of general circulation at least once a year for 5 years, of the location of any rail property declared to be owned in fee simple absolute by the state.

**HB 167-FN**, relative to airman certificates and fees. OUGHT TO PASS.

The Committee agrees with the Aeronautics Division that the registration certificates for airmen should be issued for four years rather than for one. The registration fee will be paid for the four years at four times the present yearly rate. Vote 15-1. Rep. Roger D. Stewart for Transportation.

#### REGULAR CALENDAR

**HB 196-FN**, relative to a tie vote in town elections. INEXPEDIENT TO LEGISLATE.

House Bill 196 would change the method for dealing with tie votes at town elections. The Committee feels that this bill is not needed at this time. Vote 9-2. Rep. Norman B. Lawrence for Constitutional and Statutory Revision.

Rep. Eugene Clark moved that the words, Ought to Pass, be substituted for the report of the Committee, Inexpedient to Legislate, spoke to his motion, and yielded to questions.

Rep. Norman Lawrence spoke against.

Motion failed.

Report adopted.

**HB 164-FN**, establishing an unclassified attorney position within the department of corrections. RE-REFER TO COMMITTEE.

The Committee believes it is premature to establish an unclassified attorney position within the Department of Corrections, as this has been requested in the budget. Vote 13-2. Rep. Kathleen W. Ward for Executive Departments and Administration.

Re-referred to committee.

**HB 244-FN**, establishing a committee to examine whether the state commission for human rights should be authorized to levy administrative fines and award compensatory and punitive damages. **OUGHT TO PASS.**

The purpose of this bill is to appoint a committee to study whether the state Commission for Human Rights should have the authority to levy administrative fines and award compensatory damages. This study is needed to determine how the state Commission on Human Rights will comply with existing federal contracts. The Committee is required to report by September 1, 1991. Vote 14-0. Rep. Merton S. Dyer for Executive Departments and Administration.

Adopted.

Rep. Dyer offered a floor amendment.

#### **Floor Amendment**

Amend section 4 of the bill by replacing it with the following:

4 Report. The committee shall submit a report, including recommendations for legislation, to the governor, the speaker of the house and the senate president on or before November 1, 1991.

Amendment adopted.

Ordered to third reading.

#### **RESOLUTION**

Rep. Gross offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, February 21, 1991 at 1:00 p.m.

Adopted.

#### **LATE SESSION**

##### **Third reading and final passage**

**HB 137-FN**, relative to railroad rights-of-way.

**HB 167-FN**, relative to airman certificates and fees.

**HB 244-FN**, establishing a committee to examine whether the state commission for human rights should be authorized to levy administrative fines and award compensatory and punitive damages.

Rep. Gross moved that the House stand in recess for the purpose of introduction of bills only.

Adopted.

The House recessed at 2:50 p.m.

#### **RECESS**

Rep. Michael Hill moved that the House adjourn.

Adopted.

**HOUSE JOURNAL No. 7**

Thursday, February 21, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Eternal God, by whose power we are created, by whose love we are sustained, and under whose providence we live out each day, we stand before You this day in humble thanksgiving for the signs of Your caring all about us. Be now, we pray, with the members of this House. Shield them from the distractions of external concerns and the pulls of political pressures. Help them to focus on the tasks before them. Guide them, and bless them, in all they say and in all they do, that in their speaking and in their voting they will seek to do well in Your sight. Amen.

Rep. Sullivan led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. C. Fitzgerald Buckley, Swope, Jelley, Parr, Domini, Bernard, Rosencrantz, Feuerstein and Fenton, the day, illness.

Reps. Robinson, Doucette, Harland, Donald Messier, Jacobson, Theriault, Spencer, Rosen, Weyler, Flint, Carter, Schmidtchen, Hashem, Stapleton, Seward and David Young (military service), the day, important business.

**INTRODUCTION OF GUESTS**

H. Jack and Jack B. Willis, Dick Vincent, Bill Frost and Martin Boormeester, guests of Rep. Barberia. Nancy Chandler, wife of Rep. Gene Chandler and daughter-in-law of Rep. Earle Chandler. Lucille, Scott and Phillip Frechette, wife and grandsons of Rep. Frechette. Bob Chabot, guest of Rep. Rheault. Mary, Lauren and Lane Marder, daughter and granddaughters of Rep. John Chandler. Betty A. Callanan, guest of Rep. Malcolm.

**VACATES**

Rep. Donna Sytek moved that the House vacate the reference of **HB 652**, relative to the duties of the board of tax and land appeals and the department of revenue administration to the Committee on Ways and Means.

Adopted and referred to Municipal and County Government.

Rep. Robert Foster moved that the House vacate the reference of **HB 687**, relative to medicare balance charges, to the Committee on Health, Human Services and Elderly Affairs.

Adopted and referred to Commerce, Small Business and Consumer Affairs.

Rep. Martling moved that the House vacate the reference of **HB 755**, relative to the limited liability company act and appropriating funds for administration to the Committee on Judiciary.

Adopted and referred to Commerce, Small Business and Consumer Affairs.

Rep. Flanagan moved that the House vacate the reference of **CACR 9**, relating to revenue raised through a personal income tax. Providing that each year at least 75 percent of all general fund revenues resulting from any personal income tax be returned to the cities, towns, school districts, counties, and property taxpayers to assist in property tax relief, to the Committee on Constitutional and Statutory Revision.

Adopted and referred to Ways and Means.

Rep. Kidder moved that the House vacate the reference of **HB 582**, relative to ozone-depleting compounds to the Committee on Executive Departments and Administration.

Adopted and referred to Environment and Agriculture.

### EXTENSIONS

The Committee on Judiciary requested a 14-calendar-day extension on **HB 133**, relative to the right to know law.

The Committee on Commerce, Small Business and Consumer Affairs requested a seven-calendar-day extension on **HB 123**, prohibiting merchants from requiring credit cards as identification from customers paying by check.

The Committee on Commerce, Small Business and Consumer Affairs requested a 14-calendar-day extension on **HB 139**, relative to fair credit billing.

The Committee on Executive Departments and Administration requested a 28-calendar-day extension on **HB 127**, changing the name of Fast Day to Civil Rights Day.

The Committee on Municipal and County Government requested a 21-calendar-day extension on **HB 587**, relative to the resolution of public employee labor disputes.

The Committee on Municipal and County Government requested a 21-calendar-day extension on **HB 169**, relative to the disposition of revenues collected under the land use change tax.

The Committee on State-Federal Relations requested a 14-calendar-day extension on **HJR 1**, concerning the settlement of the Portsmouth, New Hampshire Naval Shipyard and inner Portsmouth Harbor border dispute between New Hampshire and Maine.

The Committee on Fish and Game requested a seven-calendar-day extension on **HB 205**, restricting the method of taking freshwater smelt.

Granted.

### SUSPENSION OF RULES

Rep. Horton moved that the rules be so far suspended as to permit consideration, third reading and final passage at the present time of **HCR 5**, honoring the village of Hill on its fiftieth anniversary.

Rep. Gross spoke in favor of suspension of rules.

Adopted by the necessary two-thirds.

Rep. Chandler spoke in favor of **HCR 5**.

### Third reading and final passage

**HCR 5**, honoring the village of Hill on its fiftieth anniversary.

### COMMITTEE REPORTS

#### CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**HB 271**, to study the purchasing policies of the technical institute and the technical colleges, was removed at the request of Rep. Skinner.

**HB 260**, relative to the property tax exemption for the blind on their residential real estate, was removed at the request of Rep. Daniel Healy.

Consent Calendar adopted.

**HB 185**, relative to certain security transactions exempted from registration. OUGHT TO PASS WITH AMENDMENT.

The Committee vote of 14-0 favors rewording of RSA 421-B:17, II (p) for clarification of sale of security as requested by the Office of Securities Regulation. Rep. G. Philip Rodgers for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend RSA 421-B:17, II(p) as inserted by section 1 of the bill by replacing it with the following:

(p) Any transaction pursuant to an offer to existing security holders of the issuer, *where the securities held by such existing security holders were issued by the issuers for value*, including persons who at the time of the transaction are holders of convertible securities, non-transferable warrants, or transferable warrants exercisable within not more than 90 days of their issuance, if:

**HB 186**, relative to isolated sales of securities. OUGHT TO PASS.

The Committee vote of 14-0 supports security sales exemptions of registration of five sales in total of same issuer in all jurisdictions combined. Rep. G. Philip Rodgers for Commerce, Small Business and Consumer Affairs.

**HB 187**, including agents of investment advisors in the definition of "agent" under the securities laws. OUGHT TO PASS WITH AMENDMENT.

This bill clarifies the agent of broker or investment advisor. Vote 14-0. Rep. G. Philip Rodgers for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend the introductory paragraph of RSA 421-B:2, II as inserted by section 1 of the bill by replacing it with the following:

II. "Agent" means any individual, other than a broker-dealer *or an investment advisor*, who represents a broker-dealer, *investment advisor* or issuer in effecting or attempting to effect purchases or sales of securities. "Agent" does not include an individual who represents an issuer in:

**HB 188**, clarifying definitions of "investment metal contract" and "investment gem contract" for purposes of securities regulation. OUGHT TO PASS.

This bill requested by the Office of Securities Regulation, clarifies investment metal and gem contracts. Vote 14-0. Rep. G. Philip Rodgers for Commerce, Small Business and Consumer Affairs.

**HB 321-FN**, relative to health insurance reform. RE-REFER TO COMMITTEE.

This bill, as submitted, was a draft legislation from the National Association of Insurance Commissioners. Since the Association has not taken final action on this important legislation, the Committee desires to take up this bill next year when the Association has resolved and voted on final legislation. Vote 15-0. Rep. John B. Hunt for Commerce, Small Business and Consumer Affairs.

**HB 333**, relative to notification of insurance cancellation. OUGHT TO PASS WITH AMENDMENT.

This bill with its amendment was submitted by the sponsor to correct language in the same bill by the same sponsor last session. The error last year was a perfect example of "Murphy's Law." Vote 13-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Cancellation or Nonrenewal of Group Insurance Contracts. Amend RSA 415:18-b to read as follows:

415:18-b Cancellation or Nonrenewal of Group Insurance Contracts. No group accident or health insurance contract, authorized under this chapter, may be cancelled or nonrenewed by the insurer, except for nonpayment of premium, unless the group policyholder receives either a notice of cancellation or nonrenewal or an offer of renewal in accordance with this section. The notice of cancellation or nonrenewal or offer of renewal shall be delivered to the [insured] *group policyholder* or mailed to the [insured's] *group policyholder's* last address as shown in the records of the insurer at least 45 days prior to the renewal date of the contract. Notice of cancellation for lack of participation, if permitted by the terms of the policy, shall be delivered to the group policyholder or mailed to the group policyholder's last address as shown in the records of the [insured] *insurer*, at least 30 days prior to the effective date of the cancellation.

2 Cancellation or Nonrenewal of Group Insurance Contracts. Amend RSA 420-A:7-c to read as follows:

420-A:7-c No group accident or health insurance contract, authorized under this chapter, may be cancelled or nonrenewed by the [insurer] *health service corporation*, except for nonpayment of premium, unless the group contract holder receives either a notice of cancellation or nonrenewal or an offer of renewal in accordance with this section. The notice of cancellation or nonrenewal or offer of renewal shall be delivered to the [insured] *group contract holder* or mailed to the [insured's] *group contract holder's* last address as shown in the records of the [insurer] *health service corporation* at least 45 days prior to the renewal date of the contract. Notice of cancellation for lack of participation, if permitted by the terms of the contract, shall be delivered to the group [policyholder] *contract holder* or mailed to the group [policyholder's] *contract holder's* last address as shown in the records of the [insurer] *health service corporation*, at least 30 days prior to the effective date of the cancellation.

3 Cancellation or Nonrenewal of Non-Group Insurance Contracts. Amend RSA 420-A:7-d to read as follows:

420-A:7-d Cancellation or Nonrenewal of Non-Group Insurance Contracts. No non-group accident or health insurance contract, authorized under this chapter, may be cancelled or nonrenewed by the [insurer] *health service corporation* except for nonpayment of premium, unless the insured receives either a notice of cancellation or nonrenewal or an offer of renewal in accordance with this section. The notice of cancellation or nonrenewal or offer of renewal shall be delivered to the insured or mailed to the insured's last address as shown in the records of the [insurer] *health service corporation* at least 30 days prior to the renewal date of the contract.

4 Cancellation or Nonrenewal of Health Maintenance Organization Contracts. Amend RSA 420-B:8-c to read as follows:

420-B:8-c Cancellation or Nonrenewal of Group [Insurance] *Health Maintenance Organization* Contracts. No group [accident or health insurance] *health maintenance organization* contract, authorized under this chapter, may be cancelled or nonrenewed by the [insurer] *health maintenance organization*, except for nonpayment of premium, unless the [insured] *group contract holder* receives either a notice

of cancellation or nonrenewal or an offer of renewal in accordance with this section. The notice of cancellation or nonrenewal or offer of renewal shall be delivered to the [insured] *group contract holder* or mailed to the [insured's] *group contract holder's* last address as shown in the records of the [insurer] *health maintenance organization* at least 45 days prior to the renewal date of the contract. Notice of cancellation for lack of participation, if permitted by the terms of the [policy] *contract*, shall be delivered to the group [policyholder] *contract holder* or mailed to the group [policyholder's] *contract holder's* last address as shown in the records of the [insurer] *health maintenance organization*, at least 30 days prior to the effective date of the cancellation.

5 Cancellation or Nonrenewal of Non-Group Health Maintenance Organization Contracts. Amend RSA 420-B:8-d to read as follows:

420-B:8-d Cancellation or Nonrenewal of Non-Group [Insurance] *Health Maintenance Organization* Contracts. No non-group [accident or health insurance] *health maintenance organization* contract, authorized under this chapter, may be cancelled or nonrenewed by the [insurer] *health maintenance organization* except for nonpayment of premium, unless the [insured] *enrolled participant* receives either a notice of cancellation or nonrenewal or an offer of renewal in accordance with this section. The notice of cancellation or nonrenewal or offer of renewal shall be delivered to the [insured] *enrolled participant* or mailed to the [insured's] *enrolled participant's* last address as shown in the records of the [insurer] *health maintenance organization* at least 30 days prior to the renewal date of the contract.

6 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill clarifies and corrects references to the provisions governing notification of insurance cancellation by health service corporations, group insurers, and health maintenance organizations.

**HB 166**, relative to registering voters in cooperative school districts. OUGHT TO PASS WITH AMENDMENT.

This bill makes it clear that once persons are registered to vote, and their names are on the checklist of their municipality, they also are entitled to vote in any cooperative school district election or meeting in their district. The Committee heard testimony that in school districts where the boundary lines are different from those of the municipality, some voters' names did not appear on the appropriate checklist. Vote 12-0. Rep. Susan S. Spear for Constitutional and Statutory Revision.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to voting in cooperative school districts.

Amend the bill by replacing section 1 with the following:

1 New Paragraph; Voting in Cooperative School Districts. Amend RSA 671:17 by inserting after paragraph II the following new paragraph:

III. Notwithstanding any other provision of law, any registered voter on a town or city checklist, who has his domicile within a cooperative school district, shall be eligible to vote at any cooperative school district election or meeting in the district where he has his domicile.

**HB 202-FN**, to extend the time period within which a corporation may reinstate its charter. OUGHT TO PASS WITH AMENDMENT.

This bill allows the Secretary of State's office to reinstate charters to comply with other state laws. Also, it reinstates the charter of the Bristol Federated Church. Vote 11-0. Rep. Natalie S. Flanagan for Constitutional and Statutory Revision.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

to extend the time period within which a corporation  
may reinstate its charter, relative to revival  
of charters of voluntary corporations,  
and reviving the charter of the  
Bristol Federated Church.

Amend the bill by replacing all after section 5 with the following:

6 Exception. Amend RSA 292:30, III to read as follows:

III. Upon the filing of the certificate of revival, the corporation shall be revived with the same force and effect as if its charter had not been forfeited pursuant to this subdivision. Such reinstatement shall validate all contracts, acts, matters and things made, done and performed within the scope of its charter by the corporation, its officers and agents during the time when its charter was forfeited pursuant to this subdivision, with the same force and effect and to all intents and purposes as if the charter had at all times remained in full force and effect, *except as provided in paragraph IX*. All real and personal property, rights and credits, which belonged to the corporation at the time its charter became forfeited pursuant to this subdivision and which were not disposed of prior to the time of its revival shall be vested in the corporation after its revival as fully and amply as they were held by the corporation at and before the time its charter became forfeited pursuant to this subdivision; and the corporation after its revival shall be as exclusively liable for all contracts, acts, matters and things made, done or performed in its name and on its behalf by its officers and agents prior to its reinstatement, as if its charter had at all times remained in full force and effect.

7 New Paragraph; Pending Actions. Amend RSA 292:30 by inserting after paragraph VIII the following new paragraph:

IX. Revival of a charter under this section shall not be construed to influence any pending actions or otherwise affect any liabilities or interfere with any course of action against such corporation for the period during which the charter was repealed or revoked.

8 Bristol Federated Church; Revival of Charter. Notwithstanding RSA 292:30, II(g), the Bristol Federated Church, of Bristol, New Hampshire, may procure the revival of its December 18, 1968, charter, which was revoked on April 26, 1977, by complying with the other requirements of RSA 292:30, II-IV. Upon compliance with the requirements of RSA 292:30, II-IV, including the payment of any fees in arrears and the filing with the secretary of state of any returns required by law, revival of the charter shall be retroactive to April 26, 1977.

9 Repeal. RSA 292:30, II(g), relative to legal action pending against voluntary corporations, is repealed.

10 Effective Date. This act shall take effect upon its passage.

## AMENDED ANALYSIS

This bill extends the period in which the secretary of state may permit a business corporation to reinstate its charter from 90 days to 3 years. Corporations shall be required to make application to the secretary of state for such reinstatement and to meet certain other conditions.

The bill requires the secretary of state to protect the name of an involuntarily dissolved corporation for a period of 120 days after dissolution. The corporation must change its name upon reinstatement if its name is not available at the time of reinstatement.

The bill authorizes the secretary of state to dissolve a corporation that fails to appoint or maintain a registered agent for a period of 60 days or more.

The bill provides that legal actions pending against a voluntary corporation during a period in which its charter was revoked shall not be affected by the reinstatement of the charter.

The bill revives the charter of the Bristol Federated Church which was revoked on April 26, 1977.

**HB 343-FN**, imposing a fine for failure to file reports and statements under the political expenditures and contributions law. RE-REFER TO COMMITTEE.

This bill would impose a daily fine of \$25 on any person who fails to file a report or statement dealing with political expenditures and contributions on the date when the report or statement is due. The Committee would like to have the opportunity to study this bill and come back with a recommendation to the House next year. Vote 10-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

**HB 226-FN**, relative to reimbursing the Plymouth school district for certain expenses and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

The requested reimbursement appropriation represents a statutory obligation (RSA 195-A:15) which had not been anticipated and thus had not been included in the Department of Education budget, dealing with an AREA school voting to become a Cooperative School District. The FN calls for state expenditures of \$6,000 in FY'91. Vote 18-0. Rep. Leo J. Spencer for Education.

## Amendment

Amend the bill by replacing section 1 with the following:

1 Appropriation. The sum of \$6,000 is hereby appropriated to the Pemi-Baker cooperative school district for the fiscal year ending June 30, 1991. The appropriation is for the purpose of reimbursing the school district for expenses incurred in converting an area school plan to a cooperative school district pursuant to RSA 195-A:15, II. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

## AMENDED ANALYSIS

This bill appropriates \$6,000 to the Pemi-Baker cooperative school district for expenses incurred in converting an area school plan into a cooperative school district.

Referred to Appropriations.

**HB 294-FN**, relative to higher education benefits for children of law enforcement officers and firefighters killed in the line of duty. INEXPEDIENT TO LEGISLATE.

This Committee understands the need of providing encouragement to improve benefits for law enforcement officers and firefighters. However, a scholarship fund would

mean additional cost to the University System and postsecondary institutions. The bill is unclear as to eligibility of non-residents. Further, state postsecondary institutions and the University System do provide scholarships based on need and eligibility. Vote 18-0. Rep. Richard L. Champagne for Education.

**HB 361**, repealing certain obsolete education laws. OUGHT TO PASS.

This bill repeals two obsolete education laws. One pertaining to the Board of Nurse Examiners which is no longer a part of the Department of Education; the other pertains to a federal higher education loan program which has been discontinued. Vote 20-0. Rep. Nils H. Larson for Education.

**HB 204-FN**, requiring certain hunters to wear hunter orange. INEXPEDIENT TO LEGISLATE.

The Committee believes that hunter orange makes sense and most hunters wear it. Also, it discriminates between the hunter and non hunter. All persons in the woods should be educated, but not mandated to wear it. Vote 19-0. Rep. Bernard J. Raynowska for Fish and Game

**HB 290-FN**, relative to the sale of hunting licenses. OUGHT TO PASS WITH AMENDMENT.

This is a housekeeping bill requested by the Fish and Game Department. No one spoke against the bill. The amendment changes the effective date to read upon passage. Vote 19-0. Rep. Allen R. Wiggin for Fish and Game.

#### Amendment

Amend the bill by replacing section 2 with the following:  
2 Effective Date. This act shall take effect upon its passage.

**HB 325-FN**, relative to reciprocity of dog training. OUGHT TO PASS WITH AMENDMENT.

This is a department bill. As the law is now written (RSA 207:12) is unenforceable and with this change the Fish and Game Department can enforce the law. The amendment changes the effective date only. Vote 16-0. Rep. Gerald R. Smith for Fish and Game.

#### Amendment

Amend the bill by replacing section 2 with the following:  
2 Effective Date. This act shall take effect upon its passage.

**HB 179**, relative to authorization of treatment for communicable diseases. OUGHT TO PASS.

This bill allows the Director, Division of Public Health Services, to authorize treatment, under orders of a licensed physician, necessary to prevent or control the outbreak of a communicable disease. Vote 13-0. Rep. Cecelia D. Kane for Health, Human Services and Elderly Affairs.

**HB 213-FN**, relative to rates set for medicaid and the administrative procedure act. OUGHT TO PASS.

The Committee was unanimous in support of this bill, which would put into law a practice which is already in place. It allows the Director of the Division of Human Services to establish rates of reimbursement without the necessity of publication, since there are thousands of rates and costs that fluctuate so frequently. It only exempts the rates and not the methodology. Vote 15-0. Rep. Marilyn P. Senter for Health, Human Services and Elderly Affairs.

**HB 221-FN**, relative to respite care for Alzheimer's disease. OUGHT TO PASS.

This bill deletes the requirement that a person suffering from Alzheimer's disease may only use respite care services in an amount not to exceed \$500 per calendar year, and authorizes the Director of the Division of Elderly and Adult Services to establish by rule appropriate fees for respite care services. Vote 13-0. Rep. Joseph A. MacDonald for Health, Human Services and Elderly Affairs.

**HB 228-FN-A**, relative to augmentative communication devices and making an appropriation therefor. RE-REFER TO COMMITTEE.

House Bill 228 is re-referred to a subcommittee to further strengthen the bill by defining the term "severely communicatively disabled," plus giving an opportunity for expanding the rationale for the necessity of providing such augmentative communication devices. Vote 11-0. Rep. Gordon E. Wiggin Health, Human Services and Elderly Affairs.

**HB 255-FN**, establishing the New Hampshire foundation for mental health and the mental health foundation fund. OUGHT TO PASS.

This bill establishes the New Hampshire Foundation for Mental Health under the umbrella of the New Hampshire Charitable Trust Fund. The foundation shall be governed by a Board of Directors which will seek funds for research and education to encourage public understanding and support for the State Mental Health Services System. Vote 13-0. Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs.

**HB 130-FN**, relative to mass transportation in certain cities. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, would allow the governing body of any city to raise and appropriate funds for a mass transportation system. It would also repeal a current provision requiring a 2/3 vote of the governing body when a referendum on the issue is not used. Vote 15-0. Rep. Donna M. Soucy for Municipal and County Government.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Power to Appropriate. Amend RSA 47:11-a, I to read as follows:

I. POWER TO APPROPRIATE. The governing body of any city may[, subject to the provisions of paragraphs II and III,] raise and appropriate such sums of money as public convenience or necessity may require, to aid or to contribute to a mass transportation system.

2 Repeal. RSA 47:11-a, III, relative to a 2/3 vote of the governing body concerning appropriations for mass transportation systems, is repealed.

3 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill allows the governing body of any city to raise and appropriate funds for a mass transportation system.

The bill repeals a provision requiring a 2/3 vote of the governing body where a referendum on the issue is not used.

**HB 152**, relative to electing the executive committee for the county convention in Merrimack county. INEXPEDIENT TO LEGISLATE.

The Committee feels that the Legislature should not interfere with county policy and local arrangements. The county can already do what this piece of legislation

seeks to do. Vote 15-0. Rep. John S. Barnes, Jr. for Municipal and County Government.

**HB 168**, relative to highway classifications. OUGHT TO PASS WITH AMENDMENT.

This bill clarifies that roads not maintained for five years can be discontinued without action of the local legislative body. The bill makes RSA 231:45-a compatible with RSA 229:5, VII. Vote 15-0. Rep. Richard T. Treffa for Municipal and County Government.

#### Amendment

Amend RSA 231:45-a as inserted by section I of the bill be replacing it with the following:

I Highway Reclassification. Amend RSA 231:45-a to read as follows:

231:45-a Discontinuance of Highways Subject to Legislative Body Approval.

I. No class IV or V highway shall be discontinued or discontinued subject to gates and bars without the vote of the local legislative body as required by RSA 231:43 or RSA 231:45.

II. No vote or other action of the governing body shall be effective to reclassify a class IV or V highway as a class VI highway *unless the highway has not been maintained and repaired by the town in suitable condition for travel for 5 successive years or more as required in RSA 229:5, VII.*

III. Any municipality which neglects to maintain and repair a class IV or V highway, without the vote of the legislative body, shall be subject to proceedings under RSA 231:90 or RSA 231:82 at any time prior to the lapse of the 5-year period under RSA 229:5, VII.

**HB 217-FN**, instituting a mandatory elderly tax credit for individuals over 62 years of age. INEXPEDIENT TO LEGISLATE.

House Bill 217, if passed, would mandate that towns grant a \$250 rebate from their real estate taxes to every property owner more than 62 years of age. No means test is required. As written, this bill requires a 2/3 vote by the people in a town or city in order to revoke the law. This appears to be a state mandate that would force the municipalities to additional costs. All testimony, except that of the sponsor, was in opposition. Vote 14-0. Rep. David M. Perry for Municipal and County Government.

**HB 218-FN**, establishing a local property tax homestead exemption. INEXPEDIENT TO LEGISLATE.

This bill would aim to provide an exemption of the assessed value of the residential real estate in the amount of \$500 for every property in which the owner resides. A municipality may opt out of this exemption by a 2/3 vote.

Except for the sponsor, all those testifying were opposed to this legislation. The Committee felt this bill: 1) represents a major policy shift in adoption procedure since the exemption would occur automatically unless the legislative body votes by 2/3 to opt out; 2) pushes more of the property tax burden on non-residential taxpayers; 3) and, in the judgment of the Committee this bill may in fact be a violation of Article 28-a of the New Hampshire Constitution. Vote 15-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 230**, relative to the amount and the application of the veterans' exemption and repealing the optional veterans' exemption. INEXPEDIENT TO LEGISLATE.

The Committee feels that this may be a mandated piece of legislation which would violate the prohibitions of Article 28-a. The Committee also feels this would repeal previous voluntary legislation passed in last year's session. It would also be a change of policy from previous veterans' exemption legislation, in that it would require a 2/3 vote of the legislative body to opt out of the mandated exemption. Vote 15-0. Rep. John S. Barnes, Jr. for Municipal and County Government.

**HB 243**, relative to the number of signatures required to place a petitioned article on the warrant. OUGHT TO PASS.

In RSA 39:3 as it currently stands, the number of signatures to place a petitioned article on the warrant is "25 or more registered voters or two percent of the registered voters in the town whichever is less..." Thus, there is no minimum number of signatures required and this can mean, in some of our smaller towns, as few as one or two registered voters can petition a town meeting.

In the judgment of the Committee, this bill corrects a technical deficiency in that it will now be required that at least 10 signatures of registered voters be obtained to petition for a warrant article.

This bill does not alter the present requirement of RSA 39:3. Vote 14-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 163**, permitting consideration of annulled criminal records in the hiring and certification process for law enforcement officers. INEXPEDIENT TO LEGISLATE.

The Committee feels that enactment of this legislation would open the door to employers of prospective school teachers and school employees, security guards, armored car drivers and attendants, day care employees, etc. to request access to the annulled criminal records of job applicants. The courts would be extremely reluctant to grant access to annulled records on such a wholesale basis. Vote 17-0. Rep. Jeffrey M. Brown for Public Protection and Veterans Affairs.

**HB 453-FN**, authorizing the use of green emergency lights by licensed security agencies or other authorized persons. INEXPEDIENT TO LEGISLATE.

Enactment of this legislation would open the door to requests from a large number of "emergency type activities and persons" to be permitted similar type lights, with many different colors, for their vehicles for easy identification and passage through police and fire lines. It is entirely possible that electricians, plumbers, elevator and refrigeration mechanics and similar craftspersons would request colored lights in a wide variety of hues. The Committee felt that a proliferation of vehicles bearing various hues of colored lights would reduce the effectiveness of identification of those vehicles presently permitted the use of such lights for easy identification. Vote 11-0. Rep. David A. Welch for Public Protection and Veterans Affairs.

**HB 352-FN**, relative to the oil discharge and disposal cleanup fund. OUGHT TO PASS WITH AMENDMENT.

The bill clarifies what expenses are eligible for reimbursement through the fund. It also allows the Oil Fund Disbursement Board to employ legal counsel, with the approval of Governor and Council, to assist in its duty. The amendment clarifies wording in the bill. Vote 15-0. Rep. Mary Ann Lewis for Resources, Recreation and Development.

### Amendment

Amend RSA 146-D:2, III as inserted by section 1 of the bill by replacing it with the following:

III. "Oil" means gasoline and diesel products *for purposes of collection of fees under RSA 146-D:3, and shall mean "oil" as defined under RSA 146-C:1, XII, for purposes of reimbursement of costs for cleanup and third party damages resulting from a discharge. For the purposes of collecting fees under RSA 146-D:3, the term "oil" shall not include natural gas, liquefied petroleum gas, or synthetic natural gas, regardless of derivation or source, or any oil or diesel products used for heating, processing, or generating electricity.*

**HB 493-FN**, relative to the design review fees for sewerage and wastewater projects. OUGHT TO PASS.

The Committee unanimously supports this bill. There was no opposition to this bill and with the Department of Environmental Services experience of flow records, the Department requested this fee be reduced. Vote 14-0. Rep. Mildred A. Beach for Resources, Recreation and Development.

**HB 100**, clarifying when a school bus driver must pull over to let other drivers pass. OUGHT TO PASS WITH AMENDMENT.

This bill specifies the number of vehicles and the conditions that must be safely complied with by the driver of the bus. Vote 14-1. Rep. Richard L. Haynes for Transportation.

### Amendment

Amend RSA 265:54, II as inserted by section 1 of the bill by replacing it with the following:

II. [Whenever road conditions and space permit and whenever the number of vehicles following a moving school bus is 5 or more, the] *The driver* of [the] *any* school bus *who is driving along a school bus route* shall pull over [and let the] *whenever conditions permit to allow 3 or more* following vehicles *to* pass. A driver passing the school bus must do so without driving any part of his vehicle to the left of or across any unbroken painted line marked on the highway.

### AMENDED ANALYSIS

This bill requires any driver of a school bus to pull over and let vehicles pass when at least 3 vehicles are following the school bus along a school bus route.

### REMOVED FROM THE TABLE

Rep. Hager moved that HB 50-FN-A, relative to state revenue and expenditures, be removed from the table. (Pending question: Ought to Pass with Amendment)

Adopted.

The Committee withdrew the pending amendment.

**HB 50-FN-A**, relative to state revenue and expenditures. OUGHT TO PASS WITH AMENDMENT.

This floor amendment contains all the language in the original amendment to HB 50 and subsequent updates. It contains needed money to fund current obligations of the state and some of the revenue adjustments to meet those needs. In addition it contains the employee furlough plan proposed by the Governor. Vote 15-5. Rep. Elizabeth S. Hager for Appropriations.

The Appropriations Committee offered a floor amendment:

### Floor Amendment

The Amendment was printed in its entirety in House Record No. 25 of February 20, 1991.

Rep. Hager requested that HB 50-FN-A be divided into four parts: sections 6 and 11; 8 and 9; 1 through 5, 7 and 12; and 10 for the purpose of voting.

The Chair ruled the amendment was so divisible.

Rep. Chambers spoke against sections 6 and 11 and yielded to questions.

Reps. LaMott and Hager spoke in favor and yielded to questions..

Roll call request sufficiently seconded.

The question being on sections 6 and 11.

and HB 50 was ordered to third reading.

**SPECIAL ORDER**

Reps. Gross and Chambers moved that the bills on the day's Regular Calendar, as listed below, be made a special order for Tuesday, March 5, 1991.

**CACR 2**, relating to biennial legislative session. Providing that the general court shall meet biennially.

**CACR 4**, relating to voter initiative and referendum. Providing that statutes and constitutional amendments may be proposed, approved or rejected by citizen petition to the secretary of state.

**HB 105**, making English the official language of the state of New Hampshire.

**HB 216-FN**, prohibiting the use of non-biodegradable packaging for bait containers.

**HB 191-FN**, relative to licensing gas fitters.

**HB 249-FN**, requiring the state of New Hampshire to make timely payments on its contracts.

**HB 260-FN**, relative to the property tax exemption for the blind on their residential real estate.

**HB 271-FN**, to study the purchasing policies of the technical institute and the technical colleges.

**HB 354-FN-A**, relative to expanding the state employee assistance program and making an appropriation therefor.

**HB 157-FN**, relative to designating trauma care centers.

**HB 162-FN**, extending the committee studying a statewide trauma care system.

**HB 203-FN**, relative to the confidentiality of quality assurance records of community mental health centers.

**HB 209-FN**, relative to conflicts between the municipal budget law and collective bargaining negotiations.

**HB 365-FN**, relative to veterans' benefits for certain veterans of World War II.

Adopted.

### REGULAR CALENDAR

**HB 428-FN**, relative to the enforcement and administration of state taxes by the department of revenue administration. **OUGHT TO PASS WITH AMENDMENT.**

This bill is the result of more than two years work by the Department of Revenue Administration and a year of work and hearings by the Committee. It pulls together and standardizes the language of the various taxing statutes with respect to appeals and administrative procedure for the resolution of tax problems and controversies. Additionally, it clarifies and strengthens penalty provisions to provide the tools to deal with the small portion of taxpayers who are not obeying the law. This bill only alters or changes as much of the substance of the current statute necessary to achieve these goals. It is estimated that increased compliance will augment the general fund by more than two million dollars annually. Additionally, this bill contains a taxpayer Bill of Rights Vote 16-0. Rep. Robert C. Hayes for Ways and Means.

### Amendment

Amend RSA 21-J:28-a, IV as inserted by section 5 of the bill by replacing it with the following:

IV. In the case of any refund or credit of overpayment of taxes administered by the department, the department shall apply the refund or credit as an offset to any liability with respect to any tax administered by the department. The department shall notify the taxpayer in the event of any such offset in tax.

Amend RSA 21-J:28-b, VI as inserted by section 5 of the bill by replacing it with the following:

VI. The board or court may grant such relief as may be just and equitable and may order the state treasurer to pay the taxpayer the amount of relief granted with interest at the rate established under RSA 21-J:28. Upon all appeals which are denied, costs and attorney's fees may be taxed against the taxpayer at the discretion of the board or court; but the board or court may not tax costs against the state.

Amend RSA 21-J:29, II(b) as inserted by section 6 of the bill by replacing it with the following:

(b) In the case of a willful attempt in any manner to evade any tax administered by the department, the tax may be assessed at any time.

Amend RSA 21-J:39, II(a) as inserted by section 11 of the bill by replacing it with the following:

(a) Willfully attempt in any manner to evade any tax or the payment thereof;

Amend RSA 21-J:39, II(g) as inserted by section 11 of the bill by replacing it with the following:

(g) Willfully remove, deposit, or conceal, or be concerned with removing, depositing, or concealing any goods, chattels, or commodities for or in respect to any

tax which is or is to be imposed, or any property upon which levy or distraint is authorized by RSA 80 or RSA 21-J with intent to evade the assessment or collection of any tax;

Amend introductory paragraph 21-J:39, II(i) as inserted by section 11 of the bill by replacing it with the following:

(i) With intent to defraud or willfully attempt to evade the tax:

Amend the bill by replacing section 21 with the following:

21 Taxpayer Records; Failure to Make Available for Inspection. Amend RSA 77-A:11, III to read as follows:

III. Make such records available for inspection by the commissioner or his authorized agents, upon demand, at reasonable times during regular business hours. Whoever violates the provisions of this section shall be [guilty of a misdemeanor if a natural person, or guilty of a felony if any other person] *subject to the penalties imposed under RSA 21-J:39.*

Amend the bill by replacing section 42 with the following:

42 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill amends existing state tax laws which are enforced by the department of revenue administration by amending existing and adding new civil and criminal penalties. The bill:

(1) Adds new provisions to protect the rights, privacy, and property of taxpayers during the administrative process of assessing and collecting taxes.

(2) Adds new duties for the commissioner of revenue administration.

(3) Clarifies the time for making returns and declarations.

(4) Adds new provisions for refunds and credits, and revises provisions for late payment charges.

(5) Adds new provisions for an appeal procedure to redetermine or reconsider taxes assessed.

(6) Adds new provisions concerning liens and a 3-year statute of limitations.

(7) Adds new criminal penalties by: (a) employing the term "willfully"; (b) penalizing tax evaders; (c) penalizing persons who make false declarations in returns or reports; (d) penalizing tax preparers who fail to turn moneys over to the state; (e) penalizing persons who knowingly operate without obtaining necessary licenses; and (f) amending certain fine and penalty provisions.

Adopted.

Report adopted.

Ordered to third reading.

#### (Deputy Speaker Michael Hill in the Chair)

**HB 593-FN-A**, relative to the rate of the business profits tax. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 593 represents the principal component of a revised revenue package in support of the supplemental budget, HB 50 as amended. The Committee continues to believe that business taxes - which were not directly increased last year - are the least objectionable means to increase revenues in the few remaining months of FY 91.

The amendment extends the one percent Business Profits Tax surcharge from 12 to 24 months and incorporates the Business Tax originally developed in HB 592 at the decreased rate of \$100 per year. The Committee pledges to develop a proposal for the

1991 session which will reform business taxes, making them more wisely and fairly applied.

During FY 91, the bill as amended, is estimated to raise \$5.1 million from the BPT surcharge and \$5.3 million from the Business Tax. The FN calls for state expenditures of \$50,000 in FY 91. Vote 13-6. Rep. Robert C. Hayes for Ways and Means.

### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to the rate of the business profits tax and  
imposing a single assessment business tax  
and making an appropriation therefor.

Amend paragraph II of section 3 of the bill by replacing it with the following:

II. Continue for one year from the effective date of this act.

Amend the bill by replacing all after section 3 with the following:

4 Legislative Intent. By the enactment of sections 4-11 of this act, the general court intends to exercise its authority under Part II, Article 6 of the New Hampshire constitution, to raise a portion of the public charges of government by taxation upon polls, that is, to levy a poll tax of a fixed amount on every person of the class specified in section 5 of this act. The general court further intends to exercise its discretion as to the persons who should be taxed for their polls, and to levy such a tax proportionally and reasonably on all such persons within the designated class, defined in section 5 of this act as business organizations. The general court determines that business organizations have distinctive characteristics and carry on activities which draw distinctive benefits from and impose distinctive burdens upon the operations of government. The general court does not intend by this enactment to levy a tax on property, nor to exact a fee for a special privilege or for special regulatory activity.

5 Business Tax Imposed upon Business Organizations. A tax of \$100 shall be assessed upon every business organization, as defined in RSA 77-A:1, I, with gross business income in excess of \$12,000.

6 Payment. The tax imposed by section 5 of this act shall be assessed on a one-time basis only, and is due and payable on June 1, 1991.

7 Informational Filing. Each business organization subject to section 5 of this act shall provide to the commissioner of revenue administration, at a minimum, the following:

I. The name and tax identification number (T.I.N.) of the business organization.

II. Any other names or trade names the business organization may use in conducting business within this state or which it uses in filing tax returns relative to conducting business in this state.

III. The address of the principal office of the business organization within this state.

IV. A brief statement of the purpose for which the business organization is organized, including the Standard Industrial Classification System (SIC code).

8 Interest; Penalties. Any business organization which fails to make the payment with a return as required by sections 5-7 of this act when due shall pay interest and penalties as prescribed in RSA 21-J.

9 Administration.

I. The commissioner of revenue administration shall collect the taxes, interest, additions to tax and penalties imposed under sections 4-11 of this act.

II. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, additions to tax or the penalties imposed by sections 4-11 of this act.

III. In the collection of the tax imposed by section 5 of this act, the commissioner may use all of the powers granted to tax collectors under RSA 80 for the collection of taxes, except that the tax imposed by section 5 of this act shall not take precedence over prior recorded mortgages. The commissioner shall also have all of the duties imposed upon the tax collectors by RSA 80 that are applicable to him. The provisions of RSA 80:26 apply to the sale of land for the payment of taxes due under section 5 of this act, and the state treasurer is authorized to purchase the land for the state. If the state purchases the land, the state treasurer shall certify the purchase to the governor, and the governor shall draw his warrant for the purchase price out of any money in the treasury not otherwise appropriated.

10 Business Organizations Discontinuing Business. No business organization may be dissolved or discontinue doing business in the state until all taxes and interest imposed upon the business organization under sections 4-11 of this act.

11 Lien for Tax. No lien upon real estate for taxes imposed by section 5 of this act is valid and binding against any person other than the taxpayer until notice of such lien stating the name and address of the taxpayer and the amount of the tax due shall have been filed and recorded in the registry of deeds in the grantor index in the county in which such real estate is located. Notwithstanding the provisions of any other law, the lien shall continue and shall be valid and binding until the liability for the sum, with interest and costs, is satisfied or becomes unenforceable.

12 Supplemental Appropriation; Department of Revenue Administration. In addition to any other sums appropriated to the department of revenue administration, the sum of \$50,000 is hereby appropriated for the biennium ending June 30, 1991, for the purposes of administering sections 4-11 of this act. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

13 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill provides that the business profits tax shall be imposed at the rate of 9 percent for a period of one year beginning on the effective date of the bill.

This bill also levies a poll tax of \$100 on every business organization with gross business income in excess of \$12,000. The tax is imposed on a one-time basis only on June 1, 1991.

The bill makes a supplemental appropriation of \$50,000 to the department of revenue administration for the biennium ending June 30, 1991, for the purpose of administering the new business tax.

Rep. Hayes spoke in favor of the amendment and yielded to questions.

Rep. Pantelakos spoke against.

Rep. Jasper spoke in favor.

Rep. Domaingue spoke against and yielded to questions.

Rep. Lozeau spoke against.

Rep. Kurk spoke in favor.

Reps. Coffey and Barnes spoke against.

**(Speaker Burns in the Chair)**

Rep. Donna Sytek spoke in favor.

Roll call request sufficiently seconded.

The question being on the adoption of the amendment.

and the bill was ordered to third reading.

Rep. Lozeau abstained from voting under Rule 16.

Rep. Asplund notified the Clerk that she wished to be recorded in favor of the bill.

Rep. Jacobson notified the Clerk that he wished to be recorded in opposition to the bill.

**RESOLUTION**

Rep. Gross offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, March 5, 1991 at 1:00 p.m.

Adopted.

**SENATE MESSAGE****REQUESTS CONCURRENCE WITH AMENDMENT**

**HB 51**, relative to the normal contribution rate for retirement system members and establishing a committee to study retirement system benefits and making an appropriation therefor.

Rep. Ward moved that the House concur and yielded to questions.

On a division vote, 253 members having voted in the affirmative and 92 in the negative, the House concurred.

**RECOMMITMENT**

Rep. Martling moved that HB 182, authorizing the interception of wire or oral communications regarding securities crimes, be recommitted to the Committee on Judiciary and spoke to his motion.

Adopted.

**REVENUE ESTIMATES**

Rep. Donna Sytek addressed the House on monthly revenue estimates.

**LATE SESSION****Third reading and final passage**

**HB 185**, relative to certain security transactions exempted from registration.

**HB 186**, relative to isolated sales of securities.

**HB 187**, including agents of investment advisors in the definition of "agent" under the securities laws.

**HB 188**, clarifying definitions of "investment metal contract" and "investment gem contract" for purposes of securities regulation.

**HB 333**, relative to notification of insurance cancellation.

**HB 166**, relative to voting in cooperative school districts.

**HB 202-FN**, to extend the time period within which a corporation may reinstate its charter, relative to revival of charters of voluntary corporations, and reviving the charter of the Bristol Federated Church.

**HB 361**, repealing certain obsolete education laws.

**HB 290-FN**, relative to the sale of hunting licenses.

**HB 325-FN**, relative to reciprocity of dog training.

**HB 179**, relative to authorization of treatment for communicable diseases.

**HB 213-FN**, relative to rates set for medicaid and the administrative procedure act.

**HB 221-FN**, relative to respite care for Alzheimer's disease.

**HB 255-FN**, establishing the New Hampshire foundation for mental health and the mental health foundation fund.

**HB 130-FN**, relative to mass transportation in certain cities.

**HB 168**, relative to highway classifications.

**HB 243**, relative to the number of signatures required to place a petitioned article on the warrant.

**HB 352-FN**, relative to the oil discharge and disposal cleanup fund.

**HB 493-FN**, relative to the design review fees for sewerage and wastewater projects.

**HB 100**, clarifying when a school bus driver must pull over to let other drivers pass.

**HB 50-FN-A**, relative to state revenue and expenditures.

**HB 428-FN**, relative to the enforcement and administration of state taxes by the department of revenue administration.

**HB 593-FN-A**, relative to the rate of the business profits tax.

Rep. Ann Torr moved that the House stand in recess for the purpose of introduction of bills and enrolling reports only.

Adopted.

The House recessed at 5:55 p.m.

**RECESS**

**(Rep. Ann Torr in the Chair)**  
**SENATE MESSAGES**  
**REQUESTS CONCURRENCE**

**SB 119-FN**, relative to the business profits tax, the real estate transfer tax, and the communications services tax.

**SB 29-FN-A**, establishing a legislative ethics committee.

Rep. Grodin offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, Senate Bills numbered 119 and 29 shall be by this resolution read a first and second time by the therein listed title, and referred to the therein designated committees.

Adopted.

**INTRODUCTION OF SENATE BILLS**

Rep. Michael Hill moved that the House adjourn.

Adopted.

**HOUSE JOURNAL No. 8**

Tuesday, March 5, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Almighty God, God of power and of peace, by whose word the universe is molded and under whose providence human life is lived out, we praise You this day for peace in the Middle East. We pray for the families of loved ones lost through battle or accident, as we are especially mindful of the losses the people of our own state have suffered. And we ask that the members of all the military forces and all hostages be returned safely to their loved ones. Help us now, even in the midst of so much that is happening in Your world, to center our thoughts and hearts upon the work before us. At every juncture, help us to understand how what is said and what is done impacts upon not only the communities we represent, but upon all New Hampshire's citizens. Be with each member now that each will seek to do that which is right in Your sight. Amen.

Rep. Gabrielle Gagnon led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Eunice Campbell, Bernard, Feuerstein, Harland, Domini, Eugene Gagnon, Parr, C. Fitzgerald Buckley, Flanagan, Leclerc, Eugene Clark, Swope, Irene Pratt, Whitcomb, Elizabeth Greene and Elliott, the day, illness.

Reps. Steiner, Scanlan, David Young (military service) and Dyer, the day, important business.

Rep. Chase, the day, death in the family.

Rep. Keith, Holmes and Metzger, the day, illness in the family.

**INTRODUCTION OF GUESTS**

Manson Donaghey and Floyd Smith, guests of Rep. Fair. Val Poulson, guest of Rep. Whittemore.

**ENROLLED BILLS REPORT**

**HB 51**, relative to the normal contribution rate for retirement system members and establishing a committee to study retirement system benefits and making an appropriation therefor.

Rep. Miriam D. Dunn,  
Sen. David P. Currier  
for the Committee

**VACATE**

Rep. Martling moved that the House vacate the reference of **HB 607**, permitting actions for damages resulting from violations of unemployment and workers' compensation laws by bidders on construction contracts to the Committee on Judiciary.

Adopted and referred to Labor, Industrial and Rehabilitative Services.

### EXTENSIONS

The Committee on State Institutions requested a 14-calendar-day extension on HB 155, relative to notice to tenants of manufactured housing park foreclosure.

The Committee on State Institutions requested a 14-calendar-day extension on HB 695, relative to the establishment and funding of a review board to address grievances of tenants and owners of manufactured housing parks.

Granted.

### SPECIAL ORDERS

**CACR 2**, relating to biennial legislative session. Providing that the general court shall meet biennially. RE-REFER TO COMMITTEE.

CACR 2, if adopted, would put the question of annual sessions back to the voters in 1992. The Committee would like the opportunity to further study this issue. Vote 9-1. Rep. Carol H. Holden for Constitutional and Statutory Revision.

Rep. Jacobson spoke to the Committee report.

Rep. John Flanders spoke in favor.

Re-referred to Committee.

**CACR 4**, relating to voter initiative and referendum. Providing that statutes and constitutional amendments may be proposed, approved or rejected by citizen petition to the secretary of state. INEXPEDIENT TO LEGISLATE.

This CACR would provide that statutes and constitutional amendments may be proposed, approved or rejected by citizen petition to the Secretary of State. The Committee felt this CACR was not needed at this time. Vote 8-2. Rep. Norman B. Lawrence for Constitutional and Statutory Revision.

Adopted.

**HB 105**, making English the official language of the state of New Hampshire. INEXPEDIENT TO LEGISLATE.

RSA 189:19 currently states that for instruction of children in both the public and private schools "the English language shall be used exclusively." A Subcommittee of the House Education Committee was set up to hear additional testimony on this bill. The Subcommittee, after hearing an additional 2-1/2 hours of public testimony and considering a suggested amendment, agreed that there was no demonstrable need for this bill and that, in fact, it could have an adverse effect by "sending the wrong message" in an economic atmosphere that encourages international trade. Vote 15-3. Rep. Jacquelyn M. Domaingue for Education.

Rep. Weyler moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke to his motion and yielded to questions.

Reps. Carter and Domaingue spoke in favor of the Committee report and yielded to questions.

Rep. Scott Green spoke in favor.

Rep. Guay spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

Lindblade, Eric N.

Schotanus, Merle W.

**HB 271-FN**, to study the purchasing policies of the technical institute and the technical colleges. **OUGHT TO PASS WITH AMENDMENT.**

Serious delays in purchasing have occurred in our technical institutes and colleges. These institutions have been unable to maintain a sensible policy of competitive bidding because the purchasing has been tied to the bureaucratic state system. This bill to create a study committee is the first step in solving the present costly and inefficient system. No appropriation of funds is required. Only travel costs are involved for the two members of the Legislature. Vote 20-0. Rep. Robert H. Guest for Education. (Taken off consent 2/21/91, Rep. Skinner)

**Amendment**

Amend paragraph VI of section 1 of the bill by replacing it with the following:

VI. Two members of the public, appointed by the governor, one of whom shall be qualified in all phases of purchasing.

Adopted.

Rep. Guest offered a floor amendment.

**Floor Amendment**

Amend the bill by replacing section 3 with the following:

3 Report. The committee shall submit a report on its findings, including recommendations for legislation, to the chairpersons of both the house and senate education committees, the speaker of the house, the senate president, and the governor, on or before November 1, 1991.

Rep. Skinner spoke in favor.

Adopted.

Report adopted.

Ordered to third reading.

**HB 216-FN**, prohibiting the use of non-biodegradable packaging for bait containers. **INEXPEDIENT TO LEGISLATE.**

The Committee felt there was no convincing testimony that this was a serious state-wide problem needing to be addressed. Furthermore, the cost of enforcement far exceeds our present fiscal situation. Presently, most plastic items are being addressed at the local level through recycling. Vote 15-0. Rep. Nancy L. Tarpley for Environment and Agriculture.

Adopted.

**HB 191-FN**, relative to licensing gas fitters. **INEXPEDIENT TO LEGISLATE.**

This bill would not add to any safety issue. It was not supported by the New Hampshire Licensed Plumbers Association or any gas utilities. In large cities this work can be checked by building inspectors. In small towns the work can be checked by the fire chief, his designee or the Office of the Fire Marshal. Vote 15-1. Rep. Gerald O. Gosselin for Executive Departments and Administration.

Adopted.

**HB 249-FN**, requiring the state of New Hampshire to make timely payments on its contracts. **INEXPEDIENT TO LEGISLATE**.

This bill is laudable in its intent; however, the Committee cannot justify the additional expenses to penalize the general fund for the delays in paying bills over which the Treasurer has no control. Vote 14-2. Rep. Kathleen W. Ward for Executive Departments and Administration.

Rep. Copenhaver spoke against the Committee report.

Adopted.

**HB 354-FN-A**, relative to expanding the state employee assistance program and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE**.

The Committee felt that although there was merit to the program, funding is not available and this issue may better be dealt with in the negotiation process. The FN would call for state expenditures of \$25,388 in FY92 and \$26,446 in FY93. Vote 11-4. Rep. Robert L. Wheeler for Executive Departments and Administration.

Adopted.

**HB 157-FN**, relative to designating trauma care centers. **OUGHT TO PASS**.

Intense discussion in Committee determined that the current volunteer designation of "trauma centers" needs to be formalized. The designated committee will consist of qualified members of New Hampshire's medical community and draw upon the criteria established by the American College of Surgeons and the American College of Emergency Physicians. This bill is a logical succession to HB 162, which continues the study of a statewide trauma care system. Vote 9-3. Rep. Eleanor H. Amidon for Health, Human Services and Elderly Affairs.

Adopted.

Referred to Appropriations.

Rep. Michael Hill abstained from voting under Rule 16.

**HB 162-FN**, extending the committee studying a statewide trauma care system. **OUGHT TO PASS**.

House Bill 162 would enable the committee established in 1990 to complete its charge. During its ten meetings, the Committee was able to develop legislative proposals for two of the eight areas which it was required to study. Coming before the House for action this year are bills dealing with the designation and accreditation of trauma centers and with the procedures for data collection and analysis of such data.

The passage of this bill would enable the Committee to study the following six areas: procedures to prevent trauma; the education and training of appropriate staff members; standards for establishing facilities, equipment and personnel; standards for triage and transportation of victims; procedures for quality assurance; procedures for improving public access to services and public communication. Vote 14-3. Rep. Katherine W. Wheeler for Health, Human Services and Elderly Affairs.

Rep. Robert Foster offered a floor amendment.

#### **Floor Amendment**

Amend 1990, 99:4, II as inserted by section 4 of the bill replacing it with the following:

II. The committee shall report its findings and recommendations to the speaker of the house, president of the senate and the governor no later than [December] **Novem-**

ber 1, [1990] 1992, with any proposed legislation for the [1991] 1993 legislative session.

#### AMENDED ANALYSIS

This bill extends the committee studying the development, implementation and maintenance of a statewide trauma care system.

The bill requires the committee to submit a report with its recommendations for proposed legislation to the speaker of the house, the senate president, and the governor no later than November 1, 1992.

Adopted.

Ordered to third reading.

**HB 203-FN**, relative to the confidentiality of quality assurance records of community mental health centers. OUGHT TO PASS.

The bill had been requested by the Mental Health Community Agencies to permit professional discussions regarding treatment plans to enhance patient care. As hospitals in the state have the freedom to discuss diagnosis and treatment without having every expressed thought subject to possible litigation, the community mental health centers are asking for the same professional freedom. This in no way prohibits the client's (patient's) record from being presented in court for judicial process. Three members volunteered their positive feelings after serving on a quality assurance committee. Vote 10-4. Rep. Katherine D. Foster for Health, Human Services and Elderly Affairs.

Adopted.

Ordered to third reading.

**HB 209-FN**, relative to conflicts between the municipal budget law and collective bargaining negotiations. OUGHT TO PASS WITH AMENDMENT.

This legislation addresses the long-existing conflict between Municipal Budget Law and Collective Bargaining Negotiations. However, it does not completely eliminate some unsettled reservations relating to RSA 32:8 and the 10% rule of the Municipal Budget Law.

This legislation sets a vehicle in motion to bring a clearer view, and explanation of RSA 32:8-a in a comprehensive working solution with RSA 273-A. Its principal effect will be to protect some budget committees from being sued for doing their job. Vote 15-0. Rep. Paul A. Golden for Municipal and County Government.

#### Amendment

Amend the bill by replacing section 1 with the following:

1 New Section; Collective Bargaining Agreements. Amend RSA 32 by inserting after section 8 the following new section:

32:8-a Collective Bargaining Agreements. Whenever items or portions of items in a proposed budget constitute appropriations whose purpose is to implement cost items of a collective bargaining agreement negotiated pursuant to RSA 273-A, either previously ratified or concurrently being submitted for ratification by the legislative body, or whose purpose is to implement the recommendations of a neutral party in the case of a dispute, as provided in RSA 273-A:12, such items shall be submitted to the budget committee and considered in its budget preparation under RSA 32:5. Such appropriations shall be submitted to the legislative body and shall include a statement of the governing body's recommendation, and a separate statement of the budget committee's recommendation. Such appropriations shall be exempt from the 10 per-

cent limitation on appropriations set forth in RSA 32:8. The failure of the budget committee to recommend any portion of such appropriations shall not be deemed an unfair labor practice under RSA 273-A.

Adopted.

Report adopted.

Ordered to third reading.

**HB 260-FN**, relative to the property tax exemption for the blind on their residential real estate. **INEXPEDIENT TO LEGISLATE.**

Disabilities come in many forms. Being blind is one. Exemptions should be given on a basis of equal treatment and need. One major fault of this bill is that there is no means test, meaning no statement of need. This bill proposed a standard exemption for one type of disability and a 60% assessed valuation reduction for the other. That is not consistent with equal treatment as required by the Constitution. Vote 14-0. Rep. John A. Middleton for Municipal and County Government. (Removed from consent 2/21/91, Rep. Daniel Healy)

Rep. Daniel Healy moved that HB 260 be recommitted, and spoke to his motion.

Rep. Grodin spoke in favor.

Recommitted to Committee.

**HB 365-FN**, relative to veterans' benefits for certain veterans of World War II. **INEXPEDIENT TO LEGISLATE.**

RSA 115:6 prescribes that the New Hampshire State Veterans Council shall provide all New Hampshire veterans with the guidance and assistance that is necessary so that all veterans may receive all the benefits due them. Those persons who served as merchant marine seamen or who were crew members on US Army and Navy transports during World War II are now deemed to be "veterans of WW II," and eligible for all benefits, in accordance with a recent federal determination. As WW II veterans they shall have the full support of the State Veterans Council in seeking the benefits due them. Based on the foregoing, the Committee felt that there was no need for this legislation. Vote 16-1. Rep. Francis C. Vincent for Public Protection and Veterans Affairs.

Rep. Searles moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke to his motion.

Rep. Benton spoke against.

Rep. Nielsen spoke in favor and yielded to questions.

Rep. Fields spoke against and yielded to questions.

Rep. Lefebvre spoke in favor and yielded to questions.

The motion lost.

Report adopted.

### COMMITTEE REPORTS CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**HB 420**, restricting state lottery television advertising to certain hours, was removed at the request of Rep. Arnesen.

**HB 206**, relative to OHRV noise levels was removed at the request of Rep. Hoar.  
Consent Calendar adopted.

**HB 330-FN**, establishing a committee to study the issue of an office of the ombudsman for children. OUGHT TO PASS WITH AMENDMENT.

This bill forms a committee which will determine the feasibility of an office of ombudsman for children's matters. This emanates from hearings held on committees created by HB 262, Chapter 395, Laws of 1990. The amendment extends the reporting date of another child study committee. Vote 13-0. Rep. William F. McCain for Children, Youth and Juvenile Justice.

#### Amendment

Amend the bill by replacing section 3 with the following:

3 Report. The committee shall submit a report on its findings and recommendations for legislation, including proposed legislation establishing an office of ombudsman for children, to the speaker of the house, the senate president, and the governor, on or before November 1, 1991.

1 Amend the bill by inserting after section 4 the following and renumbering the original section 5 to read as 6:

5 Report Date Changed. Amend 1990, 142:6 to read as follows:

142:6 Report. The committee shall prepare an interim report on its progress 6 months after the effective date of this act, and shall prepare a final report [within one year of the effective date of this act] *on or before November 1, 1991*. The committee shall submit such reports to the speaker of the house, the senate president, and the governor.

**HB 224-FN**, relative to new motor vehicle arbitration. OUGHT TO PASS WITH AMENDMENT.

This bill establishes procedures for new motor vehicle arbitration between manufacturers and distributors, and new vehicle owners' procedures for obtaining a refund or replacement. This bill is the result of a study committee bill. Vote 14-0. Rep. Lawrence J. Guay for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend RSA 357-D:2, III as inserted by section 1 of the bill by replacing it with the following:

III. "Consumer" means the purchaser, other than for purposes of resale of a new motor vehicle; the lessee of a new motor vehicle, other than for the purpose of sublease; any person to whom such motor vehicle is transferred during the duration of an express warranty applicable to the motor vehicle; or any other person entitled by the terms of the warranty to enforce the obligations of the warranty. "Consumer" shall not include any governmental entity.

Amend RSA 357-D:2, X(a) as inserted by section 1 of the bill by replacing it with the following:

X. "Motor vehicle" means:

(a) A motor vehicle, as defined in RSA 259:60, of the private passenger or station wagon type that is purchased or leased by a consumer; or

Amend RSA 357-D:5 as inserted by section 1 of the bill by replacing it with the following:

357-D:5 New Motor Vehicle Arbitration Board Established; Administrative Attachment; Rulemaking; Decisions.

I. There is created a New Hampshire new motor vehicle arbitration board consisting of 5 members and 2 alternate members to be appointed by the governor and council. Terms of members shall be for 3 years. Board members may be appointed for no more than 2 terms. One member of the board shall be a new car dealer in New Hampshire, one member and one alternate shall be persons knowledgeable in automobile mechanics, and 3 members and one alternate shall be persons who represent consumers and have no direct involvement in the design, manufacture, distributions, sales or service of motor vehicles or their parts. Three members of the board shall constitute a quorum. Members shall be paid \$50 per diem plus mileage.

II. The board shall be administratively attached to the department of safety under RSA 21-G:10.

III. The board shall adopt rules, pursuant to RSA 541-A, to implement the provisions of this chapter.

IV. The board shall render a decision within 40 days of receipt of a complaint, unless an extension of time has been granted by the board under RSA 357-D:4, IV, and shall have the authority to issue only damages as are provided by this chapter.

Amend RSA 357-D:9 as inserted by section 1 of the bill by replacing it with the following:

357-D:9 Notification to Consumers; Rulemaking by Department of Justice. Beginning with the model year following July 1, 1992, the manufacturer of every motor vehicle sold in this state shall provide a clear and conspicuous written notice of the consumer's rights under this chapter as provided under RSA 357-D:4 at the time of the delivery of every such new motor vehicle in this state. The manufacturer shall provide the consumer with a self-addressed notice in a form developed in accordance with rules adopted by the department of justice under RSA 541-A and sufficient to notify the manufacturer of the consumer's election to proceed under this chapter. The manufacturer shall not delegate this responsibility to its authorized dealers. The manufacturer of every new motor vehicle sold in this state shall also provide a clear and conspicuous notice that informs consumers of their rights under this chapter.

**HB 235-FN**, relative to mandatory risk sharing plans. INEXPEDIENT TO LEGISLATE.

This bill would affect a present New Hampshire Department of Insurance rule, which allows assessment of liability premiums to address the pre-1986 deficit in the New Hampshire Medical Malpractice Joint Underwriting Association. The proponents of this bill argue that the medical liability deficit should be borne specifically by the medical liability line of insurance with which the Medical Malpractice Joint Underwriting Association deals. The opponents of the bill argue that the cost of the deficit must be spread broadly and that the base of medical liability insurance is not sufficiently broad to bear the burden of the deficit. Because the Committee found no substantially compelling basis for this legislation in that no one can assume that actual assessment will occur, the Committee recommends that this be Inexpedient to Legislate. Vote 16-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**HB 573**, relative to unauthorized insurance. OUGHT TO PASS.

The bill provides that any person who directly or indirectly aids in the development, marketing or administration of an unenforceable, unauthorized line of insurance in this state shall be liable to the insured for the full amount recoverable under the insurance contract as written. The current law specifies liability only for procure-

ment in such cases. The bill was requested by the Insurance Department. Vote 14-0. Rep. Lawrence J. Guay for Commerce, Small Business and Consumer Affairs.

Rep. Fair refrained from voting under Rule 16.

**HB 141-FN**, relative to limiting the mode of taking deer in Dover. OUGHT TO PASS WITH AMENDMENT.

A public hearing was held in Dover and after hearing testimony, the Committee was unanimous that adding Dover to the list of cities and towns which limit the mode of taking deer was warranted. The amendment changes the effective date to read "upon passage." Vote 13-0. Rep. Paula J. Kinney for Fish and Game.

**Amendment** Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

**HB 347**, prohibiting hunting with high-powered rifles in the city of Somersworth. OUGHT TO PASS WITH AMENDMENT.

A public hearing was held in Somersworth and the Committee unanimously approved this bill as amended. The amendment places Somersworth under RSA 208:3 along with the 44 other cities and towns. Vote 16-0. Rep. Allen R. Wiggin for Fish and Game.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

AN ACT  
restricting the taking of deer in  
the city of Somersworth.

Amend the bill by replacing all after the enacting clause with the following:

1 City of Somersworth; Taking of Deer Restricted. Amend RSA 208:3, V to read as follows:

V. Strafford County; Durham; Lee; Madbury; *Somersworth*.

2 Effective Date. This act shall take effect upon its passage.

**HB 401**, relative to conibear traps. INEXPEDIENT TO LEGISLATE.

After hearing expert and detailed testimony regarding the use and application of the "conibear" trap the Committee saw no practical need for this legislation. Vote 17-0. Rep. Joseph N. Feuer for Fish and Game.

**HB 418-FN**, relative to issuance of trapping licenses. INEXPEDIENT TO LEGISLATE.

Trapper education was one aspect of this bill and since it was passed in 1990 and went into effect January 1, 1991, the Committee felt it was too soon to repeal this educational legislation. Vote 16-0. Rep. Paula J. Kinney for Fish and Game.

**HB 288-FN**, establishing a study committee on premature births. OUGHT TO PASS WITH AMENDMENT.

It was the considered opinion of the Committee that this legislation would facilitate cooperation between the public and private sectors to address the issues surrounding premature births and to develop a plan to reduce premature births and to develop a plan to reduce prematurity rates and neonatal deaths. Vote 11-0. Rep. Margaret A. Lynch for Health, Human Services and Elderly Affairs.

### Amendment

Amend paragraph III of section 2 of the bill by replacing it with the following:

III. The chief of the bureau of maternal and child health, division of public health services, department of health and human services, or appropriate appointee.

Amend the bill by replacing section 5 with the following:

5 Duties; Report. The committee shall review the statistics relative to prematurity and any other relevant data and shall develop a prevention and early intervention strategic plan for the state which will reduce prematurity rates and neonatal deaths. The committee shall submit its report with its recommendations, together with any proposed legislation for the 1992 legislative session, to the speaker of the house, the president of the senate and the governor on or before November 1, 1991.

### AMENDED ANALYSIS

This bill establishes a committee to study the issues surrounding premature births and to develop a statewide plan to reduce prematurity rates and neonatal deaths.

The bill requires the committee to submit its report, together with proposed legislation for the 1992 legislative session, to the speaker of the house, the president of the senate and the governor on or before November 1, 1991.

**HB 138-FN**, relative to spousal support. OUGHT TO PASS WITH AMENDMENT.

This bill amends RSA 458-B:2 to include spousal support among those forms of support order which may be made subject to wage assignment. It is an important change in the laws relating to support which will significantly increase the chance of spousal support being paid. Vote 16-1. Rep. Peter Hoe Burling for Judiciary.

### Amendment

Amend RSA 458-B:3, I as inserted by section 4 of the bill by replacing it with the following:

I. The division of human services, department of health and human services, shall be the agency responsible for the administration of this chapter *for child support orders, and combination child support and spousal support orders*.

**HB 302**, relative to the losing party's payment of the prevailing party's costs in tort actions. INEXPEDIENT TO LEGISLATE.

The Committee felt that, in view of the existing protections against frivolous lawsuits, and the fact that the court may currently assess fees and costs in certain cases, the bill is unnecessary. Vote 18-0. Rep. David E. Cote for Judiciary.

**HB 301**, relative to lobbying activities by former members of the general court and former employees of the general court. INEXPEDIENT TO LEGISLATE.

The Committee believes this bill violates free speech and the right to earn a living. It does not find a conflict of interest in going from a one hundred dollar a year job to being gainfully employed. Vote 10-0. Rep. Ann M. Torr for Legislative Administration.

**HB 342-FN**, establishing a committee to plan for and commemorate the 500th anniversary celebration of Columbus Day. INEXPEDIENT TO LEGISLATE.

The Committee decided this should not be a legislative issue, but can be observed by private groups. Vote 10-0. Rep. Miriam D. Dunn for Legislative Administration.

**HB 227-A**, reappropriating funds appropriated for the Concord district court facility for off-site traffic-related improvements. **INEXPEDIENT TO LEGISLATE**.

The Court System and the State Division of Plant and Property have asked that the current funding mechanism for the new Concord District Court be left as it is. Any surplus construction dollars that may exist after the completion of the courthouse (projected to be the late autumn of 1991) may be used to furnish, and equip the new facility. It is the Committee's belief that the courthouse should be built and be made operational before the Legislature disposes of any projected surplus funds. Vote 13-3. Rep. David J. Alukonis for Public Works.

**HB 253-FN**, naming a certain segment of U.S. Route 202 the General Isaac Davis White highway. **OUGHT TO PASS**.

General Isaac Davis White, a native of Peterborough, New Hampshire had a long and distinguished Army career, culminating as Commander-in-Chief, U.S. Army, Pacific. Upon retirement in 1961 he returned to Dublin where he was active in community affairs until his death in 1990. The majority of the Committee feels that it is most appropriate to memorialize him by this action in a part of the state with which he was long associated. Vote 12-4. Rep. Daniel P. McNerney for Public Works

**HB 285-A**, relative to constructing regional vocational centers and making an appropriation therefor. **RE-REFER TO COMMITTEE**.

The Committee had substantial questions regarding this bill, yet due to the great amount of concern from the public in testimony felt that the proper solution would be to study the bill further and tighten all loose ends. The bill addresses the last vocational education center in the 20-center concept. Vote 14-1. Rep. Joanne A. O'Rourke for Public Works.

**HB 324-A**, relative to highway projects and bond issuance and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**.

This bill eliminates unissued general obligation bond authorization on some highway projects and authorizes increased revenue bond issuance costs, funding debt service reserve accounts and relative cost on other highway projects. This bill clarifies certain highway project descriptions and increases cost estimates for many projects. The amendment corrects typographical errors on the bill as it was originally printed. Vote 11-0. Rep. Beaton Marsh for Public Works.

#### **Amendment**

Amend RSA 237:2, VII as inserted by section 4 of the bill by replacing it with the following:

VII. Acquire land as required and make improvements to the central New Hampshire turnpike including, but not limited to, completing the connection to the Merrimack industrial interchange, *relocation of Camp Sargent Road*, improvements to interchanges 3 through 7 as required, the extension of the system to include an easterly circumferential beltway around Nashua extending from exit 2 and running easterly through the city of Nashua and the towns of Hudson, *Litchfield*, and Merrimack to an intersection with the existing turnpike, [in the vicinity of Tinker Road] improvements and widening between interchanges 2 and 7, widening between the Route 101 intersection and the Amoskeag interchange in Manchester, coordinating a study of widening between the I-89 and I-93 interchanges, and the establishment of a toll station southbound in the vicinity of Nashua and the Massachusetts state line.

Amend the bill by replacing section 6 with the following:

6 Funds for Certain Highway Projects. Amend RSA 237:7, I(a)-(f) to read as follows:

237:7 Funds Provided.

I. The following sums are appropriated for the purpose of carrying out the projects authorized by RSA 237:2:

| Projects   | <i>Estimated</i> | Amounts       |
|--|------------------|---------------|
| (a) Improvements to the Blue Star memorial highway.<br>RSA 237:2, I.   | [\$ 42,600,000]  | \$ 43,800,000 |
| (b) Improvements and 2 lane extension of Spaulding turnpike.<br>RSA 237:2, II.   | [76,700,000]     | 43,200,000    |
| (c) Improvements to central New Hampshire turnpike.<br>RSA 237:2, III.   | 28,500,000       |               |
| (d) Construction of Dover-Somersworth interchange number 9 of Spaulding turnpike, including the access roads into and away from the Weeks traffic circle in the city of Dover.<br>RSA 237:2, II. | [2,700,000]      | 2,800,000     |
| (e) Construction and improvements to the central New Hampshire turnpike.<br>RSA 237:2, IV.   | [64,400,000]     | 126,600,000   |
| (f) Improvements to central New Hampshire turnpike.<br>RSA 237:2, V.   | [21,750,000]     | 24,100,000    |

Amend the bill by inserting after section 6 the following and remembering sections 7-13 to read as 8, 9, 10, 11, 12, 13, and 14, respectively:

7 Funds for Certain Highway Projects. Amend RSA 237:7, I(h)-(j) and II and III to read as follows:

|  |               |             |
|--|---------------|-------------|
| (h) Improvements to central New Hampshire turnpike.<br>RSA 237:2, VII.                 | [220,800,000] | 280,200,000 |
| (i) Improvements to the Spaulding turnpike Gosling Road interchange.<br>RSA 237:2, VI. | [11,000,000]  | 17,800,000  |
| (j) Study of exit 10 on Spaulding turnpike, RSA 237:2, II-a.                           | [1,000,000]   | 1,100,000   |

(k) *Toll collection equipment.*

15,000,000

RSA 237:2, VIII.

II. After *substantial* completion of the project or projects authorized by paragraph I of this section, the governor and council may transfer [any balance remaining in the appropriation] *appropriations* for such project or projects to other projects under this chapter. The appropriations made by this chapter shall be continuing appropriations and shall not lapse.

*III. Paragraph I of this section shall not limit the authority of the governor and council under RSA 237-A to provide, solely by resolutions or by trust or security agreements, without further appropriation, for application or expenditures of moneys deposited or held in funds established in connection with the issuance of revenue bonds under RSA 273-A, including without limitation the application of moneys to operate, maintain, and make improvements to the turnpike system, to pay costs of issuance of bonds including costs of traffic studies and engineering reports prepared for issuance of bonds, and to establish and maintain reserves.*

Amend the bill by replacing section 10 with the following:

10 Increasing Bond Amount. Amend RSA 237-A:2 to read as follows:

237-A:2 Issuance of Revenue Bonds. The state may issue bonds under this chapter to be known as "turnpike system revenue bonds." The bonds may be issued from time to time for the purpose of financing the project costs of construction of any turnpike or of paying or refunding any bonds issued pursuant to RSA 237 or interest thereon. Any such bonds issued to pay or refund bonds issued pursuant to RSA 237 or interest thereon may be issued in sufficient amount to cover items described in RSA 237-A:7. Bonds issued hereunder shall be special obligations of the state and the principal of, premium, if any, and interest on all bonds shall be payable solely from the particular funds provided therefor under this chapter. The bonds shall be issued by the treasurer in such amounts as the governor and council shall determine, not exceeding in the aggregate [\$500,000,000] **\$550,000,000**. Bonds of each issue shall be dated, shall bear interest at such rate or rates, including rates variable from time to time as determined by such index, banker's loan rate or other method as may be determined by the treasurer, and shall mature at such time or times as may be determined by the treasurer, except that no bond shall mature more than 40 years from the date of its issue. Bonds may be made redeemable before maturity either at the option of the state or at the option of the holder, or on the occurrence of specified events, at such price or prices and under such terms and conditions as may be fixed by the treasurer prior to the issue of bonds. The treasurer shall determine the form and details of bonds. Subject to RSA 93-A, the bonds shall be signed by the treasurer and countersigned by the governor. The bonds may be sold in such manner, either at public or private sale, for such price, at such rate or rates of interest, or at such discount in lieu of interest, as the treasurer may determine.

Amend the bill by replacing section 13 with the following:

13 Repeals. The following are repealed:

I. RSA 237:3, relative to the feasibility of widening a portion of the New Hampshire turnpike.

II. RSA 237:4, relative to written estimate requirements exemptions for certain projects on the central New Hampshire turnpike.

III. RSA 237:7, I(g), relative to improvements to the eastern New Hampshire turnpike.

IV. 1986, 203:5, relative to the New Hampshire turnpike program.

V. 1986, 203:6, V, relative to a toll on the Conway bypass.

VI. 1990, 242, relative to amendments to the New Hampshire turnpike program. Referred to Appropriations.

**HB 339-FN**, relative to traffic signals. OUGHT TO PASS WITH AMENDMENT.

This bill authorizes City Councils to establish, maintain and remove traffic devices and signals on Class IV highways within the compact limits and on Class V highways, not as a mandate but as a cost-saving and time-saving measure.

The amendment, proposed by the Department of Transportation, assures that the erection, removal and maintenance of these devices and signals will be in conformance with all applicable RSAs and the latest edition of the Manual on Uniform Traffic Control Devices. Vote 16-0. Rep. Joanne A. O'Rourke for Public Works.

### Amendment

Amend RSA 47:17, VIII as inserted by section 1 of the bill by replacing it with the following:

#### VIII. TRAFFIC DEVICES AND SIGNALS.

(a) To make special regulations as to the use of vehicles upon particular highways, except as to speed, and to exclude such vehicles altogether from certain ways; [to establish] *to regulate the use of class IV highways within the compact limits and class V highways by establishing* stop intersections, [erect and provide for the control of traffic] by [,] *erecting* stop signs, *yield right of way signs, traffic signals and all other traffic control* devices [or signals which shall conform to standards set by the highway commissioner and shall be approved by him] *on those highways over which the city council has jurisdiction. The erection, removal and maintenance of all such devices shall conform to applicable state statutes and the latest edition of the Manual on Uniform Traffic Control Devices.*

(b) *The commissioner of transportation shall only approve the installation and modification of traffic signals* as to type, size, installation, and method of operation.

### AMENDED ANALYSIS

This bill authorizes city councils to establish traffic devices and signals on highways over which the city council has jurisdiction.

This bill also requires that the erection, maintenance and removal of traffic devices and signals shall be in conformance with all applicable state statutes and the Manual on Uniform Traffic Control Devices.

This bill is a request of the department of transportation.

**HB 489-FN**, relative to a New Hampshire public facilities authority. INEXPEDIENT TO LEGISLATE.

The Committee unanimously agreed that under the current economic circumstances it is impractical to establish another authority with an increase in state expenditures of unknown magnitude. Further, the authority would only have responsibility for projects of statewide impact, not local. Vote 11-0. Rep. Daniel P. McNerney for Public Works.

**HB 299-FN**, relative to the advertising of alcoholic beverages. **OUGHT TO PASS WITH AMENDMENT.**

The Committee applauds the sponsors of this bill and by a 17-0 majority endorses its passage. The requirement that on-sale and off-sale licenses, as well as the liquor stores, display a warning concerning birth defects and alcohol consumption by pregnant women was supported by all those who testified. This no-cost warning may save uncounted dollars and untold heartache for generations to come. Rep. Laura C. Pantelakos for Regulated Revenues.

**Amendment** Amend the title of the bill by replacing it with the following:

AN ACT  
relative to the posting of statements  
in liquor stores and establishments  
selling beverages and liquors.

Amend the bill by replacing section 1 with the following:

I New Paragraph; Warning for Pregnant Women. Amend RSA 175:4 by inserting after paragraph III the following new paragraph:

IV. The following statement shall be posted on the premises of all on-sale and off-sale licensees and at state liquor stores: "According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects." Such statement shall be located in a conspicuous and prominent place within the establishment and shall appear on a contrasting background.

#### AMENDED ANALYSIS

This bill requires all establishments selling alcoholic beverages or liquor to post a statement warning pregnant women of the possibility of birth defects.

**HB 370-FN**, privatizing the sale of liquor. **INEXPEDIENT TO LEGISLATE.**

The Committee felt that the history of success that the Liquor Commission has enjoyed precludes the need to consider such a radical change in our method of operation at the present time. Vote 16-0. Rep. Stephen W. Buco for Regulated Revenues.

**HB 498-FN**, relative to domestic manufacturers of liquor. **INEXPEDIENT TO LEGISLATE.**

The sponsor requested this bill be killed, as the need for change in law has been addressed and solved by the Liquor Commission. Vote 16-0. Rep. Betsy McKinney for Regulated Revenues.

**HB 491-FN**, relative to the collection of the normal yield tax in unincorporated towns and unorganized places. **OUGHT TO PASS.**

The Committee gives its strong support to this bill, which allows the county commissioners to collect the yield tax on timber cut in unincorporated towns, believing that these taxes should be collected in the same way that real estate taxes and other municipal fees and taxes are currently collected. Furthermore, the Committee is convinced that this represents a saving for the Department of Revenue Administration which will no longer have to provide this service. Vote 15-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

**HB 220-FN**, repealing the art fund. **INEXPEDIENT TO LEGISLATE.**

The sponsor and all who testified before the Committee asked that this bill be reported out "Inexpedient to Legislate" and urged support of a companion Senate Bill. Vote 13-0. Rep. Lowell D. Apple for State Institutions and Housing.

**HB 275-FN-A**, establishing a permanent heritage collections committee and a New Hampshire heritage trust fund, continually appropriating funds in the trust fund to the committee, and making an appropriation therefor. OUGHT TO PASS.

This bill is a useful tool by which the state can manage the hundreds of historical artifacts found on state premises and maintain them in an efficient manner. Vote 13-0. Rep. Scott E. Green for State Institutions and Housing.

Referred to Appropriations.

**HB 172-FN**, relative to private lease of state railroad real estate. OUGHT TO PASS WITH AMENDMENT.

This bill recognizes state ownership of shoreline property and permits the Department of Transportation to lease said property and dock rights to abutters as well as to require liability insurance protection for the state and railroad operators by the lessees. Vote 12-0. Rep. John Hoar, Jr. for Transportation.

#### Amendment

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

**HB 194-FN**, to require the wearing of motorcycle protective headgear. INEXPEDIENT TO LEGISLATE.

The Committee felt that this bill, having been discussed on numerous occasions in the past few years and having been opposed each time by the vast majority of the 95,000 licensed motorcyclists of the state and having been voted down each time by an overwhelming majority of the legislators, that it should continue to abide by the wishes of the people and vote this bill Inexpedient to Legislate. Vote 11-1. Rep. Sherman A. Packard for Transportation.

**HB 236-FN**, to increase the transfer fee on vehicles. INEXPEDIENT TO LEGISLATE.

The Committee recognizes the sponsor's desire to help local communities raise more revenue by adding an additional transfer fee. However, the Committee felt that raising these fees would add an additional burden on the vehicle owners who have seen many related fees increased over the last 10 years. The Committee feels that the vehicle owners are already paying their fair share and that the increase in local revenues is not that dramatic. Vote 14-2. Rep. Andrew Christie, Jr. for Transportation.

**HB 237-FN**, to increase the local application fee for a certificate of title. INEXPEDIENT TO LEGISLATE.

The Committee felt that this bill placed another cost on the vehicle owners of this state by increasing the Title Fee. Statewide, this fee will not raise local revenue significantly, but it does have an impact on an already overburdened vehicle owner. Vote 14-2. Rep. Andrew Christie, Jr. for Transportation.

Adopted.

#### REGULAR CALENDAR

**HB 122**, relative to placing ballots directly in the ballot box. OUGHT TO PASS WITH AMENDMENT.

This bill removes the requirement from RSA 659:25-a that the voter "shall hand the ballot to the moderator." The voter thus is allowed to directly place his/her ballot in the ballot box after voting, unless assistance is requested from the moderator in depositing the ballot. Vote 11-1. Rep. Carol H. Holden for Constitutional and Statutory Revision.

### Amendment

Amend the bill by replacing section 1 with the following:

1 Voter to Place Ballot in Ballot Box. Amend RSA 659:23, I to read as follows:

I. Before leaving the voting booth, the voter shall fold his ballot in the same way it was folded when received by him and shall keep it folded so that the marks on it cannot be seen. He shall then proceed to the checkout table and shall announce his name to the town clerk who shall repeat the name and place a mark beside it on his checklist. The voter shall [then present his ballot with the official endorsement uppermost to the moderator who shall] then deposit the ballot in the ballot box, *unless the voter requests assistance from the moderator in depositing the ballot in the ballot box.*

### AMENDED ANALYSIS

This bill allows voters to directly place their ballots in the ballot box after they vote, unless they request assistance from the moderator in depositing the ballots.

Adopted.

Report adopted.

Ordered to third reading.

**HB 257**, relative to collection and reclamation of motor vehicle wastes. **OUGHT TO PASS WITH AMENDMENT.**

Last session the Legislature gave authority to cities and towns to levy a fee on its residents to defray the cost of disposing of automobile batteries, used motor oil and tires. This legislation clarifies the existing statute to ensure that only those residents, and the residential business operating in a town which imposes this fee, will benefit from the fund established by law. Businesses which receive non-resident motor vehicle waste may not include the non-residential waste in the town collection program. Vote 16-1. Rep. Rick A. Trombly for Environment and Agriculture.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Motor Vehicle Waste Defined. Amend RSA 149-M:13-a, I to read as follows:

I. A town which collects an additional fee under RSA 261:153, V shall create a town reclamation trust fund to receive the town share of such fee, to be used to pay the fees for the collection and disposal of the town's motor vehicle waste. *For the purposes of this section, "motor vehicle waste" means used residential motor oil, residential motor vehicle batteries, and tires from residential motorized vehicles.* Towns may use any moneys in the fund in excess of such fees for the recycling and reclamation of other types of solid waste.

2 Motor Vehicle Waste Defined. Amend the introductory paragraph of RSA 261:153, V to read as follows:

V. Beginning July 1, 1989, in addition to each registration fee collected under paragraph I, there may be collected an additional fee for the purposes of a town reclamation trust fund as established in RSA 149-M:13-a. Of this amount, \$.50 shall be retained by the city official designated by the city government or by the town clerk for administrative costs and the remaining amount shall be deposited into the reclamation trust fund established by the town for the purpose of paying collection and disposal fees for the town's motor vehicle wastes. *For the purposes of this paragraph, "motor vehicle wastes" means used residential motor oil, residential motor vehicle batteries, and tires from residential motorized vehicles.* A town which collects such

additional fees shall not charge a disposal fee for motor vehicle waste at the town's solid waste disposal facility. If a town finds the additional fee is not sufficient to cover fees for collection and disposal of town motor vehicle waste, it shall notify the office of state planning. The office shall study the fee in accordance with RSA 4-C:1 and make recommendations, if necessary, for increases in the fee. The additional fee schedule shall be graduated by class of vehicle as follows:

3 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill limits the collection and reclamation of motor vehicle wastes for the purposes of the town reclamation trust fund to residential motor vehicles wastes.

Adopted.

Report adopted.

Ordered to third reading.

**HB 118**, relative to determination of alimony where one spouse has remarried. **OUGHT TO PASS WITH AMENDMENT.**

This bill exempts the income of a party's current spouse from consideration when a court determines the amount of alimony, unless the party has resigned from or refuses employment or is voluntarily unemployed or underemployed. Vote 16-1. Rep. Elizabeth D. Lown for Judiciary.

#### Amendment

Amend RSA 458:19, IV as inserted by section 1 of the bill by replacing it with the following:

IV. The court may make orders for alimony in a lump sum, periodic payments, or both. In determining the amount of alimony, the court shall consider the length of the marriage; the age, health, social or economic status, occupation, amount and sources of income, the property awarded under RSA 458:16-a, vocational skills, employability, estate, liabilities, and needs of each of the parties; the opportunity of each for future acquisition of capital assets and income; the fault of either party as defined in RSA 458:16-a, II(1); and the federal tax consequences of the order. The court may also consider the contribution of each of the parties in the acquisition, preservation, or appreciation in value of their respective estates and the non-economic contribution of each of the parties to the family unit. *In any proceeding for modification of an existing alimony order, the earned or unearned income of the current spouse of the obligor party shall not be considered a source of income to that obligor party for the purpose of modification, unless the obligor party resigns from or refuses employment or is voluntarily unemployed or underemployed, in which case the income of the current spouse may be imputed to the obligor party only to the extent that such obligor party could have earned income in his or her usual employment.*

Adopted.

Report adopted.

Ordered to third reading.

**HB 273-FN**, relative to assault upon a law enforcement officer. **INEXPEDIENT TO LEGISLATE.**

The majority of the Committee felt that it would be a dangerous and expensive precedent to set. This bill would set police officers above citizens by making an assault on an officer a Class B felony. A Class B felony carries a prison term of at least one year and up to seven years. The only other assault offense for "bodily injury"

that carries a punishment of a Class B felony is bodily injury to a child under 13 years of age. Certainly, a trained professional police officer equipped with a weapon does not belong in that statute. The Fiscal Note claims the cost would be at least \$18,000 annually. The impact on courts and jails must also be considered. This Committee has killed this bill numerous times. Vote 16-3. Rep. Donnalee M. Lozeau for Judiciary.

Adopted.

**HB 435-FN**, permitting adjustments in legislative mileage resulting from changes in the price of gasoline. OUGHT TO PASS.

Passage of HB 435 will require the Office of the Legislative Budget Assistant to use the price of gasoline in a formula to be used to calculate legislative mileage. The Fiscal Note indicates an undetermined addition to administrative expenses, but there needs to be no appropriation of extra funds. The formula will use the prices in effect at time of passage as a base. The allotment may go up or down, but will not go below the base. Vote 10-0. Rep. Robert A. Lockwood for Legislative Administration.

Rep. Donna Sytek spoke against.

Rep. Gross spoke in favor and yielded to questions.

Rep. Barnes spoke against.

Roll call request not sufficiently seconded.

Division requested.

On a standing vote, the Chair declared the vote was manifestly in the affirmative.

Adopted.

Referred to Appropriations.

**HB 238-FN-A**, relative to sewage treatment projects and making an appropriation therefor. INEXPEDIENT TO LEGISLATE.

The Committee recognizes that communities throughout the state are having difficulties obtaining funds for sewage treatment projects. At a time when we, as legislators, are being asked to cut costs throughout state government, the Committee felt this is not the time to increase the state's contribution from 20 percent to 50 percent. Vote 12-3. Rep. Terry D. Oliver for Public Works.

Rep. William McCann moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate, spoke to his motion and yielded to questions.

Rep. Oliver spoke in favor of the Committee report.

On a division vote, 150 members having voted in the affirmative and 180 in the negative, the motion failed.

Report adopted.

**HB 143-FN**, relative to the liquor commission's authority to close liquor stores. OUGHT TO PASS WITH AMENDMENT.

This bill establishes concrete procedures to be followed in the event closure of a liquor store is considered. Generally accepted accounting principles for both revenues and expenses and an allocation for indirect costs shall be followed in determining net operating profit vs loss. The cost allocation plan for each fiscal year shall be submitted not later than three months before the start of each fiscal year. This plan will properly reflect the operating expenses of each state store. These procedures will insure that a businesslike approach will be followed in all further store closings. Vote 16-0. Rep. Robert N. Kelley for Regulated Revenues.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Duties. Amend RSA 176:3 to read as follows:

176:3 Duties. The primary duties of the liquor commissioners shall be [to maximize state revenue] to maintain proper control and to be solely responsible for the efficient and effective operation of the commission, *as provided under this title*.

2 Proof of Unprofitability and Legislative Approval. Amend RSA 177:2 to read as follows:

177:2 Closing of State Stores.

*I. The commission shall close any state liquor store which has been in business for a reasonable period of time which is not producing a net operating profit [or which is producing only a marginal profit]. The commission shall have the authority to close any [such] state store [whether the decision to open such store was made by the commission or the legislature] which has not produced a net operating profit for the most recently concluded fiscal year. To close a profitable store, the commission shall obtain fiscal committee and governor and council approval. In determining net operating profit or loss the commission shall adhere to generally accepted accounting principles for both revenues and expenses and shall include an allocation for indirect costs.*

*II. In order to properly reflect the operating expenses of each state store, the commission shall prepare annually an indirect cost allocation plan for all indirect operating expenses of the commission. All such expenses of the commission, with the exception of the enforcement and licensing division operating expenses, shall be included in the plan and allocated to all state stores on a consistent, rational basis. The indirect cost allocation plan for each fiscal year shall be submitted to the fiscal committee and the governor and council for approval, no later than 3 months before the start of each fiscal year.*

3 Effective Date. This act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill sets a standard of proof of unprofitability which the liquor commission must establish before a liquor store may be closed for unprofitability. The bill further requires that the fiscal committee's and the governor and council's approval of the closing must be obtained.

The bill also sets a standard by which the commission shall allocate indirect operating expenses among the state stores. The commission must submit an allocation plan to the governor and council and fiscal committee prior to each fiscal year.

Reps. Larson and Robert Kelley spoke in favor and yielded to questions.

Amendment adopted.

Referred to Appropriations.

**HCR 1**, concerning the constitution of the United States. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

MAJORITY: The Committee had a lengthy hearing on HCR 1, which would rescind the 1979 call for a federal constitutional convention. The majority agrees with the more than 120 people who appeared or wrote letters asking that HCR 1 be Inexpedient to Legislate. Also, the State and National Republican Committees, along with our New Hampshire Congressional Delegation of both parties, are against rescinding our 1979 call for a Constitutional Convention by expressing the same concern of the majority of the Committee. The best way to win a balanced budget amendment is for

the states to pressure Congress for a limited Constitutional Convention. Any attempt to rescind the 1979 resolution sends a message to our Washington legislators that we are not serious about fiscal responsibility. Vote 10-5. Reps. Lawrence A. Guay, Dennis H. Fields, Beverly A. Gage, George N. Katsakiores, Eleanor H. Amidon, Lowell D. Apple, Michael J. Hill, Carol H. Holden, John B. Hunt and Garret P. Cowenhoven for the Majority of State-Federal Relations.

**MINORITY:** The majority believes that by threatening to tinker with the United States Constitution, it can coerce the Congress into adopting a "balanced budget" amendment. The minority believes that continued demand for a Constitutional Convention will result in something that no one now wants, the call of a Convention without single purpose, comprehensible rules or understandable limits.

There is only one instance in our history of a Constitutional Convention, and the single pertinent lesson to be learned from that experience is this: such conventions are effectively beyond limits or restraints. They may address any subject, raise any issue. It is said that "no, New Hampshire has called only for a Convention on the issue of a balanced budget," and that anything else could not be voted on. But, no one knows that such is the case. No one knows what would happen if such a Convention were convened, and issues other than the balanced budget amendment were introduced for action.

It is a risky game the majority wants to play with our Constitution. Some people might be reminded of the adolescent game of Chicken, with two cars racing headlong at each other. Can we depend upon Congress to metaphorically swerve away, by adopting its own balanced budget? Or might we more reasonably expect that we will get just what the majority asks for, a crash of many issues into the precious Constitutional fabric of our government. Is it really worth the risk? Rep. Peter Hoe Burling for the Minority of State-Federal Relations.

Rep. Burling moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. William Riley spoke in favor and yielded to questions.

Rep. Katsakiores spoke against and yielded to questions.

**(Deputy Speaker Michael Hill in the Chair)**

Rep. Jacobson spoke in favor and yielded to questions.

Rep. Jasper spoke against and yielded to questions.

**(Speaker Burns in the Chair)**

Rep. Welch spoke in favor and yielded to questions.

Rep. Warburton spoke against.

Rep. Burling spoke in favor.

Rep. Cowenhoven spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.  
Report adopted.

Rep. Gabrielle Gagnon notified the Clerk that she wished to be recorded in favor of the substitute motion.

Rep. Barberia notified the Clerk that he inadvertently voted yea and intended to vote nay.

**HB 126**, relative to rules in manufactured housing parks. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

**MAJORITY:** This bill as written and the sponsor's proposed amendment do not address the problems of leasing or subletting in Mobile Home Parks. Landlords make the rules and tenants have to live by them. The landlord does not follow his own rules and often does just as he pleases regarding leasing/subletting. Tenants have grave reservations as to just who will be their neighbor for a short period of each year and who would be their neighbor the remainder of the year. Under this proposed bill, evictions could become a serious legal problem. Vote 11-2. Rep. Lowell D. Apple for the Majority of State Institutions and Housing.

**MINORITY:** While not in favor of mandatory leasing, which this bill as written would provide, a minority of members wished to make a statement of support for what we believe to be the true intent of the sponsor - that being an equitable leasing policy which would apply to both parkowner and homeowner alike. Reps. Patricia A. Hambrick and Jane A. Clemons for the Minority of State Institutions and Housing.

Rep. Lozeau moved that the words Ought to Pass with Amendment be substituted for the for the report of Committee, Inexpedient to Legislate, and spoke to her motion.

Reps. Scott Green and Apple spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

### SULLIVAN

Behrens, Thomas A.  
 Peyron, Fredrik  
     and the motion lost.  
 Report adopted.

Krueger, Richard H.  
 Rodeschin, Beverly T.

Lindblade, Eric N.  
 Schotanus, Merle W.

Rep. Ann Torr notified the Clerk that she abstained from voting on the substitute motion and the Committee report under Rule 16.

**HB 180-FN**, to establish a study committee to evaluate whether a consortium of all institutional law libraries in the greater Concord area is economically feasible and practical. **OUGHT TO PASS WITH AMENDMENT.**

The majority of the Committee felt that it made sense for the major law libraries in the Concord area (including the state-owned ones) to study the idea of coordinating the purchases of extremely expensive law journals, newsletters and other publications. Hopefully, the end result would be that state agencies spend less on law publications. Vote 10-3. Rep. Scott E. Green for State Institutions and Housing.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

to establish a study committee to evaluate whether a  
consortium of all law libraries in the greater  
Concord area is economically feasible  
and practical.

Amend section 1 of the bill by replacing it with the following:

1 Committee Established. A committee is hereby established to study whether it is economically feasible and a more efficient use of resources to create a consortium of all law libraries in the greater Concord area.

Amend section 2 of the bill by inserting after paragraph III the following new paragraphs:

IV. The attorney general, or designee.

V. The chief justice of the supreme court, or designee.

VI. The Franklin Pierce law center librarian, or designee.

VII. The president of the New Hampshire bar association, or designee.

Adopted.

#### **Amendment No. 2**

Amend the bill by replacing section 4 with the following:

4 Report. The committee shall prepare a report of its findings and recommendations, including any recommendations for proposed legislation to be introduced in the 1992 legislative session, and submit such report to the speaker of the house, the president of the senate, and the governor before November 1, 1991.

#### **AMENDED ANALYSIS**

This bill establishes a study committee to evaluate whether a consortium of all law libraries in the greater Concord area is economically feasible and practical.

Adopted.

Report adopted.

Ordered to third reading.

**HB 158**, relative to highway safety for riders and drivers of horses. **OUGHT TO PASS WITH AMENDMENT.**

This bill is to help safeguard the lives of the persons riding animals, or operating animal-drawn vehicles and the lives of the animals while on the roadways of the State. It also clarifies the conduct of approaching vehicles and dogs along the roadways. Vote 11-0. Rep. Richard L. Haynes

**Amendment**

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to highway safety for riders  
and drivers of animals.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The purpose of this act is to safeguard the lives of the persons riding animals or operating vehicles drawn by animals, and the lives of animals while on the roadways of New Hampshire. The general court recognizes that there has been a great increase in the number of animals and animal-drawn vehicles on the roadways of New Hampshire. Many of these riders and drivers are youthful members of 4-H clubs, Pony Clubs and Trail Rider groups.

2 Animals; Definition of Roadway Clarified. Amend RSA 259:92 to read as follows:

259:92 Roadway. "Roadway" shall mean that portion of a way improved, designed or ordinarily used for vehicular travel, exclusive of the sidewalk, berm or shoulder even though such sidewalk, berm or shoulder is used by persons riding bicycles or other human powered vehicles *or by persons riding an animal or driving an animal-drawn vehicle*. In the event a way includes 2 or more separate roadways, the term "roadway" as used herein shall refer to any such roadway separately but not to all such roadways collectively.

3 Persons Riding Animals or Driving Animal-Drawn Vehicles. Amend RSA 265:5 to read as follows:

265:5 Persons Riding Animals; Driving Animal-Drawn Vehicles.

*I. Every person riding an animal or driving any animal-drawn vehicle upon a roadway shall be granted all the rights and shall be subject to all of the duties applicable to the driver of a vehicle by this chapter except as to those provisions of this chapter which by their very nature can have no application. The term animal as used in this chapter shall include any domestic animal ridden or driven by a person.*

*II. Every person riding an animal upon a roadway shall ride only on a shoulder, as far as practicable from the edge of the roadway. On roadways without a shoulder, every person riding an animal shall ride as near as practicable to an outside edge of the roadway and shall ride on the side of the roadway which presents the least hazard to drivers of vehicles, pedestrians, persons and animals.*

*III. Every person driving an animal-drawn vehicle on a roadway shall drive on the right half of the roadway. A person driving an animal-drawn vehicle shall give way to the right to permit a vehicle to overtake and pass the animal-drawn vehicle, if road conditions and space permit.*

*IV. Persons riding animals on a roadway shall not ride more than 2 abreast, except on a path or a part of a roadway set aside for the exclusive use of animals or during a parade or special event.*

4 Animals; Emergency Vehicles. Amend RSA 265:8, VII to read as follows:

VII. Upon the immediate approach of an emergency vehicle making use of an audible or visual signal, every pedestrian *and every person riding an animal or driving an animal-drawn vehicle* shall yield the right-of-way to the authorized emergency vehicle. This paragraph shall not relieve the driver of an authorized emergency vehicle from the duty to drive with due regard for the safety of all persons using the

highway, nor from the duty to exercise due care to avoid colliding with any pedestrian *or any person riding an animal or driving an animal-drawn vehicle, nor from the duty to exercise due care to avoid frightening any animal.*

5 Dogs as Nuisances: Reference Added. Amend RSA 466:31, II(c) to read as follows:

(e) If it runs after, or chases bicycles, motor vehicles, motorcycles, *animals or animal-drawn vehicles as defined in RSA 265:5* or other vehicles being driven, pulled or pushed on the streets, highways, or public ways;

6 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill revises and clarifies the current statutes relative to highway safety for persons riding animals and driving animal-drawn vehicles.

Adopted.

Report adopted.

Ordered to third reading.

**HB 198-FN**, relative to calculation of fees for motor vehicle registration. INEXPEDIENT TO LEGISLATE.

The contents of HB 198 are being addressed in similar legislation which will be before the House in a future session. The Committee is in favor of continuing the present system of basing the town tax paid on a motor vehicle on the year of manufacture rather than changing it to the model year. Vote 16-3. Rep. George N. Katsakiores for Transportation.

Adopted.

**HB 420-FN**, restricting state lottery television advertising to certain hours. INEXPEDIENT TO LEGISLATE.

The Committee felt advertising is very pertinent to any type of business whose purpose is to raise revenue. Prime time advertising has been very effective and states on our borders would not be controlled by this bill. Vote 16-0. Rep. William J. Desrosiers for Regulated Revenues.

Rep. Arnesen moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate and spoke to her motion.

Rep. Behrens spoke against.

The motion lost.

Report adopted.

**HB 206**, relative to OHRV noise levels. INEXPEDIENT TO LEGISLATE.

The Committee felt there was insufficient evidence presented to support the passage of a bill to lower the permitted OHRV noise levels and change the method used for measurements of same. Vote 15-1. Rep. Roger D. Stewart for Transportation.

Rep. Hoar moved that the bill be recommitted.

Rep. Haynes spoke against.

Recommitted to Committee.

#### RESOLUTION

Rep. Gross offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles

of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, March 6, 1991 at 1:00 p.m.

Adopted.

### LATE SESSION

#### Third reading and final passage

**HB 271-FN**, to study the purchasing policies of the technical institute and the technical colleges.

**HB 162-FN**, extending the committee studying a statewide trauma care system.

**HB 203-FN**, relative to the confidentiality of quality assurance records of community mental health centers.

**HB 209-FN**, relative to conflicts between the municipal budget law and collective bargaining negotiations.

**HB 330-FN**, establishing a committee to study the issue of an office of the ombudsman for children.

**HB 224-FN**, relative to new motor vehicle arbitration.

**HB 573**, relative to unauthorized insurance.

**HB 141**, relative to limiting the mode of taking deer in Dover.

**HB 347**, restricting the taking of deer in the city of Somersworth.

**HB 288**, establishing a study committee on premature births.

**HB 138**, relative to spousal support.

**HB 253**, naming a certain segment of US Route 202 the General Isaac Davis White highway.

**HB 339-FN**, relative to traffic signals.

**HB 299-FN**, relative to the posting of statements in liquor stores and establishments selling beverages and liquors.

**HB 491-FN**, relative to the collection of the normal yield tax in unincorporated towns and unorganized places.

**HB 172-FN**, relative to private lease of state railroad real estate.

**HB 122**, relative to placing ballots directly in the ballot box.

**HB 257**, relative to collection and reclamation of motor vehicle wastes.

**HB 118**, relative to determination of alimony where one spouse has remarried.

**HB 180-FN**, to establish a study committee to evaluate whether a consortium of all law libraries in the greater Concord area is economically feasible and practical.

**HB 158**, relative to highway safety for riders and drivers of animals.

Rep. Michael Hill moved that the House adjourn.

Adopted.

The House adjourned at 5:03 p.m.

**HOUSE JOURNAL No. 9**

Wednesday, March 6, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Deputy Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

God of grace and God of glory, on Your people here gathered pour Your power, we pray. Give them power to envision the future that they will help shape, the power to seek and to discern the greater good, the power to act in the best interests of all who call the Granite State home. Bless each one, that each may seek to do the best that is possible. Amen.

Rep. Bell led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Eunice Campbell, Flanagan, Leclerc, Parr, Eugene Gagnon, Domini, Swope, Feuerstein, Bernard, C. Fitzgerald Buckley, Elliott, Anderson, and Eugene Clark, the day, illness.

Reps. Pignatelli, Beach, Peters, David Flanders, Nielsen, Musler, Steiner, David Young (military service), Chulack, Ralph Torr, William Riley, Haynes and Lynch, the day, important business.

Rep. Chase, the day, death in the family.

Reps. Metzger and Rice, the day, illness in the family.

**INTRODUCTION OF GUESTS**

Former Rep. Arnie Wight, guest of Rep. Tufts. Former Rep. Anita Flynn, wife of Rep. Flynn. Mary Ann Foster, wife of Rep. Robert Foster. Barbara Brown, wife of Rep. Channing Brown. Members of the 4th grade class of the Interlakes Elementary School and their teachers, Mrs. Lamoreaus and Mrs. Heath, guests of Rep. Vogler.

**COMMUNICATIONS****RESIGNATIONS**

Honorable Harold Burns, Speaker

I, Gregory Janas, do hereby resign my Hillsborough District 39 seat in the New Hampshire House of Representatives, effective March 6, 1991.

Sincerely, Gregory Janas

Rep. Gross moved that the resignation of Rep. Janas be accepted with respect and spoke to her motion.

Adopted.

Honorable Harold Burns, Speaker

Regretfully, this letter will serve as confirmation that I must resign as a State Representative from Hillsborough County District 46.

I have enjoyed my position in office over the years and hope to have the opportunity to return in the future, but due to personal reasons I find it necessary to relinquish my seat.

Thank you for your understanding in this matter.

Respectfully, Paul R. Dionne

**COMMITTEE REPORTS****CONSENT CALENDAR**

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**HB 331**, establishing a legislative oversight committee on children was removed at the request of Rep. Gross.

**HB 711**, extending the reporting date for the committee to study child care in public and private sector buildings was removed at the request of Rep. Gross.

**HB 59**, establishing a moratorium on private correctional facilities and creating a private prison task force, was removed at the request of Rep. Gross.

**HB 219**, establishing a committee to study the economic feasibility of utilizing vacant space at the New Hampshire hospital for certain state offices, was removed at the request of Rep. Gross.

Consent Calendar adopted.

**HB 128-FN**, excluding certain types of violations by persons 16 years of age or over from the application of laws regarding children in need of services. INEXPEDIENT TO LEGISLATE.

The Committee is interested in this bill. However, HB 54 would repeal the statute (RSA 169-D) being amended by this bill. HB 54 is under study in Subcommittee and this bill will be incorporated in that study. Vote 15-0. Rep. Ellen-Ann Robinson for Children, Youth and Juvenile Justice.

**HB 436-FN**, making the purchase, possession, and control of child pornography a misdemeanor. OUGHT TO PASS.

This bill makes the purchase, possession, and control of child pornography a misdemeanor. It closes the loophole in the current law and will protect children from exploitation. Vote 15-0. Rep. Irene A. Pratt for Children, Youth and Juvenile Justice.

**HB 483-FN**, relative to emergency temporary adjustments to the application of child support guidelines. INEXPEDIENT TO LEGISLATE.

This Committee voted Inexpedient to Legislate 17-0 because of the lack of clarity, elimination of the guidelines already in place, and other technical errors. Rep. Deborah P. McIlwaine for Children, Youth and Juvenile Justice.

**HB 630-FN**, establishing a committee to study methods of providing assistance to remove lead paint from certain homes. INEXPEDIENT TO LEGISLATE.

This problem should be dealt with in the city or town; therefore, it does not require legislation. Vote 14-1. Rep. Harry Accornero for Children, Youth and Juvenile Justice.

**HB 696-FN**, relative to penalties for the sale and distribution of tobacco products to minors. OUGHT TO PASS.

This bill does nothing more than raise existing inadequate penalties for selling tobacco to minors. The Fiscal Note by the Department of Revenue Administration asking for additional compliance officers has no relevance since this bill requires no additional enforcement activity above that being currently done. Vote 16-1. Rep. Alphonse A. Haettenschwiller for Children, Youth and Juvenile Justice.

**HB 781-FN**, relative to extending foster care and establishing a uniform cut-off date for school children. RE-REFER TO COMMITTEE.

The Committee feels the bill has merit, but with the present fiscal crisis of the state it would be wise to re-refer it for fine tuning. Vote 17-0. Rep. Virginia K. Lovejoy for Children, Youth and Juvenile Justice.

**HB 454**, relative to safe deposit boxes. OUGHT TO PASS.

This bill corrects outdated procedures from 1927 regarding who must be present when an abandoned safe deposit box is opened and making bank boxes consistent with the seven years in the Abandoned Property Law. Instead of the current requirement that the president, superintendent or treasurer be present, this change allows any officer of the bank to be present with a notary public at the time a box is opened. Vote 14-1. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

**HB 698-FN**, relative to debt collection agencies and consumer credit reporting agencies. RE-REFER TO COMMITTEE.

House Bill 698 has much merit, but needs some research, and important information has to be gathered to correct it. Vote 13-1. Rep. George H. Baker for Commerce, Small Business and Consumer Affairs.

**HB 306-FN**, relative to the time for accepting absentee ballots. INEXPEDIENT TO LEGISLATE.

House Bill 306 deals with absentee ballots in state elections; the subject will be dealt with in HB 621. Vote 11-0. Rep. Calvin Warburton for Constitutional and Statutory Revision.

**HB 525-FN**, relative to appealing recounts in town elections. OUGHT TO PASS.

Current law provides that a person must appeal the results of a recount of a town election to the Superior Court. The appeal under this bill would be made to the Ballot Law Commission. Vote 13-0. Rep. Ralph E. Shackett for Constitutional and Statutory Revision.

**HB 532**, relative to the color of ballots used in municipal elections. OUGHT TO PASS.

House Bill 532 provides that if more than one ballot is used in a municipal election, each ballot shall be a different color. Many municipalities are presently doing this as it makes the election process much easier yet this practice conflicts with current law. Vote 11-0. Rep. Gary R. Gilmore for Constitutional and Statutory Revision.

**HB 643-FN**, relative to the recall of elected public officials. INEXPEDIENT TO LEGISLATE.

This bill provides that all elected public officials would be subject to recall by the voters that elected them by means of petition. The Committee felt that this bill was not warranted. Vote 13-0. Rep. Ralph E. Shackett for Constitutional and Statutory Revision.

**HB 426-FN**, relative to sweepstakes distribution. INEXPEDIENT TO LEGISLATE.

The Committee feels this bill would defeat the purpose of the Augenblick formula in its attempt to help the poorer communities as ordered by the court. Also, a similar bill is in the Senate which would give one-third of Foundation Aid to the Augenblick formula and two-thirds to the school districts on a per capita basis. Vote 18-0. Rep. John J. Laurent for Education.

**HB 741-FN**, relative to project funding at the university of New Hampshire. INEXPEDIENT TO LEGISLATE.

The sponsor of this bill withdrew action due to the program already having been funded and requested that the measure be Inexpedient to Legislate. Vote 16-0. Rep. Stanley N. Searles for Education.

**HB 651-FN**, establishing a hazardous materials cleanup fund. RE-REFER TO COMMITTEE.

The Committee asks this bill be re-referred. The bill establishes a hazardous materials cleanup fund, but the bill has to be compatible with HB 394 which last session created the Hazardous Waste Advisory Committee consisting of industry representatives, members of the Legislature, and the Department of Environmental Services, to better define how a hazardous waste cleanup fund would be implemented. Vote 17-0. Rep. Jeb E. Bradley for Environment and Agriculture.

**HB 679-FN**, relative to New Hampshire compliance with the Clean Air Act. RE-REFER TO COMMITTEE.

The Environmental Protection Agency is in the process of clarifying what states must do to comply with the Clean Air Act. At the request of the Air Emissions Agency, the Committee recommends that this bill be re-referred until the EPA directives are clarified. Vote 18-0. Rep. Betty B. Hall for Environment and Agriculture.

**HB 364-FN**, relative to the opening and closing of deer season. OUGHT TO PASS WITH AMENDMENT.

It would appear that the best interests of the deer herd and the public would be served through granting the Department of Fish and Game the authority to set the annual deer season. Vote 17-0. Rep. Joseph N. Feuer for Fish and Game.

#### Amendment

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

**HB 377-FN**, relative to commercial fishing licenses and the advisory committee on shore fisheries. INEXPEDIENT TO LEGISLATE.

House Bill 377 has already been taken care of by HB 289 in its entirety. No further action has to be taken. Vote 15-0. Rep. Charles H. Felch for Fish and Game.

**HB 474-FN**, prohibiting bear dog training. RE-REFER TO COMMITTEE.

The Committee feels this is an important bill and needs further work. Vote 17-0. Rep. Charles H. Felch for Fish and Game.

**HB 703-FN**, relative to the negligent discharge of firearms. OUGHT TO PASS WITH AMENDMENT.

This bill changes RSA 207:37-a from three years to 10 years. The amendment makes the bill effective upon passage. Vote 18-0. Rep. Bernard J. Raynowska for Fish and Game.

#### Amendment

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

**HB 277-FN**, requiring licensure of out-of-state mail order pharmacies. RE-REFER TO COMMITTEE.

The Committee recommends that HB 277 be re-referred for further study. Although much work has been done on this bill, there are still a few areas to be addressed, including the specific definition of which pharmacies will be affected and what would be the ramifications for them. Vote 12-0. Rep. Katherine W. Wheeler for Health, Human Services and Elderly Affairs.

**HB 319-FN**, establishing a committee on access to health care. **OUGHT TO PASS WITH AMENDMENT.**

The Committee felt that the growing problem of access to health care was an issue worthy of study. After hearing testimony, four people were added to the Committee: 1) a representative of a labor union; 2) a representative of the New Hampshire Health Care Association (nursing homes); 3) a representative of the Hospitality Association, which employs large numbers of part-time workers and finally a representative from the Small Business Association. Vote 11-0. Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs.

#### **Amendment**

Amend RSA 126-A:10-c, I as inserted by section 1 of the bill by inserting after subparagraph (m) the following new subparagraphs:

(n) One individual representing the New Hampshire Health Care Association, nominated by such association and appointed by the governor.

(o) One individual representing organized labor, appointed by the governor.

(p) One individual representing the New Hampshire Hospitality Association, appointed by the executive director of such association.

(q) One individual representing the Small Business Development Center - N.H., appointed by the center.

Amend RSA 126-A:10-c, II as inserted by section 1 of the bill by replacing it with the following:

II. The term of office of each member appointed under paragraph I(l) through (q) shall be 2 years and until a successor is appointed and qualified. The term of office for any other members of the advisory committee shall be co-terminous with the term of office in the position that qualifies that member to be a member of the advisory committee. A vacancy shall be filled in the same manner but only for the unexpired term.

**HB 478-FN**, relative to the emergency shelter program. **OUGHT TO PASS WITH AMENDMENT.**

This bill clarifies that the existing emergency shelter program is currently providing related supportive and preventive services. This bill was requested by the Division of Mental Health and Developmental Services, the Department of Health and Human Services, and calls for no new requirements. The Division has determined that this bill will have no fiscal impact on state, county or local revenue expenditures. Vote 11-0. Rep. Thomas G. Cain for Health, Human Services and Elderly Affairs.

#### **Amendment**

Amend RSA 126-A:43-a as inserted by section 1 of the bill by replacing it with the following:

126-A:43-a Purpose. The purpose of this subdivision is [both] to assist in maintaining and making available additional emergency shelter facilities *and other supportive and preventive services* and to assist in meeting the operating costs of such shelters *and services*.

Amend RSA 126-A:43-c as inserted by section 3 of the bill by replacing it with the following:

126-A:43-c Capital Construction and Rehabilitation. Such funds as the general court may specifically appropriate from time to time may be granted to private non-

profit organizations on an equal matching grant formula basis for the capital costs of renovation, major rehabilitation, or conversion of buildings for use as emergency shelters for the homeless. Such organizations may also use such funds to add additional beds to existing emergency shelters [and], *to maintain such shelters* and to provide related supportive *and* preventive services.

Amend RSA 126-A:43-e, II(d) as inserted by section 4 of the bill by replacing it with the following:

(d) With respect to grants for supportive and preventive services, that such assistance will enable persons assisted to obtain permanent housing and that such services are for the public use and the public benefit.

Amend RSA 126-A:43-h, IV(a) as inserted by section 5 of the bill by replacing it with the following:

(a) Advise the director of the division of mental health and developmental services on any matter related to the emergency shelter program *and the preventive and supportive services provided under this subdivision*.

#### AMENDED ANALYSIS

This bill makes it clear that the emergency shelter program also provides related supportive and preventive services in an effort to find homeless persons permanent housing.

This bill was requested by the division of mental health and developmental services, department of health and human services.

**HB 487-FN**, relative to shared family liability for public assistance. **INEXPEDIENT TO LEGISLATE**.

Upon review of the testimony presented, it is clear that this bill would require complex administrative procedures. The bill may be in conflict with the United States Constitution and in violation of the federal welfare laws. The Committee further felt that those families that are in a position to help currently are helping other less fortunate family members. Vote 13-0. Rep. Thomas G. Cain for Health, Human Services and Elderly Affairs.

**HB 148**, relative to the duties and liabilities of roller skating facility operators and roller skaters. **INEXPEDIENT TO LEGISLATE**.

The Committee believes the bill, though well-intended, establishes a poor precedent by allowing a private group to establish standards that rinks will have to meet. The potential for increasing litigation with no economic relief for current conditions negates what the bill wants to accomplish. Vote 12-0. Rep. Janet G. Wall for Judiciary.

**HB 170-FN**, to provide immunity to the board of examiners of psychologists, its agents, investigators, and employees against civil actions resulting from disciplinary investigations and proceedings. **OUGHT TO PASS WITH AMENDMENT**.

This bill provides to the Board of Psychologists, its agents, investigators, and employees immunity from civil action resulting from disciplinary investigations and proceedings. The Committee felt it would be inappropriate to designate a specific organization, such as the New Hampshire Psychological organization, for immunity within the act. Vote 16-1. Rep. Benjamin J. DePecol for Judiciary.

### Amendment

Amend RSA 330-A:14, IV as inserted by section 2 of the bill by replacing it with the following:

IV. No civil action shall be maintained against the board or any member thereof, or its agents, investigators, employees or any professional organization, or against any other person for or by reason of any statement, report, communication or testimony to the board, or determination by the board in relation to disciplinary proceedings and investigatory proceedings under this section; provided that such statement, report, communication, or determination is made in good faith.

**HB 183-FN**, relative to the imposition of fines for securities violations. OUGHT TO PASS WITH AMENDMENT.

This bill clarifies that an administrative fine may be imposed for each individual violation of a securities law or rule. The amendment changes the effective date to July 1, 1991. Rep. David D. Hultgren for Judiciary.

### Amendment

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect July 1, 1991.

**HB 184-FN**, relative to civil penalties for securities violations. OUGHT TO PASS WITH AMENDMENT.

The amendment makes clear that each violation will be considered separately, thereby allowing multiple fines for each case where there are multiple violations of security regulations. Vote 17-0. Rep. Niels F. Nielsen for Judiciary.

### Amendment

Amend RSA 421-B:23, III as inserted by section 1 of the bill by replacing it with the following:

III. The attorney general may bring an action in the name of the state for injunctive relief and civil penalties for violations of any provision of this chapter. *In any action brought by the attorney general, the civil penalties shall not exceed \$5,000 for each violation in the case of knowing violations, or \$2,500 for each violation in the case of negligent violations, and each of the acts specified shall constitute a separate violation.* The action may be brought in the superior court of the county in which the defendant resides or has his principal place of business, or, with the consent of the parties or if the defendant is a nonresident and has no place of business within the state, in the superior court of Merrimack county.

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect July 1, 1991.

**HB 554-FN**, permitting the Wolfeboro district court and the Ossipee district court to hold sessions in the same location. RE-REFER TO COMMITTEE.

The sponsors recommend that this bill be re-referred to give those who are interested a chance to resolve the issues. Vote 12-0. Rep. Robert A. Lockwood for Judiciary.

**HB 636-FN**, increasing witness fees and mileage. INEXPEDIENT TO LEGISLATE.

This bill called for a 50 percent increase in witness fees. It would cost a great deal of money that the State doesn't have. The FN would call for expenditures of \$431,402 in FY'91 and \$950,560 in FY'92. Vote 14-0. Rep. Peter Hoe Burling for Judiciary.

**HB 668-FN**, making theft of a motor vehicle a misdemeanor. INEXPEDIENT TO LEGISLATE.

The day this Committee heard this bill its schedule was running two hours behind and that perhaps had something to do with the attendance at this hearing. The Committee, however, received no communication from the sponsors that would explain their intentions. The Committee has no understanding of why the state should make theft of a motor vehicle a misdemeanor! This is a serious offense and a serious problem which should remain treated as such. Vote 11-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 677-FN**, establishing a two-year pilot program in Rockingham county eliminating the trial de novo system in misdemeanor cases. RE-REFER TO COMMITTEE.

The Task Force to Study the Elimination of the Trial De Novo System plans to come in this summer with an omnibus bill implementing the Supreme Court's long-range report on the court in the 21st Century. Vote 14-0. Rep. Elizabeth D. Lown for Judiciary.

**HB 681-FN**, relative to a private property protection act. RE-REFER TO COMMITTEE.

The private property protection act is a bill worthy of further study. Because of time restraints the Committee recommends re-referral. Vote 15-0. Rep. David D. Hultgren for Judiciary.

**HB 708-FN**, relative to reckless conduct. INEXPEDIENT TO LEGISLATE.

The sponsor recommends Inexpedient to Legislate because the issue is covered in another bill. Vote 12-0. Rep. Robert A. Lockwood for Judiciary.

**HB 728-FN**, relative to eliminating state-funded DWI offender rehabilitation programs and ordering minors to attend alcohol education programs. INEXPEDIENT TO LEGISLATE.

The Committee has grave concerns with the motivation behind this legislation. The testimony from private companies that provide this same service added to this concern. The Office of Drug and Alcohol Prevention (ODAP) is doing an admirable job in providing this service. In the last session this Committee passed legislation that significantly will impact the state's ability to be reimbursed for these services. One should never punish a job well done. The Fiscal Note also points out this bill can decrease state expenditures. Vote 15-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 337-FN**, relative to drug and alcohol testing in the workplace. RE-REFER TO COMMITTEE.

The Committee recognizes that HB 337 is necessary legislation, but that additional work needs to be done to address the subject properly. Vote 14-1. Rep. David O. Dow for Labor, Industrial and Rehabilitative Services.

**HB 24-FN**, prohibiting departments from mandating by rule programs or responsibilities to political subdivisions without full funding. RE-REFER TO COMMITTEE.

The Committee moved to re-refer this bill at the request of the sponsor. Vote 13-0. Rep. Robert A. Lockwood for Legislative Administration.

**HB 287-FN**, relative to charging expenses for state police services at certain events. INEXPEDIENT TO LEGISLATE.

The subject matter of this bill is adequately addressed in RSA 105:9 III-a which covers the "service of any police officers." As written, the sponsor of any public meeting or function requiring the attendance of police officers may be charged for the

"services of any police officers." The method of payment for such services is an internal matter. The state should neither be expected nor be asked to serve as mediator in minor technical aspects of operating a department. To introduce the same subject matter specifying "state police" is redundant, and does not require statutory emphasis. Vote 15-0. Rep. Frances L. Riley for Public Protection and Veterans Affairs.

**HB 608-FN**, relative to the law enforcement authority of forest rangers and officials of the division of forests and lands. **OUGHT TO PASS WITH AMENDMENT.**

The Forest Rangers of the Department of Resources and Economic Development (DRED) are responsible for the protection of state lands under the control of DRED, and for the control of persons who enter upon and use such lands. There are 12 Forest Rangers who police and control the state lands in New Hampshire. Their education will be enhanced by their attendance at the New Hampshire Police Academy, to attain the status of "part-time police officer." The rangers may then make arrests without a warrant, and they may prosecute cases in municipal and district courts. A small portion of the fines levied by the courts for forest land violations will be used by the Commissioner of DRED for further training of Forest Rangers. Vote 14-0. Rep. Leroy C. Thayer for Public Protection and Veterans Affairs.

#### **Amendment**

Amend RSA 224:55 as inserted by section 4 of the bill by replacing it with the following:

224:55 Fines. The court or justice of any court in which a complaint for a violation of any law, rule, or regulation relating to this chapter and other laws pertaining to the protection, improvements and extension of woodlands is prosecuted shall, within 30 days after any fine or forfeiture is paid, remit the amount of such fine or forfeiture to the commissioner of the department of resources and economic development, provided, however, that from each fine collected by a municipal or district court, there shall be deducted \$10 and 20 percent of that part of the fine that exceeds \$10 and the same shall be dispensed of as provided for in RSA 502:14 or 502-A:8. Provided further that any fine or forfeiture collected by a superior court shall be retained to the benefit of the county, and disposed of as provided for in RSA 499:5. The portion of the fine or forfeiture returned to the commissioner shall be placed in an account which shall be continually appropriated to the division of forests and lands for the purpose of training forest protection personnel.

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect upon its passage.

Referred to Appropriations.

**HB 327-FN**, relative to the disposal of state-owned real estate. **OUGHT TO PASS WITH AMENDMENT.**

This bill exempts the exchange of state-owned lands from the requirements of RSA 4:40 and thereby reduces processing time from 8 to 12 months to 1-2 months. The amendment includes the sale of buildings needed to be moved to clear the right-of-way. Vote 11-0. Rep. Daniel P. McNerney for Public Works.

**Amendment**

Amend RSA 4:40, IV as inserted by section 1 of the bill by replacing it with the following:

IV. This section shall not apply to sale of institutional lands as provided by RSA 10:4, to real estate given or bequeathed to the state under provisions of trust, or to state lands or their products required to be held to procure a continuance of federal conservation work. *This section shall also not apply to the exchange of state-owned lands for other lands of equal or greater value, which are under the jurisdiction of a department and used by such department during right-of-way negotiations or to the sale of buildings that need to be moved to clear such right-of-way for public projects found necessary under other state laws.*

**AMENDED ANALYSIS**

This bill exempts lands, owned by state departments, which are exchanged for other lands during right-of-way negotiations and the sale of buildings which need to be moved to clear such right-of-way for public projects from the law regulating disposal of state-owned real estate.

This bill is a request of the department of transportation.

**HB 372-FN**, relative to further protection of scenic roads in municipalities. **ought to pass with amendment.**

This legislation is an attempt to clarify, particularly by cross-reference to all pertinent statutes, the laws protecting scenic roads. Not all but some towns have experienced some abuse because various parties refer to different RSAs. This should allow for a more understandable interpretation. The Subcommittee included two members from the Committee on Municipal and County Government. Vote 14-1. Rep. Sandra B. Keans for Public Works.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to further protection of scenic roads  
in municipalities and the removal of  
trees posing a safety hazard.

Amend the bill by replacing all after the enacting clause with the following:

1 Removal of Certain Hazardous Trees. Amend RSA 231:145 to read as follows:

231:145 Removal of Certain Hazardous Trees. Notwithstanding the provisions of other sections of this subdivision or any other provision of law, the commissioner of transportation on class I and III highways, and state maintained portions of class II highways, and the mayors of cities and the selectmen of towns and the county commissioners for unorganized places on class IV, V and VI highways and town maintained portions of class II highways may declare any tree, either alive or dead, situated within the limits of highways, roads, or streets to be a public nuisance by reason of danger to [traffic] *the traveling public* or spread of tree disease. After such declaration by such authority and notice to the abutting landowner on whose property such tree is located the said authority shall within a reasonable time remove the same without compensation or cost to the abutter. However, no such declaration and notice shall be required [for the annual removal of trees and bushes that cause damage to the highways or to the traveling public or are objectionable from the material or artistic

standpoint as provided in RSA 231:150] *when the delay entailed by such declaration and notice would pose an imminent threat to safety or property*. The provisions of this section shall not apply to public shade or ornamental trees. Nothing in this subdivision shall be construed to relieve the public utility companies of their accepted responsibility of tree trimming and tree removal for the protection of their lines, or for the construction of new lines, or to alter the provisions of RSA 231:150-182 in any manner. The aforesaid state and municipal authorities may require of the public utilities owning lines which pass through or near a tree or trees which are condemned for removal as a public nuisance to assist in their removal at their expense by either the temporary removal of their lines or by causing to be removed at their expense the top portion of said tree or trees from a point below their lines.

2 Clearing Highways of Certain Travel Hazards. Amend RSA 231:150 to read as follows:

231:150 Clearing Highways. Mayors of cities, selectmen of towns and county commissioners for unorganized places shall annually [during August or September], and at other times when advisable, cause to be cut and disposed of from within the limits of town maintained highways all trees and bushes that *may* cause damage *or pose a safety hazard* to such highways or to the traveling public[, or that are objectionable from the material or artistic standpoint]; *provided however that no tree which has a circumference of 15 inches or more at a point 4 feet from the ground shall be removed in the absence of notice to the abutter in the same manner as provided in RSA 231:145 and RSA 231:146, except when the delay entailed by such notice would pose an imminent threat to safety or property*. Shade and fruit trees that have been set out or marked by the abutting landowners or by the town tree wardens, and young trees standing at a proper distance from the highway and from each other, shall be preserved, as well as banks and hedges of bushes that serve as a protection of the highway, or that add to the beauty of the roadside.

3 Designation as a Scenic Road. Amend RSA 231:158, II to read as follows:

II. Upon a road being designated as a scenic road as provided in RSA 231:157, any repair, maintenance, reconstruction, or paving work done with respect thereto *by the state or municipality, or any action taken by any utility or other person acting to erect, install or maintain poles, conduits, cables, wires, pipes or other structures pursuant to RSA 231:159-189* shall not involve [or include] the cutting, *damage* or removal of trees, or the tearing down or destruction of stone walls, or portions thereof, except with the prior written consent of the planning board, or any other official municipal body designated by the meeting to implement the provisions of this subdivision, after a public hearing duly advertised as to time, date, place and purpose. 2 times in a newspaper of general circulation in the area, the last publication to occur at least 7 days prior to such hearing, provided however that a road agent, *his designee, or a public utility* may, *without such hearing, but only with the written permission of the selectmen*, remove *trees or* portions of trees[, shrubs, vegetation and other natural or man-made obstructions from within 3 feet of the main traveled portion of such road which interfere with the safe travel upon such road without such consent, and provided further that a road agent may, in emergency situations, cut and remove trees with the written consent of the selectmen without such hearing] *which have been declared a public nuisance pursuant to RSA 231:145 and 231:146, when such trees or portions of such trees pose an imminent threat to safety or property, or when such removal is necessary for the prompt restoration of utility service which has been interrupted by facility damage due to storms or other outside forces*.

4 Shade and Ornamental Trees. Amend RSA 231:158, IV to read as follows:

IV. Designation of a road as a scenic road shall not affect the rights of any landowner with respect to work on his own property, *except to the extent that trees have been acquired by the municipality as shade or ornamental trees pursuant to RSA 231:139-156, and except that RSA 472:6 limits the removal or alteration of boundary markers including stone walls.*

V. *A town may, as part of a scenic road designation under RSA 231:157 or as an amendment to such designation adopted in the same manner, impose provisions with respect to such road which are different from or in addition to those set forth in this section. Such provisions may include, but are not limited to, decisional criteria for the granting of consent by the planning board or other designated municipal body under paragraph II, or protections for trees smaller than those described in paragraph I, designated for the purpose of establishing regenerative growth along the scenic road.*

VI. *Any person who violates this section or any local provision adopted under this section shall be guilty of a violation and shall be liable for all damages resulting therefrom.*

5 Cutting Trees. Amend RSA 231:172 to read as follows:

231:172 Cutting Trees. No such licensee shall have the right to cut, mutilate or injure any shade or ornamental tree, for the purpose of erecting or maintaining poles or structures or installing wires or other attachments or appurtenances thereto, without obtaining the consent of the owner of the land on which such tree grows or the payment or tender in full of damages therefor determined as provided in this section. If the consent of such owner cannot be obtained, the selectmen, upon petition, after notice to *the owner* and hearing, shall determine whether the cutting or mutilation is necessary and if determined to be necessary, they shall assess the damages that will be occasioned to the owner thereby. *Upon highways which have been designated scenic roads pursuant to RSA 231:157 and RSA 231:158, cutting shall be further restricted as set forth in those sections or any local provisions adopted thereunder.*

6 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill clarifies the effect of designating a town or city highway as a scenic road.

The bill allows towns greater flexibility in determining the elements worth protecting on a scenic road and the rights of landowners with respect to trees and boundary markers which make a road scenic.

The bill also allows, under certain conditions, the cutting of trees which pose a danger to the traveling public.

**HB 379-FN**, relative to advertising devices within highway rights-of-way. RE-REFER TO COMMITTEE.

After substantial testimony, it became painfully clear that there is a major difference of opinion as to whether abutters may have signs in the right-of-way on very narrow roads. There seems to be a question as to the federal regulation and its "vigorous" enforcement. This has been a cause for relief legislation for at least four years. Further time should resolve the disagreement. Vote 15-0. Rep. Sandra B. Keans for Public Works.

**HB 388-FN**, relative to New Hampshire Route 101A. **INEXPEDIENT TO LEGISLATE.**

The Department of Transportation has been working on this 101A bypass for two years doing environmental impact studies which are necessary to satisfy the federal requirements. The Committee is confident that improvements will be started in a reasonable time and will satisfy the majority of people in the area. Vote 15-0. Rep. Sandra B. Keans for Public Works.

**HB 600-FN**, providing additional protection to historic boundaries. **INEXPEDIENT TO LEGISLATE.**

The protection asked for in this bill is covered by current Department of Transportation policy which states that the landmarks in question such as stone walls and monuments must first be avoided and; if that's not possible, to be set back and reconstructed. The Committee feels that the Department of Transportation policy is working well. Vote 11-4. Rep. David K. Wheeler for Public Works.

**HB 688**, relative to the Mount Washington Regional and the Berlin Municipal Airports. **OUGHT TO PASS.**

This bill redesignates the use of \$200,000 which was appropriated in 1989, but not spent, to the Department of Transportation for the Mount Washington Regional Airport in Whitefield and for the Berlin Municipal Airport. It extends the lapse date to June 30, 1993. Vote 12-0. Rep. Dennis J. Kilbride for Public Works.

Referred to Appropriations.

**HB 700-FN**, relative to highway planning corridors. **OUGHT TO PASS.**

This bill authorizes state and local units of government to create highway planning corridors within which public highways are to be designed, and laid out in the near future, and to impose temporary development restriction upon land within such corridors. Vote 11-0. Rep. Beaton Marsh for Public Works.

**HB 761-FN**, transferring ownership of certain state land. **OUGHT TO PASS WITH AMENDMENT.**

The amendment provides that subject to approval of Governor and Council, Bancroft Products, Inc. may lease from New Hampshire Hospital the land and buildings on the easterly side of Iron Works Road in Concord, New Hampshire, currently occupied by Bancroft Products, Inc. Such lease shall be for no more than one (1) dollar per year and shall require that Bancroft Products meet all expenses of maintenance and operation of the facility and operate in compliance with the requirements of RSA 275-C. Vote 15-0. Rep. Peter M. Stio for Public Works.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to leasing certain state land.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The general court recognizes the significant contribution that Bancroft Products, Inc. has made to the state of New Hampshire and to its political subdivisions. Bancroft Products, Inc. assists unemployed and underemployed adults through its vocational services and employment opportunities to obtain and maintain optimal independence and to function socio-economically in the community.

The general court notes that Bancroft Products, Inc. has spent in excess of \$500,000 in capital improvements to the facility which is currently leased from the state of New Hampshire.

**2 Lease of Property: Termination of Lease.**

I. Subject to approval of governor and council, Bancroft Products, Inc. may lease from New Hampshire hospital the land and buildings on the easterly side of Iron Works Road in Concord, New Hampshire currently occupied by Bancroft Products, Inc. Such lease shall be for no more than \$1 per year and shall require that Bancroft Products, Inc. meet all expenses of maintenance and operation of the facility and operate in compliance with the requirements of RSA 275-C.

II. New Hampshire hospital may terminate the lease with Bancroft Products, Inc. by providing at least a one-year notice, or by providing 30 days' notice if Bancroft Products, Inc. fails to use the facility to provide services to unemployed and underemployed adults.

**3 Effective Date.** This act shall take effect July 1, 1991.

**AMENDED ANALYSIS**

This bill authorizes the New Hampshire hospital to lease to Bancroft Products, Inc. certain land and buildings on Iron Works Road in Concord, New Hampshire for a sum not to exceed \$1 per year. The bill provides that if Bancroft Products, Inc. no longer provide services to its clients, the lease of such property shall be terminated by a 30-day notice from the hospital.

**HB 765-FN**, requiring the state to pay the city of Concord for services rendered for fire and police coverage. **INEXPEDIENT TO LEGISLATE.**

The Committee listened to considerable testimony relative to the state reimbursing the city of Concord for fire and police services. If this bill were to become law, the city of Concord would submit estimated costs of services to each department, with actual billing for services to begin on July 1, 1993. The Committee felt that the city should submit estimated bills and be able to arrive at a more definitive cost to the state before pursuing legislation. The state presently pays the city for false alarms in accordance with city regulations. Vote 13-2. Rep. Gene G. Chandler for Public Works.

**HB 210-FN**, creating a committee to study artificial impoundments. **OUGHT TO PASS WITH AMENDMENT.**

This bill, as amended, creates a committee to study the status of artificial impoundments to determine if the statutes that govern great ponds should include artificial impoundments. Under current law an artificial impoundment of 200 or 300 acres may not be subject to state regulation as a great pond. Vote 12-0. Rep. John B. Young for Resources, Recreation and Development.

**Amendment**

Amend the bill by replacing sections 2 and 3 with the following:

**2 Study Required.** The primary duty of the committee shall be to study the status of artificial impoundments and to determine whether or not there should be changes in the statutes that govern great ponds to include artificial impoundments.

**3 Report.** The committee shall submit a report of its findings, including recommendations for legislation, to the speaker of the house, the senate president, and the governor, on or before November 1, 1991.

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect upon its passage.

**HB 240**, restricting the use of shorefront waters. **OUGHT TO PASS WITH AMENDMENT.**

The subject matter covered in HB 240 is now included in HB 293. With the sponsor's consent, the Committee "stripped" HB 240 and used the bill number to further amplify the protection of the Kona Wildlife Management Area, articulated in HJR 2.

As amended, HB 240 adds the Kona Wildlife Management Area in Moultonborough to RSA 219-A, which is a list of state-owned land that shall not be disposed of without permission of the Legislature. The Committee hopes that this action, together with the passage of HJR 2, will finally put to rest all questions concerning the disposition of Kona. Vote 12-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to the disposition of the Kona Wildlife Management Area.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Kona Wildlife Management Area Added. Amend RSA 219-A:2 by inserting after paragraph XIII the following new paragraph:

XIV. Kona Wildlife Management area, consisting of approximately 320 acres in the town of Moultonboro.

2 Effective Date. This act shall take effect 60 days after its passage.

#### **AMENDED ANALYSIS**

This bill adds the Kona Wildlife Management area to the list of public lands that are owned and retained by the state.

**HB 351**, relative to personal flotation devices for sailboards. **OUGHT TO PASS WITH AMENDMENT.**

Although the Committee initially was skeptical about this legislation, impressive testimony from the sponsors as well as novice and expert sailboarders convinced the Committee that the decision to wear a personal flotation device (PFD) is best made by the sailboarder. Only a handful of states still have this law on the books, as the evolution of the sport shows that PFDs can do more harm than good. The amendment formally defines "sailboard" and instructs the Department of Safety to report back to the Legislature on the effect of this act. Vote 11-2. Rep. Steven R. Maviglio for Resources, Recreation and Development.

#### **Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Sailboards. Amend RSA 270 by inserting after section 30-b the following new section:

270:30-c Sailboards. Notwithstanding any other provision of law except RSA 270:30-a, sailboards shall not be required to be equipped with personal flotation devices, and persons on sailboards shall not be required to wear these devices or to have them readily available. For the purposes of this section, "sailboard" means any unsinkable surfboard with a free-falling mast, sail and boom attached by means of a

swivel or flexible universal joint to the hull, which free falling mast, sail and boom are supported by the sailor in use and act as a sea anchor when released.

2 Report Required. The department of safety shall submit a report on the effect of this act, including the number of reported accidents, on or before November 1, 1992, to the speaker of the house and the president of the senate.

3 Effective Date. This act shall take effect upon its passage.

**HB 357-FN**, establishing a fee for administering the state water pollution control revolving loan fund. RE-REFER TO COMMITTEE.

HB 357 is re-referred to the 1992 session so that the Department of Environmental Services will have an opportunity to work with the Resources, Recreation and Development Committee to develop appropriate interest rates and administrative fees to be charged for loans and services rendered under the New Hampshire Water Pollution Control Revolving Loan Fund. The Committee has become convinced that the policy committee should not abrogate its rights to establish fee levels charged for administrative expenses. Hopefully, by November 1, 1991, the Department of Environmental Services will have determined what its administrative expenses are and what level of dedicated funds will be necessary. Vote 12-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

**HB 505-FN**, relative to the distribution of the normal yield tax. RE-REFER TO COMMITTEE.

The Committee wishes to re-refer HB 505 because it believes that the only way to ensure fire safety during periods of high fire danger is with manned fire towers. Since 1978, the general fund has been paying for this public service. Cutting this funding from the budget in the summer of 1990 was foolish. New Hampshire forests are critical to tourism and the forest industries which rank first and third as a source of employment and income for the state. Failure to properly fund forest fire protection strikes at the very heart of what New Hampshire represents. How many of you remember the Brownfield Burn and the Ossipee Mountain fire in the late forties? The proper funding of this program is a high priority item for the Committee on Resources, Recreation and Development. Vote 12-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

**HB 512-FN**, relative to the city of Concord's rights to draw water from the Contoocook River. INEXPEDIENT TO LEGISLATE.

The Assistant Commissioner of the Department of Environmental Services, in his testimony, pointed out that permission for water withdrawals from the Contoocook River by the city of Concord is already in the statutes and the bill is redundant. A copy of the law was furnished to the Committee. Vote 12-0. Rep. Mary Ann Lewis for Resources, Recreation and Development.

**HB 578**, establishing an advisory committee on Governors state park in Laconia. OUGHT TO PASS WITH AMENDMENT.

This legislation sets up an advisory committee to assist the Department of Resources and Economic Development in designing Governors State Park on the former Laconia State School grounds on Lake Winnisquam in Laconia. The amendment adds a representative from the greater Laconia/Weirs Beach Chamber of Commerce. Vote 14-0. Rep. Steven R. Maviglio for Resources, Recreation and Development.

### Amendment

Amend RSA 216-H:5, II(c) as inserted by section 1 of the bill by replacing it with the following:

(c) Representatives of the following organizations, appointed by the governor:

- (1) One elected public official from the town of Belmont.
- (2) One elected public official from the town of Sanbornton.
- (3) One elected public official from the town of Meredith.
- (4) One elected public official from the town of Tilton.
- (5) One elected public official from the city of Laconia.
- (6) One member of the Lake Winnisquam Association.
- (7) One member of the Sanbornton Bay Association.
- (8) One member of the Lakes Region Planning Commission.
- (9) One member of the Greater Laconia/Weirs Beach Chamber of Commerce.

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect upon its passage.

**HB 609-FN**, relative to mountain ridge protection. INEXPEDIENT TO LEGISLATE.

To protect mountain ridges over a certain height from overdevelopment, this bill would require municipalities to follow certain guidelines or to adopt a protection ordinance. While the Committee shares the concern for the protection of important ridges from inappropriate development, it feels that regulation can be handled at the local level with the planning and zoning authority of the towns. Vote 12-0. Rep. Barbara A. Upton for Resources, Recreation and Development.

**HB 745-FN**, relative to sewage disposal systems. OUGHT TO PASS WITH AMENDMENT.

Thousands of sellers of real estate have been in violation of an obscure statute requiring the seller to transfer to the buyer all pertinent information relative to the septic system. The existing statute had two flaws; the first being that it was buried in the Water Laws rather than being located in the Real Estate Law where it would have been noticed. Secondly, most information relative to a property's septic system is generally hand-me-down hearsay or outright myth. This bill deletes the unenforced existing statute, replaces it by recording a reference to the approved and installed septic system as an addendum to the deed and places a cross-reference into the Real Estate Law. Vote 12-0. Rep. Donald L. Roulston for Resources, Recreation and Development.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Notification Required; Subsurface Disposal Systems. Amend RSA 477 by inserting after section 4-a the following new section:

477:4-b Notification Required; Subsurface Disposal Systems. Any person seeking to obtain approval for a subsurface sewage disposal system shall meet the requirements set forth in RSA 485-A:29 and 30.

2 Approval for Operation Numbers. RSA 485-A:29, II is repealed and reenacted to read as follows:

II. Approval for operation numbers shall be recorded by the division with the registry of deeds in each county for each system. Permitted designers of subsurface

sewage disposal systems shall obtain the registry of deeds volume and page numbers for each lot that relates to the septic system application and provide them to the division. The division shall develop and approve an outline of brief instructions for the periodic maintenance, care and proper usage of waste disposal systems, including a warning of the potential public health hazard and pollution of public and private water supplies and surface water of the state from improperly maintained sewage and waste disposal systems.

3 Fees. Amend RSA 485-A:30 to read as follows:

485-A:30 Fees.

*I. Any person submitting plans and specifications for a subdivision of land shall pay to the division a fee of \$80 per lot. Said fee shall be for reviewing such plans and specifications and making site inspections. Any person submitting plans and specifications for sewage or waste disposal systems shall pay to the division a fee of \$80 for each system. Said fee shall be for reviewing such plans and specifications, making site inspections, and for the administration of sludge and septage management programs. The fees required by this paragraph shall be paid at the time said plans and specifications are submitted and shall be deposited with the treasurer as unrestricted revenue. For the purposes of this paragraph, the term "lot" shall not include tent sites or travel trailer sites in recreational parks which are operated on a seasonal basis for not more than 9 months per year.*

*II. Any person submitting plans and specifications for sewage or waste disposal systems shall pay to the division a fee for each system for recording the approval for operation number with the registry of deeds and for handling costs. Such fee shall be the same as that established by the registry of deeds for the recording of such documents. All fees collected under this section shall be deposited with the state treasurer and reserved in a special non-lapsing sewage disposal system fund which shall be continually appropriated to the division to be used for the administration of this section.*

4 New Subparagraph; Application of Receipts; Sewage Disposal System Fund. Amend RSA 6:12, I by inserting after subparagraph (mm) the following new subparagraph:

(nn) Money received under RSA 485-A:30, II, which shall be credited to the sewage disposal system fund.

5 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill requires the division of water supply and pollution control to record approvals of sewage or waste disposal systems with the registry of deeds. Any person submitting plans and specifications for sewage or waste disposal systems shall pay the division a fee for recording and handling costs. These fees shall be deposited in a special fund which is continually appropriated to the division.

Referred to Appropriations.

**HB 440**, relative to cable television franchises. INEXPEDIENT TO LEGISLATE.

HB 440 would apply pressure on all New Hampshire cable TV systems to carry all New Hampshire TV stations on their lower 12 channels (2-13). This bill appears to be in response to a disagreement between Channel 60 in Merrimack and certain cable franchises. The Committee believes this is a local issue and one that does not require a legislative solution. Vote 10-0. Rep. Charles C. Vogler for Science, Technology and Energy.

**HB 484-FN**, relative to when electric companies are public utilities and affiliates of public utilities. **OUGHT TO PASS WITH AMENDMENT.**

This bill allows municipal electric companies to supply electric customers beyond their municipal boundaries without the necessity of becoming a "Public Utility" subject to the control of the Public Utilities Commission. Vote 10-0. Rep. Thomas E.P. Rice for Science, Technology and Energy.

#### **Amendment**

Amend the bill by replacing section 1 with the following:

1 New Section: Electric Companies, When Public Utilities. Amend RSA 362 by inserting after section 4 the following new section:

362:4-a Electric Companies, When Public Utilities.

I. A municipal corporation furnishing electric utility services outside its municipal boundaries shall not be considered a public utility under this title for the purpose of accounting, reporting, or auditing functions with respect to said service.

II. A municipal corporation furnishing electric utility services shall not be considered a public utility under this title if it serves customers outside of its municipal boundaries and charges such customers a rate no higher than that charged to its customers within the municipality, and provides those customers a quantity and quality of electricity equal to that served customers within the municipality. Nothing in this section shall exempt a municipal corporation from the franchise application requirements of RSA 374.

#### **AMENDED ANALYSIS**

This bill specifies that a municipal corporation furnishing electricity outside its municipal boundaries is not considered a public utility for certain purposes. A municipal corporation shall not be considered a public utility if it serves customers outside of its municipal boundaries and charges such customers a rate no higher than those charged to its customers within the municipality, and those customers are served a quantity and quality of electricity equal to that served to customers within the municipality.

The bill also enlarges the definition of "affiliate" in relation to public utilities.

**HB 362-FN**, establishing the northeast conservation law enforcement compact. **OUGHT TO PASS.**

The Committee strongly supports this legislation as a positive step towards establishing interstate cooperation in the enforcement of wildlife laws. Modeled after the New England State Police Compact, the Conservation Law Compact would facilitate mutual assistance among the northeastern states by exchanging personnel and equipment, and by creating a system to identify interstate commercial wildlife violators. Vote 14-0. Rep. Mary P. Chambers for State-Federal Relations.

**HB 151-FN**, establishing a committee to study the use and preservation of the buildings and grounds at the state hospital. **INEXPEDIENT TO LEGISLATE.**

The body of this bill has been merged into HB 219. Vote 12-0. Rep. Scott E. Green for State Institutions and Housing.

**HB 284**, relative to leases for tenants of manufactured housing parks. **INEXPEDIENT TO LEGISLATE.**

Both sides on this issue said that they preferred legislation on rental agreements rather than lease agreements. Vote 10-0. Rep. Scott E. Green for State Institutions and Housing.

**HB 368-FN**, naming the Parker L. Hancock building of the New Hampshire state prison. OUGHT TO PASS.

With great pleasure, the entire Committee voted to pass this bill. Parker L. Hancock gave of his time, his expertise, his vast knowledge to the penal system of the State of New Hampshire. His devotion to his work and his dedication to all peoples of the state is little recognized by the simple act of naming a state building after this honorable man. The FN calls for state expenditures of \$500 in FY'91. Vote 11-0. Rep. Lowell D. Apple for State Institutions and Housing.

**HB 335**, relative to license plates for antique motor cars. OUGHT TO PASS WITH AMENDMENT.

This bill allows antique motor vehicles to display registration plates issued the same year that the antique motor vehicle was manufactured provided the vehicle carries within it a valid antique motor car registration and a permit issued by the Director. Vote 12-0. Rep. Kenneth W. Malcolm for Transportation.

#### Amendment

Amend RSA 261:89-a as inserted by section 1 of the bill be replacing it with the following:

261:89-a Antique Motor Car Plates. The director may permit the owner of an antique motor car, as defined in RSA 259:4, to use a registration plate which was issued in the same year that the antique motor car was manufactured, provided the owner obtains a permit issued pursuant to this section stating that the date of manufacture was 1942 or earlier, the motor car is registered as an antique motor car under this chapter, and the number of the antique plate is recorded with the director. Any antique motor car bearing a registration plate with the year of manufacture shall also carry, within it, a valid antique motor car registration certificate and a permit issued under this section. The registration plate from 1942 or earlier shall be affixed to the front of the antique motor car. The registration plate matching the registration certificate shall be affixed to the rear of the antique motor car.

Amend the bill by replacing section 3 with the following:

3 New Subparagraph; Rulemaking; Antique Motor Car Registration Plates Permits. Amend RSA 21-P:14, III by inserting after subparagraph (hh) the following new subparagraph:

(ii) Permits for the use of antique motor car registration plates, as authorized by RSA 261:89-a.

**HB 382-FN**, relative to license plates for firefighters. INEXPEDIENT TO LEGISLATE.

No firefighters showed up to testify for or against this bill. Only one person testified in favor. The Committee felt that this special plate is not necessary and would really not serve any useful purpose. Vote 12-0. Rep. Carl S. Adams for Transportation.

**HB 419**, prohibiting the use of petroleum-powered motors on Tewksbury Pond in the town of Grafton. OUGHT TO PASS.

This bill, as last year, was voted Ought to Pass. Considering the unique features of this pond, both the House and the Senate passed this bill last year, but it was lost among its amendments during the Committee of Conference. Vote 17-0. Rep. George N. Katsakiores for Transportation.

**HB 468-FN**, prohibiting the enforcement of motor vehicle laws by off-duty police in their personal vehicles and by police in unmarked vehicles. INEXPEDIENT TO LEGISLATE.

This bill would prohibit enforcement of motor vehicle laws using unmarked vehicles or by off-duty police personnel. The Committee feels that the standard operating procedures of the the police departments cover this bill. Vote 15-1. Rep. Gordon E. Bartlett for Transportation.

**HB 518-FN**, relative to motor vehicle and boat registration revocations for court defaults and relative to the payment of court obligations. RE-REFER TO COMMITTEE.

This bill has serious questions of law. A similar Senate Bill has been passed and will come before the Transportation Committee. The Committee feels this bill has many good points and asks that it be re-referred to the Committee. Vote 16-2. Rep. Sherman A. Packard for Transportation.

**HB 543-FN**, relative to motor fuel quality. INEXPEDIENT TO LEGISLATE.

This bill creates an inspection and testing program and funds a laboratory for this purpose. The Committee feels that the cost to implement this bill is not warranted at this time. Vote 15-0. Rep. Gordon E. Bartlett for Transportation.

**HB 719-FN**, establishing an assessment on DWI-related license restorations. INEXPEDIENT TO LEGISLATE.

The Committee felt that this issue was already properly addressed in RSA 263:42, V, where there is a \$40 reinstatement fee ordered in cases where a driver's license has been suspended or revoked for more than 15 days. Therefore, this placed an extra burden on an already heavily penalized segment of society. Vote 15-0. Rep. Andrew Christie, Jr. for Transportation.

**HB 315-FN**, imposing a \$25 filing fee under the timber tax. INEXPEDIENT TO LEGISLATE.

The Committee opposes this additional fee which would provide funding for a Department of Revenue Administration position related to the Timber Tax. Testimony was presented that such a fee could discourage compliance with the Timber Tax Laws. Vote 16-0. Rep. Douglass P. Teschner for Ways and Means.

### **(Rep. Gross in the Chair) PRESENTATION**

By the House Committee on Appropriations:

Rep. Hager, Chairman of the Appropriations Committee, recognized the members of the Committee and gave an explanation of the House budget document. She then described the method the Committee is taking in drafting the budget for 1992. HB 25 will contain spending within the amount of the revenues estimated by the Ways and Means Committee based on taxes currently in the statutes for the fiscal year 1992. HB 26 will contain the remaining state programs and obligations for which the Committee believes revenues should be raised.

Reps. Channing Brown, LaMott and Douglas Hall, Chairmen of the Appropriations Subcommittees, reviewed the programs and cuts that are being considered in drafting of HBs 25 and 26.

The Committee members yielded to questions.

**(Speaker Burns in the Chair)**  
**REGULAR CALENDAR**

**HB 331-FN**, establishing a legislative oversight committee on children. **OUGHT TO PASS WITH AMENDMENT.**

This bill was filed as a result of the HB 262, Chapter 395, Laws of 1990 study committee. It has unanimous support of the Committee and the Division for Children and Youth Services and it is felt that it will increase cooperation between DCYS, legislators and the public. Vote 15-0. Rep. Sharon L. Nordgren for Children, Youth and Juvenile Justice.

**Amendment**

Amend RSA 17-P:2, I(i) as inserted by section 1 of the bill by replacing it with the following:

(i) One member of the public advisory board, appointed by the public advisory board.

Amend the bill by replacing section 2 with the following:

2 Initial Appointment. In order to effect staggered terms, the initial appointments by the governor and council and the public advisory board shall be as follows:

I. The district court judge and alternate shall be appointed to a 3-year term.

II. The attorney and alternate shall be appointed to a 2-year term.

III. The member of the public advisory board shall be appointed to a one-year term.

Amend the bill by inserting after section 2 the following and renumbering the original section 3 to read as section 4:

3 Board Established. There is hereby established a public advisory board consisting of one member from each of the following: the New Hampshire Police Chiefs' Association; the New Hampshire Police Association; the New Hampshire Association of Counties; and the New Hampshire Bar Association. The board may add members upon majority vote of the members of the legislative oversight committee on children. The board shall appoint one of its members to the legislative oversight committee on children as provided under RSA 17-P:2, I(i).

Adopted.

Rep. Gross offered a floor amendment.

**Floor Amendment**

Amend RSA 17-P:5 as inserted by section 1 of the bill by replacing it with the following:

17-P:5 Report. The committee shall submit a report on its findings and recommendations for legislation and administrative changes to the speaker of the house, the senate president, and the governor on or before November 1 of each year.

Adopted.

Report adopted.

Ordered to third reading.

**HB 711-FN**, extending the reporting date for the committee to study child care in public and private sector buildings. **OUGHT TO PASS.**

The Committee is in agreement that reporting of the Committee to Study Child Care in Public and Private Sector Buildings be extended to a time to be determined by

joint rules. Vote 15-0. Rep. Virginia K. Lovejoy for Children, Youth and Juvenile Justice.

Adopted.

Rep. Gross offered a floor amendment.

#### **Floor Amendment**

Amend the bill by replacing section 1 with the following:

1 Reporting Date Extended. Amend 1990, 55:5 to read as follows:

55:5 Report. The committee shall make a report of its findings and recommendations, including any proposed legislation, to the speaker of the house and the president of the senate [in such a timely manner as to allow for the proper filing of proposed legislation in accordance with any appropriate legislative request filing deadlines as established by the Joint Rules for the 1991 legislative session] **no later than November 1, 1991.**

#### **AMENDED ANALYSIS**

The committee to study child care in public and private sector buildings is required to make a report of its findings for the 1991 legislative session. This bill extends that reporting date to November 1, 1991.

Adopted.

Ordered to third reading.

**HB 59-FN**, establishing a moratorium on private correctional facilities and creating a private prison task force. **INEXPEDIENT TO LEGISLATE.**

At least one county is talking about a joint venture to build a private correctional facility. This is not a new idea nationwide. Current negotiations would in no way bypass the need for local planning board approval. The Committee heard no testimony that would indicate a valid need for this legislation. Vote 15-0. Rep. Sandra B. Keans for Public Works.

Adopted.

**HB 219-FN**, establishing a committee to study the economic feasibility of utilizing vacant space at the New Hampshire hospital for certain state offices. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 151 and HB 219 have been merged with the consent of the sponsor. The Committee believes it to be in the best interest to restudy these buildings. Vote 12-0. Rep. Leon Calawa, Jr. for State Institutions and Housing.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

establishing a committee to study the economic feasibility of utilizing  
vacant space at the New Hampshire hospital, including the  
Walker building, for certain state offices.

Amend the bill by replacing section 1 with the following:

1 Committee Established; Purpose. A committee is hereby established to study whether it is economically feasible for state offices, currently in rental or state-owned office space, to utilize vacant space at the New Hampshire hospital, including the Walker building, and whether it would be economical and a more efficient use of space to restore and rehabilitate buildings now in use at the New Hampshire hospital.

The committee may consult with individuals and organizations having an interest and an expertise in the areas which the committee studies.

Amend the bill by replacing section 2 with the following:

2 Membership. The committee shall consist of the following:

I. Two members of the house, appointed by the speaker of the house. One of the members shall be from the house appropriations committee and one shall have experience in construction or renovation.

II. Two members of the senate, appointed by the president of the senate. One of the members shall have experience in the field of business.

III. The commissioner of the department of Health and Human Services, or designee.

IV. Two state employees, appointed by the governor. One state employee shall have knowledge of space utilization and the other shall have professional experience in construction and renovation.

V. One member of the New Hampshire Historical Society, appointed by the governor.

VI. Two members of the general public, appointed by the governor. One member of the general public shall have professional experience in renovation and the other shall be an architect.

Adopted.

Rep. Gross offered a floor amendment.

#### **Floor Amendment**

Amend the bill by replacing section 4 with the following:

4 Committee Report. The study committee shall submit a report on its findings, including recommendations for legislative or executive action, to the speaker of the house, president of the senate, and the governor no later than November 1, 1991.

Adopted.

Ordered to third reading.

#### **RESOLUTION**

Rep. Gross offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 7, 1991 at 1:00 p.m.

Adopted.

#### **LATE SESSION**

##### **Third reading and final passage**

**HB 436-FN**, making the purchase, possession, and control of child pornography a misdemeanor.

**HB 696-FN**, relative to penalties for the sale and distribution of tobacco products to minors.

**HB 454**, relative to safe deposit boxes.

**HB 525-FN**, relative to appealing recounts in town elections.

**HB 532**, relative to the color of ballots used in municipal elections.

**HB 364-FN**, relative to the opening and closing of deer season.

**HB 703-FN**, relative to the negligent discharge of firearms.

**HB 319-FN**, establishing a committee on access to health care.

**HB 478-FN**, relative to the emergency shelter program.

**HB 170-FN**, to provide immunity to the board of examiners of psychologists, its agents, investigators, and employees against civil actions resulting from disciplinary investigations and proceedings.

**HB 183-FN**, relative to the imposition of fines for securities violations.

**HB 184-FN**, relative to civil penalties for securities violations.

**HB 327-FN**, relative to the disposal of state-owned real estate.

**HB 372-FN**, relative to further protection of scenic roads in municipalities and the removal of trees posing a safety hazard.

**HB 700-FN**, relative to highway planning corridors.

**HB 761-FN**, relative to leasing certain state land.

**HB 210-FN**, creating a committee to study artificial impoundments.

**HB 240**, relative to the disposition of the Kona Wildlife Management Area.

**HB 351**, relative to personal flotation devices for sailboards.

**HB 578**, establishing an advisory committee on Governors state park in Laconia.

**HB 484-FN**, relative to when electric companies are public utilities and affiliates of public utilities.

**HB 362-FN**, establishing the northeast conservation law enforcement compact.

**HB 368-FN**, naming the Parker L. Hancock building of the New Hampshire state prison.

**HB 335**, relative to license plates for antique motor cars.

**HB 419**, prohibiting the use of petroleum-powered motors on Tewksbury Pond in the town of Grafton.

**HB 331-FN**, establishing a legislative oversight committee on children.

**HB 711-FN**, extending the reporting date for the committee to study child care in public and private sector buildings.

**HB 219-FN**, establishing a committee to study the economic feasibility of utilizing vacant space at the New Hampshire hospital, including the Walker building, for certain state offices.

Rep. Michael Hill moved that the House adjourn.  
Adopted.

The House adjourned at 3:30 p.m.

**HOUSE JOURNAL No. 10**

Thursday, March 7, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Eternal God, under whose care generation follows upon generation, grant that we who are privileged to live and to serve in this time may be ever mindful of the generations that will follow. Give to all who serve in this House, we pray, a sense of all the good future can hold for their children and grandchildren if they act wisely in the present. So grant to each member the desire and the insight to shape a government that will well serve not only today's citizens, but those of future generations as well. Amen.

Rep. Ferguson led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Eunice Campbell, Laurent Boucher, Walsh, Wihby, Eugene Clark, Anderson, Flanagan, Leclerc, Parr, Eugene Gagnon, Domini, Swope, Romeo Jean, Feuerstein, Bernard, C. Fitzgerald Buckley and Elliott, the day, illness.

Reps. Kincaid, Ralph Torr, Goulet, Daly, David Young (military service), Steiner, Palazzo, Harland and Bell, the day, important business.

Rep. Chase, the day, death in the family.

Reps. Hoelzel, Metzger, Rice and Doucette, the day, illness in the family.

**INTRODUCTION OF GUESTS**

Joan Rosen, wife of Rep. Rosen.

**EXTENSIONS**

The Committee on Executive Departments and Administration requested a two-calendar-day extension on HB 62, relative to retirement allowances under the New Hampshire retirement system.

The Committee on Executive Departments and Administration requested a two-calendar-day extension on HB 161, to allow former federal employees to purchase credit for their federal services as creditable service in the New Hampshire retirement system.

The Committee on Executive Departments and Administration requested a two-calendar-day extension on HB 317, relative to a minimum service retirement allowance for group II members.

The Committee on Executive Departments and Administration requested a two-calendar-day extension on HB 549, relative to early retirement for group I members of the retirement system.

Granted.

**RESOLUTION**

Rep. Gross offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bill numbered 784, shall be by this resolution read a first and second time by the therein listed title, sent for printing, and referred to the therein designated committee.

Adopted.

**INTRODUCTION OF HOUSE BILL****First, second reading and referral**

**HB 784**, creating a long-range construction program for New Hampshire's highways and highway bridges. (Marsh of Coos 1 - To Public Works)

**COMMITTEE REPORTS****CONSENT CALENDAR**

Rep. Hill moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**HB 424**, relative to the qualifications for a state representative to hold office, was removed at the request of Rep. Vaughn.

**HB 281**, establishing a fund for interpreter services for the hearing impaired and making an appropriation therefor, was removed at the request of Rep. Hager.

**HB 367**, relative to the profession of engineering, was removed at the request of Rep. Kidder.

**HB 408**, relative to the administration of the New Hampshire retirement system, was removed at the request of Rep. Scott Green.

**HB 506**, relative to cost-of-living increases in the AFDC standard of need, was removed at the request of Rep. Robert Foster.

**HB 268**, relative to drug-free truck stops and rest areas, was removed at the request of Rep. Pantelakos.

**HB 601**, establishing a public access advisory board and a statewide public boat access program on public waters and continually appropriating a special fund for the purposes of the program, was removed at the request of Rep. Dickinson.

**HB 620**, relative to the transportation of alcohol in open containers, was removed at the request of Rep. Jasper.

**HB 231**, to repeal the increase in the rates of certain state taxes, was removed at the request of Rep. Frances Riley.

Consent Calendar adopted.

**HB 63-FN**, relative to mental health insurance benefits. **INEXPEDIENT TO LEGISLATE**.

This bill was to establish a legislative study committee on mental health insurance contracts. The bill was requested by the Governor's Office and was flawed in the date for reporting and not needed at this time. Vote 15-0. Rep. C. Dana Christy for Commerce, Small Business and Consumer Affairs.

**HB 189**, relative to the rulemaking authority of the director of the office of securities regulation. **OUGHT TO PASS WITH AMENDMENT**.

This bill extends the date of expiration of the rulemaking authority of the Director of the Office of Securities Regulation from July 1, 1991 to July 1, 1993. Vote 12-0. Rep. John B. Hunt for Commerce, Small Business and Consumer Affairs.

**Amendment**

Amend RSA 400-A:51 as inserted by section 1 of the bill by replacing it with the following:

400-A:51 Rulemaking Authority.

[I.] The director shall adopt such rules, pursuant to RSA 541-A, as he deems reasonable and necessary in order to carry out properly the functions and responsibilities assigned the office of securities regulation under the laws of the state. This rulemaking authority shall expire on July 1, [1991] **1993**, at which time this [para-

graph] *section*, unless replaced by a later legislative enactment, shall be deemed repealed. Notwithstanding this [paragraph] *section*, the adoption of rules for the office of investigations shall be governed by RSA 400-A:51, II. *Any rules adopted under this section shall be drafted in as narrow a manner as possible, consistent with the authority granted the office under the laws of the state.*

[II. In consultation with and subject to the approval of the attorney general, the director shall adopt rules, pursuant to RSA 541-A, as he deems reasonable and necessary in order for the chief investigator to carry out properly the functions and responsibilities assigned the office of investigations under the laws of the state. This rulemaking authority shall expire on July 1, 1991, at which time this paragraph, unless replaced by a later legislative enactment, shall be deemed repealed.

III. Prior to January 1, 1991, the director shall present proposed legislation containing a specific delegation of rulemaking authority to replace this section to the chairman of the joint legislative committee on administrative rules established under RSA 541-A and to the senate president and the speaker of the house of representatives, who may refer such proposed legislation to the appropriate standing committees. This proposed legislative delegation of rulemaking authority shall be drafted in as narrow a manner as possible, consistent with the need to provide the director with sufficient authority to fulfill the regulatory role assigned to him under this subdivision and other laws of the state.]

**HB 313**, relative to conversion between mutual savings banks, cooperative banks, building and loan associations, guaranty savings banks, savings and loan associations, and commercial banks and trust companies. OUGHT TO PASS WITH AMENDMENT.

This bill, requested by the Banking Department, establishes procedures for conversion between various forms of banking institutions, i.e., mutual savings banks, cooperative banks, and commercial banks. Vote 12-0. Rep. Anthony Syracuse for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend RSA 389-A:1 as inserted by section 2 of the bill by replacing it with the following:

389-A:1 Procedure for Conversion. A mutual savings bank, *cooperative bank, building and loan association, savings and loan association, guaranty savings bank, commercial bank or trust company* may convert into a building and loan association [or], cooperative bank [and a building and loan association or cooperative bank may convert into a mutual savings bank], *mutual savings bank, savings and loan association, guaranty savings bank, commercial bank or trust company* as provided in this chapter. *Notwithstanding the provisions of this section a mutual savings bank, cooperative bank, building and loan association or savings and loan association which converts to a commercial bank or trust company charter shall retain its status as a mutual institution, unless such converted mutual institution chooses to convert to stock form pursuant to the provisions of RSA 386:10, II; RSA 394-A:10; or RSA 386-B.* The converting institution shall be granted a new certificate of incorporation, in amendment of its pre-existing charter or certificate of incorporation, if the bank commissioner finds that the converting institution meets the standards (or their substantial equivalent) as to capital structure and business experience of management, prescribed for the incorporation of a mutual savings bank [or a], building and loan association, *cooperative bank, savings and loan association, guaranty*

*savings bank, commercial bank or trust company*, as the case may be. No such conversion shall be approved unless it has first been ratified by the affirmative vote of a majority of the votes cast at an annual or special meeting of the members or shareholders with voting rights in the converting institution called to consider such action and unless the converting institution has first notified by mail all its depositors or shareholders without voting rights of the proposed conversion.

**HB 314**, relative to confidentiality of cease and desist orders and memoranda of understanding issued by the banking department and of reports submitted to the banking department. **INEXPEDIENT TO LEGISLATE**.

A Committee review of Federal Deposit Insurance Corporation (FDIC) rules and prevailing guidance in RSA 383:106 negates the need for additional legislation. Vote 16-0. Rep. Anthony Syracuse for Commerce, Small Business and Consumer Affairs.

**HB 411**, relative to discrimination in the issuance of health insurance policies. **REFER TO COMMITTEE**.

This bill is being re-referred to the Committee because it wishes to study the content of the bill. There are two additional bills dealing with reform to the small employer health insurance market. The Committee wants to examine this issue as part of the broader issue and plans to bring in a comprehensive bill in 1992. Vote 14-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

**HB 414**, relative to unfair claim settlement practices. **OUGHT TO PASS WITH AMENDMENT**.

This bill, as requested by the Insurance Department, clarifies unfair claim settlement practices so as not to include accidental mistakes by the insurance company. Vote 16-1. Rep. John B. Hunt for Commerce, Small Business and Consumer Affairs.

#### **Amendment**

Amend RSA 417:4, XV(a) as inserted by section 1 of the bill by replacing it with the following:

(a) Any of the following acts by an insurer, if committed without just cause and [performed with such frequency as to indicate a general business practice] *not merely inadvertently or accidentally*, shall constitute unfair claim settlement practices:

**HB 539-FN-A**, relative to a committee to study the uninsurable and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT**.

This bill simply addressed the need for study of the problem of those in New Hampshire denied health insurance because of past medical history or family medical history. General support was voiced for the bill. Vote 14-0. Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs.

#### **Amendment**

Amend the bill by replacing section 6 with the following:

6 Appropriation. The sum of \$50,000 for the fiscal year ending June 30, 1992, is hereby appropriated to the insurance department for the purposes of section 4 of this act. Said appropriation shall be charged against the commissioner's administration fund established in RSA 400-A:39.

Referred to Appropriations.

**HB 637-FN**, relative to insurance fraud. OUGHT TO PASS WITH AMENDMENT.

This bill incorporates insurance fraud into the Criminal Code as a Class A, Class B, or Misdemeanor based on the value of the fraudulent portion of the claim. Vote 13-1. Rep. Anthony Syracuse for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Insurance Fraud. Amend RSA 638 by inserting after section 19 the following new subdivision:

#### Insurance Fraud

638:20 Insurance Fraud.

I. For the purposes of this section, "statement" includes, but is not limited to, any notice, statement, proof of loss, bill of lading, receipt of payment, invoice, account, estimate of property damages, bill for service, diagnosis, prescription, hospital or doctor records, x-rays, test results, or other evidence of loss, injury or expense.

II. A person is guilty of insurance fraud, if, *with a purpose to injure*, defraud or deceive any insurance company, the person presents or causes to be presented to any insurer, any written or *oral* statement including computer-generated documents as part of, or in support of, a claim for payment or other benefit pursuant to an insurance policy, knowing that such statement contains any false, incomplete or misleading information concerning any fact or thing material to such claim.

III. A person is guilty as an accomplice to insurance fraud if, with a purpose to injure, defraud or deceive any insurance company, the person assists, abets, solicits or conspires with another to prepare or make any written or oral statement that is intended to be presented to any insurance company in connection with, or in support of, any claim for payment or other benefit pursuant to an insurance policy, knowing that such statement contains any false, incomplete or misleading information concerning any fact or thing material to such claim.

IV.(a) Insurance fraud is:

(1) A class A felony if the value of the fraudulent portion of the claim for payment or other benefit pursuant to an insurance policy is more than \$1,000.

(2) A class B felony if the value of the fraudulent portion of the claim for payment or other benefit pursuant to an insurance policy is more than \$500, but not more than \$1,000.

(3) A misdemeanor in all other cases.

(b) The value shall be determined according to the provisions of RSA 637:2, V.

2 New Section; Insurance Fraud; Warning Notice. Amend RSA 402 by inserting after section 81 the following new section:

402:82 Warning Notice on Claim Forms. All insurance claim forms shall contain a statement that clearly states in substance the following: "any person who with a purpose to injure, defraud or deceive any insurance company, files a statement of claim containing any false, incomplete or misleading information, is subject to prosecution and punishment for insurance fraud, as provided in RSA 638:20." However, the lack of such a statement shall not constitute a defense against prosecution under RSA 638:20.

3 Effective Date. This act shall take effect January 1, 1992.

## AMENDED ANALYSIS

This bill establishes the crime of insurance fraud and establishes penalties for the commission of insurance fraud.

The bill also requires that all insurance claim forms contain a statement warning people of the consequences of insurance fraud.

**HB 748-FN**, relative to health insurance benefits for mental health admission to general hospitals. **INEXPEDIENT TO LEGISLATE**.

The sponsor of this bill has stated that the issue contained in this bill has been resolved. Vote 11-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**HB 329-FN-A**, relative to the business corporations act and appropriating funds for certain administrative expenses to be reimbursed by fees. **OUGHT TO PASS WITH AMENDMENT**.

This bill allows the Secretary of State to impose reasonable fees for various information services. The amendment adds "(f) other information services" to Section 4 of the bill and makes it take effect on passage. Vote 12-0. Rep. LeRoy S. Dube for Constitutional and Statutory Revision.

## Amendment

Amend RSA 293-A:135, III as inserted by section 4 of the bill by inserting after subparagraph (e) the following new subparagraph:

(f) Other information services.

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect upon its passage.

Referred to Appropriations.

**HB 537**, relative to elected county offices and the offices of executive councilor, state senator, and state representative. **INEXPEDIENT TO LEGISLATE**.

This bill would prohibit a person from filing for and holding any elected county office and the offices of Executive Councilor, State Senator, or State Representative at the same time. The Committee feels that it is best to leave the decision of how voters wish to choose their elected officials to the local voters. Vote 11-0. Rep. Paul R. White for Constitutional and Statutory Revision.

**HB 544**, relative to the time for hearing appeals before the ballot law commission and relative to appointing alternate ballot law commission members. **OUGHT TO PASS**.

This bill authorizes the Governor, with the advice and consent of the Council, to appoint two alternate members of the Ballot Law Commission. It also requires the Ballot Law Commission to meet in order to hear an appeal within seven days after the written appeal is filed. The Committee felt that having two alternate members would enable the Commissioners to act in a timely fashion on appeals. Vote 12-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

**HB 432**, relative to changing the dates for the annual school district meeting and for teacher notification from March to May. **INEXPEDIENT TO LEGISLATE**.

This bill would cause many complicating factors regarding time frames in respect to existing statutes including RSA 273-A, RSA 32 and RSA 189:14-a. It would also present problems in implementing budgets by July 1. Vote 20-0. Rep. Kathleen M. Hoelzel for Education.

**HR 13**, urging school districts to include in their curricula a minimum of 16 hours per year in instruction on alcohol and drug abuse prevention. **OUGHT TO PASS.**

This resolution expresses the belief that instruction regarding these serious social problems will be to the betterment of our future citizens. This is not a mandate, but a suggestion that encourages a recognition of the problems and hopes that efforts will be made to address them. It reenforces existing law that at least 16 hours each school year be given in alcohol and drug abuse prevention instruction. Vote 20-0. Rep. Nils H. Larson for Education.

**HB 153-FN**, to regulate the handling of manure, agricultural compost and chemical fertilizers. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 153 directs the Commissioner of Agriculture to establish "Best Management" practices for handling manure. Complaints will be investigated and a plan for alleviating any problems will be submitted. If remedial action is not taken, the Commissioner will notify the Department of Environmental Services. Vote 18-0. Rep. Marilyn R. Campbell for Environment and Agriculture.

#### **Amendment**

Amend RSA 431:34 as inserted by section 1 of the bill by replacing it with the following:

431:34 Best Management Practices. In consultation with the agricultural advisory board, the commissioner of environmental services, the United States Soil Conservation Service, the New Hampshire agricultural experiment station, the university of New Hampshire cooperative extension service, and other appropriate agencies, the commissioner of agriculture shall identify and publish the best management practices for handling manure, agricultural compost, and chemical fertilizer. Such practices shall be based upon the best available research and scientific data so as to permit the maximum use of nutrient and soil conditioning values, while achieving the least possible adverse impact upon the environment or human, animal and plant health.

Amend RSA 431:35 as inserted by section 1 of the bill by replacing it with the following:

#### **431:35 Improper Manure Handling.**

I. The commissioner shall investigate complaints of improper handling of manure, agricultural compost, and chemical fertilizer, including but not limited to, complaints of improper storage and spreading. If the commissioner is able to identify the source of the improper handling and has reason to believe such handling is a nuisance caused by failure to use best management practices, the commissioner shall:

(a) Determine who is responsible for such handling.

(b) Determine the changes needed in handling to comply with best management practices.

(c) Notify, in writing, the person responsible of the findings and changes necessary to conform to best management practices.

(d) Require a plan for compliance if the corrections, under RSA 431:35, I(c), have not been made within 10 days after notification.

II. If the person responsible fails to implement the recommended changes, the commissioner shall notify the health officer of the municipality and the commissioner of environmental services, who shall take such action as their authority permits.

## AMENDED ANALYSIS

This bill requires the commissioner of agriculture to establish and publish best management practices for handling manure, agricultural compost and chemical fertilizer.

**HB 263-FN**, establishing a fee structure for used oil marketers. RE-REFER TO COMMITTEE.

Several pieces of legislation were introduced which would raise fees or levy new "taxes" to assist in funding the Department of Environmental Services. This is one of those bills. The Committee voted to re-refer this bill, as well as others, so that the Committee could study the impact of these "fees," their intended use, the current handling of funds already utilized by the Department, as well as, and most importantly, the current method through which the Department receives funds. Vote 18-0. Rep. Rick A. Trombly for Environment and Agriculture.

**HB 264-FN-A**, creating a nonlapsing, continually appropriated hazardous waste fund to be used for processing hazardous waste transporter permit applications and for monitoring compliance. RE-REFER TO COMMITTEE.

Several pieces of legislation were introduced which would raise fees or levy new "taxes" to assist in funding the Department of Environmental Services. This is one of those bills. The Committee voted to re-refer this bill, as well as others, so that the Committee could study the impact of these "fees," their intended use, the current handling of funds already utilized by the Department, as well as, and most importantly, the current method through which the Department receives funds. Vote 18-0. Rep. Rick A. Trombly for Environment and Agriculture.

**HB 280-FN**, relative to motor vehicle emissions control requirements for carbon monoxide and hydrocarbons. RE-REFER TO COMMITTEE.

The Committee agreed with the Department of Environmental Services that this bill should be re-referred to the next session at which time the requirements for the Clean Air Act program will have been clarified by the Environmental Protection Agency. Vote 16-0. Rep. Bonnie Lou McCann for Environment and Agriculture.

**HB 721-FN-A**, relative to hiring additional weights and measures inspectors and making an appropriation therefor. OUGHT TO PASS.

This is a consumer protection bill. It allows fees collected in the licensing of scales to be put into a fund to pay for four additional inspectors. These inspectors will check and seal scales to insure that the consumer is protected from improperly-balanced scales. Vote 18-0. Rep. Marilyn R. Campbell for Environment and Agriculture.

Referred to Appropriations.

**HB 730-FN**, imposing a fee on all motor vehicles and granting certain rulemaking authority to the division of air resources. RE-REFER TO COMMITTEE.

Several pieces of legislation were introduced which would raise fees or levy new taxes to assist in funding the Department of Environmental Services. This is one of those bills. The Committee voted to re-refer this bill, as well as others, so that the Committee could study the impact of these "fees," their intended use, the current handling of funds already utilized by the Department, as well as, and most importantly, the current method through which the Department receives funds. Vote 18-0. Rep. Rick A. Trombly for Environment and Agriculture.

**HB 366-FN-A**, establishing an office of information technology management and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The Committee felt that the state could benefit from a policy which integrates the state's Computer Information System. It further received information that there is a potential, under such a policy, of saving the state approximately \$1,500,000 in future technology purchases. Vote 13-1. Rep. Cynthia A. McGovern for Executive Departments and Administration.

#### **Amendment**

Amend RSA 21-I:60, I as inserted by section 1 of the bill by replacing it with the following:

I. Providing technical information technology consultation to any agency which requests it, including technical advice during the development or acquisition of computerized systems.

Amend RSA 21-I:62, I as inserted by section 1 of the bill by replacing it with the following:

I. Develop and implement, subject to approval by the governor, and the legislature a long-range information technology plan for the state of New Hampshire.

Amend RSA 21-I:64, I as inserted by section 1 of the bill by replacing it with the following:

I. There is hereby established the information technology management advisory board. The board shall advise the office on policy matters, strategic direction, and emerging trends in information technology, and shall review the information technology management office plan and state information technology plans.

Amend RSA 9:4-b as inserted by section 2 of the bill by replacing it with the following:

9:4-b Information Technology Plan. Each executive department shall prepare an information technology plan in accordance with the information technology planning process developed under rules adopted by the director of the office of information technology management under RSA 21-I:63. The portion of each plan which addresses the upcoming biennium shall define the capital and operating budgets necessary for implementing the plan. The budget data in the information technology plan shall provide for both new information technology initiatives and existing operations and shall be consistent with the budget data submitted under RSA 9:4 and 9:4-a. In the case of the failure of any executive department to submit an information technology plan, the director of information technology management shall cause a plan to be prepared as in his opinion is reasonable and proper.

Amend the bill by replacing section 7 with the following:

7 New Paragraph; Division of Plant and Property Management. Amend RSA 21-I:11 by inserting after paragraph X the following new paragraph:

XI. Requiring agencies to submit appropriate portions of the approved state information technology plan in support of requests for purchases of information technology equipment, software or services in excess of \$5,000 and notify the office of information technology of any request for information technology purchases in excess of \$5,000.

Referred to Appropriations.

**HB 412**, relative to teacher representation on the New Hampshire retirement system board of trustees. INEXPEDIENT TO LEGISLATE.

It is assumed that HB 51, which creates a task force to study the New Hampshire Retirement System, will become law. The issues in HB 412 will be considered by that task force. Vote 14-0. Rep. Miriam D. Dunn for Executive Departments and Administration.

**HB 472-FN-A**, relative to establishing a fiscal impact review process for state agency programs and making an appropriation therefor. INEXPEDIENT TO LEGISLATE.

The subject matter covered in HB 472 can be handled by a Subcommittee with House Bill 614. Both bills address legislative oversight of programs and agencies. Vote 13-0. Rep. Merton S. Dyer for Executive Departments and Administration.

**HB 477-FN**, relative to agency authority to make rules and impose administrative fines. RE-REFER TO COMMITTEE.

This bill clearly points out the problems with the rulemaking authority, which is very useful and helpful. However, the magnitude to solve the problem and streamline the issue cannot be done within this time frame. A sincere desire and commitment is pledged to come in with a good bill! Vote 15-0. Rep. William P. Boucher for Executive Departments and Administration.

**HB 490-FN**, relative to continuation of state health and dental insurance benefits for state employees called for active duty as a result of Operation Desert Storm. OUGHT TO PASS.

This bill extends health insurance benefits for six months for full-time state employees who are reservists called up for Operation Desert Storm active duty. The Committee feels this is an appropriate and tangible recognition of the sacrifices made by our fighting men and women. Vote 12-0. Rep. John J. Sytek for Executive Departments and Administration.

**HB 552-FN**, relative to funding medical benefits for retired group I members of political subdivisions. INEXPEDIENT TO LEGISLATE.

This legislation would have cost, on the high side \$898.4 million for terminal funding of medical benefits for retired Group I members of political subdivisions, or on the low side \$449.4 million. The assets presently available are \$84.3 million in either case. Vote 15-0. Rep. Kathleen W. Ward for Executive Departments and Administration.

**HB 558-FN**, relative to seniority credit to protect veterans from layoffs and relative to maintenance and security costs charged by the adjutant general for rental of armories. INEXPEDIENT TO LEGISLATE.

The Committee notes that seniority standards are addressed for classified employees in the Personnel Rules. Consequently, the Committee recommends that the Director of Personnel construct and process specific rules for veterans that do not exceed the maximum of 12 months as proposed by the Executive Director of the Veterans Council. All other public employers may or may not choose to develop such rules. Vote 13-0. Rep. Merton S. Dyer for Executive Departments and Administration.

**HB 570-FN**, relative to a cost of living adjustment for retired firefighters. INEXPEDIENT TO LEGISLATE.

Regarding a cost of living adjustment for retired firefighters and funding additional benefits for retirees, the Committee voted Inexpedient to Legislate because at this

time there are no funds to finance this bill. Vote 15-0. Rep. John O'Brien for Executive Departments and Administration.

**HB 614-FN-A**, relative to restoring the sunset process and making an appropriation therefor. RE-REFER TO COMMITTEE.

There is a need for an oversight policy of state agencies and programs. This bill includes items in HB 472 and will provide the vehicle to study this policy and make recommendations in 1992. Vote 13-0. Rep. Merton S. Dyer for Executive Departments and Administration.

**HB 713-FN**, relative to the general counsel of the public utilities commission. OUGHT TO PASS WITH AMENDMENT.

Consistent with the reorganization law, this bill converts the position of General Counsel to the Public Utilities Commission from an indefinite term to a four-year term. Vote 14-0. Rep. Kathleen W. Ward for Executive Departments and Administration.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; General Counsel Added. Amend RSA 363:27 by inserting after paragraph II the following new paragraph:

III. General Counsel. The commission shall appoint a general counsel, who shall serve for a term of 4 years.

2 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill allows the public utilities commission to appoint a general counsel as a member of the commission's support personnel who shall serve for a 4-year term.

**HB 205**, restricting the method of taking freshwater smelt. OUGHT TO PASS WITH AMENDMENT.

The Committee finds the regulation of freshwater smelt, daily catch and possession limits, as well as method of taking is best handled by the Fish and Game Department rather than the RSA. Vote 17-0. Rep. Richard W. Lougee for Fish and Game.

#### Amendment

Amend RSA 211:2-e as inserted by section 1 of the bill by replacing it with the following:

211:2-e Freshwater Smelt.

I. Notwithstanding any other law or rule to the contrary, no person shall take smelt (*Osmerus mordax*) from the fresh waters of this state by any method other than by angling, unless the executive director determines that other methods of taking smelt would not be detrimental to the smelt resources of the state.

II. The executive director shall have the authority to open and close the season for the taking of smelt, to fix the daily bag and possession limits, and any other conditions governing the methods and manner of taking and reporting of smelt. All rules adopted by the executive director shall be in accordance with RSA 541-A.

III. Any person who violates the provisions of this section shall be guilty of a violation.

Amend section 5 of the bill by replacing it with the following:

5 Repeal. The following are repealed:

I. RSA 214:34-e, II, relating to the season for taking baitfish.

II. 1985, 288:2, relative to taking smelt from salmonoid lake trout lakes.

Amend section 6 of the bill by replacing it with the following:

6 Effective Date. This act shall take effect upon its passage.

Amend the bill by deleting sections 3 and 4 and renumbering sections 5 and 6 to read as 3, 4 respectively.

#### AMENDED ANALYSIS

This bill restricts the method of taking freshwater smelt to angling, unless the executive director determines that other methods of taking smelt would not be detrimental to smelt resources.

**HB 380-FN**, relative to sheltered care facilities. RE-REFER TO COMMITTEE.

The Committee felt that the issue of the special licensing needs of facilities for the developmentally disabled was sufficiently complex and important to merit further study. Vote 14-0. Rep. Katherine W. Wheeler for Health, Human Services and Elderly Affairs.

**HB 395**, relative to persons buried at public expense. INEXPEDIENT TO LEGISLATE.

The Committee is unanimous that something other than repeal should be done with RSA 291. The subject of unclaimed bodies buried at public expense should be addressed next session, rewriting RSA 291, which was written in 1869, and bring it up to date. Vote 11-0. Rep. Marilyn P. Senter for Health, Human Services and Elderly Affairs.

**HB 397-FN**, relative to persons afflicted with Alzheimer's disease. OUGHT TO PASS WITH AMENDMENT.

This bill establishes a committee to study the issue of where to place a person who is afflicted with Alzheimer's disease when the caregiver can no longer physically control such person. The amendment states that this act shall take effect July 1, 1991. Vote 14-0. Rep. Gordon E. Wiggin for Health, Human Services and Elderly Affairs.

#### Amendment

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect July 1, 1991.

**HB 460-FN**, relative to the confidentiality of certain health care data. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, introduces the Governor's Blue Ribbon Commission on Health Care.

Governor Gregg, in his Executive Order 89-11 creating the Commission, identified the need for timely, accurate, comprehensive data and analysis as a fundamental cornerstone to better understand the complex issues involving health care costs, availability and access in New Hampshire. Vote 11-0. Rep. Cecelia D. Kane for Health, Human Services and Elderly Affairs.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to the health data advisory committee.

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Changed. RSA 126:25, III is repealed and reenacted to read as follows:

III.(a) The governor shall appoint, from nominations submitted by the commissioner of health and human services, a health data advisory committee. The advisory committee shall be chaired by the commissioner of health and human services or designee and shall meet at least twice annually, as determined by the committee. The membership shall be comprised as follows:

(1) Two members who shall be health care consumers and who have no direct financial interests in the delivery or financing, other than for themselves or their families, of health care services.

(2) Two members who shall be selected from the state's business community and who have no direct financial interests in the delivery or financing, other than for themselves or their families, of health care services.

(3) Two members of the health insurance industry, one of whom shall represent Blue Cross and Blue Shield of New Hampshire. The second member may be selected from a licensed New Hampshire health maintenance organization.

(4) One member from the state's academic community with expertise in health care.

(5) One member representing hospital services.

(6) One member representing physicians.

(7) One member representing long term care services.

(8) One member representing community health care services.

(b) The commissioner shall designate a senior member of his staff to assist the committee in its duties. This individual shall be a nonvoting ex-officio member.

(c) Committee members shall serve for a 3-year term and may serve no more than 2 consecutive terms. The unexpired term resulting from a vacancy shall be filled by an appointment by the governor from nominees submitted by the commissioner. Members of the committee shall serve without compensation.

(d) The committee shall assist the New Hampshire health data services network, established in the office of the commissioner, by performing the following functions.

(1) Framing health care questions and issues.

(2) Analyzing identified issues and ensuring fair treatment.

(3) Determining the state's health data services network's priorities in terms of areas of focus.

(4) Encouraging a catalyst, proactive role for the network with particular attention given to the education of data providers and users.

(5) Stimulating access to the network's services consistent with financially sound operation practices and determining whether fees should be charged for services and products.

(6) Determining those policy issues requiring data and analysis and providing the department of health and human services with assistance in the collection, management and analysis of health care and selected data.

2 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill changes the membership and the duties of the health data advisory committee established in RSA 126:25, III(a).

**HB 479-FN-A**, increasing the personal needs allowance of nursing home residents and making an appropriation therefor. RE-REFER TO COMMITTEE.

The Committee was completely sympathetic and receptive to this bill. Unfortunately, we all realize that the funds are not presently available. The Committee has re-referred this bill in anticipation of improved financial conditions for the state in the near future. Vote 14-0. Rep. Bronwyn L. Asplund for Health, Human Services and Elderly Affairs.

**HB 504-FN**, relative to utilization review programs. RE-REFER TO COMMITTEE.

The Committee felt that the issue of utilization review has merit, but because of the pressure of deadlines it could not make the necessary corrections at this time. Vote 15-0. Rep. Marion L. Copenhagen for Health, Human Services and Elderly Affairs.

**HB 511-FN**, repealing the certificate of need law. INEXPEDIENT TO LEGISLATE.

Economically, the removal of the "Health Services Planning and Review Board" (CON) would create an astronomical rise in health care costs for the citizens of New Hampshire. The "CON" board effectively monitors all costs related to construction, equipment purchases and medical services and judges the need to concerned communities affected. Vote 12-0. Rep. Eleanor H. Amidon for Health, Human Services and Elderly Affairs.

**HB 529-FN**, relative to the permanently and totally disabled program. INEXPEDIENT TO LEGISLATE.

This bill would require that a person who is eligible for aid to the permanently and totally disabled document by medical evidence that such disability has a duration of at least two years. The Committee reluctantly voted Inexpedient to Legislate due to fiscal constraints. Vote 13-0. Rep. Thomas G. Cain for Health, Human Services and Elderly Affairs.

**HB 597-FN**, relative to licensing of nurses. OUGHT TO PASS.

This bill enables students completing nursing educational programs to seek temporary licensure at the L.P.N. or R.N. level in a more expedient manner than currently possible. It enables a temporary license which will expedite the number of nurses available for employment at any one time. State revenues will be slightly increased by fees required. Vote 12-0. Rep. Katherine D. Foster for Health, Human Services and Elderly Affairs.

**HB 712-FN**, relative to access to health care for the uninsured. RE-REFER TO COMMITTEE.

This bill would expand medical assistance to include "poverty level" children six years of age or under and pregnant women whose income eligibility does not exceed 185 percent. While supporting the concept that preventive health measures are cost effective, the Committee acknowledges a lack of available funds and recommends re-referral. Vote 15-0. Rep. Mary H. Jordan for Health, Human Services and Elderly Affairs.

**HB 726-FN-A**, relative to vital records and continually appropriating a fund for records automation. RE-REFER TO COMMITTEE.

This bill increases fees charged for certified copies of vital records for three years. A portion of increased fees remains with municipalities to cover costs; balance of such fees placed in a special fund. Moneys in the special fund are to be used for automation of vital records system, and continually appropriated to the Division of Public Health Services. Vote 15-0. Rep. Carmela M. DiPietro for Health, Human Services and Elderly Affairs.

**HB 769-FN**, relative to licensing and the board of optometry. INEXPEDIENT TO LEGISLATE.

House Bill 469 had a great deal of testimony which included professional turf and safety issues, which will take a great deal of study in Committee time with mileage costs. Vote 15-0. Rep. Katherine D. Foster for Health, Human Services and Elderly Affairs.

**HB 773-FN**, requiring partner notification. INEXPEDIENT TO LEGISLATE.

This bill would establish a mandatory procedure whereby the Division of Public Health would require notification of the partners of any individual who tests serologic positive for the human immunodeficiency virus. Vote 15-0. Rep. Gordon E. Wiggin for Health, Human Services and Elderly Affairs.

**HB 246-FN-A**, relative to deputy sheriffs employed as bailiffs and making an appropriation therefor. INEXPEDIENT TO LEGISLATE.

This will raise the cost to the state for court bailiffs 20 percent plus increased county costs for Social Security and other benefits which will be added to the local property tax. Another problem is that there is no uniform state system for court bailiffs, and the Committee suggests that the problem be studied by the Appropriations Committee. Vote 14-3. Rep. Alf E. Jacobson for Judiciary.

**HB 500-FN**, relative to drug testing in the workplace. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, makes it possible for the New Hampshire Department of Employment Security to take advantage of opportunities to bring federal dollars back to New Hampshire. Vote 15-0. Rep. David O. Dow for Labor, Industrial and Rehabilitative Services.

### Amendment

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to exemptions in the administration  
of the unemployment compensation laws.

Amend the bill by replacing all after the enacting clause with the following:

1 Expenses. Amend RSA 282-A:110 to read as follows:

282-A:110 Expenses. Subject to compliance with laws and regulations approved by the United States department of labor, the actual expenses incurred by the commissioner of the department of employment security in the work of his office shall be paid. *The provisions of RSA 9 and RSA 21-I shall not apply to appropriations for the administration of this chapter.*

2 Effective Date. This act shall take effect upon its passage.

## AMENDED ANALYSIS

This bill exempts the administration of laws concerning unemployment compensation from complying with the provisions governing the department of administrative services and provisions concerning the state budget and appropriations.

Referred to Appropriations.

**HB 531-FN**, relative to personal care for the severely physically disabled. OUGHT TO PASS.

The Committee, after public hearing and study, determined that this bill was fair to all sides and cleared up a couple of weaknesses, improving the care of the disabled. Vote 15-0. Rep. George W. Wright for Labor, Industrial and Rehabilitative Services.

**HB 768-FN**, relative to technical changes in the unemployment compensation law and to changes in the maximum weekly benefits. OUGHT TO PASS.

This bill contains timely changes in the weekly unemployment benefits for 1991 and 1992. It clarifies certain dates for appeals filed by mail and was supported by the Department of Employment Security. Vote 15-0. Rep. David O. Dow for Labor, Industrial and Rehabilitative Services.

**HB 654-FN**, establishing an ethics committee to regulate public officials. REFER TO COMMITTEE.

An ethics bill has already passed the Senate (SB 29). The Committee is unanimously recommending that this House Ethics Bill be re-referred so it can take a second look at the issue after reviewing the Senate Bill. Vote 13-0. Rep. Susan S. Spear for Legislative Administration.

**HB 685-FN**, relative to the fiscal note process. OUGHT TO PASS WITH AMENDMENT.

The Committee amendment was accepted because it broadens the issues covered under the fiscal note process from single licensing as was contained in the original bill. Vote 11-2. Rep. Robert A. Lockwood for Legislative Administration.

## Amendment

Amend the title of the bill by replacing it with the following:

## AN ACT

relative to fiscal notes.

Amend the bill by replacing section 1 with the following:

1 When Fiscal Notes Required. Amend RSA 14:44 to read as follows:

14:44 Fiscal Note Required.

*I. All bills and resolutions having an effect on the revenues, expenditures or fiscal liability of the state or a city or town or county[, excepting appropriations for capital improvements,] shall be accompanied by a fiscal statement which sets forth the estimated fiscal impact thereof, except as provided in paragraph II.*

*II. No fiscal note shall be required for bills and resolutions which:*

- (a) Make appropriations for capital improvements and expenditures.*
- (b) Are budget or supplemental budget bills.*
- (c) Establish study committees where the only fiscal impact of the bill is due to legislative mileage authorized for legislative members.*
- (d) Establish or change a civil or criminal penalty.*
- (e) Shift the burden of a tax among local taxpayers, without affecting the total amount of revenue received from the tax.*

*(f) Regulate the operation of boats or other watercraft on a particular body or bodies of water.*

*(g) Grant rulemaking authority to or alter the rulemaking authority of a state agency.*

#### AMENDED ANALYSIS

This bill changes the requirements for fiscal notes on bills and resolutions.

**HB 233**, relative to charter revisions and municipal home rule. INEXPEDIENT TO LEGISLATE.

The bill, as amended, allows a municipality to petition for a charter change or charter commission on written petition of 20 percent of the number of votes cast in the last regular municipal election rather than the last gubernatorial election as under current law.

This bill would have resulted in a major policy change with no municipal officials speaking in support of this change. Also, several of those testifying questioned if there is going to be a change, why not base it on the percentage of registered voters on the checklist. Vote 14-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 251-FN**, increasing the amount of the tax exemption for postsecondary institutions. INEXPEDIENT TO LEGISLATE.

The Committee feels that colleges are already getting exemptions in various ways and this bill would shift the burden of taxes to the taxpayers even further. Testimony indicated that in many instances, informal arrangements more than accomplish what the bill intends. Vote 14-0. Rep. John A. Middleton for Municipal and County Government.

**HB 449-FN**, to double the net income requirements under the optional adjusted elderly property tax exemption. RE-REFER TO COMMITTEE.

The Committee has received several bills dealing in some fashion or other with a property tax exemption for the elderly. It proposes to re-refer all of them for the purpose of submitting a single bill for consideration by the House. Vote 13-0. Rep. John A. Middleton for Municipal and County Government.

**HB 619-FN**, relative to central business districts. OUGHT TO PASS.

This bill would expand the services and activities a municipality may provide in a central business service district beyond the current limitation of just maintenance. All testimony was favorable. Vote 13-0. Rep. Donna M. Soucy for Municipal and County Government.

**HB 300-FN**, relative to bingo and lucky 7 license application fees. RE-REFER TO COMMITTEE.

The Committee feels that the bill has merit, but needs work to study impact and equality between large and small recreational bingo games. Vote 19-0. Rep. Laura C. Pantelakos for Regulated Revenues.

**HB 334-FN**, relative to the establishment of agency liquor stores. OUGHT TO PASS WITH AMENDMENT.

The State Liquor Commission has been authorized, by statute, to license special agency liquor stores since 1934. It is likely that the Commission will begin licensing agency liquor stores within the year. The Committee asks the passage of HB 334 with amendment. The passage of this legislation establishes guidelines for licensing and

operation; for enactment by the Commission. Vote 19-0. Rep. Thomas A. Behrens for Regulated Revenues.

#### Amendment

Amend RSA 177:11, I and II as inserted by section 3 of the bill by replacing it with the following:

I. The commission may license an agency liquor store only when the following requirements are met:

(a) The proposed agency liquor store is located in a municipality which has voted in favor of the operation of state liquor stores under RSA 175:7.

(b) The proposed agency liquor store is located in a municipality where there is no state liquor store.

(c) The proposed agency liquor store is not within 10 road miles of an existing state liquor store or agency liquor store unless a specific exception is granted by the commission.

II. The commission, may not replace a state liquor store which closes with an agency liquor store if there is another state or agency liquor store within 10 miles, unless a specific exception is granted by the commission.

Amend section 3 of the bill by replacing all after RSA 177:13 with the following:

177:14 Special Seasonal Agency Liquor Stores.

I. The commission may issue 6-month seasonal licenses to special seasonal agency stores.

II. The commission shall determine the appropriate locations for the stores and the appropriate 6 consecutive months based on the seasonal tourist population and the sales volume at existing state and agency liquor stores in the same areas. The 10-road mile spacing requirement for location of agency liquor stores required by RSA 177:11 shall not apply to special agency liquor stores licensed under this section.

III. The commission shall submit a report on or before September 30, 1996, to the house of speaker, the senate president and the governor concerning the effectiveness of this section.

177:15 Transfer of Agency Liquor Store License Prohibited. An agency liquor store license shall not be transferable.

177:16 Eligibility Qualifications. The commission shall not issue a license to an applicant, unless that applicant meets the following qualifications:

I. If the applicant is a proprietorship, the applicant shall be:

(a) At least 21 years of age.

(b) A citizen of the United States.

(c) A resident of the state for at least 3 years prior to application.

II. If the applicant is a partnership or association, all persons having an interest in the partnership or association shall be:

(a) At least 21 years of age.

(b) A citizen of the United States.

(c) A resident of the state for at least 3 years prior to application.

III. If the applicant is a corporation, it shall be incorporated under the laws of the state and shall have been authorized to transact business in the state for at least 3 years prior to application.

IV. Any retail licensee, whether proprietorship, partnership, or corporation shall only be approved to establish one retail agency store.

## AMENDED ANALYSIS

This bill allows the state liquor commission to license agency liquor stores in municipalities which have no state liquor store, so long as such store is not within 10 road miles of a state store. Retail licensees shall be approved for only one retail agency store.

**HB 747-FN**, relative to liquor stores. RE-REFER TO COMMITTEE.

The Committee, by a unanimous vote, requests that HB 747 be returned to it for further study. In the past, the idea of privatizing retail liquor operations has been rejected repeatedly. If re-referred the Committee will evaluate, in length, the merits of privatizing vs the utilization of agency stores in these current economic times. Vote 16-0. Rep. Thomas A. Behrens for Regulated Revenues.

**HB 770-FN-A**, establishing casino gambling and off-track betting in New Hampshire and making an appropriation therefor. INEXPEDIENT TO LEGISLATE.

This bill represents too much of an expansion in gambling in the state at the present time. Vote 19-0. Rep. Stephen W. Bucu for Regulated Revenues.

**HB 53-FN-A**, establishing a continually appropriated state park fund and a ski area funding mechanism. OUGHT TO PASS WITH AMENDMENT.

As amended, HB 53 places our state parks and ski areas on sound financial footing which will allow the ski operations at Cannon and Sunapee to remain open for a full season and permit maintenance planning to be based on a revenue stream in order to reduce the \$2-\$3 million of deferred maintenance at our state parks. Vote 15-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

## Amendment

Amend RSA 216-A:3-i, I as inserted by section 2 of the bill by replacing it with the following:

216-A:3-i State Park Fund Established.

I. The state treasurer shall establish a separate and distinct account to be known as the state park fund. He shall deposit in said fund actual revenue derived by the commissioner of the department of resources and economic development in excess of budget expenses from fees, services, accommodations, rentals, retail sales, and net profit from concession operations, and including any federal moneys which become available, and all donations and gifts. Revenues from state ski operations shall not be included in the fund. The fund shall be continuing and non-lapsing.

Referred to Appropriations.

**HB 293-FN**, relative to mooring requirements. INEXPEDIENT TO LEGISLATE.

The Committee members had a long and heated discussion regarding this bill. It was again decided it would be premature to expand the mooring legislation from the five lakes included in existing legislation to approximately 780 great ponds. The Committee felt that now is not the time, due to the economic situation, to increase any fee for moorings - particularly when there is no guarantee that the increased revenues from additional fees would result in the hiring of additional enforcement officers or equipment. Vote 13-3. Reps. John B. Young and Janet M. Conroy for Resources, Recreation and Development.

**HB 402**, relative to recording information on sewage and waste disposal systems. OUGHT TO PASS WITH AMENDMENT.

The proposal made in HB 402 is included in HB 745, a bill addressing exactly the same subject. The Committee has "stripped" HB 402 and is using the bill number to

clear up an oversight on the "Rivers Bill" (HB 1432) passed in the last session. HB 402, as amended, will allow farmers to spread lime and wood ash on their fields in the same manner as they are allowed to spread manure. The change was requested by the New Hampshire Farm Bureau and the Department of Agriculture and has the support of this Committee. Vote 15-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to placing lime and wood ash on farmland.

Amend the bill by replacing all after the enacting clause with the following:

1 Lime. Wood Ash Added. Amend RSA 483:9, VI(c) to read as follows:

(c) Any land application of solid waste as defined in RSA 149-M:1, XIX, except manure used for fertilizer, *or lime or wood ash*, shall be immediately incorporated into the soil and shall be set back a minimum of 250 feet from the normal high water mark of a designated natural river or segment;

2 Lime. Wood Ash Added. Amend RSA 483:9-a, VII(b) to read as follows:

(b) Any land application of solid waste as defined in RSA 149-M:1, XIX, except manure used for fertilizer, *or lime or wood ash*, shall be immediately incorporated into the soil and shall be set back a minimum of 250 feet from the normal high water mark of a designated community river or segment;

3 Lime. Wood Ash Added. Amend RSA 483:9-b, VII(b) to read as follows:

(b) Any land application of solid waste as defined in RSA 149-M:1, XIX, except manure used for fertilizer, *or lime or wood ash*, shall be immediately incorporated into the soil and shall be set back a minimum of 250 feet from the normal high water mark of a designated community river or segment;

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill allows lime and wood ash, in addition to manure, to be applied to farmland.

**HB 459**, relative to notice received by the wetlands board from local conservation commissions. OUGHT TO PASS.

This bill extends from 10 to 14 days the amount of time that is allowed for a local conservation commission to notify the Wetlands Board that it intends to investigate an application for an excavating and dredging permit. Vote 13-0. Rep. Carol M. Stamatakis for Resources, Recreation and Development.

**HB 515-FN**, exempting the purchase of certain land conservation property on which dams are located from the requirement of legislative approval. OUGHT TO PASS WITH AMENDMENT.

This bill is intended to address the purchase of dams in the Nash Stream purchase and legalizes the purchase as specified in RSA 4:29 that prohibits the acquisition without authorization by the Legislature. It also legalizes the purchase of the earthen dam in Northwood along with the purchase of 662 acres by the Land Conservation Investment Program. The bill further authorizes the state ownership of the dam at Garland Pond by the Fish and Game Department. The bill further covers any purchase of a dam by LCIP in any future purchase. Vote 12-0. Rep. Mary Ann Lewis for Resources, Recreation and Development.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

exempting the purchase of certain property on which  
dams are located from the requirements  
of legislative approval.

Amend the bill by inserting after section 2 the following and renumbering the original sections 3 and 4 to read as 4 and 5, respectively:

3 Garland Pond Property Dam. Notwithstanding RSA 4:29 or any other provision of law, the fish and game department is hereby exempted from obtaining legislative approval for the acquisition of the dam located on the Garland Pond property in the town of Ossipee in Coos county.

**AMENDED ANALYSIS**

This bill exempts from the requirement of legislative approval, any dam acquired as part of the Nash Stream purchase on October 28, 1988, the dam located adjacent in the Mary Burt property and currently owned by the Trust for New Hampshire Lands, the dam located on the Garland Pond property in Ossipee, and any dam on property for which an application has been submitted to the land conservation investment program by December 31, 1990.

Referred to Appropriations.

**HB 714-FN**, relative to life saving identification labels. RE-REFER TO COMMITTEE.

The recommendation of the Committee was to submit this bill for re-referral. This identification has great merit, but needs study to know where it will be centralized. The Committee will work with the sponsor to see how this can be activated. Vote 15-1. Rep. Mildred A. Beach for Resources, Recreation and Development.

**HB 722-FN**, relative to the control and regulation of billboards and other advertising devices and establishing an outdoor advertising study committee. OUGHT TO PASS WITH AMENDMENT.

The bill, as amended, strengthens the present billboard regulations. The bill also establishes an outdoor advertising study committee. The purpose of the Committee is to recommend a uniform system for commercial advertising along the state's highways. Vote 13-2. Rep. Mary Ann Lewis for Resources, Recreation and Development.

**Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 Billboard Regulation; Purpose Added. Amend RSA 236:69 to read as follows:

236:69 Policy. It is hereby declared to be the policy of this state and in the public interest to provide for maximum visibility along the interstate system, federal aid primary system, and turnpike system, and connecting roads or highways; to prevent unreasonable distraction of operators or motor vehicles; to prevent confusion with regard to traffic lights, signs or signals or other interference with the effectiveness of traffic regulations; to promote maximum safety, comfort and well-being of users of the interstate system, federal aid primary system, and turnpike system; to preserve and enhance the natural scenic beauty or the aesthetic features of the interstate system, federal aid primary system, turnpike system and adjacent areas; to promote the reasonable, orderly and effective display of advertising devices along such systems;

[and] to regulate advertising devices along such systems in a manner consistent with customary use in this state[.]; *to prevent the proliferation of billboards and other advertising devices, to the detriment of the New Hampshire landscape; to minimize the visual impact of billboards at existing and proposed locations; and to minimize the long term need for billboards and other advertising devices by working towards the establishment of a state-sponsored informational and directional advertising system.* To implement this declared policy and cooperate with the United States government in the construction and maintenance of public highways in accordance with Title 23 United States Code as amended and supplemented, this subdivision provides for the regulation of advertising devices on the interstate and federal aid primary highway systems.

2 Advertising Devices; Applications for Permit Renewal. Amend RSA 236:72 to read as follows:

236:72 Permits. No advertising device other than such a device described in RSA 236:73, III, IV and V shall be erected or maintained in a federal highway or turnpike adjacent area without a permit issued by the commissioner of transportation. *The total number of permits to be issued in any given year shall be fixed and shall never exceed those legally in effect on July 1, 1991. Applications for permit renewals shall be honored if all conditions of the initial permit are being met. The commissioner shall establish through rules, adopted pursuant to RSA 541-A, an equitable system assuring equal access by all interested parties to vacated permits.* Application for a permit or renewal of a permit shall contain the name and residence or principal business address of the applicant, the location of the device to be permitted and its size, excluding border and trim, base or apron, supports and other structural members, the number of faces carrying advertising, a signed statement of the owner of the property upon which the device to be permitted is or will be located that he has consented to such device, the amount of rental compensation being paid to the said owner, and such other reasonable information or requirements as the commissioner may require. However, on an application for renewal of a permit the commissioner may waive the requirement for furnishing a signed consent statement from the owner of the property on which the device is located. Permits shall expire on April 1 following the date of issue and fees shall not be prorated. Applications for renewal of a permit shall be filed prior to March 15 preceding expiration of the permit. Only one permit shall be required for double face or v-type devices, but fees shall be charged with respect to each face used for advertising. Advertising copy may be changed at any time without requiring a new permit. Applications for a permit or renewal of a permit shall be granted except as provided in RSA 236:78, and each application shall be accompanied by fees in accordance with the following schedule:

I. For sign faces of 50 square feet or less, \$50.

II. For sign faces of more than 50 square feet but less than 350 square feet, [\$75] \$100.

III. For sign faces of 350 square feet or more, [\$100] \$200.

IV. *For signs whose upper edge is more than 40 feet above the ground elevation at the base of the supporting structure, an additional fee of \$1 per each foot by which the upper edge exceeds 40 feet in elevation.*

All fees collected hereunder shall be deposited in the highway fund.

3 New Subparagraph; Advertising Device Height; Limitation. Amend RSA 236:74, II by inserting after subparagraph (c) the following new subparagraph:

(d) No new advertising devices permitted under RSA 236:72 shall have their upper edges more than 40 feet above ground level, measured from the lowest point at which their supporting base enters the ground.

4 On-Premise Signs; Definition Clarified. Amend the introductory paragraph of RSA 236:70, II to read as follows:

II. The words "on-premise signs" shall mean advertising devices which are to be erected and maintained on property *solely* for the following purposes:

5 On-Premise Signs; Restriction Added. Amend the introductory paragraph of RSA 236:73, III to read as follows:

III. On-premise signs which are to be erected and maintained on the property for the purpose of setting forth *only*:

6 On-Premise Signs. Amend RSA 236:73, III(c) to read as follows:

(c) The name of the business or profession conducted on the property, or an identification of the goods or services produced or sold on such property, provided, not more than one such sign, visible to traffic proceeding in any one direction on any one interstate, federal aid primary or turnpike highway and advertising activities being conducted on the real property where the sign is located shall be permitted more than 50 feet from the advertised activity *and further provided that any advertising device that sets forth any information on a business not conducted on the property shall not constitute an on-premise sign within the meaning of this paragraph.*

7 Advertising Regulation; Location Clarified. Amend RSA 236:74, IV(c) to read as follows:

(c) No advertising device may be erected with respect to an interstate, limited access federal aid primary, or turnpike highway within 500 feet of an interchange or safety rest area [located on the same side of the highway on which such sign might otherwise be erected]. For purposes of RSA 236:74, IV(c) such distance of 500 feet shall be measured along the edge of the main traveled way of any such highway from the point of beginning or ending of pavement widening with respect to an exit from, or an entrance to, such main traveled way, to or from an interchange or a safety rest area, provided, however, that with respect to an interchange which consists of an entrance or an exit only, such distance shall be measured from the center line of the highway intersected by any such highway in the direction from such interchange in which there is no entrance or exit, as the case may be.

8 Advertising Devices Within Highway Rights-of-Way; Procedure Clarified. Amend RSA 236:88 to read as follows:

236:88 Advertising Devices Within Highway Rights-of-Way. Any advertising device so located as to be within the right-of-way of any interstate, federal aid primary, federal aid secondary, or turnpike highway shall be deemed to be illegally located. Removal and disposal of said device shall be effected [after] *by the department of transportation. Prior to such removal 10 days' written notice shall be given to the owner of said device, provided the identity and mailing address of the owner are displayed on the device[, by the department of transportation]. The provisions of RSA 236:78 with respect to hearings shall not apply to advertising devices deemed to be illegally located under this section.*

9 Committee Established; Duties. An outdoor advertising study committee is hereby established to investigate the most efficient and equitable means by which to establish a uniform system of commercial advertising along the state's highways.

10 Membership. The committee shall consist of the following:

I. Two members of the senate, appointed by the president of the senate.

II. Two members of the house of representatives, appointed by the speaker of the house.

III. The commissioner of the department of transportation or designee, who shall serve as chairperson.

IV. The commissioner of the department of resources and economic development or designee.

V. The director of the office of state planning or designee.

VI. A member of the New Hampshire Hospitality Association, appointed by the governor.

VII. A member of the New Hampshire Outdoor Advertising Council, appointed by the governor.

VIII. A member of the New Hampshire Good Roads Association, appointed by the governor.

11 Initial Meeting. The committee shall hold its first meeting within 30 days of the effective date of this act.

12 Report. The committee shall submit a report on its findings, including recommendations for legislation, to the speaker of the house, the senate president, and the governor, on or before November 1, 1992.

13 Mileage. Legislative members shall receive compensation for mileage at the legislative rate when attending to the business of the committee.

14 Effective Date.

I. Sections 1-3 of this act shall take effect January 1, 1992.

II. The remainder of this act shall take effect upon its passage.

**HB 780-FN**, relative to the water treatment plant operator certification program. **ought to pass with amendment.**

This bill allows the Department of Environmental Services to establish a self-funded revolving publication fund, which will enable the Bureau to buy and sell publications for the operator certification program. The fee collected under RSA 332-E:4 will be utilized to conduct the operator certification program. It further adds a provision which permits the division, in conjunction with the operators certification advisory council, to require continuing education prior to certification renewal. The bill amends RSA 485:41 exempting state, counties, municipalities, precincts and their extension from the permit to operate fee. It also will include a permit to operate fee to public water systems serving less than 100 people. Vote 15-0. Rep. Mary Ann Lewis for Resources, Recreation and Development.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to water treatment plant operators  
and fees for water system permits.

Amend the bill by replacing all after the enacting clause with the following:

I Fund Continually Appropriated. Amend RSA 332-E:4, III to read as follows:

III. The application shall be accompanied by a fee of \$25 to cover division expenses for conduct of the certification program. All fees shall be deposited with the state treasurer and reserved in a special nonlapsing fund *which shall be continually appropriated* to be used by the division for administration of this chapter.

2 New Paragraphs; Use of Funds. Amend RSA 332-E:5 by inserting after paragraph IV the following new paragraphs:

V. The division may use the nonlapsing fund established in RSA 332-E:4, III for the purchase and resale of publications for the purpose of assisting water works operators to achieve certification. This publication activity shall be self-funding.

VI. The division in conjunction with the advisory committee may require the taking of educational courses and the demonstration of course proficiency by all operators prior to the renewal of their certificate.

3 Exemptions from Water System Permit Fees. Amend RSA 485:41, VIII to read as follows:

VIII. Adopt a fee system in recognition of services provided [for the] *by the water supply engineering bureau including the* issuance of an operational permit for public water systems subject to this chapter. The division shall adopt rules establishing the application process for the issuance of operational permits pursuant to RSA 541-A. The fee category for community systems per year shall be \$600 [for all systems serving more than 100 people,] but in no case shall the fee exceed \$10 per household or household equivalent. The fee category for non-transient and non-community systems shall be \$200 per year. *Any system owned by a state, county, municipality, town, precinct, or district shall be exempt from water system fees.* All fees shall be paid to the division for deposit in the operational permits account. Moneys in the operational permits account shall be used to pay the [salary] *salaries*, benefits and expenses [for the permanent full-time employees] *of the staff* in the division's *drinking* water supply [engineering bureau] *program*, [operation permits section]. Any revenues generated in excess of the costs of funding the *drinking* water supply [engineering bureau] *program's expenses*, [operation permits section,] shall lapse to the general fund at the close of each fiscal year to be used to offset the future general fund appropriation for the water supply [engineering bureau] *program*.

4 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

The bill continually appropriates a special fund containing certain fees into a revolving fund to be used by the division of water supply and pollution control for the purchase of materials to assist water treatment operators to achieve certification. This bill also exempts certain entities from water system permit fees.

Referred to Appropriations.

**HB 296-FN-A**, establishing a state emergency response commission and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, establishes an emergency response commission IAW Public Law 99-499 (SERA Title III), replacing the current Emergency Management Advisory Council. The membership, duties and responsibilities of the Emergency Response Commission are identical with the current Emergency Advisory Council with the addition that the new Commission will have the authority to receive and disburse funds. Vote 11-0. Rep. Charles C. Vogler for Science, Technology and Energy.

#### Amendment

Amend RSA 107-D:3, I as inserted by section 1 of the bill by replacing it with the following:

107-D:3 Commission Members and Term.

I. There is hereby created an emergency response commission consisting of the following members or their designees:

- (a) Director of the governor's office of emergency management, who shall be chairman.
- (b) The attorney general, or designee.
- (c) The commissioner of the department of health and human services, or designee.
- (d) The commissioner of the department of transportation, or designee.
- (e) One representative of the New Hampshire Business and Industry Association and one representative of the Association of Commerce and Industry, each designated by appropriate association.
- (f) The commissioner of safety, or designee.
- (g) The commissioner of environmental services, or designee.
- (h) A representative of the New Hampshire Association of Fire Chiefs, designated by such association.
- (i) The chairman of the public utilities commission, or designee.
- (j) The commissioner of the department of labor, or designee.
- (k) A representative of the New Hampshire chapter of the American Red Cross, designated by such chapter.
- (l) A member of the house of representatives, appointed by the speaker of the house.
- (m) A member of the senate, appointed by the president of the senate.
- (n) One mayor of a city or selectperson of a town, appointed by the governor.
- (o) A representative of the New Hampshire Police Chiefs' Association, designated by such association.
- (p) Three members of the public sector, appointed by the governor.

Amend RSA 107-D:4 as inserted by section 1 of the bill by inserting after paragraph VII the following new paragraph:

VIII. Advise the governor on the preparation and maintenance of a state disaster plan in conformance with applicable federal statutes and regulations.

Amend the bill by replacing section 3 with the following:

3 Repeal. The following are repealed:

- I. RSA 107-C:2, I relative to the definition of the term "council."
- II. RSA 107-C:6, relative to the emergency management advisory council.

#### AMENDED ANALYSIS

This bill establishes an emergency response commission in accordance with Public Law 99-499.

This commission shall have the authority to designate local emergency planning districts, appoint local emergency planning committees for each district, supervise and coordinate the activities of local emergency planning committees, receive and process requests for information, and review local emergency plans.

This bill also deletes the emergency management advisory council.

An appropriation is made to the governor's office of emergency management to administer the emergency response commission.

Referred to Appropriations.

**HB 665-FN**, prohibiting the use of computer-generated telephone calls for solicitation purposes. INEXPEDIENT TO LEGISLATE.

The Committee recognizes the problems of computer-generated telephone call solicitations. However, the testimony on this bill revealed virtually all such calls origi-

nate outside of the state. Therefore, this bill would not solve the problem. The Committee is therefore looking into the possibility of a House Concurrent Resolution to encourage federal legislation currently pending in Congress on this subject. Vote 12-0. Rep. Charles C. Vogler for Science, Technology and Energy.

**HCR 2**, urging Congress to propose a constitutional amendment requiring a balanced federal budget and prohibiting budget appropriation increases in the absence of a national emergency. **OUGHT TO PASS WITH AMENDMENT.**

Unanimously voted on by the Committee, HCR 2 urges Congress to propose a Constitutional Amendment requiring a balanced federal budget. Vote 12-0. Rep. John B. Hunt for State-Federal Relations.

### Amendment

Amend the resolution by replacing the title of the resolution with the following:

#### A RESOLUTION

urging Congress to propose a constitutional amendment  
requiring a balanced federal budget.

Amend the resolution by replacing the first paragraph after the resolving clause with the following:

That this body proposes to the Congress of the United States that procedures be instituted in the Congress to add a new Article to the Constitution of the United States, and that the state of New Hampshire urges the Congress to prepare and submit to the several states an amendment to the Constitution of the United States, requiring a balanced federal budget; and

### AMENDED ANALYSIS

This bill urges the Congress to propose a constitutional amendment requiring a balanced federal budget.

**HCR 8**, urging Channel 8 (WMTW) of Auburn, Maine to provide New Hampshire news coverage and to allow New Hampshire ABC affiliate Channel 9 (WMUR) to broadcast from the Mt. Washington summit. **OUGHT TO PASS WITH AMENDMENT.**

The testimony before the Committee established the following facts: Northern New Hampshire gets its broadcast TV from the top of Mt. Washington. Channel 8, WMTW, has the exclusive right to broadcast from the top of the mountain, but it consistently fails to broadcast New Hampshire news. This resolution will serve to call the attention of Channel 8 and the F.C.C. to the importance of providing northern New Hampshire with local news and events coverage. Vote 13-0. Rep. Peter Hoe Burling for State-Federal Relations.

### Amendment

Amend the title of the resolution by replacing it with the following:

#### A RESOLUTION

urging Channel 8 (WMTW) of Auburn, Maine to provide coverage of New Hampshire news and events and to allow another television channel providing such coverage to broadcast from the Mt. Washington summit.

Amend the resolution by replacing all after the title with the following:

Whereas, New Hampshire has a responsibility to encourage media coverage of state and local news and events to all of its citizens; and

Whereas, residents of the northern part of the state are currently poorly served by the media; and

Whereas, television signals provided to the northern counties are broadcast from the Mt. Washington summit; and

Whereas, only Channel 8 (WMTW) of Auburn, Maine, is currently entitled by contract to broadcast from the summit of Mt. Washington; and

Whereas, Channel 8 (WMTW) has consistently failed to provide comprehensive New Hampshire news coverage, in spite of its repeated promises to provide such coverage; and

Whereas, Channel 8 (WMTW) has apparently blocked the efforts of other television stations to broadcast from the Mt. Washington summit; now, therefore, be it:

Resolved by the House of Representatives, the Senate concurring: That the general court decries and protests the failure of Channel 8 (WMTW) to provide comprehensive coverage of New Hampshire state and local news and events; and

That the general court urges Channel 8 (WMTW) to either provide comprehensive New Hampshire state and local news coverage or to allow another television station providing such coverage to broadcast from the Mt. Washington summit; and

That copies of this resolution be forwarded to Channel 8 (WMTW) and to the Federal Communications Commission.

#### AMENDED ANALYSIS

This concurrent resolution protests the failure of Channel 8 (WMTW) of Auburn, Maine to provide comprehensive coverage of New Hampshire news and events or to allow another television station providing such coverage to broadcast from the Mt. Washington summit.

**HB 683-FN-A**, establishing a transportation task force for the twenty-first century and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The Committee felt that the bill was satisfactory in its structure to establish a transportation task force study for the 21st century. Two amendments were added to the bill: an increase of four to the total membership of the committee; and the effective date of the bill was changed from July 1, 1992 to July 1, 1991. Vote 17-0. Rep. Richard L. Haynes for Transportation.

#### Amendment

Amend the bill by replacing section 2 with the following:

2 Membership. The members of the task force shall include the following:

I. One member of the senate, appointed by the president of the senate.

II. One member of the house of representatives, appointed by the speaker of the house.

III. The commissioner of transportation, who shall be the task force chairman.

IV. The commissioner of the department of resources and economic development.

V. The director of the office of state planning.

VI. One member of the governor's advisory commission on highways, appointed by the governor.

VII. One person representing the Business and Industry Association of New Hampshire, appointed by the governor.

VIII. One person representing the New Hampshire motoring interests, appointed by the governor.

IX. One person representing the New Hampshire trucking industry, appointed by the governor.

X. One person representing the New Hampshire construction industry, appointed by the governor.

XI. One person representing the New Hampshire construction materials industry, appointed by the governor.

XII. One person representing New Hampshire environmental interests, appointed by the governor.

XIII. One person representing the New Hampshire mass transportation industry, appointed by the governor.

XIV. One person representing the commercial aviation industry, appointed by the governor.

Amend paragraph I(b) of section 3 of the bill by replacing it with the following:

(b) Propose a transportation system that shall fulfill New Hampshire's economic and social needs in the year 2000.

Amend the bill by replacing section 7 with the following:

7 Effective Date. This act shall take effect July 1, 1991.

### REGULAR CALENDAR

**HB 338-FN**, prohibiting the detention of minors in adult correctional facilities and jails. RE-REFER TO COMMITTEE.

This bill needs more work to meet federal mandates. Vote 10-5. Rep. Juanita L. Bell for Children, Youth and Juvenile Justice.

Re-referred to Committee.

**HB 381-FN-A**, relative to the recovery of legal fees incurred by the state and making an appropriation therefor. OUGHT TO PASS.

The Committee supports this bill. The bill would allow for repayment by parents or in some cases the juveniles themselves, for appointed counsel or a public defender. The bill would require payment to the Office of Cost Containment. The FN calls for state expenditures of \$5,900 in FY'92 and \$6,860 in FY'93. Vote 13-3. Rep. Ellen-Ann Robinson for Children, Youth and Juvenile Justice.

Adopted.

Referred to Appropriations.

**HB 387-FN**, prohibiting cigarette vending machines in areas to which minors have access. INEXPEDIENT TO LEGISLATE.

This bill provides no method of enforcement, and would be only a violation with minimum penalty if occurrence were to be found. Inasmuch as there is no law prohibiting smoking by persons under 18, there is some conflict. The definition of access areas would be difficult to specify clearly. There is no question that smoking is not beneficial to any one, but it is felt this would not be a deterrent similar to HB 696 passed by the Committee the same date. Vote 17-0. Rep. William F. McCain for Children, Youth and Juvenile Justice.

Adopted.

**HB 392-FN**, relative to payment of child support. OUGHT TO PASS.

This bill makes equitable the opportunity for enforcement, helps keep families off the welfare rolls, takes the onus off the courts, and can defuse a potentially manipulative divorce situation. Vote 15-0. Rep. Deborah P. Mellwaine for Children, Youth and Juvenile Justice.

Adopted.

Ordered to third reading.

**HB 416-FN-A**, relative to drug-free school zones and making appropriations therefor. OUGHT TO PASS.

This bill comes before the House with the unanimous support of the Committee, the New Hampshire Police Chiefs Association, New Hampshire School Boards Association and the Governor's Office. It imposes enhanced penalties for persons who manufacture, sell, prescribe, administer, dispense, or possess with intent to sell, dispense, or compound any controlled drug within 1,000 feet of a school zone or in a school bus. The FN calls for state expenditures of \$38,510 in FY'91 and \$200 in FY'92. Vote 15-0. Rep. Sharon L. Nordgren for Children, Youth and Juvenile Justice.

Adopted.

Referred to Appropriations..

**HB 423-FN-A**, making an appropriation for health services for young children. RE-REFER TO COMMITTEE.

The Committee believes strongly that funding should be increased to the "well child" program. Unfortunately, the state doesn't have the funds at this time. The Committee will study and review the program in the off session. The FN called for state expenditures of \$400,000 in FY'92. Vote 14-0. Rep. Ellen-Ann Robinson for Children, Youth and Juvenile Justice.

Re-referred to Committee.

**HB 502-FN-A**, relative to child care resource and referral systems and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

This bill establishes a statewide child care resource and referral system. The Committee was unanimous in its support of this service to parents in need of day care for their children. The demand for appropriate and adequate day care is increasing in this state as employers testified before the Committee and this service would facilitate a more informed public in their search for day care. Vote 17-0. Rep. Sharon L. Nordgren for Children, Youth and Juvenile Justice.

#### Amendment

Amend the bill by replacing section 5 with the following:

5 Appropriation. The sum of \$1 is hereby appropriated to the department of health and human services for the biennium ending June 30, 1993, for the purposes of this act. Half of such appropriation shall be distributed equally among qualified child care resource and referral agencies. The department is authorized to accept and expend federal and private funds that may be available for the purposes of this act. This appropriation is nonlapsing and is in addition to any other funds appropriated to the department of health and human services. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

Adopted.

Report adopted.

Ordered to third reading.

**HB 602-FN-A**, reinstating the dental program for children and making an appropriation therefor. RE-REFER TO COMMITTEE.

Due to the fiscal condition of the state, this bill will be re-referred to the Committee. It is a very important issue and must be considered when the funds are available. Vote 14-0. Rep. Josephine Mayhew for Children, Youth and Juvenile Justice.

Re-referred to Committee.

**HCR 7**, adopting a bill of rights for children. OUGHT TO PASS WITH AMENDMENT.

The Concurrent Resolution puts forth a philosophical statement of the rights of children. This language will have no force of law, but puts forth a sense of the Legislature regarding our intent to ensure the future of our children by our acknowledgment of their rights. Vote 15-0. Rep. William F. McCain for Children, Youth and Juvenile Justice.

### Amendment

Amend the resolution by replacing paragraph I of the second paragraph after the title with the following:

I. The right to enter this world loved, nurtured and with the opportunity for good health; and

Adopted.

Rep. Daniels moved that the words Inexpedient to Legislate, be substituted for the report of the Committee, Ought to Pass with Amendment, spoke to his motion and yielded to questions.

Rep. Connell spoke against.

Rep. Searles spoke in favor and yielded to questions.

Rep. Nielsen spoke in favor.

Rep. William McCain spoke against and yielded to questions.

Rep. Burling yielded to a question.

Rep. Kurk: I'm concerned about any financial consequences that might result from the rights mentioned in this resolution. Can you assure this House that parents and other individuals and government (state, county and local) will not incur any legal obligations, programmatic or financial, as a result of the passage of this resolution?

Rep. Burling: I can't speak for all the people who have supported this resolution, only for myself. Do I think that parents, individuals and government will incur additional legal obligations if this resolution passes? No, I do not. We do not intend this action to create new substantive rules of law which will, by themselves, create new mandates for state and local government. Do we intend to create an ethical measure against which we will judge the actions of government relative to our children? You bet we do!

On a division vote, 140 members having voted in the affirmative and 192 in the negative, the substitute motion lost.

Report adopted.

Ordered to third reading.

**HB 755-FN-A**, relative to a limited liability company act and appropriating funds for administration. INEXPEDIENT TO LEGISLATE.

This bill created a new type of business classification, a "limited liability company" (LLC). The LLC provided for flexibility without the restrictiveness imposed on S corporations and limited partnerships by combining the favorable tax treatment

of partnerships and the limited liability of corporations. The Committee was concerned because of the many questions left unanswered in this complex bill. The bill would have necessitated amendments to our present security laws. There were no provisions to separate management from authority; to hold annual meetings or provide for proxy voting. Currently, only five (5) states have this type of law. One such state is Wyoming where this legislation had been introduced in the '70s by special interests for mining legislation. The Committee does not feel that this is needed in New Hampshire as presented and the bill itself is severely flawed. Vote 12-2, Rep. Bonnie B. Packard for Commerce, Small Business and Consumer Affairs.

Adopted.

**CACR 3**, relating to the number of terms served by state legislators. Providing that no person shall serve more than 10 years as a state senator or representative. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS WITH AMENDMENT.**

**MAJORITY:** This CACR would provide that no person shall serve more than 10 years as a senator or representative. In the New Hampshire Legislature there are 60 members with over 10 years of service. Due to the size of the New Hampshire General Court and the level of pay, it is difficult in some districts to find people to run. New Hampshire does not have the problem of extended service. The majority of the Committee feels that the terms of the New Hampshire General Court should not be limited. Vote 9-3. Rep. Carol H. Holden for the Majority of Constitutional and Statutory Revision.

**MINORITY:** New Hampshire is lucky to have so many experienced and gifted Legislators. CACR 3, as amended, allows for a candidate having served 10 years to sit out one term and then run for election another 10 years. The minority feels that CACR 3 reflects the will of the people and will strengthen good government in New Hampshire. Rep. Gary R. Gilmore for the Minority of Constitutional and Statutory Revision.

Adopted.

**CACR 5**, relating to right to counsel. Providing that the state shall not be required to provide legal representation for indigent persons charged with a second or subsequent DWI or drug offense. **INEXPEDIENT TO LEGISLATE.**

The sponsor withdrew his support because the bill would have been unconstitutional or in conflict with federal law. The issue addressed by the sponsor had merit but needed more study to ensure that it would pass constitutional muster. Vote 13-0. Rep. LeRoy S. Dube for Constitutional and Statutory Revision.

Adopted.

**CACR 7**, relating to the incompatibility of holding a state office and being called up for temporary military active duty. Providing that members of military reserves and national guard units occasionally called upon in an emergency shall be allowed to hold state offices. **OUGHT TO PASS.**

CACR 7, if adopted by the necessary vote in the House and Senate, would put the following question on the ballot in November 1992: "Are you in favor of amending the Constitution to allow members of a military reserve or National Guard unit occasionally called upon to serve in the Office of Governor, Senator, Representative or Executive Councilor?"

The Committee felt that the Constitution should be so amended to allow individuals called for temporary military active duty to hold state offices. Vote 13-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

Rep. Gross spoke in favor and yielded to questions.

On a division vote, 319 members having voted in the affirmative and 10 in the negative, the resolution was adopted.

Ordered to third reading.

Rep. Welch notified the Clerk that he inadvertently voted nay and intended to vote yea.

**CACR 8**, relating to conscientious objection to the method and content of education. Providing that no person shall be compelled to send any child for whom such person is legally responsible to any school to which such person may be conscientiously opposed. **INEXPEDIENT TO LEGISLATE**.

The majority of the Committee feels CACR 8 is inappropriate within the Constitution. The issues the sponsors brought in support of CACR 8 have always been dealt with through statutes. Currently, there are statutes which provide exceptions for those parents who choose to have their children educated at home or in a private school. Vote 6-5. Rep. Gary R. Gilmore for Constitutional and Statutory Revision.

Rep. Ouellette moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate, and spoke to his motion.

Rep. Gilmore spoke against.

Rep. Barberia spoke in favor.

Rep. Robinson spoke against.

Rep. Rothhaus spoke in favor and yielded to questions.

Rep. Holden spoke against.

The motion lost.

Report adopted.

**HB 349**, relative to the charter of the New Hampshire Centennial Home for the Aged. **OUGHT TO PASS**.

Since New Hampshire Centennial Home for the Aged has been chartered by the Legislature and has authority to hold property, the Committee feels this act should be approved. The Home for the Aged is exempt from taxation and used for charitable purposes. It is appropriate that the corporation be permitted to operate in a manner in its best interest. Vote 8-2. Rep. Walter F. Healy for Constitutional and Statutory Revision.

Adopted.

Ordered to third reading.

**HB 538**, to limit the terms of office for the members of the United States Congress from New Hampshire, and to limit the terms of office for the members of the New Hampshire house and senate. **INEXPEDIENT TO LEGISLATE**.

This bill would limit the terms of office for the members of the United States Congress from New Hampshire and limit the terms of office for members of the New Hampshire House and Senate. The Committee felt that this should be a CACR and questioned the constitutionality of regulating federal office holders. Vote 8-4. Rep. Ralph E. Shackett for Constitutional and Statutory Revision.

Rep. Welch spoke against and yielded to questions.

Rep. Shackett spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

The question being the adoption of the Committee report.

**SULLIVAN**

None

and the Committee Report was adopted.

**HB 56-FN**, relative to school building aid. **INEXPEDIENT TO LEGISLATE.**

The Committee felt that the \$150 million cap hinders the implementation of the proposed state formula. Also, there is no assurance that teachers working year-round would get a 25 percent increase for 25 percent more work. No solution is proposed for schools turned into town offices before the 20-year payment of state aid. The fiscal impact is undetermined. Vote 13-5. Rep. Robert M. Gilbreth for Education.

Adopted.

**HB 497-FN-A**, relative to an equipment challenge grant program for vocational and technical education programs and making an appropriation therefor. **RE-REFER TO COMMITTEE.**

This bill was introduced as the result of a long effort on the part of the State Council for Vocational Education in an attempt to identify and address the problem of equipping, on an ongoing basis our technical education programs in the secondary and postsecondary system.

The method is creative, innovative and challenging to employers and the technical educational institutions to match funds to obtain instructional equipment.

Although the bill only has an appropriation of \$1, what it attempts to do is vast and creates a new level of state involvement in the Office of State Planning with program directors to carry out the wishes of this advisory committee, as well as many other questions yet to be addressed. Vote 17-0. Rep. Bert Teague for Education.

Re-referred to Committee.

**HB 626-FN-A**, relative to a constitutional literacy exam for public officials and certain employees and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE.**

The Committee feels that legislators should be familiar with the state and federal constitutions, but an exam on their contents is the wrong approach. The Legislator Orientation Committee might explore the possibility of including some specifics of these documents for new legislators. Vote 16-0. Rep. Robert M. Gilbreth for Education.

Adopted.

**HB 729-FN**, placing New Hampshire public elementary and secondary schools under state administration and control. **INEXPEDIENT TO LEGISLATE.**

Four people testified against this bill and none for. The fiscal impact at this time would increase state expenditures by \$981,586,919 in FY'93, \$1,069,223,741 in FY'94, and \$1,166,223,417 in FY'95. Vote 17-0. Rep. Stanley N. Searles for Education.

Rep. Jacobson moved that the words Ought to Pass, be substituted for the report of the Committee, Inexpedient to Legislate, spoke to his motion and yielded to questions.

Rep. John White spoke in favor.

Reps. Larson and Skinner spoke against and yielded to questions.

Roll call request sufficiently seconded.  
The question being on the substitute motion.

**HB 737-FN-A**, abolishing the university system of New Hampshire fund, requiring the state to guarantee student loans, and appropriating amount needed to repay defaulted loans. **INEXPEDIENT TO LEGISLATE.**

The methodology on this bill's Fiscal Note states that the annual liability for the State, were this to pass, would probably be in excess of \$150,000,000 (One Hundred Fifty Million dollars) annually, as well as serious implications on the state's bonded indebtedness. Vote 16-0. Rep. William A. Riley for Education.

Rep. Thomas Christie moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. William Riley spoke against.

Motion lost.

Report adopted.

**HB 211-FN-A**, relative to administrative fees of the air resources division and continually appropriating such fees. **OUGHT TO PASS WITH AMENDMENT.**

HB 211 allows for a nonlapsing fund for the Division of Air Resources. These are not new fees, ones that have been collected. The Committee is just making legal an already existing fund. Vote 17-0. Rep. Marilyn R. Campbell for Environment and Agriculture.

#### Amendment

Amend RSA 125-C:12, IV as inserted by section 1 of the bill by replacing it with the following:

IV. As a condition of any permit required, the director may require payment of a fee to cover the reasonable costs of reviewing and acting upon the application for a permit and of implementing or enforcing the terms and conditions of a permit. The applicant shall pay any cost or expense associated with public notices or notifications in the permit process. The director shall adopt rules relative to a fee schedule for applicants and the collection of fees under the schedule. [Funds collected by the director under this section shall be used by the director in the performance of his duties under] *All fees and monetary grants, gifts, donations, or interest generated by this fund shall be deposited with the state treasurer in a special nonlapsing fund to be known as the air resources fund and shall be continually appropriated to the air resources division for the administration of this chapter.*

#### AMENDED ANALYSIS

This bill establishes a nonlapsing special fund for the division of air resources of the department of environmental services for the placement of all fees, grants, gifts, donations, or interest received by the division pursuant to its review of permit applications.

This bill continually appropriates the money in the fund to the division.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 252-FN-A**, appropriating funds for inspection of apiaries and prevention of honeybee colony contamination. **OUGHT TO PASS WITH AMENDMENT.**

To insure the continuance of the Apiary Inspections, \$15,000 is appropriated for fiscal year 1991-92. It also establishes a non-lapsing fund received from inspection fees for future apiary programs. Vote 15-2. Rep. Marilyn R. Campbell for Environment and Agriculture.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

establishing a fund for the inspection of apiaries  
to prevent honeybee colony contamination  
and making an appropriation therefor.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subparagraph; Apiary Inspection Fund. Amend RSA 6:12, I by inserting after subparagraph (mm) the following new subparagraph:

(nn) Money received under RSA 429:2 and RSA 429:12, which shall be credited to the apiary inspection fund.

2 Disposition of Fees. Amend RSA 429:2 to read as follows:

429:2 Inspection. The inspector shall, annually, make such inspection of the apiaries throughout the state as may be deemed necessary to determine the presence of any bee diseases of a contagious or infectious nature and take such action as may be necessary to suppress the same. *Any fees collected for such inspections shall be deposited in the apiary inspection fund.*

3 New Paragraph; Rulemaking. Amend RSA 429:8 by inserting after paragraph V the following new paragraph:

VI. Administering the apiary inspection fund.

4 Disposition of Grants. Amend RSA 429:12 to read as follows:

429:12 Acceptance of Grants. The commissioner of agriculture authorized to accept any gifts, grants or donations from any source for the purpose of controlling American foulbrood disease of honeybees and for the purpose of research and control of all bee diseases. *Such sums shall be deposited in the apiary inspection fund established by RSA 429:12-a.*

5 New Section; Apiary Inspection Fund. Amend RSA 429 by inserting after section 12 the following new section:

429:12-a Apiary Inspection Fund. All fees collected by the commissioner under this subdivision shall be deposited with the state treasurer to be used solely for the purposes of this subdivision. The state treasurer shall establish a separate, nonlapsing account to be known as the apiary inspection fund. The moneys in the apiary inspection fund are hereby continually appropriated to the commissioner, department of agriculture, to be expended for the purposes of this subdivision.

6 Appropriation. The sum of \$15,000 for the fiscal year ending June 30, 1992, is hereby appropriated to the department of agriculture for the purpose of inspection of apiaries for the presence of the honeybee tracheal mite, varroa mite and Africanized

bee and for prevention of honeybee colony contamination by these pests in accordance with RSA 429. This appropriation shall be in addition to any other funds appropriated to the department of agriculture. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

7 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill establishes a dedicated, nonlapsing, continually appropriated fund to be called the apiary inspection fund and to be administered by the commissioner of agriculture.

The bill requires the fund to be used for the inspection of apiaries to determine the presence of bee diseases.

This bill appropriates funds for the fiscal year ending June 30, 1992, to the department of agriculture, for the inspection of apiaries and the prevention of honeybee colony contamination.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 265-FN-A**, using revenues from a solid waste cleanup fund to fund departmental positions and to pay certain cleanup costs and continually appropriating the fund to the division of waste management. RE-REFER TO COMMITTEE.

At present, there is no mechanism to clean up a solid waste site. This would establish a way of financing a cleanup and have funds available when they are needed. More time is needed to work out the details of financing and to look at financing closures. Vote 17-0. Rep. Elizabeth S. Millard for Environment and Agriculture.

Re-referred to Committee.

**HB 735-FN-A**, establishing a solid waste cleanup fund and continually appropriating it to the division of waste management. INEXPEDIENT TO LEGISLATE.

The content of this bill is being considered in HB 265 which is being re-referred to Committee. Vote 15-0. Rep. Nancy L. Tarpley for Environment and Agriculture.

Adopted.

**HB 533-FN-A**, permitting administrative fines to be charged by the division of public health services and continually appropriating a photocopy fund to the commissioner of health and human services. INEXPEDIENT TO LEGISLATE.

The Committee felt that the rules were not explicit and that the fines were excessive. Vote 12-1. Rep. Gerald O. Gosselin for Executive Departments and Administration.

Adopted.

**HB 550-FN**, relative to the withdrawal of accumulated contributions and retirement system membership. OUGHT TO PASS.

This bill returns to employers their contributions of the Retirement System Fund as it presently does for the employees. These are contributions paid into the system during the employees' 6-month probationary period. These funds are only returned if the employee is terminated within the probationary period. Vote 14-1. Rep. Arnold P. Shibley for Executive Departments and Administration.

Adopted.

Referred to Appropriations.

**HB 214-FN-A**, creating a new class of highways for access to public waters and making an appropriation therefor. RE-REFER TO COMMITTEE.

The Committee recommends re-referral of this bill until the passage of HB 601 which will enable the Fish and Game Department to determine its effect on revenues and expenditures of the Department. Vote 16-0. Rep. Lester R. Perham for Fish and Game.

Re-referred to Committee.

**HB 527-FN-A**, licensing speech-language pathologists and making an appropriation therefor. OUGHT TO PASS.

The licensing of speech pathologists is important for the consumers in New Hampshire. Speech pathologists make independent judgments regarding clients' communicative and swallowing disorders. It is important that they be licensed to ensure that persons calling themselves speech pathologists do in fact meet the rigorous standards in this bill. With the tremendous advances in technology, it is vital that these people be trained and have continuing education to keep up with the fast changing modes of treatment. Vote 15-2. Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs.

Rep. Ziegler spoke in favor.

Adopted.

Referred to Executive Departments and Administration.

**HB 686-FN-A**, establishing a trauma care registry and making an appropriation therefor. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE.

MAJORITY: The intent of the bill had some merit, but a majority of the Committee felt it was a duplication of data already being tabulated and an unnecessary expense at this time. Vote 11-5. Rep. Lawrence A. Chase for the Majority of Health, Human Services and Elderly Affairs.

MINORITY: The minority of the Committee felt that the most important information on the medical care provided to trauma victims is not available from other data sources at hand, but is kept at hospitals. The purpose behind this bill is to collect that data in a form that will help the understanding of how medical care is provided to trauma patients. This data is vital to the designation of trauma centers. Rep. Marion L. Copenhaver for the Minority of Health, Human Services and Elderly Affairs.

Rep. Copenhaver moved that the words Re-refer to Committee, be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. Robert Foster spoke in favor.

Adopted.

Rep. Michael Hill abstained from voting under Rule 16.

**HB 775-FN**, relative to social security cost-of-living increases to certain recipients of assistance. OUGHT TO PASS.

This bill allows the Social Security cost-of-living adjustment (COLA) to go to the residential care facilities that are responsible for caring for our frail elderly. The bill prevents the state from deducting the COLA from the state's financial obligation to the residential care facility. This bill will not cost the state any money. In fact, in the long run, HB 775 could save the state money by allowing our elderly to remain in these facilities rather than in more expensive nursing homes. Vote 14-2. Rep. Marilyn P. Senter for Health, Human Services and Elderly Affairs.

Rep. Senter moved that the words Inexpedient To Legislate, be substituted for the report of the Committee, Ought to Pass, spoke to her motion and yielded to questions. Rep. Robert Foster spoke in favor and yielded to questions.

Rep. Copenhaver spoke against.

The motion lost.

Rep. Copenhaver moved that the words Re-refer to Committee, be substituted for the report of the Committee, Ought To Pass.

Re-referred to Committee.

**HB 476-FN-A**, establishing a marital commission pilot program in Sullivan county and making an appropriation therefor. RE-REFER TO COMMITTEE.

The Committee's plan is to take some time to study the concept of alternative dispute resolution in marital matters through this bill and HB 503. Vote 14-0. Rep. Elizabeth D. Lown for Judiciary.

Re-referred to Committee.

**HB 663-FN-A**, establishing a pilot project in the Sullivan county superior court to train volunteer attorneys to serve as mediators and making an appropriation therefor. RE-REFER TO COMMITTEE.

This bill seeks to establish a pilot program to train volunteer attorneys to be mediators in Sullivan County. The cost is low, only \$4,000, but the Committee would like to hold onto this legislation so that it may be considered with other bills dealing with alternative dispute resolution (HB 530 and HB 476). Vote 14-0. Rep. Peter Hoe Burling for Judiciary.

Re-referred to Committee.

**HB 409-FN-A**, establishing an industrial heritage commission and industrial heritage park fund and making an appropriation therefor. OUGHT TO PASS.

The Committee feels this is a worthwhile project. The 17-member Commission covers many facets of government and the private sector. Private donations already have reached about \$1,000,000 with the state's cost for FY'92 \$1. The Mill Property is being donated by the Gruber family. Vote 15-0. Rep. John W. Flanders for Labor, Industrial and Rehabilitative Services.

Adopted.

Ordered to third reading.

**HB 156-FN-A**, establishing a committee to study the feasibility of constructing an access road from West Franklin to exit 19 on I-93 and making an appropriation therefor. INEXPEDIENT TO LEGISLATE.

The bill calls for yet another study for an access road to Exit 19 on I-93. None of the sponsors appeared. The Franklin City Manager gave the bill only conditional support while the Lakes Regional Planning Commission "is not really opposed." The Committee felt there was no community support for this bill. Vote 17-0. Rep. Roland A. Frechette for Public Works.

Adopted.

**HB 258**, to extend the lapse date for the phase V prison construction appropriation. OUGHT TO PASS.

This bill extends the lapse date for Phase V prison construction of \$2,000,000 to be used to renovate existing buildings at the Laconia State School. Despite the thoughtful testimony of Laconia area residents, the Committee feels this proposal is the best use for the complex at this time. After touring the facility, and assessing the quality of the

existing buildings, the Committee felt that the "Camp Success" proposal at Laconia was the best way to house our ever-increasing prison population and the best use for the existing empty complex. Vote 12-3. Rep. David K. Wheeler for Public Works.

Rep. Rosen moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass and spoke to his motion.

Rep. Gene Chandler spoke against.

Rep. McRae spoke in favor.

Reps. Nielsen and David Wheeler spoke against.

Rep. Soldati spoke in favor.

Rep. Donna Sytek spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.

Report adopted.

Referred to Appropriations.

**HB 323-A**, relative to the Cheshire Bridge and making an appropriation therefor. **OUGHT TO PASS.**

In its feasibility study of April 1987, the Department of Transportation recommended purchasing and operating this interstate bridge across the Connecticut River. Legislation to that effect was enacted in 1988. This bill increases the amount to be bonded to current cost estimates, and bond service and operating costs will be paid by local tolls. There is no net cost to the state in acquiring this bridge, as the increase in the toll will offset the expense of purchasing and repaving the bridge. Vote 9-7. Rep. Roland A. Frechette for Public Works.

Adopted.

Referred to Appropriations.

**HB 328-A**, relative to the site location, design and planning of a new Manchester district court facility and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The Committee unanimously agrees that the existing Manchester District Court building, which was constructed in 1902, is deficient in space and design to adequately serve the needs of the city's civil and criminal system.

The bill and amendment provide 5-year financing rather than 10-year bonding for the site location, design and architectural plans for a new court facility. Vote 15-0. Rep. Joanne A. O'Rourke for Public Works.

**Amendment**

Amend the bill by replacing section 3 with the following:

3 Bonds Authorized. To provide funds for the appropriation made in section 2 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$250,000 and for said purpose may issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A. Payments of principal and interest of the bonds and notes shall be made from the general fund of the state. The bonds shall be 5-year bonds.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 393-A**, relative to preliminary designs, an environmental impact statement for improving access to the Manchester airport, re-establishing a legislative task force and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

The Committee unanimously approved requiring the Department of Transportation to create preliminary designs and an environmental impact statement on highway improvements needed to facilitate access to the Manchester Airport. The bill also re-establishes a task force created in the 1989 session to continue studying means to improve access to the Manchester Airport. The amendment adds the State Treasurer to the Task Force. Vote 16-0. Rep. Joanne A. O'Rourke for Public Works.

#### **Amendment**

Amend paragraph II of section 2 of the bill by inserting after subparagraph (m) the following:

(n) The treasurer of the state of New Hampshire, or designee.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 427-A**, relative to additional improvements on Gosling Road and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 427, as amended, provides a 6.8 million dollar charge against the turnpike fund and authorizes bonding for that amount. With the redevelopment of Pease moving along, it seems the best time to build these improvements at Gosling Road, as the traffic and related activities will never be lighter. This is a dangerous area that should be corrected even if activity at Pease were not going to increase. The Department of Transportation hopes to begin movement on this project by May or June of this year. The Committee was unanimous in its support of this important piece of legislation. Vote 14-0. Rep. Gene G. Chandler for Public Works.

#### **Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 Gosling Road; Additional Improvements. The department of transportation is hereby authorized to perform improvements to Gosling Road, in addition to the improvements anticipated by RSA 237:2, VI to accommodate expected increases in traffic due to the redevelopment of Pease Air Force Base. The fiscal year estimated completion date for RSA 237:2, VI shall be extended, therefore, through fiscal year 1992.

2 Appropriation. The sum of \$6,800,000 is hereby appropriated to the department of transportation for the fiscal year ending June 30, 1992, for the purposes of section 1. This appropriation is in addition to any other appropriation for the department of transportation and shall be a charge against the turnpike fund.

3 Bonds. To provide funds for the appropriation in section 2 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$6,800,000 and for said purpose may issue turnpike system revenue bonds in the name of and on behalf of the state of New Hampshire in accordance with RSA 237-A.

4 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 448-A**, appropriating funds for environmental and engineering design studies for the Ledyard Bridge in Hanover and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

Ledyard Bridge is, in the opinion of the Department of Transportation, one of the two bridges in the state which most need repair and/or replacement. It is scheduled to be replaced in the 10-year plan. Vote 15-0. Rep. A. Gibb Dodge for Public Works.

#### Amendment

Amend the bill by replacing section 3 of the bill with the following:

3 Contingency. The study authorized by section 2, paragraph III of this act shall not take effect until the state of Vermont approves appropriate cost sharing for the portion of the studies' costs related to the bridge and approach roadways within the state of Vermont.

#### AMENDED ANALYSIS

This bill appropriates funds for environmental and engineering design studies for the Ledyard Bridge between Hanover, New Hampshire and Norwich, Vermont.

The study of the bridge's approved roadways in Vermont is contingent upon Vermont approving appropriate cost sharing for the costs of that portion of the study.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 469-A**, relative to improvements on route 106 and making an appropriation therefor. RE-REFER TO COMMITTEE.

The Committee feels that the intent of this bill has merit, but that the bill should be re-referred because a study of the subject is presently being done and that study has a completion date in August. Vote 15-0. Rep. Gene G. Chandler for Public Works.

Re-referred to Committee.

**HB 535-FN-A**, relative to land acquisition for the Nashua Municipal Airport and making an appropriation therefor. INEXPEDIENT TO LEGISLATE.

The Committee is not necessarily opposed to the project proposed by this bill. Rather, it feels that this project would be more appropriately considered along with other aviation projects in the Capital Budget. Vote 15-0. Rep. David J. Alukonis for Public Works.

Adopted.

**HB 660-FN-A**, establishing a highway betterment program and making an appropriation therefor. OUGHT TO PASS WITH AMENDMENT.

This bill increases the tax on all motor fuel by two cents per gallon and dedicates it to highway and bridge work. The sad news is the highway fund is broke. There is no money in the budget for repaving or bridge work. The state needs to repair about 600 miles of roads per year as part of regular maintenance. If we don't act now to repair our roads and bridges, the cost will be three times as much for rebuilding. Vote 12-4. Rep. Sandra B. Keans for Public Works.

### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

establishing a highway and bridge betterment program  
and making an appropriation therefor.

Amend the bill by replacing section 2 with the following:

2 New Section; Highway and Bridge Betterment Program. Amend RSA 235 by inserting after section 23 the following new section:

235:23-a Highway and Bridge Betterment Program; Funding.

I. There is established a highway and bridge betterment program for the purpose of highway construction, reconstruction, and resurfacing, and for bridge construction, bridge reconstruction and bridge maintenance, in each highway district in the state and for the purpose of insuring maximum utilization of federal aid highway allocation.

II. The program shall be funded from \$.02 per gallon of the road toll imposed under RSA 260:32; of these revenues, in each fiscal year 88 percent shall be deposited into a separate account established in the highway fund called the highway and bridge betterment account, to be allocated as provided in paragraph III. The remaining 12 percent shall be distributed in accordance with the formula in RSA 235:23, I, and shall be in addition to any amounts to be allocated under that paragraph.

III. The commissioner shall allocate the funds in the highway and bridge betterment account for the 6 state highway districts in the following priority:

(a) To insure the maximum utilization of federal aid highway allocation; and

(b) For each state highway district in the state, based upon a formula in which 1/2 of the amount of the funds distributed is based upon the proportion which the mileage of state-maintained class I, class II, and class III highways, excluding turnpikes, in each district, as of January 1 of the previous year, bears to the total of such mileage in the state; and 1/2 of the amount of the funds distributed is based upon the proportion which the office of state planning population estimate of each district bears to the latest estimate of the total population of the state as of July 1 of the year of the estimate.

IV. The commissioner shall prepare a report not later than December 1 of each year which details the way in which the transportation department has expended funds for highway construction, reconstruction, and resurfacing, and for bridge construction, bridge reconstruction and bridge maintenance according to the provisions of paragraph III. The report shall be submitted no later than December 1 of each year to the president of the senate, the speaker of the house, the governor, the chairman of the house public works committee, and the chairman of the senate capital budget committee.

Amend the bill by replacing sections 5 and 6 with the following:

5 Supplemental Appropriation; Funding for Fiscal Year 1992.

I. The sum of \$11,000,000 for the fiscal year ending June 30, 1992, is hereby appropriated to the department of transportation project development division as non-matching funds for the highway and bridge betterment program. These sums shall be in addition to any other funds appropriated to the division for betterments and shall be allocated in accordance with RSA 235:23-a as inserted by section 2 of this act.

II. The appropriation in paragraph I is an estimate of the amount to be collected under the floor tax imposed by section 4 of this act. If the amount collected is less than the amount appropriated in paragraph I, a sum is hereby appropriated equal to the difference between the amount collected and the amount appropriated and shall be a charge against the highway fund.

6 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill establishes a highway and bridge betterment program for the purposes of highway construction, reconstruction, and resurfacing, and for bridge construction, reconstruction and bridge maintenance, and to insure maximum utilization of federal aid highway allocation.

Funding for the program comes from a \$.02 increase in the road toll on motor fuel. The program's funding for the first year comes from a gasoline floor tax. The additional road toll shall be deposited in the highway fund. Of the total revenues derived from \$.02 of the gasoline tax, 88 percent is distributed to the 6 state highway districts for highway and bridge betterment, according to a formula, with the remaining 12 percent of the moneys being distributed according to the formula in RSA 235:23, I.

Adopted.

Report adopted.

Referred to Ways and Means.

Rep. DePecol notified the Clerk that he wished to recorded in opposition to HB 660.

**HB 671-FN-A**, increasing the gasoline tax and earmarking the percentage increase in the gasoline tax for mass transit, elderly, and handicapped transportation purposes. **INEXPEDIENT TO LEGISLATE.**

This bill is in direct violation of Article 6-A of the New Hampshire Constitution, in that funds raised by taxation of motor fuel would be earmarked for non-highway uses. Vote 10-5. Rep. Daniel P. McNerney for Public Works.

Rep. Nardi moved that the words Ought to Pass, be substituted for the report of the Committee, Inexpedient to Legislate, spoke to her motion and withdrew her motion.

Adopted.

**HB 764-FN**, relative to taxation of special fuel and motor fuel. **OUGHT TO PASS WITH AMENDMENT.**

This is a good bill for the state, one that is long overdue. It collects the tax for diesel at the pump just like gasoline. Cash flow to the state will be substantially increased because the money will be collected monthly instead of quarterly. This allows for tighter controls and eliminates loss of revenue from those businesses that might dissolve and never pay the tax. It will in no way add administrative costs to the dealers because they already file reports for the gasoline taxes that have been collected nor will it add administrative costs to the Department of Safety, but in fact will simplify its operations. The Departments of Safety and Transportation testified in full support of this bill. Vote 13-3. Rep. Nanci A. Allard for Public Works.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to taxation of special fuel and motor fuel  
and imposing a floor tax on special fuel.

Amend the bill by inserting after section 45 the following and renumbering the original sections 46 and 47 to read as 47 and 48, respectively:

46 Special Fuel Floor Tax Imposed. Notwithstanding any other provision of law, there is hereby imposed on all special fuel on which the road toll has not been paid or assessed, in the possession of any retail dealer at 12:01 a.m. January 1, 1992, a tax in the amount of \$0.16 per gallon. All retail dealers shall determine their inventory of special fuel at 12:01 a.m. January 1, 1992, by measuring the special fuel in their possession and shall forward such inventory to the commissioner of safety. These retail dealers shall pay the tax imposed under this act to the commissioner of safety at the time of filing the inventory required under this section. All such inventories shall be filed and the tax paid no later than February 1, 1992. The commissioner of safety is hereby authorized to require any person liable to pay the tax imposed under this section to furnish such information as he shall deem necessary. The commissioner may adopt such reasonable rules and regulations as may be necessary to enforce this section. Such rules and regulations shall be deemed emergency in nature and shall not be subject to RSA 541-A. Any person who furnishes false information, regarding the inventory which he has, which is taxable pursuant to this section shall be guilty of a misdemeanor.

#### AMENDED ANALYSIS

The bill causes diesel fuel to be taxed at the pump. The bill also clarifies existing language relative to road tolls and motor fuel, including changing references from director to commissioner in certain provisions. The bill also adds several definitions to the motor vehicle definitions.

The bill imposes a floor tax on special fuel in the amount of \$0.16 per gallon.

The bill also provides for a refund within 90 days of the effective date of this act to any user of motor fuel who has a remaining balance in any pre-paid user account.

This bill is a request of the department of safety.

Adopted.

Report adopted.

Referred to Ways and Means.

**HB 297-FN-A**, authorizing the racing commission to license electronic games of chance wherever licensed pari-mutuel wagering takes place. RE-REFER TO COMMITTEE.

The Committee felt that the potential for revenue represented by this bill warrants further study at the present time. South Dakota and Montana (not exactly meccas of tourism!) both realized revenues of \$17,000,000 to the state last year. Vote 16-3. Rep. Stephen W. Buco for Regulated Revenues.

Rep. Nancy Ford moved that the words Inexpedient to Legislate, be substituted for the report of the Committee, Re-refer to Committee, spoke to her motion and yielded to questions.

Rep. Theriault spoke against.

Rep. Buco spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.

Re-referred to Committee.

**HB 443-FN-A**, relative to shoreland protection and making an appropriation therefor and relative to water user fees. **OUGHT TO PASS WITH AMENDMENT.**

New Hampshire's lakes, rivers and streams are among its most valuable and fragile natural resources. Clean water makes our state a special place to live, and brings economic benefits through tourism as well. The state has a duty to protect these waters, which are under threat because of reckless development along its shorelands. Recognizing this, the Legislature and the Governor appointed a committee to examine what measures should be taken to ensure clean lakes, rivers, and bays for generations to come. The Committee included representatives from the New Hampshire Municipal Association, New Hampshire Home Builders Association, New Hampshire Association of Planning Commissions, New Hampshire Association of Realtors, and Lakes Associations. House Bill 443 is the result of the Committee's work, and is a sound compromise. Among its provisions are an increase in the setbacks for septic systems, restrictions on cutting trees along shorelands for erosion control, and technical assistance to towns to develop shoreland protection ordinances. The bill is "revenue neutral." The Committee strongly endorses this legislation as a giant step toward protecting our public waters. Vote 15-1. Rep. Steven R. Maviglio for Resources, Recreation and Development.

**Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 New Chapter; Comprehensive Shoreland Protection Act. Amend RSA by inserting after chapter 483-A the following new chapter:

**CHAPTER 483-B****COMPREHENSIVE SHORELAND PROTECTION ACT**

483-B:1 Purpose. The general court finds that:

I. The shorelands of the state are among its most valuable and fragile natural resources and their protection is essential to maintain the integrity of public waters.

II. The public waters of New Hampshire are valuable resources held in trust by the state. The state has an interest in protecting those waters and has the jurisdiction to control the use of the public waters and the adjacent shoreland for the greatest public benefit.

III. There is great concern throughout the state relating to the utilization, protection, restoration and preservation of shorelands because of their effect on state waters.

IV. Under current law the potential exists for uncoordinated, unplanned and piecemeal development along the state's shorelines, which could result in significant negative impacts on the public waters of New Hampshire.

483-B:2 Minimum Standards Required. To fulfill the state's role as trustee of its waters and to promote public health, safety, and the general welfare, the general court declares that the public interest requires the establishment of standards for the subdivision, use, and development of the shorelands of the state's public waters. The development standards provided in this chapter shall be the minimum standards necessary

to protect the public waters of the state of New Hampshire. These standards shall serve to:

- I. Further the maintenance of safe and healthful conditions.
  - II. Provide for the wise utilization of water and related land resources.
  - III. Prevent and control water pollution.
  - IV. Protect fish spawning grounds, aquatic life, and bird and other wildlife habitats.
  - V. Protect buildings and lands from flooding and accelerated erosion.
  - VI. Protect archaeological and historical resources.
  - VII. Protect commercial fishing and maritime industries.
  - VIII. Protect freshwater and coastal wetlands.
  - IX. Control building sites, placement of structures, and land uses.
  - X. Conserve shore cover, and visual as well as actual points of access to inland and coastal waters.
  - XI. Preserve the state's rivers, lakes, estuaries and coastal waters in their natural state.
  - XII. Promote wildlife habitat, scenic beauty, and scientific study.
  - XIII. Protect public use of waters, including recreation.
  - XIV. Conserve natural beauty and open spaces.
  - XV. Anticipate and respond to the impacts of development in shoreland areas.
- 483-B:3 Consistency Required.

I. All state agencies shall perform their responsibilities in a manner consistent with the intent of this chapter. State and local permits for work within the protected shorelands shall be issued only when consistent with the policies of this chapter.

II. When the standards and practices established in this chapter conflict with other local or state laws and rules, the more stringent standard shall control.

III. All agricultural activities and operations in the state as defined in RSA 21:34-a and as governed by RSA 430, including the use of animal manure, lime, wood ash, irrigation, and other agricultural technologies, shall be exempt from the provisions of this chapter, provided such activities and operations are in conformance with best management practices determined by the United States Department of Agriculture Soil Conservation Service, the United States Department of Agriculture Cooperative Extension Service and the department of agriculture.

483-B:4 Definitions. In this chapter:

I. "Abutter" means any person whose property is located in New Hampshire and adjoins or is directly across the street or stream from the land under consideration by the local land use board. For purposes of receiving testimony only, and not for purposes of notification, the term "abutter" shall include any person who is able to demonstrate that his land will be directly affected by the proposal under consideration.

II. "Accessory structure" means a structure detached from the primary building on the same lot and customarily incidental and subordinate to the primary building or use, such as a pump house, gazebo or woodshed.

III. "Basal area" means the cross sectional area of a tree measured at a height of 4-1/2 feet above the ground, usually expressed in square feet per acre for a stand of trees.

IV. "Commissioner" means the commissioner of the department of environmental services or designee.

V. "Department" means the department of environmental services.

VI. "Disturbed area" means an area in which natural vegetation is removed, exposing the underlying soil.

VII. "Ground cover" means any herbaceous plant which normally grows to a mature height of 4 feet or less.

VIII. "Lot of record" means a parcel, the plat or description of which has been recorded at the registry of deeds for the county in which it is located.

IX. "Major project" means a proposal which, upon full implementation, would create 4 or more dwelling units, or 10,000 square feet of interior floor space for any nonresidential purpose.

X. "Municipality" means a city, town, village district if specifically authorized to zone by the legislature, or county in respect to unincorporated towns or unorganized places.

XI. "Natural woodland buffer" means a forested area consisting of various species of trees, saplings, shrubs, and ground covers in any combination and at any stage of growth.

XII. "Person" means a corporation, company, association, society, firm, partnership or joint stock company, as well as an individual, a state, and any political subdivision of a state or any agency or instrumentality thereof.

XIII. "Primary building line" means a setback from the public boundary line.

XIV. "Primary structure" means a structure other than one which is used for purposes wholly incidental or accessory to the use of another structure on the same premises.

XV. "Protected shoreland" means all land located within 250 feet of the public boundary line of public waters or to the landward extent of the 100 year flood plain as designated by the Federal Emergency Management Agency, whichever distance is greater.

XVI. "Public waters" shall include:

(a) Rivers, including streams and brooks, from a point at which their drainage area encompasses a total of 15 square miles, extending downstream to their mouth or point of exit from the state of New Hampshire. The upstream limit of the public boundary line on public river waters shall be calculated and mapped by the commissioner. Rivers which have exceeded the 15 square mile standard prior to their entry into the state of New Hampshire shall be subject to the standards set by this chapter from that point of entry. Rivers, the drainage areas of which cross state boundaries, shall have their drainage areas calculated without respect to the state boundary for the purpose of determining the point of beginning for the application of the standards set forth in this chapter.

(b) All fresh water bodies listed in the official list of public waters published by the department pursuant to RSA 271:20, II, whether they are great ponds or artificial impoundments.

(c) Coastal waters, being all waters subject to the ebb and flow of the tide, including the Great Bay Estuary and the associated tidal rivers.

XVII. "Public boundary line" means:

(a) For rivers, the normal high water line as determined by the vegetation line, meaning the location above which terrestrial vegetation dominates aquatic vegetation.

(b) For natural fresh water bodies without artificial impoundments, the natural mean high water level as determined by the division of water resources of the department.

(c) For artificially impounded fresh water bodies, the waterline at full pond as determined by the elevation of the top of the impoundment structure.

(d) For coastal waters, the limit of the highest observable tide, as determined by the wetlands board.

XVIII. "Removal or removed" means cut, sawed, pruned, girdled, felled, pushed over, buried, burned, killed, or otherwise destructively altered.

XIX. "Residential unit" means a structure providing complete and independent living facilities for one or more persons, including permanent facilities for living, sleeping, eating, cooking, and sanitation.

XX. "Sapling" means any woody plant which normally grows to a mature height greater than 20 feet and has a diameter less than 6 inches at a point 4-1/2 feet above the ground.

XXI. "Shrub" means any multi-stemmed woody plant which normally grows to a mature height of less than 20 feet.

XXII. "Structure" means anything built for the support, shelter or enclosure of persons, animals, goods, or property of any kind, as well as anything constructed or erected with a fixed location on or in the ground, exclusive of fences.

XXIII. "Subdivision" means subdivision as defined in RSA 672:14.

XXIV. "Tree" means any woody plant which normally grows to a mature height greater than 20 feet and which has a diameter of 6 inches or more at a point 4-1/2 feet above the ground.

XXV. "Urbanization" means the concentrated development found in the sections of towns or cities where there has been an historic pattern of intensive building for commercial or industrial use, or mixed residential, commercial, and industrial use.

483-B:5 Enforcement by Commissioner; Duties; Woodland Buffer; Forest Inventory Plans.

I. The commissioner, with the advice and assistance of the office of state planning, department of resources and economic development and department of agriculture, shall enforce the provisions of this chapter.

II. The commissioner or his designee may enter upon any land or parcel at any reasonable time to perform oversight and enforcement duties provided for in this chapter.

III. The commissioner shall refer all forest inventory plans required under RSA 483-B:9, III(a)(2)(B) to the division of forests and lands, department of resources and economic development for advice and comment.

IV. To encourage coordination of state and local enforcement measures, the commissioner shall notify the local governing body of enforcement action undertaken by the state in respect to protected shoreland within the municipality by sending it copies of relevant administrative orders issued and pleadings filed.

V. The commissioner may issue an order to any person in violation of this chapter, of rules adopted under this chapter, or of any condition of a permit issued under this chapter.

483-B:6 Prior Approval; Permits. Each person intending to construct a new or expanded structure within the protected shoreland, or intending to engage in timber cutting for purposes other than forest management activities now subject to RSA 224:44-a, earth excavation, or any other activity which will alter the existing character of the protected shoreland, shall seek a shoreland development permit from the commissioner. Such person shall demonstrate to the satisfaction of the commissioner

that the proposal meets or exceeds the development standards of this chapter. The commissioner shall grant, deny, or attach reasonable conditions to a permit requested under this chapter to protect the public waters or the public health, safety, or welfare.

483-B:7 Reporting; On-Site Inspections; Local Participation. The commissioner may devise a system whereby municipal conservation commissions may voluntarily assist with the permitting process under RSA 485-B:17, I-a and the subsequent enforcement of permit conditions, by performing certain reporting functions relative to on-site inspections. Utilization of such reports shall be at the commissioner's discretion, but may, when appropriate, obviate the need for further on-site review by department staff.

483-B:8 Municipal Authority.

I. Municipalities may adopt land use control ordinances relative to all protected shorelands which are more stringent than the minimum standards contained in this chapter.

II. Municipalities are encouraged to adopt land use control ordinances for the shorelands of water bodies and water courses other than public waters.

III. Municipalities in which protected shoreland is situated may enforce the provisions of this chapter by issuing cease and desist orders and by seeking injunctive relief or civil penalties as provided in RSA 483-B:19, III(a) and (b). Civil penalties and fines collected by the court shall be remitted within 14 days to the treasurer of the municipality prosecuting said violations, for the use of the municipality. Any municipality electing to enforce the provisions of this chapter shall send copies of any pleading to the attorney general at the time of filing. Municipalities bordering the same water body are encouraged to employ jointly a single code enforcement officer to monitor compliance.

IV. The authority granted to municipalities under this chapter shall not be interpreted to extend RSA 430:28-48.

483-B:9 Minimum Shoreland Protection Standards.

I. The standards in this section are designed to minimize shoreland disturbance so as to protect the public waters, while still accommodating reasonable levels of development in the protected shoreland.

II. Within the protected shoreland the following restrictions shall apply:

(a) The establishment or expansion of salt storage yards, automobile junk yards, and solid or hazardous waste facilities shall be prohibited.

(b) Primary structures shall be set back behind the primary building line. This line shall initially be set back 50 feet from the public boundary line. Upon the establishment of a shoreland building setback by a municipality, that standard, whether greater or lesser than 50 feet, shall define the primary building line in that municipality.

(c) The construction of a water dependent structure, meaning one which is a dock, wharf, pier, breakwater, or other similar structure, or any part thereof, built over, on, or in the waters of the state, shall be constructed only as approved by the wetlands board pursuant to RSA 482-A.

III. Water supply facilities, including water supply intakes, pipes, water treatment facilities, pump stations, and disinfection stations shall be permitted by the commissioner as necessary, consistent with the purposes of this chapter.

IV. The placement and expansion of public water and sewage treatment facilities shall be permitted by the commissioner as necessary, consistent with the purposes of this chapter.

V. The following minimum standards shall apply to the protected shoreland provided that forestry, involving water supply reservoir watershed management or agriculture conducted in accordance with best management practices, shall be exempted from the provisions of this chapter:

(a) Natural woodland buffer.

(1) Where existing, a natural woodland buffer shall be maintained within 150 feet of the public boundary line. The purpose of this buffer shall be to protect the quality of public waters by minimizing erosion, preventing siltation and turbidity, stabilizing soils, preventing excess nutrients and chemical pollution, maintaining natural water temperatures, maintaining a healthy tree canopy and understory, preserving fish and wildlife habitat, and respecting the overall natural condition of the protected shoreland.

(2) Within the natural woodland buffer of the protected shoreland under conditions defined in RSA 483-B:9, V the following prohibitions and limitations shall apply:

(A) Not more than a maximum of 50 percent of the basal area of trees, and a maximum of 50 percent of the total number of saplings shall be removed for any purpose in a 20 year period. A healthy, well-distributed stand of trees, saplings, shrubs and ground covers and their living, undamaged root systems shall be left in place.

(B) Any person proposing to remove any trees, saplings, shrubs, or ground cover from any lot within the natural woodland buffer shall document with photographs or videotape all of such existing plant types. For the purpose of establishing the initial pre-project vegetative inventory on larger projects, whenever an alteration of terrain permit is determined to be necessary, a forest inventory plan shall be prepared by a professional forester licensed pursuant to RSA 310-A for all project lands located within 150 feet of the public boundary line.

(C) Trees, saplings, shrubs and ground covers which are removed to clear an opening for building construction, structures, septic systems, roadways, pathways, and parking areas shall be used in computing the percentage limitations under subparagraph (a)(2)(A).

(D) Dead, diseased, unsafe, noxious or fallen trees, saplings, shrubs, or ground covers may be removed, but their removal shall be used in computing the percentage limitations under subparagraph (a)(2)(A).

(E) Stumps and their root systems which are located within 50 feet of the public boundary line shall be left intact in the ground.

(F) Dead and living trees that provide dens and nesting places for wildlife are encouraged to be preserved.

(G) Planting efforts that are beneficial to wildlife are encouraged to be undertaken.

(b) Septic systems.

(1) All new lots created within the protected shoreland are subject to subdivision approval by the division of water supply and pollution control, subsurface systems bureau under RSA 485-A:29, regardless of size.

(2) The following conditions, based on the characteristics of the receiving soil as they relate to U.S. department of Agriculture, soil conservation service drainage classes, shall dictate the setback requirements for all new septic tanks and leaching portions of new septic systems, as follows:

(A) Where the receiving soil downgradient of the leaching portions of a septic system is a porous sand and gravel material with a percolation rate faster than 2 minutes per inch, the setback shall be at least 125 feet from the public boundary line;

(B) For soils with restrictive layers within 18 inches of the natural soil surface, the setback shall be at least 100 feet from the public boundary line; and

(C) For all other soil conditions, the setback shall be at least 75 feet from the public boundary line.

(3) The placement of all septic tanks and leaching portions of septic systems for replacement systems shall comply with the requirements of subparagraph (b)(2), to the maximum extent feasible.

(c) Erosion and siltation.

(1) All new structures within protected shoreland shall be designed and constructed in accordance with rules adopted by the department pursuant to 541-A, relative to terrain alteration under RSA 485-A:17, for controlling erosion and siltation of public waters, during and after construction.

(2) New structures within the protected shoreland shall be designed and constructed to prevent the release of surface runoff across exposed mineral soils.

(3) A permit pursuant to RSA 485-A:17, I shall be required for improved, developed, or subdivided land within the protected shoreland whenever there is a contiguous disturbed area exceeding 50,000 square feet.

(d) Minimum lots and residential development. In the protected shoreland:

(1) The minimum size for new lots in areas dependent upon on-site septic systems shall be determined by soil type lot size determinations, as set forth under rules adopted pursuant to 541-A.

(2) For new lots in areas dependent upon on-site septic systems, the total number of residential units, including cluster and condominium development, shall not exceed one unit per 150 feet of shoreland frontage.

(3) Lots in areas serviced by municipal sewers shall conform to municipal minimum lot standards, and shall not be subject to any shoreland and frontage requirement, except as provided by municipal standards.

(4) Lots and residential units outside of the protected shoreland shall not be subject to this chapter.

(e) Minimum lots and non-residential development. In the protected shoreland:

(1) The minimum size for new non-residential lots in areas dependent upon on-site septic systems shall be determined by soil type lot size determinations, as set forth under rules adopted pursuant to RSA 541-A.

(2) Non-residential development requiring on-site water and sewage shall not be constructed on lots less than 150 feet in width.

(3) Non-residential lots in areas serviced by municipal sewers shall conform to municipal minimum lot standards.

(4) Non-residential lots outside of the protected shoreland shall not be subject to this chapter.

(f) Common owners and residential or non-residential development. In the protected shoreland, waterfront parcels held in common by one or more owners of contiguous interior parcels may be developed but only in a manner consistent with the provisions of this chapter. Care shall be taken for the adequate provision of parking, toilet facilities, and related support systems to minimize the project's impact on the public waters.

(g) The commissioner shall have the authority to grant variances from the minimum standards of this section such authority shall be exercised subject to the criteria which govern the grant of a variance by a zoning board of adjustment under RSA 674:33, I(b).

483-B:10 Nonconforming Lots of Record. Nonconforming, undeveloped lots of record that are located within the protected shoreland shall comply with the following restrictions, in addition to any local requirements:

I. Except when otherwise prohibited by law, present and successive owners of an individual undeveloped lot may construct a single family residential dwelling on it, notwithstanding the provisions of this chapter. The owner of such a lot in seeking a shoreland development permit shall submit a development plan to the commissioner or designee showing compliance with the intent of this chapter to the maximum extent feasible. Conditions may be imposed which, in the opinion of the commissioner, more nearly meet the intent of this chapter, while still accommodating the applicant's rights.

II. Nonconforming lots of record shall not be used for structures other than single family residential structures, including, but not limited to docks, piers, boathouses, boat loading ramps, walkways, and other water dependent structures.

483-B:11 Nonconforming Structures; New Primary Structures.

I. Except as otherwise prohibited by law, pre-existing structures located within the protected shoreland may be repaired, improved, or expanded. An expansion that increases the sewerage load, for example, additional bedrooms, shall require approval by the department. Between the primary building line and the public building line, no alteration shall extend the structure closer to the public water, except that the addition of an open deck or porch is permitted up to a maximum of 12 feet towards the public boundary line.

II. No new primary structures, other than water dependent facilities, shall be permitted between the primary building line and the public boundary line.

483-B:12 Shoreland Exemptions.

I. The governing body of a municipality may, in its discretion, request the commissioner to exempt all or a portion of the protected shoreland within its boundaries from the provisions of this chapter if the governing body finds that special local urbanization conditions exist in the protected shoreland for which the exemption is sought.

II. If the governing body of a municipality requests such an exemption, it shall submit evidence of existing and historical patterns of building and development in the protected shoreland. Such evidence shall address:

(a) Current and past building density.

(b) Commercial or industrial uses.

(c) Municipal or other public utilities.

(d) Current municipal land use regulations which affect the protected shoreland.

(e) Any other information which the commissioner may reasonably require.

III. With the advice of the office of state planning, the commissioner shall approve or deny the request for an exemption and shall issue written findings in support of his decision. A request for an exemption shall be approved only if the municipality demonstrates, using the evidence required under paragraph II, that special conditions of urbanization exist along the portion of shoreland to be exempted.

IV. The state port authority may request an exemption under this section for all or a portion of any land purchased, leased, or otherwise acquired by it pursuant to RSA 271-A.

483-B:13 Public Hearing and Notice to Abutter. The commissioner shall hold at least one public hearing which may, at the department's discretion, be held in the municipality where a major project is proposed to be located. Notice of each public hearing shall be published in a newspaper of general circulation in the municipality at least 10 calendar days before the hearing. Such notice shall also be mailed to the applicant, abutters and governing body, planning board, and conservation commission, if any, of the municipality at least 10 calendar days before the hearing. The notice shall include a general description of the proposal and shall identify the applicant and location of the proposed major project.

483-B:14 Rehearings and Appeals.

I. Any party aggrieved by a decision of the commissioner issued under this chapter may request a rehearing or appeal from such decision in accordance with RSA 541.

II. Where the requirements of this chapter amend the existing statutory authority of the department or other agencies relative to certain established regulatory programs and shall be enforced under these established regulatory programs, the existing procedures governing contested cases and hearings and appeals regarding these requirements shall apply. Where requirements of this chapter are new and do not amend existing statutory authority relative to any established regulatory programs, the procedures set forth in RSA 541-A:16 for contested cases and in RSA 483-B:13 for appeals shall apply.

483-B:15 Gifts, Grants and Donations. The department is authorized to solicit, receive, and expend any gifts, grants, or donations made for the purposes of this chapter. Gifts of land or easements shall be assigned to the department of resources and economic development for management or assignment to another state agency or other public body, as appropriate.

483-B:16 Assistance to Municipalities; Office of State Planning. The office of state planning may assist municipalities with the implementation of local ordinances under this chapter, upon the request of an individual municipality.

483-B:17 Rulemaking. The commissioner shall adopt rules, pursuant to RSA 541-A, relative to:

I. The content and structure of all forms, applications and permits to be received or issued by the department under this chapter, including information and other materials to be submitted by an applicant.

II. Procedures for filing and review of applications for shoreland development submitted to the department.

III. Procedures for the issuance of permits by the department.

IV. Procedures for filing and review of requests for urbanized shoreland exemptions and standards for granting urbanized shoreland exemptions.

V. Enforcement of the minimum shoreland standards, including methods and timing of inspection and coordination with municipalities.

VI. Procedures and criteria for the placement of small accessory structures such as storage sheds and gazebos, the size, placement, and construction of which is consistent with the intent of this chapter, between the public boundary line and the primary building line.

VII. Requiring reasonable proof of ownership of the shoreland parcel by the applicant, supplied either by the owner or his authorized agency.

VIII. Criteria governing the assessment of administrative fines.

IX. Establishing a fee structure for the filing of applications with the department to review activities requiring a shoreland development permit that do not come under existing regulatory programs of the department. Such fees shall be sufficient to support the administration of the program, exclusive of start-up costs.

483-B:18 Fees.

I. The application fee for plans submitted to the department under RSA 485-A:17 encompassing an area within the protected shoreland exceeding 50,000 square feet but less than 100,000 square feet shall be \$100. An additional fee of \$100 shall be assessed for each additional area of up to 100,000 square feet within the protected shoreland.

II. The application fee for plans and specifications submitted to the department under RSA 485-A:29 for the subdivision of land within the protected shoreland shall be an additional \$100 over the fee set forth in RSA 485-A:30. The fee for plans and specifications submitted to the department under RSA 485-A:29 for sewage or waste disposal systems within the protected shoreland shall be an additional \$100 over the fee set forth in RSA 485-A:30.

483-B:19 Penalties.

I. The following shall constitute a violation of this chapter:

(a) Failure to comply with the provisions of this chapter.

(b) Failure to obey an order of the commissioner or a municipality issued relative to activities regulated or prohibited by this chapter.

(c) Misrepresentation by any person of a material fact made in connection with any activity regulated or prohibited by this chapter.

II. Any person who violates this chapter and any person who purchases land affected by a violation of this chapter who knew or had reason to know of the violation shall be liable for remediation or restoration of the land affected.

III. Persons violating the provisions of this chapter shall be subject to the following:

(a) Upon petition of the attorney general, the superior court may levy upon any person violating this chapter a civil penalty in an amount not to exceed \$20,000 for each day of each continuing violation. The superior court shall have jurisdiction to restrain a continuing violation of this chapter, and to require remediation.

(b) Any person who knowingly violates any provision of this chapter, or any rule adopted or order issued under this chapter or any condition of any permit issued under this chapter shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person, and, notwithstanding RSA 651:2, may in addition to any sentence of imprisonment, probation or conditional discharge, be fined not more than \$20,000 for each violation if found guilty pursuant to this section. Each day of violation shall constitute a separate offense.

(c) The commissioner, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine of up to \$5,000 for each offense upon any person who violates this chapter. Rehearings and appeals relating to such fines shall be governed by RSA 541. Imposition of an administrative fine under this section shall not preclude the imposition of further civil or criminal penalties under this chapter.

2 New Subparagraph; Shoreland Protection Plans by Office of State Planning. Amend RSA 4-C:6, 1 by inserting after subparagraph (h) the following new subparagraph:

(i) Shoreland protection.

3 Pesticides; Rulemaking; Reference to Commercial Applicators Deleted. Amend RSA 430:31, IV(a) to read as follows:

(a) The time, the place, and the conditions under which pesticides may be used [by commercial applicators] in different areas of the state if the board finds that such pesticides may be injurious to persons, animals, or crops, other than the pest or vegetation which it is intended to destroy, and may provide that pesticides shall be used only under permit of the board.

4 Pesticide Control Board; Rulemaking; When Applications Exempt. Amend RSA 430:46, I(b) to read as follows:

(b) The application of pesticides within, around, under, or in the immediate vicinity of a living unit by the occupant thereof, providing crops raised therein or thereon are not offered for sale; provided, however, that no pesticide, the sale or use of which in the state is prohibited or restricted by the board, or by the United States Environmental Protection Agency pursuant to section 3(d) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended, may be applied under this paragraph except in accordance with said restriction or prohibition; and provided, further, that a person applying pesticides[, as allowed by this paragraph shall not allow any pesticides to enter] *near any stream or [body of water by reason of such application] other surface waters of the state shall comply with rules adopted by the board under RSA 541-A, as provided in RSA 430:31, IV.*

5 Water User Fee Required. Amend RSA 482:3, III to read as follows:

III. To investigate and identify the facilities for storing surplus water, and for conserving, controlling and distributing surplus water, including registering and reporting by water users, *to collect an annual fee of \$100 pursuant to any registering and reporting by water users*, and to investigate and identify facilities for the production and utilization of hydro-energy.

6 Additional Staff Authorized. The department is authorized to employ additional staff for the administration of this act.

7 Draft Ordinance; Office of State Planning to Prepare. Not later than October 1, 1991, the director, office of state planning, shall provide to the commissioner of environmental services a draft model ordinance for use by municipalities in developing local ordinances to sustain the shoreland protection program established in RSA 483-B.

8 Appropriation. There is appropriated to the department of environmental services the sum of \$120,000 for the fiscal year ending June 30, 1992, and the sum of \$120,000 for the fiscal year ending June 30, 1993, for the purposes of this act. The governor shall draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

9 Report. The commissioner shall report to the governor, speaker of the house, and president of the senate on or before December 30, 1992, on the implementation of the requirements of this act. This report shall include information on the costs incurred by the department in implementing the requirements and on the revenue received under the authority of RSA 483-B.

10 Application. The provisions of RSA 483-B shall apply effective July 1, 1992, but shall not apply to any residential or non-residential development for which completed applications have been filed with state or local regulatory authorities.

11 Effective Date. This act shall take effect 60 days after its passage.

Rep. Guay spoke against.

**(Deputy Speaker Michael Hill in the Chair)**

Reps. Maviglio, Grodin and Bradley spoke in favor.

**(Speaker Burns in the Chair)**

Rep. Dickinson spoke in favor.

Adopted.

Rep. Dickinson offered a floor amendment.

#### **Floor Amendment**

Amend RSA 483-B:2, XI as inserted by section 1 of the bill by replacing it with the following:

XI. Preserve the state's lakes, estuaries and coastal waters in their natural state.

Amend RSA 483-B:4, XV-XVII as inserted by section 1 of the bill by replacing them with the following:

XV. "Protected shoreland" means all land located within 250 feet of the public boundary line of public waters.

XVI. "Public waters" shall include:

(a) All fresh water bodies listed in the official list of public waters published by the department pursuant to RSA 271:20, II, whether they are great ponds or artificial impoundments.

(b) Coastal waters, being all waters subject to the ebb and flow of the tide, including the Great Bay Estuary and the associated tidal rivers.

XVII. "Public boundary line" means:

(a) For natural fresh water bodies without artificial impoundments, the natural mean high water level as determined by the division of water resources of the department.

(b) For artificially impounded fresh water bodies, the waterline at full pond as determined by the elevation of the top of the impoundment structure.

(c) For coastal waters, the limit of the highest observable tide, as determined by the wetlands board.

Amend RSA 483-B as inserted by section 1 of the bill by inserting after section 19 the following new section:

483-B:20 Draft Ordinance; Applicability.

I. Not later than October 1, 1991, the director, office of state planning, shall provide to the commissioner of environmental services a draft model ordinance for use by municipalities in developing local ordinances to sustain the shoreland protection program established in this chapter.

II. The provisions of this chapter shall not apply to any applicant whose land is in any municipality which adopts the model ordinance prepared by the office of state planning under paragraph I and provided to the commissioner, or a more stringent version of such model ordinance.

Amend the bill by deleting section 7 and renumbering the original sections 8-11 to read as 7-10, respectively.

## AMENDED ANALYSIS

This bill establishes a comprehensive shoreland protection act which:

I. Delineates state and municipal legislative and enforcement authority over shoreland development.

II. Establishes minimum standards for shoreland development.

III. Establishes permitted uses for new and pre-existing lots along shoreland areas.

IV. Provides for technical assistance to municipalities in developing local shoreland protection ordinances.

V. Authorizes acceptance of gifts, grants and donations of money or land to be used for the purpose of shoreland protection.

VI. Establishes fees for review of terrain alteration plans and sewage disposal systems plans.

VII. Requires the commissioner of the department of environmental services to report to the governor and legislative leadership on the implementation of this chapter.

The bill makes appropriations to the department of environmental services for the purposes of shoreland protection.

The bill also authorizes the imposition of a water user fee.

The bill precludes rivers from protection and preservation.

Rep. Dickinson spoke in favor and yielded to questions.

Rep. Grodin yielded to questions.

Roll call request sufficiently seconded.

The question being on the adoption of the floor amendment.

**SULLIVAN**

Schotanus, Merle W.      Tetu, Michael A.  
 and the amendment was adopted.  
 Report adopted.  
 Referred to Appropriations.

**HB 705-FN-A**, establishing the New Hampshire scenic byways planning program.  
**OUGHT TO PASS WITH AMENDMENT.**

House Bill 705, as amended, establishes a New Hampshire scenic byways planning program to recommend a scenic byway road system. An advisory committee is established to review the potential for such a system, making its report to the Legislature by October 31, 1991. As federal funds may soon become available for such a program, New Hampshire will be well-positioned to accept them if a study committee is in place.

It should be noted that testimony was received from the Office of State Planning and the Department of Transportation that the fiscal note can be adjusted. The effort required to carry out the mandates of this bill can be accomplished within the existing funding levels of OSP, without any involvement of DOT. Therefore, there should be no financial impact. Vote 14-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

**Amendment**

Amend RSA 238:13 as inserted by section 2 of the bill by replacing it with the following:

238:13 Establishment; Purpose. There is hereby established a New Hampshire scenic byways planning program. The purpose of the program is to submit recom-

mendations for the creation of a state scenic byways system within the existing highway system. The program shall be developed in cooperation with the department of transportation, the department of resources and economic development, the office of state planning, municipalities, regional planning agencies and recreation, tourist, forest and agricultural interests.

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.

Adopted.

Report adopted.

Ordered to third reading.

**HB 281-FN-A**, establishing a fund for interpreter services for the hearing impaired and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

This bill had strong support at the hearing. Federal mandates under the Americans with Disabilities Act must be in place by January 1, 1992. At present, services are made available through the Vocational Rehabilitation Division of the Education Department. The Committee felt this bill would help correct the problem of services not being available at some state agencies. The bill was amended because of the state financial crunch from \$30,000 to \$1 with hopes that the Appropriations Committee would find the funds needed. Vote 15-0. Rep. George E. Letourneau for Executive Departments and Administration.

#### Amendment

Amend the bill by replacing section 2 with the following:

2 Appropriation. The sum of \$1 is appropriated to the department of education, division of vocational rehabilitation, for the fiscal year ending June 30, 1992, to be deposited into the interpreter services fund. This appropriation shall be nonlapsing and in addition to any funds appropriated to the department for the biennium. The governor shall draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

Rep. Hager moved that the words Re-refer to Committee, be substituted for the report of the Committee. Ought to Pass with Amendment.

Re-referred to Committee.

**HB 506-FN**, relative to cost-of-living increases in the AFDC standard of need. **OUGHT TO PASS.**

This Committee has approved this bill to give AFDC families a chance for a decent life for their children. The Committee realizes an appropriation bill has a struggle to survive, but feels strongly this bill also will be a vehicle to point out to the Department of Health and Human Services the glaring problems with administration. The Committee strongly recommends an in-depth study of the Department's policies, feeling it will result in more efficient administering of the AFDC program. Vote 17-0. Rep. Eleanor H. Amidon for Health, Human Services and Elderly Affairs.

Rep. Amidon moved that the words Re-refer to Committee, be substituted for the report of the Committee. Ought to Pass and spoke to her motion.

Reps. Senter and Copenhagen spoke in favor.

Re-referred to Committee.

**HB 601-FN-A**, establishing a statewide public boat access program on public waters and continually appropriating a special fund for the purposes of the program. **ought to pass with amendment.**

After two and a half years of extensive study with the cooperation of the Department of Fish and Game, State Planning, Department of Transportation, Department of Resources and Economic Development, Department of Environmental Services, New Hampshire Wildlife Federation, New Hampshire Forestry Service, Lake Associations, Rivers Associations, House Bill 601 is the end result. A good clean bill that addresses the concerns of the departments and associations. Vote 11-0. Rep. Howard C. Dickinson for Resources, Recreation and Development.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

establishing a public access advisory board and a statewide  
public boat access program on public waters and  
continually appropriating a special fund  
for the purposes of the program.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The general court recognizes the increase in demand for access to public waters for boating. The purpose of this act is to establish an advisory board to coordinate state agency efforts relative to public access to public waters of the state and to provide for the acquisition, construction, refurbishment, maintenance and operation of new and existing public boat access areas.

2 New Chapter: Access to Public Waters. Amend RSA by inserting after chapter 233 the following new chapter:

#### **CHAPTER 233-A ACCESS TO PUBLIC WATERS**

233-A:1 Definitions. In this chapter:

I. "Board" means public access advisory board established under this chapter.

II. "Department" means the fish and game department.

III. "Program" means the statewide public boat access program.

IV. "Public access" means legal passage to any public waters of the state by way of designated contiguous land owned or controlled by the adopting state agency assuring that all members of the public shall have access to and use of the public waters for recreational purposes.

V. "Public bodies of water" means public waters as defined in RSA 271:20 and any impoundment of a stream, lake, pond, or tidal or marine waters of 10 acres or more, or any other body of water owned by the state or by a state agency or department.

233-A:2 New Hampshire Statewide Public Boat Access Program. A program for the development of public boat access areas for boating on public bodies of water is established. The goal of the program is the acquisition, construction, refurbishment, maintenance, and operation of new and existing public boat access areas.

233-A:3 Public Access Advisory Board; Duties.

I. A public access advisory board is established to advise and monitor the statewide public boat access program. This board shall be composed of the following:

(a) The executive director of the department of fish and game or designee.

(b) The commissioner of the department of resources and economic development, or designee.

(c) The commissioner of the department of environmental services, or designee.

(d) The commissioner of the department of transportation or designee.

(e) The commissioner of the department of safety, or designee.

(f) The director of the office of state planning or designee.

(g) A member of the general public appointed by the governor for a term of 3 years.

II. The board shall:

(a) Coordinate activities of state agency public access efforts.

(b) Serve as an advisory committee to the council on resources and development (CORD), alerting CORD to any potential problems which may inhibit state public access efforts.

(c) Review agency projects accomplishments at least annually.

III. The public member shall serve as chairman of the board. The board shall meet at least quarterly, but more often if necessary. The members shall serve without compensation, but the public member may be reimbursed for actual expenses while engaged in the actual business of the board, when such expenses are not reimbursed from other state funds.

233-A:4 Fish and Game Department. The fish and game department shall carry out the statewide public boat access program. The department shall in cooperation with the board:

I. Establish priorities for the siting and development of public boat access points, based on the demands and needs for different types of public boat areas and available water bodies, giving consideration to any list provided by the board, any associated groups, or interested parties.

II. Set standards of design and maintenance for public boat access points and ensure that these standards are met.

III. Coordinate activities of state agencies in the development of boat access to public bodies of water.

233-A:5 Public Boat Access Point Facilities. The facilities to be provided at public boat access areas on water bodies may include, but are not restricted to, boat launching ramps, launching sites where small boats or canoes may be placed in the water, trails leading to the water's edge, rest room facilities, and such other types of facilities and amenities necessary to carry out the statewide public boat access program. The access roads to public boat access areas shall be designated as class III-a highways as defined by RSA 229:5.

233-A:6 Design of Public Boat Access Points. The fish and game department shall prepare plans and designs for public boat access points and related facilities. The plans and designs shall provide for adequate buffer areas.

233-A:7 Acquisition and Retention. The fish and game department, in order to establish and improve public boat access areas, shall acquire and retain lands, easements, and interests or rights in land needed for the statewide public boat access program by donation, gift, purchase, lease, or condemnation in accordance with RSA 498-A and upon terms and conditions that are consistent with state and federal guidelines. All newly constructed class III-a highways shall be laid out as limited access facilities under the provisions of RSA 230:45.

233-A:8 Construction of Public Boat Access Areas. The fish and game department shall supervise the construction, refurbishment, or expansion of public boat access areas. This construction may be done by the fish and game department, by other state agencies, or by private construction firms under contract to the fish and game department.

233-A:9 Maintenance and Operation of Public Boat Access Areas. The fish and game department shall provide for the continuing maintenance and operation of public boat access areas, roads, and related facilities, including trash removal and cleanup. Maintenance and operation activities may be done by the fish and game department, by other state agencies, or by private firms or individuals, under contract to the fish and game department, or by arrangement with local municipalities or organizations, as considered advisable by the department. Moneys necessary to defray the costs of such maintenance and operation shall be a charge against the statewide public boat access fund.

233-A:10 Public Boat Access Reports and Hearings. The fish and game department shall, before starting any project in the statewide public boat access program, comply with all state and federal requirements. Public boat access needs that do not meet the criteria for the use of federal funds may be constructed, refurbished or expanded by use of private or donated funds. Upon receipt of said funds, the department shall establish a special non-lapsing account for the express purpose of meeting these needs.

233-A:11 Public Water Supply. No public boat access area shall be constructed to any public waters which serve as a municipal water supply without the consent of the town, precinct, or city involved.

233-A:12 Towns not Liable. No action shall be maintained against any town or against the state for any injury to persons or property on any public boat access area constructed under the provisions of this chapter, nor shall any indictment or information be maintained against any town or against the state on account of the condition of such a public boat access area.

233-A:13 Roads Unrelated to New and Existing Facilities. Existing statewide public boat access roads laid out pursuant to RSA 230:63-71 prior to the effective date of this act are hereby reclassified to class III-a highways as defined by RSA 229:5. No new road, street, highway or driveway shall intersect or join such highways. Any new statewide public boat access road laid out under the provisions of this chapter shall be limited access and be designated as a class III-a highway.

233-A:14 Statewide Public Boat Access Fund Established. An additional fee of \$5 to those already collected under the provisions of RSA 270-E:5 for each private motorized vehicle, of any kind, using any and all state owned and/or controlled boat access facilities shall be paid to the department of safety. The department of safety shall pay over the additional fees to the state treasurer who shall keep the fees in a special fund to be known as the statewide public boat access fund. This special fund shall be nonlapsing. All funds received under this section are continually appropriated to the fish and game department for the purposes of this chapter.

233-A:15 Rulemaking. The executive director shall adopt rules, pursuant to RSA 541-A, relative to implementation of the statewide public boat access program.

3 New Paragraph; Class III-a Highway Defined. Amend RSA 229:5 by inserting after paragraph III the following new paragraph:

III-a. Class III-a highways shall consist of roads to public waters that are established under the provisions of RSA 233-A or under former RSA 230:63-71. All class

III-a highways established after the effective date of this paragraph shall be limited access facilities, as defined in RSA 230:44 and shall be subject to the layout, design, construction, maintenance, and all other provisions relative to limited access facilities. A class III-a highway may be made subject to gates and bars or restricted to the accommodation of persons on foot or certain vehicles, or both. Class III-a highways shall be maintained and regulated by the fish and game department.

4 New Subparagraph: Statewide Public Boat Access Fees. Amend RSA 270-E:5, II by inserting after subparagraph (c) the following new subparagraph:

(d) An additional \$5 for each registration specified under RSA 233-A:14. The fees collected under this subparagraph shall be paid into the statewide public boat access fund established under 233-A:14.

5 New Subparagraph: Statewide Public Boat Access Fund. Amend RSA 6:12, I by inserting after subparagraph (nn) the following new subparagraph:

(nn) Moneys received under RSA 270-E:5, II(d), which shall be credited to the statewide public boat access fund established in RSA 233-A:14.

6 Allocation of Funds. Expansion of the current department public boat access program shall be a charge against the statewide public boat access fund as follows:

|                                 | FY 1992   | FY 1993   |
|---------------------------------|-----------|-----------|
| 010 Personal services-permanent | \$128,116 | \$133,604 |
| 020 Current expenses            | 8,549     | 9,201     |
| 050 Personal services-other     | 48,345    | 40,000    |
| 060 Benefits                    | 39,740    | 41,945    |
| 070 In-state travel             | 250       | 250       |
| Total                           | \$225,000 | \$225,000 |

Funds received in excess of the above needs shall be utilized to maintain all necessary services to access areas.

7 Positions Authorized. The executive director of the fish and game department is authorized to establish the following classified positions for the statewide public boat access program established in section 2 of this act: one civil engineer III, labor grade 23; one biologist II, labor grade 22; one land agent, labor grade 21; one engineering technician IV, labor grade 18; and one construction foreman, labor grade 15.

8 New Paragraph: Council on Resources and Development. Amend RSA 162-C:2 by inserting after paragraph VII the following new paragraph:

VIII. Provide oversight relative to the statewide public access program, work with the public access advisory board and provide recommendations to the governor and executive council regarding public access.

9 Repeal. RSA 230:63-71, relative to layout of highways to public waters, are repealed.

10 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill establishes a public access advisory board and a statewide public boat access program, which is to develop public boat access to public waters. The fish and game department is to carry out the program.

The bill requires that an additional \$5 from each private boat registration sold annually be deposited in an account established by the state treasurer to be called the statewide public boat access fund. The new fund is nonlapsing and continually appropriated.

All costs related to this chapter shall be a charge against the statewide public boat access fund.

Access roads to public boat access areas are designated as class III-a highways. Current provisions of law relating to layout of highways to public waters are repealed. Adopted.

Rep. Dickinson offered a floor amendment.

#### **Floor Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

establishing a public access advisory board and a statewide public boat access program on public waters and continually appropriating a special fund for the purposes of the program.

Amend the bill by replacing all after the enacting clause with the following:

1 Purpose. The general court recognizes the increase in demand for access to public waters for boating. The purpose of this act is to establish an advisory board to coordinate state agency efforts relative to public access to public waters of the state and to provide for the acquisition, construction, refurbishment, maintenance and operation of new and existing public boat access areas.

2 New Chapter; Access to Public Waters. Amend RSA by inserting after chapter 233 the following new chapter:

#### **CHAPTER 233-A ACCESS TO PUBLIC WATERS**

233-A:1 Definitions. In this chapter:

I. "Board" means public access advisory board established under this chapter.

II. "Department" means the fish and game department.

III. "Program" means the statewide public boat access program.

IV. "Public access" means legal passage to any public waters of the state by way of designated contiguous land owned or controlled by the adopting state agency assuring that all members of the public shall have access to and use of the public waters for recreational purposes.

V. "Public bodies of water" means public waters as defined in RSA 271:20 and any impoundment of a stream, lake, pond, or tidal or marine waters of 10 acres or more, or any other body of water owned by the state or by a state agency or department.

233-A:2 New Hampshire Statewide Public Boat Access Program. A program for the development of public boat access areas for boating on public bodies of water is established. The goal of the program is the acquisition, construction, refurbishment, maintenance, and operation of new and existing public boat access areas.

233-A:3 Public Access Advisory Board; Duties.

I. A public access advisory board is established to advise and monitor the statewide public boat access program. This board shall be composed of the following:

(a) The executive director of the department of fish and game or designee.

(b) The commissioner of the department of resources and economic development, or designee.

(c) The commissioner of the department of environmental services, or designee.

(d) The commissioner of the department of transportation or designee.

- (e) The commissioner of the department of safety, or designee.
- (f) The director of the office of state planning or designee.
- (g) A member of the general public appointed by the governor for a term of 3 years.

II. The board shall:

- (a) Coordinate activities of state agency public access efforts.
- (b) Serve as an advisory committee to the council on resources and development (CORD), alerting CORD to any potential problems which may inhibit state public access efforts.
- (c) Review agency projects accomplishments at least annually.

III. The public member shall serve as chairman of the board. The board shall meet at least quarterly, but more often if necessary. The members shall serve without compensation, but the public member may be reimbursed for actual expenses while engaged in the actual business of the board, when such expenses are not reimbursed from other state funds.

233-A:4 Fish and Game Department. The fish and game department shall carry out the statewide public boat access program. The department shall in cooperation with the board:

I. Establish priorities for the siting and development of public boat access points, based on the demands and needs for different types of public boat areas and available water bodies, giving consideration to any list provided by the board, any associated groups, or interested parties.

II. Set standards of design and maintenance for public boat access points and ensure that these standards are met.

III. Coordinate activities of state agencies in the development of boat access to public bodies of water.

233-A:5 Public Boat Access Point Facilities. The facilities to be provided at public boat access areas on water bodies may include, but are not restricted to, boat launching ramps, launching sites where small boats or canoes may be placed in the water, trails leading to the water's edge, rest room facilities, and such other types of facilities and amenities necessary to carry out the statewide public boat access program.

233-A:6 Design of Public Boat Access Points. The fish and game department shall prepare plans and designs for public boat access points and related facilities. The plans and designs shall provide for adequate buffer areas.

233-A:7 Acquisition and Retention. The fish and game department, in order to establish and improve public boat access areas, shall acquire and retain lands, easements, and interests or rights in land needed for the statewide public boat access program by donation, gift, purchase, lease, or condemnation in accordance with RSA 498-A and upon terms and conditions that are consistent with state and federal guidelines. All newly constructed service roads shall be laid out as limited access facilities under the provisions of RSA 230:45.

233-A:8 Construction of Public Boat Access Areas. The fish and game department shall supervise the construction, refurbishment, or expansion of public boat access areas. This construction may be done by the fish and game department, by other state agencies, or by private construction firms under contract to the fish and game department.

233-A:9 Maintenance and Operation of Public Boat Access Areas. The fish and game department shall provide for the continuing maintenance and operation of public boat access areas, roads, and related facilities, including trash removal and

cleanup. Maintenance and operation activities may be done by the fish and game department, by other state agencies, or by private firms or individuals, under contract to the fish and game department, or by arrangement with local municipalities or organizations, as considered advisable by the department. Moneys necessary to defray the costs of such maintenance and operation shall be a charge against the statewide public boat access fund.

233-A:10 Public Boat Access Reports and Hearings. The fish and game department shall, before starting any project in the statewide public boat access program, comply with all state and federal requirements. Public boat access needs that do not meet the criteria for the use of federal funds may be constructed, refurbished or expanded by use of private or donated funds. Upon receipt of said funds, the department shall establish a special non-lapsing account for the express purpose of meeting these needs.

233-A:11 Public Water Supply. No public boat access area shall be constructed to any public waters which serve as a municipal water supply without the consent of the town, precinct, or city involved.

233-A:12 Towns not Liable. No action shall be maintained against any town or against the state for any injury to persons or property on any public boat access area constructed under the provisions of this chapter, nor shall any indictment or information be maintained against any town or against the state on account of the condition of such a public boat access area.

233-A:13 Statewide Public Boat Access Fund Established. An additional fee of \$5 to those already collected under the provisions of RSA 270-E:5 for each private motorized vehicle, of any kind, using any and all state owned and/or controlled boat access facilities shall be paid to the department of safety. The department of safety shall pay over the additional fees to the state treasurer who shall keep the fees in a special fund to be known as the statewide public boat access fund. This special fund shall be nonlapsing. All funds received under this section are continually appropriated to the fish and game department for the purposes of this chapter.

233-A:14 Rulemaking. The executive director shall adopt rules, pursuant to RSA 541-A, relative to implementation of the statewide public boat access program.

3 New Subparagraph; Statewide Public Boat Access Fees. Amend RSA 270-E:5, II by inserting after subparagraph (c) the following new subparagraph:

(d) An additional \$5 for each registration specified under RSA 233-A:13. The fees collected under this subparagraph shall be paid into the statewide public boat access fund established under 233-A:13.

4 New Subparagraph; Statewide Public Boat Access Fund. Amend RSA 6:12, I by inserting after subparagraph (mm) the following new subparagraph:

(nn) Moneys received under RSA 270-E:5, II(d), which shall be credited to the statewide public boat access fund established in RSA 233-A:13.

5 Allocation of Funds. Expansion of the current department public boat access program shall be a charge against the statewide public boat access fund as follows:

|                                 | FY 1992   | FY 1993   |
|---------------------------------|-----------|-----------|
| 010 Personal services-permanent | \$128,116 | \$133,604 |
| 020 Current expenses            | 8,549     | 9,201     |
| 050 Personal services-other     | 48,345    | 40,000    |

|                     |           |           |
|---------------------|-----------|-----------|
| 060 Benefits        | 39,740    | 41,945    |
| 070 In-state travel | 250       | 250       |
| Total               | \$225,000 | \$225,000 |

Funds received in excess of the above needs shall be utilized to maintain all necessary services to access areas.

6 Positions Authorized. The executive director of the fish and game department is authorized to establish the following classified positions for the statewide public boat access program established in section 2 of this act: one civil engineer III, labor grade 23; one biologist II, labor grade 22; one land agent, labor grade 21; one engineering technician IV, labor grade 18; and one construction foreman, labor grade 15.

7 New Paragraph; Council on Resources and Development. Amend RSA 162-C:2 by inserting after paragraph VII the following new paragraph:

VIII. Provide oversight relative to the statewide public access program, work with the public access advisory board and provide recommendations to the governor and executive council regarding public access.

8 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill establishes a public access advisory board and a statewide public boat access program, which is to develop public boat access to public waters. The fish and game department is to carry out the program.

The bill requires that an additional \$5 from each private boat registration sold annually be deposited in an account established by the state treasurer to be called the statewide public boat access fund. The new fund is nonlapsing and continually appropriated.

All costs related to this chapter shall be a charge against the statewide public boat access fund.

Access roads to public boat access areas are designated as service roads.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 231-A**, to repeal the increase in the rates of certain state taxes. INEXPEDIENT TO LEGISLATE.

This bill would immediately roll back last year's tax increases on cigarettes, real estate transfer, beer, rooms and meals, bingo, gasoline and communications services, reducing revenue by \$11 million in FY 91. Given that we already are in deficit for this year, the Committee feels it would be irresponsible and unwise to recommend passage of this bill. Vote 15-0. Rep. Frederick G. Ahrens for Ways and Means.

Rep. Frances Riley spoke to the bill.

Roll call request sufficiently seconded.

The question being the adoption of the Committee report.

**SULLIVAN**

Allison, David C. Tetu, Michael A.

and the Committee report was adopted.

Reps. Lefebvre and Andrews notified the Clerk that he inadvertently voted nay and intended to vote yea.

Reps. Zaharchuk, Paquette and Patricia Brown notified the Clerk that they inadvertently voted yea and intended to vote nay.

**SPECIAL ORDER**

Rep. Gross moved that HB 594, relative to repealing the law relative to the reorganization of Public Service Company of New Hampshire, be made a special order for Wednesday, March 13, 1991 at 2:00 p.m.

Adopted.

**SPECIAL ORDERS**

Without objection, the Speaker made all remaining bills Special Orders for Wednesday next. House Bill 642, HCR 10, House Bills 272, 286, 424, 367, 408, 620, 779, 136, 215, 507, 250, 495, 657, 245, 710, 415, 590, 678, 192, 676 and 268.

**MOTION ON CACR**

Rep. Gross moved that CACR 7 be read a third time and passed.

On a division voted, 341 members having voted in the affirmative and 2 in the negative, CACR 7 was passed by the necessary three-fifths.

**(Third Reading and Final Passage)**

**CACR 7**, relative to the incompatibility of holding a state office and being called up for temporary military active duty. Providing that members of military reserves and national guard units occasionally called upon in an emergency shall be allowed to hold state offices.

**RESOLUTION**

Rep. Gross offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Wednesday, March 13, 1991.

Adopted.

**LATE SESSION****Third reading and final passage**

**HB 189**, relative to the rulemaking authority of the director of the office of securities regulation.

**HB 414**, relative to unfair claim settlement practices.

**HB 313**, relative to conversion between mutual savings banks, cooperative banks, building and loan associations, guaranty savings banks, savings and loan associations, and commercial banks and trust companies.

**HB 637-FN**, relative to insurance fraud.

**HB 544**, relative to the time for hearing appeals before the ballot law commission and relative to appointing alternate ballot law commission members.

**HR 13**, urging school districts to include in their curricula a minimum of 16 hours per year in instruction on alcohol and drug abuse prevention.

**HB 153-FN**, to regulate the handling of manure, agricultural compost and chemical fertilizers.

**HB 490-FN**, relative to continuation of state health and dental insurance benefits for state employees called for active duty as a result of Operation Desert Storm.

**HB 713-FN**, relative to the general counsel of the public utilities commission.

**HB 205**, restricting the method of taking freshwater smelt.

**HB 397-FN**, relative to persons afflicted with Alzheimer's disease.

**HB 460-FN**, relative to the health data advisory committee.

**HB 597-FN**, relative to licensing of nurses.

**HB 531-FN**, relative to personal care for the severely physically disabled.

**HB 768-FN**, relative to technical changes in the unemployment compensation law and to changes in the maximum weekly benefits.

**HB 685-FN**, relative to fiscal notes.

**HB 619-FN**, relative to central business districts.

**HB 334-FN**, relative to the establishment of agency liquor stores.

**HB 402**, relative to placing lime and wood ash on farmland.

**HB 459**, relative to notice received by the wetlands board from local conservation commissions.

**HB 722-FN**, relative to the control and regulation of billboards and other advertising devices and establishing an outdoor advertising study committee.

**HCR 2**, urging Congress to propose a constitutional amendment requiring a balanced federal budget.

**HCR 8**, urging Channel 8 (WMTW) of Auburn, Maine to provide coverage of New Hampshire news and events and to allow another television channel providing such coverage to broadcast from the Mt. Washington summit.

**HB 683-FN-A**, establishing a transportation task force for the twenty-first century and making an appropriation therefor.

**HB 392-FN**, relative to payment of child support.

**HB 502-FN-A**, relative to child care resource and referral systems and making an appropriation therefor.

**HCR 7**, adopting a bill of rights for children.

**HB 349**, relative to the charter of the New Hampshire Centennial Home for the Aged.

**HB 409-FN-A**, establishing an industrial heritage commission and industrial heritage park fund and making an appropriation therefor.

**HB 705-FN-A**, establishing the New Hampshire scenic byways planning program.

### NOTICE OF RECONSIDERATION

Having voted with the prevailing side, Rep. Gross served notice that on March 13, 1991 or some subsequent day as limited by the rules would move that the House reconsider its action whereby it found CACR 8, relative to conscientious objection to the method and content of education. Providing that no person shall be compelled to send any child for whom such person is legally responsible to any school to which such person may be conscientiously opposed, Inexpedient to Legislate.

Rep. Michael Hill moved that the House stand in recess for the purpose of introduction of bills and enrolled bill reports only.

Adopted.

The House recessed at 6:03 p.m.

#### RECESS

Rep. Michael Hill moved that the House adjourn.

Adopted.

**HOUSE JOURNAL No. 11**

Wednesday, March 13, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beirsto.

Almighty God, whose love is boundless, we praise You for Your gifts beyond measure, and pray that You will help us to use them well. We thank You for our colleagues in this House, and for the opportunities that are ours to meet the vast number of challenges that are before this body. Give to each member, we pray, that measure of objectivity and patriotism that will allow personal desires and constituent pressures to give way to the public good. Amen.

Rep. Donovan led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Eunice CampbellHurst, Parr, Swope, Romeo Jean, Feuerstein, Bernard, Ackerman, Hickey, Eugene Clark, Richard Campbell, Jr., Anderson, Asplund and Zaharchuk, the day, illness.

Reps. Bean, Teague, MacKinnon, A. Gibb Dodge, Jr., Wall, Markley, Baldizar and David Young (military service), the day, important business.

Reps. Marsh, Irene Pratt, and Metzger, the day, illness in the family.

**INTRODUCTION OF GUESTS**

Tatiana Khranov and Fran Belcher, guests of Rep. John Chandler. Members of the National Federation of Independent Businesses, guests of Rep. Greenglass. Mr. and Mrs. Robert Day, guests of Rep. Burns.

**COMMUNICATIONS**

Hon. Harold W. Burns, Speaker of the House

I am in receipt of the approved resolution supporting our troops you forwarded to me.

I want to thank you, the House of Representatives of the State of New Hampshire, for the unanimous support for our troops and the soldiers from all branches of service.

Your continued support is very important to all of us who wear the uniform and to our families. Thank you and God Bless to all who support our troops and their families.

Sincerely,  
Thomas C. Stones, Major General,  
94th U.S. Army Reserve Command

**RECONSIDERATION**

Rep. Gross moved that the House reconsider its action whereby it found **CACR 8**, relating to conscientious objection to the method and content of education. Providing that no person shall be compelled to send any child for whom such person is legally responsible to any school to which such person may be conscientiously opposed. Inexpedient to Legislate, spoke to her motion and yielded to questions.

Roll call request sufficiently seconded.

The question being on the motion to reconsider.

and the report was adopted.

#### SPECIAL ORDERS

**HB 424**, relative to the qualifications for a state representative to hold office. **IN-EXPEDIENT TO LEGISLATE.**

After listening to the testimony, the Committee determined there was no problem with the current statutes and found no reason to pass this bill. Vote 12-0. Rep. Sharleene P. Hurst for Constitutional and Statutory Revision.

Rep. Vaughn moved that the words Re-refer to Committee be substituted for the report of the Committee. Inexpedient to Legislate. spoke to his motion and withdrew his motion.

Adopted.

**HB 779-FN**, granting the parents of school children who attend a school other than the public school assigned to the child, an education voucher issued by the state. **INEXPEDIENT TO LEGISLATE.**

It appears that this bill would seriously impact the local districts financially, therefore mandating a program without the required state funding. In addition, this bill has issues which are questionable as to the constitutionality of the concept. Vote 19-1. Rep. Charles B. Yeaton for Education.

Adopted.

**HB 136-FN**, relative to current use assessments and the land use change tax. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 136 is the result of a study committee that worked very hard last year on a bill to clarify the intent of certain parts of the existing Current Use Law. The amendment fine tunes the hard work of the Subcommittee. Issues dealing with the economic impact of current use will be addressed in HBI 1 later this session. Vote 16-2. Rep. David M. Scanlan for Environment and Agriculture.

#### Amendment

Amend RSA 79-A:2 as inserted by section 3 of the bill by replacing it with the following:

79-A:2 Definitions. In this chapter:

- I. "Assessing official" means the assessing authority of any town, city or place.
- II. "Board" means the current use board established by RSA 79-A:3.
- III. "Board of tax and land appeals" means the board of tax and land appeals established pursuant to the provisions of RSA 71-B:1.
- IV. "Commissioner" means the commissioner of the department of revenue administration.

V. "Current use value" means the assessed valuation per acre of open space land based upon the income-producing capability of the land in its current use, and not its real estate market value. This valuation shall be determined by the assessor in accord-

ance with the range of current use values established by the board and in accordance with the class, type, grade and location of land.

VI. "Farm land" means any cleared land devoted to or capable of agricultural or horticultural use as determined and classified by criteria developed by the commissioner of agriculture and adopted by the board.

VII. "Forest land" means any land growing trees as determined and classified by criteria developed by the state forester and adopted by the board. For the purposes of this paragraph, no distinction shall be made between managed and unmanaged forest land.

VIII. "Golf course land" means a parcel of land, 10 acres or more, used in the playing of the game of golf including greens, fairways, tees, sand traps, and roughs, and such other areas which are located within the established playing area.

IX. "Land use change tax" means a tax that shall be levied when the land use changes from open space use to a non-qualifying use.

X. "Open space land" means any or all farm land, forest land, golf course land or unproductive land as defined by this section. However, "open space land" shall not include any property held by a city, town or district in another city or town for the purpose of a water supply or flood control, for which a payment in place of taxes is made in accordance with RSA 72:11.

XI. "Owner" means the person who is the owner of record of any land.

XII. "Person" means any individual, firm, corporation, partnership or other form of organization or group of individuals.

XIII. "Soil potential index" means the production capability of land as determined by the United States Soil Conservation Service.

XIV. "Unproductive land" means land, including wetlands, which by its nature is incapable of producing agricultural or forest products due to poor soil or site characteristics, or the location of which renders it inaccessible or impractical to harvest agricultural or forest products, as determined and classified by criteria developed by the board. The board shall develop only one category for all unproductive land, setting its current use value equal to that of the lowest current use value established by the board for any other category.

XV. "Wetlands" means those areas of farm, forest and unproductive land that are inundated or saturated by surface water or groundwater at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions.

Amend RSA 79-A:4, I, II and III as inserted by section 7 of the bill by replacing them with the following:

I. It shall meet at least annually, after July 1, to establish a schedule of criteria and current use values to be used for the succeeding year. It shall have the power to establish minimum acreage requirements of 10 acres or less. It shall also review all past current use values and criteria for open space land established by past boards. The board shall make such changes and improvements in the administration of this chapter as experience and public reaction may recommend.

II. The board shall reduce by 20 percent the current use value of land which is open 12 months a year to public recreational use, without entrance fee, and which also qualifies for current use assessment under an open space category. There shall be no prohibition of skiing, snowshoeing, fishing, hunting, hiking or nature observation on such open space land, unless these activities would be detrimental to a specific

agricultural or forest crop or activity. The owner of land who opens his land to public recreational use as provided in this paragraph shall not be liable for personal injury or property damage to any person, and shall be subject to the same duty of care as provided in RSA 212:34.

III. The board shall annually adopt rules, pursuant to RSA 541-A, to implement the schedule of criteria and current use values for use in the forthcoming tax year. As a part of the rulemaking process, the board shall hold a series of 4 public hearings throughout the state on its rulemaking proposals and to receive general comment on the current use law.

Amend RSA 79-A:5, I as inserted by section 8 of the bill by replacing it with the following:

I. The selectmen or assessing officials shall appraise open space land as classified under the provisions of this chapter, excluding any building, appurtenance or other improvement [thereon] *on the land*, at valuations based upon the current use values established by the board. *The valuations shall be equalized for the purpose of assessing taxes.* The selectmen or assessing officials shall use the soil potential index when available, to determine the value of farm land within the ranges established by the board. It shall be the duty of the owner to provide the soil potential index to the selectmen or assessing officials.

Amend RSA 79-A:5, VII as inserted by section 10 of the bill by replacing it with the following:

VII. A fee, in accordance with RSA 478:17-g, I, shall be paid by the owner for each parcel which is classified as open space land to the local assessing officials, to be paid over to the register of deeds for recording the notice of contingent lien. The notice of contingent lien shall constitute notice to all interested parties that a lien on the parcel shall be created if and when the land is subsequently disqualified from current use assessment, as provided in RSA 79-A:7, II(e) and RSA 80:85.

Amend RSA 79-A:7, V(a) as inserted by section 15 of the bill by replacing it with the following:

*(a) When a road is constructed or other utilities installed pursuant to a development plan which has received all necessary local, state or federal approvals, all lots or building sites, including roads and utilities, shown on the plan and served by such road or utilities shall be considered changed in use, with the exception of any lot or site, or combination of adjacent lots or sites under the same ownership, large enough to remain qualified for current use assessment under the completed development plan; provided, however, that if any physical changes are made to the land prior to the issuance of any required local, state or federal permit or approval, or if such changes otherwise violate any local, state or federal law, ordinance or rule, the local assessing officials may delay the assessment of the land use change tax until any and all required permits or approvals have been secured, or illegal actions remedied, and may base the land use change tax assessed under RSA 79-A:7 upon the land's full and true value at that later time.*

Amend the bill by replacing section 16 with the following:

16 New Subparagraphs; When Land Use Not Considered Changed. Amend RSA 79-A:7, VI by inserting after subparagraph (b) the following new subparagraphs:

(c) Land accorded current use assessment in one category is changed in use to any other qualifying category.

(d) A parcel of land under current use assessment no longer conforms to the criteria established by the board, either because of size, or because it has been used to meet density or other requirements as part of a development site, but such parcel has, prior to the time when the land use change tax would otherwise become delinquent, been made subject to conservation restrictions rendering such parcel eligible for conservation restriction assessment pursuant to RSA 79-B.

(e) Land under current use assessment is changed in use so that it is eligible for conservation restriction assessment pursuant to RSA 79-B.

Amend the bill by deleting section 17 and renumbering sections 18-27 to read as 17-26, respectively.

Amend the bill by replacing the renumbered section 24 with the following:

24 Repeal. The following are repealed:

I. RSA 79-A:5, V, relative to rulemaking.

II. RSA 79-A:15, III and IV, relative to golf courses.

#### AMENDED ANALYSIS

This bill makes a number of changes in RSA 79-A, the current use tax law, based upon the recommendations of the legislative study committee on current use. These changes include:

(1) Changing the current use advisory board to the current use board and amending its number, powers, and duties. The board is administratively attached to the department of revenue administration.

(2) Rewriting the definition section, especially those definitions which relate to types of land which qualify for current use assessment.

(3) Requiring that current use valuations be equalized for tax assessment purposes.

(4) Specifying that a notice of contingent lien be filed with the register of deeds when land is classified as current use land.

(5) Clarifying provisions relating to the land use change tax including the form of the tax bill, and when the tax bill is to be sent.

(6) Defining when land is eligible for current use assessment.

(7) Requiring the current use board to reclassify all land now under current use assessment under the new classification system.

(8) Reorganizing certain rulemaking provisions.

Adopted.

Report adopted.

Ordered to third reading.

**HB 215-FN**, relative to removing vegetation obstructing advertising devices and planting lilac bushes. **INEXPEDIENT TO LEGISLATE.**

As drafted, this bill would allow clearcutting along highways for distances as great as 1100 feet to enhance the visibility of billboards. There was compelling testimony that lilacs were not well-suited for replanting in these areas. A majority of the Committee agreed that while advertising is important to the state economy, particularly tourism, the natural landscape along our roads attracts more tourists than do billboards. Vote 15-4. Rep. Gregory L. Hanselman for Environment and Agriculture.

Adopted.

**HB 507-FN**, to impose a disposable diaper fee. **INEXPEDIENT TO LEGISLATE.**

House Bill 507, in its present form would be difficult not only on the state to administer, but on the residents of the state. There are large sections of the state that do not have access to diaper service, and a large number of landlords who do not allow washing machines in apartments. Also, a number of public laundromats that do not allow the washing of diapers. Because of the lack of an alternative, it would be a hardship to impose such a fee on disposable diapers at this time. Vote 15-1. Rep. Marilyn R. Campbell for Environment and Agriculture.

Rep. LaMar spoke against and yielded to questions.

Rep. Cole spoke against.

Rep. Marilyn Campbell spoke in favor.

Rep. Trombly spoke in favor and yielded to questions.

Adopted.

**HB 250-FN**, relative to the board of nursing. **OUGHT TO PASS WITH AMENDMENT.**

This bill tightens the provisions regarding disciplinary actions of the Board of Nursing, sets forth procedures for hearings and investigations by the Board. The amendment clarifies the definition of unprofessional conduct and reduces the maximum fine to be levied by the Board. Vote 13-1. Rep. Maurice E. Goulet for Executive Departments and Administration.

### Amendment

Amend RSA 326-B:12, II(c) as inserted by section 1 of the bill by replacing it with the following:

(c) Dishonest or unprofessional conduct, including, but not limited to intentionally harming, abusing or exploiting a patient, defrauding or harming the public in matters related to the practice of nursing, willfully failing to maintain accurate and complete nursing records, acts of omission or commission when practicing nursing as set forth in rules adopted by the board pursuant to RSA 541-A, and violating disciplinary orders or settlement agreements approved by the board;

Amend the bill by replacing sections 2-4 with the following:

2 Disciplinary Action. Amend RSA 326-B:12, III(f) and (g) to read as follows:

(f) By requiring the person to submit [evidence of receipt of] *to the care, counseling, or treatment [as determined by] of a physician, counseling service, health care facility, professional assistance program, or any comparable person or facility approved by the board; [or]*

(g) By requiring the person to practice under the [direction] *direct supervision* of a registered nurse [in a public institution, public or private health care program or private practice] for a period of time specified by the board[.]; *or*

3 New Subparagraph; Civil Penalty. Amend RSA 326-B:12, III by inserting after subparagraph (g) the following new subparagraph:

(h) By imposition of a civil penalty not to exceed \$1,000 for each violation or, in the case of a continuing violation, \$100 for each day the violation continues.

4 Imposition of Civil Penalties. Amend RSA 326-B:12, V to read as follows:

V. Every individual, agency, facility, institution or organization [which] *that* employs nurses within the state shall report to the board within 30 days any action [which] *by a nurse that willfully violates paragraph II of this [chapter] section. The*

*board shall have authority, after notice and the opportunity for hearing, to impose civil penalties of up to \$1,000 per violation upon persons found to have willfully violated the reporting requirements of this paragraph.*

Amend RSA 326-B:13, V and VI as inserted by section 7 of the bill by replacing it with the following:

V. The board may at any time subpoena health care records, except for quality assurance records of health facilities licensed under RSA 151, from its licensees and from hospitals and from other health care providers or facilities licensed or certified in this state. Such subpoenas shall be served by certified mail or by personal delivery to the address shown on the licensee's current license or certificate, and no witness or other fee shall be required. A minimum of 15 days' advance notice shall be allowed for complying with a subpoena duces tecum issued under this paragraph.

VI. Complaints of licensee misconduct shall be in writing and shall be treated as petitions for the commencement of a disciplinary hearing. The board shall fairly investigate all complaints to the extent and in the manner warranted by the allegations. A complaint that fails to state a cause of action may be summarily denied in whole or in part. Some or all of the allegations in a complaint may be consolidated with another complaint or with issues which the board wishes to investigate or hear on its own motion. If an investigation of a complaint results in an offer of settlement by the licensee, the board may settle the allegations against the licensee without the consent of a complainant, provided that material facts are not in dispute and the complainant is given an opportunity to comment upon the terms of the proposed settlement.

Amend RSA 326-B:13-b as inserted by section 8 of the bill by replacing it with the following:

326-B:13-b Temporary Suspension Where Imminent Threat. In cases involving imminent danger to life or health, the board may summarily order suspension of a license without notice or hearing, pending a hearing on specific misconduct allegations. Such temporary suspensions shall not exceed 90 days. In such cases, the basis for the board's finding of imminent danger to life or health shall be reduced to writing and combined with a hearing notice which complies with RSA 326-B:13-a, II. A licensee shall be allowed additional time to prepare for a hearing, but any additional time for preparation shall result in an extension of license suspension commensurate with additional time extended.

Amend the bill by replacing section 11 with the following:

11 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill:

- (a) Amends several provisions regarding disciplinary action.
- (b) Provides for the imposition of civil penalties for violations and willful violations of the chapter.
- (c) Provides for the revocation or denial of licenses based on disciplinary sanction in another jurisdiction.
- (d) Sets forth the procedures for hearings and investigations.
- (e) Provides for a temporary 90-day license suspension pending a hearing where a threat to public safety is posed.

(f) Clarifies what constitutes unlawful acts under the chapter.

(g) Repeals several provisions relating to disciplinary actions.

Adopted.

Report adopted.

Ordered to third reading.

**HB 367-FN**, relative to the profession of engineering. INEXPEDIENT TO LEGISLATE.

This bill extends the power and duties of the Board of Engineering. There are some technical problems with this bill that would require more time than is available. The bill would reduce the general fund in 1992 and 1993 and increase restricted revenues. Vote 15-0. Rep. Merton S. Dyer for Executive Departments and Administration.

Rep. Dyer moved that the words Re-refer to Committee be substituted for the report of the Committee. Inexpedient to Legislate and spoke to his motion.

Motion adopted.

Re-referred to Committee.

**HB 408**, relative to the administration of the New Hampshire retirement system. INEXPEDIENT TO LEGISLATE.

Understandably, the restructure of the Retirement System's Board of Trustees may have merit in the future, but the Committee felt that changes to the Board are inappropriate at this time. Vote 14-0. Rep. Maurice E. Goulet for Executive Departments and Administration.

Adopted.

**HB 495-FN**, reorganizing the office of securities regulation. INEXPEDIENT TO LEGISLATE.

This bill apparently does not address an issue that was brought out during testimony regarding the Office of Securities Regulation. It was then decided that this bill be reported as Inexpedient to Legislate based on the merits of the Director's representations as opposed to other issues which may have surfaced not germane to the issue. Vote 12-3. Rep. Maurice E. Goulet for Executive Departments and Administration.

Adopted.

**HB 657-FN**, relative to expediting the hearing procedures of the board of tax and land appeals. INEXPEDIENT TO LEGISLATE.

The Committee feels that the bill does not answer the question of backlog. A supplemental appropriation for additional support staff is what is needed. Vote 8-5. Rep. Arnold P. Shibley for Executive Departments and Administration.

Adopted.

**HB 245**, prohibiting pre-season baiting. OUGHT TO PASS WITH AMENDMENT.

A Subcommittee studying hunting bear with bait, working with Fish and Game officials and biologists, wildlife, hunter and conservation groups, fashioned this amended bill which will severely restrict this method of hunting. It found that, at this time, baiting is an effective management tool in maintaining the health of New Hampshire's black bear population and under this amendment the sporting aspect success of this method of hunting will be effectively increased. Vote 13-3. Rep. Richard W. Lougee for Fish and Game.

**Amendment**

Amend RSA 207:1, II-a and II-b as inserted by section 1 of the bill by replacing it with the following:

II-a. Baiting: The act of placing meat, carrion, honey or any other food or ingestible substance capable of luring or attracting coyote, fur-bearing animals, or game animals with the exception of gray squirrel.

II-b. Baited area: An area where meat, carrion, honey or any other food or ingestible substance is placed, capable of luring or attracting coyote, fur-bearing animals, or game animals with the exception of gray squirrel.

Amend RSA 207:3-d, I as inserted by section 2 of the bill by replacing it with the following:

207:3-d Baiting.

I. No person shall engage in the practice of baiting for coyote, fur-bearing animals, or game animals with the exception of gray squirrel from April 15 to 2 weeks before the opening of the season for the taking of wild black bear.

Amend RSA 207:3-d, III as inserted by section 2 of the bill by replacing it with the following:

III. Notwithstanding the provisions of this section, persons holding a valid trapping license who have complied with the landowner permit requirements of RSA 210:11 and 210:17, II(b) shall be allowed to place bait for the trapping of fur-bearing animals during the open season.

Amend RSA 207:3-d as inserted by section 2 of the bill by inserting after paragraph IV the following new paragraph:

V. Notwithstanding the provisions of this section, no person shall place bait less than 300 feet from a dwelling or public roadway, pathway or trail.

Amend the bill by inserting after section 3 the following and renumbering the original sections 4-5 to read as 5, 6 respectively:

4 Remove References. Amend RSA 208:22, IX(a) to read as follows:

(a) Whoever violates the provisions of paragraphs I, II, III, [IV,] and VI shall, if a natural person, be guilty of a violation, and any other person shall be guilty of a misdemeanor, except that any person who exceeds the bag limit as determined pursuant to RSA 208:22, I shall be guilty of a misdemeanor.

Amend the bill by replacing section 6 with the following:

6 Effective Date. This act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill prohibits the baiting for coyote, fur-bearing animals or game animals with the exception of gray squirrels from April 15 to 2 weeks before the opening of the season for taking wild black bear.

This bill also prohibits all baiting less than 300 feet from a dwelling, or public roadway, pathway or trail.

Adopted.

Report adopted.

Ordered to third reading.

**HB 710-FN**, relative to the regulation of tree stands, observation blinds, and pit blinds. **OUGHT TO PASS WITH AMENDMENT.**

The Committee feels that while this bill, unamended, addresses a problem in some areas of the state, it would create a further problem of adding unnecessary governmental paperwork in areas where the problem does not exist. The bill, as amended, would prohibit any use of a tree stand, observation blind or pit blind that damages property without the express permission of the landowner. Vote 10-5. Rep. Richard W. Lougee for Fish and Game.

Rep. Hoar moved that the words Re-commit to Committee be substituted for the report of the Committee. Ought to Pass with Amendment and spoke to his motion.

Rep. Perham spoke in favor.

Recommitted to Committee.

**HB 415**, relative to funeral arrangements. **INEXPEDIENT TO LEGISLATE.**

The Committee voted this bill Inexpedient to Legislate as it would create more problems than it would solve. Even though some members were sympathetic to some of the testimony provided by the public, if passed, the bill would allow people to perform a service unlicensed, where others in the business now are licensed. Vote 13-4. Rep. Lawrence A. Chase for Health, Human Services and Elderly Affairs.

Adopted.

**HB 594-FN**, relative to repealing the law relative to the reorganization of Public Service Company of New Hampshire. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE.**

**MAJORITY:** This bill would repeal the law relative to the reorganization of Public Service Company of New Hampshire and throw the entire matter back into the bankruptcy courts. The only winner in that event would be the PSNH creditors who would extract an even higher price for the now-operating Seabrook nuclear plant. While HB 594 has been useful in stimulating NU/NH Electric Cooperative negotiations up to this point, the presence of this bill now threatens to increase the cost of financing the PSNH reorganization at the expense of PSNH ratepayers. The Committee therefore voted 9-2 to make this bill Inexpedient to legislate at this time. However, the Committee is still holding HB 777, a bill relative to rate structure of the New Hampshire Electric Cooperative, to be used, if necessary, to promote an equitable settlement of the NU/NH Electric Coop dispute and ensure reasonable electric rates for all electric customers. Rep. Charles C. Vogler for the Majority of Science, Technology and Energy.

**MINORITY:** The minority believes that HB 594 has played an important role in movement toward a resolution of the conflict between NU/PSNH and the New Hampshire Coop and that it remains valuable in that role. At this time, it seems appropriate to send this bill to the Joint Legislative Committee on the PSNH Reorganization Proceedings. Given its extensive experience with the issue at hand, the Joint Committee should have the opportunity to review HB 594. Reps. Amanda A. Merrill and David C. Allison for the Minority of Science, Technology and Energy.

Rep. Amanda Merrill moved that the words Re-refer to the Joint Legislative Committee on the PSNH Reorganization Proceedings, be substituted for the report of the Committee, Inexpedient to Legislate.

Rep. Vogler spoke against and yielded to questions.

Rep. Spear spoke in favor and yielded to questions.

Rep. McRae spoke against and yielded to questions.

Rep. Chambers spoke in favor.

Rep. Rodeschin spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion failed.  
Report adopted.

Domini, Irene C.  
Lindblade, Eric N.  
Schotanus, Merle W.

Flint, Gordon B.  
Middleton, John A.

Reps. Pignatelli, Marilyn Campbell and Gross abstained from voting under Rule 16.

**HB 268-FN**, relative to drug-free truck stops and rest areas. **INEXPEDIENT TO LEGISLATE.**

The Committee felt that this bill, while laudable in its intent, would have consequences contrary to that intent. Further, the Committee feels that by spot zoning areas to carry enhanced penalties, it merely encourages a change in the location of these illegal activities. Rather than deal with these areas piecemeal, a more comprehensive approach might be appropriate. In addition, this bill provides for higher penalties than those currently in effect for schools. Vote 12-2. Rep. David E. Cote for Judiciary.

Rep. Pantelakos moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate, spoke to her motion and yielded to questions.

Rep. Nielsen spoke in favor.

Rep. Lown spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

**HB 590-FN**, relative to employee leaves of absence for family and catastrophic medical purposes. RE-REFER TO COMMITTEE.

The Committee would like more time with this bill. It did not have sufficient time to thoroughly research several issues raised by HB 590. Vote 8-7. Rep. David O. Dow for Labor, Industrial and Rehabilitative Services.

Re-referred to Committee.

**HB 678-FN**, relative to job security. **INEXPEDIENT TO LEGISLATE**.

The Committee feels that public and private employers in the state should voluntarily follow the termination procedures already in place in counties and municipalities. This is not the time for another mandate on businesses in New Hampshire. Vote 9-6. Rep. David O. Dow for Labor, Industrial and Rehabilitative Services.

Adopted.

**HB 192-FN**, to exempt the real and personal property of societies of Freemasons from taxation. **INEXPEDIENT TO LEGISLATE**.

The Committee is very mindful of inconsistencies both in statutes pertaining to exemptions for charitable organizations and, importantly, in the interpretation of statutes and the meaning of "charitable" as applied to Societies of Free and Accepted Masons by various communities. Although sympathetic to the intent of HB 192, the Committee believes it should not usurp the judgment of the municipalities in the manner contemplated by HB 192. Further, HB 305 defines more precisely the meaning of the term "charitable purposes" for tax exemption qualification. Vote 11-6. Rep. Richard T. Trelfa for Municipal and County Government.

Adopted.

**HB 676-FN**, relative to notice of discontinuance of class IV, V or VI highways. **INEXPEDIENT TO LEGISLATE**.

The slim majority felt that current statutes cover the situation when a town wishes to discontinue a class IV, V, or VI road and still give adequate protection to abutters. The minority believes that with this legislation the process could be shortened up to only six months from the town meeting. Vote 8-7. Rep. Sandra B. Keans for Public Works.

Rep. Gene Chandler moved that the words Re-commit to Committee, be substituted for the report of the Committee, Inexpedient to Legislate and spoke to his motion.

Adopted.

**HB 642-FN**, relative to the regulation of cable television. **RE-REFER TO COMMITTEE**.

The Committee feels that due to impending federal rules, regulation and possibly federal legislation that this bill be re-referred to Committee. There are too many facets dealing with the cable TV industry to deal with in a short period of time. Thus, by studying this whole issue, the Committee can react to whatever does or does not come down from the Federal Communications Commission. Vote 11-1. Rep. Thomas E.P. Rice for Science, Technology and Energy.

Re-referred to Committee.

**HCR 10**, requesting Congress to propose an amendment to the United States Constitution prohibiting unfunded federal mandates. **OUGHT TO PASS**.

This Concurrent Resolution asks the Federal Government to do what the State of New Hampshire is now doing. Do not pass laws or mandates that involve dollars if you are not going to provide the dollars that programs or mandates will cost. Do not pass the buck without the bucks. Vote 9-3. Rep. Lowell D. Apple for State-Federal Relations.

Adopted.

Ordered to third reading.

**HB 272-FN**, relative to a physician's reporting of medical conditions to the director of motor vehicles. **INEXPEDIENT TO LEGISLATE**.

The Committee voted Inexpedient to Legislate after considering the testimony. The Committee felt the passage of this bill could seriously jeopardize and erode the patient-doctor relationship of trust. Further, while the bill addressed physician immunity from liability for reporting conditions to the Department of Motor Vehicles; conversely, there were unanswered liability questions relative to a physician who chose not to report a condition to the Department of Motor Vehicles. Vote 15-3. Rep. Brenda E. Keith for Transportation.

Adopted.

**HB 286-FN**, relative to the operation of powerboats on Long Pond in the town of Northwood. **OUGHT TO PASS**.

The testimony given on this bill could be used as an example where the tyranny of the majority strives to take away the rights of the minority.

The Committee would support the sponsor of the bill and allow the few powerboats that use Long Pond in the town of Northwood to continue to do so for another four years. Vote 13-6. Rep. Roger D. Stewart for Transportation.

Adopted.

Ordered to third reading.

**HB 620-FN**, relative to the transportation of alcohol in open containers. **OUGHT TO PASS WITH AMENDMENT**.

This bill bans the transportation or possession of any open container of alcoholic beverages in any vehicle in any way or in any public parking area in this state, and defines some exceptions. Up until this time, open container laws were local ordinances, this bill will make it statewide. Vote 19-0. Rep. Richard L. Haynes for Transportation.

#### **Amendment**

Amend RSA 265:81, IV and V as inserted by section 1 of the bill by replacing them with the following:

IV. A person who violates this section shall be guilty of a violation. In addition, a person who violates paragraph II of this section may have his drivers' license, if a resident, or driving privilege, if a nonresident, suspended 60 days for a first offense and up to one year for a second or subsequent offense.

V. This section shall not apply to persons transporting, carrying, possessing or having any liquor or beverage in a chartered bus; in a taxi; or in a limousine for hire; provided, however, that the driver of any of said vehicles is prohibited from having any liquor or beverage in or about the driver's area.

Amend RSA 265:81-a, I as inserted by section 2 of the bill by replacing it with the following:

I. Notwithstanding RSA 265:81, II, no driver under the age of 21 shall, except when accompanied by a parent, legal guardian or legal age spouse, transport any liquor or beverage in any part of a vehicle. A driver violating this section may have his license or right to drive suspended for 60 days. The words "liquor" and "beverage" as used in this section shall have the same meanings as defined in RSA 175:1. "Legal age spouse" means a person 21 years of age or older.

## AMENDED ANALYSIS

This bill bans the transportation or possession by any driver or passenger of any opened container of alcoholic beverages in any vehicle upon any way or in any public parking area in this state, with the following exceptions:

(a) possession of opened containers of alcoholic beverages by chartered bus passengers.

(b) possession by passengers in limousines for hire.

Violation of the proscription is punishable as a violation with a discretionary license suspension for convicted drivers. The bill changes the penalty for minors found transporting alcoholic beverages.

Adopted.

Report adopted.

Ordered to third reading.

COMMITTEE REPORTS  
CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**HB 242**, relative to the powers of county conventions, was removed at the request of Rep. Spear.

Consent Calendar adopted.

**HB 123-FN**, prohibiting merchants from requiring credit cards as identification from customers paying by check. INEXPEDIENT TO LEGISLATE.

The Committee has HB 355 and HB 752 that deal with the same subject matter on credit cards and identification from customers paying by checks. Vote 11-0. Rep. Lawrence J. Guay for Commerce, Small Business and Consumer Affairs.

**HB 358-FN**, mandatory insurance for motor vehicles, motor-powered boats, and aircraft. INEXPEDIENT TO LEGISLATE.

The Committee has three bills on this subject, and this one had the least amount of support. Vote 11-0. Rep. Lawrence J. Guay for Commerce, Small Business and Consumer Affairs.

**HB 718-FN**, relative to improving access to health insurance coverage for employees of small and moderate sized businesses. RE-REFER TO COMMITTEE.

This bill is being re-referred to the Committee because it wishes to study its content. This is one of three bills dealing with aspects of reform to the small employer health insurance market, and the Committee wants to examine this issue as part of the broader issue and plans to bring in a comprehensive bill in 1992. Vote 14-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

**HB 289-FN**, relative to regulating commercial salt water fishing. OUGHT TO PASS WITH AMENDMENT.

This bill addresses the problems raised by the State Sea and Shore Advisory Committee and federal fisheries regulations. Vote 14-0. Rep. Herbert R. Drake for Fish and Game.

## Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Commercial Fisherman; Reference Deleted. Amend RSA 207:1, IV-a to read as follows:

IV-a. Commercial Fisherman: Any person who takes, possesses, lands, or transports, on the waters of this state, any marine species by any method for the purposes of sale[, other than by conventional angling].

2 Marine Species; Reference Deleted. Amend RSA 207:1, XV to read as follows:

XV. Marine Species: Includes all fish which usually inhabit salt water, and all shell fish, lobsters, crabs, shrimps, clams, marine worms, *other marine invertebrates* and [economic] marine [vegetables] *plants* found in the coastal waters and estuarine waters under the jurisdiction of this state as defined in RSA 1:14 and 1:15.

3 Sale of Marine Species; Exemption Removed. Amend RSA 211:49-b, I to read as follows:

I. Any resident of this state who takes, possesses, lands, or transports on the waters of this state any marine species, excluding lobsters, by any method [other than by conventional angling] for the purpose of sale, regardless of where the catch was taken, shall first procure a valid license from the executive director to do so.

4 Sale of Oysters; Reference Modified. Amend RSA 211:53 to read as follows:

211:53 Sale Prohibited. No person shall at any time sell or take for sale oysters from [Great Bay or its tributaries, Little Bay or Durham River, or from the Piscataqua River] *the waters under the jurisdiction of the state*.

5 Advisory Committee on Shore Fisheries; Study Deleted. Amend RSA 211:60 to read as follows:

211:60 Advisory Committee on Shore Fisheries. The governor, with the advice and consent of the council shall appoint an advisory committee of 3 persons to recommend programs and policies regarding shore fisheries to the fish and game commission. The members of said committee shall be residents of the seacoast region. The term of office of each member shall be for 3 years and until his successor is appointed and qualified provided, however, that for the first appointments hereunder one shall be appointed for a term of one year, one for a term of 2 years and one for a term of 3 years and until their successors are appointed and qualified. Said members shall serve without compensation. [They shall study and recommend the advisability and method for financing a division of coastal fisheries within the fish and game department, together with a study of the desirability of establishment of a state coastal fisheries research station at Hampton Harbor.] They shall [make such other studies and] *review and make* recommendations as seems advisable relative to [shore fisheries] *marine species*. The committee shall have authority to hold hearings in the coastal towns on [fishery problems] *marine species*.

6 Clams, Lobsters; Reference Added. Amend RSA 211:61 to read as follows:

211:61 Clams, Lobsters. The advisory committee on shore fisheries as appointed under RSA 211:60 may recommend to the fish and game commission such rules and regulations as may be necessary for the propagation, preservation and taking of clams, clam worms, lobsters, crabs, [and] oysters *and other marine species*. All laws and regulations relative to the taking, sale, possession, and transportation of lobsters, crabs, clams, clam worms, [and] oysters *and other marine species* shall remain in full force and effect until such time as they are changed under the authority contained in this section.

7 Authority to Regulate; Reference Deleted. Amend RSA 211:62, I to read as follows:

I. Rules relating to the taking, inspection and processing of marine species may be made by the executive director of the fish and game department with the approval of the fish and game commission, and upon the advice and cooperation of the advi-

sory committee on shore fisheries. [For the purposes of this section, "marine species" includes all fish which usually inhabit salt water, and all shell fish, lobsters, crabs, shrimps, clams, marine worms and economic marine vegetables found in the coastal waters and estuarine waters under the jurisdiction of this state as defined in RSA 1:14-19.]

8 Sale of Marine Species; Reference Deleted. Amend RSA 211:62, II(e) to read as follows:

(e) The sale, inspection and processing of marine species [by wholesale and retail dealers].

9 New Paragraph; Exemption From Rulemaking Requirements. Amend RSA 211:62 by inserting after paragraph IV the following new paragraph:

V. Rules pertaining to marine species managed under the Atlantic States Marine Fisheries Compact under RSA 213 shall be exempt from the rulemaking requirements of RSA 541-A. The executive director may adopt such rules after notice and hearing as determined by the executive director to be practicable. Rules adopted under this paragraph shall be filed with the director of legislative services and with the joint legislative committee on administrative rules.

10 Terms Defined; References Modified. Amend RSA 211:66 to read as follows:

211:66 Terms Defined. The term "marine fisheries" as used in this subdivision shall be construed as referring to the [taking of salt water fish, lobsters, crabs, oysters, clams and clam worms] *management of marine species*.

11 Reference Change. Amend RSA 211:70 to read as follows:

211:70 Marine Fisheries Revenue. All moneys collected from licenses and fines for taking of [clams, marine species oysters, lobsters or crabs] *marine species*, as well as any funds received by the division of marine fisheries under RSA 211:67, shall be credited to the fish and game fund as established under RSA 206:33. All expenditures authorized by the legislature for the marine fisheries division shall be a charge against the fish and game fund. Revenues received from the above-mentioned licenses or fines and funds expended by the marine fisheries division shall be accounted for in such a manner as to show the actual relationship between marine revenues and expenditures. These records shall be an identifiable part of an annual financial statement of the fish and game department and available for public inspection.

12 Repeal. RSA 211:61-a, relative to removal of mussels, is repealed.

13 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill exempts the fish and game department from the rulemaking requirements of RSA 541-A for rules pertaining to marine species managed under the Atlantic States Marine Fisheries Compact.

This bill modifies the definitions of the terms "commercial fisherman" and "marine species."

This bill deletes the duty of the advisory committee on shore fisheries duty to conduct a study on the desirability of a state coastal fisheries research station.

This bill modifies certain definitions to the generic term, "marine species."

This bill prohibits the sale or taking for sale of oysters in waters under the jurisdiction of the state.

This bill deletes the exemption for conventional angling from the prohibition for taking of any marine species, except lobster, for the purpose of selling such species.

This bill also deletes the requirement that the fish and game department remove mussels from certain parts of Hampton River harbor.

This bill is a request of the fish and game department.

**HB 559-FN**, relative to commercial and recreational fisheries. OUGHT TO PASS WITH AMENDMENT.

The Committee feels that this is a good bill and fits in with other laws in Section 672 of New Hampshire Law. Vote 16-0. Rep. Allen R. Wiggin for Fish and Game.

#### Amendment

Amend RSA 672:1, III-f as inserted by section 2 of the bill by replacing it with the following:

III-f. New Hampshire commercial and recreational fisheries make vital and significant contributions to the food supply, the economy, the environment, and the aesthetic features of the state of New Hampshire, and the tradition of using marine resources for fisheries production is an essential factor in providing for economic stability and a favorable quality of life in the state. Many traditional commercial and recreational fisheries in New Hampshire's rivers and estuarine systems are located in close proximity to coastal development. Such fisheries are a beneficial and worthwhile feature of the New Hampshire landscape and tradition and should not be discouraged or eliminated by use of municipal planning and zoning powers or the unreasonable interpretation of such powers.

#### AMENDED ANALYSIS

This bill declares that New Hampshire's commercial and recreational fisheries should not be discouraged or eliminated by use of municipal planning and zoning powers.

**HB 617-FN**, relative to fishing permits for certain head-injured persons. OUGHT TO PASS WITH AMENDMENT.

The Committee felt this was an excellent bill. It would help those unfortunate head-injured patients who would benefit therapeutically by free fishing. Vote 14-0. Rep. Herbert R. Drake for Fish and Game.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Special Fishing Permit. Amend RSA 214 by inserting after section 14-f the following new section:

214:14-g Patients at Certain Head Injury Treatment Programs. Head injury patients at the Crotched Mountain Rehabilitation Center, in Greenfield; Head Injury Treatment Program in Dover; the New Hampshire branch of Easter Seals Society of New Hampshire and Vermont in Manchester; Franklin Falls Farm, in Franklin; Highwatch in Effingham; New England Rehabilitation Center of Southern New Hampshire in Nashua; Northeast Rehabilitation Hospital in Salem; and Robin Hill Farm, in Hillsborough, may fish without a license on a special fishing permit issued by the recreational or physical therapist in charge when such form of recreation may be of therapeutic benefit to such patients, provided that no such special fishing permit shall be valid for a period longer than the length of treatment of the patient to whom the special fishing permit is issued. Patients fishing under the provisions of this section shall be under the direct supervision of the recreation supervisor, or his designate, and shall have in their possession a valid special fishing permit. The fish and game

executive director shall furnish permit forms to the aforementioned head injury treatment programs at their request, to be filled out when issued. The number of permits issued shall be reported to the executive director once each year as he shall direct.

2 Effective Date. This act shall take effect upon its passage.

**HB 508-FN**, relative to domestic violence shelters. INEXPEDIENT TO LEGISLATE.

The sponsor of this bill moved Inexpedient to Legislate due to the state's financial problems and the necessity to hire a new employee to administer the statute. Vote 17-0. Rep. Lawrence A. Chase, Jr. for Health, Human Services and Elderly Affairs.

**HB 165-FN**, relative to right to trial by jury in small claims cases. INEXPEDIENT TO LEGISLATE.

The matter raised in this bill is more thoroughly covered in HB 715, and the Committee wishes to deal with it in that section contained in 715. Vote 16-0. Rep. Peter Hoe Burling for Judiciary.

**HB 201**, relative to the authority of the pharmacy board to seize evidence. REFER TO COMMITTEE.

After several discussions, the Committee determined that there are several questions concerning the relationship of the Pharmacy Board to other agencies which need to be cleared up. The Committee desires to work further on this. Vote 11-0. Rep. Peter Hoe Burling for Judiciary.

**HB 256**, limiting liability of any person, firm or corporation which donates equipment or services to any postsecondary technical training program. OUGHT TO PASS WITH AMENDMENT.

This bill is designed to protect persons or companies which donate the use of personnel, equipment or premises for use in postsecondary technical training programs. The bill retains appropriate safeguards for the interests of the public, and strikes a balance which will permit continued donations in our litigious society. Vote 11-1. Rep. Peter Hoe Burling for Judiciary.

#### Amendment

Amend the introductory paragraph of RSA 188-F:21-a as inserted by section 1 of the bill by replacing it with the following:

188-F:21-a Liability Limited. Any person who, or any firm or corporation which donates the use of its premises, personnel or equipment to the department or any of its colleges or institutes to assist them in their training courses shall be immune from civil liability in any action brought on the basis of any act or omission resulting in damage or injury *arising out of the use by the department of the equipment, facilities, or services* to any person if:

**HB 274-FN**, relative to sentencing to county correctional facilities. OUGHT TO PASS WITH AMENDMENT.

This bill is designed to make certain that a criminal is confined to the county correctional institution in the county where the crime occurred. The amendment changes the effective date to 7/1/91. Vote 11-0. Rep. Alf E. Jacobson for Judiciary.

#### Amendment

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect July 1, 1991.

**HB 278-FN**, relative to liability and indemnification of regional planning commissions. **OUGHT TO PASS WITH AMENDMENT.**

This bill defines regional planning commissioners and includes them in the liability and indemnification sections of RSA 31:104. Vote 14-0. Rep. Elizabeth D. Lown for Judiciary.

### Amendment

Amend the bill by replacing all after section 3 with the following:

4 Liability of Regional Planning Commissions. Amend RSA 36:46, III to read as follows:

III. Each municipality which shall become a member of a regional planning commission shall be entitled to 2 representatives on said commission. A municipality with a population of over 10,000 but less than 25,000 shall be entitled to have 3 representatives on said commission and a municipality with a population of over 25,000 shall be entitled to have 4 representatives on said commission. Population as set forth in this section shall be deemed to be determined by the last federal census. Representatives to a regional planning commission shall be nominated by the planning board of each municipality from the residents thereof and shall be appointed by the municipal officers of each municipality. Representatives may be elected or appointed officials of the municipality or county. In any county or counties in which a regional planning commission has been formed, the county may, by resolution of its county commissioners, become a member of said regional planning commission and shall be entitled to appoint 2 representatives on said commission. The terms of office of members of a regional planning commission shall be for 4 years, but initial appointments shall be for 2 and 4 years. In municipalities entitled to 3 or more representatives, initial appointment shall be for 2, 3 and 4 years. Vacancies shall be filled for the remainder of the unexpired term in the same manner as original appointments. Municipalities and counties may also appoint alternate representatives. *A representative to a regional planning commission shall, when acting within the scope of his official duties and authority, be deemed to be acting as an agent of both the regional planning commission and of the municipality or county which he represents.*

5 Effective Date. This act shall take effect 60 days after its passage.

### AMENDED ANALYSIS

This bill specifically names regional planning commissioners as one of the types of officials to have limited liability and certain indemnification privileges when acting within the scope of their authority.

The bill also clarifies the commissioners' authority to act as agent for both the regional planning commission and for the municipality or county which he represents.

**HB 279**, relative to a uniform law on notarial acts. **INEXPEDIENT TO LEGISLATE.**

Testimony showed that this bill was unnecessary. The Committee felt that if there were a problem it should be addressed by using the model legislation on the federal level. This bill also took out the fee involved, but only for attorneys. Vote 12-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 316-FN**, relative to publication of notice requirements in situations in which property escheats to the state. RE-REFER TO COMMITTEE.

This bill needs further study in order to assure the Committee that reducing the notices to one instead of two will be in the public interest. Vote 11-0. Rep. Alf E. Jacobson for Judiciary.

**HB 332**, relative to filing small claims actions in landlord and tenant cases. INEXPEDIENT TO LEGISLATE.

The sponsor agreed that HB 332 did not address the landlord-tenant problems equitably. Another attempt will be made to handle the issue. Vote 10-1. Rep. Elizabeth D. Lown for Judiciary.

**HB 356-FN**, relative to uniform penalties pertaining to farm products. OUGHT TO PASS.

This bill would give uniformity to the fine structure relating to non-conforming sale of agricultural products. It was requested by the Department of Agriculture. Vote 11-0. Rep. Elizabeth D. Lown for Judiciary.

**HB 371-FN**, relative to the collection of bail commissioners' fees. INEXPEDIENT TO LEGISLATE.

The Committee view was that this will increase judges' time and that it will impose, in the fine structure, a non-public obligation. Vote 10-1. Rep. Alf E. Jacobson for Judiciary.

**HB 383**, relative to the authority of land surveyors to enter upon lands. INEXPEDIENT TO LEGISLATE.

The Committee feels that land surveyors should continue to notify property owners of their need to access private lands. It also feels existing laws are adequate. Vote 15-0. Rep. Benjamin J. DePecol for Judiciary.

**HB 394**, relative to partition of real property. INEXPEDIENT TO LEGISLATE.

This bill was brought to settle an individual problem that one person is having with the partition of real estate. The Committee did not want to set this "fix" in legislation. "Tinkering" with an established, functioning system for partitioning real estate, is a bad idea. The problem is with the courts generally; they have too few assets to do all we ask them to do. Let's not "tinker" with things that aren't broken. Vote 12-1. Rep. Alice B. Record for Judiciary.

**HB 407**, relative to failure to report injuries resulting from criminal acts. OUGHT TO PASS WITH AMENDMENT.

The support for this bill was widespread. It is another step in protecting a victim in sexual assault crimes. It allows third party reporting. Many victims are fearful of being treated because of the current law which requires doctors to report the injury. The Committee felt this was a reasonable request. Vote 11-0. Rep. Donnalee M. Lozeau for Judiciary.

#### Amendment

Amend RSA 631-6, II as inserted by section 1 of the bill by replacing it with the following:

*II. A person who has rendered treatment or assistance is excepted from the reporting provisions of paragraph I if the person seeking or receiving treatment or other assistance: (a) is 18 years of age or older, (b) has been a victim of a sexual*

*assault offense, and (c) objects to the release of any information to law enforcement officials. This exception shall not apply if the sexual assault victim is also being treated for a gunshot wound or other life threatening injury.*

*III. When a person as described in paragraph II objects to the release of any information to law enforcement officials, a law enforcement report form shall be given to the victim for completion. This form shall be developed by the department of justice, and shall contain all information pertinent to the sexual assault except for any information which identifies the victim. This form shall be sent to the police department which has jurisdiction over the location at which the crime occurred.*

#### AMENDED ANALYSIS

Under current law, a person is guilty of a misdemeanor if, having knowingly treated or assisted another for any injury he believes was caused by a criminal act, he fails to notify a law enforcement official with all the information he possesses concerning the injury. This bill exempts a person from this reporting requirement when the person receiving treatment or assistance is at least 18 years old, was a victim is a sexual assault offense, and objects to the release of such information.

This exemption does not apply if the sexual assault victim is also being treated for a gunshot wound or other life threatening injury. In the case where the victim objects to the release of information, a form, developed by the department of justice, shall be filled out and sent to the police department in whose jurisdiction the crime occurred. This form shall contain no information which identifies the victim.

**HB 421-FN**, establishing a committee to study reforming and coordinating state homicide laws. **INEXPEDIENT TO LEGISLATE.**

This bill would establish a special committee to study and re-write the RSA chapter dealing with homicide. After reviewing the alleged problems with present laws that were cited in testimony, the Committee concluded that there is no need for such a study. Vote 10-1. Rep. Richard H. Campbell for Judiciary.

**HB 450**, relative to claims to dower and curtesy. **OUGHT TO PASS.**

This is a valuable piece of corrective legislation which will clear away remaining dower and curtesy rights, and thereby clear titles that may still be encumbered by such vestigial rights. Vote 12-0. Rep. Peter Hoe Burling for Judiciary.

**HB 452-FN**, relative to solicitation of prostitutes. **OUGHT TO PASS.**

In order to prevent "border-jumping" of "johns," the Committee feels that both the prostitute and the "john" should be liable. The penalty would be a misdemeanor. Vote 11-1. Rep. Elizabeth D. Lown for Judiciary.

**HB 481-FN**, allowing nursing home administrators to file for disposition of a deceased individual's estate. **OUGHT TO PASS WITH AMENDMENT.**

The amendment is the meat of this bill whereby county nursing home administrators may bypass notice to county attorney in estates of \$2,000 or less. However, private nursing home administrators will still be required to report to county attorney. Vote 11-0. Rep. Alf E. Jacobson for Judiciary.

#### Amendment

Amend the bill by replacing section 1 with the following:

1 County Attorney Deleted. Amend RSA 151-A:15, I to read as follows:

*I.(a) Except as provided in subparagraph (b), if 30 days after the date of a patient's death no petition for probate has yet been filed under any section of RSA 553 and the gross value of the personal property remaining at the nursing home belonging*

to the deceased, including any amount left in a patient account, is no more than \$2,000, the nursing home administrator shall [give notice to the county attorney of the county in which the deceased was domiciled, who shall] file in the county probate court an affidavit, pursuant to RSA 553:31 or RSA 553:31-a, along with all other required filings, for the purpose of becoming a voluntary administrator and disposing of such person's estate in accordance with those sections.

*(b) If 30 days after the date of a patient's death no petition for probate has yet been filed under any section of RSA 553 and the gross value of the personal property remaining at the county nursing home belonging to the deceased, including any amount left in a patient account, is no more than \$2,000, the county nursing home administrator shall [give notice to the county attorney of the county in which the deceased was domiciled, who shall] file in the county probate court an affidavit, pursuant to RSA 553:31 or RSA 553:31-a, along with all other required filings, for the purpose of becoming a voluntary administrator and disposing of such person's estate in accordance with those sections.*

**HB 486-FN**, relative to collection of forfeitures of recognizances by the division of motor vehicles. OUGHT TO PASS.

This bill provides a clearer procedure for those who fail to appear after a recognizance. The intent is to force the person to appear at a proper time rather than engage in default. A fine as well as demand for payment will be required. Vote 11-0. Rep. Alf E. Jacobson for Judiciary.

**HB 598-FN**, requiring testing of certain sex offenders for human immunodeficiency virus and other sexually transmitted diseases. INEXPEDIENT TO LEGISLATE.

The point behind this legislation is admirable. On first thought it seems to be reasonable. However, carrying out the intent is not realistic. The Division of Public Health opposes the bill; some of the reasons presented were: some infected people never show a positive test. Tests of persons such as these would result in inaccurate information to the victim. Perhaps the federal level will give us some direction in this matter as it is in favor of all 50 states imposing this. Vote 12-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 656-FN**, relative to reckless conduct. OUGHT TO PASS WITH AMENDMENT.

This bill makes it a class B felony to purposely discharge a firearm at an occupied building. The amendment places the offense in the criminal mischief category, instead of reckless conduct as in the original bill, and adds reference to a definition of "occupied building." Vote 11-0. Rep. Richard H. Campbell for Judiciary.

#### Amendment

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to criminal mischief.

Amend the bill by replacing all after the enacting clause with the following:

I Discharge of Firearm at Occupied Building; Criminal Mischief. Amend RSA 634:2, II(b) to read as follows:

(b) A substantial interruption or impairment of public communication, transportation, supply of water, gas or power or other public service; *or*

*(c) Discharge of a firearm at an occupied structure, as defined in RSA 635:1,***III.**

2 Effective Date. This act shall take effect January 1, 1992.

**HB 707-FN**, relative to contracts for services other than counsel. OUGHT TO PASS.

House Bill 707 would save moneys for the indigent defense program by giving the state a flat contract rate whereby the vendor could get predictable payments. Vote 16-0. Rep. Elizabeth D. Lown for Judiciary.

**HB 715-FN**, relative to the right to jury trial in civil cases. OUGHT TO PASS.

This bill updates all the relevant statutes so that it conforms to the Constitution. This will relieve the Superior Court of actions involving lawsuits when the controversy is between \$500 and \$1,500. Vote 11-0. Rep. Alf E. Jacobson for Judiciary.

**HB 727-FN**, relative to DWI testing, penalties for drug possession in a motor vehicle, motor vehicle equipment and technical corrections in certain motor vehicle laws. OUGHT TO PASS WITH AMENDMENT.

The amendment increases the penalty for possession of drugs while operating a motor vehicle to a minimum six-month suspension; current law is 60 days. It authorizes the Department of Safety to charge a \$7 fee for motor vehicle records provided to insurance companies, \$2 of which will go to the general fund, earmarked toward the fire academy. It changes current law with regard to commercial vehicle licenses, and it deletes the requirement of a sales receipt for a temporary plate. The amendment also removes the remainder, some of the bill, which may be addressed in pending bills. Vote 16-0. Rep. Donnalee M. Lozeau for Judiciary.

### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to DWI testing, motor vehicle records  
fees, and commercial driver licenses.

Amend RSA 260:15, II as inserted by section 1 of the bill by replacing it with the following:

***II. The department may issue a copy of any motor vehicle record upon the request of an insurance company and payment by the insurance company of a fee of \$7, \$2 of which shall be deposited in the general fund.***

Amend the bill by replacing all after section 2 with the following:

3 Distinction Between Valid and Non-Valid Commercial Driver License Eliminated. Amend the introductory paragraph of RSA 263:94, I to read as follows:

1. Any person who drives a commercial motor vehicle *with or* without a valid commercial driver license[, or while driving privileges are suspended, revoked or cancelled, or while disqualified from driving a commercial motor vehicle,] ***and commits one of the following offenses*** shall be punished as follows:

4 Refusal to Consent to Tests. RSA 263:96, III is repealed and reenacted to read as follows:

III.(a) Upon the first refusal of any person to submit to a test or tests as administered by a law enforcement officer for the purposes of determining the person's alcohol concentration or the presence of other drugs, the director shall revoke his license for a period of not less than one year.

(b) If the person has a prior refusal under subparagraph III(a) then, upon the second or subsequent refusal of such person to submit to a test or tests as administered by a law enforcement officer for the purposes of determining the person's alcohol concentration or the presence of other drugs, the director shall revoke his license for life, or for a period of not less than 10 years.

5 Effective Date. This act shall take effect July 1, 1992.

#### AMENDED ANALYSIS

This bill:

(a) Authorizes the department of safety to charge a \$7 fee for copies of motor vehicle records provided to insurance companies, \$2 of which to be deposited in the general fund.

(b) Deletes certain restrictions on commercial motor vehicle driving.

(c) Deletes the requirement that any person seeking a temporary 20-day registration from the division of motor vehicles possess a sales receipt for the vehicle which is dated the same day or one day after issuance of the registration.

This bill was requested by the department of safety.

Referred to Appropriations.

**HB 60-FN**, relative to a property tax exemption for low income residents. INEXPEDIENT TO LEGISLATE.

Present statutes now provide for aid to taxpayers who cannot pay their taxes. This bill, as written, would provide that once a person had applied and been accepted, he would continue to receive the exemption unless that person moved from town, with no regard to his income which might now make that person ineligible. Vote 17-0. Rep. David M. Perry for Municipal and County Government.

**HB 259**, permitting a municipal governing body to assign street numbers. OUGHT TO PASS WITH AMENDMENT.

The Committee feels that strict numbering belongs to the local municipal government. It agrees with forwarding the information to the Department of Transportation. All testimony was favorable. Vote 14-0. Rep. Gabriel J. Daneault for Municipal and County Government.

#### Amendment

Amend RSA 231:133, II as inserted by section 1 of the bill by replacing it with the following:

*II. The naming of any new street or highway shall form a part of the return of the layout of the street or highway, or of the acceptance of any dedicated way. The municipality shall not be bound by any name previously assigned to the street or highway by any private owner, developer, or dedicator. No name for a highway or street shall be selected which is already in use, or which is confusingly similar to any such existing name, or which otherwise might delay the locating of any address in an emergency.*

**HB 292-FN**, relative to the real estate tax lien process. OUGHT TO PASS.

Testimony shows that this bill clarifies the terminology of what has been in practice. All testimony was in favor. Vote 17-0. Rep. John S. Barnes for Municipal and County Government.

**HB 295-FN**, relative to the veterans' property tax exemption. INEXPEDIENT TO LEGISLATE.

The Committee feels that this bill would contribute to the further erosion of the local tax base. No veterans' groups appeared to testify. Vote 17-0. Rep. John S. Barnes for Municipal and County Government.

**HB 672-FN**, relative to standards for fire safety for community living facilities. OUGHT TO PASS.

Enactment of this legislation will permit the establishment of additional community residences for groups of three or less persons who are developmentally-disabled. The bill relaxes the comprehensive fire and safety standards which are in effect for residences for a greater number of persons, and which would be cost-prohibitive for a very small number of residents. The rules and regulations established by the Department of Health and Human Services "Selected Care Facilities Regulation (HE-P 804:11)" provides excellent protection for the residents of the smaller community houses. Vote 10-0. Rep. Richardson D. Benton for Public Protection and Veterans Affairs.

**HB 111**, relative to recording of information concerning well radii. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, corrects a "catch-22" created by last year's HB 131. In addition, it will ease some of the overly-restrictive limitations on well locations and protective radii. Vote 15-0. Rep. Donald L. Roulston for Resources, Recreation and Development.

#### Amendment

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to protective well radii.

Amend the bill by replacing all after the enacting clause with the following:

I Purpose; Effect on Previous Law.

I. The provisions of this act shall not be construed to change in any way the substantive effect of RSA 485:35-a prior to the effective date of this act, which required all new subdivisions proposed after August 27, 1989, to confine wells and associated protective radii to the lot served by the well.

II. The rules adopted under former RSA 485:35-a relative to protective well radii shall remain in full force and effect upon adoption of this act. The recodification of the section on protective well radii from RSA 485 to RSA 485-A shall not be construed to affect the validity of such rules.

2 New Section; Protective Well Radii. Amend RSA 485-A by inserting after section 30-a the following new section:

485-A:30-b Protective Well Radii.

I. All lots, including lots created prior to the effective date of RSA 485:35-a, shall be subject to the following conditions:

(a) Rules adopted under this section concerning such lots shall include provisions allowing abutting lot owners to overlap their respective well radii for their mutual benefit in allowing well radii to extend over property lines onto state and locally-mandated property line setbacks, recorded easements, or land which is permanently dedicated to a use which precludes development.

(b) For private wells serving commercial buildings, the entire protective well radius shall be maintained on-lot, on a recorded easement, or on land which is permanently dedicated to a use which precludes development. For the purposes of this section, the term "commercial building" shall not include a residence which is also used for commercial purposes unless the total water withdrawal exceeds 600 gallons per day.

(c) For private wells serving buildings other than commercial buildings, if the protective well radius cannot be wholly maintained on an existing lot of record due to the size or other physical characteristics of the lot, then the on-lot protective radius shall be maximized to the extent practicable. Unless by recorded easement, abutting property shall not be encumbered by the protective radius of a well if such encumbrance would restrict development on said abutting property.

(d) Any person submitting plans and specifications for a sewage or waste disposal system for a property which is or will be served by an on-lot well, shall show the location or proposed location of the well, or a designated area within which the well will be located, on such plans and shall show the protective radius as specified in the division's rules.

(e) Whenever the division approves a septic plan with an on-lot well radius which is less than the optimum standard, the division shall notify the applicant of the consequences of such reduced radius and advise the applicant whether special precautions should be taken relative to well installation.

(f) If the well is not installed prior to the sewage or waste disposal system being constructed, then the property owner shall provide the water well contractor with a copy of the approved plan showing the location of the well, and the water well contractor shall ensure, to the best of his ability that the well is installed in accordance with the approved plan.

(g) When, for reasons of the condition of the lot or the placement of buildings thereon, the well cannot be installed as shown on the approved plan, the water well contractor shall advise and consult with the property owner, or the property owner's agent, on the best possible alternative location, considering distance to property boundaries and to the sewage or waste disposal system. Using a standard release form prepared by the division, the water well contractor shall alert the owner to the consequences of the alternate installation, including the potential loss of the protection of any portion of the radius which extends over the property line. The owner, or the owner's agent, may defer to the designer of the sewage or waste disposal system or may allow the water well contractor to proceed in the identified alternative location. Prior to installing the well in the identified alternative location, the well contractor shall, using the standard release form, obtain a written acknowledgment, from the property owner, or the owner's agent, that the consequences are understood. The designer shall prepare an amended plan showing the actual location of the well. The property owner shall forward the amended plan, together with a copy of the signed release form, to the division and the local code enforcement officer or other appropriate designated local official prior to using the well. If the on-lot protective well radius is less than the optimum prescribed standard, the owner shall record the [amended plan and the] release form, upon which the actual protective radius shall be noted, together with a narrative description of the location of the well in the registry of deeds, and a copy of the recorded release form shall be filed with the division.

II. For lots approved under RSA 485-A:29, the rules adopted under this section concerning such lots shall include provisions allowing abutting lot owners to overlap

their respective well radii for their mutual benefit by allowing well radii to extend over property lines, onto state and locally mandated property line setbacks, recorded easements, or land which is permanently dedicated to a use which precludes development. If after a lot is created pursuant to this section, the well cannot be installed as shown on the subdivision plan, then the provisions of RSA 485-A:30-b, 1(d), (e), (f), and (g) shall apply.

III. For the purposes of this paragraph, the term "cluster development" means a form of residential subdivision that permits dwelling units to be grouped on sites or lots with dimensions, frontages, and setbacks reduced from conventional requirements, provided that the remaining land area is permanently designated as open space for cluster development. For cluster developments the following provisions shall apply:

(a) Where the sewage waste disposal systems are located off of the individual home lots, the wells and associated protective radii serving those home lots need not be confined to the individual lot which each well serves so long as all wells and their associated protective radii are confined within the tract of home lots and common land permanently designated as open space.

(b) Where the home lots are serviced by on-lot sewage or waste disposal systems, wells and their protective radii may be located wholly or partially on common land permanently designated as open space. The division shall not approve such off-lot wells and radii unless the lot owner or developer demonstrates to the division's satisfaction, by means of recorded easements, land use restrictions or other appropriate mechanisms, that the well owner will be able to maintain and service the well in perpetuity and that the area covered by the protective well radius is permanently dedicated to a use which precludes development.

IV. The division shall adopt rules under RSA 541-A providing for protective well radii for private water wells, and for regulation of land use within the radii boundary.

3 Repeal. RSA 485:35-a, relative to protective well radii, is repealed.

4 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill establishes regulations for protective well radii, which include private wells serving commercial buildings, private wells serving buildings other than commercial buildings, and private wells serving cluster developments. In addition, it allows abutting lot owners to overlap their respective well radii for their mutual benefit by allowing well radii to extend over property lines in certain instances.

This bill recodifies the provisions of RSA 485:35-a, relative to protective well radii.

**HB 404-FN**, relative to certification of wetland scientists. **OUGHT TO PASS WITH AMENDMENT.**

This bill creates a classification of natural scientists known as "certified wetlands scientists." Where wetlands identification was once a matter of walking into the shrubbery until one's feet were wet, the new definition mandated by the United States Corps of Army Engineers requires expertise in soil science, hydrology, and botany as well as the performance of transects and plots. This new level of sophistication demands a new level of experts — the certified wetlands scientists. Vote 14-1. Rep. Donald L. Roulston for Resources, Recreation and Development.

### Amendment

Amend the subdivision heading preceding RSA 310-A:118 as inserted by section 5 of the bill by replacing it with the following:

#### Certifying Wetland Scientists.

Amend RSA 310-A:118, I and II as inserted by section 5 of the bill by replacing them with the following:

I. One or more wetland scientists from practicing wetland science through a sole proprietorship, partnership or corporation. For any such entity engaged in the practice of wetland science, at least one partner, officer or employee shall be a certified wetland scientist, and all descriptions, classifications, evaluations or delineations shall be stamped and co-signed by that certified wetland scientist, who shall be responsible for the accuracy of the information.

II. The practice of wetland science by a nonresident not having an established place of business in this state when such practice does not exceed, in the aggregate, more than 30 working days in any calendar year, provided such person is legally qualified to practice in his own state or country in which the requirements and qualifications for obtaining licensure or certification are not lower than those specified in this subdivision. If no standards for practicing wetland science exist in his own state or country, the practitioner must possess the qualifications as outlined in RSA 310-A:126. Practice for any portion of a day shall be deemed to constitute practice for an entire day.

Amend RSA 310-A:119, II and III as inserted by section 5 of the bill by replacing them with the following:

II. "Certified wetland scientist" means any individual who has been certified by the board, and who, by reason of his multidisciplinary expertise in wetland science, is qualified to practice wetland science.

III. "Multidisciplinary expertise in wetland science" means experience, or a combination of experience, education, and training in multiple scientific disciplines, including but not limited to botany, hydrology, pedology, ecology, biology and geology, and an understanding of the inter-relationships of these disciplines to the function and development of wetlands.

Amend RSA 310-A:120-122 as inserted by section 5 of the bill by replacing them with the following:

310-A:120 Certification. Any person, except as specifically exempted in RSA 310-A:118, who offers to practice wetland science for the general public in this state shall be certified in the practice of wetland science and shall be subject to the provisions of this subdivision.

310-A:121 Professional Standards. Standards for the profession of wetland science shall be based on the following:

I. Classification of wetlands shall be based on the "Classification of Wetlands and Deepwater Habitats of the United States," 1979 or the latest edition, as published by the United States Department of the Interior, Fish and Wildlife Service, or the classification system adopted by the state wetlands board.

II. Delineation of wetland boundaries shall be based on the "Federal Manual for Identifying and Delineating Jurisdictional Wetlands," 1989 or the latest edition, as prepared by the federal Interagency Committee for Wetland Delineation, and standards adopted by the state wetlands board.

III. Evaluation of wetland function and value shall be based on nationally or regionally accepted functional assessment methods accepted by the board and methods adopted by the state wetlands board.

310-A:122 Reciprocity. Any nonresident of this state who is licensed or certified as a wetland scientist nationally or in another state may be certified under this subdivision by filing an application with the board accompanied by a copy of his license or certification in such other state, and by paying a fee to the board, provided the applicant's qualifications meet the requirements of this subdivision and the rules adopted by the board.

Amend RSA 310-A:123, II as inserted by section 5 of the bill by replacing it with the following:

II. Each member of the board shall be a United States citizen and shall have been a resident of the state for at least 3 years immediately prior to appointment. Each of the appointed wetland scientist members shall have practiced wetland science for at least 2 years prior to appointment and shall have held a wetland scientist position for at least 2 years prior to appointment.

Amend RSA 310-A:125 as inserted by section 5 of the bill by replacing it with the following:

310-A:125 Additional Powers. The board shall have the power to subpoena witnesses and compel, by subpoena duces tecum, the production of books, papers and documents in a case involving the revocation or suspension of certification. Any member of the board may administer oaths or affirmations to witnesses appearing before the board. Such subpoenas issued by any member of the board or by any justice of the peace shall have the same effect as though issued for appearance before the superior court.

Amend RSA 310-A:126, II(d) as inserted by section 5 of the bill by replacing it with the following:

(d) Teaching wetland delineation, wetland classification and wetland evaluation courses at an accredited college, university, or institution shall be considered as experience in the practice of wetland science.

Amend RSA 310-A:127 as inserted by section 5 of the bill by replacing it with the following:

310-A:127 Waiver of Examination or Educational Requirements. From January 1, 1992, to December 31, 1992, any person who has engaged in the delineation of wetlands, as defined in this subdivision, for at least 2 years prior to December 31, 1992, may apply to the board for certification. Such applicants may be certified as follows:

I. Any applicant who meets the educational requirements under RSA 310-A:126, I(a), (b) or (c), and who can demonstrate a proficiency in the classification and evaluation of wetlands, as defined in this subdivision, shall be approved for certification by the board without examination. Proficiency shall be demonstrated through experience, as required under RSA 310-A:126, II(a), (b), (d), or (e), or by the successful completion of training through courses or seminars approved by the board.

II. Any applicant who does not meet the educational requirements under RSA 310-A:126, I(a), (b) or (c) shall be approved by the board after having successfully passed an examination designed to determine proficiency and qualifications to engage in the practice of wetland science.

Amend RSA 310-A:128, III as inserted by section 5 of the bill by replacing it with the following:

III. Failure to remit the biennial renewal fee when due or provide sufficient documentation of continuing work or education in wetland science shall automatically cancel the certification. If properly renewed, a certification shall remain in effect continuously from the date of issuance, unless suspended or revoked by the board for just cause. A person whose certification is cancelled for such failure may reinstate his certification by paying, within one year of cancellation, all fees due, plus a late fee as established by the board under rules adopted pursuant to RSA 541-A and sufficient documentation of continuing work or education in wetland science.

Amend RSA 310-A:129 and 310-A:130 as inserted by section 5 of the bill by replacing them with the following:

310-A:129 Disciplinary Action.

I. The board may undertake disciplinary proceedings:

(a) Upon its own initiative; or

(b) Upon written complaint of any person which charges that a person certified by the board has committed misconduct under paragraph II, and which specifies with sufficient documentation the ground for such complaint.

II. Misconduct sufficient to support disciplinary proceedings under this section shall include:

(a) The practice of fraud or deceit in procuring or attempting to procure a certification to practice under this subdivision.

(b) Any unprofessional conduct, or dishonorable conduct unworthy of, and affecting the practice of wetland science.

(c) Unfitness or incompetency by reason of negligent habits or other causes; or negligent or willful acts performed in a manner inconsistent with the interest of persons relying on the professional expertise of the certified wetland scientist.

(d) The use of alcohol or other habit forming drugs in a manner which has rendered the person unfit to practice under this subdivision.

(e) Mental or physical incompetency to practice under this subdivision.

(f) Willful or repeated violation of the provisions of this subdivision.

(g) Suspension or revocation of a certification, similar to the one which was not reinstated.

III. The board may take disciplinary action in one or more of the following ways and notice of such action shall be provided to newspapers of general circulation in the area in which the certified person practices:

(a) By reprimand.

(b) By suspension, limitation, or restriction of certification for a period of up to 5 years.

(c) By revocation of certification.

(d) By requiring the person to participate in a program of continuing education in the area or areas in which he has been found deficient.

310-A:130 Hearings. The board shall take no disciplinary action without a hearing. At least 14 days prior to a hearing, all parties to a disciplinary proceeding shall be served, either personally or by registered mail, with a written copy of the complaint filed and notice of the time and place for hearing. All complaints shall be objectively received and fairly heard by the board, but no complaint shall be acted upon unless in writing. A hearing shall be held on all written complaints received by the board within

3 months of the date of notice of a complaint received by the accused, unless otherwise agreed to by the parties. Written notice of all disciplinary decisions made by the board shall be given to both parties to the proceeding upon their issuance. Orders of the board shall be subject to rehearing and appeal in the manner prescribed by RSA 541.

Amend RSA 310-A:131 and 310-A:132 as inserted by section 5 of the bill by replacing them with the following:

**310-A:131 Violations; Penalty.**

I. Any person shall be guilty of a misdemeanor if a natural person, or guilty of a felony in any other person who:

- (a) Holds himself out or represents himself to be a certified wetland scientist.
- (b) Practices or offers to practice wetland science in this state for others without certification pursuant to this subdivision.
- (c) Represents or attempts to use the certification or seal of another.
- (d) Gives any false or forged evidence of any kind to the board or to any board member in obtaining or attempting to obtain a certification.
- (e) Falsely impersonates any other certified wetland scientist.
- (f) Attempts to use an expired or nonexistent or revoked certification or authorization.
- (g) Violates any of the provisions of this subdivision.

II. Notwithstanding paragraph I, no person shall have been found to be in violation of this subdivision for 180 days from the effective date of this subdivision.

Amend the bill by replacing section 6 with the following:

**6 Original Appointments to Board.**

I. The original wetland scientist members of the board shall be persons who have practiced wetland science for at least 3 years prior to the effective date of this act.

II. Of the original appointments made under RSA 310-A:123, I as inserted by section 5 of this act, one wetland scientist and the public member shall be appointed to one-year terms, one wetland scientist shall be appointed to a 2-year term and 2 wetland scientists shall be appointed to 3-year terms.

Referred to Executive Departments and Administration

**HB 458**, relative to the composition of the wetlands board. **OUGHT TO PASS WITH AMENDMENT.**

Present law requires that the three Wetlands Board members appointed pursuant to RSA 482-A:51(i) be members of the New Hampshire Association of Conservation Districts, the New Hampshire Association of Conservation Commissions, and the New Hampshire Municipal Association. HB 458 would further provide that each of these members be chosen from a list of three nominees submitted by the specified associations. The bill is intended to clarify legislative intent regarding the three specified members and not to alter the overall composition of the Board. Vote 12-1. Rep. Carol M. Stamatakis for Resources, Recreation and Development.

**Amendment**

Amend RSA 482-A:5, I(i) as inserted by section 1 of the bill by replacing it with the following:

(i) Three members of the public appointed by the governor and council for a term of 3 years or until a successor is chosen. One of these shall be a member of a municipal conservation commission at the time of appointment, *and be one of 3*

*nominees submitted by the New Hampshire Association of Conservation Commissioners; one shall be a [member] supervisor, associate supervisor, former associate supervisor or former supervisor, of a [soil or water] conservation district at the time of appointment, and be one of 3 nominees submitted by the New Hampshire Association of Conservation Districts; and one shall be an elected municipal official at the time of appointment, and be one of 3 nominees submitted by the New Hampshire Municipal Association.* The 3 members appointed under this subparagraph shall be entitled to expenses as may be authorized by the governor and council.

#### AMENDED ANALYSIS

This bill clarifies the composition of the wetlands boards and specifies the criteria for the nominees.

**HB 155**, relative to notice to tenants of manufactured housing park foreclosure. RE-REFER TO COMMITTEE.

This bill has outstanding possibilities, however, it does need more intensive in-depth study by the entire Committee or at the very least, a rather large subcommittee. A Subcommittee did work on the bill, but after its report to the full Committee, other undiscovered concerns were brought forth and it is now strongly felt more study must be put forth for a good bill to come before the Legislature. Vote 13-0. Rep. Lowell D. Apple for State Institutions and Housing.

**HB 207**, relative to permitting housing discounts to senior citizens. INEXPEDIENT TO LEGISLATE.

This bill would shift the cost to the younger residents. Vote 13-0. Rep. Leon Calawa, Jr. for State Institutions and Housing.

**HB 596-FN**, relative to manufactured housing park rules and penalties for violation of certain conditions in manufactured housing parks. INEXPEDIENT TO LEGISLATE.

The Committee felt that the bill did not serve the purpose that the sponsor intended. Vote 14-0. Rep. Scott E. Green for State Institutions and Housing.

**HB 659-FN**, relative to legal representation in eviction proceedings. OUGHT TO PASS WITH AMENDMENT.

House Bill 659, as amended, makes clear by law to all district courts of our state who now believe because of one specific court ruling that lawyers must represent legal entities in simple litigation such as eviction proceedings. It is simply a hardship on property owners who must pass these extraordinary expenses on to tenants. Vote 14-0. Rep. Scott E. Green for State Institutions and Housing.

#### Amendment

Amend RSA 540:12-a as inserted by section 1 of the bill by replacing it with the following:

540:12-a Legal Representation. Notwithstanding any law or rule to the contrary, any legal entity which is also a lessor or owner of real property may appoint an officer, an employee, or an agent of such legal entity to represent it in eviction proceedings before the district court. For purposes of this section, "legal entity" means a corporation, a partnership, a real estate agency or any other person not a natural person.

## AMENDED ANALYSIS

This bill authorizes a legal entity which is also a lessor or owner of real property to appoint an officer, an employee, or an agent of such entity to represent it in eviction proceedings before the district court.

**HB 778-FN**, relative to the laws against discrimination. RE-REFER TO COMMITTEE.

The sponsor, in his testimony, requested that the bill be re-referred to the Committee for further study. Vote 13-0. Rep. Lowell D. Apple for State Institutions and Housing.

**HB 312-FN**, relative to the bequest of unique numbered license plates. INEXPEDIENT TO LEGISLATE.

This bill would have authorized any person who has been issued vanity or low-numbered motor vehicle plates to bequest such plates to his lineal descendants. Since the plates are not the property of the person registering the vehicle, they may not legally be bequeathed. Vote 12-3. Rep. Roger D. Stewart for Transportation.

**HB 373-FN**, relative to agricultural and farm motor vehicle license plates. OUGHT TO PASS WITH AMENDMENT.

This bill clarifies and legalizes conditions permitting a truck, tractor-truck or tractor registered as a farm motor vehicle to transport or tow an instrument of husbandry. Vote 16-0. Rep. Roger D. Stewart for Transportation.

## Amendment

Amend the bill by replacing section 1 with the following:

1 New Subparagraph; Towing Implement Added. Amend RSA 261:82, I by inserting after subparagraph (d) the following new subparagraph:

(e) Hauling or towing implements of husbandry.

Amend the bill by replacing section 3 with the following:

3 Towing Implement Permitted. Amend RSA 261:84, I to read as follows:

I. A truck, tractor truck, or semi-trailer shall qualify for farm registration rates and number plates and shall be driven with such registration only if such vehicle is used solely for the transportation of agricultural products produced on and meant to be used in connection with the operation of a farm or farms owned, operated, or occupied by the registrant[, and]. *Additionally, any vehicle which qualifies for farm plates may transport or tow an implement of husbandry. A vehicle which qualifies for farm registration and number plates shall not be used for the transportation of wood and lumber for sale other than from such farms on which the production of wood and lumber is incidental to other farm operations, nor shall such trucks be used for the retail delivery of milk.*

## AMENDED ANALYSIS

This bill authorizes the division of motor vehicles to issue farm motor vehicle registration plates where a truck, tractor-truck or tractor shall transport or tow an instrument of husbandry. The bill also provides for the reference of trucks, tractor-trucks, or tractors within the agricultural vehicle registration application form.

**HB 405**, relative to using motor vehicle headlights in inclement weather. **INEXPEDIENT TO LEGISLATE.**

The Committee does not believe that this bill, concerning the use of vehicle headlights in inclement weather is necessary. Most operators of motor vehicles comply with this act. Vote 17-0. Rep. Francis X. Donovan for Transportation.

**HB 555**, limiting horsepower on Big Pea Porridge Pond. **OUGHT TO PASS.**

This bill will change RSA 270:93 to the original language of RSA 486:26, approved May 5, 1986 as part of Chapter 54 (HB 357). Twenty people appeared in favor, no one in opposition. Vote 13-0. Rep. Gordon E. Bartlett for Transportation.

### REGULAR CALENDAR

**HB 139-FN**, relative to fair credit billing. **OUGHT TO PASS.**

House Bill 139, dealing with fair credit billing, was reworked in interim study. The Banking Commissioner needs this bill to be in step with federal laws. Vote 13-1. Rep. C. Dana Christy for Commerce, Small Business and Consumer Affairs.

Adopted.

Ordered to third reading.

**HB 456**, prohibiting bear baiting. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

**MAJORITY:** The Committee found that restrictions worked out with the New Hampshire Fish and Game Department, wildlife and sportsmen's groups are preferable to the outright banning of this method of hunting. Vote 12-4. Rep. Richard W. Lougee for the Majority of Fish and Game.

**MINORITY:** Because of constituency demands for legislation against this unethical method of killing bears, and their disbelief that baiting is a legal method of hunting, this bill should be passed to protect the image and integrity of the sport of hunting. Rep. Herbert R. Drake for the Minority of Fish and Game.

Rep. Drake moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke to his motion.

Rep. Felch spoke against.

**(Deputy Speaker Michael Hill in the Chair)**

Reps. Stacey Cole and Allen Wiggin spoke in favor.

Rep. Theriault spoke against and yielded to questions.

Reps. Lewis and Robert Foster spoke in favor.

Rep. Lougee spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion was adopted.  
Ordered to third reading.

Schotanus, Merle W.

Stamatakis, Carol M.

**HB 650-FN**, prohibiting advertising of tobacco products on billboards and signs.  
**INEXPEDIENT TO LEGISLATE.**

Billboard advertising in this state is legal. Sale of tobacco in this state is legal. Passage of HB 650, therefore, would ban legal advertising of a legal product. The Committee believes this would be unfair and perhaps illegal. The sponsors' goals

would be met better by making highway billboards, or sale of tobacco products, illegal across the board. Vote 12-2. Rep. Robert A. Lockwood for Judiciary.

Adopted.

**HB 766-FN**, requiring parental consent before certain procedures may be performed on minors. **INEXPEDIENT TO LEGISLATE**.

The sponsor's initial testimony indicated that he wanted to prevent minors from receiving tattoos, cosmetic surgery and ear piercing without parental permission. The Committee determined that the bill, as written, would make it a felony offense for any health care provider to provide any medical, dental, psychological service to minors without prior written parental consent. Vote 15-1. Rep. Robert A. Lockwood for Judiciary.

Rep. Thomas Christie moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate, spoke to his motion and yielded to questions.

Reps. Katherine Wheeler and Burling spoke against and yielded to questions.

Rep. Nielsen spoke in favor.

Rep. Record spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.  
 Report adopted.

**HR 10**, on petition objecting to the seating of Mr. Lowell D. Apple, Representative-elect of Hooksett, New Hampshire.

The House of Representatives has received a complaint from Richard Marple alleging that a Republican candidate for the House of Representatives counted Democratic ballots in the primary and became the winner of the Democratic nomination by write-in vote. He further alleges that this candidate should have been disqualified as both a Republican and Democratic candidate for the seat.

This complaint had been previously filed with the Ballot Law Commission which ordered, after a hearing, that the candidate was disqualified from appearing on the Democratic side of the ballot in the general election. This Committee has reviewed the allegations and materials submitted in this matter. There are no disputed facts.

The Committee concludes that the findings and remedy ordered by the Ballot Law Commission were consistent with the law and, therefore, recommends that no further action be taken with respect to the Republican candidate. The Committee is concerned, however, that the evidence submitted indicates that moderators may not be thoroughly familiar with the Election Laws which it is their duty to oversee.

The Committee strongly urges the Secretary of State to take any additional steps necessary to insure that moderators are fully informed of all provisions of the Election Laws. Vote 12-0. Rep. Ann M. Torr for Legislative Administration.

Petition denied.

**HR 12**, petition contesting the seating of representative Gregory Janas of Manchester, New Hampshire.

Adoption of this resolution proposed by the Committee is the next step needed in order to fill the vacant House seat in Hillsborough, District 39. The vacancy is a result of the Ballot Law Commission declaring the election for that seat to be a tie and the subsequent resignation of Rep. Janas, which was accepted with respect. The language of the resolution is based on precedents set in two prior elections. This resolution has the unanimous support of both the Elections Subcommittee and the full Legislative Administration Committee. Rep. Susan S. Spear for Legislative Administration.

Petition accepted.

Offered by the Committee on Legislative Administration.

**HR 17**, calling for a special run-off election for representative to the general court between Norma Champagne and Gregory Janas.

Whereas, the general election in Hillsborough county district 39 has ultimately resulted in a tie between Norma Champagne and Gregory Janas; and

Whereas, this house has both the constitutional authority to settle this matter by voting to seat one of these candidates and a great and honorable tradition of endorsing the concept of home rule; and

Whereas, we believe that the voters of that district have already indicated by their close vote that they wish to be represented in the general court by one of these individuals; now, therefore be it

Resolved by the House of Representatives:

That this seat be declared vacant and the election be returned to the voters of Hillsborough county district 39 as legally constituted as of November 6, 1990, to uphold the principle of one person, one vote; and

That, if the city of Manchester chooses to hold a special election to determine its choice for representative to the general court, the house of representatives orders that the ballots used in that run-off election contain only the names of Norma Champagne and Gregory Janas with no blank appearing; and

That the clerk of the house transmit a copy of this resolution to the secretary of state, Norma Champagne and Gregory Janas; and

That all communications to the Clerk of the House from the parties at interest in this matter be entered in the House Journal.

Adopted.

(Petition printed in House Journal No. 4, February 5, 1991)

(Letter of Resignation printed in House Journal No. 6, March 6, 1991)

**HB 369-FN**, to establish a state veterans cemetery. **INEXPEDIENT TO LEGISLATE**.

A Subcommittee, after an extensive on-site visit to the Laconia State School, determined that this was not a suitable location for a military cemetery. There was no one area which was of sufficient acreage to accommodate a cemetery according to federal size specifications; to have a burial ground divided by access roads to a state prison and to a state park, both which would have heavy traffic, would be unacceptable from an aesthetic standpoint, and for the privacy associated with a cemetery. Additionally, there is acreage in the proposed cemetery area which has ledge and marsh, which makes those areas unsuitable for in-ground interment. Vote 10-1. Rep. Dennis H. Fields for Public Protection and Veterans Affairs.

Adopted.

**HB 684-FN-A**, regarding the committee to study conservation and preservation of state historic flags and making an appropriation therefor. **OUGHT TO PASS WITH AMENDMENT.**

This legislation expands the membership, the duties and the goals of the committee established in 1990, to oversee the conservation of the historic Civil War banners and guidons currently maintained in the Hall of Flags. Among the newly-established members is a person who has "Civil War expertise" which could lead to the appointment of Kenneth Burns, the filmmaker, by the Governor. The appropriation of \$1 is made for the purpose of having a base for possible future appropriations, donations, grants, etc., such funds to be held by the Treasurer of New Hampshire and expended at the direction of the elected officers of the Committee. Vote 8-2. Rep. Leroy C. Thayer for Public Protection and Veterans Affairs.

#### Amendment

Amend the bill by replacing sections 2-3 with the following:

2 Committee Increased. Amend 1990, 34:2. I is repealed and reenacted to read as follows:

I. There is hereby established a committee to conduct a study regarding restoration, conservation, and preservation of the flags for display in the hall of flags in the state house and to hire necessary personnel to commence the conservation project. The members of the committee shall be the following:

(a) Two members of the house of representatives, appointed by the speaker of the house.

(b) Two members of the senate, appointed by the senate president.

(c) The governor or designee.

(d) The secretary of state or designee.

(e) The adjutant general or designee.

(f) The commissioner of the department of cultural affairs or designee.

(g) The chairman of the joint legislative historical committee or designee.

(h) The state curator.

(i) The president of the New Hampshire Veterans' Association or designee.

(j) Three residents from the state of New Hampshire to be appointed by the governor, one having expertise in New Hampshire military history; one having expertise in Civil War history; and one having expertise in textiles.

3 Committee Duties. 1990, 34:3 is repealed and reenacted to read as follows:

34:3 Duties.

I. The primary duty of the committee shall be to conduct a study, make recommendations, hire conservation personnel, and commence conservation and preservation of the flags displayed in the hall of flags of the state house and any other historic flags which the state may own or receive. The committee shall elect its own chairman, vice-chairman, and secretary from among its members. The committee's duties shall include, but not be limited to, conducting a study and preparing a report including an evaluation of different conservation options, a professional condition report and options for conservation of individual items in the collection, and recommendations regarding display and storage of the collection. The committee shall:

(a) Establish project schedules and timetables, project expenses including an estimate of total conservation, display, interpretation, and continuing management costs, and propose a budget for the recommended expenses.

(b) Establish specific conservation measures.  
 (c) Obtain a professional condition report and photograph of each item in the collection.

(d) Establish a plan for continuing management and conservation.

II. The chairman, with the consent of the committee, is authorized to hire consultants as required, subject to budgetary limitations.

III. The chairman, with the consent of the committee, is authorized to hire a professional textile conservator or other suitable professional to commence the conservation work within budgetary limitations under the supervision and direction of the state curator.

IV. Notwithstanding any other provision of law, the committee is authorized to receive gifts, grants or donations of any kind made for the conservation, preservation, interpretation display and continuing management of the flag collection. All monetary grants, gifts, or donations shall be deposited in a special fund so designated and on deposit with the state treasurer and shall be administered by the elected officers of the committee. Interest earned by this fund shall become part of the fund and not returned to the general fund.

Amend the bill by inserting after section 4 the following and renumbering the original sections 5 and 6 to read as 6 and 7, respectively:

5 Compensation. The members of the committee shall serve without compensation, except that the legislative members shall receive mileage at the legislative rate when attending to the duties of the committee.

#### AMENDED ANALYSIS

This bill:

(a) Replaces certain references to the restoration and preservation of historic flags with the term conservation.

(b) Increases the committee membership by 8 members, including, among others, the governor and the commissioner of the department of cultural affairs.

(c) Permits interest earned on the special fund to remain in the special fund rather than be transferred to the general fund.

(d) Extends the date for the committee to file a report on its findings with the governor and legislative leadership from 1990 to 1991.

(e) Makes an appropriation to the committee.

Adopted.

Report adopted.

Ordered to third reading.

**HB 241**, relative to the age requirement for retirement communities. **OUGHT TO PASS WITH AMENDMENT.**

Passage of HB 241 brings New Hampshire into compliance with the provisions of the Fair Housing Amendments Act of 1988 by incorporating into this statute. Vote 13-1. Rep. John J. McCarthy for State Institutions and Housing.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Age Change for Retirement Communities. Amend RSA 354-A:8, V-b (d) to read as follows:

(d) For the purpose of the age discrimination provision only, to the sale or rental of dwellings, the sale or rental of which is pursuant to a plan for retirement or

similar community or establishment limited to [persons over a certain age, not less than 45 years] *at least one person 55 years of age or older per unit.*

2 Rules Regarding Occupancy Restrictions. Amend RSA 205-A:2, II(d) to read as follows:

(d) For a period of 3 years after the implementation of a rule restricting occupancy, refuse to approve the on-site sale of manufactured housing to any person on the basis of age or family status unless such a restriction on occupancy was included in the rules or lease or rental agreement at the time the seller commenced his tenancy in the park. *However, if the park owner or operator implements a rule in order to qualify, under the Fair Housing Amendments Act of 1988, as a provider of housing for older persons, the period shall be 180 days instead of 3 years.*

3 Applicability. Persons who are currently residing in retirement or similar communities pursuant to RSA 354-A:8, V-b(d) prior to the effective date of this act who are between the ages of 45 years and 55 years may continue to reside in such retirement or similar community after the effective date of this act.

4 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill changes the age requirement for retirement communities from 45 to 55 years of age and provides that only 1-person per unit has to be 55 years of age or older in compliance with federal law.

The bill also changes time period for certain rules regarding occupancy restriction. Adopted.

Report adopted.

Ordered to third reading.

**HB 374-FN**, relative to flammability testing of seating furniture manufactured for public buildings. INEXPEDIENT TO LEGISLATE.

The Committee felt that though this bill was amiable and well-intended, it lacked specificity. As proposed, this bill would prohibit institutions and several agencies from receiving furniture as gifts which do not comply with the proposed legislation. It could further prohibit societies, etc. from purchasing or accepting antiques for public use or display. Vote 11-2. Rep. Patricia A. Dowling for State Institutions and Housing.

Adopted.

**HB 437-FN**, regarding the application of pesticides by landlords. INEXPEDIENT TO LEGISLATE.

This bill needs more work and is not needed at this time. The fiscal impact was greater than what was reported regarding the spraying of pesticides. Vote 12-1. Rep. Richard F. Doucette for State Institutions and Housing.

Adopted.

**HB 581**, relative to eviction of a tenant for nonpayment of rent. OUGHT TO PASS WITH AMENDMENT.

House Bill 581, as amended, clarifies the existing statute. There is presently no determined time in the law; it is left to a judge's discretion. This is very confusing to both property owners and tenants. The bill, also clarifies the property owner's responsibility and the limits thereof. Vote 12-2. Rep. Robert O. Ouellette for State Institutions and Housing.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to personal property of tenants.

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Property of Tenant. Amend RSA 540 by inserting after section 14 the following new section:

540:14-a Property of Tenant. A landlord shall maintain and exercise reasonable care in the storage of the personal property of a tenant who has either been evicted or has vacated the premises, for a period of 45 days after the date upon which such tenant was evicted or vacated. After the 45-day limit has expired such personal property may be disposed of by the landlord. Failure to comply with this section shall constitute a violation of RSA 358-A:2.

2 New Paragraph; Unfair Practice for Violation. Amend RSA 358-A:2, XI and XII to read as follows:

XI. Making false or misleading statements of fact concerning the reasons for, existence of, or amounts of price reductions; [or]

XII. Conducting going out of business sales other than the name implies, or which last more than 60 days, or which are held more than once every 2 years by the same owner of the business[.]; *or*

*XIII. Failing to store personal property of a tenant as provided in RSA 540:14-a.*

3 Effective Date. This act shall take effect January 1, 1992.

**AMENDED ANALYSIS**

This bill provides that a landlord is only responsible for the personal property of a tenant who has been evicted or who has vacated the premises for 45 days after such eviction or vacating.

Adopted.

Report adopted.

Ordered to third reading.

**HB 629-FN**, establishing a task force on congregate housing. **OUGHT TO PASS WITH AMENDMENT.**

This bill is necessary to establish an instrument to allow the state to take advantage of federal monies for congregate housing. Vote 12-1. Rep. Scott E. Green for State Institutions and Housing.

**Amendment**

Amend paragraph I of section 2 of the bill by replacing it with the following:

I. There is established a task force to develop a strategy to allow New Hampshire citizens to benefit from the congregate provision of the Cranston-Gonzalez National Affordable Housing Act. The task force shall be composed by the following members:

(a) Two members of the house of representatives, one of whom shall be a member of the house state institutions and housing committee, appointed by the speaker of the house.

(b) Two members of the senate or designees, appointed by the president of the senate.

(c) The director, division of elderly and adult services, department of health and human services, or designee.

(d) The executive director, or designee, of the Manchester Housing Authority.

(e) Three members of the New Hampshire Association of Housing Authorities, appointed by the chairperson of such association.

(f) The regional director of the Farmers Home Administration or designee.

(g) The executive director of the New Hampshire housing finance authority or designee.

Adopted.

Report adopted.

Ordered to third reading.

**HB 242-FN**, relative to the powers of county conventions. **OUGHT TO PASS WITH AMENDMENT.**

Some powers of the county convention are more clearly defined. The bill amends RSA 23:7 to define county officers' compensation. RSA 24:14-a is amended to allow the county convention to initiate supplemental appropriations. RSA 28:3-a is a new section setting the rules for an annual audit. The amendment eliminates concerns expressed by county commissioners. Vote 17-0. Rep. Kenneth L. Weyler for Municipal and County Government.

#### **Amendment**

Amend the bill by deleting section 2 and renumbering sections 3-5 to read as 2, 3, 4, respectively.

#### **AMENDED ANALYSIS**

This bill:

(1) Expands the current definition of compensation of county officers to include bonuses, longevity pay, vacation pay and similar forms of compensation.

(2) Redefines responsibility for certain acts relating to county supplemental appropriations.

(3) Requires the county commissioners to annually have an audit conducted of the county books.

Adopted.

Report adopted.

Ordered to third reading.

#### **RESOLUTION**

Rep. Ann Torr offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, March 19, 1991 at 10:00 a.m.

Adopted.

#### **LATE SESSION**

##### **Third reading and final passage**

**HB 136-FN**, relative to current use assessments and the land use change tax.

**HB 250-FN**, relative to the board of nursing.

**HB 245**, prohibiting pre-season baiting.

**HCR 10**, requesting Congress to propose an amendment to the United States Constitution prohibiting unfunded federal mandates.

**HB 286-FN**, relative to the operation of powerboats on Long Pond in the town of Northwood.

**HB 620-FN**, relative to the transportation of alcohol in open containers.

**HB 289-FN**, relative to regulating commercial salt water fishing.

**HB 559-FN**, relative to commercial and recreational fisheries.

**HB 617-FN**, relative to fishing permits for certain head-injured persons.

**HB 256**, limiting liability of any person, firm or corporation which donates equipment or services to any postsecondary technical training program.

**HB 274-FN**, relative to sentencing to county correctional facilities.

**HB 278-FN**, relative to liability and indemnification of regional planning commissions.

**HB 356-FN**, relative to uniform penalties pertaining to farm products.

**HB 407**, relative to failure to report injuries resulting from criminal acts.

**HB 450**, relative to claims to dower and curtesy.

**HB 452-FN**, relative to solicitation of prostitutes.

**HB 481-FN**, allowing nursing home administrators to file for disposition of a deceased individual's estate.

**HB 486-FN**, relative to collection of forfeitures of recognizances by the division of motor vehicles.

**HB 656-FN**, relative to criminal mischief.

**HB 707-FN**, relative to contracts for services other than counsel.

**HB 715-FN**, relative to the right to jury trial in civil cases.

**HB 259**, permitting a municipal governing body to assign street numbers.

**HB 292-FN**, relative to the real estate tax lien process.

**HB 672-FN**, relative to standards for fire safety for community living facilities.

**HB 111**, relative to protective well radii.

**HB 458**, relative to the composition of the wetlands board.

**HB 659-FN**, relative to legal representation in eviction proceedings.

**HB 373-FN**, relative to agricultural and farm motor vehicle license plates.

**HB 555**, limiting horsepower on Big Pea Porridge Pond.

**HB 139-FN**, relative to fair credit billing.

**HB 456-FN**, prohibiting bear baiting.

**HB 684-FN-A**, regarding the committee to study conservation and preservation of state historic flags and making an appropriation therefor.

**HB 241**, relative to the age requirement for retirement communities.

**HB 581**, relative to personal property of tenants.

**HB 629-FN**, establishing a task force on congregate housing.

**HB 242-FN**, relative to the powers of county conventions.

Rep. Channing Brown moved that the House stand in recess for the purpose of introduction of bills and Enrolled Bills reports only.

Adopted.

The House recessed at 4:40 p.m.

RECESS

(Rep. William F. McCain in the Chair)

**RESOLUTION**

Their introduction having been approved by the Rules Committee; Rep. Krueger offered the following: **RESOLVED**, that in accordance with the list in the possession of the Clerk, House Bills numbered 25, 26 and 800 and House Concurrent Resolution numbered 12, shall be by this resolution read a first and second time by the therein listed titles, sent for printing, and referred to the therein designated committees.

Adopted.

**INTRODUCTION OF HOUSE BILLS, and HCR**

**First, second reading and referral**

**HB 25-A**, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 1992, and June 30, 1993. (Hager of Merrimack Dist. 21 - To Appropriations)

**HB 26-A**, relative to state revenues and expenditures for fiscal years 1992 and 1993. (Hager of Merrimack Dist. 21 - To Appropriations)

**HB 800-FN-A**, relative to the general revenues of the state. (Sytek of Rockingham Dist. 20 - To Ways and Means)

**HCR 12**, concerning the use of automatic dialing devices for telephone solicitation purposes. (Rosen of Belknap Dist. 9 - To Science, Technology and Energy)

**RECESS**

Rep. Michael Hill moved that the House adjourn.

Adopted.

**HOUSE JOURNAL No.12**

Tuesday, March 19, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairisto.

Almighty God, we thank You for bringing us through another week and into this new day with all its opportunities and challenges. Grant, we pray, that each member gathered here may speak with clarity to be understood, listen with patience to understand, and vote with care and wisdom, that the legislation passed here today may be the very best possible for all of New Hampshire's citizens. Amen.

Rep. Reidy led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Eunice Campbell, Ackerman, Feuerstein, Romeo Jean, Swope, Parr, Hurst, David Flanders, Lozeau, Anderson, Pelley, Hickey and Stacey Cole, the day, illness.

Reps. Mayhew, Drake, John Young, Wall, Jelley, Donald Messier, Connell, Cain, William McCann, Jr., Steiner, Ralph Torr, Martling and David Young (military service), the day important business.

Rep. Bernard, the day, death in the family.

Reps. Golden, Carter and Hambrick, the day, illness in the family.

**INTRODUCTION OF GUESTS**

Tracey E. and G. Peter Cowenhoven, daughter and son of Rep. Cowenhoven, Kenneth and Robert Fuld, husband and father-in-law of Rep. Amanda Merrill, Mrs. Niels Nielsen, David and Tom Nielsen, wife, son and grandson of Rep. Nielsen.

**SPECIAL ORDER**

Rep. Gross moved that the Consent Calendar be made a Special Order for 11:00 a.m., March 19 and spoke to her motion.

Adopted.

**COMMITTEE REPORTS****REGULAR CALENDAR**

**CACR 10**, relating to making the position of attorney general an elected position. Providing that the attorney general be elected for a term coterminous with that of the governor; and vacancies in the office of attorney general be filled by an interim successor appointed by the governor and council. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.**

**MAJORITY:** The majority of the Committee is opposed to making the position of Attorney General an elected one. If the position becomes an elected one, the office would be subject to a set of influences from political contributors that might jeopardize the impartiality and professionalism that exist under the present system. Currently, the Attorney General is appointed by the Governor and Council. The present system works well and this CACR would open up the question of electing other officials including the Secretary of State and State Treasurer. Vote 9-3. Rep. Calvin Warburton for Constitutional and Statutory Revision.

**MINORITY:** The State of New Hampshire has a grand democratic tradition. Its large volunteer Legislature represents a political commitment to the public which no other state can match. The voters should now be given the opportunity to decide

whether their Attorney General is elected or appointed. This resolution does not make the Attorney General's position elected, it gives the voters the choice. Forty-three states elect their Attorney General. Only a small number continue the practice of appointing their Attorney General. The minority of the Committee feels it is increasingly difficult for an appointed Attorney General to be directly accountable to the people, ahead of the demands of the Governor who appointed him/her. It is time we make it clear that the Attorney General is the people's lawyer, not just the Governor's political appointment. Reps. Charles J. Leclerc, H. Thayer Kingsbury and Gary R. Gilmore for the Minority of Constitutional and Statutory Revision.

Rep. Spear moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate..

Rep. Burling spoke in favor.

Rep. Holden spoke against.

On a division vote, 110 members having voted in the affirmative and 196 in the negative, the motion lost.

Report adopted.

Reps. John Flanders and Warburton notified the Clerk that they wished to be recorded in opposition to the substitute motion

Rep. Hoar notified the Clerk that he wished to be recorded in favor of CACR 10.

**HB 612-FN**, relative to relaying information on budgetary matters to parents of school children. **INEXPEDIENT TO LEGISLATE.**

This bill is intended to solve a problem that can best be worked out by the municipality involved. Each town or city should have a policy on children taking home notes that meets that community's needs, and each school a policy on notices to be taken home to parents. Vote 15-5. Rep. Robert M. Gilbreth for Education.

Rep. Domaingue spoke in favor and yielded to questions.

Adopted.

### **SPECIAL ORDER**

Rep. Donna Sytek moved that HB 114-FN, relative to the date for terminating the motor vehicle emissions inspection program, be made a Special Order for 1:30 p.m.

Adopted.

### **REGULAR CALENDAR (continued)**

**HB 549-FN**, relative to early retirement for group I members of the retirement system. **OUGHT TO PASS WITH AMENDMENT.**

State employee members of the Retirement System, Group I, may elect early retirement provided they are age 55 and have at least 25 years service with the state. The bill requires that employees must elect this option within 90 days following an executive order or legislative action terminating the employment of Group I employees. This act will automatically terminate June 30, 1993. Vote 12-3. Rep. Merton S. Dyer for Executive Departments and Administration.

### **Amendment**

Amend the title of the bill by replacing it with the following:

### **AN ACT**

relative to early retirement for state employee  
group I members of the retirement system.

Amend the bill by replacing all after the enacting clause with the following:

**I Early Retirement for State Employee Group I Members.**

I. The provisions of this act shall apply for a period beginning on July 1, 1991, and ending on June 30, 1993. The provisions of this act shall apply notwithstanding any provision of RSA 100-A:5, I(c) or any other provision of law to the contrary. The provisions of this act shall apply whenever, by executive order or legislative action, state economic conditions require terminating the employment of state employees who are members of group I of the New Hampshire retirement system. The provisions of this act shall be effective for a period of 90 days following the date on which the executive order is made or the legislative action is taken.

II. Whenever the provisions of paragraph I become applicable, any state employee who is a member of group I who meets the requirements of RSA 100-A:10, I(a), and who has attained the age of 55, but not the age of 60, and who has at least 25 years of creditable service, may elect to retire and have benefits commence immediately as an early service retirement allowance, upon written application to the board of trustees in which application the member shall state the time he desires to have benefits commence. The service retirement allowance shall be determined in accordance with RSA 100-A:5, I(b).

**2 Effective Date.** This act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill provides that whenever, by executive order or legislative action, state economic conditions require terminating the employment of state employees who are group I members, any such group I member who meets certain retirement requirements and who has attained the age of 55, but not the age of 60, and who has at least 25 years of creditable service, may elect to retire and have benefits commence immediately as an early service retirement allowance upon written application to the board of trustees during a period of 90 days following the executive order or legislative action.

The provisions of the bill apply for a period beginning on July 1, 1991, and ending on June 30, 1993.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 526-FN**, authorizing sentencing to extended terms of imprisonment by district court justices. RE-REFER TO COMMITTEE.

Although the sponsor has yet to have a chance to address the Committee it will allow him the opportunity during the re-referral period. There is an ad hoc committee looking at issues such as the bill presents. The subject matter needs to be addressed, but must be done carefully. Current time does not allow for this now. Vote 18-0. Rep. Donnalee M. Lozeau for Judiciary.

Re-referred to Committee.

**HB 169-FN**, relative to the disposition of revenues collected under the land use change tax. OUGHT TO PASS WITH AMENDMENT.

This bill originated through a problem Litchfield had in experiencing a large wind-fall revenue when a parcel of land came out of current use. In the past the Department of Revenue Administration has had total control over how this money was spent, but upon passage of HB 169, all towns, cities, and communities could use funds within

established limits. This is a major policy change and will allow tax rates to be more uniform in the future. Vote 16-0. Rep. Fredrik Peyron for Municipal and County Government.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Sections; Land Use Change Tax Fund. Amend RSA 79-A by inserting after section 25 the following new sections:

79-A:25-a Land Use Change Tax Fund.

I. Towns and cities may, pursuant to RSA 79-A:25-b, vote to place all revenues collected pursuant to this chapter in a land use change tax fund separate from the general fund. Except as provided in paragraph II, any surplus in such fund shall not be deemed part of the general fund accumulated surplus nor shall any surplus be expended for any purpose or transferred to any appropriation until such time as the legislative body votes to appropriate a specific amount of money from said fund for any purpose not prohibited by the laws or by the constitution of this state. Such an appropriation from the land use change tax fund may only be made at an annual meeting.

II. No land use change tax revenue collected under this chapter shall be recognized as general fund revenue for the fiscal year in which it is received, and in order to avoid accumulation of the fund balance any unappropriated amount remaining in the land use change tax fund at the conclusion of the fiscal year following the fiscal year in which the land use change tax revenue is received shall be recognized as general fund revenue in the following year.

III. Any land use change tax revenue collected pursuant to this chapter which is to be placed in a conservation fund in accordance with RSA 79-A:25. II, shall first be accounted for as revenue to the land use change tax fund before being transferred to the conservation fund at the time of collection.

79-A:25-b Procedure for Adoption.

I. Any town may adopt the provisions of RSA 79-A:25-a to place all revenues received pursuant to this chapter in a land use change tax fund separate from the general fund in the following manner:

(a) In a town, the question shall be placed on the warrant of a special or annual town meeting by the selectmen, or by petition under RSA 39:3, and shall be voted on by ballot. The question shall not be placed on the official ballot.

(b) The selectmen shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.

(c) The wording of the question shall be: "Shall we adopt the provisions of RSA 79-A:25-a to account for revenues received from the land use change tax in a fund separate from the general fund? Any surplus in said fund shall not be deemed part of the general fund accumulated surplus until the end of the fiscal year following receipt of the revenue, and until then shall be expended only after a vote of the legislative body to appropriate a specific amount from said fund for some lawful purpose."

II. If a majority of those voting on the question vote "Yes", RSA 79-A:25-a shall apply within the town in the tax year beginning on April following the vote.

III. If the question is not approved, the question may later be voted on according to the provisions of RSA 79-A:25-b, I.

IV.(a) Any town which has adopted RSA 79-A:25-a may consider rescinding its action in the manner prescribed in RSA-79-A:25-b, I(a) and (b). The wording of the question shall be the same as set out in RSA 79-A:25-b, I(c), except the word "adopt" shall be changed to "rescind."

(b) If a majority of those voting on the question vote "Yes", RSA 79-A:25-a shall not apply within the town. Any act to rescind the provisions of RSA 79-A:25-a shall not take effect before the tax year beginning April 1 following the vote.

V. The legislative body of any city may adopt the provisions of RSA 79-A:25-a in the same manner in which it adopts ordinances or by-laws, and may rescind its action in like manner.

2 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill allows a town or city to vote to place all the revenues collected under the land use change tax in a land use change tax fund. Revenue in the fund is separate from the town or city general fund, and the legislative body must vote to appropriate a specific amount of money from the land use change tax fund. The bill still permits revenues collected under the land use change tax to be placed in a conservation fund.

Adopted.

Report adopted.

Ordered to third reading.

**HB 305-FN**, relative to the meaning of the term "charitable" for purposes of real estate tax exemptions. **OUGHT TO PASS WITH AMENDMENT.**

This bill, as amended, solves a current problem for local assessing officials. The bill makes it clear that being non-profit by Internal Revenue Standards is not, in and of itself, reason to be considered charitable for property tax purposes. Vote 13-2, Rep. Karen O. Wadsworth for Municipal and County Government.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Meaning of Term "Charitable" for Purposes of Property Tax Exemption. Amend RSA 72:23 by inserting after paragraph VI the following new paragraph:

VII. For the purposes of this section, the term "charitable" shall have the meaning set forth in RSA 72:23-I.

2 Tax Exemption for Charitable Nonprofit Housing Projects. Amend the section heading of RSA 72:23-k to read as follows:

72:23-k **Charitable**, Nonprofit Housing Projects.

3 Property Tax Exemption Limited to Charitable Nonprofit Housing Projects. Amend RSA 72:23-k, I to read as follows:

I. The real estate and personal property of **charitable**, nonprofit community housing and community health care facilities for elderly and disabled persons, if none of the income or profits is used for any purpose other than community housing or community health care, shall be exempt from taxation. This exemption shall apply to housing and health care facilities situated within New Hampshire which are sponsored or owned by nonprofit, charitable corporations or organizations, located within or outside of the state, and to projects organized, operated, or assisted under state law or pursuant to rules and regulations of the United States Department of Housing and

Urban Development, the United States Department of Health and Human Services, or any successor agency. For the purposes of this section an elderly person is one who is 62 years or more of age. The age of the head of the family determines the eligibility of the family unit in the project. *For the purposes of this section, the term, "charitable" shall have the meaning set forth in RSA 72:23-l.*

4 New Section; Definition of Term "Charitable." Amend RSA 72 by inserting after section 23-k the following new section:

72:23-l Definition of Charitable. The term "charitable" as used to describe a corporation, society or other organization within the scope of this chapter, including RSA 72:23 and 72:23-k, shall mean a corporation, society or organization established and administered for the purpose of performing, and obligated, by its charter or otherwise, to perform some service of public good or welfare for the benefit of the general public, or a substantial and indefinite segment of the general public, with no pecuniary profit or benefit to its officers or members, or any restrictions which confine its benefits or services to such officers or members, or those of any related organization. The fact that an organization's activities are not conducted for profit shall not in itself be sufficient to render the organization "charitable" for purposes of this chapter, nor shall the organization's treatment under the United States Internal Revenue Code of 1986, as amended. This section is not intended to abrogate the meaning of "charitable" under the common law of New Hampshire.

5 Effective Date. This act shall take effect April 1, 1992.

#### AMENDED ANALYSIS

This bill defines the term "charitable" for purposes of determining whether the real estate and personal property of an organization shall be exempt from taxation.

The bill also amends the tax exemption for nonprofit housing projects to clarify that it refers only to nonprofit housing projects which are also charitable.

Rep. Wadsworth yielded to questions.

Adopted.

Report adopted.

Ordered to third reading.

Rep. Ann Torr moved that the question by Rep. Ann Torr and the answer by Rep. Wadsworth be printed in the permanent Journal.

Adopted.

Rep. Torr: Does this legislation adversely affect any of our New Hampshire nonprofit hospitals?

Rep. Wadsworth: It was not the intent of the Committee to alter the tax-exempt status of not-for-profit community hospitals. The amendment to the bill recognizes that these hospitals and some other organizations have their charitable purpose spelled out in a mission statement or statement of purpose in bylaws, rather than in their charters. Your hospital's status should not be affected.

**HB 386.** relative to a representative town meeting form of government. OUGHT TO PASS.

House Bill 386 adds another method of town government. There has been a law allowing this form of government in the past. It was removed from the statutes for no apparent reason. Vote 14-0. Rep. David M. Perry for Municipal and County Government.

Adopted.

Ordered to third reading.

**HB 391**, to permit the adoption of impact fees as part of a zoning ordinance.  
**OUGHT TO PASS.**

This bill authorizes a municipality to adopt an impact fee ordinance as part of its local zoning ordinance. Recent Supreme Court decisions have affirmed the right of cities and towns to assess fair and equitable impact fees for capital improvements which are necessitated by new development. The House has consistently supported such legislation. As in the past, the overwhelming majority of testimony on this bill was favorable. Vote 16-1. Rep. Karen O. Wadsworth for Municipal and County Government.

Rep. Baroody spoke against.

Rep. Wadsworth spoke in favor.

Rep. Grodin spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

The question being on the adoption of the Committee report.

Rep. Hawkins notified the Clerk that he inadvertently voted yea and wanted to abstain under Rule 16.

**HB 561**, enabling towns to limit reconsideration of town meeting votes. OUGHT TO PASS.

This bill permits the voters at town meeting to limit reconsiderations in order to provide that those who may not be present for the full meeting can be assured that reconsideration will not occur unless all are given an opportunity to participate. Vote 13-0. Rep. Paul A. Golden for Municipal and County Government.

Rep. Grodin yielded to questions.

Adopted.

Ordered to third reading.

### SPECIAL ORDERS

The hour being 11:00 a.m., the Speaker called for the Consent Calendar.

### CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the day's House Record be adopted.

**HB 303**, relative to instructions to voters on ballots, was removed at the request of Rep. Flanagan.

**HB 760**, requiring state universities and colleges to sell condoms on campus, was removed at the request of Rep. DePecol.

**HB 611-FN**, relative to plastic holding devices used in packaging, was removed at the request of Rep. Leonard Smith.

**HB 318-FN**, relative to town expenditures, was removed at the request of Rep. Ferguson.

**HB 759-FN**, relative to setting tax rates in municipalities based on the gross income of the residents, was removed at the request of Rep. Jacobson.

**HB 631**, relative to dimensions of front and rear motor vehicle bumpers, was removed at the request of Rep. Doucette  
Consent calendar adopted.

**HB 396**, relative to filing reports in court proceedings involving children. **OUGHT TO PASS WITH AMENDMENT.**

This bill requires that all reports, evaluations and other records from the Division for Children and Youth Services, counselors and guardians ad litem in proceedings involving delinquent children, child abuse and neglect, and children in need of services be filed with the court and all other parties at least five days prior to a hearing. Failure to comply with the filing requirements is not grounds for dismissal of the petition. Vote 15-0. Rep. Josephine Mayhew for Children, Youth and Juvenile Justice.

#### **Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Filing Reports. Amend RSA 169-B by inserting after section 5 the following new section:

169-B:5-a Filing Reports, Evaluations, and other Records. All reports, evaluations and other records from the division for children and youth services, counselors, and guardians ad litem in proceedings under this chapter shall be filed with the court and all other parties at least 5 days prior to any hearing. Once filed with the court and given to all other parties, the report, evaluation or other record need not be refiled during the proceeding. Failure to comply with the provisions of this section shall not be grounds for dismissal of the petition.

2 New Section; Filing Reports. Amend RSA 169-C by inserting after section 12-a the following new section:

169-C:12-b Filing Reports, Evaluations, and other Records. All reports, evaluations and other records from the division for children and youth services, counselors, and guardians ad litem in proceedings under this chapter shall be filed with the court and all other parties at least 5 days prior to any hearing. Once filed with the court and given to all other parties, the report, evaluation or other record need not be refiled during the proceeding. Failure to comply with the provisions of this section shall not be grounds for dismissal of the petition.

3 New Section; Filing Reports. Amend RSA 169-D by inserting after section 4 the following new section:

169-D:4-a Filing Reports, Evaluations, and other Records. All reports, evaluations and other records from the division for children and youth services, counselors, and guardians ad litem in proceedings under this chapter shall be filed with the court and all other parties at least 5 days prior to any hearing. Once filed with the court and given to all other parties, the report, evaluation or other record need not be refiled during the proceeding. Failure to comply with the provisions of this section shall not be grounds for dismissal of the petition.

4 Effective Date. This act shall take effect 60 days after its passage.

#### **AMENDED ANALYSIS**

This bill requires that all reports, evaluations and other records from the division for children and youth services, counselors and guardians ad litem in proceedings involving delinquent children, child abuse and neglect, and children in need of services be filed with the court and all other parties at least 5 days prior to a hearing. Failure to comply with the filing requirements is not grounds for dismissal of the petition.

**HB 406**, relative to modification of support orders. OUGHT TO PASS WITH AMENDMENT.

It is the intent of HB 406, as amended, to resolve inequities in child support orders for those parties who were divorced prior to the passage of child support guidelines in 1988. It calls for an effective date of 60 days after passage. Vote 15-0. Rep. Deborah L. Woods for Children, Youth and Juvenile Justice.

#### Amendment

Amend RSA 458:32-a as inserted by section 1 of the bill by replacing it with the following:

458:32-a Modification of Support Orders.

I. Upon petition by either party, the court shall, without the need to show a substantial change of circumstances, modify any support order issued prior to the effective date of RSA 458-C, and apply the support guidelines of RSA 458-C.

II. Upon petition by either party the court may modify or revise a support order issued after the effective date of RSA 458-C if there has been a substantial change in circumstances which warrants modification.

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect 60 days after its passage.

**HB 461-FN**, relative to notice for out of district placement by the court. OUGHT TO PASS.

The Department of Education has indicated that this bill will enable the Department to more accurately estimate its liability for court ordered placements for educationally handicapped children. The Administrative Office of the Courts indicated that this bill would merely require the court to notify the Department of Education for certain out of district placements. Vote 15-0. Rep. Josephine Mayhew for Children, Youth and Juvenile Justice.

**HB 567**, relative to step-parent's visitation rights. OUGHT TO PASS WITH AMENDMENT.

The Committee believes that parties to divorces ought to be awarded visitation privileges with their stepchildren, when it is in the best interest of the children. The bill also makes clear that there is no intent to prohibit an award of custody to step-parents or grandparents when in the best interest of the child. Vote 14-0. Rep. David R. Connell for Children, Youth and Juvenile Justice.

#### Amendment

Amend RSA 458:17, VI as inserted by section 1 of the bill by replacing it with the following:

VI. In making any order relative to such custody, the court shall not give any preference to either parent of the children because of the parent's sex. The court may take into consideration any preference shown by said children. If the court determines that it is in the best interest and welfare of the children, it shall in its decree grant reasonable visitation privileges *to a party who is a step-parent of the children or to the grandparents of the children pursuant to RSA 458:17-d. Nothing in this paragraph shall be construed to prohibit an award of custody to a step-parent or grandparent if the court determines that such an award is in the best interest of the child.*

**HB 283-FN**, establishing a legislative oversight committee on banking. **OUGHT TO PASS WITH AMENDMENT.**

The Legislature finds that there is a need to spend time examining the issues relating to banking and financial institutions in New Hampshire, and develop in an organized and thoughtful manner, legislation to address banking and financial institution issues as they arise during the next year. The Committee of three Representatives and three Senators will study: a.) changes at the federal level that require changes to New Hampshire law; b.) availability of credit to businesses in New Hampshire and impact on economic development in New Hampshire; and c.) impact on municipalities of banking problems in New Hampshire. Vote 17-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

establishing a study committee on the problems of  
New Hampshire banks and financial institutions.

Amend the bill by replacing all after the enacting clause with the following:

#### **1 Purpose and Intent.**

I. The legislature finds that there is a need to examine the issues relating to banking and financial institutions in New Hampshire.

II. The legislature further finds that there is a need to develop, in an organized and thoughtful manner, legislation to address banking and financial institution issues as they arise during the next year.

2 Committee Established. There is hereby established a committee to study the problems of New Hampshire banks and financial institutions. The committee shall consist of the following:

I. Three members of the senate banks committee appointed by the chairman.

II. Three members of the house commerce, small business and consumer affairs committee, appointed by the chairman.

3 Meetings. Appointments to the committee shall be made within 30 days of the effective date of this act. The committee shall hold its first meeting within 60 days of the effective date of this act, at which time the committee shall select a chairman from among its members.

4 Duties. The committee shall study issues facing New Hampshire's banks and financial institutions and make recommendations regarding any changes needed to existing state law. Areas to study include but are not limited to the following:

I. Changes at the federal level that require changes to New Hampshire law.

II. Availability of credit to businesses in New Hampshire and impact on economic development in New Hampshire.

III. Impact on municipalities of banking problems in New Hampshire.

5 Report. The committee shall make a report to the president of the senate, the speaker of the house, the chairperson of the senate banks committee, the chairperson of the house commerce, small business and consumer affairs committee, and the governor, including proposed legislation, no later than November 1, 1991.

6 Effective Date. This act shall take effect upon its passage.

## AMENDED ANALYSIS

This bill establishes a committee of legislators to study the problems facing New Hampshire banks and financial institutions.

**HB 307-FN**, establishing a committee to review New Hampshire's bankruptcy laws. **OUGHT TO PASS WITH AMENDMENT.**

This bill establishes a committee to review New Hampshire's bankruptcy laws. The amendment changes membership to three House members and three Senate members. The statute section dealing with goods and property exemptions was last changed early this century and needs revisions. Clearly, this statute needs to be worked on and revised. Vote 18-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

**Amendment**

Amend the bill by replacing section 1 with the following:

I Study Committee on Bankruptcy Laws Established. There is hereby established a committee to review the New Hampshire bankruptcy laws. The committee members shall consist of the following members:

I. Three members of the house commerce, small business and consumer affairs committee, appointed by the chairperson.

II. Three members of the senate banks committee, appointed by the chairperson.

Amend paragraph II of section 3 of the bill by replacing it with the following:

II. The committee shall report its findings and recommendations to the governor and his council, the senate president, and the speaker of the house on or before November 1, 1991.

## AMENDED ANALYSIS

This bill establishes a committee to review New Hampshire's bankruptcy laws. The committee shall report its findings and recommendations to the governor and council, the senate president and the speaker of the house on or before November 1, 1991.

**HB 309**, extending time limits within which condominium projects can be completed. **INEXPEDIENT TO LEGISLATE.**

This bill and language were used by the Senate as SB 143 and thus is not needed. Vote 18-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**HB 311-FN**, establishing an exemption from registration for securities listed on the National Association of Securities Dealers Automated Quotation National Market System or the Chicago Board Options Exchange. **OUGHT TO PASS WITH AMENDMENT.**

This bill integrates the Office of Security Regulation's policy regarding the National Association of Securities Dealers Automated Quotation National Market System so that it will be in line with 40 other states. It improves efficiency of regulation while maintaining safety to the public. Vote 18-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

confirming an exemption from registration for securities listed  
on the National Association of Securities Dealers  
Automated Quotation National Market System.

Amend the bill by replacing all after the enacting clause with the following:

1 Statement of Purpose. The legislature after deliberation finds that the National Association of Securities Dealers Automated Quotation National Market System (NASDAQ/NMS) listed securities are already exempt from registration pursuant to RSA 421-B:17, I(f), and confirms their exempt status while according the NASDAQ/NMS the express recognition accorded to certain exchanges now named in RSA 421-B:17, I(f), thereby making explicit what the legislature after deliberation finds to have been implicit in the statute.

2 Securities; Exemption from Registration. Amend RSA 421-B:17, I(f) to read as follows:

(f) Any security listed or approved for listing upon notice of issuance on the New York Stock Exchange, the American Stock Exchange, the Boston Stock Exchange, *the National Association of Securities Dealers Automated Quotation National Market System*, or the securities designated by the board of governors of the Federal Reserve system as "O.T.C. Margin Stocks," *if, in each case, quotations have been available and public trading has taken place for such class of security prior to the offer or sale of that security in reliance upon this exemption*; any other security of the same issuer which is of senior or substantially equal rank; any security called for by subscription rights or warrants so listed or approved; or any warrant or right to purchase or subscribe to any of the securities listed in this subparagraph; *provided that the director may withdraw this exemption if the director determines, with respect to any security or class of securities sought to be sold in reliance upon this exemption, that the listing requirements or standards have been so changed, or so insufficiently applied, that the protection of investors contemplated and relied upon by the legislature in granting this exemption is no longer afforded, or is substantially reduced.*

3 Effective Date. This act shall take effect 60 days after its passage.

**AMENDED ANALYSIS**

This bill explicitly exempts from registration securities listed on the National Association of Securities Dealers Automated Quotation National Market System. The director of the office of securities regulation may withdraw this exemption under certain circumstances.

This bill was requested by the office of securities regulation.

**HB 413-FN**, relative to penalties for insurance laws violations. OUGHT TO PASS.

This bill clarifies violations of insurance claims and standardizes penalties. Vote 14-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**HB 441**, relative to the uniform limited offering exemption from securities registration and filing requirements. OUGHT TO PASS.

This bill exempts from securities regulation limited offerings for offers and sales which meet certain standards for compatibility and uniformity with federal laws or

laws of other jurisdictions. The bill is supported by the Office of Securities Regulation. Vote 16-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

**HB 475-FN**, relative to appointment of banking department assistants, and to the performance of contract services by the banking department, and to assessing the costs of bank examinations. OUGHT TO PASS.

This bill clarifies current law regarding "Banking Department assistants." It grants authority to the Bank Commissioner to contract-out and contract-in bank examiner services. In addition, it adds cost of benefits to cost of salary to be reimbursed by the banking industry to the Banking Department. Vote 17-0. Rep. Anthony Syracuse for Commerce, Small Business and Consumer Affairs.

**HB 572**, relative to exclusions in automobile insurance. OUGHT TO PASS WITH AMENDMENT.

This bill brings Insurance Department regulations in line with civil court decisions relative to intra and inter coverage issues. Vote 16-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend RSA 264:15, I as inserted by section 2 of the bill by replacing it with the following:

I. No policy shall be issued under the provisions of RSA 264:14, with respect to a vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto at least in amounts or limits prescribed for bodily injury or death for a liability policy under this chapter, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or drivers of uninsured motor vehicles, and hit-and-run vehicles because of bodily injury, sickness or disease, including death resulting therefrom. When an insured elects to purchase liability insurance in an amount greater than the minimum coverage required by RSA 259:61, his uninsured motorist coverage shall automatically be equal to the liability coverage elected. *For the purposes of this paragraph umbrella or excess policies that provide excess limits to policies described in RSA 259:61, shall also provide uninsured motorist coverage equal to the limits of liability purchased, unless the named insured rejects such coverage.*

#### AMENDED ANALYSIS

This bill prohibits automobile insurers from including policy provisions which would preclude coverage for intra-family or inter-spousal claims.

The bill also requires that automobile insurance policies which provide excess limits also provide uninsured motorist coverage equal to the limits of liability purchased unless the named insured rejects such coverage.

**HB 584-FN**, relative to mandatory automobile insurance. RE-REFER TO COMMITTEE.

Two bills were heard before the Committee on this subject and it was felt that further study is needed to clearly understand the many ramifications of the issue. Vote 15-1. Rep. Richard L. Hill for Commerce, Small Business and Consumer Affairs.

**HB 644**, allowing banks to write insurance as an agent or broker of an insurance company in certain instances. INEXPEDIENT TO LEGISLATE.

The Committee could not justify the need for this legislation. This is not the time to allow financial institutions to acquire new product lines. Vote 16-0. Rep. Bonnie B. Packard for Commerce, Small Business and Consumer Affairs.

**HB 692-FN**, relative to reinsurance intermediaries. OUGHT TO PASS.

This bill allows the Insurance Department to license reinsurance intermediaries and establishes penalties for license violations. It is one of the bills needed for the Insurance Department to be certified by the National Association of Insurance Commissioners. The bill was requested by the Insurance Department. Vote 13-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

**HB 694-FN**, relative to mandatory automobile insurance. INEXPEDIENT TO LEGISLATE.

This was the second bill heard on this subject. The Committee felt that the issue would be studied under the HB 584 re-referral. Vote 16-0. Rep. Richard L. Hill for Commerce, Small Business and Consumer Affairs.

**HB 291-FN**, relative to amending the election laws. INEXPEDIENT TO LEGISLATE.

House Bill 291 would amend the Election Laws. The Committee will incorporate the subject matter in HB 754. Vote 14-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

**HB 398**, relative to determining qualifications of applicants to vote. OUGHT TO PASS WITH AMENDMENT.

House Bill 398, as amended, deletes a reference to RSA 654:12 in RSA 654:8 section I. RSA 654:12 was repealed during the 1990 legislative session. Vote 11-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

#### Amendment

Amend the bill by replacing section I with the following:

I Removing Reference to Determining Qualifications of Voter. Amend RSA 654:8 to read as follows:

654:8 Application to Town or City Clerk. Any person who has his domicile in any town or city in this state and whose name does not appear on the checklist of said town or city may apply to the town or city clerk for the purpose of having his name added thereto by filling out the form provided for in RSA 654:7. The office of the town or city clerk shall have the power to accept applications from such persons under the following conditions:

[I. The supervisors of the checklist shall determine the qualifications of voters as provided in RSA 654:12.

II]I. The supervisors of the checklist may issue guidelines to the town clerk for the taking of evidence of qualifications presented by applicants.

III]II. No application hereunder shall be accepted after the last meeting of the supervisors of the checklist before an election.

IV]III. Such application shall be made during the regular office hours of the town or city clerk.

## AMENDED ANALYSIS

This bill removes a reference to the authority of supervisors of the checklist to determine the qualifications of an applicant to vote. This authority was repealed during the 1990 legislative session.

**HB 422-FN**, relative to surplus campaign funds. RE-REFER TO COMMITTEE.

The Committee was concerned that after an election a candidate might retain a considerable amount of money and use those election funds for personal use. The Committee feels this subject merits further study. Vote 10-0. Rep. Ralph E. Shackett for Constitutional and Statutory Revision.

**HB 545**, reapportioning the executive council districts. RE-REFER TO COMMITTEE.

This bill establishes new councilor districts. The information needed is not currently available to the Committee. Vote 11-0. Rep. Calvin Warburton for Constitutional and Statutory Revision.

**HB 548**, relative to the information required on checklists. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, permits a voter to have his address and mailing address, if different, not to appear on the checklist if the voter presents to the supervisors of the checklist a valid protective order pursuant to RSA 173-B:4. Vote 11-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

## Amendment

Amend the bill by replacing section 1 with the following:

1 Information Required on Checklist. Amend RSA 654:25 to read as follows:

654:25 Preparing Checklist. The secretary of state shall issue and distribute guidelines for the composition and style of checklists and for the maintenance of data related to checklists by which the supervisors of the checklist shall compile and correct the checklist. Such guidelines shall specify the information which is to be maintained and updated by the supervisors. The secretary shall establish standard forms and procedures for the use of the supervisors for the maintenance of such information. The information to be maintained and updated shall include the full name, address and party affiliation, if any, of each voter on the checklist and such other information as the secretary requires. The supervisors shall use the information so maintained and updated to prepare the checklist for all state elections. Every checklist used at any state election shall contain as a minimum the full name, address, and mailing address if different, and party affiliation, if any, of each voter on the checklist. *The address and mailing address, if different, of a voter shall not appear on the checklist at the request of the voter if the voter presents to the supervisors of the checklist a valid protective order pursuant to RSA 173-B:4. A voter who presents a valid protective order may, however, request that a mailing address, if different, be maintained on the checklist. If a voter who presents a valid protective order requests that no address be maintained on the checklist, the supervisors of the checklist may nonetheless maintain a designation on the checklist which indicates that no address is required for that voter.*

## AMENDED ANALYSIS

This bill eliminates the requirement that checklists include the address of a voter, if the voter presents a valid protective order to the supervisors of the checklist.

**HB 569**, to reapportion county commissioner districts. RE-REFER TO COMMITTEE.

This bill establishes new county commissioner districts in accordance with the latest federal decennial census. The information needed is not currently available to the Committee. Vote 11-0. Rep. Calvin Warburton for Constitutional and Statutory Revision.

**HB 591**, reapportioning the state house of representatives districts. RE-REFER TO COMMITTEE.

This bill would establish new state house of representatives districts. The information needed to redistrict is not currently available to the Committee. Vote 11-0. Rep. Calvin Warburton for Constitutional and Statutory Revision.

**HB 621-FN**, relative to voting by absentee ballot. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, allows town and city clerks to accept absentee ballots in any state election no later than 3:00 p.m. the day of the election. Vote 10-0. Rep. Natalie S. Flanagan for Constitutional and Statutory Revision.

#### Amendment

Amend the bill by replacing section 4 with the following:

4 Time for Accepting Absentee Ballots. Amend RSA 657:22 to read as follows:

657:22 Cutoff. In any state election, a town or city clerk shall not accept any completed [armed services or federal overseas citizens] absentee ballots delivered to him by any means after [5:00] **3:00** p.m. on election day. [All other absentee ballots shall not be accepted after 5:00 p.m. on the day immediately prior to election day.] Ballots received after such [times] **time** shall be retained by the clerk unopened until the time set for the destruction of other state election ballots as provided in RSA 659:100 at which time the envelopes shall likewise be destroyed, unopened and unexamined.

#### AMENDED ANALYSIS

This bill allows a voter who may be absent or unable to vote in person on election day to vote by absentee ballot.

This bill also requires town and city clerks to accept all absentee ballots in any state election at the same time which shall be no later than 3:00 p.m. on election day.

**HB 673-FN**, reinstating the charter of Capital Leasing Company, Inc. OUGHT TO PASS WITH AMENDMENT.

This bill reinstates the Charter of Capitol Leasing Company retroactive to the time of its December 1, 1987, forfeiture. The amendment corrects a spelling error and reinstates the Charter of Hagen and Speziali, Inc., retroactive to its November 1, 1990 forfeiture. Vote 12-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

reinstating the charter of Capitol Leasing Company, Inc.  
and of Hagen and Speziali, Inc.

Amend the bill by replacing all after the enacting clause with the following:

1 Reinstatement of Capitol Leasing Company, Inc. The charter of Capitol Leasing Company, Inc., of Manchester, New Hampshire, incorporated on April 10, 1968, was forfeited on December 1, 1987, under RSA 293-A:95, I(a). Upon payment of any fees in arrears, a reinstatement fee of \$100, an application fee of \$35, the filing of any annual returns required by law, and upon obtaining a certificate of good standing from the New Hampshire department of revenue administration, Capitol Leasing Company, Inc. shall be reinstated for all purposes as a New Hampshire corporation, and this reinstatement shall be retroactive to December 1, 1987.

2 Reinstatement of Hagen and Speziali, Inc. The charter of Hagen and Speziali, Inc. of Salem, New Hampshire, incorporated on May 1, 1986, was forfeited on November 1, 1990, under RSA 293-A:95, I(a). Upon payment of any fees in arrears, a reinstatement fee of \$100, and application fee of \$35, the filing of any annual returns required by law, and upon obtaining a certificate of good standing from the New Hampshire department of revenue administration, Hagen and Speziali, Inc. shall be reinstated for all purposes as a New Hampshire corporation, and this reinstatement shall be retroactive to November 1, 1990.

3 Applicability. This act shall not be construed to influence any pending actions or otherwise affect any liabilities or interfere with any course of action against the corporations for the period during which their charters lapsed.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill reinstates, upon the satisfaction of certain conditions, the charter of Capitol Leasing Company, Inc., retroactive to the time of its December 1, 1987, forfeiture and the charter of Hagen and Speziali, Inc., retroactive to the time of its November 1, 1990, forfeiture.

**HB 738-FN**, relative to filling vacancies in certain offices. INEXPEDIENT TO LEGISLATE.

This bill would have added an alternate procedure for filling a vacancy in any office in certain circumstances. The Committee felt that the bill as drafted would allow a person of the same party with only one vote to become a representative when others with several hundred votes of another party would not be considered. Vote 12-0. Rep. Calvin Warburton for Constitutional and Statutory Revision.

**HB 740-FN**, relative to campaign expenditures. RE-REFER TO COMMITTEE.

This bill would amend the Campaign Finance Law. Due to time constraints, the Committee would like to study the bill further. Vote 11-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

**HB 744-FN**, relative to restricting all town and district regular business meetings and elections from being held on biennial election day. RE-REFER TO COMMITTEE.

This bill would prohibit towns and districts from holding regular business meetings or elections on biennial election day. The Committee wants an opportunity to look at this bill further and come up with an amended bill in the next session that will satisfy the concerns of the towns and cities. Vote 13-0. Rep. Carol H. Holden for Constitutional and Statutory Revision.

**HB 754-FN**, relative to the duties of the secretary of state, the election laws, and certain miscellaneous statutes. **OUGHT TO PASS WITH AMENDMENT.**

This bill is favored by the Committee because it will bring the statutes into conformance with the current practices of the Secretary of State's Office. Vote 10-0. Rep. H. Thayer Kingsbury for Constitutional and Statutory Revision.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Distribution of Annual Reports by County Commissioners. Amend RSA 30:2 to read as follows:

30:2 Distribution. The county commissioners shall forward one copy of said pamphlet to the town clerk of each town in the county, to be placed on file, [and 4 copies to the secretary of state.] *one copy to the secretary of state, and 3 copies to the state library.* [The secretary of state shall cause copies of all 10 counties to be suitably bound in one volume and keep one of the bound copies in his office and deposit the others in the state library.]

2 License to Sell Pistols and Revolvers. Amend the introductory paragraph of RSA 159:8 to read as follows:

The selectmen of a town and the chief of police of a city may grant licenses, the form of which shall be prescribed by the [secretary of state] *director of the division of state police*, effective for not more than one year from date of issue, permitting the licensee to sell at retail pistols and revolvers subject to the following conditions, for breach of any of which the licensee shall be subject to forfeiture:

3 Record of Sale; Pistols and Revolvers. Amend RSA 159:9 to read as follows:

159:9 Record of Sale. A true record shall be made of every pistol or revolver sold, in a book kept for the purpose, in the form prescribed by the [secretary of state] *director of the division of state police*, shall be signed by the purchaser and by the person effecting the sale, and shall include the date of sale, the caliber, make, model and manufacturer's number of the weapon, and the name, address and nationality of the purchaser. The record shall be preserved for one year, and a copy thereof shall, within 7 days, be forwarded to the selectmen of the town or the chief of police of the city *in which the purchaser resides.*

4 Hawkers and Peddlers Selling on State Property. Amend RSA 320:2 to read as follows:

320:2 Prohibition; *Selling on State Property*; Contracts Void; Penalty. No hawker or peddler shall sell or barter or carry for sale or barter, or expose therefor, any goods, wares or merchandise, unless he holds a license to do so as herein provided. *No person may operate as a hawker or a peddler in any building or on any land owned, leased, or controlled by the state, except as provided in RSA 186-B:13.* Any person violating this section shall, notwithstanding the provisions of Title LXII, be guilty of a violation and fined not more than \$500. The clerk of the district or municipal court shall dispose of fines so collected by the court as provided in RSA 502:14 or RSA 502-A:8. Any contract relating to household repairs and improvements or for siding for any building or residence solicited by any person who has not obtained the licenses as herein provided for shall be void and unenforceable, and any sale or barter of any goods, wares or merchandise by any such person shall be voidable. Provided further that any time before midnight, at the expiration of 3 business days following the signing of any solicited home repair, home improvement installment contract or

cash sale of \$25 or more by the parties solicited or the owner, the parties solicited or the owner may serve a notice of cancellation upon the licensee or principal vendor.

5 Exceptions to Prohibitions Concerning Hawkers and Peddlers. RSA 320:3 is repealed and reenacted to read as follows:

320:3 Exceptions. The provisions of this chapter shall not apply to the following:

I. Itinerant vendors as defined in RSA 321:1.

II. Any person selling the product of his own labor or the labor of his family or the product of his own farm or the one he tills.

III. Any person conducting sales of personal household goods on his own property.

IV. Any nonprofit organization, community chest, fund or foundation organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes when no part of the entity's earnings benefit any private shareholder or individual.

V. Any person conducting business in any industry or association trade show.

VI. Any person who sells exclusively antiques, used goods, or vintage items.

6 Notice of License and Qualifications; Bonded Warehouses. Amend RSA 348:9 to read as follows:

348:9 Notice of License and Qualification. The secretary of state shall, at the expense of each warehouseman, give notice of his license and qualification, of the amount of the bond given by him, and also of the discontinuance of his license, by publishing the same for not less than 10 days in one or more newspapers, if any, published in the county or town in which the warehouse is located; otherwise, in one or more newspapers published [in the city of Manchester] *statewide*.

7 Application to be Notary Public. Amend RSA 455:2 to read as follows:

455:2 Application. Any person applying to be a notary public shall [have been a registered voter in this state for at least 3 years immediately preceding the date of application] *be a resident of this state*. The applicant shall sign a written statement under oath as to whether he has ever been arrested or convicted of a crime that has not been annulled by a court, other than minor traffic violations. The applicant shall be endorsed for appointment by 2 notaries public and a registered voter of this state.

8 Posting Sample Ballots. Amend RSA 658:26 to read as follows:

658:26 Sample Ballots to be Posted. The town or city clerk shall cause the sample ballots provided for in RSA 656:18 and 656:28 to be posted outside the guardrail in the polling place. For the general election, he shall cause 2 sample ballots to be posted. For the state and presidential primaries, he shall cause 2 sample ballots of each party to be posted. *At least one sample ballot for the general election and one sample ballot of each party for each of the primaries shall be posted no higher than 48" so as to be convenient for those voters in wheelchairs.*

9 Hours of Polling in Cities. Amend RSA 659:4 to read as follows:

659:4 Hours of Polling in Municipalities. At all state elections in towns and cities the polls shall open not later than 11 o'clock in the forenoon and shall close not earlier than 7 o'clock in the evening. *In cities, the city council shall determine the polling hours at least 30 days prior to a state election.*

10 Issuing Certificates of Election for State Representatives. Amend RSA 659:84, II(b) to read as follows:

(b) State representatives [in a multi-town or multi-ward district];

11 Candidate for Village District Office. Amend RSA 670:4 to read as follows:

670:4 Nominations. To become a candidate for any village district office, a person must have a domicile in the village district. In any village district which has voted to elect district officers by non-partisan official ballot as provided in RSA 669:13, all candidates shall file a declaration of candidacy with the village district clerk, in the same manner as with the town clerk in town elections as provided in RSA 669:19-669:22[, no earlier than 45 nor later than 30 days before the village district election].

12 Repeal. RSA 659:84, III, relative to issuing certificates of election to representatives-elect, is repealed.

13 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill amends the election laws relative to:

- (1) Hours of polling.
- (2) Becoming a candidate for a village district office.
- (3) Posting sample ballots.
- (4) Issuing certificates of elections.

The bill amends the duties of the secretary of state relative to licensing and recording the sale of pistols and revolvers, and relative to notice of license and qualifications of bonded warehouses.

The bill also changes:

- (1) The application procedure to be a notary public.
- (2) The selling privileges for hawkers and peddlers and the exceptions thereto.
- (3) The distribution of annual reports by county commissioners.

**HB 467**, relative to state-funded institutions prohibiting students from participating in certain activities or organizations. INEXPEDIENT TO LEGISLATE.

This is an internal University matter and the University System Study Committee (RSA 187-A:26) will monitor this issue and recommend legislation in the future if it appears necessary. Vote 16-0. Rep. Arthur B. Corte for Education.

**HB 542**, relative to the time frame for submitting school district meeting warrant articles. OUGHT TO PASS WITH AMENDMENT.

This bill is a housekeeping measure to allow for timely submission of school district warrants. The amendment brings into line existing regulations citing 25 voters or 2 percent of the voters of the school district necessary to submit a warrant article. Vote 17-0. Rep. Stanley N. Searles for Education.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to the time frame for submitting school district meeting warrant articles and the number of petitioners necessary to submit a warrant article.

Amend RSA 197:6 as inserted by section 1 of the bill by replacing it with the following:

197:6 Warrant and Articles. Upon the written application of [10] **25** or more voters or [1/6] **2 percent** of the voters of the school district, presented to the school board or one of them not later than 30 days before the date prescribed for the school district meeting *or the second Tuesday in March, whichever is earlier*, the school board shall insert in the school district warrant for such meeting any subject matter specified in

such application. No article may be inserted after posting of said warrant. The right to have an article inserted in the warrant conferred by this section shall not be invalidated by the provisions of RSA 32.

#### AMENDED ANALYSIS

This bill, in order to allow time for proper publication of business to be conducted at the annual school district meeting, requires that warrant articles be submitted at least 30 days before the second Tuesday in March or the date prescribed for the school district meeting, whichever is earlier.

The bill also changes the number of petitioners, on an application for a warrant article, from 10 to 25 voters or from 1/6 to 2 percent of the voters of the school district.

**HB 588-FN**, to allow the Wakefield school district to withdraw from school administrative unit number 64 and to establish an independent school administrative unit coextensive with its own school district boundaries. **INEXPEDIENT TO LEGISLATE**.

This bill is Inexpedient to Legislate due to the fact that the townspeople have yet to vote on the issue, but will do so on March 23. Also, conflicting information was presented by both sides. A vote by the Legislature on this matter, without having the voters of Wakefield decide first what they want, would not be in the best interest of the town. Vote 18-0. Rep. John J. Laurent for Education.

**HB 634-FN**, to allow the Wakefield school district to withdraw from the Branch River cooperative school district. **INEXPEDIENT TO LEGISLATE**.

Some of the information presented to the Committee appears that the issue will become "moot" when the vote goes before the voters in Wakefield at the March 23rd school meeting. The town of Milton is looking to another agreement with a town in Maine to see if a more compatible interstate agreement can be pursued. The voters in Wakefield voted on 10/16/90 not to participate in the interstate compact. The agreement did bring forward a feasibility study for an interstate compact. Articles of the agreement shall be declared null and void unless a plan is adopted by July 1, 1992. Vote 19-0. Rep. William A. Riley for Education.

**HB 262-FN**, revising hazardous waste facility permit fees. **OUGHT TO PASS WITH AMENDMENT**.

Adoption of this bill is recommended because current law allows the state to charge only nominal fees for permit applications of a hazardous waste treatment facility. The costs to New Hampshire for licensing such a facility could be more than \$100,000. This bill would allow the Department of Environmental Services to recoup expenses involved in the permit application process. Vote 18-0. Rep. Jeb E. Bradley for Environment and Agriculture.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Director Defined. Amend RSA 147-A:2 by inserting after paragraph II the following new paragraph:

II-a. "Director" means the director of the division of waste management.

2 Operator Permit Application Fees. Amend RSA 147-A:4, II to read as follows:

II. A permit application fee not to exceed \$5,000 shall accompany each permit, *permit modification*, and permit renewal application. The amount of the fee shall reflect the relative effort necessary for review of the application. Permit application

fees shall be used by the division of waste management for review of applications. In addition to the application fee, the applicant shall be responsible for all reasonable hearing costs incurred by the division of waste management. *State costs which exceed the \$5,000 permit application fee shall be charged monthly to the applicant at an hourly rate which includes, but is not limited to, staff salaries and benefit costs, current operating expenses, legal costs and travel. The hourly rate shall also be used to calculate any division costs associated with implementing and enforcing the terms and conditions of a permit issued by the division. Permit fees received by the division of waste management under this section shall be placed in the hazardous waste cleanup fund as established under RSA 147-B:3, shall be accounted for separately and shall be used in processing applications and enforcing and implementing conditions of a permit.*

3 New Subparagraph; Special Fund. Amend RSA 6:12, I by inserting after subparagraph (mm) the following new subparagraph:

(nn) Moneys received under RSA 147-A:4, which shall be credited to the hazardous waste cleanup fund established under RSA 147-B:3.

4 Findings and Purpose. Amend RSA 147-B:1, I and II to read as follows:

I. The general court hereby finds that as a result of past hazardous waste dumping activities, the potential for spills of hazardous materials and the present lack of proper hazardous waste treatment, storage or disposal facilities within the state, the problem of managing hazardous waste and the movement of hazardous materials *and hazardous waste* in the state has become a matter of great concern. [The general court further finds that the public health and safety and the environment are seriously threatened due to hazardous wastes which have been previously discharged or disposed of in an environmentally unsound manner and by the possibility of future improper disposal or spills of hazardous wastes.]

II. The general court hereby declares that the purpose of [chapter] RSA 147-B is to provide for the proper, adequate and safe cleanup of sites within New Hampshire where hazardous wastes or materials have been improperly discharged, disposed of or spilled. It is [the intent of this chapter to provide for financial capability and procedures which will expedite the cleanup of hazardous wastes and materials and encourage private organizations to assist in that effort] *further the purpose of this chapter to support the regulatory and enforcement efforts associated with such cleanups, the transportation of hazardous wastes, and the proper permitting of hazardous waste facilities.*

5 New Paragraph; Purpose of Use of Funds. Amend RSA 147-B:6 by inserting after paragraph I-a the following new paragraph:

I-b. Fees collected in accordance with RSA 147-A:4 and deposited into the hazardous waste cleanup fund shall be accounted for separately and used in processing hazardous waste facilities' permits and enforcing and implementing conditions of a permit.

6 Purpose and Use of Fund. Amend RSA 147-B:6, IV to read as follows:

IV. The division of waste management may use up to \$325,000 per year from the fund to pay for *permitting*, administrative and enforcement costs associated with the fund.

7 Effective Date. This act shall take effect July 1, 1991.

## AMENDED ANALYSIS

This bill amends the hazardous waste management statute regarding hazardous waste facility operators' permit fees to allow the division of waste management to charge state costs in excess of the \$5,000 permit application fee to the applicant. The permit fees shall be placed in the hazardous waste cleanup fund and used to pay for processing hazardous waste facilities' permits and for enforcing and implementing conditions of a permit.

Referred to Appropriations.

**HB 276-FN**, relative to the task force establishing voluntary agreements reducing and recycling the solid waste stream and the duties of the commissioner of environmental services. **OUGHT TO PASS WITH AMENDMENT.**

The Committee wanted to extend the task force for one more year to continue to pursue voluntary agreements. There was a strong feeling that reporting requirements needed to be extended long enough to be able to measure milestones set in the agreements. Vote 17-0. Rep. Linda Griebisch for Environment and Agriculture.

**Amendment**

Amend the bill by replacing all after section 1 with the following:

2 Final Report of Task Force Extended. Amend 1990, 15:2, IV to read as follows:

IV. The task force shall produce a progress report no later than April 1, 1990, and an interim report with its findings and recommendations to the house environment and agriculture committee and the senate [development, recreation and] environment committee no later than December 1, 1990, and a final report to such committees no later than [December 1, 1991] *November 1, 1992*.

3 New Section; Biennial Reports Required. Amend 1990, 15 by inserting after section 3 the following new section:

15:3-a Commissioner's Biennial Reports.

I. The commissioner of the department of environmental services shall prepare biennial reports, the results of which shall be published and made available to the governor, the general court, and the public beginning November 1, 1991, and continuing through November 1, 1995. The November 1, 1991 report shall include:

(a) A survey of present and proposed solid waste fee legislation in other states and Congress.

(b) The number and type of New Hampshire businesses or industries that are participating in the voluntary programs, including:

(1) The solid waste stream reduction achieved by type of material or industry; and

(2) Estimates of the total amount of each type of material and the maximum reduction that could be achieved or the amount of solid waste that could be expected to be recycled.

(c) Remaining problem areas at the times of reporting.

(d) Conclusions and recommendations.

II. The November 1, 1993 and 1995 reports shall include a listing of new voluntary agreements relative to reducing and recycling the solid waste stream and an update on the progress and status of the issues surveyed in 1990, 15:3-a, I(b)-(d) and the findings reported under those subparagraphs in the commissioner's November 1, 1991 report.

4 Effective Date. This act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill extends the final reporting deadline of the task force on establishing voluntary agreements relative to solid waste stream reduction and recycling to December 1, 1992.

The bill also requires the commissioner of the department of environmental services to prepare biennial reports beginning November 1, 1991, and continuing through November 1, 1995, which outline present or proposed federal and state solid waste fee legislation and the progress of voluntary participation by New Hampshire industries in reduction and recycling programs. The November 1, 1993 and 1995 reports shall review the progress and status of the issues reported on November 1, 1991.

**HB 376-FN**, applying hazardous waste generator fees to hazardous waste destined for off-site recycling. **INEXPEDIENT TO LEGISLATE.**

The Committee felt that an additional fee on recycled hazardous waste would be a disincentive to businesses trying to recycle. However, it felt the Department of Environmental Services should be allowed to assess fees to cover the cost of enforcement and administration of the provisions of RSA 147-B:8. Addressing the best manner and method of assessing fees in this area will be considered with other similar bills that have been re-referred to the next session. Vote 18-0. Rep. David M. Scanlan for Environment and Agriculture.

**HB 442-FN**, exempting small producers of raw milk from certain inspections. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 442, as amended, gives the Commissioner of Agriculture, after consulting with the Agricultural Advisory Board, the authority to establish by order an equitable minimum price to be paid to dairy producers for milk produced in New Hampshire. Vote 17-0. Rep. Marilyn R. Campbell for Environment and Agriculture.

### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

authorizing the commissioner of agriculture to establish  
minimum price rates for small producers.

Amend the bill by replacing all after the enacting clause with the following:

1 New Subdivision; Minimum Producer Dairy Prices. Amend RSA 434 by inserting after section 55 the following new subdivision:

#### Minimum Producer Dairy Prices

434:56 Establishment of Minimum Producer Dairy Prices. The commissioner, after consulting with the agricultural advisory board, may establish by order an equitable minimum price to be paid to dairy producers for raw milk produced in New Hampshire on the basis of the use thereof in the various classes, grades and forms. The commissioner, after consulting with the agricultural advisory board, may from time to time make, amend or rescind an order if the commissioner finds that the federal milk marketing order covering New Hampshire is adequate or inadequate as the case may be to ensure a stable raw milk production and distribution system in the state. In no case shall the commissioner establish by order a price greater than the average price established for comparable classes, grades and forms of raw milk in the contiguous states.

434:57 Rulemaking. The commissioner shall adopt rules, under RSA 541-A, necessary to carry out the intent of this subdivision.

434:58 Prohibited Acts; Administrative Penalty. It shall be unlawful for any person to buy, sell or transfer ownership of raw milk in any form in quantities in excess of 20 quarts per day for less than the price or prices established by order of the commissioner pursuant to RSA 434:56. Any person who violates any provision of this subdivision or any rule or order issued under this subdivision shall be liable for a civil forfeiture not to exceed \$5,000 for each violation, or each day of a continuing violation, which may be collected in a civil action or in connection with an action for injunctive relief brought by the attorney general. Any person who violates any rule or order of the commissioner adopted under this subdivision may be subject to the imposition of an administrative fine levied by the commissioner, not to exceed \$1,000 for each violation.

2 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

The bill also authorizes the commissioner of agriculture to set minimum prices to be paid to small producers of raw milk.

**HB 447**, relative to bulk commodities. OUGHT TO PASS WITH AMENDMENT.

This is consumer protection legislation requested by the Department of Agriculture to require invoices to each purchaser of bulk commodities in terms of weight. Vote 18-0. Rep. Betty B. Hall for Environment and Agriculture.

#### Amendment

Amend the introductory paragraph of RSA 438:32-b as inserted by section 1 of the bill by replacing it with the following:

438:32-b Contents of Invoice. The vendor shall provide an invoice to each purchaser of services or bulk commodities sold, rendered, or delivered in terms of weight. The invoice shall contain, but not be limited to the following:

Amend RSA 438:32-b, II as inserted by section 1 of the bill by replacing it with the following:

II. The location where the weight or service was determined.

**HB 509**, clarifying the definition of public benefit relative to permitting solid waste facilities. OUGHT TO PASS WITH AMENDMENT.

This bill clearly defines the term "public benefit" when used in permitting of solid waste treatment facilities. The burden of showing a public benefit is placed on the applicant. While economic consideration may be considered, a step process is established which gives greater weight to environment considerations. An example of this is the adoption of the Solid Waste Disposal Hierarchy established in RSA 149-M:11-a. The Committee cannot stress strongly enough the need to clarify the term "public benefit." Vote 15-0. Rep. Rick A. Trombly for Environment and Agriculture.

#### Amendment

Amend the bill by replacing all after section 1 with the following:

2 Reference Changed. Amend RSA 149-M:10, II to read as follows:

II. Applications for permits shall be upon such forms and shall include such information as the division of waste management requires by rules adopted under RSA 149-M:8. The application information shall include, but not be limited to, a performance history of the applicant and of its officers and directors relative to the operation, financial security, and ownership of all facilities owned or operated by the applicant. Whenever requested by the division of waste management, the attorney

general shall conduct a background investigation of the performance history and criminal record of the applicant and of its officers and directors, if any, and make a report to the division of waste management. The applicant shall also demonstrate that the proposed facility provides a substantial public benefit pursuant to RSA [149-M:10, II-b] 149-M:10-c. The cost of any investigation under this paragraph shall be borne by the applicant.

3 New Section; Public Benefit Requirements. Amend RSA 149-M by inserting after section 10-b the following new section:

149-M:10-c Public Benefit Requirement.

I. The general court finds and declares as follows:

(a) It is responsible to provide for the solid waste management needs of the state and its citizens.

(b) In order to provide for these needs, it must ensure that adequate capacity exists within the state to accommodate the solid waste generated within the borders of the state.

(c) Facilities necessary to meet state solid waste capacity needs must be designed and operated in a manner which will protect the public health and the state's natural environment.

(d) The enactment of laws to address the needs identified in this section are an exercise of the police power granted to the general court under Part II, Article 5 of the New Hampshire Constitution.

(e) It is the purpose of this section to ensure benefit to the citizens of New Hampshire by providing for solid waste management options which will meet the capacity needs of the state while minimizing adverse environmental, public health, and long-term economic impacts.

II. The division shall:

(a) Determine whether a proposed facility provides a substantial public benefit based upon the following criteria, which are presented in order of the priority in which the division shall consider them:

(1) The need for a solid waste disposal facility of the proposed type to provide capacity to accommodate solid waste generated within the borders of New Hampshire.

(2) Whether or not the proposed project contributes to achieving the implementation of the hierarchy and goals under RSA 149-M:1-a.

(3) Whether or not the proposed project contributes to achieving the goals of the state solid waste plan.

(4) The financial viability of the proposed project with consideration for the geographic realities of its location.

(5) The concerns of the host municipality, county, or district.

(b) In making its determination of public benefit:

(1) First consider the criterion listed under RSA 149-M:10-c, II(a)(1). If the division determines that an application demonstrates satisfaction of this criterion, it shall then consider

(2) The criterion listed under RSA 149-M:10-c, II(a)(2). If the division determines that an application demonstrates satisfaction of this criterion, it shall then consider

(3) The criterion listed under RSA 149-M:10-c, II(a)(3). If the division determines that an application demonstrates satisfaction of this criterion, it shall then consider

(4) The criterion listed under RSA 149-M:10-c, II(a)(4). If the division determines that an application demonstrates satisfaction of the criterion, it shall then consider

(5) The criterion listed under RSA 149-M:10-c, II(a)(5).

III. Each applicant for a solid waste permit under this chapter shall have the burden of demonstrating that a proposed facility provides a public benefit by showing how the proposed facility satisfies the criteria listed under RSA 149-M:10-c, II. Such demonstration shall be included as part of each application for a solid waste permit.

IV. If the division determines that an applicant has failed to demonstrate that it satisfies the criteria listed under RSA 149-M:10-c, II, it shall notify the applicant in writing that its application has been denied, and provide a written explanation of the reasons for that determination.

V. If the division determines that an applicant has demonstrated that it satisfies the criteria listed under RSA 149-M:10-c, II, it shall include such determination in any permit issued.

VI. The division shall hold at least one public hearing in the host municipality, or in the case of an unincorporated place in the host county, within 30 days of receipt of a completed application for any landfilling or combustion type solid waste facility in order to assist it to determine public concerns as required under RSA 149-M:10-c, II(a)(5).

4 Repeal. RSA 149-M:10, II-b, relative to public benefit, is repealed.

5 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill enhances the standard for substantial public benefit which a solid waste facility must demonstrate to the division of waste management of the department of environmental services when applying for a permit to operate the facility. The bill places the burden on the applicant to demonstrate a public benefit and requires a public hearing relative to the pending facility application.

**HB 604**, granting rulemaking authority to the division of waste management relative to infectious waste. OUGHT TO PASS WITH AMENDMENT.

This bill, as amended, defines medical waste as a "special" category and authorizes the Department of Environmental Services to adopt rules to regulate its disposal. It corrects the present statutory confusion which addresses medical waste under both solid waste and hazardous waste definitions. Vote 19-0. Rep. Gregory L. Hanselman for Environment and Agriculture.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

granting rulemaking authority to the division of  
waste management relative to special waste  
and defining special waste.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Special Waste Defined. Amend RSA 149-M:1 by inserting after paragraph XX the following new paragraph:

XX-a. "Special waste" means any matter consisting of medical or infectious wastes.

2 Rulemaking; Special Waste. Amend RSA 149-M:8, IV(i) to read as follows:

(i) Administration of and standards for the assessment and collection of the out-of-state solid waste surcharge pursuant to RSA 149-M:3, IV-b[.]; *and*

(j) *Standards and procedures for the treatment and disposal of special waste.*

3 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill grants authority to the division of waste management, department of environmental services to adopt rules relative to standards and procedures for the treatment and disposal of special waste. The bill defines special waste to mean any medical or infectious wastes.

**HB 639-FN**, establishing reuse and same use beverage container requirements. RE-REFER TO COMMITTEE.

Even though the Committee feels certain aspects of this bill might not be feasible, there is support for examining the merits of reuse and same use of beverage containers and hence asks re-referral of this bill. Vote 19-0. Rep. Jeb E. Bradley for Environment and Agriculture.

**HB 699-FN**, relative to solid waste reduction. RE-REFER TO COMMITTEE.

The Committee has re-referred several other source reduction and packaging bills. They all will be considered as a group in order to achieve our state's solid waste reduction goals. Vote 19-0. Rep. Nancy L. Tarpley for Environment and Agriculture.

**HB 749-FN**, establishing a packaging reduction and recycling act. INEXPEDIENT TO LEGISLATE.

This comprehensive bill is before its time. Its ramifications depend on whether other states adopt similar legislation. The Committee believes this type of legislation should be a priority in the next few years. The Committee will keep this subject on its agenda and deal with it in the future. Vote 15-0. Rep. Betty B. Hall for Environment and Agriculture.

**HB 776-FN**, establishing a household hazardous waste management program and advisory committee and a consumer education program on household hazardous wastes. RE-REFER TO COMMITTEE.

The Committee believes that a management program for household hazardous waste is critical for New Hampshire and by re-referring this bill it will be worked on and reported to the House in a timely fashion in the next session. Vote 18-0. Rep. Jeb E. Bradley for Environment and Agriculture.

**HBI 1**, relating to equalizing the economic impact of current use taxation. OUGHT TO PASS.

This bill of intent directs the House Environment and Agriculture Committee to evaluate the effect of Current Use Assessment and recommend legislation for the 1992 session to equalize the economic impact. The hearing was well attended by representatives of environmental and commercial interests and support was unanimous. Vote 19-0. Rep. Betty B. Hall for Environment and Agriculture.

**HB 521-FN**, requiring literacy testing as a prerequisite for certain public assistance. INEXPEDIENT TO LEGISLATE.

This bill would impose certain requirements without providing for supportive services. It would result in high administrative costs. Also, this bill establishes literacy testing as a criterion for assistance and may be in conflict with the United States

Constitution. The bill further may be in violation of the Federal Family Support Act of 1988 and in violation of federal assistance regulations. Vote 17-0. Rep. Thomas G. Cain for Health, Human Services and Elderly Affairs.

**HB 562-FN**, extending the surgical authority of podiatrists. RE-REFER TO COMMITTEE.

This bill extends the surgical authority of podiatrists. The Committee feels the bill needs further study for clarification of certain requirements and procedures. Vote 15-0. Rep. Thomas G. Cain for Health, Human Services and Elderly Affairs.

**HB 725-FN**, relative to requiring public assistance recipients to work. INEXPEDIENT TO LEGISLATE.

It was the unanimous opinion of the Committee that this bill is redundant. It would be detrimental to a jobs program for women with children over the age of three and also would diminish the authority of town welfare officers. The Committee just passed HB 733, which establishes a study committee to investigate public assistance procedures. Vote 16-0. Rep. Marion L. Copenhaver for Health, Human Services and Elderly Affairs.

**HB 733-FN**, establishing a study committee to study public assistance. OUGHT TO PASS WITH AMENDMENT.

The bill establishes a committee to study public assistance. It is hoped that with the passage of this bill, public assistance procedures might be improved from the aspects of administration, qualifications for assistance, and compliance with all public assistance guidelines. Vote 14-0. Rep. Carmela M. DiPietro for Health, Human Services and Elderly Affairs.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Committee Established; Purpose. A committee is hereby established to study public and general assistance at the state and local level to determine if such assistance achieves the overall goals of ensuring a reasonable subsistence, compatible with decency and health, for New Hampshire's poor and disadvantaged citizens, and providing the necessary support services and incentives to achieve their highest level of self-sufficiency.

#### 2 Membership.

I. The committee shall consist of the following:

(a) Two members of the house, appointed by the speaker of the house, both of whom shall be members of the health, human services and elderly affairs committee.

(b) One member of the senate, appointed by the president of the senate, who shall be a member of the public institutions, health and human services committee.

(c) The director of the division of human services, or designee.

(d) The director of the division of mental health and developmental services, or designee.

(e) The president of the New Hampshire Municipal Association, or designee.

(f) The president of the Local Welfare Administrators' Association, or designee.

(g) The director of New Hampshire Legal Assistance, or designee.

(h) The president of the New Hampshire Coalition for the Homeless, or designee.

(i) The chairman of the welfare advisory committee which currently advises the division of human services on the AFDC program, or designee.

(j) One member of the public, appointed by the governor.

II. At its first meeting, the members of the committee appointed under paragraph I shall appoint 6 additional members as follows:

(a) One person representing agencies that contract with the division of human services for the provision of services under the Job Opportunities and Basic Skills Training Program (JOBS).

(b) One person representing agencies that contract with the department of health and human services for the provision of community mental health services.

(c) One person representing agencies that contract with the department of health and human services for the provision of community developmental services.

(d) One person from a college or university who has relevant expertise in the area of social welfare policy.

(e) One person who is an AFDC recipient or who was an AFDC recipient at some time within the 2 years preceding the effective date of this act.

(f) One person who is a general assistance recipient or who was a general assistance recipient at some time within the 2 years preceding the effective date of this act.

3 Initial Meeting. The committee shall hold its first meeting within 60 days of the effective date of this act. The committee shall choose a chairperson from among its members, after all members have been appointed.

4 Duties of the Committee. The committee shall study:

I. The administration of public assistance at the state and local levels, including abuses in the system.

II. The eligibility requirements and monetary guidelines for public and general assistance applicants.

III. The funding mechanism for public and general assistance including federal, state and local sources.

5 Committee Report. The study committee shall submit a report on its findings including recommendations for legislative action, regarding ways to improve public and general assistance procedures, to the speaker of the house, the president of the senate and the governor not later than November 1, 1991.

6 Resources of the Committee. To the extent possible, the department of health and human services, and the general court shall provide staff support to the committee. All state agencies are directed to cooperate fully and promptly with any requests for information from the committee.

7 Compensation. The members of the committee shall serve without compensation, except that the legislative members shall receive mileage at the legislative rate when attending to the duties of the committee.

8 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill establishes a committee to study public and general assistance in New Hampshire cities and towns.

**HB 182-FN**, authorizing the interception of wire or oral communications regarding securities crimes. RE-REFER TO COMMITTEE.

The Committee would like to take a long look at the one-party intercept question as it relates to existing laws, as well as its relation to the bill. The main issue is judicial

review versus prosecutorial investigative powers. Vote 15-0. Rep. Elizabeth D. Lown for Judiciary.

**HB 208-FN**, relative to annulments of criminal records. OUGHT TO PASS.

This bill allows the state to charge for criminal record annulments. It also removes the current law provision "district court probation office" because this position no longer exists. Vote 18-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 232-FN**, allowing schools and day care providers to check criminal records of applicants for employment. INEXPEDIENT TO LEGISLATE.

The passage of HB 363, which addresses the concerns of the sponsor of HB 232, makes this bill redundant. Vote 18-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 363-FN**, relative to criminal record checks and fees charged for criminal record checks. OUGHT TO PASS WITH AMENDMENT.

This bill deals with the release of criminal record information by the Division of State Police. As amended, it makes a distinction between arrest record and conviction record. It allows any individual to get a copy of both parts of his own record, and to get the conviction part only of another's record if the requestor has explicit written permission. Vote 18-0. Rep. Richard H. Campbell for Judiciary.

#### Amendment

Amend RSA 106-B:14, I as inserted by section 2 of the bill by replacing it with the following:

I. With the approval of the commissioner of safety, the director shall adopt rules under RSA 541-A as may be necessary to secure records and other information relative to persons who have been convicted of a felony, *misdemeanor or violation* or an attempt to commit a felony, *misdemeanor or violation* within the state, or who are known to be habitual criminals, or who have been placed under arrest in criminal proceedings. Such records and information shall not be open to the inspection of any person except those who may be authorized to inspect the same by the director; *as follows:*

(a) *Records and information concerning arrest not leading to conviction shall not be disclosed except to law enforcement personnel or agencies having a need to know in the performance of their duties, or to the individual requesting his own record.*

(b) *Any individual may request and receive a copy of his own criminal conviction and arrest records and related information.*

(c) *Any individual or any public or private agency may request and receive a copy of the criminal conviction record of another who has provided authorization in writing, duly signed and witnessed, explicitly allowing the requestor to receive such information.*

The clerks of the superior and municipal courts, or if there is no clerk the justice thereof, sheriffs, deputy sheriffs, police officers, and superintendents of the county departments of corrections shall secure and forward to the director all such information as he may direct relative to persons brought before said courts or arrested or in the custody of such officers. Any person violating the provisions of this section or any rules adopted under RSA 541-A shall be guilty of a violation, for each offense.

## AMENDED ANALYSIS

This bill requires the director of the division of state police to maintain records of persons who have been convicted of violations and misdemeanors. The bill authorizes the division to release criminal records to any individual requesting his own criminal record or any person who offers a release form of an individual's criminal record signed by that individual. The bill also authorizes the division to charge fees to individuals for criminal record checks.

Referred to Appropriations.

**HB 482-FN**, relative to temporary and emergency guardianships. OUGHT TO PASS WITH AMENDMENT.

The bill was replaced with an amendment believed by the Committee to be a reasonable compromise, allowing for the Division of Mental Health to have a hearing on temporary guardianship within 10 days. Vote 12-0. Rep. Donnalee M. Lozeau for Judiciary.

## Amendment

Amend the title of the bill by replacing it with the following:

## AN ACT

relative to temporary guardianships.

Amend the bill by replacing all after the enacting clause with the following:

I New Paragraph; Certain Temporary Guardianship Hearings. Amend RSA 464-A:12 by inserting after paragraph II the following new paragraph:

II-a. Upon receipt of a petition for temporary guardianship, if the court determines that the proposed ward is presently receiving care in a hospital and the division of mental health and developmental services so requests, the court shall with such notice as it deems reasonable to the proposed ward and the court appointed counsel or the proposed ward's private counsel, schedule a hearing on the petition to be held within 10 days, excluding Saturdays, Sundays and legal holidays, from the date the petition is filed.

2 Effective Date. This act shall take effect January 1, 1992.

## AMENDED ANALYSIS

This bill requires a hearing, if requested, on a temporary guardianship to be held within 10 days if the proposed ward is receiving treatment in a hospital.

**HB 534-FN**, amending the habitual offender penalties to provide for special alternative incarceration. RE-REFER TO COMMITTEE.

The Committee felt it was imperative to study the habitual offender statute in conjunction with alternative sentencing. The Committee did not have the time to allot to this bill in the proper manner. The Committee will work with the sponsors to see that the concerns are addressed. Vote 11-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 664-FN**, relative to illegal possession of alcohol. INEXPEDIENT TO LEGISLATE.

The Committee felt it was inappropriate to apply the sanction of license revocation to illegal behavior that may have nothing to do with ownership or operation of a motor vehicle. Vote 18-0. Rep. Peter Hoe Burling for Judiciary.

**HB 607**, permitting actions for damages resulting from violations of unemployment and workers' compensation laws by bidders on construction contracts. **OUGHT TO PASS WITH AMENDMENT.**

This bill was given a great deal of work. The Department of Employment Security, the Department of Labor, AFL/CIO and this Committee were satisfied with the wording of the amendment. Vote 12-1. Rep. John W. Flanders for Labor, Industrial and Rehabilitative Services.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

permitting actions for damages resulting from  
violations of workers' compensation laws  
by bidders on construction contracts.

Amend the bill by replacing section 1 with the following:

1 New Section: Actions for Damages Resulting From Violations of Workers' Compensation Laws. Amend RSA 508 by inserting after section 4-e the following new section:

508:4-f Bidders on Construction Contracts. Any person, firm, association or corporation which suffers damages as a result of a competitive bid for a project involving the construction, repair, remodeling, alteration, conversion, modernization, improvement, rehabilitation, replacement, or renovation of a building or structure not being awarded due to another person, firm, association or corporation knowingly violating the workers' compensation law, RSA 281-A, may bring an action for damages in the superior court against said violator.

#### AMENDED ANALYSIS

This bill permits any person, firm, association or corporation which suffers damages as a result of a competitive bid for a project not being awarded due to another person, firm, association or corporation knowingly violating workers' compensation laws to bring an action for damages in the superior court.

**HB 603-FN**, to establish a state mandates task force to recommend modification or repeal of those state mandates imposed upon municipalities and school districts which are deemed unnecessary or too expensive. **OUGHT TO PASS WITH AMENDMENT.**

The Committee concurred with the bill, as amended, relative to establishing a task force to study state and federal mandates. The object being to judge their impact on local communities. Vote 10-0. Rep. Elizabeth A. Moore for Legislative Administration.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

to establish a mandates task force to recommend modification  
or repeal of those unfunded mandates imposed upon  
municipalities and school districts.

Amend the bill by replacing all after the enacting clause with the following:

1 Task Force Established. The general court finds that state and federal mandates are increasing the cost of municipal and school services, thus contributing to rising property taxes. Legislative action may be necessary to recommend the elimination or modification of those mandates which are clearly unfunded by any political subdivision other than the municipalities or school districts. There is, therefore, created a task force to examine state and federal mandates which are imposed upon the municipalities and school districts and make recommendations to modify or repeal those mandates.

2 Membership. The task force shall be composed of the following members:

I. Three school board members, appointed by the New Hampshire School Boards Association.

II. Three elected municipal officials, which may include, but are not limited to, selectmen, aldermen, city or town councilors, county officials, and mayors, appointed by the New Hampshire Municipal Association.

III. Two members of the New Hampshire senate, appointed by the senate president.

IV. Two members of the New Hampshire house of representatives, appointed by the speaker of the house.

V. One public member appointed by the governor.

3 Appointments. The appointments of the members in section 2 of this act shall be made within 30 days of the effective date of this act.

4 Chairman; Meetings; Quorum. The task force shall elect a chairman from among its members at its first meeting. The first meeting shall be called within 45 days after the effective date of this act, and at such other times as the chairman shall designate. Six members shall constitute a quorum. Decisions shall be reached by a simple majority of the members present and voting.

5 Duties. The task force shall:

I. Hold public hearings throughout the state to identify state mandates which are of particular concern to municipalities and school districts.

II. Based upon the testimony received through public hearings, develop a list of state and federal mandates for consideration by the task force.

III. Make recommendations for modification or repeal of those mandates clearly unfunded by any political subdivision other than the municipalities or school districts.

6 Compensation. Members of the task force shall serve without compensation, except that legislative members shall receive mileage at the legislative rate.

7 Report. The task force shall present a report of its findings by September 1, 1992, to the governor, the senate president, the speaker of the house of representatives, and to the chairman of each standing committee in the house and the senate. The task force shall be disbanded upon the issuance of its report.

8 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill creates a task force to identify mandated responsibilities imposed by the state and federal governments upon municipalities and school districts, and to make recommendations for the modification or repeal of those mandates which are clearly unfunded by any political subdivision other than the municipalities or school districts.

**HJR 3**, requesting the university cooperative extension service to continue to work with the governor's commission on the 21st century. **OUGHT TO PASS.**

The purpose of this resolution is to show that the General Court endorses the plan to strengthen and expand efforts within local communities under the two presently established programs of Civic Profiles and Community Cornerstones. Those programs evolved during the work of the Governor's Commission on New Hampshire in the 21st Century. The General Court also endorses the efforts of the Cooperative Extension Program of the University of New Hampshire to assist and strengthen such local efforts. Vote 11-0. Rep. Paul R. Fillion for Legislative Administration.

**HB 260-FN**, relative to the property tax exemption for the blind on their residential real estate. **INEXPEDIENT TO LEGISLATE.**

The hearing was re-opened and further testimony considered. Disabilities come in many forms. Being blind is one. Exemptions should be given on a basis of equal treatment and need. One major fault of this bill is that there is no means test, meaning no statement of need. This bill proposed a standard exemption for one type of disability and a 60 percent assessed valuation reduction for the other. That is not consistent with equal treatment as required by the Constitution. Vote 15-0. Rep. John A. Middleton for Municipal and County Government.

**HB 308**, relative to notice requirements for public hearings on zoning changes. **INEXPEDIENT TO LEGISLATE.**

What HB 308 attempts to cover is already adequately provided for in present statutes. Vote 17-0. Rep. David M. Perry for Municipal and County Government.

**HB 340**, relative to compliance with enabling legislation. **OUGHT TO PASS.**

This bill clears up uncertainties about what the Legislature intends when it authorizes a ballot vote on enabling legislation, and it also assures that votes at town meeting should not be invalidated by a state agency for technicalities relating to wording. All testimony was favorable. Vote 16-1. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 346**, relative to public hearings and the statement of financial conditions for counties. **INEXPEDIENT TO LEGISLATE.**

House Bill 346 was improperly drafted and did not properly address the problem it attempted to solve. Vote 17-0. Rep. David M. Perry for Municipal and County Government.

**HB 348**, relative to the municipal records board. **OUGHT TO PASS WITH AMENDMENT.**

This will help the Municipal Records Board carry out its functions more effectively by having the Records Manager a member of the Board. All testimony was favorable. Vote 17-0. Rep. John S. Barnes, Jr. for Municipal and County Government.

#### **Amendment**

Amend the bill by deleting section 2 and renumbering the original section 3 to read as 2.

#### **AMENDED ANALYSIS**

This bill includes the state records manager on the municipal records board.

**HB 360-FN**, relative to calculating income for purposes of elderly property tax exemptions. RE-REFER TO COMMITTEE.

The Committee has received several bills dealing in some fashion or other with a property tax exemption for the elderly. It proposes to re-refer all of them for the purpose of submitting a single bill for consideration by the House. Vote 17-0. Rep. John A. Middleton for Municipal and County Government.

**HB 375-FN**, authorizing towns to accept donations of property. OUGHT TO PASS.

This bill allows towns to accept gifts of personal property. Such acceptance shall not bind the town to raise, appropriate or expend any funds for the operation, maintenance, repair or replacement of the donated property. All of the testimony was in favor of this bill. Vote 16-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 385**, relative to administrative inspection warrants, town trust funds, and planning board decisions. OUGHT TO PASS WITH AMENDMENT.

This bill does three things. 1) It allows towns to revoke unused and not needed trust funds. 2) It allows health officers, fire officials and other local officials who must make inspections of property the means to do so pursuant to administrative inspection warrants. 3) Finally, it allows for planning board decisions which are based solely on the terms of or interpretation of the local ordinance to be appealed to the Board of Adjustment. Vote 15-0. Rep. Ruth E. Gage for Municipal and County Government.

#### **Amendment**

Amend RSA 31:19-a, III as inserted by section 1 of the bill by replacing it with the following:

***III. The provisions of RSA 31:32 shall apply to any trust fund created under this section.***

Amend RSA 676:5, III as inserted by section 13 of the bill by replacing it with the following:

III. If, in the exercise of subdivision or site plan review, the planning board makes any decision or determination which the board states is based solely upon the terms of the zoning ordinance, or upon any construction, interpretation or application of the zoning ordinance, which would be appealable to the board of adjustment if it had been made by the administrative officer, then such decision may be appealed to the board of adjustment under this section; provided, however, that if the zoning ordinance contains an innovative land use control adopted pursuant to RSA 674:21 which delegates administration, including the granting of conditional or special use permits, to the planning board, then the planning board's decision made pursuant to that delegation cannot be appealed to the board of adjustment, but may be appealed to the superior court as provided by RSA 677:15.

Amend the bill by replacing all after section 13 with the following:

14 Court Review of Certain Planning Board Decisions. Amend RSA 677:15, I to read as follows:

I. Any persons aggrieved by any decision of the planning board concerning a plat or subdivision may present to the superior court a petition, duly verified, setting forth that such decision is illegal or unreasonable in whole or in part and specifying the grounds upon which the same is claimed to be illegal or unreasonable. Such petition

shall be presented to the court within 30 days after the filing of the decision in the office of the planning board. *This paragraph shall not apply to planning board decisions appealable to the board of adjustment pursuant to RSA 676:5, III.*

15 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill provides a mechanism which allows towns to revoke town trust funds which are not expressly irrevocable.

The bill allows certain local officials to conduct searches and inspections pursuant to administrative inspection warrants.

This bill makes decisions by a planning board which the board states is based solely on the terms of a zoning ordinance or interpretation of such an ordinance appealable to the board of adjustment in certain circumstances.

**HB 400**, relative to a property tax postponement law. INEXPEDIENT TO LEGISLATE.

This bill leaves too many questions unanswered. All the testimony was against passage of this bill. Vote 15-0. Rep. John S. Barnes, Jr. for Municipal and County Government.

**HB 403**, relative to property tax relief for certain elderly homeowners. INEXPEDIENT TO LEGISLATE.

This bill, by excluding one form of housing, is unconstitutional. Further, it provides for no "means" test to receive property tax relief. Vote 15-0. Rep. Catherine V. Brungot for Municipal and County Government.

**HB 429**, relative to the salaries of county attorneys. OUGHT TO PASS.

The salaries for county attorneys in Rockingham, Cheshire and Belknap counties are set at dates different from the other counties. House Bill 429 makes the dates uniform for all counties and changes no other procedures. Vote 15-0. Rep. Richard T. Trelfa for Municipal and County Government.

**HB 430**, relative to making public certain records relative to paid settlements involving taxpayer money. INEXPEDIENT TO LEGISLATE.

The Committee feels that this bill would require the disclosure of confidential personnel information which is now protected by a municipal employee's right to privacy. Existing law makes it clear that only public funds lawfully available for the purpose may be expended as part of a settlement of a personnel grievance. Vote 15-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 434**, relative to the procedure for planning boards to revoke approval of recorded plats. OUGHT TO PASS WITH AMENDMENT.

House Bill 434, as amended, allows for the revocation of an approved plat when it no longer is desired by the owner or when it no longer meets the requirement of the municipality. Any revocation cannot be completed unless certain requirements are met. Vote 17-0. Rep. David M. Perry for Municipal and County Government.

#### Amendment

Amend the bill by replacing section 1 with the following:

1 New Section; Revoking Approval of Recorded Plat. Amend RSA 676 by inserting after section 4 the following new section:

676:4-a Revocation of Recorded Approval.

I. A subdivision plat, street plat, site plan or other approval which has been filed with the appropriate recording official under RSA 674:37 may not be revoked, in whole or in part, by the planning board, except pursuant to this section, and only under the following circumstances:

(a) At the request of, or by agreement with, the applicant or the applicant's successor in interest.

(b) When the applicant or successor in interest to the applicant has performed work, erected a structure or structures, or established a use of land, which fails to conform to the statements, plans or specifications upon which the approval was based, or has materially violated any requirement or condition of such approval.

(c) When the applicant or successor in interest to the applicant has failed to perform any condition of the approval within a reasonable time specified in the approval, or, if no such time is specified, within the time periods specified in RSA 674:39.

(d) When the time periods specified in RSA 674:39 have elapsed without any vesting of rights as set forth therein, and the plat, plan or other approval no longer conforms to applicable ordinances or regulations.

(e) When the applicant or successor in interest to the applicant has failed to provide for the continuation of adequate security as provided by RSA 674:36, III(b) and 674:44, III(b) until such time as the work secured thereby has been completed.

II. Prior to recording any revocation under this section, the planning board shall give notice, as provided by RSA 676:4, I(d), to the public, the applicant or the applicant's successor in interest, and all abutters. The notice shall include the board's reasons for the revocation. A hearing with notice as provided in RSA 676:4, I(d) shall be held at the request of any party receiving such notice, submitted within 30 days of receiving such notice, or if the planning board determines to hold a hearing.

III. A declaration of revocation, dated and endorsed in writing by the planning board, and containing reference to the recording information for the plat, plan or other approval being revoked, shall be filed for recording with the register of deeds, no sooner than 30 days after written notification of the revocation is served on the applicant or the applicant's successor in interest, in person or by certified mail, or 30 days after any public hearing, whichever is later. If only part of an approval is revoked, that portion of land subject to revocation shall be clearly identified in the declaration. The declaration shall be recorded under the same name or names as was the original approval, as well as the names of subsequent owners, if any, of the land or part thereof subject to revocation, as identified by the municipality.

IV. A revocation under this section may be appealed pursuant to RSA 677:15. Nothing in this section shall affect the municipality's ability, either before or after such a revocation, to pursue other remedies or penalties as set forth in RSA 676:15-17.

**HB 444**, relative to requesting a vote by secret ballot at town meetings. INEXPE-  
DIENT TO LEGISLATE.

While the Committee recognizes and sympathizes with the intent of HB 444, it believes that the problem of misuse of the five-voter written ballot petition should more properly be addressed in the context of overall town meeting procedures. Vote 17-0. Rep. Richard T. Trelfa for Municipal and County Government.

**HB 457**, relative to changes in town charters. **INEXPEDIENT TO LEGISLATE.**

It should be as difficult to change a town charter as it is to adopt one. Those testifying against the bill expressed concern that if HB 457 were to become law it could lead to uncertainty and too frequent changes. The Committee concluded that existing provisions of RSA 49-B should continue. Vote 16-1. Rep. Fredrik Peyron for Municipal and County Government.

**HB 492-FN**, relative to conservation restriction assessments. **OUGHT TO PASS WITH AMENDMENT.**

This bill strengthens municipalities' right to assist in the preservation of open space by adding language to the original statute requiring such lands to be of demonstrated public purpose. The criteria needed to show that such lands provide "a demonstrated public benefit" are also included in the bill. Vote 15-0. Rep. Martha Fuller Clark for Municipal and County Government.

#### Amendment

Amend the bill by replacing section 7 with the following:

7 New Section; Test for Demonstrated Public Benefit. Amend RSA 79-B:4 by inserting after paragraph V the following new paragraph:

VI. A permanent conservation restriction on open space land shall be considered to provide a demonstrated public benefit if it protects, in perpetuity, at least one of the following values:

(a) The preservation of land for outdoor recreation by, or the education of, the general public, whereby:

(1) The general public must have the regular opportunity for access to and use of the land for pedestrian purposes; and

(2) The land has conservation and recreational values which make it attractive for public use.

(b) A relatively natural habitat for fish, wildlife, or plants, or similar ecosystem whereby:

(1) The property must be in a relatively natural state; and

(2) Rare or endangered or threatened species must be present; or the property must contribute to the ecological viability of a park or other conservation area; or it must otherwise represent a high quality native terrestrial or aquatic ecosystem.

(c) The preservation of open space land, whereby:

(1) There is scenic enjoyment by the general public from a public way or from public waters; or

(2) The open space protection is pursuant to a clearly delineated federal, state, or local government conservation policy.

(d) The preservation of an historically important land area whereby:

(1) The property is either independently significant due to recorded local, regional or state history, or is within a historic district; or

(2) The property is immediately adjacent to a historic district; or

(3) The land's physical or environmental features contribute to the historic or cultural integrity of a property listed on the National Register of Historic Places.

8 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill amends the law on conservation restriction assessments by:

(1) Changing what constitutes conservation restriction land.

(2) Changing what constitutes developed land.

(3) Adding new definitions for a qualifying conservation nonprofit corporation and for a qualifying conservation restriction.

(4) Changing the basis for assessing restricted land.

(5) By adding the requirement that a permanent conservation restriction on open space land shall be considered to provide a demonstrated public benefit if it protects, in perpetuity, at least one of a list of values.

**HB 494-FN**, relative to residency requirements for general assistance. **INEXPEDIENT TO LEGISLATE**.

Although the current economic situation has increased the welfare load in our towns, the intent of this bill to ease this burden would create more problems than it solves. The Committee unanimously agreed that the existing policy of settlement should continue. Vote 17-0. Rep. Fredrik Peyron for Municipal and County Government.

**HB 513-FN**, relative to the eminent domain procedure act and unpaid taxes. **ought to PASS WITH AMENDMENT**.

This bill, as amended, modifies the eminent domain procedures act by requiring municipal condemnees, at the request of the condemnor, to furnish the condemnor with the estimated amount of unpaid taxes, fees and interest owed on the property pursuant to RSA 80. Failure to timely provide such estimate shall not affect any right of a municipal condemnee to collect the taxes, fees, and interest owed.

This bill intends that the municipality will receive money owed to it for taxes. All testimony was in support of this bill. Vote 16-0. Rep. Thomas B. Salatiello for Municipal and County Government.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

I Definition Changed. Amend RSA 498-A:2, II to read as follows:

II. "Condemnee" means the owner of record of property taken or to be taken, including tenants for life or years, remaindermen, reversioners, and holders of undischarged mortgages of record whose mortgages are dated not earlier than 20 years prior to the date of the filing of declaration of taking, *municipalities with respect to unpaid taxes, fees and interest for which the municipality has been granted a lien or other interest in the property under the provisions of RSA 80*, and guardians ad litem appointed pursuant to the provisions of this chapter. This definition does not include judgment creditors or other lien holders;

2 Unpaid Taxes; Municipality's Authority to Collect Taxes. Amend RSA 498-A:4, I by inserting after subparagraph (b) the following new subparagraph:

(c) Within 10 days of receipt of a notice of offer provided for in paragraph II of this section a municipal condemnee shall, at the request of the condemnor, furnish the condemnor with the estimated amount of unpaid taxes, fees and interest for which notice has not been recorded at the registry of deeds for the county in which the property is located. Failure to timely provide such estimate shall not affect any right of a municipal condemnee under this chapter.

3 Effective Date. This act shall take effect January 1, 1992.

### AMENDED ANALYSIS

This bill modifies the eminent domain procedures act by requiring municipal condemnees, at the request of the condemnor, to furnish the condemnor with the estimated amount of unpaid taxes, fees and interest owed on the property pursuant to

RSA 80. Failure to timely provide such estimate shall not affect any right of a municipal condemnee to collect the taxes, fees and interest owed.

**HB 514-FN**, relative to special town meetings. OUGHT TO PASS.

This bill requires selectmen to forward a copy of petition and warrant articles for a special town meeting to the Department of Revenue Administration on or before the date they are filed with the Superior Court. Current law requires notification to the Department 10 days prior to filing with the court. Vote 11-0. Rep. Karen O. Wadsworth for Municipal and County Government.

**HB 516**, relative to library trustees' authority to accept gifts. OUGHT TO PASS.

This bill authorizes public library trustees to actively seek, receive and expend money from private, state or federal sources without further action by the town meeting. The provisions of this bill do not obviate the requirement of proper fiscal accounting practices on the part of the library trustees. Vote 14-0. Rep. Martha Fuller Clark for Municipal and County Government.

**HB 519-FN**, relative to municipal budget matters and the timber tax. OUGHT TO PASS WITH AMENDMENT.

This legislation, as proposed by the Department of Revenue Administration, clarifies the authority of the county delegation and special meetings of towns, village and school districts with regards to hearings and votes on the establishment of capital revenue accounts and with regard to withdrawals from such accounts. The second portion of the legislation requires timber cutters to furnish bonds before they cut timber in towns in which they do not own land, or in which they cease to own land. This eliminates the problem of current owners cutting timber, then selling the land without paying the timber tax on the timber, and leaving the town with no alternative to collect the timber tax. Vote 14-0. Rep. Paul A. Golden for Municipal and County Government.

#### Amendment

Amend RSA 79:3-a, I and II as inserted by section 3 of the bill by replacing them with the following:

*I. Until an owner has furnished a bond or other security to the town, no owner shall cut or cause to be cut growing wood and timber [who] if such owner:*

*(a) Does not own land in the town where he intends to cut [until he has furnished a bond or other security].*

*(b) Ceases to own land in the town where he is cutting after filing an intent to cut.*

*II. An owner who ceases to own land in the town where he is cutting after filing an intent to cut, shall notify the assessing officials, in writing, of the change in ownership within 15 days of such change. An owner who neglects to notify the assessing officials shall be guilty of a misdemeanor.*

**HB 523-FN**, relative to local cease and desist orders for zoning, planning and code violations. OUGHT TO PASS WITH AMENDMENT.

This gives the local enforcement official the ability to correct building violations with stronger methods than are now available under current law. Vote 11-0. Rep. John S. Barnes, Jr. for Municipal and County Government.

### Amendment

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect upon its passage.

**HB 524-FN**, to allow municipalities to determine the net income requirements under the optional adjusted elderly property tax exemption. RE-REFER TO COMMITTEE.

This bill will be considered with other elderly property exemption bills, also being referred. Vote 11-0. Rep. John A. Middleton for Municipal and County Government.

**HB 540-FN**, to tax certain faculty quarters located at private educational institutions. RE-REFER TO COMMITTEE.

The Committee heard much testimony both in favor and opposed to the bill as written. It determined that the present law and court decisions on tax exempt status for faculty quarters need study. Hopefully, this issue can be thoroughly reviewed with the prospect of legislation brought forth to clarify this tax issue. Vote 13-1. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 547-FN**, relative to the date for the application of the optional veterans' exemption and the optional exemption for the surviving spouses of veterans in certain towns. OUGHT TO PASS.

House Bill 547 corrects a problem for towns that hold town meetings other than in March. It allows them to vote the increase in the enlarged veterans' tax credit and have it take effect April 1 of the same year. Vote 14-0. Rep. David M. Perry for Municipal and County Government.

**HB 551**, relative to the distribution of taxes from towns to village districts. OUGHT TO PASS WITH AMENDMENT.

This bill provides required procedure for taxes and interest collected by the town for distribution to districts. Districts with annual budgets of less than \$200,000 shall receive disbursements annually. Districts with annual budgets of \$200,000 or more shall receive disbursements in the month next following collection.

Although most of the 82 districts in the state have no difficulty in getting revenues collected by the municipality, there are instances where the municipality has refused to pay the collected revenues promptly. Therefore, this bill clarifies through statute when payments are to be made. The majority of districts, because they are small, will not be affected by this legislation. Vote 14-0. Rep. Thomas B. Salatiello for Municipal and County Government.

### Amendment

Amend RSA 52:16, II as inserted by section 1 of the bill by replacing it with the following:

*II. In the case of districts with annual budgets of less than \$200,000, the town treasurer shall distribute the amount of taxes collected and held in trust by the town under paragraph I to the district treasurer no later than December 31, of each calendar year. In the case of districts with annual budgets of \$200,000 or more, the town treasurer shall distribute the amount of taxes collected and held in trust by the town under paragraph I by distributing to the district treasurer all taxes collected in any given calendar month by the end of the next following month. The town treasurer, furthermore, shall turn over to the district treasurer all interest earned on district tax revenues held in trust by the town and all interest collected by the town*

*on the account of any delinquent district taxpayers' district taxes in the same manner as the tax revenues are distributed.*

#### AMENDED ANALYSIS

This bill provides a distribution procedure for taxes and interest collected by the town for distribution to districts. Districts with annual budgets of less than \$200,000 shall receive disbursements annually. Districts with annual budgets of \$200,000 or more shall receive disbursements in the month next following collection.

**HB 556-FN**, relative to certain minor dependent children's eligibility for assistance. INEXPEDIENT TO LEGISLATE.

The sponsor asked that this bill be ruled Inexpedient to Legislate. The Committee concurred. Vote 14-0. Rep. John S. Barnes, Jr. for Municipal and County Government.

**HB 564-FN**, enabling towns and cities to establish heritage commissions. REFER TO COMMITTEE.

The Committee believes that the concept of heritage commissions is an excellent one. The bill, however, needs to be re-referred to address certain technicalities of language and application, particularly with regard to the interface of heritage commissions with local planning boards and historic district commissions. Vote 12-1. Rep. Martha Fuller Clark for Municipal and County Government.

**HB 568-FN**, relative to zoning variances and exceptions. INEXPEDIENT TO LEGISLATE.

House Bill 568 would create a mandated cost to the municipalities in violation to Article 28-a of the Constitution. There are adequate statutes now to cover the bill's concerns. Vote 14-0. Rep. David M. Perry for Municipal and County Government.

**HB 577**, relative to the effect of zoning changes and amendments on plats or applications accepted by a planning board. OUGHT TO PASS WITH AMENDMENT.

This bill provides that once an applicant has submitted a development application to the planning board, and the application has been accepted by the planning board as complete, the application shall not be affected by any subsequent zoning change or amendment by the local legislative body. The bill also adds language to take into account subsequent changes in site plan review regulations once a plat is approved by the planning board and recorded to the Registry of Deeds. The amendment re-emphasizes legislative intent. Vote 17-0. Rep. JoAnn T. Morse for Municipal and County Government.

#### Amendment

Amend the bill by replacing section 4 with the following:

4 Legislative Purpose. The purpose of sections 1-3 of this act is to confirm and re-emphasize the intent of the general court at the time of the enactment of 1986, 229:3 and 1983, 447:1. Municipalities may not retroactively amend local land use regulations or zoning ordinances for the purpose of stopping proposed projects or developments while an application is under consideration by the municipality. This act shall not be interpreted as changing the intent of any provision of 1986, 229 or 1983, 447.

5 Effective Date. This act shall take effect 60 days after its passage.

## AMENDED ANALYSIS

This bill confirms the intent of 1986, 229:3 by re-emphasizing that once an applicant has submitted a development application to the planning board, and the application has been accepted by the planning board as complete, the applicant shall not be affected by any subsequent zoning change or amendment made by the local legislative body.

The bill also confirms the intent of chapter 477:1 of the laws of 1983 by adding language to take into account subsequent changes in site plan review regulations once a plat is approved by the planning board and recorded in the registry of deeds.

**HB 586-FN**, relative to imposing liens for delinquent fees for recycling services provided by municipalities. **INEXPEDIENT TO LEGISLATE.**

Although the Committee lauds the intent of the sponsors, communities have existing methods to control recycling services and dealing with delinquent fees. This bill deals with an issue which had not been identified statewide as a major problem. The Committee was reluctant to allow communities to place liens on an individual's property because of delinquent recycling fees. Vote 14-1. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 587-FN**, relative to the resolution of public employee labor disputes. **INEXPEDIENT TO LEGISLATE.**

The Committee believes that passage of a law requiring municipalities to accept binding arbitration would constitute an unfunded mandate which is prohibited by Paragraph 28-a, Part First, of the New Hampshire Constitution. Furthermore, a law mandating binding arbitration of employee labor disputes would constitute a major shift in the policies of this state. The Committee does not favor such a change. Vote 15-0. Rep. David M. Perry for Municipal and County Government.

**HB 595-FN**, relative to citations for building code and land use violations. **OUGHT TO PASS WITH AMENDMENT.**

This bill extends municipalities' enforcement powers over local land use and building code violations. The procedure parallels existing law for traffic citation procedures. It provides a less expensive remedy for towns and cities in those cases where there is no real dispute over the fact that a violation exists, but where the landowner has failed to respond to violation letters. Vote 15-0. Rep. Martha Fuller Clark for Municipal and County Government.

## Amendment

Amend the introductory paragraph of RSA 676:17-a as inserted by section 2 of the bill by replacing it with the following:

676:17-a Local Land Use Citations; Pleas by Mail. A building inspector or other local official with authority to prosecute an offense within the scope of RSA 676:17, and who, prior to or at the time of serving the summons, elects, pursuant to RSA 676:17, V, to charge the offense as a violation, may issue and serve upon the defendant, in addition to the summons, a local land use citation as set forth in this section. The defendant receiving such a citation may plead guilty or nolo contendere by mail by entering that plea as provided herein. If such a plea is accepted by the court, the defendant shall not be required to appear personally or by counsel; otherwise he shall appear as directed by the court. The following procedure shall be used:

Amend RSA 676:17-a, V(a) as inserted by section 2 of the bill by replacing it with the following:

(a) Is defaulted in accordance with the provisions of paragraph IV of this section;

**HB 625-FN**, relative to hearings on tax abatements for property taxes. OUGHT TO PASS WITH AMENDMENT.

This bill eliminates existing confusion cited by the Board of Tax and Land Appeals and is a further tightening up of procedures relative to appeals for abatement of taxes. Vote 10-5. Rep. Karen O. Wadsworth for Municipal and County Government.

#### Amendment

Amend the bill by replacing section 1 with the following:

1 Hearing Procedure. Amend RSA 76:16 to read as follows:

76:16 By Selectmen or Assessors.

*I. Selectmen or assessors, for good cause shown, may abate any tax assessed by them or by their predecessors. Any person aggrieved by the assessment of a tax and who has complied with the requirements of RSA 74, may, within [60 days] 2 months after notice of the tax, and not afterwards, apply in writing to the selectmen or assessors for an abatement of the tax.*

*II. Upon receipt of an application under paragraph I, the selectmen or assessors shall review the application and grant or deny the application in writing within 4 months after notice of such tax, and failure to do so shall constitute a denial. "Notice of such tax" is defined in RSA 76:16-a, I.*

#### AMENDED ANALYSIS

The bill changes the filing period for requesting a tax abatement from the municipalities from 60 days to 2 months to make time periods consistent in the statute. The bill also makes explicit the town's existing duty to review and decide abatement applications, specifying a time period to complete such review and decision.

**HB 633-FN**, to clarify the handling of administrative fees required by local land use boards, relative to elected planning board members, and relative to the definition of "mayor" for planning and zoning purposes. OUGHT TO PASS.

This bill provides needed clarification regarding the handling of application and other administrative fees which a local land use board imposes and which will be spent in connection with that application. It also clarifies the composition of the planning board in towns with charters. This bill is an example of the Legislature's willingness to give municipalities more control in handling their fiscal affairs. Vote 16-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 652-FN**, relative to the duties of the board of tax and land appeals and the department of revenue administration. OUGHT TO PASS.

This bill was filed at the request of both the Department of Revenue Administration and the Board of Tax and Land Appeals. It removes a layer of bureaucracy and switches some minor functions from one group to the other. It will make processing of certain information more expeditious. In 1988, fees for all appeals to the BTLA were increased to \$40, but were inadvertently omitted from one section. The bill corrects the omission. Vote 14-0. Rep. Karen O. Wadsworth for Municipal and County Government.

**HB 680-FN**, relative to manufactured housing on the land of another. OUGHT TO PASS.

The Committee received substantial testimony from mobile home owners, tenants associations and owners of manufactured housing parks in support of this bill. Mobile

homes have been considered real estate property since 1983 and this bill gives owners of mobile homes the same rights as other homeowners. Therefore, it is the unanimous opinion of the Committee that since mobile homes are classified as manufactured housing and treated as real estate, property tax bills should be sent to homeowners, not park owners. Vote 17-0. Rep. Thomas B. Salatiello for Municipal and County Government.

**HB 690-FN**, relative to a supplemental property tax. INEXPEDIENT TO LEGISLATE.

It was the feeling of the Committee that this bill has some merit. However, the testimony heard indicated the bill needs a lot more work to make the bill practical. The sponsors agreed. Vote 17-0. Rep. Fredrik Peyron for Municipal and County Government.

**HB 697-FN**, relative to compliance with local codes and zoning ordinances and the operation of child day care agencies. RE-REFER TO COMMITTEE.

Testimony on this bill made it clear that this is a subject which deserves careful consideration. While the bill is a result of a lengthy study by those concerned with providing home day care, it needs to be studied in the context of planning and zoning statutes. The Committee would like time to try to solve the zoning problems faced by home day care providers without usurping local control. Vote 17-0. Rep. Karen O. Wadsworth for Municipal and County Government.

**HB 724-FN**, requiring a waiting period for certain applicants for public assistance. INEXPEDIENT TO LEGISLATE.

This bill is Inexpedient to Legislate at the request of the sponsors. Vote 16-0. Rep. Martha Fuller Clark for Municipal and County Government.

**HB 751-FN**, concerning the procedure for local enforcement of certain state environmental laws. OUGHT TO PASS WITH AMENDMENT.

Environmentally oriented laws and regulations are increasing in number and complexity at both federal and state levels. Public awareness and sensitivity to the environment is significant. This bill permits towns and cities to seek Superior Court relief for violations of certain state environmental laws. The Committee feels that local officials should not remain powerless over these violations in those cases where state officials cannot respond in a timely manner. The amendment permits towns and cities to seek only injunctive relief rather than any fine or penalty, and requires 30 days advance notice to the Attorney General and the Department of Environmental Services, unless that delay would cause serious or irreparable public harm. Vote 17-0. Rep. Richard T. Trelfa for Municipal and County Government.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraphs; Air Pollution Enforcement. Amend RSA 125-C:15 by inserting after paragraph II, the following new paragraphs:

III. Municipalities may apply to a justice of the superior court for ex parte, temporary, or permanent injunctive relief or any combination of such injunctive relief against existing or impending violations of this chapter, or any rule or order issued under this chapter. The municipality shall notify the attorney general and the commissioner of environmental services 30 days prior to the commencement of any such action, unless more immediate action is necessary to prevent irreparable environmen-

tal damage or other serious public harm, in which case such notice shall be given as soon as practicable, but in no event any later than concurrently with the commencement of the action. In any such action, the municipality shall recover its costs and reasonable attorney's fees if it is found to be the prevailing party.

IV. In any injunctive action under this section, proof of the violation shall be deemed a sufficient showing of irreparable harm.

2 New Paragraphs; Illegal Waste Disposal Enforcement. Amend RSA 149-M:12 by inserting after paragraph V, the following new paragraphs:

VI. Municipalities may apply to a justice of the superior court for ex parte, temporary, or permanent injunctive relief or any combination of such injunctive relief against existing or impending violations of this chapter, or any rule or order issued under this chapter. The municipality shall notify the attorney general and the commissioner of environmental services 30 days prior to the commencement of any such action, unless more immediate action is necessary to prevent irreparable environmental damage or other serious public harm, in which case such notice shall be given as soon as practicable, but in no event any later than concurrently with the commencement of the action. In any such action, the municipality shall recover its costs and reasonable attorney's fees if it is found to be the prevailing party.

VII. In any injunctive action under this section, proof of the violation shall be deemed a sufficient showing of irreparable harm.

3 Wetlands Enforcement. Amend RSA 482-A:14-b to read as follows:

482-A:14-b Removal; Restoration; Equity Relief.

I. Whoever fails, neglects or refuses to comply with this chapter or rules adopted under this chapter, or an order or condition of a permit issued under this chapter, or misrepresents any material fact made in connection with any activity regulated or prohibited by this chapter, whether or not the owner of the land in question, shall be liable for the removal of fill, spoil or structure placed pursuant to such a violation and the restoration of any wetlands disturbed in connection with the violation. The superior court shall have jurisdiction to order such relief and such additional relief in equity as may be appropriate.

*II. Municipalities may apply to a justice of the superior court for ex parte, temporary, or permanent injunctive relief or any combination of such injunctive relief against existing or impending violations of this chapter, or any rule or order issued under this chapter. The municipality shall notify the attorney general and the commissioner of environmental services 30 days prior to the commencement of any such action, unless more immediate action is necessary to prevent irreparable environmental damage or other serious public harm, in which case such notice shall be given as soon as practicable, but in no event any later than concurrently with the commencement of the action. In any such action, the municipality shall recover its costs and reasonable attorney's fees if it is found to be the prevailing party.*

*III. In any injunctive action under this section, proof of the violation shall be deemed a sufficient showing of irreparable harm.*

4 Drinking Water Enforcement. Amend RSA 485:20 to read as follows:

485:20 Injunctions. The superior court shall have power to issue injunctions restraining any person from violating the provisions of [the preceding section] *this subdivision.*

*II. Municipalities may apply to a justice of the superior court for ex parte, temporary, or permanent injunctive relief or any combination of such injunctive*

*relief against existing or impending violations of this chapter, or any rule or order issued under this chapter. The municipality shall notify the attorney general and the commissioner of environmental services 30 days prior to the commencement of any such action, unless more immediate action is necessary to prevent irreparable environmental damage or other serious public harm, in which case such notice shall be given as soon as practicable, but in no event any later than concurrently with the commencement of the action. In any such action, the municipality shall recover its costs and reasonable attorney's fees if it is found to be the prevailing party.*

*III. In any injunctive action under this section, proof of the violation shall be deemed a sufficient showing of irreparable harm.*

5 New Paragraphs; Surface Waters Enforcement. Amend RSA 485-A:22 by inserting after paragraph III the following new paragraphs:

III-a. Municipalities may apply to a justice of the superior court for ex parte, temporary, or permanent injunctive relief or any combination of such injunctive relief against existing or impending violations of this chapter, or any rule or order issued under this chapter. The municipality shall notify the attorney general and the commissioner of environmental services 30 days prior to the commencement of any such action, unless more immediate action is necessary to prevent irreparable environmental damage or other serious public harm, in which case such notice shall be given as soon as practicable, but in no event any later than concurrently with the commencement of the action. In any such action, the municipality shall recover its costs and reasonable attorney's fees if it is found to be the prevailing party.

III-b. In any injunctive action under this section, proof of the violation shall be deemed a sufficient showing of irreparable harm.

6 Sewage Disposal Enforcement. Amend RSA 485-A:44 to read as follows:

485-A:44 Injunction to Enforce.

I. On application of the division, the superior court or any justice of the court, in term time or in vacation, may enjoin any act in violation of this subdivision.

*II. Municipalities may apply to a justice of the superior court for ex parte, temporary, or permanent injunctive relief or any combination of such injunctive relief against existing or impending violations of this chapter, or any rule or order issued under this chapter. The municipality shall notify the attorney general and the commissioner of environmental services 30 days prior to the commencement of any such action, unless more immediate action is necessary to prevent irreparable environmental damage or other serious public harm, in which case such notice shall be given as soon as practicable, but in no event any later than concurrently with the commencement of the action. In any such action, the municipality shall recover its costs and reasonable attorney's fees if it is found to be the prevailing party.*

*III. In any injunctive action under this section, proof of the violation shall be deemed a sufficient showing of irreparable harm.*

7 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill establishes the procedure for municipalities to follow to obtain ex parte, temporary or permanent injunctive relief or any combination of such injunctive relief against existing or impending violations of certain of the state's environmental laws.

**HB 774-FN**, relative to charter commission membership and procedure. **INEXPEDIENT TO LEGISLATE.**

This piece of legislation is not needed inasmuch as there is existing legal procedure to allow the action as proposed by this bill. Vote 17-0. Rep. Gabriel J. Daneault for Municipal and County Government.

**HB 173-FN**, establishing a committee to study recodification of the fire laws. **ought to pass with amendment.**

House Bill 173 establishes a committee to study RSA 154 relative to duties and powers of firewards. A few years ago a committee was established to study all fire laws. This committee met and asked for additional time to produce its report and failed to do so. This bill will approach the subject on a limited basis, dealing only with the outdated statutes concerning a "fireward" system of organizing and regulating volunteer fire departments. Vote 10-0. Rep. David A. Welch for Public Protection and Veterans Affairs.

### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

establishing a committee to study certain provisions of RSA 154  
relative to powers and duties of firewards.

Amend the bill by replacing all after the enacting clause with the following:

I Committee Established. There is established a committee to study recodification of certain fire laws of New Hampshire. The committee shall consist of the following members:

I. Two members of the house of representatives, appointed by the speaker of the house.

II. One member of the senate, appointed by the president of the senate.

III. The state fire marshal, or designee.

IV. A representative from the New Hampshire fire standards and training commission, appointed by the commissioner of safety.

V. A representative from the New Hampshire Association of Fire Chiefs, Inc., appointed by such association.

VI. A representative from the New Hampshire Municipal Association; appointed by such association.

VII. Two public members, appointed by the governor.

2 Meetings; Chair; Mileage.

I. Appointments to the committee shall be made within 30 days of the effective date of this act, and the first meeting of the committee shall be called by the first-named house member and shall be held within 60 days of the effective date of this act. The committee shall elect a chair at its first meeting.

II. The committee shall receive the cooperation and technical assistance of any state agency as may be required. The legislative members shall receive legislative mileage in connection with the committee's work.

III. The office of legislative services shall provide technical and legal assistance to the committee, and the director of legislative services is authorized, subject to approval of the legislative facilities committee, to contract with such additional personnel as may be required.

3 Duties; Report. The primary duty of the committee shall be to study the provisions of RSA 154 relating to powers and duties of firewards, and any other relevant fire laws of the state of New Hampshire. The committee shall submit its findings together with its recommendations for proposed legislation to the speaker of the house, the president of the senate and the governor on or before November 1, 1991.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill establishes a committee to study the provisions of RSA 154 relating to powers and duties of firewards, and other fire laws in the state of New Hampshire. The committee is to submit a report with its recommendations for proposed legislation to the speaker of the house, the president of the senate, and the governor on or before November 1, 1991.

**HB 282-FN**, relative to the BOCA Basic Building Code and the Life Safety Code. OUGHT TO PASS WITH AMENDMENT.

By statute, the State of New Hampshire has adopted the "Building Officials and Code Administration BOCA Code" and the "Life Safety Code" of the National Fire Protection Association. These codes prescribe fire and safety standards in all buildings constructed by the state and its agencies. The codes are periodically updated to reflect the latest thinking and procedures in construction and fire and safety standards. This legislation allows the state Fire Marshal to adopt the most current editions of the codes, then the means of "interim rules," to require action within a reasonable time, while the standard rulemaking process is in being. Vote 13-0. Rep George R. Rubin for Public Protection and Veterans Affairs.

#### Amendment

Amend the bill by replacing section 1 with the following:

1 Rulemaking Added. Amend RSA 153:5 to read as follows:  
153:5 Rules.

*I.* The state fire marshal shall adopt rules, with the approval of the commissioner of safety, to be known as the state fire code, pursuant to RSA 541-A, to further the purposes of this chapter and such applicable fire safety and building laws as he shall deem necessary for the protection from fire and fire hazards for people in the state and for the general welfare of property and people within the state. The rules may include, but not be limited to, the keeping, storage, use, manufacture, sale, handling, transportation or disposal of highly flammable materials and rubbish, and of flammable fluids and compounds and flammable tablets and may include standards for the materials and construction of receptacles and buildings to be used for any of these purposes. The fire marshal may adopt *the most recent edition of the* provisions of the national fire protection association code or other recognized codes as rules, in whole or in part; however, such rules shall not require automatic suppressant or sprinkler systems in areas of buildings or additions, in which the discharge of water would be undesirable as determined by the state fire marshal, or in rooms or areas containing either generators, transformers, telecommunications equipment or facilities or electronic data processing equipment, or in facilities in which rooms or areas are protected with an automatic fire alarm system]. The rules shall apply to the construction and remodeling of buildings and structures for the containment of flammable liquids and to the new installation and replacement of equipment used in connection with flammable liquids. The rules shall apply to existing buildings, structures or equip-

ment. The fire marshal may exempt a building, structure or equipment from such rules if he finds that such exemption does not constitute a hazard to the public welfare and safety. A reasonable time, as determined by the state fire marshal, shall be allowed to make necessary alterations. Nothing in this section shall be construed to prevent municipalities from adopting bylaws or ordinances relative to a subject area of rules adopted by the fire marshal in accordance with this section if such bylaws or ordinances are no less restrictive than those adopted by the fire marshal.

*II. No rule adopted pursuant to paragraph I of this section shall require, in any building owned or occupied by a political subdivision of the state as of January 1, 1992, automatic suppressant or sprinkler systems in areas in which the discharge of water would be undesirable as determined by the state fire marshal, or in rooms or areas containing generators, transformers, telecommunications equipment or facilities, or electronic data processing equipment, or in facilities in which rooms or areas are protected with an automatic fire alarm system. For purposes of this paragraph, "political subdivision" shall have the same meaning as it does under Part I, Article 28-a of the New Hampshire constitution.*

Amend the bill by replacing section 4 with the following:

4 Effective Date. This act shall take effect Jan. 1, 1992.

#### AMENDED ANALYSIS

This bill clarifies which versions of the BOCA code and the Life Safety Code are in effect for public buildings.

The bill also prohibits the state fire marshal from adopting any rule to require in buildings owned or occupied by a political subdivision of the state as of the effective date of this bill automatic suppressant or sprinkler systems in areas in which the discharge of water would be undesirable or in certain other areas.

**HB 465**, relative to a state veterans cemetery at Pease Air Force Base. OUGHT TO PASS WITH AMENDMENT.

The "Subcommittee on Veterans Cemeteries" spent considerable time on site at the Pease Air Force facility, exploring sites for a proposed veterans cemetery. The Subcommittee was most favorably impressed with a 100 acre site in the Wildlife Refuge Area. This site has a suitable road network, certain usable structures and terrain which is suitable for in-ground interments. The amendment divides responsibility for the cemetery, if it comes into being, between the New Hampshire State Veterans Council for rules and regulations as to eligibility for interment therein, and the New Hampshire Department of Transportation for the planning and physical development of the cemetery. The location in the Wildlife Refuge Area has been approved by the Pease Redevelopment Authority. Vote 13-0. Rep. Dennis H. Fields for Public Protection and Veterans Affairs.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to a veterans' cemetery at the Pease Air Force facilities under the Pease development authority.

Amend the bill by replacing section 1 with the following:

1 Veterans' Cemetery. When and if land at the Pease Air Force facilities under the Pease development authority becomes available to the state for development as a veterans' cemetery, the department of transportation shall be authorized to plan and develop such cemetery and to accept public and private funds for the purpose of establishing such cemetery. The state veterans council shall adopt rules under RSA 541-A relative to the priorities for interment in the cemetery.

#### AMENDED ANALYSIS

This bill permits the department of transportation to plan and accept public and private funds for the establishment of a veterans' cemetery on land at the Pease Air Force facilities, when and if such land becomes available to the state for this purpose. The state veterans council is granted rulemaking authority relative to priorities for interment in the cemetery.

Rep. Thomas J. Christie notified the Clerk that he wished to be recorded in favor of HB 465.

**HB 583-FN**, relative to carrying pistols and revolvers. **OUGHT TO PASS WITH AMENDMENT.**

This legislation affects several changes in the procedures for licensing the carrying of handguns. The period of license is extended from two to four years, with commensurate increase of local fees from \$4 to \$8 for New Hampshire residents, and from \$10 to \$20 for out-of-state permittees, for whom the license permit also is increased from two to four years. A major change in permit procedure is that after the eighth year, the next permit shall be in effect "until revoked," which means that the permit could be in effect for the permittee's lifetime.

Additionally, the present application form, provided by the State Police, shall be the only such form to be used by municipal licensing officials.

The Committee felt that no changes should be made in the present procedure pertaining to out-of-state peace officers requiring New Hampshire permits; this would permit the State Police to maintain the same measure of knowledge and control over out-of-state peace officers carrying handguns into New Hampshire, as they do over all other out-of-staters. Vote 14-0. Rep. Robert J. Daly for Public Protection and Veterans Affairs.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Licenses to Carry Loaded Pistols and Revolvers. Amend RSA 159:6 to read as follows:

159:6 License to Carry. The selectmen of a town or the mayor or chief of police of a city or some full-time police officer designated by them respectively, upon application of any resident of said town or city, or the director of state police, or some person designated by him, upon application of a nonresident, shall issue a license to such applicant authorizing him to carry a loaded pistol or revolver in this state for not more than [2] 4 years from the date of issue, if it appears that the applicant has good reason to fear injury to his person or property or has any proper purpose, and that he is a suitable person to be licensed. Hunting or target shooting shall be considered a proper purpose. The license shall be in duplicate and shall bear the name, address, description and signature of the licensee. The original thereof shall be delivered to the licensee and the duplicate shall be preserved by the people issuing the same for [2] 4

years. *Notwithstanding any other provisions of this section, any resident who has held a valid license under this section for an uninterrupted period of 8 years, may, upon the first subsequent application for a license by such person, be issued a license that shall be valid until and unless revoked in accordance with RSA 159:6-b.*

[The license] *All licenses* shall be issued within 14 days after application therefore, and, if such application is denied, the reason for such denial shall be stated in writing, the original of which such writing shall be delivered to the applicant, and a copy thereof kept in the office of the person to whom the application was made. The fee for licenses issued to residents of the state shall be [\$4] **\$8**, which fee shall be for the use of the law enforcement department of the town granting said licenses; the fee for licenses granted to out-of-state residents shall be [\$10] **\$20**, which fee shall be for the use of the state. The director of state police is hereby authorized and directed to prepare forms for the licenses required under this chapter *and forms for the application for such licenses* and to supply the same to officials of the cities and towns authorized to issue said licenses. *No other forms shall be used by officials of cities and towns.* The cost of said forms shall be paid out of the fees received from nonresident licenses.

2 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill increases the term of licenses granted to residents to carry loaded pistols and revolvers from 2 years to 4 years. It allows certain residents to hold licenses for a term longer than 4 years. The bill raises resident fees for such licenses from \$4 to \$8 and nonresident fees for such licenses from \$10 to \$20. The bill requires town and city officials to use forms for license applications and licenses provided by the director of the division of state police.

**HB 425**, enabling the state and counties to contract with private entities to manage and operate state and county correctional facilities. RE-REFER TO COMMITTEE.

There are a number of questions and concerns from the Governor and other interested parties concerning privatization of prisons and the Committee would like to have the time to adequately address these concerns to everyone's satisfaction. Vote 13-1. Rep. Gene G. Chandler for Public Works.

**HB 553-FN**, relative to the Bridge Street Bridge over Storrs Street in the city of Concord. OUGHT TO PASS.

Funding for replacement of the Washington Street Bridge in Penacook having been provided already utilizing local impact fees, this bill requests transfer of funding priority to the Bridge Street Bridge over Storrs Street which has deteriorated at an unexpectedly rapid rate. Because Bridge Street carries heavy east-west traffic on New Hampshire Route 9, the request was supported at the hearing by the New Hampshire Department of Transportation. Vote 14-0. Rep. John F. Weeks, Jr. for Public Works.

**HB 723-FN**, relative to Concord - state cooperation. OUGHT TO PASS WITH AMENDMENT.

This bill requires that, prior to a state purchase, taking or disposal of real estate within the Concord area, the State Capitol Region Planning Commission shall be notified for its consideration of the matter. Vote 13-2. Rep. Peter M. Stio for Public Works.

### Amendment

Amend the bill by deleting section 3 and renumbering sections 4 - 6 to read as 3 - 5, respectively.

Amend 1965, 345:4 as inserted by section 4 of the bill by replacing it with the following:

345:4 Report. The commission shall examine and make recommendations concerning issues confronting the city of Concord and adjacent towns as a capitol city and region. The commission shall report on July 1 of each year to the governor and council, the mayor of Concord, the senate president and the speaker of the house. The reports may be made more frequently if desired by the commission. *Prior to state purchase or acquisition of any land or buildings within the city of Concord or the Concord region in accordance with RSA 4:29 and 4:30 or disposal of any state-owned real estate within the city of Concord or the Concord region in accordance with RSA 4:40, the commission shall report any contemplated purchase or sale, as it relates to the plan developed under section 1 of this act, to the governor and council.*

### AMENDED ANALYSIS

This bill requires that, prior to a state purchase or taking of real estate within the capitol region, the state-capitol-region planning commission shall be provided notice and shall report the contemplated purchase or taking to the governor and council as it relates to the plan for the development of the central government area and facilities in the city of Concord.

**HB 782-FN**, renaming the Piscataqua River bridge. **INEXPEDIENT TO LEGISLATE.**

Mr. David H. Stevens was obviously a very special individual who served the state of Maine with great ability for over 30 years. The vote of the Committee should in no way be interpreted as a disrespect to Mr. Stevens' memory or, as a doubt that Mr. Stevens had a permanent and positive effect on the governing authorities which he served.

In what proved to be a most difficult vote, the Committee believes that this most monumental bridge which joins New Hampshire and Maine should remain entitled: "The Piscataqua River Bridge," and any renaming of it should be reserved, especially given that the Maine Legislature has yet to endorse similar legislation. Vote 8-6. Rep. David J. Alukonis for Public Works.

**HCR 6**, urging the New Hampshire department of transportation to establish and implement an "Adopt-a-Highway" program. **INEXPEDIENT TO LEGISLATE.**

This resolution would urge the Department of Transportation to establish an "Adopt-a-highway" program similar to those in various other states, whereby local volunteer groups are encouraged to "adopt" a section of highway and provide trash pick-up and other roadside beautification services. Although its intent is laudable, the Committee did not support the proposal because of concerns about safety and possible excessive state liability exposure. Vote 13-1. Rep. John F. Weeks, Jr. for Public Works.

**HB 390**, relative to technical corrections in the liquor laws. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 390 makes technical corrections to the Liquor Laws. House Bill 1410 (recodification of title 13) became law July 1, 1990. Since then numerous errors and

omissions have been brought to the Committee's attention. The Committee endorses these corrections and asks your support on the amendment. Vote 19-0. Rep. Thomas A. Behrens for Regulated Revenues.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph; Billboard; Definition. Amend RSA 175:1 by inserting after paragraph XI the following new paragraph:

XI-a. "Billboard" means a large, flat surface, panel, wall, or fence outside on which advertising is posted, written or carried, or specifically authorized signs where the lettering advertising beverages or liquor exceeds 10 inches in height and is visible to the general or non-paying public.

2 New Paragraph; Common Carrier; Definition. Amend RSA 175:1 by inserting after paragraph XXIV the following new paragraph:

XXIV-a. "Common carrier" means a person who, for a fee, provides public transportation of goods or persons and who is licensed by the Interstate Commerce Commission or the New Hampshire department of safety.

3 New Paragraph; Happy Hour; Definition. Amend RSA 175:1 by inserting after paragraph XXXVI the following new paragraph:

XXXVI-a. "Happy hour" means any specific or special time period, advertised or not, which is promoted by a licensee and during which beverages are or liquor is sold at discounted or reduced prices to individuals or groups. Happy hour shall include, but not be limited to, so called "ladies' or men's nights." Champagne brunches and similar package offerings, however, shall not be included.

4 Reference Inserted. Amend RSA 175:1, XLIII to read as follows:

XLIII. "Liquor and wine import warehouse" means a person holding a liquor or wine vendor's license or both as issued by the commission, who maintains a warehouse for product storage, and the appropriate records of his business operations. An importer shall sell liquor and wine only to the commission [or], to out-of-state entities, *or as provided by RSA 178:5, II.*

5 New Paragraphs; Primary Source; Private Group; Definition. Amend RSA 175:1 by inserting after paragraph LIV the following new paragraphs:

LIV-a. "Primary source" means the distiller, producer, owner of the commodity at the time it became a marketable product, bottler or exclusive agent of any such distributor or owner. In the case of imported products, the primary source of supply means either the foreign producer, owner, bottler or agent or the prime importer from, or the exclusive agent in, the United States of the foreign distiller, producer, bottler or owner.

LIV-b. "Private group" means an assembly of persons gathered for a designated social or business occasion, present by invitation or reservation and shall not be construed to mean the general public.

6 New Paragraph; Public Building; Definition. Amend RSA 175:1 by inserting after paragraph LV the following new paragraph:

LV-a. "Public building" means any building maintained and available for any person, group, or organization, which may include retail business establishments, when they are not open to the public; licensed premises, provided there is a physical immovable barrier between the licensed business and the rented area; and tents, gazebos, or other defined outdoor areas, provided 2 separate toilet facilities are located in

the immediate vicinity. A public building shall not be construed to mean a private residence.

7 Motor Vehicle Racetracks. Amend RSA 175:1, LVI to read as follows:

LVI. "Racetrack" means a facility which is licensed by the state's pari-mutuel commission, for pari-mutuel betting purposes *or a commercial motor vehicle race-track facility with a paved course of at least 1/2 mile and seating for at least 20,000 persons.*

8 Changing Obsolete Reference to Public Utilities Commission. Amend RSA 175:1, LXV to read as follows:

LXV. "Vessel" means a boat, ship or vessel approved by the U.S. Coast Guard or [public utilities commission] *department of safety*, whichever shall apply, for hire, operating out of any port of the state.

9 Transportation of Liquor. Amend RSA 175:6 to read as follows:

175:6 Transportation of Liquor. No person shall transport liquor in this state in a greater quantity than 3 quarts, unless said liquor was purchased from a state store or from a holder of a combination or retail wine license in accordance with RSA 178:16 and RSA 178:17 or from a winery holding a limited winery special sales license in accordance with RSA 178:6. Provided, however, that the commission in its discretion may grant to an individual, upon application, a license to transport for a specific journey liquor not purchased at a state store for his own personal use, in a quantity not to exceed 3 gallons. Quantities exceeding 3 gallons may be transferred with a license issued by the commission providing a fee of 25 percent of the entire value of the product is paid to the commission. *It shall be lawful for import warehousemen, under rules adopted by the commission pursuant to RSA 541-A to transport liquor as provided by RSA 178:5, II.* It shall be lawful for common carriers to transport liquor to state stores, to state warehouses, to licensees under this title, to purchasers of liquor at state stores, and from manufacturers to state warehouses, state stores, and to the state line for transportation outside the state; for licensees under this title to transport liquor from state stores to their place of business; and for manufacturers to transport within the state to state warehouses and state stores and to the state line for transportation outside the state.

10 Changing Obsolete Reference to State Personnel Commission. Amend RSA 176:7 to read as follows:

176:7 Assistants. The state liquor commission may employ such assistants as are, in its opinion, necessary for the proper transaction of its business, and fix their compensation, subject to the [regulations] *rules* of the [state] *director of* personnel [commission]. It may secure any necessary technical or professional assistance.

11 Changing Obsolete Reference to Department of Personnel. Amend RSA 176:8, I to read as follows:

I. There shall be a chief of licensing and enforcement who shall report to the commission. He shall have such labor grade as may be determined by the [department] *division* of personnel. He shall supervise the day-to-day activities of the commission's enforcement and licensing functions. The chief shall handle all license applications. The chief shall make recommendations, in writing, to the commission, on whether to grant the license application. The commission shall then either grant or deny the request, stating their reasons in writing. An aggrieved applicant may appeal the commission's decision to the commission as a whole. Revocations and suspensions of licenses shall follow the same procedure.

12 Changing Obsolete Reference to Department of Personnel. Amend RSA 176:9, I to read as follows:

I. The commission may, subject to rules adopted by the [department] *director* of personnel, employ and dismiss liquor investigators. Liquor investigators shall, under the direction of the commission, investigate any or all matters arising under this title.

13 Changing an Obsolete Cross Reference. Amend RSA 176:10 to read as follows:

176:10 Preference Given. Any person who served for not less than 90 days in the armed forces of the United States during "any war in which the United States was engaged, and received an honorable discharge from such service," shall be given preference in appointment under the provisions of RSA 176:7, RSA 176:9, RSA 177:4, and RSA 179:59, if qualified [therefor and if registered in accordance with the provisions of RSA 283:7] *for such positions*.

14 Changing Obsolete Reference to State Purchasing Agent. Amend RSA 176:11 to read as follows:

176:11 Commission to Sell. It shall be the duty of the commission to buy and have in its possession liquor for sale in the manner provided in this title. Such liquors shall be free from adulteration and misbranding within the meaning of the provisions of RSA 146. All liquors sold for medicinal use shall conform to the standards and tests for such liquors as laid down in the United States Pharmacopoeia, official at the time of sale. All purchases of liquor shall be made by the commission directly and not through the [office of the state purchasing agent] *department of administrative services*. The commission shall be subject to all the provisions so far as applicable of RSA 9.

15 Changing Obsolete Reference to State Purchasing Agent. Amend RSA 176:15 to read as follows:

176:15 Insurance. The commission shall have power to insure the state liquor warehouse or warehouses and contents against fire and sprinkler damage and such insurance shall be purchased through the [director of purchase and property] *department of administrative services* after consultation with the board of approval established by RSA 93-B:2.

16 Purchases from Primary Sources. Amend RSA 176:17 to read as follows:

176:17 Purchases by the Liquor Commission. The liquor commission shall purchase all liquor[, wine, and beverages] from primary sources. [For the purposes of this title, primary source means the manufacturer or producer, whether or not it is within the state. If a primary source is not available.] The commission *may waive the requirement of primary source and* shall vote at its regular meeting to allow [an] *such* exemption and shall explain why such exemption has been allowed.

17 Changing Obsolete Reference to State Personnel Commission. Amend RSA 177:4 to read as follows:

177:4 Operation of State Stores; Salespersons. The commission may in its discretion operate stores for the sale of liquor in such cities and towns as shall have accepted the provisions hereof as hereinafter provided, and, subject to the [state personnel] rules *of the director of personnel*, and within the limits of available appropriations and funds, may employ salespersons to sell liquor in said stores. Any salesperson employed for any store shall have been a resident of the state for at least 6 months prior to such employment. The salaries of such salespersons shall not be governed by the amount of sales. No salesperson employed to sell liquor under the provisions of this chapter shall sell liquor except such as may be legally obtained under the provisions of this title.

18 Changing Obsolete Reference to State Personnel Commission. Amend RSA 177:5 to read as follows:

177:5 Sunday and Holiday Openings. Notwithstanding any other provision of law, the commission may, in its discretion, open for business on any Sunday or legal holiday any state liquor store located on a main route where traffic is heavy; provided, however, that no state liquor store may be opened for business at any time on January 1, Easter, Thanksgiving day, whenever appointed, and Christmas day. Although full-time employees shall be given the option of working, no such employee shall be required to work on such days. The commission may employ part-time employees, subject to the rules of the [state personnel commission] *director of personnel*, to staff stores open on Sundays or holidays. Any full-time employee who works on such days shall be paid 1-1/2 times his regular rate of pay for the actual number of hours worked.

19 Reference Added. Amend RSA 177:6 to read as follows:

177:6 Liquor Dispensed Only Through Commission. Except as provided in RSA 178:5, II and RSA 178:6, II, no liquor shall be sold in any state store, nor by any sales agent, nor by any person holding an on-sale or off-sale retail license under RSA 178, except that obtained from the commission.

20 Liquor Vendor License. Amend RSA 178:4 to read as follows:

178:4 Liquor Vendor License. Except as provided in RSA 178:6, II, any person desiring to sell liquor, other than table wine, shall register to do business with the commission, designate a licensed liquor representative, and obtain a liquor vendor license. A liquor company shall be defined for the purpose of this section as [a firm] *an individual*, partnership, or corporation. The vendor's license shall expire annually on the last day of the month of the incorporation or other organization of the liquor company and shall be renewed annually by the commission, upon application, unless the commission finds, after notice and hearing, that the renewal of such license would be against the public interest.

21 Grammatical Correction. Amend the section heading of RSA 178:6 to read as follows:

178:6 Wine [Manufacturer's] *Manufacturer* License.

22 Designating Representative. Amend RSA 178:7 to read as follows:

178:7 Table Wine Vendor License. Except as provided in RSA 178:6, II, no table wine shall be sold in this state except to the state liquor commission unless the manufacturer thereof holds a valid wine vendor license pursuant to the provisions of this chapter. Such wine vendor license shall be issued by the commission upon application for such license and payment of the required fee unless the commission finds the issuance of such a license is not consistent with the purposes of this title; provided, that the license shall not be granted unless and until such manufacturer shall have made a written agreement with the commission to comply with the rules adopted by the commission. *Each table wine vendor licensed shall designate a licensed liquor and wine representative for its product.* If a manufacturer fails to comply with said agreement or fails to comply with any law or rule, the commission may in its discretion suspend or revoke such license.

23 Compatible Licenses. Amend RSA 178:8 to read as follows:

178:8 Liquor and Wine Representative License. A liquor and wine representative license shall authorize its holder to offer for sale or solicit orders for the sale of any liquor or wine, if the vendor of such liquor or wine is the holder of a *liquor manufacturer or a liquor or wine vendor license*. A licensed liquor and wine representative

may also employ registered salespersons in accordance with RSA 178:9. A liquor or wine representative may not hold any other license except a liquor and wine [importer's] *importer* license, a liquor [vendor's] *vendor* license, a wine [vendor's] *vendor* license, [and] a liquor [manufacturer's] *manufacturer* license *and a beverage representative license*. The annual fee shall be due on the last day of the month of the licensee's birthday or, when the licensee is not a natural person, on the last day of the month of the licensee's incorporation or other organization. The commission shall approve all applications for licenses authorized under this section unless it shall have good cause not to approve one.

24 New Paragraphs; Beverage Manufacturer License. Amend RSA 178:10 by inserting after paragraph IV the following new paragraphs:

V. A manufacturer producing not more than 4,000 barrels of beverages within the state per year may sell beverages manufactured on his licensed premises directly to retail licensees subject to the provisions of RSA 178:30. The manufacturer of beverages producing not more than 4,000 barrels of beverages within this state per year may not sell to wholesale distributors without obtaining a beverage vendor license as required by RSA 178:12. Eighty-five percent of the beverages produced by such manufacturers in this state shall be sold within the state of New Hampshire.

VI. No person shall have through stock ownership, interlocking directors, or otherwise, an interest or control, either direct or indirect, in the business of the holder of a beverage manufacturer license unless he has been a resident of the state for at least 3 consecutive years immediately prior thereto. The provisions of this paragraph shall not apply to the renewal of beverage manufacturer permits which were in existence on March 1, 1991, nor shall it be deemed to refer to persons who acquired their interest as heirs-at-law or spouse of the deceased, by the law of intestate succession or, in the case of a will, those who acquired their interest under a will provided that such legatees are also heirs-at-law or spouse of the deceased.

25 Purchases by Retail Licensees. Amend RSA 178:13, IV to read as follows:

IV. The holder of a wholesale distributor license may hold one on-sale license with respect to the premises designated in such wholesale distributor license. The holder of a beverage manufacturer license shall not sell beverages to other licensees by virtue of such license unless he is also the holder of a beverage vendor license in this state. Retail licensees shall purchase only from holders of a wholesale distributor license *or directly from holders of a beverage manufacturer license producing not more than 4,000 barrels of beverages in this state per year as allowed under RSA 178:10.*

26 Change in Definition. Amend RSA 178:20, V(e)(3)(B) to read as follows:

(B) "Public building" means any building maintained and available for any person, group or organization, which may include retail business establishments, when they are not open to the public; licensed premises, provided there is a physical, unmovable barrier between the license business and the catered area; and tents, gazebos, or other defined outdoor areas, provided 2 separate toilet facilities are located in the immediate vicinity. A [private] *public* building shall [in no way] *not* be construed to mean a private residence.

27 Cocktail Lounges in Hotel Restaurants. Amend RSA 178:20, V(k) to read as follows:

(k) Hotel. The commission may issue a cocktail lounge license to any hotel holding a hotel full service restaurant license issued under RSA 178:19, II(b)(1) to serve liquor and beverages in any room of a hotel designated by the commission. No

cocktail lounge shall be operated on days that the dining room is closed. No cocktail lounge shall operate before the dining room opens for meals, except if breakfast and noon meals are not offered, the lounge may operate [one hour] **2 hours** before the dining room opens for the evening meal. The commission may extend the cocktail lounge license to include the use of a dining area in the restaurant of the hotel after such area has been closed for serving meals, but not before 9:00 p.m., as an overflow area for the cocktail lounge when the lounge is filled to capacity. In the overflow area, liquor and beverages need not be served with meals. [The number of guests allowed to use a dining area of the restaurant as a lounge on an overflow basis shall not exceed the number allowed to use the cocktail lounge area.] The commission may grant, regulate, suspend or revoke a cocktail lounge license without affecting any other license granted to a hotel.

28 Cocktail Lounges in Full Service Restaurants. Amend RSA 178:20, V(q) to read as follows:

(q) Full Service Restaurants. The commission may issue a cocktail lounge license to any full service restaurant holding a full service restaurant license under RSA 178:19, II(a)(1), to serve liquor and beverages in any room of the restaurant designated by the commission. The cocktail lounge shall be operated in conjunction with the dining rooms. No cocktail lounge shall be operated on days that the dining room is closed. No cocktail lounge shall operate before the dining room opens for meals, except if breakfast and noon meals are not offered, the cocktail lounge may operate [one hour] **2 hours** before the dining room opens for the evening meals. Liquor and beverages served in such room need not be consumed with meals. The commission may extend the cocktail lounge license to include the use of a dining area in the restaurant, after such area has been closed for serving meals, but not before 9:00 p.m., as an overflow area for the cocktail lounge when the lounge is filled to capacity. In the overflow area, liquor and beverages need not be served with meals. [The number of guests allowed to use a dining area of the restaurant as a lounge on an overflow basis shall not exceed the capacity of the lounge area.] Licenses shall be granted only to such restaurants as the commission, at its discretion, shall approve and then only to such restaurants as shall demonstrate to the commission, in the manner prescribed by the commission, that at least 50 percent of the combined restaurant and lounge and lounge sales shall fall within the category of food. Restaurants with annual food sales of at least \$100,000 shall be exempt from the 50 percent requirement, and the commission shall prorate the annual food sale requirements for seasonal restaurants. The commission may grant, regulate, suspend or revoke a cocktail lounge license without affecting any other license granted to such restaurant.

29 Age of License Applicant. Amend RSA 178:24, VIII(c) to read as follows:

(c) The applicant, and any principal controlling owners, directors or officers disclosed pursuant to paragraphs VI and VII of this section, are at least [18] **21** years of age and of sufficiently good character to leave no substantial doubt that the proposed business shall be operated in strict accordance with all applicable state and federal alcoholic beverage control laws and rules.

30 Discounts. Amend RSA 178:26, I to read as follows:

I. When fixing the price for sale of liquor and wine to on-sale licensees, the commission may allow discounts of not more than 10 percent from the regular retail price on case lot orders F.O.B. the warehouse *or commission direct delivery system*.

31 Adding Military Clubs and Special Licenses. Amend RSA 178:27, I to read as follows:

## I. On-sale licensees shall pay the following applicable fees annually:

|                          | Supplemental<br>Only                                    | Beverages<br>and Wine | Beverages<br>and Liquor | Cocktail<br>Lounge |
|--------------------------|---|-----------------------|-------------------------|--------------------|
| Airport                  |   |                       |                         | \$1,200            |
| Alpine Slide             |   |                       |                         | 1,200              |
| Ballroom                 | \$45  |                       |                         | 1,200              |
| Bed and Breakfast        |   | \$480                 | \$840                   |                    |
| Bowling Facility         |   |                       |                         | 1,200              |
| Catering (all)           |   |                       |                         | 1,200              |
| Catering (off-site only) |   |                       |                         | 840                |
| <b>Club Military</b>     |   |                       |                         | <b>100</b>         |

| Club Veterans            | 18 events - 450<br>36 events - 750<br>52 events - 1,200 |                       |                         | 840                |
| College Club             |   |                       |                         | 1,200              |
| Convention Center        |   |                       |                         | 2,400              |
| Dining Car               |   | 480                   |                         | 840                |
| Fairs                    |   | 112                   |                         |                    |
| Golf Facility            |   |                       |                         | 1,200              |
| Hotel                    |   |                       | 840                     | 1,200              |
| One Day License          |   |                       |                         | 100                |
| Performing Arts          |   |                       |                         | 336                |
| Race Track               |   |                       |                         | 3,000              |
| Racquet Sports           |   |                       |                         | 1,200              |
| Rail Cars                |   |                       |                         | 1,200              |
| Restaurant               |   | 480                   | 840                     | 1,200              |
| Ski Facility             |   |                       |                         | 1,200              |
| <b>Special License</b>   |   |                       | <b>25</b>               |                    |
| Vessel                   |   | 480                   | 840                     | 1,200              |

32 Beverage Vendor License. Amend RSA 178:27, III(b) to read as follows:

(b) Beverage vendor license \$1,920, *for each manufacturer whose beverages are sold or offered for sale.*

33 Seasonal and Fair Licenses. Amend RSA 178:27, VII to read as follows:

VII. A license, other than a [supplemental] *special seasonal, fair*, or one day license, shall expire on the last day of the month of the licensee's birthday. When the licensee is not a natural person, all licenses, other than [supplemental] *special seasonal, fair*, supplemental or one day licenses, issued pursuant to this chapter shall expire on the last day of the month in which such licensee was incorporated or otherwise organized. Any license may be revoked prior to its expiration date by the commission for cause.

34 Additional Fees Applicable to Wholesale Distributor Licensees; Changing Obsolete Reference to Commissioner of Public Works and Highways. Amend RSA 178:28 to read as follows:

178:28 Additional Fees.

I. In addition to the fees provided for in RSA 178:27 the following fees shall be required for licenses issued to wholesale distributors: for each wholesale distributor license \$.30 for every gallon of beverages sold for resale by the licensee during the preceding calendar month, to be paid to the commission on or before the tenth day of the following month; provided, however, that in the event beverage container mandatory deposit legislation is enacted, such fees shall revert to \$.18 per gallon as of the effective date of such legislation. For the purpose of computing the fee payable under this section all sales at retail by a wholesale distributor licensee [holding an off-sale license] shall be deemed to be sales for resale. Any wholesale distributor licensee shall collect, from on-sale and off-sale licensees to whom he makes sales of beverages, the fees required under this section. For failure to pay any part of the fees provided for under this section when due, 10 percent of such fees shall be added and collected by the commission from the wholesale distributor.

II. A sum of money from all sources of funds available to the [commissioner of public works and highways] *department of transportation* equivalent to 1/15 of all fees collected under paragraph I of this section shall be dedicated and used exclusively for the purpose of increased roadside litter removal for class I through class V highways; provided, however, that in the event beverage container mandatory deposit legislation is enacted, such amount shall cease to be so dedicated as of the effective date of such legislation.

35 Changing Obsolete Reference to Commissioner of Public Works and Highways. Amend RSA 178:30, II To read as follows:

II. A sum of money from all sources of funds available to the [commissioner of public works and highways] *department of transportation* equivalent to 1/15 of all fees collected under paragraph I of this section shall be dedicated and used exclusively for the purpose of increased roadside litter removal for class I through class V highways; provided, however, that in the event beverage container mandatory deposit legislation is enacted, said amount shall cease to be so dedicated as of the effective date of said legislation.

36 Wine Manufacturer's, Liquor and Wine Representative's, Liquor and Wine Salesperson's, and Table Wine Vendor's Interests Prohibited. Amend the section heading of RSA 179:12 to read as follows:

179:12 Wine Manufacturer's, *Liquor and Wine Representative's, Liquor and Wine Salesperson's*, and *Table Wine Vendor's* Interests Prohibited.

37 Certain Prohibited Interests. Amend RSA 179:12, I to read as follows:

I. No holder of a wine manufacturer license, *liquor and wine representative, liquor and wine salesperson, or table wine vendor*, and no officer, director, stockholder, employee or agent of the holder of a wine manufacturer license, *liquor and wine representative, liquor and wine salesperson, or table wine vendor* shall through interlocking stock ownership, interlocking directorship, or otherwise, have an interest, either direct or indirect, in the business of the holder of a retailer license.

38 Adding Beverage Manufacturers. Amend RSA 179:13, I to read as follows:

179:13 Limited Credits.

I. Each holder of a wholesale distributor *or beverage manufacturer* license shall report to the commission the name and license number of any on-sale or off-sale licensee who is delinquent in making payment of accounts within 10 days, including Sundays and holidays, from the date of delivery of beverages on the premises of such on-sale or off-sale licensee. Each holder of a beverage vendor license or beverage vendor importer license shall report to the commission the name and license number

of any holder of a wholesale distributor license who is delinquent in making payments of accounts within 30 days from the date of delivery of beverages on the premises of such holder of a wholesale distributor license. Such report to the commission shall include the amounts purchased and the dates when payments were due and shall be forwarded to the commission within 5 days after said accounts become delinquent, unless the fifth day of such period is a Sunday or holiday in which case the report shall be forwarded the day following such Sunday or holiday.

39 Adding Beverage Manufacturers. Amend RSA 179:13, III and IV to read as follows:

III. The commission shall inform holders of *beverage manufacturer licenses*, beverage vendor licenses, beverage vendor importer licenses, and wholesale distributor licenses of the names of licensees delinquent under the provisions of this section and no holder of a *beverage manufacturer license*, beverage vendor license, beverage vendor importer license, wholesale distributor license or beverage representative license shall knowingly make any delivery of beverages to any licensee whose payments for purchases of beverages are reported as delinquent under this section. The commission may withhold names of delinquent licensees under circumstances in which there is a dispute over payments, an agreement to liquidate which has been approved by the commission, or other reason which the commission may deem proper.

IV. The sum of \$150 shall be added to the fees provided under RSA 178:27 and collected by the commission for each failure of a holder of a *beverage manufacturer license*, beverage vendor license, beverage vendor importer license, wholesale distributor license, or beverage representative license to comply with the provisions of this section. Determinations of a failure to comply with this section shall be made by the commission.

*V. Each wholesaler distributor shall notify any retailer reported to the commission pursuant to RSA 179:13, I who is delinquent in making payment of account. Notification shall be delivered in writing to the licensee by a representative of the wholesaler. Proof of notification shall be forwarded to the commission, whose enforcement division shall issue an administrative notice for a violation of the provisions of RSA 178:13, I and shall forward a report of violation for administrative action. Any license issued to any business violating the provisions of RSA 179:13, I may be suspended by the commission for non-payment of accounts which are delinquent more than 15 days from the date of the wholesaler distributor's notification, providing the requirements of this section have been met.*

40 Reports. Amend RSA 179:14 to read as follows:

179:14 Reports. Each *beverage manufacturer licensee*, beverage vendor licensee, beverage vendor importer licensee and wholesale distributor of beverages within the state shall, on or before the tenth day of each month, furnish to the commission, on a form prescribed, a statement under penalty of perjury showing the quantity of beverages sold for resale and the quantity of beverages sold under an off-sale license during the preceding calendar month, within the state.

41 Games and Amusements. Amend RSA 179:19, VI to read as follows:

VI. On-sale licensees may install [up to 3 coin-operated] amusement machines on their premises [at any one time]. Such machines may not be placed within the confines of a dining room of a full service restaurant. [Non-coin-operated games, such as backgammon, chess, and checkers, may be used without restriction in areas other

than dining rooms of full service restaurants. A restaurant licensee with a dining room seating in excess of 250 persons may petition the commission in writing for permission to exceed the 3 machine limitation.]

42 Employment of Minors. Amend RSA 179:23, II to read as follows:

II. A bartender, waiter, or waitress in a *dining room* cocktail lounge, or function room shall be at least 18 years of age. An on-sale licensee may employ any person not less than [16] *18* years of age to serve or otherwise handle liquor and beverages while employed as a waiter, waitress, or hostess in the dining rooms. [Nothing in this section shall prohibit a waitress, waiter, or hostess from entering the lounge to fill orders of customers while so employed.] Minors not less than [15] *16* years of age may be employed in dining areas and lounge areas to clean tables, remove empty containers and glasses and assist in stocking. A person at least 18 years of age shall be in attendance and be designated in charge of the employees and business.

43 Restrictions on Internally Illuminated Signs. Amend RSA 179:25, VI to read as follows:

VI. No advertising of liquor or beverages sold in this state shall be allowed through the use of [either electric or directly or indirectly] *internally* illuminated signs, inside *or outside* the licensed premises. Notwithstanding the above, beverage manufacturers and wholesale distributors may, with prior approval of the commission, advertise on the site of their licensed premises through the use of [electric or directly or indirectly] *internally* illuminated signs.

44 Uses of Certain Advertising. Amend RSA 179:29, I to read as follows:

I. An industry member may furnish, give, rent, loan, or sell retailer advertising specialties to a retailer if such items bear advertising material and are primarily valuable to the retailer as a means of advertising. These items may include, but are not limited to: coasters, mats, menu cards, wine lists, meal checks, paper napkins, foam scrapers, back bar mats, thermometers, clocks and calendars. [No advertising of liquor or beverages shall be allowed through the use of either electric or directly or indirectly illuminated signs, inside or outside the licensed premises.] The name or name and address of the retailer may be added to the advertising specialty.

45 Listing Retail Prices. Amend RSA 179:31, V to read as follows:

V. The listing of retail prices [by, for or in] *on* behalf of retail licensees, [except for wine by off-premise licensees] *by a holder of a wholesale distributor license*, is prohibited in all newspaper, magazine, periodical, radio or television advertising.

46 Gifts of Beverage or Liquor. Amend RSA 179:41, I and II to read as follows:

I. No off-sale licensee shall give away any beverage [and], *liquor, or* wine with the purchase of merchandise or food or as payment in any business enterprise.

II. No licensee shall [change] *exchange* any coupon, ticket or check for beverages or liquor directly or indirectly in connection with any admission price or fee.

47 Specifying Types of Brewers and Importers. Amend RSA 180:9 to read as follows:

180:9 Exclusive Wholesale Distributor Territorial Agreements. It shall be unlawful for a wholesale distributor to sell any brand of beverage in this state except in the territory described in a distribution agreement authorizing sale by the wholesale distributor of that brand or label within a designated area, and within that designated area the wholesale distributor shall service all dealer and retailer licensees without discrimination. The distribution agreement shall be in writing and shall specify the brand or label it covers. When a beverage vendor or beverage vendor importer sells several brands, the agreement need not apply to all brands sold by the beverage ven-

door or beverage vendor importer and may apply only to one brand. No [brewer, importer] *beverage manufacturer, beverage vendor, beverage vendor importer* or other supplier shall provide by the written distribution agreement for the distribution of a brand or label to more than one distributor for all or any part of the designated territory.

48 Repeals. The following are repealed:

I. RSA 178:1, III-V, relative to residency requirements and conviction records of liquor and beverage manufacturers.

II. RSA 179:41, III and IV, relative to wholesale distributors and retailers.

49 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill adds definitions of "billboard," "common carrier," "primary source," and "happy hour" and makes some technical changes to the liquor laws.

The bill adds military clubs and special licenses to the liquor license fee schedule and clarifies the applicability of some licenses.

The bill prohibits any minor under the age of 18 from working as a waiter, waitress or bartender for a dining room and minors under the age of 16 from certain tasks in dining room and lounges.

The bill requires that any applicant for a license and any principal controlling owners, directors or officers of a licensed establishment be at least 21 years of age.

The bill allows certain beverage manufacturers to sell beverages manufactured on his premises directly to retail licensees.

The bill allows full service restaurants and hotel restaurants to open their lounges 2 hours before the dining room opens.

The bill removes restrictions on the number of amusement machines an on-sale licensee may install on his premises.

The bill repeals provision relating to residency requirements and conviction records of liquor and beverage manufacturers.

The bill also corrects obsolete references.

**HBI 3**, relating to purchases from beer distributors. **INEXPEDIENT TO LEGISLATE**.

This bill of intent was submitted at the request of an individual in business who had a disagreement with existing beer distribution procedures and policies. The Committee felt, considering the testimony offered, the situation would be resolved by coordination between the distributor and the customer. Vote 17-1. Rep. Stephen W. Buco for Regulated Revenues.

**HB 501-FN**, relative to electric utility conservation measures. **RE-REFER TO COMMITTEE**.

After hearing testimony on this bill, the Committee determined that there would be a larger impact on the power companies, ratepayers and Public Utilities Commission than was initially identified. More information is required to fully identify the impact. Vote 11-0. Rep. Philip M. Ackerman for Science, Technology and Energy.

**HB 510-FN**, relative to the energy conservation construction code. **RE-REFER TO COMMITTEE**.

The bill has much merit, but has been re-referred to be sure ASHRAE and BOCA regulations are being adhered to. Vote 11-0. Rep. Robert R. Jean for Science, Technology and Energy.

**HJR 1**, concerning the settlement of the Portsmouth, New Hampshire Naval Shipyard and inner Portsmouth Harbor border dispute between New Hampshire and Maine. OUGHT TO PASS WITH AMENDMENT.

Considerable effort went into crafting language which the sponsor and the Attorney General could both support. The bill as now presented is a strong statement of our determination to resolve the boundary dispute with Maine in an expeditious and appropriate manner. Vote 12-0. Rep. Peter Hoe Burling for State-Federal Relations.

#### Amendment

Amend the resolution by replacing all after the title with the following:

Whereas, there presently exists a border dispute between the state of New Hampshire and the state of Maine concerning the location of the interstate boundary in the vicinity of the Portsmouth, New Hampshire Naval Shipyard and inner Portsmouth Harbor; and

Whereas, the attorney general of New Hampshire has stated his determination that the historical record provides no evidence that the actual location of the boundary decreed by King George II in 1740 has ever been determined in the vicinity of the Portsmouth, New Hampshire Naval Shipyard and inner Portsmouth Harbor; and

Whereas, the governor of New Hampshire has asked the attorney general of New Hampshire to consider all appropriate avenues to resolve the boundary issue, up to and including action in the United States Supreme Court; now, therefore, be it

Resolved by the Senate and House of Representatives in General Court convened:

That the attorney general of New Hampshire shall consider all appropriate avenues to resolve the boundary issue, including action in the United States Supreme Court and to locate and definitively establish the interstate boundary in the vicinity of the Portsmouth, New Hampshire Naval Shipyard and inner Portsmouth Harbor; and

That no agreement or consent decree which concerns resolution of the border dispute be allowed to take effect unless approved by the house of representatives and senate of the state of New Hampshire.

#### AMENDED ANALYSIS

This joint resolution requires the attorney general of New Hampshire to consider all appropriate avenues to resolve the boundary issue between Maine and New Hampshire in the vicinity of the Portsmouth Naval Shipyard and inner Portsmouth Harbor including action in the United States Supreme Court.

**HJR 4**, relative to providing access to Flat Mountain Pond for members of the public. OUGHT TO PASS.

The Committee voted 13 to 0 that this Resolution "Ought to Pass" to give the sponsors and others the necessary "tool" to proceed with this issue of access to a State of New Hampshire great pond. Rep. Lowell D. Apple for State-Federal Relations.

**HB 206**, relative to OHRV noise levels. RE-REFER TO COMMITTEE.

The Committee has determined that the time allowed for recommittal action is too brief and indeterminate, especially for implementing planned physical demonstrations. Vote 13-1. Rep. John Hoar, Jr. for Transportation.

**HB 310-FN**, increasing the hazardous waste transporter vehicle registration fee. **OUGHT TO PASS WITH AMENDMENT.**

This bill provides for reasonable increases in hazardous waste transporter fees and establishes a revolving fund depository therefor. Vote 17-0. Rep. John Hoar, Jr. for Transportation.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

increasing the hazardous waste transporter vehicle registration fee and establishing a hazardous waste fund.

Amend the bill by replacing all after section 1 with the following:

2 Fees Assigned to Hazardous Waste Fund. Amend RSA 147-A:6, VI to read as follows:

VI. Fees received by the division of waste management under this section shall be *placed in a nonlapsing, revolving fund known as the hazardous waste fund. This fund is continually appropriated to be* used in processing transporter permit applications and monitoring compliance of transporters.

3 Revolving Fund. Amend RSA 6:12, I by inserting after subparagraph (mm) the following new subparagraph:

(nn) Moneys received under RSA 147-A:6, VI, which shall be credited to the hazardous waste fund established in RSA 147-A:6, VI.

4 Effective Date. This act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill increases from \$50 to \$100 the hazardous waste transporter vehicle registration fee assessed on each vehicle listed in the hazardous waste transporter permit application.

This bill also directs the division of waste management of the department of environmental services to deposit all hazardous waste transporter permit application fees into a nonlapsing, continually appropriated fund to be known as the hazardous waste fund. The fund is to be used for processing hazardous waste transporter permit applications and for monitoring compliance.

Referred to Appropriations.

**HB 417-FN**, relative to parking privileges for persons with walking disabilities. **INEXPEDIENT TO LEGISLATE.**

The Committee felt that walking disability parking privileges, as currently defined in the statutes, is adequate. Testimony from the Director of the Granite State Independent Living Foundation for the Disabled states he also is satisfied with the current statutes. Further, HB 417 would rescind the use of decals which currently have proven to be an acceptable way of identifying vehicles of the walking disabled. Vote 17-0. Rep. George N. Katsakiores for Transportation.

Rep. Thomas J. Christie notified the Clerk that he wished to be recorded in favor of the Committee report.

**HB 499-FN**, to prevent the registration of junk motor vehicles which are not intended for legal use on any public highway. **INEXPEDIENT TO LEGISLATE.**

The Committee heard testimony on both sides of this issue and discussed it at length. While, it felt some parts of the bill were well-intentioned, and would be of benefit to cities and towns, the Committee voted 15-0 Inexpedient to Legislate be-

cause it felt that these concerns would be best addressed at the local level through zoning ordinances. Rep. Andrew Christie, Jr. for Transportation.

**HB 517-FN**, relative to watercraft safety. OUGHT TO PASS WITH AMENDMENT.

The bill addresses some problems that have been found in RSA 270 and corrects them. It also establishes some new penalties with regard to the sale or possession of watercraft without an identification number or a muffling device. Vote 13-0. Rep. Andrew Christie, Jr. for Transportation.

#### Amendment

Amend RSA 270:25, I as inserted by section 2 of the bill by replacing it with the following:

I. No person shall own or operate *or sell or offer for sale* within the jurisdiction of this state, a boat propelled in whole or in part by gas, gasoline, diesel, or naphtha unless the boat is provided with an underwater exhaust or other muffling device constructed and used so as to muffle the noise of the explosion. *Nothing in this paragraph shall be construed to require an underwater exhaust or other muffling device on a boat that is being sold for salvage purposes.*

Amend RSA 270:12-d, III as inserted by section 4 of the bill by replacing it with the following:

III. It shall be a misdemeanor to buy, receive, possess, sell or dispose of a boat, engine or outboard motor knowing the hull identification number or serial number has been removed, changed or altered. If upon discovery of the removed, defaced, changed, or altered hull identification number or serial number, the person reports it to the nearest police station or the bureau of marine patrol, he shall not be charged with a violation.

Amend RSA 270:12-d as inserted by section 4 of the bill by deleting paragraph I and renumbering the original paragraphs II - V to read as I - IV, respectively.

Amend the bill by replacing all after section 4 with the following:

5 Revocation of Operating Privileges Added. Amend the introductory paragraph of RSA 270-E:17 to read as follows:

270-E:17 Revocation of Registration. In addition to any other authority provided by law, the commissioner is hereby authorized to revoke or suspend any registration issued pursuant to this chapter *or any privilege to operate a boat, or both*, upon a showing that:

6 Effective Date.

I. Section 5 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill allows the commissioner of safety or one of his authorized agents, to examine any boat at a dealer, fiberglass shop, auction or any place where boats are repaired or restored, to check hull identification or serial numbers.

The bill also permits the commissioner to revoke the privilege to operate or register a boat.

This bill prohibits the sale of boats which are unequipped with muffling devices. The bill allows the commissioner to waive certain administrative penalties for viola-

tions of boating laws and rules. It establishes criminal penalties for certain boating offenses.

This bill is a request of the department of safety.

**HB 528-FN**, relative to DWI and the ignition interlock device. **INEXPEDIENT TO LEGISLATE**.

This bill would have allowed the Director of Motor Vehicles to issue a conditional driver's license to any driver whose license had been revoked for DWI violations if said person's vehicle be equipped with an ignition interlock device. Testimony indicated that this device could easily be tampered with and could create more problems for law enforcement. Vote 12-1. Rep. Richard L. Haynes for Transportation.

**HB 605-FN**, establishing a committee to study the feasibility of a mass transportation authority. **INEXPEDIENT TO LEGISLATE**.

At the request of the sponsor, this bill was voted out as Inexpedient to Legislate. The Committee was in agreement with the sponsor that a companion bill would be more effective in its purpose. Vote 13-0. Rep. Thaddeus E. Klemarczyk for Transportation.

**HB 717-FN**, permitting the designation by a vehicle owner of a vehicle's recipient upon the owner's death. **OUGHT TO PASS WITH AMENDMENT**.

This bill would allow an owner of a motor vehicle to stipulate by a Certificate of Title the beneficiary of the vehicle upon the owner's death. Procedures to change the beneficiary are included. The certificate of title issued in beneficiary form cannot be revoked by a will. Vote 16-0. Rep. Roger D. Stewart for Transportation.

#### **Amendment**

Amend RSA 261:8-a, III as inserted by section 1 of the bill by replacing it with the following:

III. A certificate of title issued in beneficiary form shall include the words "transfer on death to" or the abbreviation "TOD" followed by the name of the beneficiary.

#### **REGULAR CALENDAR (continued)**

**HB 579**, relative to municipal charters. **OUGHT TO PASS**.

House Bill 579 is the same bill that was passed by the House last year. The Senate put it into study then let it die. The bill brings up-to-date the present laws for charters. There are numerous towns which need guidance in forming charters for their towns. This bill gives the help they need. Vote 13-2. Rep. David M. Perry for Municipal and County Government.

Adopted.

Ordered to third reading.

**HBI 2**, relating to the taxation of tax exempt property. **OUGHT TO PASS**.

House Bill of Intent 2 will serve as an instrument of research into the practices used to determine present payments in lieu of taxes, tax exemptions and adjustments to the same and to assess needs for legislation. Vote 15-0. Rep. John A. Middleton for Municipal and County Government.

Adopted.

Ordered to third reading.

**HB 732-FN**, relative to the sale of fireworks and levying a tax thereon. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.**

**MAJORITY:** The majority of the Committee feels that the best way to make fireworks safe is by regulation. The bill is permissive in that it gives municipalities the option of voting whether to allow the sale and/or display of fireworks. Revenue from enactment of this bill will benefit those municipalities which authorize the sale of fireworks, and will benefit the state from the fees collected for licenses issued to sell fireworks. Vote 8-6. Reps. Jeffrey M. Brown, David A. Welch and Dennis H. Fields for the Majority of Public Protection and Veterans Affairs.

**MINORITY:** The minority of the Committee believes that the existing loopholes in the present fireworks statute will continue to exist with the enactment of HB 732. The minority also feels that safety of person and property is of greater importance than the money to be derived by certain communities from the sale of fireworks. The minority further believes that HB 720, relative to fireworks, and in the possession of the Committee, was carefully crafted by the Attorney General, the Department of Safety, the New Hampshire Association of Fire Chiefs and seacoast legislators, and is the appropriate route to take for effective control over the sale of fireworks and their use for displays. Reps. Richard D. Chasse, George R. Rubin and James J. Fenton for the Minority of Public Protection and Veterans Affairs.

Rep. Rubin moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment, spoke to his motion and yielded to questions.

Rep. Jeffrey Brown spoke against and yielded to questions.

Reps. Fenton and Chasse spoke in favor and yielded to questions..

Rep. Benton spoke in favor.

Rep. Raymond Buckley spoke against and yielded to questions.

Reps. Pantelakos and Reidy spoke in favor.

Rep. William Boucher spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

 and the motion was adopted.

Peyron, Fredrik

Schotanus, Merle W.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

### HCR 9, relative to universal access to health care. OUGHT TO PASS.

It was the overwhelming sense of the Committee that the time has come for the federal government to pay attention to the basic human right of every American to have access to affordable health care. For a disturbingly large number of Americans, this is not now the case. It is important that we encourage positive action on this vital issue at the federal, state and local levels. It is costing government too much to do nothing. Vote 8-3. Rep. Mary P. Chambers for State-Federal Relations.

Adopted.

Ordered to third reading.

**HB 267-FN-A**, increasing the percentage of the real estate transfer tax returned to the register of deeds or the county. **INEXPEDIENT TO LEGISLATE.**

While there may be merit to returning more money to the counties from revenues raised under the Real Estate Transfer Tax, there was absolutely no desire to reduce state revenues by any amount at a time when we are faced with several unpleasant tax increases in order to balance the state budget. Vote 17-0. Rep. Shawn N. Jasper for Ways and Means.

Adopted.

**HB 480-FN-A**, relative to a 3 percent purchase tax. **INEXPEDIENT TO LEGISLATE.**

While the Committee commends the sponsors for their efforts to solve state and local revenue problems, it unanimously opposes the adoption of a sales tax. First, such a tax would fall disproportionately on those with low income. Second, a three percent sales tax would cause our New Hampshire retailers to lose a significant part of their competitive edge over our neighboring states. Finally, the bill would impose a substantial administrative burden on both business and the Department of Revenue Administration. Vote 15-0. Rep. Donna P. Sytek for Ways and Means.

Rep. O'Brien moved that the words Re-refer to Committee be substituted for the report of the Committee Inexpedient to Legislate.

Rep. Jasper spoke against.

On a division vote, 38 members having voted in the affirmative and 285 in the negative, the motion lost.

Adopted.

**HB 734-FN-A**, relative to a 2 percent state income tax and making an appropriation therefor. **INEXPEDIENT TO LEGISLATE.**

After due consideration and analysis, the Committee felt that because of lost revenue to the state, estimated by the Department of Revenue Administration to be about 10.6 million dollars annually, this bill is not timely. Vote 17-0. Rep. David M. LaMar for Ways and Means.

Rep. William Riley spoke against.

Rep. Ahrens spoke in favor.

Adopted.

**HB 303**, relative to instructions to voters on ballots. **RE-REFER TO COMMITTEE.**

The Committee has new information, and therefore wishes to remove HB 303 from the Consent Calendar and move Ought to Pass as amended. The floor amendment legalizes the Op-Tech ballot now in use in many communities and brings the paper ballot in concert with the Op-Tech ballot. Vote 12-0. Rep. Calvin Warburton for Constitutional and Statutory Revision.

Re-referred to Committee.

### RECONSIDERATION

Having voted with the prevailing side, Rep. Gross moved that the House reconsider its action whereby it found that HB 303 be Re-referred to Committee and spoke to of her motion.

Motion adopted.

Rep. Flanagan moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Re-refer to Committee.

Rep. Gilmore spoke in favor and yielded to questions.

### **SPECIAL ORDER**

Rep. Raymond Buckley moved that HB 303 be made a Special Order following recess for lunch, spoke to his motion and yielded to questions.

On a division vote, 181 members having voted in the affirmative and 134 in the negative, the motion was adopted.

### **RECESS**

### **SPECIAL ORDERS**

**HB 114-FN**, relative to the date for terminating the motor vehicle emissions inspection program. **OUGHT TO PASS WITH AMENDMENT.**

The Committee felt that since the vehicle emission inspection program is working so well and that the air "the dirty dozen" are now breathing is much cleaner, this program should continue indefinitely. Vote 15-1. Rep. Bonnie Lou McCann for Environment and Agriculture.

#### **Amendment No. 1**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to the date for terminating the motor  
vehicle emissions inspection program and  
granting administrative fine authority  
to the divisions of air resources  
and public health services.

Amend the bill by replacing all after section 1 with the following:

2 New Paragraph; Administrative Fines. Amend RSA 125-C:15 by inserting after paragraph II the following new paragraph:

III. The commissioner of the department of environmental services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed \$2,000 for each offense upon any person who violates any provision of this chapter, any rule adopted pursuant to this chapter or any permit or order issued pursuant to this chapter. Rehearings and appeals from a decision of the commissioner under this paragraph shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The proceeds of administrative fines levied pursuant to this paragraph shall be deposited by the commissioner in the general fund. The commissioner shall adopt rules, under RSA 541-A, relative to:

(a) A schedule of administrative fines which may be imposed under this paragraph; and

(b) Procedures for notice and hearing prior to the imposition of an administrative fine.

3 New Section; Administrative Fines. Amend RSA 125-D by inserting after section 3 the following new section:

125-D:4 Administrative Fines. The commissioner of the department of environmental services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed \$2,000 for each offense upon any person who vio-

lates any provision of this chapter, any rule adopted pursuant to this chapter or any permit or order issued pursuant to this chapter. Rehearings and appeals from a decision of the commissioner under this section shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The proceeds of administrative fines levied pursuant to this section shall be deposited by the commissioner in the general fund. The commissioner shall adopt rules, under RSA 541-A, relative to:

I. A schedule of administrative fines which may be imposed under this section; and

II. Procedures for notice and hearing prior to the imposition of an administrative fine.

4 New Section; Administrative Fines. Amend RSA 125-I by inserting after section 3 the following new section:

125-I:4 Administrative Fines. The commissioner of the department of environmental services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed \$2,000 for each offense upon any person who violates any provision of this chapter, any rule adopted pursuant to this chapter or any permit or order issued pursuant to this chapter. Rehearings and appeals from a decision of the commissioner under this section shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The proceeds of administrative fines levied pursuant to this section shall be deposited by the commissioner in the general fund. The commissioner shall adopt rules, under RSA 541-A, relative to:

I. A schedule of administrative fines which may be imposed under this section; and

II. Procedures for notice and hearing prior to the imposition of an administrative fine.

5 New Section; Administrative Fines. Amend RSA 141-E by inserting after section 16 the following new section:

141-E:16-a Administrative Fines. The commissioner of the department of environmental services, after notice and hearing pursuant to RSA 541-A, may impose an administrative fine not to exceed \$2,000 for each offense upon any person who violates RSA 141-E:9 or any rule adopted by the commissioner of environmental services under this section. Rehearings and appeals from a decision of the commissioner under this section shall be in accordance with RSA 541. Any administrative fine imposed under this section shall not preclude the imposition of further penalties under this chapter. The proceeds of administrative fines levied pursuant to this section shall be deposited by the commissioner in the fund established by RSA 141-E:12, II. The commissioner shall adopt rules, under RSA 541-A relative to:

I. A schedule of administrative fines which may be imposed under this section; and

II. Procedures for notice and hearing prior to the imposition of an administrative fine.

6 Effective Date. This act shall take effect 60 days after its passage.

**AMENDED ANALYSIS**

This bill extends the date for termination of the motor vehicle emissions inspection program from December 31, 1991, to December 31, 1993.

The bill also grants administrative fine authority to the division of air resources relative to violations of the air pollution control act, the acid rain control act and the air toxic control act and to the division of public health services relative to the asbestos management and control act.

Rep. Donna Sytek moved that HB 114 be adopted with the Committee amendment.

Rep. Bonnie McCann spoke in favor

Adopted.

Report adopted.

Referred to Appropriations.

**HB 303**, relative to instructions to voters on ballots. (Pending question was the substitute motion of OUGHT TO PASS WITH AMENDMENT by Rep. Flanagan.)

Rep. Flanagan withdrew her motion and moved that the bill be Re-referred to Committee.

Adopted.

**REGULAR CALENDAR** (continued)

**HB 760-FN**, requiring state universities and colleges to sell condoms on campus. INEXPEDIENT TO LEGISLATE.

The Committee has strong feelings that something has to be done to prevent the spread of AIDS. As a Committee, we vote that the health unit take whatever steps necessary to correct the problem as it is not part of the duties of the Education Committee to run the University System, and we have brought to their attention, as well as that of the Division of Public Health, our Committee's concern. Vote 17-0. Rep. John J. Laurent for Education.

Reps. Trombly and DePecol spoke against.

Reps. William Riley and Laurent spoke in favor.

Adopted.

**HB 611-FN**, relative to plastic holding devices used in packaging. OUGHT TO PASS WITH AMENDMENT.

The Committee believes this bill achieves two goals: protecting wildlife and eliminating litter. The bill has approval of industry and constituent groups. Vote 15-0. Rep. Linda Griebisch for Environment and Agriculture.

**Amendment**

Amend RSA 339:71 as inserted by section 2 of the bill by replacing it with the following:

339:71 Definitions. In this subdivision "holding device" means any device constructed of plastic rings or plastic material that contains at least one hole greater than 1-3/4 inches in diameter, which is made, used, or designed for the purpose of packaging, transporting, or carrying multipackaged cans or bottles.

Adopted.

Rep. Leonard Smith offered a floor amendment.

**Floor Amendment**

Amend RSA 339:71 as inserted by section 2 of the bill by replacing it with the following:

339:71 Definitions. In this subdivision "holding device" means any device constructed of plastic rings or plastic material that contains at least one hole greater than 1-3/4 inches in diameter, which is made, used, or designed for the purpose of packaging, transporting, or carrying multipackaged cans or bottles and which is degradable.

Rep. Griebisch spoke in favor.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 318-FN**, relative to town expenditures. INEXPEDIENT TO LEGISLATE.

This bill required that local boards cannot spend money that has not been appropriated at town meeting except to pay a judgment. This issue is currently addressed in RSA 32:10. No town official can spend any money for any purpose unless that amount was appropriated for that purpose by the town meeting. Vote 17-0. Rep. Thomas B. Salatiello for Municipal and County Government.

Rep. Ferguson moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke to his motion.

Rep. Salatiello spoke against and yielded to questions.

On a division vote, 146 members having voted in the affirmative and 179 in the negative, the motion lost.

Report adopted.

**HB 759-FN**, relative to setting tax rates in municipalities based on the gross income of the residents. INEXPEDIENT TO LEGISLATE.

In his testimony, the sponsor presented the basic philosophy underlying his proposal and later submitted a review sheet showing how it might work. All other testimony, including that of the New Hampshire Association of Tax Collectors, was unfavorable, including charges that the proposal was both unworkable and conducive to chaotic conditions. The Committee agrees. Furthermore, this proposal would tax properties in two ways, according to whether they were owner-occupied or not. Owner-occupied property would be taxed on the basis of the owner's income, not on the value of the property. The Committee doubts that such a proposition would be consistent with Article 5, Part Second, of the New Hampshire Constitution, which calls for proportional and reasonable assessments not only on the inhabitants of this state, but also on property. Vote 17-0. Rep. Richard A. Grodin for Municipal and County Government.

Rep. Jacobson spoke against.

Rep. Grodin spoke in favor

Adopted.

**HB 631-FN**, relative to dimensions of front and rear motor vehicle bumpers. INEXPEDIENT TO LEGISLATE.

The Committee felt the law currently on the books is adequate and this new bill would be too restrictive. It could adversely affect many businesses in the field of aftermarket auto and truck parts. Vote 15-0. Rep. Brenda E. Keith for Transportation.

Adopted.

## SENATE MESSAGE

### REQUESTS CONCURRENCE WITH AMENDMENT

**HB 593-FN-A**, relative to the rate of the business profits tax.

Rep. Donna Sytek moved that the House nonconcur and request a Committee of Conference. (Amendment printed in SJ 11, pp 99-100)

Adopted.

The Speaker appointed Reps. Donna Sytek, Hayes, Gross and LaMar.

### **SUSPENSION OF RULES**

Reps. Gross and Chambers moved that the rules be so far suspended as to permit the House to take up the House Calendar for Wednesday, March 20, 1991 at the present time.

Adopted by the necessary two-thirds.

### **SPECIAL ORDER**

Rep. Gross moved that the Consent Calendar for Wednesday, March 20, 1991 be made a Special Order for 3:00 p.m.

Adopted.

### **SPECIAL ORDER**

Rep. Gross moved that HB 54-FN, eliminating the laws regarding children in need of services, be made a Special Order for 10:15 a.m. on Wednesday, March 20, 1991.

Adopted.

### **REGULAR CALENDAR (continued)**

**HB 320**, granting condominium associations a 6-month assessment lien priority over first mortgage or deed of trust liens. **INEXPEDIENT TO LEGISLATE.**

The Committee is aware of the problems which nonpayment of condo fees cause to the association and to other members. However, the Committee believes the long-term solution to the problem is full occupancy by financially able owners. Direct payment by the owners to their association is the lowest cost method of payment. Any procedure which makes financing costs more expensive is counterproductive and detrimental to all. Vote 12-6. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

Adopted.

**HB 355-FN**, relative to merchants' credit card policies. **INEXPEDIENT TO LEGISLATE.**

This bill would prohibit merchants from asking for personal information on credit card transactions and would impose penalties of \$250-\$1,000. The Committee felt this bill was unnecessary because it does nothing to protect the consumer's privacy because this information is available for a price from the Bankcard issuer. Businesses should be able to establish their own store policies and allow consumer demand to change unpopular practices. Vote 14-4. Rep. Lawrence J. Guay for Commerce, Small Business and Consumer Affairs.

Adopted.

**HB 470**, relative to health maintenance organizations. **RE-REFER TO COMMITTEE.**

Much testimony was given both for and against. The bill is really a consumer bill. It also could slightly affect some contractual arrangements already made. More time is needed to find the answers to many questions. Vote 12-7. Rep. George H. Baker, Sr. for Commerce, Small Business and Consumer Affairs.

Re-referred to Committee.

**HB 687-FN**, relative to medicare balance charges. **RE-REFER TO COMMITTEE.**

At the request of the prime sponsor and because of new information from the federal government, which is due in January of 1992, the majority of the Committee

feels that a new bill could be presented next year or have no bill at all. Vote 9-4. Rep. George H. Baker, Sr. for Commerce, Small Business and Consumer Affairs.

Re-referred to Committee.

Rep. Fair abstained from voting under Rule 16.

**HB 618-FN**, adding the choice of "none of the above" to state election ballots. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY RE-REFER TO COMMITTEE.

MAJORITY: The majority of the Committee felt that this bill would not increase voter turnout and would confuse the average voter and would cause problems with voting machines. Vote 8-3. Rep. Natalie S. Flanagan for the Majority of Constitutional and Statutory Revision.

MINORITY: Currently, only one-third of New Hampshire's eligible voters cast a ballot in a state general election. The minority is deeply concerned. HB 618 is an attempt to give New Hampshire voters more of a voice and to increase voter participation. Rep. Gary R. Gilmore for the Minority of Constitutional and Statutory Revision.

Adopted.

**HB 624-FN**, relative to removing candidates' signs after an election. OUGHT TO PASS WITH AMENDMENT.

The Committee feels this bill is a beautification move for our roadsides. This also makes politicians responsible for their own trash. Vote 11-1. Rep. Ralph E. Shackett for Constitutional and Statutory Revision.

#### Amendment

Amend RSA 664:17, II as inserted by section 1 of the bill by replacing it with the following:

*II. A municipality may charge a candidate \$5 for each piece of political advertising which the municipality removes because the candidate has failed to remove the political advertising no later than 10 days after the election, except in the case of the winner of a primary election as provided in paragraph I. Moneys received under this paragraph shall be paid to and deposited with the city or town treasurer.*

Adopted.

Report adopted.

Ordered to third reading.

**HB 640**, relative to political contributions, write-in candidates, and distributing campaign literature at polling places. INEXPEDIENT TO LEGISLATE.

The contents of this bill will be considered in HB 740 pertaining to campaign finances. Vote 9-3. Rep. Natalie S. Flanagan for Constitutional and Statutory Revision.

Adopted.

**HB 739-FN**, relative to the form of presidential primary election ballots. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: OUGHT TO PASS.

MAJORITY: This bill would provide that the candidates' names on the presidential primary election ballots would be in the same alphabetical order on every ballot in the state. The majority of the Committee favored printing the candidates' names alternately in the same form as the state primary election ballot. Vote 10-2. Rep. Norman B. Lawrence for the Majority of Constitutional and Statutory Revision.

MINORITY: The minority favors HB 739 because it would make all ballots uniform, reduce printing cost, and would not pose a disadvantage alphabetically to the

candidates. Rep. H. Thayer Kingsbury for the Minority of Constitutional and Statutory Revision.

Adopted.

**HB 743-FN**, relative to listing representatives to the general court on the ballot. OUGHT TO PASS.

House Bill 743 is favored by the Committee because it clarifies the title as printed on the ballot for State Representative. Vote 8-3. Rep. H. Thayer Kingsbury for Constitutional and Statutory Revision.

Adopted.

Ordered to third reading.

**CACR 12**, relating to rulemaking authority. Providing that the general court may delegate regulatory authority to executive branch officials, but such rules may be disapproved by the general court. OUGHT TO PASS.

The Executive Department can make rules some of which may not represent legislative intent and mandate certain activity to cities and towns. This gives the Legislature the ability to overrule executive rules. Vote 12-1. Rep. Calvin Warburton for Constitutional and Statutory Revision.

Rep. Holden yielded to questions.

Rep. Gross spoke in favor and yielded to questions.

On a division vote, 339 members having voted in the affirmative and 5 in the negative, CACR 12 was ordered to third reading by the constitutionally required three-fifths.

### CONSENT CALENDAR

Rep. Gross moved that the Consent Calendar with the relevant amendments as printed in the Wednesday's House Calendar be adopted.

**HB 58**, establishing a Martin Luther King Day, was removed at the request of Rep. Gross.

**HB 61-FN**, relative to the distribution of moneys received as a result of the commission of a crime, was removed at the request of Rep. Gross.

**HB 133**, relative to the right to know law, was removed at the request of Rep. Jasper.

**HB 674**, designating segments of the Pemigewasset, Contoocook and North Branch of the Contoocook Rivers as protected rivers, was removed at the request of Rep. Dickinson.

**HB 709**, establishing a study committee relative to clearcutting forest resources, was removed at the request of Rep. Dickinson.

Consent Calendar adopted.

**HB 304**, relative to escrow of funds raised through sale of certain types of securities and to certain conditions for sale of securities. OUGHT TO PASS WITH AMENDMENT.

This committee sees this request by the Office of Securities as a good tool to clarify and set the rules from sales of securities and set standards for an offering of securities. Vote 17-0. Rep. William Tsiros for Commerce, Small Business and Consumer Affairs.

### Amendment

Amend RSA 421-B:15, XIII(a) as inserted by section 1 of the bill by replacing it with the following:

XIII.(a) In the case of any offering registered under RSA 421-B:13 or 421-B:14, where less than 75 percent of the net proceeds from the sale of the registered securities is committed for the use in the operation of or purchase of assets for a specifically identified enterprise or specifically identified enterprises, the director may require that 80 percent of the net proceeds received by the issuer shall be placed into escrow until:

(1) The completion of a transaction or series of transactions whereby at least 50 percent of the gross proceeds received from the sale of registered securities, including any amounts actually received by the issuer upon exercise of registered warrants or rights to purchase or subscribe to another security, are committed for such uses in a specifically identified enterprise or specifically identified enterprises; and

(2) The lapse of no more than 10 days after receipt by the director of notice of the proposed release of funds from such escrow.

### AMENDED ANALYSIS

This bill authorizes the director to require an issuer of securities to escrow 80 percent of the proceeds from sales of certain securities when less than 75 percent of the proceeds are committed for use in operation or the purchase of specifically identified enterprises until certain requirements are met.

The bill also requires a prospectus of an offering of securities to contain a statement or legend regarding unlawful representation concerning registration or exemption.

This bill was requested by the office of securities regulation.

**HB 439**, relative to employee cooperative corporations. RE-REFER TO COMMITTEE.

The Committee felt the bill was a good concept, but this bill needs a lot of work, which the Committee needs the summer to do. Vote 17-0. Rep. John B. Hunt for Commerce, Small Business and Consumer Affairs.

**HB 571-FN**, relative to multiple-employer welfare arrangements. OUGHT TO PASS WITH AMENDMENT.

This bill with amendment covers the regulation of "multiple employer welfare arrangements" which are benefit plans established to provide health benefits to employees of more than one employer. Vote 11-0. Rep. C. Dana Christy for Commerce, Small Business and Consumer Affairs.

### Amendment

Amend RSA 415-E:2, II as inserted by section 1 of the bill by replacing it with the following:

II. This chapter shall not apply to a multiple-employer welfare arrangement which offers or provides benefits which are fully insured by an authorized insurer or under the provisions of RSA 5-B.

Amend RSA 415-E:9, III as inserted by section 1 of the bill by replacing it with the following:

III. Each policy issued by the arrangement shall contain a statement of the contingent liability. Both the application for insurance and policy shall contain, in contrasting color and not less than 10-point type, the following statement: "This is a fully

assessable policy. In the event the arrangement is unable to pay its obligations, policyholders (employers) shall be required to contribute on a pro rata earned premium basis the money necessary to meet any unfilled obligations”

Amend RSA 415-E:10 as inserted by section 1 of the bill by replacing it with the following:

415-E:10 Assessments. The commissioner shall have the authority to assess all employers for all necessary funds in the event of the liquidation or the rehabilitation of the multiple-employer welfare arrangement.

Amend RSA 415-E:12 - 415-E:17 as inserted by section 1 of the bill by replacing them with the following:

415-E:12 Place of Business; Maintenance of Records. Each arrangement shall have and maintain its principal place of business in this state and shall make available to the commissioner complete records of its assets, transactions, and affairs in accordance with such methods and systems as are customary for, or suitable to, the kind of kinds of business transacted.

415-E:13 Suspension. Revocation of Approval.

I. The commissioner shall deny, suspend, or revoke an arrangement's approval if it finds that the arrangement:

(a) Is in unsound financial condition.

(b) Is using such methods and practices in the conduct of its business as to jeopardize its further transaction of business in this state or is hazardous or injurious to its participating employers, covered employees and dependents, or to the policy.

(c) Has failed to pay any final judgment rendered against it in this state within 60 days after the judgment became final.

(d) No longer meets the requirements for the authority originally granted.

II. The commissioner may, in his discretion, deny, suspend, or revoke the approval of any arrangement if it finds that the arrangement:

(a) Has violated any lawful order or rule of the commissioner or provision of this act.

(b) Has refused to be examined or to produce its accounts, records, and files for examination, or if any of its officers have refused to give information with respect to its affairs or to perform any other legal obligation as to such examination, when required by the commissioner.

415-E:14 Penalties.

I. Any person failing to hold a subsisting certificate of approval from the commissioner while operating or maintaining a multiple-employer welfare arrangement shall be subject to a fine of not less than \$5,000 or more than \$50,000.

II. The commissioner may issue a cease and desist order if he finds any person operating or maintaining a multiple-employer welfare arrangement without a subsisting certificate of approval.

415-E:15 Rehabilitation, Dissolution. Any rehabilitation, liquidation, conservation, or dissolution of a multiple-employer welfare arrangement shall be conducted under the supervision of the commissioner, who shall have all power with respect thereto granted to it under the laws governing the rehabilitation, liquidation, conservation, or dissolution of insurers.

415-E:16 Rulemaking. The commissioner may adopt such rules, pursuant to RSA 541-A, as he deems reasonable and necessary in order to carry out properly the functions and responsibilities assigned the insurance department under the laws of the

state. This rulemaking authority shall expire on January 1, 1993, at which time this section, unless replaced by a later legislative enactment, shall be deemed repealed. Any rules adopted under this section shall be drafted in as narrow a manner as possible, consistent with the authority granted the department under the laws of this state.

Amend the bill by replacing all after section 1 with the following:

2 Administration Fund. Amend RSA 400-A:39, III to read as follows:

III. Each insurer domiciled in this state, including non-profit health services corporations[,] organized pursuant to RSA 420-A, [and] health maintenance organizations organized pursuant to RSA 420-B, **and multiple employer welfare arrangements licensed pursuant to RSA 415-E**, shall make payments to the fund on or before May 1 of each year, of its pro rata share of the next fiscal year's fiscal costs of the office of the commissioner to be appropriated out of the fund. Such share is to be computed in accordance with paragraph V of this section.

3 New Position; Appropriation.

I. The insurance commissioner is hereby authorized to hire an insurance examiner I.

II. The sum of \$34,905 for the fiscal year ending June 30, 1992, is hereby appropriated to the insurance department for the purposes of paragraph I. This appropriation shall be a charge against the administration fund established in RSA 400-A:39.

4 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill authorizes the commissioner of the insurance department to regulate multiple-employer welfare arrangements. "Multiple-employer welfare arrangements" are employee welfare benefit plans established to provide health benefits to the employees of 2 or more employers, or their beneficiaries.

The bill also appropriates funds to the insurance department, to be charged against the department's administration fund, for the purpose of hiring an insurance examiner I.

Rep. Fair abstained from voting under Rule 16.

**HB 574-FN**, relative to managing general agents. **OUGHT TO PASS WITH AMENDMENT.**

This bill was requested by the Insurance Department. The bill regulates the actions of managing general agents and is model legislation from the National Association of Insurance Commissioners. There is a potential for abuse among managing general agents, and the public should be protected. Vote 18-0. Rep. Bonnie B. Packard for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend 402-E:1, III(b)(3) as inserted by section 1 of the bill by replacing it with the following :

(3) An underwriting manager which, pursuant to contract, manages all insurance operations of the insurer other than those managed by the insurer itself, is under common control with the insurer, subject to RSA 401-B, the holding company regulatory act, and whose compensation is not based on the volume of premiums written.

Amend RSA 402-E:1, III(b) as inserted by section 1 of the bill by inserting after subparagraph (3) the following new subparagraph:

(4) The attorney-in-fact authorized by and acting for the subscribers of a reciprocal insurer or inter-insurance exchange under powers of attorney.

**HB 575**, relative to liquidation and rehabilitation of insurance companies. OUGHT TO PASS.

This bill modifies laws regarding delinquency proceedings, court jurisdiction, standing of certain types of insurance companies, and court orders concerning liquidation and rehabilitation of certain insurance companies. The bill was requested by the Insurance Department. Vote 18-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

**HB 576-FN**, relative to the investments which may be made by New Hampshire domestic insurers, other than life insurers. OUGHT TO PASS.

This bill clarifies the parameters under which insurance companies other than life insurance companies may make investments. Vote 16-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**HB 580**, relative to insurance rebates and automobile financing. OUGHT TO PASS WITH AMENDMENT.

This bill requires the holder of an automobile retail installment contract, which includes premiums for insurance, to notify the insurance company and the buyer, within 30 days if the installment contract is paid in full prior to maturity. Such notification shall indicate that a refund is due the buyer for any unused paid premium. Vote 17-0. Rep. Paul L. Drolet for Commerce, Small Business and Consumer Affairs.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Definitions. Amend RSA 361-A:1, V to read as follows:

V. "Motor vehicle" means any device [having a cash sale price of \$7,500 or less,] propelled or drawn by any power other than muscular power, in, upon or by which any person or property is or may be transported or drawn upon a highway, excepting power shovels, road machinery, buses, agricultural machinery and house and boat trailers.

2 New Paragraph; Insurance Premiums. Amend RSA 361-A:7 by inserting after paragraph IV the following new paragraph:

IV-a. If a retail installment contract is paid in full prior to maturity, then no later than 30 days after payment in full, the holder of the contract shall provide written notice of such payment to any insurance company that has issued an insurance contract the premium of which was financed as part of such retail installment contract. Such notice shall contain the date the retail installment contract was paid in full, the name and last known address of the buyer under the contract, and shall state that pursuant to RSA 361-A a refund by the insurer of any unused prepaid premium is due the buyer upon receipt of the notice. A copy of the notice shall be given to the buyer, or mailed to the buyer's last known address.

3 Effective Date. This act shall take effect 60 days after its passage.

## AMENDED ANALYSIS

This bill requires the holder of an automobile retail installment contract, which includes premiums for insurance, to notify the insurance company and the buyer, within 30 days if the installment contract is paid in full prior to maturity. Such notification shall indicate that a refund is due the buyer for any unused paid premium.

The bill modified the definition of motor vehicle for the purposes of retail installment sales by removing limits on the cash sale price.

**HB 616-FN**, relative to discrimination in insurance policies. RE-REFER TO COMMITTEE.

This bill requires the elimination of discrimination on the basis of race, color, gender, creed or national origin in all insurance rates and benefits. The Committee heard extensive testimony both for and against this issue from many community groups and from representatives of the insurance industry. The Committee feels that the issue requires further thought and study. Vote 15-3. Rep. Thea G. Braiterman for Commerce, Small Business and Consumer Affairs.

**HB 647-FN**, prohibiting price gouging in the sale of fuel products. INEXPEDIENT TO LEGISLATE.

The Committee felt that this bill simply does not meet the issue and is significantly flawed. Vote 15-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

**HB 658-FN**, relative to uninsured or hit-and-run motor vehicle coverage. OUGHT TO PASS WITH AMENDMENT.

This bill as amended brings into focus the realities of the insurance issue of stacking as found in court rulings. Vote 15-0. Rep. Richard H. Krueger for Commerce, Small Business and Consumer Affairs.

## Amendment

Amend RSA 264:15 as inserted by section 1 of the bill by deleting paragraph VIII.

## AMENDED ANALYSIS

This bill places limits on maximum liability of uninsured motorist coverage.

The bill limits stacking of uninsured motorist coverage and establishes an order of priority where more than one policy may apply to one vehicle.

**HB 702**, relative to designated smoking sections in public buildings. OUGHT TO PASS WITH AMENDMENT.

The amendment changes the bill to apply only to state and federal buildings of more than 20,000 square feet and if 25 percent of those who regularly work in these buildings request a designated smoking area. Although this bill is a step backwards from last year's new law, the Committee was willing to make this adjustment. Vote 17-0. Rep. John B. Hunt for Commerce, Small Business and Consumer Affairs.

## Amendment

Amend the title of the bill by replacing it with the following:

## AN ACT

relative to designated smoking sections  
in certain buildings and offices.

Amend the bill by replacing all after the enacting clause with the following:

1 Designated Smoking Area Required. Amend RSA 155:66, I to read as follows:

I. *(a)* All enclosed places of public access and publicly owned buildings and offices, including workplaces, except in effectively segregated smoking-permitted areas designated by the person in charge. If smoking cannot be effectively segregated in any such enclosed place then smoking shall be totally prohibited. The person in charge may declare any facility non-smoking in its entirety.

*(b) However, any building or office 20,000 square feet or greater which is included in the definition of "publicly owned buildings and offices", as defined in RSA 155:66, XIII, and which is wholly owned, leased, rented or funded by the state or the federal government shall have an effectively segregated smoking-permitted area if requested by a petition signed by at least 25 percent of the employees who routinely work in such building or office. If smoking cannot be effectively segregated in any such building or office, the person in charge may declare any such building or office non-smoking in its entirety. Whenever possible the smoking-permitted area in the buildings and offices described in this subparagraph shall be in an enclosed and separate room.*

2 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill requires any building or office, 20,000 square feet or greater, which is wholly owned, leased, rented, or funded by the state or federal government to have a designated smoking-permitted area if requested by a petition signed by at least 25 percent of the employees who routinely work in such office.

**HB 704**, relative to liquidation under the supervision of the bank commissioner. **OUGHT TO PASS WITH AMENDMENT.**

This bill allows the Bank Commissioner, upon approval of the Supreme Court of a petition, to appoint an authorized federal regulatory agency as receiving or liquidating agent and to issue an emergency waiver of state laws/practices with respect to authorization to commerce banking operations in the state. Vote 15-0. Rep. Anthony Syracuse for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Authority to Appoint a Federal Agency as Liquidating or Receiving Agent. RSA 395:10-a is repealed and reenacted to read as follows:

395:10-a Authority to Appoint a Federal Regulatory Agency as Liquidating or Receiving Agent. Upon petition by the bank commissioner for the state to the superior court, the court may authorize the commissioner to appoint as liquidating or receiving agent of the bank commissioner a federal agency having authority to act in such capacity, subject to consent of such federal agency, allowing the federal agency so appointed to take possession of the assets, both legal and equitable, of a legally insolvent or closed New Hampshire depository institution. As liquidating or receiving agent appointed by the bank commissioner with the permission of the court, the federal agency may assist the bank commissioner in the performance of his duties pursuant to this chapter, completing the final liquidation of such depository institution and vacation of its charter. The federal agency so appointed shall not be subject to the requirements of RSA 395:5.

2 New Section; Liquidations; Emergency Waiver. Amend RSA 395 by inserting after section 10-a the following new section:

395:10-b Emergency Waiver. The bank commissioner, upon the appointment of a federal agency as receiving or liquidating agent pursuant to RSA 395:10-a, shall have authority to issue an order waiving or suspending all laws, rules, practices and policies with respect to the authorization to commence or continue banking operations in the state of New Hampshire as he deems necessary and prudent.

3 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill allows the bank commissioner, upon approval by the superior court of a petition to appoint a federal regulatory agency as a receiving or liquidating agent. Upon the appointment of the federal regulatory agency as receiving or liquidating agent, the bank commissioner is authorized to issue an emergency waiver of all laws, rules, practices and policies with respect to the authorization to commence banking operations in this state as he deems necessary and prudent.

This bill was requested by the banking department.

**HB 752-FN**, prohibiting merchants from requiring the recording of a credit card number or expiration date as a condition for check cashing or acceptance. **OUGHT TO PASS WITH AMENDMENT.**

This bill prohibits merchants from requiring the recording of credit card number or expiration date as a condition for check cashing or acceptance. Vote 12-1. Rep. Lawrence J. Guay for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend RSA 358-M:1 as inserted by section 1 of the bill by replacing it with the following:

358-M:1 Provision of Credit Card Number or Expiration Date Not Required.

I. A person shall not require as a condition of acceptance of a check or share draft, or as a means of identification, that the person presenting the check provide a credit card number or expiration date, or both.

II. This section shall not prohibit a person from requesting a purchaser to display a credit card as indicia of credit worthiness and financial responsibility or as additional identification, but the only information concerning a credit card which may be recorded is the type of credit card so displayed and the issuer of the credit card. This section does not require acceptance of a check or share draft whether or not a credit card is presented.

III. This section does not prohibit a person from requesting or receiving a credit card number or expiration date and recording the number or date, or both, in lieu of a deposit to secure payment in event of default, loss, damage, or other occurrence.

IV. No liability shall be imposed under this section on an employee acting in accordance with the directions of his employer.

**HB 767-FN**, relative to access to group health insurance policies. **OUGHT TO PASS WITH AMENDMENT.**

The bill extends the time frame within which a person, or that person's surviving spouse or dependent, who has become ineligible to participate in a group health insurance policy due to death or any other reason, has access to such group policy from 39 weeks to the same time frames as COBRA—18 months, 24 and 36 months.

Vote 16-0. Rep. Patricia A. Fair for Commerce, Small Business and Consumer Affairs.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Access to Group Plan Extended. Amend RSA 415:18, VII(g)(1) to read as follows:

(g)(1) Whenever any individual who is a member of any group hospital, surgical, medical insurance plan or health maintenance organization becomes ineligible for continued participation in such plan for any reason including death, the benefits of such plan shall be available at the same group rate to the individual, the surviving spouse and the dependents covered by the group plan, for an extension period of [39 weeks] *whichever of the following is the longest:*

(A) 18 months;

(B) 29 months in the case of an individual who is determined, under Title II or XVI of the Social Security Act to have been disabled at the time such individual becomes ineligible for continued participation in the plan; or

(C) 36 months in the case of:

(i) the death of the covered employee;

(ii) the divorce or the legal separation of the covered employee from the employee's spouse;

(iii) the covered employee's becoming entitled to benefits under Title XVIII of the Social Security Act; or

(iv) a dependent child ceasing to be a dependent child

or until such member, surviving spouse or dependent becomes eligible for benefits under another group plan, whichever occurs first. The individual, surviving spouse or dependent shall elect to continue the participation in the group plan within 30 days after the member becomes ineligible to participate. The member, surviving spouse or dependent shall be responsible for payment of premiums to the employer or policyholder throughout the extension period. Upon termination of the extension period, the member, surviving spouse or dependent shall be entitled to exercise any option which is provided in the group plan to elect a converted policy. After timely receipt of the premium payment from the individual or surviving spouse, if the employer fails to make payments to the insurer or hospital or medical service corporation or health maintenance organization, with the result that coverage is terminated, the employer shall be liable for benefits to the same extent as the insurer or hospital or medical service corporation would have been liable if coverage had not been terminated.

2 Access to Group Plan Extended. Amend RSA 415:18, VII(g)(4) to read as follows:

(4) Whenever any group hospital, surgical, medical insurance plan, or health maintenance organization coverage terminates for any reason, the benefits of such plan shall be available at the same group rate to the individual, the surviving spouse, and the dependents covered by the group plan, for an extension period of [39 weeks] *whichever of the following is the longest:*

(A) 18 months;

(B) 29 months in the case of an individual who is determined, under Title II or XVI of the Social Security Act to have been disabled at the time such individual becomes ineligible for continued participation in the plan; or

(C) 36 months in the case of:

- (i) the death of the covered employee;*
- (ii) the divorce or the legal separation of the covered employee from the employee's spouse;*
- (iii) the covered employee's becoming entitled to benefits under Title XVIII of the Social Security Act; or*
- (iv) a dependent child ceasing to be a dependent child*

or until such member, surviving spouse, or dependent becomes eligible for benefits under another group plan, whichever occurs first. Written notice of the right to continue such group coverage shall be given by the insurance company in each master policy, certificate, and group policy. The insurance company shall furnish each employer or group an adequate supply of attachments for each master policy, certificate, or group policy in effect. An individual, surviving spouse, or dependent electing continuation of coverage under this subparagraph shall provide the insurance company written notice of election together with the first monthly premium contribution within 31 days from the date coverage would otherwise terminate. The group rate shall be paid by the individual, surviving spouse, or dependent directly to the insurance company. The premium rate shall be that required for the coverage being continued and shall not exceed the applicable group rate, but a reasonable administrative fee not exceeding \$3 per month may be charged to offset billing and payment costs. Upon termination of the extension period, the member, surviving spouse, or dependent shall be entitled to exercise any option which is or was provided in the group plan to elect a converted policy.

(5) If a person or member becomes entitled to the [39-week] extension period under [this] subparagraph (4) and if such person or member has not been given notice of the termination of the group plan 31 days from the date of termination of the group coverage, then the person or member shall have an additional period within which to elect the [39-week] extension period. This additional period shall expire 15 days after the person or member shall have been given said notice, but in no event shall the additional period extend beyond 6 months after the expiration of the original 31-day period. Written notice presented to the person or member or mailed by the policyholder to the last known address of the person or member as furnished by the policyholder shall constitute the giving of notice for the purpose of this subparagraph. If an additional period is allowed the person or member for election of the [39-week] extension period as provided in [this] subparagraph (4), and if written notice of election accompanied by the first monthly premium and any monthly premiums which may be overdue, if any, is made after the expiration of the original 31-day period, but within the additional period allowed an employee or member in accordance with [this] subparagraph (4), the effective date of the extension period shall be the date of termination from the group. In no event shall a person or member entitled to such extension period be responsible for premiums accrued and unpaid prior to the termination or cancellation of the coverage.

3 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill extends the time frame within which a person, or that person's surviving spouse or dependent, who has become ineligible to participate in his group health insurance policy due to death or any other reason has access to such group policy to a period consistent with COBRA.

**HB 462**, relative to special education hearing officers. OUGHT TO PASS WITH AMENDMENT.

This bill corrects a shortcoming in the current law regarding special education hearing officers. Such officers shall have the authority to compel the attendance of witnesses at hearings. Vote 19-0. Rep. Robert H. Guest for Education.

#### Amendment

Amend the bill by replacing section 1 with the following:

1 New Section; Special Education Hearing Officers. Amend RSA 186-C by inserting after section 16 the following new section:

186-C:16-a Special Education Hearing Officers. Hearing officers appointed by the department of education to hear special education impartial due process appeals shall have the authority to compel the attendance of witnesses in accordance with RSA 516:1. The state board of education may promulgate rules pursuant to RSA 541-A to implement this section and to determine who shall have the responsibility for the costs of the subpoena.

#### AMENDED ANALYSIS

This bill authorizes individuals acting as special education hearing officers to compel the attendance of witnesses and authorizes the state board of education to promulgate rules and determine who shall pay the costs of the subpoena.

**HB 463**, relative to rulemaking for the board of education. OUGHT TO PASS WITH AMENDMENT.

This bill clarifies and reaffirms the legislative intent of the 1984 Sunset Law legislation regarding the rulemaking authority of the Commissioner of Education. It also requires that the Commissioner's Office give notification to the House and Senate Education Committees prior to proposed new rules or rule changes being submitted to the Joint Legislative Committee on Administrative Rules. Vote 19-0. Rep. Robert H. Guest for Education.

#### Amendment

Amend the bill by replacing all after section 2 with the following:

3 New Paragraph; Additional Duty. Amend RSA 21-N:4 by inserting after paragraph IV the following new paragraph:

V. Have the authority to adopt rules, pursuant to RSA 541-A, notwithstanding any other provision of law to the contrary, necessary to implement the specific statutes administered by the department or by any division or unit within the department. The commissioner shall notify the house and senate education committees of any rules proposed pursuant to this paragraph.

4 Reference Changed to Commissioner. Amend the introductory paragraph of RSA 21-N:9, I to read as follows:

I. The [board of] *commissioner of the department of* education shall adopt rules, pursuant to RSA 541-A, relative to minimum standards for:

5 Reference Changed to Commissioner. Amend the introductory paragraph of RSA 21-N:9, II to read as follows:

II. The [board of] *commissioner of the department of* education shall adopt rules, pursuant to RSA 541-A, relative to:

6 Repeal. RSA 21-N:11, V relative to the adoption of rules by the state board of education is repealed.

7 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill deletes a reference to the rulemaking authority of blind services and adds a reference to blind services under the board of education's rulemaking authority.

The bill also grants the commissioner of the department of education rulemaking authority necessary to promote the administration of the chapter.

**HB 471**, relative to parents' right to know concerning teacher certification. INEXPEDIENT TO LEGISLATE.

This bill mandates that a school district notify the parents of classroom students when the school district hires a teacher for that classroom under the Alternative Five Certification Program. In addition to being a mandate, this legislation did not address questions relative to problems and/or costs incurred at the local level should parents object to their children having teachers with Alternative Five Certification. Vote 16-0. Rep. Jacquelyn Domaingue for Education.

**HB 563-FN**, relative to the creation of trust funds and relative to unanticipated school funds. OUGHT TO PASS WITH AMENDMENT.

This bill will give school district voters the opportunity to set up trust funds. Vote 19-0. Rep. Kathleen M. Hoelzel for Education.

#### Amendment

Amend RSA 198:20-c, I as inserted by section 2 of the bill by replacing it with the following:

I. The school district may at any annual meeting appropriate such sums of money as it deems necessary to create expendable trust funds for specific purposes for the maintenance and operation of schools and for any other public purpose that is not foreign to the school district's institution or incompatible with the objects of their organization. The school board shall be named agents to expend such trust funds. Expenditure from such trust funds shall be made only for the purpose for which the trust fund was established.

**HB 632-FN**, relative to special education. RE-REFER TO COMMITTEE.

The Committee felt strongly that there is a problem with certain appeals for due process hearings regarding individualized education plans in Special Education and it should be addressed to the satisfaction of all concerned. Time is needed for further study and to seek additional information to bring forth a better law. Vote 19-0. Rep. Robert M. Gilbreth for Education.

**HB 655-FN**, relative to statistical reports. OUGHT TO PASS.

This is an effort to coordinate dates of reportings to the Department of Education by local school districts. It would allow the Department of Education to release statistics, reports, etc., to local districts in a more timely manner. Vote 17-0. Rep. Kathleen M. Hoelzel for Education.

**HB 326-FN**, relative to disciplinary hearings before the pharmacy board. RE-REFER TO COMMITTEE.

This is a very complex bill, with a major amendment that was brought in at the last minute giving no time for the Committee to discuss the amendment in conjunction with the bill with the Board of Pharmacy and various other interests.

The Committee feels that, with study, it can come out with a good, positive bill that will be agreeable with all involved and hopes, with study, to bring in a comprehensive

bill in 1992. Vote 16-0. Rep. Lawrence A. Emerton for Executive Departments and Administration.

**HB 446-FN**, relative to the board of registration in medicine. RE-REFER TO COMMITTEE.

This bill has much merit, and the sponsor gave excellent testimony. However, the Committee, due to the complex nature of the amendment and the fact that the Committee did not have testimony on the amendment from the Attorney General's Office, felt that it needed more time to completely study this matter so it can bring a comprehensive bill before the 1992 session. Vote 16-0. Rep. Lawrence A. Emerton for Executive Departments and Administration.

**HB 488-FN**, relative to the flexible spending programs. OUGHT TO PASS.

House Bill 488 authorizes the Director, Division of Personnel, to use funds in the employee benefit adjustments account to pay for certain administrative costs and certain advance costs of the program and the Committee found this quite appropriate. The program allows state employees to have deducted from their gross pay, before taxes, expenses for day care (adult and child) and additional medical benefits. Vote 13-0. Rep. Robert L. Wheeler for Executive Departments and Administration.

Referred to Appropriations.

**HB 691-FN**, relative to licensing and certification of real estate appraisers. OUGHT TO PASS WITH AMENDMENT.

This is an updating of a Real Estate Licensing law that was passed by the Legislature last year. This updating is a requirement of the Federal Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA), that requires that all appraisers of real estate in the United States be either licensed and/or certified in 1991 if they appraise for any lending institution that has anything to do with the United States Government. Passage of this bill will allow New Hampshire appraisers to continue their work, after licensing, helping to keep our economy stable and hopefully growing.

The amendment adds more federal requirements that have come in since the bill was filed. The private detective portion of the amendment is a correction of a bill passed with errors last year. Vote 15-0. Rep. Lawrence A. Emerton for Executive Departments and Administration.

#### Amendment

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to licensing and certification of real estate  
appraisers and licensing private detectives.

Amend RSA 310-B:6, I as inserted by section 7 of the bill by inserting after subparagraph (b) the following new subparagraph:

(c) The certified residential real estate appraiser classification shall consist of those persons meeting the requirements set forth by the Appraisal Foundation.

Amend RSA 310-B:9, I as inserted by section 12 of the bill by replacing it with the following:

I. An applicant for original *licensure or* certification as a *licensed or* certified real estate appraiser shall possess [the equivalent of 2 years' full-time experience in real property appraisal supported by written reports or file memoranda, in accordance

with standards established by the Appraisal Foundation. Such experience shall be acquired within a period of 5 years immediately preceding the filing of the application for certification] *such experience as the board shall require by rules adopted under RSA 541-A. Such rules shall be based upon the criteria established by the Appraisal Subcommittee of the Federal Financial Institutions Examination Council.*

Amend RSA 310-B:10 as inserted by section 13 of the bill.

310-B:10 Term of *Licensure or Certification*. The term of a *license or* certificate issued under the authority of this chapter shall be 3 years from the date of issuance. The expiration date of the *license or* certificate shall appear on the *license or* certificate and notice of its expiration shall be given to its holder. *The board shall stagger the terms of licenses or certificates issued on or before January 1, 1993, so that 1/3 of such licenses or certificates shall expire each year for the 3 years next following.*

Amend RSA 310-B:14, II as inserted by section 17 of the bill by replacing it with the following:

II. The basic continuing education requirement for renewal of *licensure or* certification shall be the completion by the applicant, during the immediately preceding term of *licensure or* certification, of [not less than 45 classroom hours of instruction in courses or seminars which have received the approval of the board] *those courses and programs required by the board by rules adopted under RSA 541-A. In adopting such rules, the board shall base its requirements on the criteria established by the Appraisal Subcommittee of the Federal Financial Institutions Examination Council.*

Amend RSA 310-B:20 as inserted by section 24 of the bill by replacing it with the following:

310-B:20 Fees. The board shall establish fees for *application, for* examination of applicants, for *licensure or* certification and for renewal of *licensure or* certification under this chapter, and for transcribing and transferring records and other services. The fees established by the board shall be sufficient to produce estimated revenues equal to 125 percent of the direct operating expenses of the board for the previous fiscal year, and sufficient to provide for periodic payments to reimburse the general fund for money appropriated for the purposes of this chapter.

Amend the bill by inserting after section 29 the following and renumbering the original sections 30 and 31 to read as 31 and 32, respectively:

30 New Paragraph; Continuing Education and Experience Requirements. Amend RSA 310-B:24 by inserting after paragraph VIII the following new paragraph:

VIII-a. Establishing continuing education and experience requirements which comport with the criteria set forth by the Appraisal Subcommittee of the Federal Financial Institutions Examination Council.

Amend the bill by replacing all after section 31 with the following:

32 Declaration of Purpose: Detective Agencies and Security Services. RSA 106-F:1 is repealed and reenacted to read as follows:

106-F:1 Declaration of Purpose. The purpose of this chapter is to:

I. Provide reasonable supervision and control of private detective agencies and their employees, security guard services and their employees, and individuals licensed as private detectives and security guards during business in this state.

II. Ensure the honesty, good character and integrity of individuals, licensees, and license holders.

33 New Paragraph; Definition Added. Amend RSA 106-F:4 by inserting after paragraph VI the following new paragraph:

VII. "Individual" means an individual licensed as a private detective or security guard who is not an employee and who has no employees.

34 Private Detective Employees Exception. Amend the introductory paragraph of RSA 106-F:6, VIII(d) to read as follows:

(d) *Except for employees*, possess:

35 Reference to Individuals Added. Amend RSA 106-F:16 to read as follows:

106-F:16 Penalty. Any *individual* or person who engages in business as a private detective agency or security guard service without first having obtained a license therefor or who violates any other provisions of this chapter shall be guilty of a misdemeanor.

36 Effective Date.

I. Sections 31-34 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect July 1, 1991.

#### AMENDED ANALYSIS

This bill, in order to comply with federal guidelines, adds the classification of "licensed real estate appraiser" to the laws governing the profession of real estate appraisers.

The bill also modifies the minimum education and experience requirements and the continuing education requirements for real estate appraiser licensure and certification.

This bill allows employees of private detective agencies to be licensed without having to meet the experience requirements of private detectives.

**HB 757-FN**, relative to licenses for employment offices. **OUGHT TO PASS WITH AMENDMENT.**

The current law dealing with employment offices is no longer viable today, and therefore the Committee recommends its repeal. Vote 14-0. Rep. Kathleen W. Ward for Executive Departments and Administration.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

repealing the law relative to employment offices.

Amend the bill by replacing all after the enacting clause with the following:

1 Repeal. RSA 274, relative to employment offices, is repealed.

2 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill repeals the law requiring licenses for employment offices.

**HB 710-FN**, relative to the regulation of tree stands, observation blinds, and pit blinds. **OUGHT TO PASS WITH AMENDMENT.**

The Committee feels that while this bill, unamended, addresses a problem in some areas of the state, it would create a further problem of adding unnecessary governmental paperwork in areas where the problem doesn't exist. The bill, as amended, would prohibit any use of a tree stand, observation blind or pit blind that damages

property without the express permission of the landowner. Vote 12-0. Rep. Richard W. Lougee for Fish and Game.

### **Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 New Section; Tree Stands, Observation Blinds and Pit Blinds. Amend RSA 207 by inserting after section 36 the following new section:

207:36-a Use of Tree Stands, Observation Blinds, and Pit Blinds.

I. No person shall erect, build or use a tree stand or observation blind on land of another person that damages or destroys a tree by inserting into the tree any metallic, ceramic, or other object used as part of a ladder or observation deck, without express written permission from the property owner or designee.

II. No person shall erect, build or use a pit blind on land of another person without express written permission from the property owner or designee.

III. No person shall cut any tree in connection with any of the activities regulated under this section without the express written permission of the property owner or designee.

IV. The permittee shall carry such permit on his person while in the field and shall be subject to inspection on demand of any conservation officer.

V. All property owner permits shall expire on December 31 of each year unless rescinded by the property owner or designee.

VI. Any person who violates any provision of this section shall be guilty of a violation and shall be liable for the amount of damage caused by the act, to be recovered by the property owner sustaining the damage.

VII. The executive director shall adopt rules, pursuant to RSA 541-A, relative to the form, issuance and filing of property owner permits for the tree stands, observation blinds and pit blinds.

2 Effective Date. This act shall take effect 60 days after its passage.

### **AMENDED ANALYSIS**

This bill prohibits the erection, building or use of tree stands, observation blinds, and pit blinds and the cutting of trees in connection with such activities without the express written permission of the property owner or designee.

**HB 451-FN**, relative to licensing health facilities. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 451 clarifies the facilities which are to be licensed under RSA 151 and distinguishes between residential care and health facilities. It describes the various levels of licensure and clarifies the procedures for inspections, investigations and the issuance of warnings for noncompliance with licensure requirements for residential care and health facilities. Vote 17-0. Rep. Katherine W. Wheeler for Health, Human Services and Elderly Affairs.

### **Amendment**

Amend the title of the bill by replacing it with the following:

### **AN ACT**

relative to the licensing of residential care and health facilities.

Amend the bill by replacing all after the enacting clause with the following:

I Chapter Title Changed. The chapter title of RSA 151 is repealed and reenacted to read as follows:

**RESIDENTIAL CARE AND HEALTH FACILITY LICENSING**

2 License Required. RSA 151:2 is repealed and reenacted to read as follows:

151:2 License Required.

I. The following facilities shall not be established, conducted, or maintained without acquiring a license under this chapter:

(a) Hospitals, as defined in RSA 151-C:2, and infirmaries or health services maintained by an educational institution.

(b) Home health care providers, as defined in RSA 151:2-b.

(c) Laboratories performing tests or analyses of human samples, or collection stations operated by laboratories.

(d) Facilities or portions of a facility operating as an outpatient rehabilitation clinic, ambulatory surgical center, community health clinic, hospice, emergency medical care center, drop-in or walk-in care center, dialysis center, birthing center, or other entity where health care associated with illness, injury, deformity, infirmity or other physical disability is provided, whether operated for profit or for free or at a reduced cost, however named, and whether owned by a hospital or hospital holding corporation or operated as part of a hospital's services.

(e) Residential care facilities, whether or not they are private homes or other structures built or adapted for the purpose of providing residential care, offering services beyond room and board to 2 or more individuals who may or may not be elderly or suffering from illness, injury, deformity, infirmity or other permanent or temporary physically or mental disability. Such facilities shall include those:

(1) Offering residents home-like living arrangements and social or health services including, but not limited to, providing supervision, medical monitoring, assistance in daily living, protective care or monitoring and supervision of medications; or

(2) Offering residents social, health, or medical services including, but not limited to, medical or nursing supervision, medical care or treatment, in addition to any services included under subparagraph (1).

Such homes or facilities shall include, but not be limited to, nursing homes, sheltered care facilities, rest homes, residential care facilities, board and care homes, or any other location, however named, whether owned publicly or privately or operated for profit or not.

(f) Adult day care services offering medical supervision, care or treatment, or providing assistance in daily living activities, to 3 or more individuals, whether operated for profit or not.

II. This chapter shall not be construed to require licensing of the following:

(a) Facilities which are operated for the continuing care of one person or 3 or fewer persons in a facility certified by the director of the division of mental health and developmental services under RSA 126-A:39 and 126-A:40.

(b) Facilities maintained or operated for the sole benefit of persons related to the owner or manager by blood or marriage within the third degree of consanguinity.

(c) Facilities maintained and operated by any church or religious denomination solely for those ordained clergy or members of religious orders.

(d) Facilities providing only room and board.

(e) Physicians' offices and related facilities.

(f) Offices and related facilities of other persons licensed in this state to practice a health care profession.

(g) Any other facility exempted by rules adopted under this chapter.

III. Facilities licensed under this chapter shall not claim to promote or advertise themselves, in any form or manner, as providing, or being able to provide services other than those for which they are licensed.

3 Application Procedures. Amend RSA 151:4, III to read as follows:

III.(a) The division of public health services in the department of health and human services shall require that applications set forth the:

[(a)] (1) Full name and address of the owner of the facility for which license is sought,

[(b)] (2) Name of the persons in control thereof.

[(c)] (3) Certification, where local licensing is required, that the facility conforms with applicable local rules, regulations and ordinances having to do with health and safety,

[(d)] (4) Name or location, or both, of community residences together with any certification required under subparagraph [(c)] (a)(3) of this paragraph, when the application is submitted by an area agency as defined under RSA 171-A:2, 1-b.

*(b) In addition to the requirements of subparagraph III(a), for facilities providing residence, the application shall include a description of the services and programs to be offered to the residents and a description of the facility's relation to or reliance upon any health care to be provided or offered to residents by individuals, agencies, or organizations from outside of the residence who are not employees of or under contract with or which will not receive payment from the applicant.*

4 New Sections: Needs Determination; Assuring Appropriate Care. Amend RSA 151:5 by inserting after section 5 the following new sections:

151:5-a Needs Determination; Assuring Appropriate Care.

I. All facilities licensed as a residential care facility, defined under RSA 151:2, I(e) shall, prior to accepting a new resident and every 6 months thereafter, complete a determination that the needs of the individual are compatible with the facility and the services and programs offered within the facility. The individual needs determination shall, if not otherwise required for certification of the facility under Titles XVIII and XIX of the Social Security Act, as amended, conform to rules adopted by the director, division of public health services and recorded on a form provided by the director. Completed forms shall be maintained in the resident's file and be available for inspection under RSA 151:6 and 151:6-a.

II. No licensed residential care facility as defined in RSA 151:2, I(e), shall accept as a new resident any individual whose needs cannot be met under the license issued to the facility. If such a facility has a resident whose physical or mental needs exceed the services and programs provided for under its current license, it shall apply for an appropriate license or, with the assistance of the family and any other appropriate services, it shall place the individual in a facility with a level of licensure appropriate to the individual's needs.

151:5-b Deemed Licensed. Any facility or home health agency certified under Titles XVIII or XIX of the Social Security Act, as amended, shall submit a completed license application, or license renewal form, together with the appropriate fee. Such facility or agency shall be deemed licensed under this chapter and shall be exempt

from inspections carried out under RSA 151:6-a. This section shall only apply to the activities or portions of the facility or agency certified under Titles XVIII or XIX of the Social Security Act, as amended.

5 Investigations Added. RSA 151:6 is repealed and reenacted to read as follows:

151:6 Investigations and Consultations.

I. The department of health and human services, division of public health services, may investigate, in response to a complaint alleging a violation of this chapter or when it has good reason to believe that the provisions of this chapter or rules adopted under this chapter have been violated by any facility licensed under this chapter or any facility providing room and board to 2 or more individuals unrelated to the owner or manager. Such investigations shall be conducted in accordance with rules adopted by the director, division of public health services, under RSA 151:9. The director, division of public health services, shall, when necessary, seek the assistance of local and state law enforcement authorities in order to complete its investigation.

II. The department of health and human services, division of public health services, may require by rule that any licensee or prospective applicant desiring to make specified types of alterations or additions to its facilities or to construct new facilities shall, before commencing such alteration, addition or new construction, submit plans and specifications therefor to the department of health and human services, division of public health services, for preliminary inspection and approval or recommendations.

III. The division of public health services shall make consultation services available, which shall include visits to the facility, to individuals seeking licensure or who are uncertain if a license is required for their facilities.

6 Residential Facilities Added. Amend RSA 151:6-a to read as follows:

151:6-a Annual Inspection. The division of public health services shall make at least one annual unannounced inspection of every facility [for which a license is required] *licensed* under this chapter. *For residential care facilities, defined in RSA 151:2, 1(e), the inspection shall include a review of the programs and services offered in the facility to assure that the facility is in compliance with its current level of licensure, and a survey of the most recent individual resident needs determinations where such surveys are not done under the survey and certification process for Titles XVIII and XIX of the Social Security Act, as amended, to assure that the facility and its programs and services are appropriate to the needs of the residents. Inspection results shall be provided as a written report which distinguishes between those findings that do, and those which do not, indicate a pattern of care, or which demonstrate over the period of at least 2 inspections, a trend in the care of residents or management of the facility which has the potential for adversely affecting the health of the residents.* The results of this inspection and any later inspection shall be posted in a conspicuous place in the facility in the manner determined by the director of the division. The results so posted shall indicate the facilities and services inspected and the results for each such facility or service. This section shall not apply to acute care general hospitals when the division and the joint committee for accreditation of hospitals have agreed on joint inspection standards.

7 New Subparagraph: Residential Care Facilities Added. Amend RSA 151:7, II, by inserting after subparagraph (d) the following new subparagraph:

(e) Services and programs provided by residential care facilities which exceed the licensure level or the failure to provide services and programs required under the licensure level.

8 Warnings Clarified. RSA 151:7-a is repealed and reenacted to read as follows:  
151:7-a Warnings; Results of Investigations.

I. The department of health and human services, division of public health services, may issue a warning, following an investigation conducted under RSA 151:6 or the inspection provided for in RSA 151:6-a, to a facility requiring compliance with the provisions of this chapter and the rules adopted under it. The warning shall state a time frame within which the facility shall comply with the directives of the warning, including, for facilities not licensed under this chapter but which are found to require licensure, the final date by which the action or actions requiring licensure must cease or by which an application for licensure must be received by the division of public health services before the division initiates any legal action available to it to cease the operation of the facility.

II. The results of an investigation conducted under RSA 151:6 shall be provided to the licensee, or, for an unlicensed facility, to the owner or person responsible for the facility in the owner's absence. The results of an investigation of an unlicensed facility shall be provided prior to the issuance of any warning and the owner or person responsible shall be given the opportunity to respond to any findings. Such response shall be considered by the division of public health services prior to the issuance of a warning under paragraph I.

III. An unlicensed facility may appeal a warning. Appeals shall be conducted in accordance with RSA 151:8.

9 New Paragraph; Rulemaking. Amend RSA 151:9 by inserting after paragraph VI the following new paragraphs:

VII.(a) The rules adopted under RSA 151:9, 1 for residential care facilities shall, in establishing licensure classifications, recognize the following licensure levels which correspond to a continuum of care requiring different programs and services to assure quality of life in the least restrictive environment possible:

(1) Residential care, requiring a minimum of regulation and reflecting the availability of assistance in personal and social activities with a minimum of supervision or health care, which can be provided in a home or home-like setting.

(2) Supported residential care, reflecting the availability of and need by residents of the facility for social or health services from appropriately trained or licensed individuals, who need not be employees of the facility, or for supervision for as much as 24 hours a day by appropriately trained or licensed individuals. Such facilities may also include the provision of medical care for convalescing residents.

(3) Nursing homes providing a range of social and health services, including 24-hour-a-day supervision and the provision of medical care and treatment, according to a plan of care, by appropriately trained or licensed individuals who are employees of or who are under contract to the facility.

(4) Special needs residential facilities, other than specialty hospitals, which, in addition to meeting the criteria of subparagraph (1), (2), or (3), reflect the availability of specialized supervision and treatment appropriate to the needs of the residents being cared for by appropriately trained or licensed individuals.

(b) Additional levels of classification may be established within each major level, and a facility may hold more than one license. The director of the division of public health services may, in adopting rules under RSA 151:9, 1, establish limits on the number of residents to be cared for at different licensure levels.

10 Exception Added. Amend RSA 151:21, 1 to read as follows:

1. The patient shall be fully informed of a patient's rights and responsibilities and of all procedures governing patient conduct and responsibilities. This information must be provided verbally and in writing before or at admission, or for those who are patients on August 22, 1981, immediately upon the adoption of or amendment to a patients' rights policy, and, *except for patients in acute care hospitals licensed under this chapter*, receipt of the information must be acknowledged by the patient in writing. When a patient [is mentally retarded or incapacitated] *lacks the capacity to make informed judgments* the signing must be [witnessed by a third person] *by the person legally responsible for the patient*.

11 New Section; Exception Added. Amend RSA 151 by inserting after section 21 the following new section:

151:21-a Exception for Hospitals. Hospitals licensed under this chapter are exempt from RSA 151:21, II, VI, XV and XVII.

12 Time Extended. Amend the introductory paragraph of RSA 151:26, III(a) to read as follows:

III.(a) Involuntary transfer or discharge of a patient who is not a recipient of assistance under Title XIX of the Social Security Act shall be preceded by written notice of a minimum of [21] **30** days which shall contain the following:

13 Notice Required. Amend the unnumbered concluding paragraph of RSA 151:26, III(a) to read as follows:

A copy of the notice shall be placed in the patient's clinical record and a copy shall be transmitted to the patient, the patient's next of kin, the patient's personal representative, legal guardian, *the ombudsman in the office of the ombudsman established under RSA 161-F:10 or the designated agency responsible for the protection and advocacy system for developmentally disabled and mentally ill individual*, and the person or agency responsible for the patient's placement, maintenance, and care in the facility.

14 Time Extended. Amend the introductory paragraph of RSA 151:26, III(b) to read as follows:

(b) The [21] **30**-day requirement shall not apply in any of the following:

15 Effective Date. This act shall take effect January 1, 1992.

**HB 466-FN**, establishing a study committee to evaluate residential care facilities. INEXPEDIENT TO LEGISLATE.

By a vote of 13-0, the Committee voted HB 466 Inexpedient to Legislate. It feels that the concerns expressed in this bill will be addressed in HB 451, a bill to clarify the licensing procedures for residential care facilities. Rep. Katherine W. Wheeler for Health, Human Services and Elderly Affairs.

**HB 613-FN**, relative to the procedures of the certificate of need board. OUGHT TO PASS WITH AMENDMENT.

This bill changes the threshold for a certificate of need for construction, renovation, expansion or alteration of any acute care health facility to \$1,500,000, adjusted annually to reflect inflation. It establishes a time frame for complete review of amended applications. Vote 16-0. Rep. Mary C. Holmes for Health, Human Services and Elderly Affairs.

**Amendment**

Amend RSA 151-c:5. II(f) as inserted by section 6 of the bill by replacing it with the following:

*(f) The construction, development, expansion, renovation, or alteration of any nursing home, ambulatory surgical facility, rehabilitation hospital, psychiatric hospital, specialty hospital, or other health care facility requiring a capital expenditure of more than \$1,000,000. The board shall, by rule, adjust the capital expenditure threshold annually using an appropriate inflation index.*

Amend the bill by replacing section 14 with the following:

14 Effective Date. This act shall take effect 60 days after its passage.

**HB 266-FN.** relative to training of inspectors with the department of agriculture. INEXPEDIENT TO LEGISLATE.

The Commissioner of Agriculture opposed this bill because it removes the requirement that department inspectors take part in a training program, which he felt was important. Vote 13-0. Rep. Elizabeth D. Lown for Judiciary.

**HB 269.** granting probate judges greater discretion to require bonds from executors and trustees. OUGHT TO PASS WITH AMENDMENT.

HB 269 gives probate judges the discretion to require additional bonds of executors and trustees in order to better protect estate funds for beneficiaries. It also allows probate judges to schedule the dates on which their courts shall meet. Vote 13-1. Rep. Nancy M. Ford for Judiciary.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

granting probate judges greater discretion to require bonds from executors and trustees and relative to probate court scheduling.

Amend the bill by replacing section 3 with the following:

3 New Section: Probate Court Scheduling. Amend RSA 548 by inserting after section 4 the following new section:

548:4-a Scheduling. The registers of probate for each county shall schedule all cases and matters to be held in said county with the advice and consent of the probate judge sitting in said county.

4 Repeal. RSA 549, relative to times and places of holding courts of probate, is repealed.

5 Effective Date.

I. Sections 1 and 2 of this act shall take effect January 1, 1992.

II. Sections 3 and 4 of this act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill grants judges greater discretion in requiring bonds from executors and trustees in cases of administration of estates.

The bill also abolishes the statutory schedule of sessions for the probate court.

**HB 344-FN.** relative to eligibility for admission to the New Hampshire bar. REFER TO COMMITTEE.

This bill intends to allow Canadian legal training to qualify for the New Hampshire Bar Examination. Because of questions raised regarding the authority of the Supreme

Court to administratively act in this regard, it was the Committee view that the bill be held until these questions have been answered. Vote 13-0. Rep. Alf E. Jacobson for Judiciary.

**HB 410-FN**, relative to certification as an habitual offender for DWI-related convictions. RE-REFER TO COMMITTEE.

This is a bill similar to HB 534 relative to habitual offenders, a bill this Committee previously re-referred. It is the Committee's intention to go through the entire habitual offender statute. Time constraints prevent this from happening this quickly. Vote 15-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 445-FN**, defining "compact parts" of towns and cities with regard to criminal charges for unauthorized use of firearms and firecrackers. OUGHT TO PASS WITH AMENDMENT.

Both the original bill and the amendment define the "compact area" where discharge of firearms is prohibited. The amendment refines the definition to set specific frontage of 300 feet from the compact area. Vote 11-0. Rep. Alf E. Jacobson for Judiciary.

#### Amendment

Amend RSA 644:13, II as inserted by section 1 of the bill by replacing it with the following:

II. For the purposes of this section, "compact part" means the territory within a town or city comprised of the following:

(a) Any contiguous area containing 6 or more buildings and the spaces between them where each such building is within 300 feet of at least one of the others, plus a perimeter 300 feet wide around all the buildings in such area.

(b) Any park, playground, or other outdoor public gathering place designated by the legislative body of the city or town.

**HB 455**, relative to determination of amount of alimony awards. OUGHT TO PASS WITH AMENDMENT.

The Committee concurred with the bill as follows: "In determining the amount and sources of income, the court shall not consider a minor child's social security benefit payments on a second or subsequent spouse's income," in determining any alimony orders. This bill becomes effective 60 days after passage. Vote 13-0. Rep. Alice B. Record for Judiciary.

#### Amendment

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect 60 days after its passage.

**HB 503**, relative to recovery of medical assistance payments. RE-REFER TO COMMITTEE.

This bill purports to clarify the way in which the state recovers medical assistance payments. So many issues were raised at the public hearing about the rights of citizens, the elderly and surviving spouses that the Committee felt it should refer this matter for further study. Vote 14-0. Rep. Peter Hoe Burling for Judiciary.

**HB 541**, relative to arrests for abuse of elderly or incapacitated adults. INEXPEDIENT TO LEGISLATE.

Current law allows warrantless arrest in the case of abuse under RSA 594:10 which covers the elderly as well as others. It is the opinion of this Committee that the real

problems are in the enforcement divisions of the local police departments. It appears they are unaware that the state has provided them this tool. Vote 15-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 628-FN**, relative to providing alcohol to persons under 21 years of age. INEXPEDIENT TO LEGISLATE.

The Committee agrees with the intent of this bill, however, the wording of the bill does not agree with that intent. As written the bill would affect drastically the indigent defense fund. The words "negligently provides" are unclear and could defeat the purpose of the bill. The bill would establish minimum mandatory fines and would raise penalties from a violation to a misdemeanor. Vote 14-0. Rep. C. William Johnson for Judiciary.

**HB 635-FN**, establishing a study committee to review misdemeanors and misdemeanor sentencing. OUGHT TO PASS WITH AMENDMENT.

The importance of this bill cannot be understated. The whole question of misdemeanors needs to be reviewed and a great number of people need to be talked with. The Committee would prefer to do this work directly, rather than refer it to some interim group which will then have to report back to the Legislature. Vote 12-0. Rep. Peter Hoe Burling for Judiciary.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

authorizing the house judiciary committee to study  
misdemeanors and misdemeanor sentencing.

Amend the bill by replacing all after the enacting clause with the following:

I Misdemeanor Sentencing Studied. The house judiciary committee shall study all existing misdemeanor statutes relative to their terms of imprisonment and shall review whether such terms should be altered by establishing a second class of misdemeanor. The committee shall also explore whether certain misdemeanors should be reduced to violations.

2 The committee shall consult with the following without limitations:

- I. The judicial council.
- II. The attorney general or designee.
- III. The executive director of the New Hampshire public defender program or designee.
- IV. A representative of the New Hampshire Police Chiefs Association.
- V. The county prosecutors.
- VI. The municipal prosecutors.
- VII. The administrative judge of the district courts, or designee.
- VIII. The administrative judge of the superior courts, or designee.
- IX. The administrative judge of the probate courts, or designee.
- X. The joint legislative performance audit and oversight committee.
- XI. The commissioner of corrections or designee.
- XII. The governor's legal counsel.
- XIII. The New Hampshire Police Association.

3 Report. The committee shall submit its report with its recommendations for legislative action on or before November 1, 1991, to the speaker of the house, the president

of the senate, the governor, and the chairpersons of the house and senate judiciary committees.

4 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill authorizes the house judiciary committee to review misdemeanors and sentencing for misdemeanors, as recommended by the legislative budget assistant's audit of the indigent defense program and by the long-range planning task force of the New Hampshire supreme court. The committee will also explore whether certain misdemeanors should be reduced to violations.

The committee must submit a report on or before November 1, 1991, to the speaker of the house, the senate president, the governor, and the chairpersons of the house and senate judiciary committees.

This bill was requested by the judicial council.

**HB 661-FN**, allowing annulments of criminal records of persons who served a term of imprisonment. **OUGHT TO PASS WITH AMENDMENT.**

This bill permits the courts, under certain conditions, to annul records of conviction and sentence of a person who has been imprisoned. Under present law, annulment is possible only if ALL of the sentence was suspended. The amendment clears up an anomaly in the corrections provision for persons under 21 years of age. Vote 15-0. Rep. Richard H. Campbell, Jr. for Judiciary.

#### Amendment

Amend the bill by replacing section 1 with the following:

1 Annulment of Criminal Record of Person Who Was Imprisoned or Sentenced to a Suspended Sentence. Amend RSA 651:5, III and IV to read as follows:

III. If a person has been sentenced to *imprisonment or to a* suspended sentence [and has not been imprisoned under that sentence] and has been convicted of no other crime except a traffic offense during a 5-year period following *his release or* the completion of his suspended sentence, he may at any time after such 5-year period apply to the court in which the original sentence was entered for an order to annul the record of conviction and sentence.

IV. If a person under 21 years of age at the time of his criminal act [is] *has been* sentenced to imprisonment *or to a suspended sentence* and [in any 3-year period following his release] has been convicted of no other [offense] *crime* except a traffic offense *during a 3-year period following his release or the completion of his suspended sentence*, he may[, ] at any time after such 3-year period[, ] apply to the court in which the original sentence was entered for an order to annul the record of conviction and sentence.

#### AMENDED ANALYSIS

This bill allows annulment of a record of criminal conviction and sentence of a person who served a term of imprisonment, provided that such person meets all other requirements for annulment.

The bill also allows a person who was under 21 years of age at the time of his criminal act and was sentenced to a suspended sentence to apply for an annulment of his record of criminal conviction during a 3-year period following completion of his suspended sentence.

**HB 675-FN**, relative to DWI penalties while operating a motor vehicle, OHRV, or boat or while transporting a child. RE-REFER TO COMMITTEE.

This bill had seven sections, as well as a lengthy amendment by the Fish and Game Department. The Committee needs additional time to work on this bill. Vote 15-0. Rep. David D. Hultgren for Judiciary.

**HB 689-FN**, relative to administrative motor vehicle license revocation. RE-REFER TO COMMITTEE.

It is the position of the Committee that this bill's intent is to prevent the significant incidence of driving after a DWI offense. The bill needs further attention. A Senate Bill (SB 50) on the same subject was killed March 14, so this bill is even more important to keep alive. Vote 14-0. Rep. Donnalee M. Lozeau for Judiciary.

**HB 693-FN**, relative to disclosure of tax records related to investigations by the attorney general and relative to forfeiture of items seized in connection with controlled drug offenses. RE-REFER TO COMMITTEE.

This bill raised many serious policy decisions dealing with drug forfeiture. Time did not possibly allow for this to be dealt with properly. This bill makes significant changes. Vote 13-1. Rep. Donnalee M. Lozeau for Judiciary.

**HB 701-FN**, relative to protecting personal privacy. OUGHT TO PASS WITH AMENDMENT.

The bill limits the use of Social Security numbers in order to protect personal privacy. The bill authorizes individuals to refuse to disclose their Social Security number unless it is specifically required by state or federal law. Vote 13-1. Rep. Benjamin J. DePecol for Judiciary.

#### Amendment

Amend the bill by replacing section 3 with the following:

3 Effective Date. This act shall take effect 60 days after its passage.

**HB 756-FN**, relative to a victims' bill of rights. OUGHT TO PASS WITH AMENDMENT.

This bill establishes in law certain rights for crime victims, to assure that they may be treated with respect and dignity. The bill was requested by the Department of Justice. The amendment includes suggestions from the victim advocate in the Attorney General's office. Vote 14-0. Rep. Richard H. Campbell, Jr. for Judiciary.

#### Amendment

Amend RSA 21-M:8-k, I(a) as inserted by section 2 of the bill by replacing it with the following:

(a) "Victim" means a person who suffers direct or threatened physical, emotional, psychological or financial harm as a result of the commission or the attempted commission of a crime. "Victim" also includes the immediate family of any victim who is a minor or who is incompetent, or the immediate family of a homicide victim.

Amend the introductory paragraph of RSA 21-M:8-k, II as inserted by section 2 of the bill by replacing it with the following:

II. To the extent that they can be reasonably guaranteed by the courts and by law enforcement and correctional authorities, and are not inconsistent with the constitutional or statutory rights of the accused, crime victims are entitled to the following rights:

Amend RSA 21-M:8-k, II(g) as inserted by section 2 of the bill by replacing it with the following:

(g) The right to have inconveniences associated with participation in the criminal justice process minimized.

Amend RSA 21-M:8-k, II(j) as inserted by section 2 of the bill by replacing it with the following:

(j) The right to restitution or victim's compensation for their losses.

Amend RSA 21-M:8-k, II(t) and (u) as inserted by section 2 of the bill by replacing them with the following:

(t) The right to be notified of any change of status such as prison release, permanent interstate transfer, or escape, and the date of the parole board hearing, when requested by the victim through the victim advocate.

(u) The right to address or submit a written statement for consideration by the parole board on the defendant's release and to be notified of the decision of the board, when requested by the victim through the victim advocate.

**HB 758-FN**, relative to the right to privacy act. RE-REFER TO COMMITTEE.

This bill is a complex proposal involving financial records, credit records, credit reporting agencies and access to those records by the Attorney General. In order to protect the rights to privacy with respect to the records, the Committee needs careful study of all aspects. Vote 14-0. Rep. Alf E. Jacobson for Judiciary.

**HB 783**, relative to prior DWI convictions. RE-REFER TO COMMITTEE.

The majority of the Committee felt this bill has merit and is worth a closer look. Vote 10-4. Rep. Patricia R. Dwyer for Judiciary.

**HB 270-FN**, relative to excavating and dredging permits issued by the wetlands board. OUGHT TO PASS WITH AMENDMENT.

This bill makes minor changes in the procedure for filing applications for dredge-and-fill permits, and provides for notification of abutters by certified mail. The bill authorizes town clerks to increase the administrative fee from \$2 to \$10, plus actual postage costs. The bill also changes certain definitions to be consistent with the zoning and planning laws; and the bill changes the references to terms within the chapter. Vote 12-2. Rep. Carol M. Stamatakis for Resources, Recreation and Development.

### Amendment

Amend the title of the bill by replacing it with the following:

### AN ACT

relative to filling and dredging in wetlands.

Amend the bill by replacing all after the enacting clause with the following:

1 New Paragraph: Definition Added. Amend RSA 482-A:2 by inserting after paragraph II the following new paragraph:

II-a. "Local governing body" means "local governing body" as defined in RSA 672:6.

2 "Local Legislative Body" Redefined. RSA 482-A:2, III is repealed and reenacted to read as follows:

III. "Local legislative body" means "local legislative body" as defined in RSA 672:8.

3 Fee Increased Along with Additional Requirements for Filing Permits. Amend RSA 482-A:3, I to read as follows:

1. No person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the wetlands board. The permit application *together with a detailed plan and a map showing the exact location of the proposed project, along with 4 copies of the permit application, plan and map*, shall be [sent] *submitted to the town or city clerk*, [to the wetlands board and shall be] accompanied by a filing fee *in the form of a check made out by the applicant to the New Hampshire wetlands board*. The permit application fee shall be \$50 for minimum impact projects. Fees for minor and major projects shall be assessed based on the area of dredge or fill proposed and the number of boat slips requested. The rates shall be \$100 per boat slip and \$0.025 per square foot. [At the time of filing with the wetlands board said person shall also file copies of the permit application, with a detailed plan, including a map showing the exact location of the proposed project with the town or city clerk] *At the time the permit application is submitted to the city or town clerk, the applicant shall provide postal receipts or copies, verifying that abutters, as defined in the rules of the wetlands board, and except as further provided in said rules, have been notified by certified mail. The postal receipts or copies shall be retained by the municipality. The town or city clerk shall immediately sign the application and forward by certified mail, the application, plan, map and filing fee to the wetlands board.* The town or city clerk shall *then* immediately send a copy of the permit application, *plan and map* to the local [legislative] *governing* body, the municipal planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to exceed [\$2] *\$10 plus the cost of postage by certified mail*. [The copies of the permit application] *One copy shall remain with the city or town clerk, and shall be made reasonably accessible to the public. The foregoing procedure notwithstanding, applications and fees for projects by agencies of the state may be filed directly with the wetlands board, with 4 copies of the application, plan and map filed at the same time with the town or city clerk to be distributed as set forth above.*

4 Reference Changed. Amend RSA 482-A:8 to read as follows:

482-A:8 Hearing. The board shall hold a public hearing on proposals under RSA 482-A:3 in accordance with rules adopted by the board, within 60 days of the receipt of said notice, and shall notify by mail the person intending to do such excavating, removing, filling, dredging or altering, the local [legislative] *governing* body of the municipality involved, the planning board, if any, the municipal conservation commission, if any, and the members of the board. The requirement of public hearing in this section may not apply to such minor projects and to such minor improvements of the shoreline of those waters subject to the jurisdiction of this chapter as the board may by reasonable general rule provide, and as to such projects initial review authority may be delegated to a subcommittee or the staff of the board.

5 References Changed. Amend RSA 482-A:10, IV to read as follows:

IV. If a permit is granted with respect to any activity proposed to be undertaken in or adjacent to a prime wetland as mapped, designated and filed pursuant to RSA 482-A:15, the conservation commission or [municipal executive] *local governing* body may appeal said decision to the superior court in the manner established in paragraph I of this section. The filing of a motion for rehearing with the board pursuant to RSA [31:74] *677:2* shall automatically stay the effectiveness of the board's decision relat-

ing to said prime wetland. Said stay shall remain in force until a decision on the motion for rehearing has been issued by the board.

6 Reference Changed. Amend RSA 482-A:11, V to read as follows:

V. The board shall not grant a permit with respect to any activity proposed to be undertaken in or adjacent to an area mapped, designated and filed as a prime wetland pursuant to RSA 482-A:15 unless the board first notifies the local [legislative] *governing* body, the planning board, if any, and the conservation commission, if any, in the municipality within which the wetlands lie, either in whole or in part, of its decision. Any such permit shall not be issued unless the board is able, specifically, to find on the basis of clear and convincing evidence in the record of the proceedings, and after public hearing, that the proposed activity, either alone or in conjunction with other human activity, will not result in the significant net loss of any of the values set forth in RSA 482-A:1. This paragraph shall not be construed so as to relieve the board of its statutory obligations under this chapter to protect wetlands not so mapped and designated.

7 Reference Changed. Amend RSA 482-A:12 to read as follows:

482-A:12 Posting of Permits and Reports of Violations. Project approval by the board shall be in the form of a permit, a copy of which the applicant shall post in a secured manner in a prominent place at the site of the approved project. The board shall mail a copy of such permit to the local [legislative] *governing* body of the municipality where the project is located. Any person proceeding without a posted permit shall be in violation of this chapter. All state, county and local law enforcement officers are directed to be watchful for violations of the provisions of this chapter and to report all suspected violations to the board.

8 Reference Changed. Amend RSA 482-A:15, I to read as follows:

I. Any municipality, by its conservation commission, or, in the absence of a conservation commission, the planning board, or, in the absence of a planning board, the local [legislative] *governing* body, may undertake to designate, map and document prime wetlands lying within its boundaries, or if such areas lie only partly within its boundaries, then that portion lying within its boundaries. For the purposes of this chapter, "prime wetlands" shall mean any areas falling within the jurisdictional definitions of RSA 482-A:3 and 482-A:4 that possess one or more of the values set forth in RSA 482-A:1 and that, because of their size, unspoiled character, fragile condition or other relevant factors, make them of substantial significance. Such maps or designations, or both, shall be in such form and to such scale, and shall be based upon such criteria, as are established by the board through rules adopted pursuant to RSA 482-A:11.

9 Reference Changed; Newspaper of State Circulation Required. Amend RSA 482-A:17 to read as follows:

482-A:17 Grant of Right. The governor and council, upon petition and only upon the recommendation of the wetlands board, may, for just consideration, grant to an owner of shoreline on public waters the right to place fill in the bed of such pond before his shoreline. Every petition to place fill in the bed of public waters shall be filed with the wetlands board. The board, after 30 days' notice to abutters, to the local [legislative] *governing* body of the municipality in which the property is situated, and to the division of public health services of the department of health and human services, shall hold a public hearing at which a majority of the members of the wetlands board shall be present. Notice of the hearing shall be published twice in 2 different weeks, the last publication to be 7 days before the hearing, in one *newspaper of*

*general circulation throughout the state and another* newspaper of general circulation in the municipality, and notice posted in 2 public places in the municipality, and upon appropriate investigation shall make its recommendations to the governor and council with regard to such petition. If the board recommends that the petition be granted, in whole or in part, such recommendation shall include appropriate specifications and conditions necessary to the protection of public rights and to the protection of the rights and privileges of persons owning land in the vicinity of the area to be filled by the petitioner. The grant of the governor and council shall be evidenced by an instrument in writing, executed by the governor and council, attested by the secretary of state, and recorded in the county where the right is to be exercised. Land created by fill in accordance with the grant of the governor and council shall belong to the owner of the natural shoreline as if it were formed by natural accretion. The owner of a shoreline on a public-owned water body may petition the wetlands board for the right to place fill below the artificially-created high water level of a public-owned water body to the extent that the flowage rights owned by the state allow.

10 Reference Changed. Amend RSA 482-A:22 to read as follows:

482-A:22 Grant of Right. The governor and council, upon petition and upon the recommendation of the wetlands board, may, for just consideration, grant to an owner of a shoreline on public waters the right to excavate, remove, or dredge any bank, flat, marsh, swamp or lake bed before his shoreline. Every petition to excavate or dredge said areas shall be filed with the wetlands board. The board, after 30 days' notice to abutters, the local [legislative] *governing* body of the municipality in which the property is situate, and the division of public health services of the department of health and human services shall hold a public hearing at which a majority of the members of the wetlands board shall be present. Notice of the hearing shall be published twice in 2 different weeks, the last publication to be 7 days before the hearing, in one newspaper of general circulation throughout the state and another newspaper of general circulation in the municipality. The notice shall also be posted in 2 public places in the municipality. Upon appropriate investigation the board shall make its recommendations to the governor and council with regard to such petition. If the board recommends that the petition be granted, in whole or in part, such recommendation shall include appropriate specifications and conditions necessary to the protection of public rights and to the protection of the rights and privileges of persons owning land in the vicinity of the area to be excavated or dredged by the petitioner.

11 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill increases the administrative fee for excavating and dredging permits which may be required by a town or city clerk from \$2 to \$10 plus actual expenses. It specifies additional requirements for submitting permits which include the submission of a detailed plan and map in triplicate and provision of all postal receipts to the town or city clerk to verify that abutters have been notified of an individual's intention to excavate, remove, fill or dredge an area.

This bill also defines local governing body and redefines local legislative body and changes the references within the chapter to the terms.

**HB 438**, establishing a state policy on aquifers. **INEXPEDIENT TO LEGISLATE.**

After hearing testimony, the Committee decided this legislation is, at this time, unnecessary. Furthermore, the sponsor was uncertain as to the need for such a policy. Vote 14-0. Rep. Janet M. Conroy for Resources, Recreation and Development.

**HB 496-FN**, relative to administrative fines for marine pollution. OUGHT TO PASS.

This bill would authorize the Department of Environmental Services to impose fines of up to \$2000 for violations of the statutes governing marine toilets and disposal of sewage from boats. It is hoped the fine increase will impress boat owners so they comply with the law. It also will be suggested to Safety Services to include the increased fine in its brochure. Vote 14-0. Rep. Mary Ann Lewis for Resources, Recreation and Development.

**HB 565-FN**, relative to marine oil spill response. OUGHT TO PASS WITH AMENDMENT.

The bill clarifies liability provisions in New Hampshire law for persons and organizations that assist in the cleanup of catastrophic spills occurring in marine and tidal waters. The bill also closes an existing loophole whereby the oil spiller conceivably could be removed from liability if he assists in the clean-up. The office of the Attorney General and the Department of Environmental Services each support the bill. The bill also incorporates HB 641-FN, which was a request of the Department of Environmental Services. That bill makes housekeeping amendments to RSAs 146-A and 146-C, which are the laws addressing oil spillage and leaking underground-storage tanks. Vote 14-0. Rep. Mary Ann Lewis for Resources, Recreation and Development.

#### Amendment

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to marine oil spill response, oil spillage  
in surface waters or groundwaters and  
underground storage tanks.

Amend the bill by replacing all after the enacting clause with the following:

1 Discharge Added. Amend RSA 146-A:1 to read as follows:

146-A:1 Declaration of Purpose. The purpose of this chapter is to cope with the problem of pollution from the spillage *or discharge* of oil, recognizing the damage resulting to vegetation, marine, animal and bird life from [oil spillage] *such pollution*. [The general court finds that pollution of domestic water supplies by leaking underground storage tanks has become a serious threat to the health of those persons who rely on such water supplies.] It is the intent of this chapter to provide procedures that will expedite the cleanup of oil spillage, mitigate the adverse effects of [leaking underground storage tanks] *oil discharges*, [to] encourage preventive measures, *and* provide financial assistance to victims of such [leaks] *discharges* and to encourage private organizations to assist in these efforts.

2 New Paragraphs; Definitions Added. Amend RSA 146-A:2 by inserting after paragraph I, the following new paragraphs:

I-a. "Federal On-Scene Coordinator" means the federal official predesignated by the U.S. Environmental Protection Agency or the U.S. Coast Guard to coordinate and direct federal responses under subpart D, or the official designated by the lead agency to coordinate and direct removal under subpart E, of the National Contingency Plan;

I-b. "National Contingency Plan" means the National Contingency Plan prepared and published under section 311(d) of the Federal Water Pollution Control Act (33 U.S.C. 1321(d)), as amended by the Oil Pollution Act of 1990, Pub. L. No. 101-380, 104 Stat. 484 (1990);

3 Definition Clarified. Amend RSA 146-A:2, III to read as follows:

III. "Oil" means petroleum products and their by-products *of anykind, and in any form* including, but not limited to, petroleum, fuel, sludge, crude, *oil refuse or oil mixed with wastes* and all other liquid hydrocarbons regardless of specific gravity[,] *and which are used as motor fuel, lubricating oil, or any oil used for heating or processing.* [Notwithstanding the above,] The term "oil" [does] *shall* not include natural gas, liquified petroleum gas or synthetic natural gas regardless of derivation or source;

4 New Paragraphs; Definitions Added. Amend RSA 146-A:2, by inserting after paragraph I the following new paragraphs:

I-a. "Discharge" or "Spillage" means the release or addition of any oil to land, groundwater or surface water.

I-b. "Groundwater" means subsurface water that occurs beneath the water table in soils and geologic formations.

5 Definition Clarified. Amend RSA 146-A:2, VI to read as follows:

VI. "Person" shall mean individual, partnership, joint venture, corporation, *as-sociation* or any group of the foregoing [organized or united for a business purpose] or the United States of America, any agency thereof and any other legal entity;

6 New Paragraphs; Definitions Added. Amend RSA 146-A:2 by inserting after paragraph VI the following new paragraphs:

VI-a. "Removal costs" means the costs of containment, removal, cleanup, restoration, and remedial or corrective action or measures that are incurred after a spillage or discharge of oil has occurred or, in any case in which there is a threat of a spillage or discharge of oil, the costs to prevent, minimize or mitigate oil pollution from such an incident.

VI-b. "Surface water" means streams, lakes, ponds, and tidal waters within the jurisdiction of the state, including all streams, lakes, or ponds bordering on the state, marshes, watercourses, and other bodies of water, natural or artificial.

7 Water Classification Added. Amend RSA 146-A:3 to read as follows:

146-A:3 Discharge of Oil. The discharge or spillage of oil into the [public] surface [waters] *water* [and] *or* [groundwaters] *groundwater* of this state, or in a land area where the oil will ultimately seep into [public water] *surface water or groundwater* is prohibited. Nothing in this chapter, however, shall prohibit the application of mosquito larvae control compounds under permits issued by the pesticide control board pursuant to RSA 430.

8 Operator Deleted. Amend the introductory paragraph of RSA 146-A:3-a, I to read as follows:

I. Any [operator or other] person who, without regard to fault, directly or indirectly causes or suffers the discharge of oil into or onto any surface water or groundwater of this state, or in a land area where oil will ultimately seep into any surface water or groundwater of the state in violation of this chapter, or rules adopted under this chapter, shall be strictly liable for costs directly or indirectly resulting from the violation relating to:

9 Reference to Public Deleted; Containment Added. Amend RSA 146-A:4 to read as follows:

146-A:4 Division of Water Supply and Pollution Control.

I. Whenever an oil [or petroleum product or by-product] discharge or spillage occurs[, hereinafter referred to as "oil discharge,"] which may pollute or which has polluted the [public waters] *surface water or groundwater* of this state, the division of

water supply and pollution control shall be notified immediately and shall assume primary jurisdiction of the cleanup operation. In the interim period before the division of water supply and pollution control has had an opportunity to assume jurisdiction, the person or persons strictly liable for an oil discharge shall undertake immediate measures to minimize the extent of pollution and damage which said discharge would otherwise cause. Any unexplained oil discharge shall be removed by or under the direction of the division of water supply and pollution control.

II. Any person strictly liable for an oil discharge [in the manner prohibited by RSA 146-A:3] shall immediately undertake to *contain or* remove such discharge to the division's satisfaction.

III. Notwithstanding paragraph II, the division of water supply and pollution control may undertake the *containment or* removal of such discharge and may retain agents and contractors for such purposes who shall operate under the direction of the division of water supply and pollution control.

10 New Paragraph; Duty to Report. Amend RSA 146-A:5 to read as follows:

146-A:5 Duty to Report.

I. Whoever is [in charge] *responsible for the operation* of any oil facility [or], carrier, *or vessel* that discharges oil in violation of this chapter shall immediately notify the division of water supply and pollution control or its designee. Any person who fails to give such notice shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person. Each day of a continuing violation shall constitute a separate offense.

*II. Any person who becomes aware of an oil discharge in violation of this chapter shall immediately notify the division of water supply and pollution control.*

11 Private Participation. RSA 146-A:7 is repealed and reenacted to read as follows:

146-A:7 Private Participation.

I. Notwithstanding any other provision of law or rule to the contrary, no oil spill cleanup organization or other person acting to contain, remove, clean up, restore or take other remedial or corrective action or measures with regard to the spillage, or discharge of oil, or threatened spillage or discharge of oil, shall be liable for removal costs, penalties, fines or damages of any kind, including but not limited to, natural resources damages or civil damages to government or private parties, unless it is determined that their acts or omissions amounted to gross negligence or willful misconduct, provided that:

(a) The oil spill cleanup organization or other person was rendering care, assistance or advice, consistent with the National Contingency Plan or as otherwise directed by the Federal On-Scene Coordinator; or

(b) The oil spill cleanup organization or other person was acting upon the request of the division of water supply and pollution control, or its designee, and pursuant to the division's response procedures.

II. The immunity provided by this section shall not apply to any person who, without regard to fault, directly or indirectly caused or suffered the spillage, or discharge of oil or threatened spillage or discharge of oil at issue, which required the initial containment, removal, cleanup, restoration or other remedial or corrective action or measures, and provided that any such person shall be strictly liable for any removal costs, penalties, fines and damages of any kind, that another person is relieved of responsibility for under paragraph I.

12 Recovery by State. Amend RSA 146-A:9 to read as follows:

146-A:9 Recovery by State. The attorney general shall institute such legal *or equitable* action as he deems necessary to recover [all] *or obtain judgment for the* costs of containment, cleanup, [or] removal, [incurred by the state] *corrective measures or civil penalties. This action may be brought in conjunction with an action for injunctive relief or in a separate action in superior court.* In connection with an action brought under this section, the attorney general may obtain a prejudgment attachment [in accordance with RSA 511-A to secure a judgment which may be recovered].

13 Reference Changed to Groundwater. Amend RSA 146-A:10 to read as follows:

146-A:10 Tort Liability to Third Persons. Any person who negligently or intentionally discharges or spills oil into or on the waters of any lake, pond, river, stream, or into tidal waters or into the [groundwaters] *groundwater* of the state which causes damage to the property of another shall be liable in tort to the person whose property is so damaged in double the amount of the damages sustained by him.

14 Specific Personnel References Deleted. Amend RSA 146-A:11 to read as follows:

146-A:11 Personnel. The division of water supply and pollution control shall establish and maintain at ports within the state, and other places as it shall determine, such employees and equipment as in its judgment may be necessary to carry out RSA 146-A. [The division of water supply and pollution control may employ an assistant chief engineer administrator, a civil engineer IV, 3 environmentalists III, a water pollution biologist and an account stenographer II.] Inspection and enforcement employees of the division of water supply and pollution control in their line of duty pursuant to RSA 146-A shall have the powers of a constable under RSA 104:9.

15 Legislative Determination Added. References Changed to Water and Groundwater. Amend RSA 146-A:11-a, I to read as follows:

I. There is hereby established the New Hampshire oil pollution control fund. This nonlapsing, revolving fund shall, at a minimum, pay the salaries and expenses of the persons specified in RSA 146-A:11, except [the civil engineer IV and one environmentalist III] *as the legislature may otherwise determine*, as well as the costs to implement the provisions of RSA 146-A which include but are not limited to the salaries and expenses of additional personnel to the extent that such salaries and expenses are incurred in implementing the provisions of this chapter, and the other costs of *containment or* removal or corrective measures deemed necessary by the division of water supply and pollution control as a result of an actual or potential oil discharge into or onto the surface [waters] *water* or [groundwaters] *groundwater* of the state. Moneys from the fund shall be used to mitigate the adverse effects of [leaking underground storage tanks] *oil discharges* including, but not limited to, provision of emergency water supplies to persons affected by such pollution, and, where necessary as determined by the department of environmental services, the establishment of an acceptable source of potable water to injured third parties. Not more than 10 percent of the moneys in the fund shall be allocated annually for research programs dedicated to the development and improvement of preventive and cleanup measures concerning such oil discharges. In the event of an oil discharge, the division of water supply and pollution control may expend, with the approval of governor and council, such additional sums as are necessary to clean up the discharge except that the total amount expended may not exceed the balance in the New Hampshire oil pollution control fund. Income derived from the oil pollution control fund shall only be used for those administrative costs needed to implement RSA 146-A and any other costs cited in this section.

16 Discharge Added. Amend RSA 146-A:11-a, III(d) to read as follows:

(d) Cleanup of pollution caused by [leaking underground storage tanks; or] *spillage or discharge of oil*.

17 Operator Deleted. Amend RSA 146-A:11-a, VI to read as follows:

VI. All funds paid to the state to reimburse costs paid out of the oil pollution control fund by any person [or operator] strictly liable to the state under RSA 146-A:3-a and 146-C:11 shall be placed in the oil pollution control fund.

18 Reference Changed to Water and Groundwater. Amend RSA 146-A:11-c, III to read as follows:

III. Methods for the prevention of oil discharges into or onto the surface [waters] *water* or [groundwaters] *groundwater* of the state, including rules for expenditures on research programs under RSA 146-A:11-a, I.

19 Containment Added. Amend RSA 146-A:11-c, V to read as follows:

V. Procedures and equipment to be used in the removal *or containment* of oil under RSA 146-A:4.

20 Reference Corrected; Governor's Emergency Powers. Amend RSA 146-A:12, IV to read as follows:

IV. The provisions of RSA [107] *107-C* as they shall apply to [eminent domain and] *the taking of private property*, compensation *and use*, mutual aid, immunity, aid in emergency, [right-of-way,] enforcement and compensation shall apply to disasters or catastrophes proclaimed by the governor under this chapter.

21 Penalty; Mandatory Injunction, References Changed to Water and Groundwater. Amend RSA 146-A:14, I and II to read as follows:

I. Any person who wilfully discharges or spills oil into or onto the [public] surface [waters and] *water or* [groundwaters] *groundwater* of the state or in a land area where the oil will ultimately seep into [public] *such* [water] *waters* shall be guilty of a misdemeanor if a natural person or guilty of a felony if any other person. Each day of a continuing violation shall constitute a separate offense.

II. Any person who discharges or spills oil into or onto the [public] surface [waters and] *water or* [groundwaters] *groundwater* of the state or in a land area where the oil will ultimately seep into [public] *such* [water] *waters* shall be subject to a civil penalty not to exceed \$10,000 for each violation. *Each day of a continuing violation shall count as a separate violation. The attorney general may bring an action for injunctive relief, including a mandatory injunction.*

22 New Sections; Orders; Injunctions; Failure to Comply. Amend RSA 146-A by inserting after section 15 the following new sections:

146-A:16 Orders; Injunctions.

I. The division is authorized to issue an administrative order directing any person to cease activity violating this chapter, to take action necessary to comply with this chapter, or to institute corrective or remedial measures in response to the spillage or discharge of oil.

II. Notwithstanding any other provision of this chapter, the division, upon receipt of information that the spillage of oil may present an imminent and substantial hazard to human health or the environment, may take the following action:

(a) Issue a cease and desist order against any person responsible for the spillage or discharge of oil;

(b) Order the oil facility owner or operator, or any other person responsible for the spillage or discharge of oil to take action reasonably required to contain or remove the spillage; and

(c) Request the attorney general to bring an action for injunctive relief, including a mandatory injunction.

III. Appeal of an order issued under this section shall be governed by RSA 21-O:7. IV. Orders of the division issued upon a finding of an imminent and substantial hazard may be appealed, but shall be immediately effective. The effective date of any other order which is appealed shall be the date of the council's affirmance of the order. Appeal of the council's affirmance shall not stay or suspend the effectiveness of the order unless the supreme court grants a stay of the order. The attorney general may bring an action for injunctive relief, including a mandatory injunction, to obtain compliance with or enforcement of the order.

146-A:17 Willful Failure to Comply. Any person who is determined to be strictly liable for discharge or spillage of oil and who wilfully fails to comply with a division order requiring investigation, containment, cleanup, removal, remedial measures, or corrective measures, shall be liable to the state in double the amount of cost recoverable funds expended by the state in undertaking investigative, remedial, or corrective action.

23 New Paragraph; Definition Added. Amend RSA 146-C:1 by inserting after paragraph I the following new paragraph:

I-a. "Council" means the water supply and pollution control council established under RSA 21-O:7.

24 Reference Changed to Groundwater and Water. Amend RSA 146-C:1, II to read as follows:

II. "Discharge" means the release or addition of any oil or hazardous substance to land, [groundwaters] *groundwater* or surface [waters] *water*.

25 Reference to Water Changed to Groundwater or Surface Water. Amend RSA 146-C:1, VI to read as follows:

VI. "Failure" means a condition which may or does allow the uncontrolled passage of oil or a hazardous substance into or out of a facility, and includes, but is not limited to, a discharge to the [waters] *groundwater or surface water* of the state without a permit issued pursuant to RSA 146-C:4.

26 Definition of Facility Clarified. Amend RSA 146-C:1, V, to read as follows:

V. "Facility" means [a system of] *an assemblage of* tanks, pipes, pumps, vaults, fixed containers, and appurtenant structures, singly or in any combination, which are used or designed to be used for the storage, transmission, or dispensing of oil or a hazardous substance, and which are within the size, capacity, and other specifications prescribed by rules adopted by the division pursuant to RSA 146-C:9, VI.

27 Groundwater Redefined. Amend RSA 146-C:1, VII to read as follows:

VII. "[Groundwaters] *Groundwater*" means [all areas below the top of the water table, including aquifers, wells, and other sources of groundwater] *subsurface water that occurs beneath the water table in soils and geologic formations*.

28 Reference to Non-Commercial Deleted. Amend RSA 146-C:1, XI to read as follows:

XI. "Nonresidential", when referring to a facility, means a facility which serves any commercial, industrial, institutional, municipal, public, or other building, including, but not limited to, service stations, hotels and motels, hospitals, nursing homes, and correctional institutions, but not including [non-commercial] residential buildings.

29 Reference Added. Amend RSA 146-C:1, XII to read as follows:

XII. "Oil" means [petroleum products and their by-products of any kind and in any form, including, but not limited to, petroleum, fuel, sludge, crude, and all other liquid hydrocarbons regardless of specific gravity and which are used as motor fuel, lubricating oil, or any oil used for heating or processing. The term "oil" shall not include natural gas, liquified petroleum gas, or synthetic natural gas, regardless of derivation or source] *"oil" as defined in RSA 146-A:2.*

30 Date Deleted. Amend RSA 146-C:1, XIV, to read as follows:

XIV. "Owner" means the person in possession of or having legal ownership of a facility. In addition, for facilities no longer in use [on November 8, 1984], "owner" includes the person having had legal ownership of such facility immediately prior to discontinuance of its use.

31 Responsible Person Added. Amend RSA 146-C:2, to read as follows:

146-C:2 Discharges Prohibited; References to Water and Groundwater. No owner or operator *or other person responsible for the operation of a facility* shall discharge or dispose of any oil or hazardous substance as defined in this chapter from any facility into or onto *any* land, [groundwaters] *groundwater*, or surface [waters] *water* of the state.

32 Record Maintenance. Amend RSA 146-C:3, IV to read as follows:

IV. The registration required under this section shall be [renewed every 5 years] *maintained for the life of the facility*. A registration need not be [renewed] *maintained* if the division has received written notice that the registered underground storage facility has been closed by approved procedures according to rules adopted pursuant to RSA 146-C:9, II(i). Any notice of closure shall include the date of such closure.

33 Grounds for Revocation. Amend RSA 146-C:4, I to read as follows:

I. No person shall own or operate an underground storage facility in this state without a permit issued by the division. [The division may revoke or modify any permit following a hearing, upon a finding that just cause exists for such action.] *The permit to operate may be revoked for just cause, including, but not limited to, the operation or ownership of an underground storage facility in violation of the division's rules. To revoke a permit, the division shall issue a show cause order to an owner or operator in violation of this chapter, or rules adopted under this chapter, but said show cause order shall not take effect until the owner or operator has had an opportunity to be heard by the council, provided such request is made within 20 days of the issuance of the show cause order. Appeal of an order revoking a permit to operate shall be governed by RSA 21-O:7, IV. Any appeal brought pursuant to RSA 541 shall not stay an order by the council which revokes a permit.*

34 Investigation; Remedial Measure References Added. Amend RSA 146-C:5, II to read as follows:

II. For the purpose of developing or assisting in the development of any rule, conducting any study *or investigation*, instituting any corrective *or remedial* measures, or enforcing the provisions of this chapter, any owner or operator of a facility subject to regulation under this chapter shall, upon request of any employee or authorized representative of the division, furnish information relating to such facility or its contents, conduct monitoring or testing, permit such employee or authorized representative at all reasonable times to have access to and to copy all records relating to such facility, and permit such employee or authorized representative to have access to the facility for corrective *or remedial* measures.

35 Investigation; Remedial Measure Reference Added. Amend the introductory paragraph of RSA 146-C:5, III to read as follows:

III. For the purpose of developing or assisting in the development of any rule, conducting any study *or investigation*, instituting corrective *or remedial* measures, or enforcing the provisions of this chapter, division employees or authorized representatives may, upon the presentation of appropriate credentials:

36 Reference to Remedial Measures Added. Amend RSA 146-C:5, III(d), to read as follows:

(d) Institute corrective *or remedial* measures.

37 Reference to Chapter Added. Amend RSA 146-C:6 to read as follows:

146-C:6 Transfer of Ownership. Prior to the transfer of ownership of an underground storage facility, the transferor shall notify the transferee of the transferor's compliance with the rules of the division [relative to tank testing and replacement] *under this chapter*. When a transfer of ownership takes place, the new owner shall notify the division of the transfer and shall assume the permit issued to the previous owner.

38 Reference to Construction Added. Amend RSA 146-C:7, II to read as follows:

II. An owner shall not cause or allow any [act] *construction or other activity* which is not in accordance with the approved plans and all terms and conditions of the division's approval of those plans.

39 Investigations Added. Amend RSA 146-C:9, IV to read as follows:

IV. Procedures for conducting inspections *or investigations*, as authorized by RSA 146-C:5, II.

40 New Paragraphs; Procedures Added. Amend RSA 146-C:9 by inserting after paragraph IX the following new paragraphs:

X. Procedures and criteria for mitigation and prevention of damage due to a discharge from an underground storage facility.

XI. Procedures and criteria for responding to and reporting a discharge from an underground storage facility.

XII. Procedures for conducting tank testing, including qualifications of persons conducting tank testing.

41 Reference to Liable Person Added. Amend RSA 146-C:9-a, I to read as follows:

I. The division is authorized to issue an administrative order directing any owner or operator *or any other person who is strictly liable* to cease any activity violating this chapter, to take action necessary to comply with this chapter, [or] *and* to institute corrective *and remedial* measures, [as defined under RSA 146-A:11-a, III, in response to a discharge or disposal] *which shall include the following*:

(a) *Providing an interim water supply and establishing a permanent alternative water supply system to mitigate damage to the soil, groundwater or surface water.*

(b) *Removal and abatement of contamination resulting from a discharge from an underground storage facility.*

(c) *Reimbursement to the state for all costs incurred by the state in responding to a discharge of oil or a hazardous substance from a leaking underground storage facility.*

42 Reference to Liable Person Added. Amend RSA 146-C:9-a, II(a) to read as follows:

(a) Issuing an order directing the facility owner or operator *or any person who is strictly liable under RSA 146-C:II* to take necessary steps to eliminate the hazard.

The division may order the permanent or temporary cessation of operations at a facility. Orders of the division issued under this section shall be effective immediately. Any person to whom an order is directed shall immediately comply, but may appeal the order in accordance with paragraph III of this section.

43 Reference to Hazardous Waste Cleanup Fund Added. Amend RSA 146-C:10, II to read as follows:

II. All moneys collected under this section *which pertain to the discharge of oil* shall be paid into the oil pollution control fund established under RSA 146-A:11-a. *All moneys collected under this section which pertain to discharge of a hazardous substance shall be paid to the hazardous waste cleanup fund established under RSA 147-B:3.*

44 Strict Liability. Amend RSA 146-C:11 to read as follows:

146-C:11 Liability for Cleanup Costs; Municipal Regulations.

I. Any [owner or operator or other] person who, *without regard to fault*, directly or indirectly causes or suffers the discharge or disposal of oil or a hazardous substance into or onto any surface *water* or groundwater of this state, or in a land area where it has seeped or may or will ultimately seep into any surface *water* or groundwater of the state in violation of this chapter, or rules adopted under this chapter, shall be strictly liable for costs directly or indirectly resulting from the violation relating to:

(a) Containment of the discharged oil;

(b) Cleanup and restoration of the site and surrounding environment, and corrective *or remedial* measures as defined under RSA 146-A:11-a, III, (a) and (b); and

(c) Removal of the oil.

45 Damages. Amend RSA 146-C by inserting after section 12 the following new section:

146-C:13 Penalty; Persons Strictly Liable. Any person who is found to be strictly liable for a discharge or spillage of oil, and who wilfully fails to comply with a division order requiring investigation, containment, cleanup, removal, remedial measures, or corrective measures, shall be liable to the state in double the amount of cost recoverable funds expended by the state in undertaking investigative, remedial, or corrective action at the site.

46 Repeals. The following are hereby repealed:

I. RSA 146-A:8, relative to reports to be submitted to the attorney general.

II. RSA 146-A:11-a, V, relative to appeals to the council.

III. RSA 146-A:11-c, XI, relative to temporary rulemaking authority.

47 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill clarifies the definitions for oil and groundwater and expands the authority of the division of water supply and pollution control to clean up or mitigate any type of oil discharge.

The bill requires any person who is aware of an illegal oil discharge to notify the division.

The bill clarifies certain enforcement provisions and authorizes the division of water supply and pollution control to issue administrative orders to cease activity, order any person responsible for spillage to take action to remove or contain the spill, or request the attorney general to bring an action for injunctive relief, including a mandatory injunction.

In addition, this bill also clarifies that any person responsible for an oil spill is strictly liable for costs of removal, containment, cleanup, and restoration.

The bill also makes several technical changes to RSA 146-A and 146-C to update or clarify certain RSA provisions.

**HB 641-FN**, relative to oil spillage in surface waters or ground waters and relative to underground storage tanks. INEXPEDIENT TO LEGISLATE.

This bill was incorporated into HB 565-FN. Each bill addresses many of the same issues and same RSA sections. The Committee worked with the Department of Environmental Services and the Attorney General to dovetail the two bills, which was agreeable to the sponsors. Vote 14-0. Rep. Mary Ann Lewis for Resources, Recreation and Development.

**HB 716-FN**, relative to site assessment studies of developed properties with sewage disposal systems. RE-REFER TO COMMITTEE.

Recent administrative rules have created some severe limitations to the use of older lots-of-record throughout the state. This bill is an attempt to provide buyers of such lots with a level of awareness as to limitations before such buyers' dream houses become nightmares of restriction and litigation. However, there are widely divergent opinions as to the most efficient solution to the problem. Re-referral will allow the agencies, the engineers, the real estate interests and the general public an opportunity to develop the most efficient resolution to this issue. Vote 13-0. Rep. Donald L. Roulston for Resources, Recreation and Development.

**HB 599-FN**, relative to the storage and disposal of low-level radioactive waste. RE-REFER TO COMMITTEE.

This bill is a response to potential changes in federal standards regarding the management of low-level radioactive materials. The Committee would like to take more time to formulate an appropriate state response to this complex issue. Vote 10-1. Rep. Amanda Merrill for Science, Technology and Energy.

**HB 736-FN**, relative to energy facility siting, licensing and operation. OUGHT TO PASS WITH AMENDMENT.

This bill is a complete rewrite of RSA 162-F and RSA 162-H pertaining to energy-facility siting, licensing and operations. The two sections have been combined to create a new RSA 162-H. This is the product of a study committee established by Chapter 239, Laws of 1989. This new bill clarifies the types of facilities covered and provides the site-evaluation Committee with the opportunity to waive jurisdiction. It also increases the opportunity for public participation in the process and reduces the decision-making time for the Committee. Vote 12-0. Rep. Charles C. Vogler for Science, Technology and Energy.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Energy Facilities. RSA 162-H is repealed and reenacted to read as follows:

#### CHAPTER 162-H

#### ENERGY FACILITY EVALUATION, SITING, CONSTRUCTION AND OPERATION

162-H:1 Declaration of Purpose.

I. The legislature recognizes that the selection of sites for energy facilities will have a significant impact upon the welfare of the population, the economic growth of the state and the environment of the state. The legislature, accordingly, finds that the

public interest requires that it is essential to maintain a balance between the environment and the possible need for new energy facilities in New Hampshire; that undue delay in construction of any needed facilities be avoided; and that the state ensure that the construction and operation of energy facilities is treated as a significant aspect of land-use planning in which all environmental, economic and technical issues are resolved in an integrated fashion. The legislature, therefore, hereby establishes a procedure for the review, approval, monitoring and enforcement of compliance in the planning, siting, construction and operation of energy facilities. The legislature also recognizes that it has a broad responsibility to provide both economic and environmental protection for its coastal and estuarine waters and the adjoining land areas. The legislature therefore declares it to be its policy that any offshore facility, other than pipelines, shall be located so as to at least comply with the policies and guidelines of the Federal Environmental Protection Agency; and that this policy may be relaxed only if it is shown by clear and convincing evidence that there are compelling technological or economic reasons for doing so, that no feasible alternative exists, and that there will be no substantial environmental risk.

II. The legislature also finds that the present and predicted growth in electric power demands in the state of New Hampshire requires the development of a procedure for the selection and utilization of sites for generating facilities and the identification of a state position with respect to each proposed site. The legislature recognizes that the selection of sites and the routing of associated transmission lines will have a significant impact upon the welfare of the population, the location and growth of industry, and the use of the natural resources of the state. The legislature, accordingly, finds that the public interest requires that it is essential to maintain a balance between the environment and the need for new power sources; that electric power supplies must be constructed on a timely basis; that in order to avoid undue delay in construction of needed facilities and to provide full and timely consideration of environmental consequences, all electric entities in the state should be required to engage in adequate long-range planning and provide full and complete disclosure to the public of such plans; that a certifying body be established for the preconstruction review of bulk power supply facilities; that the siting of bulk power plants and high voltage transmission lines should be treated as a significant aspect of land-use planning in which all environmental, economic and technical issues should be resolved in an integrated fashion, so as to assure the state an adequate and reliable supply of electric power in conformance with sound environmental utilization. The legislature, therefore, hereby establishes a procedure for the planning, siting, and construction of bulk power supply facilities.

#### 162-H:2 Definitions.

I. "Acceptance" means the date at which the committee finds that the application is complete and ready for consideration.

II. "Bulk power supply facilities" means:

(a) Electric generating station equipment and associated facilities designed for or capable of operation at any capacity of 30 megawatts or more, or electric generating station equipment and associated equipment which 2 or more petition categories as defined in RSA 162-H:2, XI request, or which the committee determines in accordance with RSA 162-H:1, should require a certificate.

(b) An electric transmission line of design rating of 100 kilovolts or more, associated with a generating facility outlined in subparagraph (a), over a route not already occupied by a transmission line or lines.

(c) An electric transmission line of a design rating in excess of 100 kilovolts that is in excess of 10 miles in length, over a route not already occupied by a transmission line, or an electric transmission line which 2 or more petition categories as defined in RSA 162-H:2, XI request, or which the committee determines in accordance with RSA 162-H:1, should require a certificate.

III. "Commencement of construction" means any clearing of the land, excavation or other substantial action that would adversely affect the natural environment of the site of the proposed facility, but does not include land surveying, optioning or acquiring land or rights in land, changes desirable for temporary use of the land for public recreational uses, or necessary borings to determine foundation conditions, or other preconstruction monitoring to establish background information related to the suitability of the site or to the protection of environmental use and values.

IV. "Commission" means the New Hampshire public utilities commission.

V. "Committee" means the site evaluation committee established by this chapter.

VI. "Energy" means power, including mechanical power or useful heat, derived from any resource, including, but not limited to, oil, coal, and gas.

VII. "Energy facility" means any industrial structure, other than bulk power supply facilities, as defined in paragraph II, that may be used substantially to extract, produce, manufacture, transport or refine sources of energy, including ancillary facilities as may be used or useful in transporting, storing or otherwise providing for the raw materials or products of any such industrial structure. This shall include but not be limited to industrial structures such as oil refineries, gas plants, equipment and associated facilities designed to use any, or a combination of natural gas, propane gas and liquefied natural gas, which store on site a quantity to provide 7 days of continuous operation at a rate equivalent to the energy requirements of a 30 megawatt electric generating station and its associated facilities, plants for coal conversion and onshore and offshore loading and unloading facilities for energy sources. Energy facility shall also include energy transmission pipelines, storage tanks, or any other facility which 2 or more petition categories as defined in RSA 162-H:2, XI request and the committee agrees, or which the committee determines, in accordance with RSA 162-H:1, requires a certificate.

VIII. "Filing" means the date at which the application is first submitted to the committee.

IX. "Person" means any individual, group, firm, partnership, corporation, cooperative, municipality, political subdivision, government agency or other organization.

X. The words "public utility" or "utility" mean any electric utility engaged in the production, distribution, sale, delivery or furnishing of electricity, including municipalities, cooperatives, regulated electric companies, agencies or any combination thereof.

XI. "Petitioner" means a person filing a petition meeting any of the following conditions:

(a) A petition endorsed by 100 or more registered voters in the host community or host communities.

(b) A petition endorsed by 100 or more registered voters from abutting communities.

(c) A petition endorsed by the board of selectmen of the host community or two or more boards of selectmen of abutting communities.

(d) A petition filed by the potential applicant.

162-H:3 Site Evaluation Committee. The site evaluation committee shall consist of the commissioner of the department of environmental services, the director of the division of water supply and pollution control, the commissioner of the department of resources and economic development, the director of the division of public health services, the executive director of the fish and game department, the director of the office of state planning, the director of the division of water resources, the director of the division of parks and recreation, the director of forests and lands, the director of the division of air resources, the director of the governor's energy office, the commissioner of the department of transportation, and the commissioners and chief engineer of the public utilities commission. The commissioner of the department of environmental services shall be chairman of the committee, and the chairman of the public utilities commission shall be vice-chairman. Notwithstanding any other agency authority to the contrary, no member may delegate a voting right to others.

162-H:4 Powers of the Committee.

I. The committee shall:

(a) Issue any certificate under this chapter in the case of an energy facility, or forward its findings to the commission in the case of a bulk power supply facility.

(b) Determine the terms and conditions of any certificate or findings issued under this chapter, subject to RSA 162-H:10.

(c) Monitor the construction and operation of any energy facility granted a certificate under this chapter.

(d) Enforce the terms and conditions of any certificate issued under this chapter.

II. The committee shall hold hearings as required by this chapter and such additional hearings as it deems necessary and appropriate.

III. The committee may delegate the authority to monitor the construction or operation of any energy facility granted a certificate under this chapter to such state agency or official represented on the committee as it deems appropriate, but, subject to RSA 162-H:10, it may not delegate authority to hold hearings, issue certificates, determine the terms and conditions of a certificate, or enforce a certificate. Any authorized representative or delegate of the committee shall have a right of entry onto the premises of any part of the energy facility to ascertain if the facility is being constructed or operated in continuing compliance with the terms and conditions of the certificate. During normal hours of business administration and on the premises of the facility, such a representative or delegate shall also have a right to inspect such records of the certificate-holder as are relevant to the terms or conditions of the certificate.

IV. In cases where the committee determines that other existing statutes provide adequate protection of the objectives of RSA 162-H:1, the committee may, within 60 days of filing of the application, exempt the applicant from the approval and certificate provisions of this chapter. The committee shall adopt rules under RSA 541-A specifying the criteria under which an exemption may be granted.

162-H:5 Prohibitions and Restrictions.

I. No person shall commence to construct any bulk power facility within the state unless it has obtained a certificate of site and facility, with respect to those facilities, issued by the public utilities commission. Such facilities shall be constructed, operated and maintained in accordance with the terms of the certificate. Such certificates are required for sizeable additions to existing facilities as defined by the commission.

II. No person shall commence construction of an energy facility within the state or operate such a facility without a certificate of site and facility from the site evaluation committee. Such a certificate may not be transferred or assigned without the approval of the committee.

III. No certificate is required for facilities already under construction or in operation, but such certificates are required for sizeable changes or additions to such facilities, as defined by the committee or commission.

IV. The applications shall be governed by the applicable laws, rules and regulations of the agencies and shall be subject to the provisions of RSA 162-H in effect on the date of filing. Notwithstanding the foregoing, an applicant may request the site evaluation committee to assume jurisdiction and in the event that the site evaluation committee agrees to assert jurisdiction, the facility shall be subject to the provisions of this chapter.

162-H:6 Time Frames.

I. Upon the filing of an application, the committee shall immediately forward to each of the other state agencies having jurisdiction, under state or federal law, to regulate any aspect of the construction or operation of the proposed facility, a copy of such parts of the application as are relevant to its jurisdiction. Upon the filing of the copy, each of the other state agencies shall immediately conduct a preliminary review as described in RSA 162-H:7, III.

II. Upon the filing of an application, the committee shall immediately conduct a preliminary review to ascertain if the application contains sufficient information to carry out the purposes of this chapter. The committee shall require as much information as it deems necessary to accompany the application.

III. The committee shall decide whether or not to accept the application within 60 days of filing.

IV. Within 30 days after acceptance of the application, the committee shall hold at least one public hearing in each county in which the proposed facility is to be located.

V. All participating state agencies shall report their progress to the committee within 5 months of the acceptance of the application, outlining draft permit conditions and specifying additional data requirements necessary to make a final decision.

VI. Any state agency having jurisdiction under RSA 162-H:7 shall make and submit to the committee a final decision on the parts of the application that relate to its jurisdiction, no later than 8 months after the application has been accepted.

VII. Within 9 months of the acceptance of an application, the committee shall either:

(a) Issue or deny a certificate for an energy facility, or

(b) Send its findings to the commission for a certificate for a bulk power facility. The commission shall either issue or deny that certificate within 10 months of the acceptance of the application.

162-H:7 Application for Certificate.

I. All applications for a certificate for a bulk power supply facility shall be filed with the commission in sufficient quantities for each reviewing agency. Such applications may be subject to reasonable modification during the period of review. Applications shall include completed application forms from each individual agency. As a prerequisite to filing, except for good cause shown, as determined by the committee, an electric utility shall comply with the provisions of RSA 162-H:17; and power plants and transmission line routes, except for good cause shown, as determined by

the committee, shall comply with the requirement that the site selected is from among those sites in the electric utility's 5 year inventory of sites approved by the committee and that it will utilize the general transmission line routes identified in its long range plans.

II. All applications for a certificate for an energy facility shall be filed with the chairman of the site evaluation committee. Applications shall include each individual agency's completed application forms.

III. Upon filing of an application, the committee shall immediately conduct a preliminary review to ascertain if the application contains sufficient information in accordance with this section. If the application does not contain such sufficient information, the committee shall, in writing, immediately notify the applicant of that fact and specify what information the applicant must supply.

IV. Each application shall contain sufficient information to satisfy the application requirements of each state agency having jurisdiction, under state or federal law, to regulate any aspect of the construction or operation of the proposed facility, and shall include each agency's completed application forms. Upon the filing of an application, the committee shall immediately forward a copy to the state agencies having jurisdiction. Upon receipt of a copy, each agency shall immediately conduct a preliminary review to ascertain if the application contains sufficient information for its purposes. If the application does not contain sufficient information for the purposes of any of the state agencies having jurisdiction, that agency shall, in writing, immediately notify the committee of that fact and specify what information the applicant must supply; thereupon the committee shall provide the applicant with a copy of such notification and specification. Notwithstanding any other provision of law, for purposes of the time limitations imposed by this section, any application made under this section shall be deemed not accepted either by the committee or by any of the state agencies having jurisdiction if the applicant is seasonably notified that it has not supplied sufficient information for any of the state agencies having jurisdiction in accordance with this paragraph.

V. Each application shall also:

(a) Describe in reasonable detail the type and size of each major part of the proposed facility.

(b) Identify both the preferred choice and any other choices for the site of each major part of the proposed facility.

(c) Describe in reasonable detail the impact of each major part of the proposed facility on the environment for each site proposed; whether as preferred choice or as any other choice; for such part.

(d) Describe in reasonable detail the applicant's proposals for studying and solving environmental problems.

(e) Describe in reasonable detail the applicant's financial, technical, and managerial capability for construction and operation of the proposed facility.

(f) Document that written notification of the proposed project has been given to the chairman of the board of selectmen, or mayor, which ever is applicable in each community in which the facility is proposed to be located.

(g) Provide such additional information as the committee may require to carry out the purposes of this chapter.

VI. The committee shall decide whether or not to accept the application within 60 days of filing. If the committee rejects the application, the applicant may choose to

file a new and more complete application or cure the defects in the rejected application within 10 days of receipt of notification of rejection.

VII. Notwithstanding any other provision of law, the application shall be in lieu of separate applications that may be required by any other state agencies.

VIII. This chapter shall not preclude an agency from imposing its usual statutory fees.

**162-H:8 Disclosure of Ownership.**

I. Any application for a certificate shall be signed and sworn to by the person or executive officer of the association or corporation making such application and shall contain the following information:

(a) Full name and address of the person, association, or corporation.

(b) If an association, the names and residences of the members of the association.

(c) If a corporation, the name of the state under which it is incorporated with its principal place of business and the names and addresses of its directors, officers and stockholders.

(d) The location or locations where an applicant is to conduct its business.

(e) A statement of assets and liabilities of the applicant and other relevant financial information of such applicant.

II. The applicant shall immediately inform the committee of any substantive modification to its application.

**162-H:9 Counsel for the Public.**

I. Upon notification that an application for a certificate has been filed with the committee in accordance with RSA 162-H:7, the attorney general shall appoint an assistant attorney general as a counsel for the public. The counsel shall represent the public in seeking to protect the quality of the environment and in seeking to assure an adequate supply of energy. The counsel shall be accorded all the rights and privileges, and responsibilities of an attorney representing a party in formal action and shall serve until the certificate is issued or denied.

II. This section shall not be construed to prevent any person from being heard or represented by counsel; provided, however, the committee may compel consolidation of representation for such persons as have, in the committee's reasonable judgment, substantially identical interests.

**162-H:10 Public Hearing; Studies; Rules.**

I. Within 30 days after acceptance of an application for a certificate of site and facility, pursuant to RSA 162-H:7, the site evaluation committee and, if a bulk power supply facility application, the commission, shall hold at least one joint public hearing in each county in which the proposed facility is to be located and shall publish a public notice not less than 21 days before said hearing in one or more newspapers having a regular circulation in the county in which the hearing is to be held, describing the nature and location of the proposed facilities. The public hearings shall be joint hearings, with representatives of the other agencies that have jurisdiction over the subject matter and shall be deemed to satisfy all initial requirements for public hearings under statutes requiring permits relative to environmental impact. The hearings shall be for public information on the proposed facilities with the applicant presenting the information to the site evaluation committee and to the public. Notwithstanding any other provision of law, the hearing shall be a joint hearing with the other state agencies and shall be in lieu of all hearings otherwise required by any of the other state agencies; provided, however, if any of such other state agencies does

not otherwise have authority to conduct hearings, it may not join in the hearing under this chapter; provided further, however, the ability or inability of any of the other state agencies to join shall not affect the composition of the committee under RSA 162-H:3 nor the ability of any member of the committee to act in accordance with this chapter.

II. Subsequent hearings shall be in the nature of adversary proceedings and may be held in the county or one of the counties in which the proposed facility is to be located or in Concord, New Hampshire, as determined by the site evaluation committee. The committee shall give adequate public notice of the time and place of each subsequent session.

III. The site evaluation committee and, if a bulk power supply facility application, the commission, shall consider and weigh all evidence presented at public hearings and shall consider and weigh written information and reports submitted to it by members of the public before, during, and subsequent to public hearings. The committee and the commission shall grant free access to records and reports in its files to members of the public during normal working hours and shall permit copies of such records and reports to be made by interested members of the public at their expense.

IV. The site evaluation committee and, if a bulk power supply facility application, the commission, shall require from the applicant whatever information it deems necessary to assist in the conduct of the hearings, and any investigation or studies it may undertake, and in the determination of the terms and conditions of any certificate under consideration.

V. The site evaluation committee and, if a bulk power supply facility application, the commission, shall jointly conduct such reasonable studies and investigations as they deem necessary or appropriate to carry out the purposes of this chapter and may employ a consultant or consultants, legal counsel and other staff in furtherance of the duties imposed by this chapter, the cost of which shall be borne by the applicant in such amount as may be approved by the committee in the case of an energy facility, or the committee and the commission in the case of a bulk power supply facility. The site evaluation committee, the commission, and counsel for the public, as provided for by RSA 162-H:9, are further authorized to assess the applicant for all travel and related expenses associated with the processing of an application under this chapter.

VI. The site evaluation committee and, if a bulk power supply facility application, the commission, shall jointly issue such rules, pursuant to RSA 541-A, after public notice and hearing, as may from time to time be required.

162-H:11 Judicial Review. Decisions made pursuant to this chapter by the site evaluation committee, or by any other state agency, shall be reviewable in accordance with RSA 541.

162-H:12 Enforcement.

I. Whenever the committee determines that any term or condition of any certificate issued under this chapter is being violated, it shall, in writing, notify the person holding the certificate of the specific violation and order the person to immediately terminate the violation. If, 15 days after receipt of the order, the person has failed or neglected to terminate the violation, the committee may suspend the person's certificate. Except for emergencies, prior to any suspension, the committee shall give written notice of its consideration of suspension and of its reasons therefor and shall provide opportunity for a prompt hearing.

II. The committee may suspend a person's certificate if the committee determines that the person has made a material misrepresentation in the application or, in the supplemental or additional statements of fact or studies required of the applicant, or if

the committee determines that the person has violated the provisions of this chapter or any rule adopted under this chapter. Except for emergencies, prior to any suspension, the committee shall give written notice of its consideration of suspension and of its reasons therefor and shall provide an opportunity for a prompt hearing.

III. The committee may revoke any certificate that is suspended after the person holding the suspended certificate has been given at least 90 days written notice of the committee's consideration of revocation and of its reasons therefor and has been provided an opportunity for a full hearing.

162-H:13 Records. Complete verbatim records shall be kept by the committee of all hearings, and records of all other actions, proceedings and correspondence of the committee shall be maintained, all of which records shall be open to the public inspection as provided for under RSA 91-A.

162-H:14 Temporary Suspension of Deliberations.

I. If the site evaluation committee at any time during its deliberations relative to an application for a certificate deems it to be in the public interest, it may temporarily suspend its deliberations and time frame established under RSA 162-H:6.

II. The committee may temporarily suspend its deliberations and request the commission to exercise its duties under this chapter. After deliberations have been suspended and the commission finds that the requirements of this chapter have been met and so notifies the site evaluation committee, the committee shall resume its deliberations under this chapter.

162-H:15 Informational Meetings. Upon request of a community in which the proposed facility is to be located, or upon request of the committee, the applicant shall provide informational meetings to inform the public of the proposed project.

162-H:16 Findings.

I. The committee shall incorporate in any certificate or findings issued hereunder such terms and conditions as may be specified to the committee by any of the other state agencies having jurisdiction, under state or federal law, to regulate any aspect of the construction or operation of the proposed facility; provided, however, the committee shall not issue any certificate under this chapter if any of the other state agencies deny authorization for the proposed activity over which it has jurisdiction. The denial of any such authorization shall be based on the record and explained in reasonable detail by the denying agency. Notwithstanding any other provision of law, each of the other state agencies shall make and submit to the committee a final decision on the parts of the application that relate to its jurisdiction no later than 8 months after acceptance of the application. Notwithstanding any other provision of this section or this chapter, each of the other state agencies shall retain all of their powers and duties of enforcement.

II. Findings by the site evaluation committee shall be based on the record and shall be made by a majority vote of a full committee whether or not the full committee is present for voting. A majority vote of the site evaluation committee shall be conclusive on all questions of siting, land use, air and water quality.

III. The committee and, in the case of a bulk power certificate, the commission may consult with interested regional agencies and agencies of border states in the consideration of certificates.

IV. In the case of energy facilities, the site evaluation committee, after having considered available alternatives and fully reviewed the environmental impact of the site or route, and other relevant factors bearing on whether the objectives of this

chapter would be best served by the issuance of the certificate, must find that the site and facility:

(a) Applicant has adequate financial, technical, and managerial capability to assure construction and operation of the facility in continuing compliance with the terms and conditions of the certificate.

(b) Will not unduly interfere with the orderly development of the region with due consideration having been given to the views of municipal and regional planning commissions and municipal governing bodies.

(c) Will not have an unreasonable adverse effect on aesthetics, historic sites, air and water quality, the natural environment, and public health and safety.

(d) Operation of the facility is consistent with the state energy policy established in RSA 378:37.

V. In the case of bulk power supply facilities, the commission shall issue or deny a certificate of site and facility. The commission shall issue a certificate only after it has reasonable assurance that all applicable state standards and requirements shall be met by the applicant. The commission shall incorporate in its certificate such lawful terms as may be supplied to it by the site evaluation committee and those state agencies having permit or license granting responsibilities under state law. The commission shall be bound by the findings of the site evaluation committee under paragraph I. In its decision the commission must find the construction of the facility:

(a) Is required to meet the present and future need for electricity. A finding that the construction of the facility is required to meet the present and future need for electricity may be based upon a determination of need for capacity to generate electricity, need for a greater supply of electricity, or need for more economic, reliable, or otherwise improved sources of either capacity or energy. The commission shall consider economic factors and the current integrated least cost resource plans filed with the commission pursuant to RSA 378:38 when considering whether or not the facility will meet the present or future needs for electricity.

(b) Will not adversely affect system stability and reliability factors.

VI. A certificate of site and facility may contain such reasonable terms and conditions as it deems necessary and may provide for such reasonable monitoring procedures as may be necessary. Such certificates, when issued shall be final and subject only to judicial review.

VII. The committee may condition the certificate upon the results of required federal and state agency studies whose study period exceeds the application period.

162-H:17 Bulk Power Facility Plans. Each utility shall prepare annually its long-range plans for bulk power supply facilities pursuant to guidelines established by the public utilities commission. Such guidelines shall be approved by the site evaluation committee which may make such modifications as it may deem necessary within the purposes of this chapter. These plans may be part of a regional plan and shall:

I. Describe the general location, size and type of all bulk power supply facilities to be owned or operated by the utility and whose construction is projected to commence during the ensuing 10 years or longer, but not to exceed a total of 15 years, as the commission may determine to be necessary, together with an identification of all existing facilities to be removed from utility serviced through such period or upon completion of construction of the bulk power supply facilities.

II. Identify the location of tentative sites for the construction of future power plants as defined in RSA 162-H:2 including an inventory of sites for all plants on which construction may be commenced in the succeeding 5 years, and the general

location of the routes of transmission lines as defined in RSA 162-H:2 and indicate the relationship of the planned sites, routes, and facilities thereon to the environment, and describe generally how potential adverse effects will be lessened. Such sites shall be indicated in relation to the location of existing plants and tentative sites planned or announced by utilities within a 200 mile radius of the site.

III. Reflect and describe such utility's efforts to involve environmental protection and land-use planning agencies in their planning agencies and in their planning process so as to identify environmental problems at the earliest possible stage.

IV. Supply additional information as the site evaluation committee, upon the advice of interested state and federal agencies, may from time to time prescribe to carry out the purposes of this chapter.

V. Document the role of proposed facility construction and closings within the utility's current integrated least cost resource plan.

VI. Each utility shall give initial public notice of its plans referred to in paragraph I, by annually filing a copy of the plans, with projections of demand for electricity that the facilities would meet, with the public utilities commission and with such other affected state and local governmental authorities and citizens' environmental protection and resource planning groups requesting such plans.

162-H:18 Review; Hearing. Upon receipt of plans referred to in RSA 162-H:17, the public utilities commission shall notify the site evaluation committee which shall:

I. Review and comment on the long-range plans and make information contained therein readily available to the general public and interested state and local governmental entities.

II. Compile and publish a description of the proposed power plant sites and general locations of transmission line routes within the state as identified in the long-range plans, identifying the location of such sites and the possible year when construction is expected to commence, and to make such information readily available to the public, to newspapers regularly circulated within the area affected by the proposed site, and to interested state and local governmental entities. The duties imposed by this paragraph may be delegated to the public utilities commission, and all documents filed under this chapter shall be held in the offices of the public utilities commission.

162-H:19 Penalties.

I. The superior court in term time or in vacation, may enjoin any act in violation of this chapter.

II. Any construction or operation of bulk power supply or energy facilities in violation of this chapter, or in material violation of the terms of a certificate issued under this chapter, may result in an assessment by the superior court of civil damages not to exceed \$10,000 for each day in violation.

III. Whoever commits any willful violation of any provision of this chapter shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

162-H:20 Severability. If any provision of this chapter, or application thereof to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of the chapter which can be given effect without the invalid provisions or applications, and to this end, the provisions of this chapter are severable.

2 Repeal. RSA 162-F:1-13, relative to electric power plant, transmission siting and construction procedure, is repealed.

3 Effective Date. This act shall take effect January 1, 1992.

**REGULAR CALENDAR** (continued)

**HB 341-FN**, relative to foundation aid formula study committee. **OUGHT TO PASS WITH AMENDMENT.**

This bill creates a committee to establish the criteria for studying the effectiveness of the Augenblick Formula for Foundation Aid. This study is overdue and the Formula has shown some aberrations which in fairness need to be addressed. This bill also institutes a cap which will temporarily relieve the worst of those aberrations. Vote 18-0. Rep. Nils H. Larson, Jr. for Education.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

relative to a foundation aid formula study committee  
and establishing a maximum equalization factor  
for the foundation aid formula.

Amend the bill by replacing section 3 with the following:

3 Report. The committee shall set the criteria of studying the effectiveness of the foundation aid formula contained in RSA 198:27-33 and may propose modifications to improve the existing formula. The committee shall submit a report by November 1, 1991, to the governor, the executive council, the president of the senate, the speaker of the house, and to the chairpersons of the education committees of the house and senate.

Amend the bill by inserting after section 3 the following and renumbering the original section 4 to read as 5:

4 New Paragraph; Maximum Equalization Factor Established. Amend RSA 198:29 by inserting after paragraph II the following new paragraph:

II-a. In no case shall a district's equalization factor, as determined in paragraph II, be greater than 9.

**AMENDED ANALYSIS**

This bill establishes a committee to study the effectiveness of the foundation aid formula and to propose modifications. The committee shall submit its report to the governor, the executive council, the speaker of the house, the president of the senate, and to the chairpersons of the education committees of the house and senate on or before November 1, 1991.

This bill also establishes a maximum value for the equalization factor in the foundation aid formula.

This bill is a request of the department of education.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 431-FN**, relative to exempting certain purchases for severely emotionally disturbed children from state purchasing requirements. **OUGHT TO PASS.**

The majority of the Committee agrees with the sponsors that, in the best interest of a limited number of severely emotionally disturbed children, it is occasionally necessary to bypass the bidding process so as to maintain the integrity and consistency of a treatment program. Use of the bidding process for providing service to these individ-

uals can delay treatment and can cause serious changes in treatment programs which are detrimental to the education and treatment process. Vote 15-3. Rep. Leo J. Spencer for Education.

Adopted.

Referred to Appropriations.

### **SPECIAL ORDER**

Rep. Kurk moved that HB 433, establishing a developmentally delayed category, be made a Special Order for March 20, 1991 at 10:20 a.m.

Adopted.

### **REGULAR CALENDAR (continued)**

**HB 473**, relative to school district budget voting. **INEXPEDIENT TO LEGISLATE**.

The feeling of the Committee was that this bill would cause much confusion at the local level in approving the SAU budget. With a bill in the Senate calling for a study of the SAU system, problems relative to the matter may better be addressed by this committee. Vote 16-1. Rep. Charles B. Yeaton for Education.

Adopted.

**HB 522-FN**, relative to compulsory attendance. **MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE**.

**MAJORITY:** This legislation augments the bill passed in the House which will become effective July 1, 1991. That bill requires that a non-coded student must be literate by age 16 in order to quit school. The majority feels that with the money and effort which we spend on education that this is not too unreasonable a demand. Vote 12-7. Rep. Nils H. Larson for the Majority of Education.

**MINORITY:** While the intention of the majority is commendable, this legislation as amended only corrects a technical discrepancy. Students will be required to stay in school until age 18 if they cannot successfully pass a competency test, yet they will still be allowed to leave school earlier upon recommendation of the Superintendent, the School Board, or the Commissioner of Education (RSAs 193:5, 193:15). Also, there is no guarantee the student will be able to pass such a test, even at age 18.

The minority disagrees that this will "indirectly send a message to school districts" that student literacy should be accomplished by age 16. The minority disagrees that this will "indirectly send a message to school districts" that a student's literacy in basic reading, writing and math should be achieved by the eighth grade. Physically keeping a student in the classroom will not achieve literacy when the student does not wish to learn ... nor will it hold those education systems accountable whose students do not achieve basic literacy before high school. Reps. Jacquelyn Domaingue and Arthur B. Corte for the Minority of Education.

Rep. Gilbreth moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment and spoke to his motion.

Rep. Domaingue spoke in favor.

Rep. Larson spoke against.

On a division vote, 169 members having voted in the affirmative and 162 in the negative, the motion was adopted.

The substitute report was adopted.

**HB 546-FN**, granting school districts the opportunity to vote to authorize the expenditure of public funds as reimbursement for private education. **MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE.**

**MAJORITY:** This bill was voted Inexpedient to Legislate due to constitutional questions such as expending public funds for church-sponsored schools and possible discrimination against less affluent families. It is also likely that loss of financial support for public schools, particularly in difficult economic times, could seriously harm these schools. It was also felt that the court cases relative to the Epsom abatement program may settle some of these issues. Vote 13-6. Rep. Charles B. Yeaton for the Majority of Education.

**MINORITY:** House Bill 546 is strictly enabling legislation and bears no cost to the state. Each town should be enabled to choose this method of school financing. In many cases, the towns will decide to reject it because of the cost, if they already have a school system that does not send students out of district. However, small towns that send students to high schools for \$5,000 to \$6,000 per student may want to try this method.

We do not feel that towns should have to vote on this each year. Once passed, it should remain law until someone puts it back on the warrant.

In order to placate those who feel it would not be constitutional, the word "parochial" could be dropped from the bill. The amount of the voucher should be decided by the voters. Students would be attending schools that are accredited by the State Board of Education.

This is enabling legislation to allow the voters in each town to make the choice for themselves. Reps. John J. Laurent, Arthur B. Corte, Kathleen M. Hoelzel, Patricia M. Skinner, Joan C. Tate and Jacquelyn Domaingue for the Minority of Education.

Rep. Hunt moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate, spoke to his motion and yielded to questions.

Rep. Corte spoke in favor and yielded to questions.

**(Deputy Speaker Michael Hill in the Chair)**

Rep. Champagne spoke against and yielded to questions.

Rep. Laurent spoke in favor.

Rep. Larson spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion failed.

Rep. Hambrick notified the Clerk that she wished to be recorded in opposition to the motion.

Report adopted.

**HB 582-FN**, relative to ozone-depleting compounds. RE-REFER TO COMMITTEE.

Although the Committee believes that unnecessary emission of ozone-depleting chemicals, such as chlorofluorocarbons (CFCs) and halons used in motor vehicle air

conditioners and in certain products, be reduced and eventually eliminated by regulating the use or sale of various products or equipment containing, extracting, or reclaiming such chemicals, it was a unanimous decision to re-refer HB 582 until the Environmental Protection Agency directives are clarified. Vote 12-0. Rep. Bonnie Lou McCann for Environment and Agriculture.

Re-referred to Committee.

### **SPECIAL ORDERS**

Rep. Gross moved that HB 615, relative to sand and gravel, and HB 742, relative to excavation, be made Special Orders for March 20, 1991 at 10:30 a.m.

Adopted.

### **REGULAR CALENDAR (continued)**

**HB 646-FN**, relative to the disposal of certain solid waste products and leaf and yard waste. RE-REFER TO COMMITTEE.

This bill dealt with the issue of yard waste and how it would be handled in the solid waste stream. While this type of waste constitutes a significant problem, it also offers itself as a valuable resource. There were objections to various different sections of the legislation. The Committee feels it can pull together the appropriate sections of the bill by re-referring it. Vote 13-0. Rep. Rick A. Trombly for Environment and Agriculture.

Re-referred to Committee.

**HB 750-FN**, establishing a waste tire management program and delineating a preference for rubberized asphalt paving. OUGHT TO PASS WITH AMENDMENT.

This bill establishes a committee headed by the Department of Transportation to study the development of a waste tire management program emphasizing the reuse of waste tires. Vote 10-3. Rep. Nancy L. Tarpley for Environment and Agriculture.

### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

establishing a committee to study the development  
of a waste-tire management program

Amend the bill by replacing all after the enacting clause with the following:

#### **1 Study Committee Established.**

I. There is hereby established a committee which shall study and consider legislation relative to the reuse by the state of New Hampshire of motor vehicle waste tires which have been disposed of in the state and developing a waste tire management program.

#### **II. The duties of the committee shall be:**

(a) To identify and study the reuse of waste tires for secondary purposes and uses such as asphalt aggregate, water mains, and any other suitable purposes or uses.

(b) To consider the applicability of such reuses both in the short and long terms.

(c) To consider methods for financing reuse of waste products.

(d) To consider types of facilities, methods of waste collection, and other issues related to reuse.

III. The study committee recommendation shall be in the form of a report to be submitted by November 1, 1991 to the governor, the speaker of the house, and the president of the senate.

IV. The membership of the committee shall be comprised of the following:

(a) One member from the department of transportation, appointed by the governor.

(b) One member from the department of environmental services, appointed by the governor.

(c) One member from the office of state planning, appointed by the governor.

(d) One member of the house environment and agriculture committee, appointed by the speaker of the house.

(e) One member of the senate environment committee, appointed by the senate president.

(f) One member from the business community, appointed by the governor.

(g) One member from the New Hampshire Resource Recovery Association, appointed by the association.

2 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill establishes a study committee relative to the reuse in the state of waste tires and developing a waste tire management program.

Adopted.

The Committee report was adopted.

Ordered to third reading.

**HB 753-FN**, redefining compost and encouraging state agencies to utilize New Hampshire-produced compost when appropriate. **OUGHT TO PASS.**

This bill redefines the term "compost" for the purposes of solid waste management under RSA 149-M. The bill also encourages the state agencies to utilize New Hampshire-produced compost in any agency projects. With the growing consideration of composting by municipalities, the bill is particularly pertinent. Vote 12-0. Rep. Daniel M. Burnham for Environment and Agriculture.

Adopted.

Report adopted.

Ordered to third reading.

**HR 14**, urging bottlers within the state of New Hampshire to use ecology glass. **OUGHT TO PASS WITH AMENDMENT.**

House Resolution 14 requests that bottlers in the state explore using ecology glass. Ecology glass is a process by which white glass is colored. The Committee hopes that once bottlers examine the use of ecology glass, they will find it to be an environmentally safe, economical alternative to manufactured colored glass. Vote 13-0. Rep. Rick A. Trombly for Environment and Agriculture.

#### Amendment

Amend the resolution by replacing all after the resolving clause with the following:

Resolved by the House of Representatives:

That the house of representatives of the state of New Hampshire hereby requests that bottlers within the state seriously consider using this type of glass in their bottling processes.

Adopted.

Report adopted.

Ordered to third reading.

**HB 52**, relative to the administration of the New Hampshire retirement system.  
**OUGHT TO PASS WITH AMENDMENT.**

This bill is a complete amendment re-write of the original HB 52. It allows members of the General Court to participate, at their own expense, in the state employee group insurance plan. Vote 9-7. Rep. Lawrence A. Emerton for Executive Departments and Administration.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to group health insurance participation  
by members of the general court.

Amend the bill by replacing section 1 with the following:

1 Group Health Insurance; Participation by Members of General Court. RSA 14-A:6 is repealed and reenacted to read as follows:

14-A:6 Group Insurance Participation.

I. Members of the general court may participate at their own expense in a group health insurance arrangement for members of the general court during their tenure in office. Such group health insurance arrangement shall be the state employees group insurance plan provided under RSA 21-I:26-36. Participation in such state employees group insurance plan by a member of the general court shall not be considered by any judicial, administrative, executive or any other body as evidence that a member of the general court is an employee of the state.

II. Notwithstanding the terms of any state employee group insurance contract or other state law to the contrary, members of the general court who have participated in a group health insurance arrangement for members of the general court during their tenure in office, shall elect, within 30 days after they leave the general court, either to continue to participate fully in that arrangement for as long as they choose to do so at their own expense, or to discontinue their participation.

#### **AMENDED ANALYSIS**

This bill specifies that the group health insurance arrangement in which members of the general court may participate shall be the state employees group insurance plan. The bill also provides that members of the general court who participate in the plan shall not be considered state employees.

Reps. Ward and Emerton spoke in favor.

Adopted.

Report adopted.

Ordered to third reading.

#### **SPECIAL ORDER**

Rep. Kurk moved that HB 62-FN, relative to retirement allowances under the New Hampshire retirement system, be made a Special Order for March 20, 1991 at 10:40 a.m.

Adopted.

**REGULAR CALENDAR** (continued)

**HB 127**, changing the name of Fast Day to Civil Rights Day. **OUGHT TO PASS WITH AMENDMENT.**

A joint House/Senate Committee listened to dozens of citizens representing the various sides of this issue during more than four hours of hearings on three related bills ... HB 58, HB 127 and SB 229.

The Committee felt that there is a strong sentiment that the House wishes to make a positive statement on this issue. Accordingly, the Committee after long debate, worked out this compromise bill by which the third Monday of January will be a state holiday known as "Civil Rights Day," which will replace Fast Day. Vote 9-6. Rep. Lawrence A. Emerton for Executive Departments and Administration.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

establishing Civil Rights Day and abolishing Fast Day.

Amend the bill by replacing all after the enacting clause with the following:

1 Holiday Replacing Fast Day. RSA 288:1 is repealed and reenacted to read as follows:

288:1 Holidays. January 1; the third Monday in January, known as Civil Rights Day; the third Monday in February, known as Washington's Birthday; May 30, known as Memorial Day; July 4, known as Independence Day; the first Monday in September, known as Labor Day; the second Monday in October, known as Columbus Day; the day on which the biennial election is held; November 11, known as Veterans Day; Thanksgiving Day, whenever appointed; and Christmas Day are legal holidays.

2 Civil Rights Day Holiday Established. In recognition of the courage, determination, and personal sacrifice of the many people from a variety of cultural backgrounds who fought and died in the struggle to gain freedom and equality for all individuals; and in recognition of the Civil War, this nation's greatest battle fought between April 1861 and April 1865 for freedom of individual rights from the bonds of slavery; and to celebrate these freedoms in a manner consistent with every individual's constitutional rights to free speech and liberty, this law seeks to honor those persons who have dedicated or will dedicate their lives to the issue of equality for all by establishing the third Monday in January as Civil Rights Day in New Hampshire. This recognized celebration of civil rights seeks to educate society, in an impartial manner, against prejudice.

3 Effective Date. This act shall take effect July 1, 1991.

**AMENDED ANALYSIS**

This bill establishes the third Monday in January as Civil Rights Day. The bill also rearranges the wording of RSA 288:1 so that holidays are listed in chronological order.

Reps. John Sytek and Lionel Johnson spoke in favor.

Rep. Domaingue spoke in favor and yielded to questions.

Rep. Lougee spoke against.

Reps. Barberia and Emerton spoke in favor.

Roll call request sufficiently seconded.

The question being the adoption of the Committee report.

and the report was adopted.

Ordered to third reading.

Reps. Wood, Coffey and David Cote notified the Clerk that they inadvertently voted nay and intended to vote yea.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

**(Speaker Burns in the Chair)**

**HB 317-FN**, relative to a minimum service retirement allowance for group II members. RE-REFER TO COMMITTEE.

The Committee felt a good case was made to establish a minimum service retirement allowance for Group II members and will refer this proposal to the task force (HB 51) for its deliberations. Vote 12-1. Rep. Kathleen W. Ward for Executive Departments and Administration.

Re-referred to Committee.

**HB 345**, relative to the administration of the New Hampshire retirement system. INEXPEDIENT TO LEGISLATE.

The Committee feels that this subject matter will be addressed by the task force (HB 51) when it reviews the entire Retirement System. Vote 11-4. Rep. Kathleen W. Ward for Executive Departments and Administration.

Adopted.

**HB 404-FN**, relative to certificate of wetland scientists. RE-REFER TO COMMITTEE.

The Committee feels this bill has merit, but because of time restraints and the work needed to meet requirements for certification, the Committee recommends re-referral. Vote 15-1. Rep. Sandra K. Dowd for Executive Departments and Administration.

Adopted.

**HB 527-FN-A**, licensing speech-language pathologists and making an appropriation therefor. RE-REFER TO COMMITTEE.

After extensive review, the Committee wishes to do further work on this bill, since there are several questions remaining concerning the relationship of this bill to existing licensing boards and certification programs. Vote 16-1. Rep. David A. Flanders for Executive Departments and Administration.

Rep. Copenhaver moved that the words Ought to Pass be substituted for the report of the Committee, Re-refer to Committee.

Rep. Dunn spoke in favor.

Rep. Ward spoke against and yielded to questions.

On a division vote, 94 members having voted in the affirmative and 233 in the negative, the motion lost.

Re-referred to Committee.

**HB 606-FN**, prohibiting discrimination on the basis of sexual orientation or national origin. **INEXPEDIENT TO LEGISLATE.**

Since the State of New Hampshire is an equal opportunity employer, the Committee felt this bill was not necessary. Vote 10-6. Rep. Sandra K. Dowd for Executive Departments and Administration.

Rep. Scott Green moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke to his motion.

Rep. Dowd spoke against.

Rep. O'Brien spoke in favor.

Rep. William Boucher spoke against.

Rep. Dunn spoke in favor.

Rep. Gosselin spoke against.

Rep. Trombly spoke in favor

Rep. Ward spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

### SULLIVAN

Behrens, Thomas A.  
 Krueger, Richard H.  
 Peyron, Fredrik  
 and the motion lost.

Domini, Irene C.  
 Lindblade, Eric N.  
 Rodeschin, Beverly T.

Flint, Gordon B.  
 Middleton, John A.  
 Schotanus, Merle W.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

Report adopted.

**HB 610-FN**, establishing a committee to study how the department of administrative services may efficiently collect the fines and fees imposed by the state. **OUGHT TO PASS.**

It is a well-known fact that the state is owed millions of dollars in fines, and it is known that only a small portion may be collected by credit card, but even a small amount will help in these times of need for finances. Vote 10-6. Rep. Kathleen W. Ward for Executive Departments and Administration.

Adopted.

Ordered to third reading.

**HB 645-FN**, relative to the practice of architecture. **INEXPEDIENT TO LEGISLATE.**

The Committee decided that the Board of Architecture should be able to police its own rules under Chapter 310-A:50. This bill is not needed. Vote 10-5. Rep. Gerald O. Gosselin for Executive Departments and Administration.

Adopted.

**HB 662-FN**, to establish a joint legislative oversight committee on New Hampshire retirement system funds. **INEXPEDIENT TO LEGISLATE.**

This bill would establish a further joint legislative oversight committee on the New Hampshire Retirement System, duplicating to a substantial degree part of the agenda assigned to the task force in House Bill 51. Vote 15-1. Rep. Kathleen W. Ward for Executive Departments and Administration.

Adopted.

**HB 682-FN**, relative to field purchase orders in the department of administrative services. **INEXPEDIENT TO LEGISLATE**.

Testimony at Committee hearings revealed that a larger amount allowed on field purchase orders would only increase paperwork. There is ample flexibility in purchases above the minimum limit. Vote 10-6. Rep. Arnold P. Shibley for Executive Departments and Administration.

Adopted.

**HB 585-FN**, recodifying the laws relative to emergency medical services. **REFER TO COMMITTEE**.

The purpose of this bill is to standardize the statutes and remove ambiguities regarding the way emergency medical services are delivered. An emergency medical services coordinating board is established with 14 members representing all interested parties. This board is to assure the development, coordination and administration of an emergency medical services system that reflects the differing needs and abilities of the state's communities and regions. Vote 16-1. Rep. Marion L. Copenhagen for Health, Human Services and Elderly Affairs.

Re-referred to Committee.

**HB 667-FN**, relative to clean-up of health nuisances. **OUGHT TO PASS**.

This bill establishes a procedure for collection of nuisance abatement costs for public health nuisances, and makes an owner liable for cleaning up a health nuisance after proper notice has been given. Vote 13-4. Rep. Joseph A. MacDonald for Health, Human Services and Elderly Affairs.

Adopted.

Ordered to third reading.

**HCR 11**, relative to abortion drug RU486. **OUGHT TO PASS**.

After considerable discussion and a lengthy hearing, the Committee voted 11-6 that HCR 11, a resolution relative to the anti-progesterone known as RU 486, ought to pass. The majority felt that this was a resolution, not a law, and therefore, an appropriate matter for its consideration. The Committee encourages the Federal Drug Administration to allow for the introduction of RU 486 for its significant medical value and, if it is introduced, to encourage New Hampshire to be a site for clinical trials and submit the data from such clinical trials to the Food and Drug Administration. Rep. Katherine W. Wheeler for Health, Human Services and Elderly Affairs.

Roll call request sufficiently seconded.

The question being the adoption of the Committee report.

and the report was adopted.

Ordered to third reading.

Rep. Peter Hoe Burling notified the Clerk that he inadvertently voted nay and intended to vote yea.

Rep. William Desrosiers notified the Clerk that he inadvertently voted yea and intended to vote nay.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

### SPECIAL ORDERS

Rep. Gross moved that HB 298, lowering the level from .10 to .08 for legal intoxication under the DWI laws, be made a Special Order for March 20, 1991 at 10:50 a.m., and that HB 350, relative to negligent homicide, be made a Special Order for March 20, 1991 at 11:00 a.m.

Adopted.

Rep. Daniel Healy moved that HB 485, relative to living wills, be made a Special Order for March 20, 1991 at 11:10 a.m.

Adopted.

### REGULAR CALENDAR (continued)

**HB 530-FN**, relative to marital arbitration. OUGHT TO PASS WITH AMENDMENT.

House Bill 530 came to the House from the Family Law Task Force as a bill to clarify and make more accessible arbitration in marital matters. The Committee approved a few needed amendments, and discussed the importance of this arbitration provision at length. The Committee continues to work on other alternative dispute ideas, including a marital commission and mediation. Vote 13-1. Rep. Peter Hoe Burling for Judiciary.

### Amendment

Amend RSA 542:11, VII as inserted by section 1 of the bill by replacing it with the following:

VII. RSA 542:1, relative to validity of arbitration agreements, shall apply to this section when such agreements have been approved by the superior court.

Amend RSA 542:11 as inserted by section 1 of the bill by inserting after paragraph IX the following new paragraphs:

X. Any arbitration under this section may be terminated by the written agreement of all parties or at the written request of the arbitrator, in which case the matter shall be returned to the superior court.

XI. Unless inconsistent with this section, all provisions of law relative to domestic relations shall apply to a proceeding under this section.

XII. Nothing in this section shall restrict the court from enforcing existing orders, or granting and enforcing emergency orders.

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Rep. Jacobson spoke against the Committee report.

Rep. Burling spoke in favor

Report adopted.

Ordered to third reading.

**HB 627-FN**, relative to the treatment of repeat DWI offenders. OUGHT TO PASS WITH AMENDMENT.

This bill provides that license restoration at the end of the period of license revocation for repeated DWI offenses shall not occur until the person has successfully completed a minimum 7-day impaired driver intervention program. The amendment

would provide for court action for persons failing to reimburse the state for the cost of the program. Vote 11-3. Rep. C. William Johnson for Judiciary.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

I Impaired Driver Intervention Programs. Amend RSA 172-B:2-a to read as follows:

172-B:2-a Impaired Driver Intervention Programs.

I. [The] *Except as provided in paragraph II, the* director shall be responsible[, except as provided in paragraph II.] for approving the impaired driver intervention programs *and programs equivalent to the multiple DWI offender intervention detention center program (M.O.P.)*, which persons convicted under RSA 265:82 or [82-a] *RSA 265:82-a or persons subject to the provisions of RSA 265:82-b, VI(a)* shall attend in order to regain their driver's licenses or driving privileges[: but the]. *The* director shall not approve any impaired driver intervention program unless such program is conducted without cost to the state. Notwithstanding RSA 6:12, any fees collected under subparagraph III(c) of this section shall be placed in a nonlapsing revolving account and shall be used by the director for the purposes of this chapter only.

II. The director jointly with the commissioner of safety shall adopt rules, pursuant to RSA 541-A, relative to *the* impaired driver intervention programs *and those programs equivalent to the M.O.P. as required in RSA 265:82-b, VI(b)* with respect to:

(a) Procedures and forms to be followed in order for drivers who have completed such programs to regain their licenses or driving privileges.

(b) Place of business.

(c) Records and reports.

(d) Schedule of fees and charges.

(e) Such other matters as the director and the commissioner of safety may prescribe for the protection of the public.

III. The director shall adopt rules, pursuant to RSA 541-A, relative to the operation of [impaired driver intervention] *alcohol education* programs with respect to:

(a) Course content and standards of instruction.

(b) Certification of instructors.

(c) A fee not to exceed \$15 per client to be paid by program providers to cover the costs of monitoring course content, establishing and maintaining standards of instruction, data collection, and administrative support.

(d) Any other matter related to the proper administration of this section.

2 Impaired Driver Intervention Program. Amend RSA 263:65-a to read as follows:  
263:65-a Attendance at Impaired Driver Intervention Program Required.

I. The director shall not restore the license or driving privilege of any person whose license or privilege has been revoked or suspended pursuant to RSA 265:82, *RSA 265:82-a*, or [265:82-a] *RSA 265:82-b* until such person has furnished proof of successful completion of an [impaired driver] *alcohol* education program which is:

(a) Approved by the director of the office of alcohol and drug abuse prevention and the commissioner pursuant to RSA 172-B:2-a *and RSA 172-B:2-b*; or

(b) Approved by the court, in the case of a person who is not a resident of this state.

II. For the purposes of this section, "successful completion" means meeting further counseling requirements, if any, arising out of the final evaluation given to the offender at the [impaired driver intervention program] *I.D.I.P. or the M.O.P. or its equivalent*. In no event shall such additional counseling requirements extend in duration beyond 6 months from the date of such final evaluation *or for the period of the license, driving privilege revocation or suspension period, whichever is later*, without first giving the offender the right to a hearing before the commissioner to determine whether he is eligible for license restoration.

*III. Successful completion shall also include payment of all assessed I.D.I.P., M.O.P., and equivalent program fees. Failure of the offender to make full payment of the assessed fee shall also result in petition for contempt of court charges against the offender.*

3 New Paragraph; Mandatory Treatment; License Restoration. Amend RSA 265:82-b by inserting after paragraph V the following new paragraph:

VI. Immediately following a person's conviction for any offense under RSA 265:82 the director of motor vehicles shall examine the person's motor vehicle record.

(a) If the person has had a prior driving while intoxicated conviction under RSA 265:82 within the preceding 7 years but is not subject to the provisions of RSA 265:82-b, I(b)(1), and has never successfully completed an impaired driver intervention program established pursuant to RSA 172-B:2-a, the person's license or privilege to drive shall not be restored until the offender has successfully completed said impaired driver intervention program.

(b) If such person has, as a result of a previous conviction, completed said program or the person has been convicted under RSA 265:82-a, the person's license or privilege to drive shall not be restored until the offender has successfully completed a 7-day program at the state operated multiple DWI offender detention center or an equivalent program approved by the director of the office of alcohol and drug abuse prevention at the person's own expense.

(c) For the purpose of approving programs equivalent to the state operated multiple DWI offender detention center, the director of the office of alcohol and drug abuse prevention shall adopt rules, pursuant to RSA 541-A relative to those matters addressed under RSA 172-B:2-a, II and III, except that programs approved under this paragraph shall be no less than 50 hours in duration.

4 Effective Date. This act shall take effect January 1, 1992.

Adopted.

Report adopted.

Ordered to third reading.

**HB 771-FN**, relative to consecutive sentencing in county correctional facilities. OUGHT TO PASS WITH AMENDMENT.

This bill sets limits on how often a prisoner may petition for suspended sentence after the sentence has begun; and how soon a parolee whose parole has been revoked may become eligible for re-parole. The amendment deletes two sections dealing with consecutive sentences, which will be considered in connection with another re-referred bill, and makes technical corrections. Vote 14-0. Rep. Richard H. Campbell, Jr. for Judiciary.

**Amendment**

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to sentencing and parole.

Amend the bill by deleting sections 1 and 2 and renumbering sections 3-7 to read as 1-5, respectively.

Amend the bill by replacing section 1 with the following:

1 Petition for Suspended Sentence. Amend RSA 651:20 to read as follows:

651:20 Incarceration Under Suspended Sentence. Notwithstanding any other provisions of law, the sentence to imprisonment of any person may be suspended, at the time of sentence unless otherwise ordered by the court, or at any time while any part of the sentence remains unserved, but a petition to suspend sentence may not be brought less than [2] 3 years after commencement of said sentence nor more frequently than every [2] 4 years thereafter. However, a petition to suspend the sentence of a state prison inmate may be brought at any time upon the recommendation of the commissioner, department of corrections, or designee. A person whose sentence has been suspended may be required to report to the institution to which he has been sentenced to be incarcerated during weekends or at such times or intervals of time as the court may direct, except that weekend sentence provisions do not apply to the New Hampshire state prison. Time so spent in said institution shall be deducted from the maximum term, and where there are both a minimum and maximum term, from both. Any part of a day spent in the institution shall count as a full day toward the sentence.

Amend RSA 651-A:18, V as inserted by section 4 of the bill by replacing it with the following:

V. Prisoners whose parole is revoked under this section and who have been paroled from a sentence for violating any of the following statutes, shall not be eligible for reparole for a period of at least 6 months: RSA 630:1-b, second degree murder; RSA 630:2, manslaughter; RSA 631:1, first degree assault; RSA 631:2, second degree assault; RSA 632-A:2, aggravated felonious sexual assault; RSA 632-A:3, felonious sexual assault; RSA 633:1, kidnapping; RSA 634:1, arson; RSA 635:1, burglary; RSA 636:1, robbery; RSA 642:9, assaults by prisoners; RSA 651-A:7, 8 or 9, when the crime was psychosexual murder as defined in RSA 651-A:10; RSA 318-B:26, I and II, penalties; and RSA 159:3, convicted felons.

**AMENDED ANALYSIS**

The bill changes certain provisions regarding computation of terms of parole and application for reparole after revocation of parole.

Adopted.

Report adopted.

Ordered to third reading.

**CACR II**, relating to jury trials in civil cases. Providing that a 12-person jury is required in capital cases and when imprisonment may be more than one year, but that other juries shall consist of a number of persons to be determined by the legislature.  
**OUGHT TO PASS WITH AMENDMENT.**

The amendment is the resolution which proposes a constitutional amendment for a six-man jury in misdemeanor cases. Also, in civil cases, a six-man jury will be possible. A majority of states now have some form of six-man juries. If adopted, the court system has the prospect of saving thousands of dollars in jury expenditures. Vote 14-0. Rep. Alf E. Jacobson for Judiciary.

### Amendment

Amend the title of the resolution by replacing it with the following:

RELATING TO: jury trials.

PROVIDING THAT: a 12-person jury is required in capital cases and when imprisonment may be more than one year, but that other juries shall consist of 6 persons.

Amend Art. 16 as inserted by paragraph I of the resolution by replacing it with the following:

[Art.] 16th. [Former Jeopardy; Jury Trial in Criminal Cases.] No subject shall be liable to be tried, after an acquittal, for the same crime or offense. The legislature shall not make any law that shall subject any person to a capital punishment, (excepting for the government of the army and navy, and the militia in actual service) or to imprisonment for more than one year without trial by a jury *of 12 persons*. *No person shall be subjected to imprisonment for one year or less without a trial by a jury of 6 persons.*

Amend Art. 20 as inserted by paragraph II of the resolution by replacing it with the following:

[Art.] 20th. [Jury Trial in Civil Causes.] In all controversies concerning property, and in all suits between 2 or more persons except those in which another practice is and has been customary and except those in which the value in controversy does not exceed \$1,500 and no title to real estate is involved, the parties have a right to a trial by *a jury of 6 persons*. This method of procedure shall be held sacred, unless, in cases arising on the high seas and in cases relating to mariners' wages, the legislature shall think it necessary to alter it.

Amend Art. 77 as inserted by paragraph III of the resolution by replacing it with the following:

[Art.] 77. [Jurisdiction of Justices in Civil Causes.] The general court are empowered to give to justices of the peace jurisdiction in civil causes, when the damages demanded shall not exceed [one hundred dollars] *\$100* and title of real estate is not concerned; but with right of appeal, to either party, to some other court. And the general court are further empowered to give to police courts original jurisdiction to try and determine, subject to right of appeal and trial by a jury *of 6 persons*, all criminal causes wherein the punishment is less than imprisonment in the state prison.

Amend the resolution by replacing paragraph VI with the following:

VI. That the wording of the question put to the qualified voters shall be: Are you in favor of amending the constitution to provide that 12-person juries shall be required in capital cases and in cases in which imprisonment may exceed one year; but that, in civil cases and in cases in which imprisonment may be one year or less, a 6-person jury shall be required?

### AMENDED ANALYSIS

This constitutional amendment-concurrent resolution requires a 6-person jury in civil cases and in non-capital criminal cases when imprisonment may be less than one year.

Rep. Murphy spoke in favor.

Adopted.

On a division vote, 301 members having voted in the affirmative and 32 in the negative, CACR 11 was adopted by the constitutionally required three-fifths.

Rep. Gross moved that CACR 12, relating to rulemaking authority. Providing that the general court may delegate regulatory authority to executive branch officials, but such rules may be disapproved by the general court, be read a third time and passed.

On a division vote 331 members having voted in the affirmative and 2 in the negative, CACR 12 was passed by the Constitutionally required three-fifths.

#### **Third reading and final passage**

**CACR 12**, relating to rulemaking authority. Providing that the general court may delegate regulatory authority to executive branch officials, but such rules may be disapproved by the general court.

Rep. Gross moved that CACR 11, relative to jury trials. Providing that a 12-person jury is required in capital cases and when imprisonment may be more than one year, but that other juries shall consist of 6 persons, be read a third time and passed.

On a division vote 318 members having voted in the affirmative and 18 in the negative, CACR 11 was passed by the constitutionally required three-fifths.

#### **Third reading and final passage**

**CACR 11**, relative to jury trials. Providing that a 12-person jury is required in capital cases and when imprisonment may be more than one year, but that other juries shall consist of 6 persons.

### **RESOLUTION**

Rep. Gross offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet at 10:00 a.m. on Wednesday, March 20, 1991.

Adopted.

### **LATE SESSION**

#### **Third reading and final passage**

**HB 169-FN**, relative to the disposition of revenues collected under the land use change tax.

**HB 305-FN**, relative to the meaning of the term "charitable" for purposes of real estate tax exemptions.

**HB 386**, relative to a representative town meeting form of government.

**HB 391**, to permit the adoption of impact fees as part of a zoning ordinance.

**HB 561**, enabling towns to limit reconsideration of town meeting votes.

**HB 396**, relative to filing reports in court proceedings involving children.

**HB 406**, relative to modification of support orders.

**HB 461-FN**, relative to notice for out of district placement by the court.

**HB 567**, relative to step-parent's visitation rights.

**HB 283-FN**, establishing a study committee on the problems of New Hampshire banks and financial institutions.

**HB 307-FN**, establishing a committee to review New Hampshire's bankruptcy laws.

**HB 311**, confirming an exemption from registration for securities listed on the National Association of Securities Dealers Automated Quotation National Market System.

**HB 413-FN**, relative to penalties for insurance laws violations.

**HB 441**, relative to the uniform limited offering exemption from securities registration and filing requirements.

**HB 475-FN**, relative to appointment of banking department assistants, and to the performance of contract services by the banking department, and to assessing the costs of bank examinations.

**HB 572**, relative to exclusions in automobile insurance.

**HB 692-FN**, relative to reinsurance intermediaries.

**HB 398**, relative to determining qualifications of applicants to vote.

**HB 548**, relative to the information required on checklists.

**HB 621-FN**, relative to voting by absentee ballot.

**HB 673-FN**, reinstating the charter of Capital Leasing Company, Inc. and of Hagen and Spiegali, Inc.

**HB 754-FN**, relative to the duties of the secretary of state, the election laws, and certain miscellaneous statutes.

**HB 542**, relative to the time frame for submitting school district meeting warrant articles and the number of petitioners necessary to submit a warrant article.

**HB 276-FN**, relative to the task force establishing voluntary agreements reducing and recycling the solid waste stream and the duties of the commissioner of environmental services.

**HB 442-FN**, authorizing the commissioner of agriculture to establish minimum price rates for small producers.

**HB 447**, relative to bulk commodities.

**HB 509**, clarifying the definition of public benefit relative to permitting solid waste facilities.

**HB 604**, granting rulemaking authority to the division of waste management relative to special waste and defining special waste.

**HB 733-FN**, establishing a study committee to study public assistance.

**HB 208-FN**, relative to annulments of criminal records.

**HB 482-FN**, relative to temporary guardianships.

**HB 607**, permitting actions for damages resulting from violations of workers' compensation laws by bidders on construction contracts.

**HB 603-FN**, to establish a mandates task force to recommend modification or repeal of those unfunded mandates imposed upon municipalities and school districts.

**HJR 3**, requesting the university cooperative extension service to continue to work with the governor's commission on the 21st century.

**HB 340**, relative to compliance with enabling legislation.

**HB 348**, relative to the municipal records board.

**HB 375-FN**, authorizing towns to accept donations of property.

**HB 385**, relative to administrative inspection warrants, town trust funds, and planning board decisions.

**HB 429**, relative to the salaries of county attorneys.

**HB 434**, relative to the procedure for planning boards to revoke approval of recorded plats.

**HB 492-FN**, relative to conservation restriction assessments.

**HB 513-FN**, relative to the eminent domain procedure act and unpaid taxes.

**HB 514-FN**, relative to special town meetings.

**HB 516**, relative to library trustees' authority to accept gifts.

**HB 519-FN**, relative to municipal budget matters and the timber tax.

**HB 523-FN**, relative to local cease and desist orders for zoning, planning and code violations.

**HB 547-FN**, relative to the date for the application of the optional veterans' exemption and the optional exemption for the surviving spouses of veterans in certain towns.

**HB 551**, relative to the distribution of taxes from towns to village districts.

**HB 577**, relative to the effect of zoning changes and amendments on plats or applications accepted by a planning board.

**HB 595-FN**, relative to citations for building code and land use violations.

**HB 625-FN**, relative to hearings on tax abatements for property taxes.

**HB 633-FN**, to clarify the handling of administrative fees required by local land use boards, relative to elected planning board members, and relative to the definition of "mayor" for planning and zoning purposes.

**HB 652-FN**, relative to the duties of the board of tax and land appeals and the department of revenue administration.

**HB 680-FN**, relative to manufactured housing on the land of another.

**HB 751-FN**, concerning the procedure for local enforcement of certain state environmental laws.

**HB 173-FN**, establishing a committee to study certain provisions of RSA 154 relative to powers and duties of firewards.

**HB 282-FN**, relative to the BOCA Basic Building Code and the Life Safety Code.

**HB 465**, relative to a veterans cemetery at the Pease Air Force facilities under the Pease development authority.

**HB 583-FN**, relative to carrying pistols and revolvers.

**HB 553-FN**, relative to the Bridge Street Bridge over Storrs Street in the city of Concord.

**HB 723-FN**, relative to Concord - state cooperation.

**HB 390**, relative to technical corrections in the liquor laws.

**HJR 1**, concerning the settlement of the Portsmouth, New Hampshire Naval Shipyard and inner Portsmouth Harbor border dispute between New Hampshire and Maine.

**HJR 4**, relative to providing access to Flat Mountain Pond for members of the public.

**HB 517-FN**, relative to watercraft safety.

**HB 717-FN**, permitting the designation by a vehicle owner of a vehicle's recipient upon the owner's death.

**HB 579**, relative to municipal charters.

**HCR 9**, relative to universal access to health care.

**HB 624-FN**, relative to removing candidates' signs after an election.

**HB 743-FN**, relative to listing representatives to the general court on the ballot.

**HB 304**, relative to escrow of funds raised through sale of certain types of securities and to certain conditions for sale of securities.

**HB 571-FN**, relative to multiple-employer welfare arrangements.

**HB 574-FN**, relative to managing general agents.

**HB 575**, relative to liquidation and rehabilitation of insurance companies.

**HB 576-FN**, relative to the investments which may be made by New Hampshire domestic insurers, other than life insurers.

- HB 580**, relative to insurance rebates and automobile financing.
- HB 658-FN**, relative to uninsured or hit-and-run motor vehicle coverage.
- HB 702**, relative to designated smoking sections in certain buildings and offices.
- HB 704**, relative to liquidation under the supervision of the bank commissioner.
- HB 752-FN**, prohibiting merchants from requiring the recording of a credit card number or expiration date as a condition for check cashing or acceptance.
- HB 767-FN**, relative to access to group health insurance policies.
- HB 462**, relative to special education hearing officers.
- HB 463**, relative to rulemaking for the board of education.
- HB 563-FN**, relative to the creation of trust funds and relative to unanticipated school funds.
- HB 655-FN**, relative to statistical reports.
- HB 691-FN**, relative to licensing and certification of real estate appraisers and licensing private detectives.
- HB 757-FN**, repealing the law relative to employment offices.
- HB 710-FN**, relative to the regulation of tree stands, observation blinds, and pit blinds.
- HB 451-FN**, relative to licensing of residential care and health facilities.
- HB 613-FN**, relative to the procedures of the certificate of need board.
- HB 269**, granting probate judges greater discretion to require bonds from executors and trustees and relative to probate court scheduling.
- HB 445-FN**, defining "compact parts" of towns and cities with regard to criminal charges for unauthorized use of firearms and firecrackers.
- HB 455**, relative to determination of amount of alimony awards.
- HB 635-FN**, authorizing the house judiciary committee to study misdemeanors and misdemeanor sentencing.
- HB 661-FN**, allowing annulments of criminal records of persons who served a term of imprisonment.
- HB 701-FN**, relative to protecting personal privacy.
- HB 756-FN**, relative to a victims' bill of rights.
- HB 270-FN**, relative to filling and dredging in wetlands.
- HB 496-FN**, relative to administrative fines for marine pollution.
- HB 565-FN**, relative to marine oil spill response, oil spillage in surface waters or groundwaters and underground storage tanks.
- HB 736-FN**, relative to energy facility siting, licensing and operation.
- HB 750-FN**, establishing a committee to study the development of a waste tire management program.
- HB 753-FN**, redefining compost and encouraging state agencies to utilize New Hampshire-produced compost when appropriate.
- HR 14**, urging bottlers within the state of New Hampshire to use ecology glass.
- HB 52**, relative to group health insurance participation by members of the general court.
- HB 127**, establishing Civil Rights Day and abolishing Fast Day.
- HB 610-FN**, establishing a committee to study how the department of administrative services may efficiently collect the fines and fees imposed by the state.
- HB 667-FN**, relative to clean-up of health nuisances.
- HCR 11**, relative to abortion drug RU486.
- HB 530-FN**, relative to marital arbitration.
- HB 627-FN**, relative to the treatment of repeat DWI offenders.

**HB 771-FN**, relative to sentencing and parole.

Rep. Gross moved that the House adjourn.

Adopted.

The House adjourned at 5:50 p.m.

**HOUSE JOURNAL No. 13**

Wednesday, March 20, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairisto.

Gracious God, who give us life and sustains us throughout our days, we offer our praise and thanks for all that we receive from Your hand. Help us to feel Your presence among us, and so inspire and guide us that even in the most difficult of choices we may discern and do what is right and proper and honorable in Your sight. Be with each member now in the business at hand. Amen.

Rep. C. Dana Christy led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Eunice Campbell, Hurst, Parr, Swope, Romeo Jean, Feuerstein, Ackerman, Martling, Pantelakos, Hickey, Simon, Lozeau, Whitcomb, Holmes and Patricia Cote, the day, illness.

Reps. Musler, Drake, John Young, Wall, Donald Messier, Markley, David Young (military service), Senter William McCann, Valerie Cook and Ralph Torr, the day, important business.

Rep. Bernard, the day, death in the family.

Reps. Golden and Hambrick, the day, illness in the family.

**INTRODUCTION OF GUESTS**

Edith Baroody and Sue McMuster, mother and daughter of Rep. Baroody. Sarah Robinson, daughter of Rep. Robinson.

**SENATE MESSAGE****ACCEDES TO REQUEST FOR COMMITTEE OF CONFERENCE**

HB 593, relative to the rate of the business profits tax.

The President appointed Sens. Colantuono, Russman and Hollingworth.

**SPECIAL ORDERS**

**HB 433**, establishing a developmentally delayed category. **OUGHT TO PASS WITH AMENDMENT.**

The addition of "developmentally delayed" as a new and distinct category under which handicapped preschool children will be coded will not increase the population of children served because any child so labeled must be able to be classified under one of the existing categories in the law. It will, however, make for more accurate reporting and more effective communication with parents, and give districts more flexibility in designing appropriate programs. Vote 16-2. Rep. Susan D. Carter for Education.

**Amendment**

Amend RSA 186-C:2, I-a as inserted by section 1 of the bill by replacing it with the following:

1 New Paragraph; Definition; Developmentally Delayed Child. Amend RSA 186-C:2, by inserting after paragraph I, the following new paragraph:

I-a. "Developmentally delayed child" means a preschool child between 3 and 5 years of age, who, because of impairments in development needs special education or special education and educationally related services, may be identified as being developmentally delayed provided that such a child could be determined to have an educationally handicapping condition as defined in RSA 186-C:2, I.

2 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Rep. Kurk offered a floor amendment.

#### **Floor Amendment**

Amend RSA 186-C:2, I-a as inserted by section 1 of the bill by replacing it with the following:

I-a. "Developmentally delayed child" means a preschool child between 3 and 5 years of age, who, because of impairments in development needs special education or special education and educationally related services, may be identified as being developmentally delayed provided that such a child must first be determined to have an educationally handicapping condition as defined in RSA 186-C:2, I.

Rep. Kurk spoke in favor.

Rep. Carter spoke in favor.

Adopted.

Report adopted.

Ordered to third reading.

#### **SPECIAL ORDER**

**HB 615**, relative to sand and gravel.

Rep. Bradley moved that HB 615 be made a special order after HB 742 and spoke in favor.

Adopted.

**HB 742-FN**, relative to excavation. **OUGHT TO PASS.**

The Committee strongly recommends passage of this bill in order to insure sand and gravel excavations be performed in an environmentally acceptable manner, at the same time allowing for local control and balancing the interests of sand and gravel operators. Vote 16-0. Rep. Jeb E. Bradley for Environment and Agriculture.

Rep. Bradley offered a floor amendment.

#### **Floor Amendment**

Amend the bill by replacing all after the enacting clause with the following:

##### **I Findings and Purpose.**

I. The general court finds that extensive amendments to RSA 155-E were enacted in 1989, the express purpose of which were to enhance the availability of construction material for the benefit of the citizens and taxpayers of the state of New Hampshire. In the intervening period since the 1989 enactment took effect, various technical problems and unintended policy consequences have resulted in costly litigation and other negative impacts on local communities and residents.

II. The purpose of this act is to grant municipalities the authority to cope with the recognized safety hazards which open excavations create; to safeguard the public health and welfare; to preserve our natural assets of soil, water, forests and wildlife; to maintain aesthetic features of our environment; to prevent land and water pollution; and to promote soil stabilization.

2 Excavation Adherence to Bylaws. Amend RSA 31:41-b to read as follows:

31:41-b Hazardous Embankments. Towns shall have the power to make bylaws regulating hazardous embankments, including the removal, stabilization, or fencing thereof, for the protection of the health and safety of the public. Whoever violates any such bylaw shall be guilty of a violation for each offense and the penalty therefor shall

inure to such uses as the town may direct. Regulation of "excavation" as defined in RSA 155-E:1, II shall be in accordance with RSA 155-E, *but any hazardous embankment resulting from excavation, whether undertaken prior to, on, or after August 4, 1989, shall be subject to bylaws made under the authority of this section.*

3 New Paragraph; Excavation Area Defined. Amend RSA 155-E:1 by inserting after paragraph V the following new paragraph:

VI. "Excavation Area" means the area within an excavation site where excavation has occurred or is eligible to occur under the provisions of this chapter.

4 Existing Excavations; Regulation. Amend the introductory paragraph of RSA 155-E:2, I to read as follows:

I. Existing Excavations. The owner of an excavation which lawfully existed [and was in use on or before] *as of August 24, 1979, from which earth material of sufficient weight or volume to be commercially useful has been removed during the 2-year period before August 24, 1979, and which has not been subsequently permitted*, may continue such existing excavation on the excavation site without a permit, subject to the following:

5 Existing Excavations; Change from Site to Area. Amend RSA 155-E:2, I(d) to read as follows:

(d) The owners or operators of any existing excavation [site] *area* for which no permit has been obtained under this chapter shall file a report with the local regulator within one year after receiving written notice of this requirement from the regulator and in no case later than 2 years following the effective date of this subparagraph. The report shall include:

6 Local Excavation Regulatory Authority; Change from Site to Area. Amend RSA 155-E:2, I(b) to read as follows:

(b) Such an excavation [site] *area* may not be expanded, without a permit under this chapter, beyond the limits of the town in which it is situated and the area which, on August 24, 1979, and at all times subsequent thereto has been contiguous to and in common ownership with the excavation site of that date, and has been appraised and inventoried for property tax purposes as part of the same tract as the excavation site as of that date, as modified by the limitations of RSA 155-E:4-a, I [and], II, *and II-a*. In this paragraph the term "contiguous" means land whose [parameter] *perimeter* can be circumscribed without interruption in common ownership except for roads or other easements, in a single town. It is further provided that when such excavation is not allowed *in that location* by local zoning or similar ordinances in effect on [the effective date of this section regulating the location of the excavation site] *August 4, 1989, or when such ordinances allow such excavation only by special exception*, expansion may be restricted or modified with conditions by order of the [planning board] *regulator* if after notice to the owner and a hearing, the [board] *regulator* finds that such expansion will have a substantially different and adverse impact on the neighborhood.

7 Abandoned Excavations; Amount of Material Removed; Approved Timetable for Reclamation; Currency of Excavation Site; Public Health or Safety Hazard. Amend RSA 155-E:2, II(a) and (b) to read as follows:

(a) For purposes of this section, any excavation, whether subject to a permit under this chapter or not, for which the affected area has not yet been brought into complete compliance with the reclamation standards of RSA 155-E:5 shall be deemed "abandoned" if [excavation occurred on the site any time subsequent to August 24, 1979, and];

(1) No earth material *of sufficient weight or volume to be commercially useful* has been removed from that excavation site during any [3] 2-year period, either before, *on*, or after [the effective date of this section] *August 4, 1989*; provided, however, that before the end of such [3] 2-year period, the owner or operator may extend the period by submitting to the regulator a *reclamation* timetable [for reclamation] *to be approved by the regulator*, and posting a bond or other security with the municipal treasurer in a form and amount prescribed by the regulator, sufficient to secure the reclamation of the entire *excavation* site in accordance with the standards of RSA 155-E:5; or

(2) The excavation is [still] in use, but [the owner or operator of the excavation has not, within 3 years of the effective date of this section, either brought the area affected by the excavation into compliance] *does not conform* with the incremental reclamation requirement of RSA 155-E:5-a, or *the owner or operator has not* posted a bond or other security[,] *and submitted a reclamation timetable to be approved by the regulator* as described in subparagraph [(1)] *(a)(1)*; or

(3) The owner or operator of the excavation has neither secured a permit pursuant to this chapter nor filed a report of an existing excavation pursuant to subparagraph I(d) within the prescribed period.

(b) In addition to the enforcement remedies of RSA 155-E:10, the regulator may order the owner of any land upon which an abandoned excavation is located to either file a reclamation timetable, *to be approved by the regulator*, and bond or other security as described in subparagraph I(a) *II(a)(1)*, or to complete reclamation in accordance with this chapter within a stated reasonable time. Such an order shall only be made following a hearing for which notice has been given in accordance with RSA 155-E:7, if the regulator finds that the public health, safety, or welfare requires such reclamation. If the owner fails to complete reclamation within the time prescribed in the order, the regulator may request the governing body to cause reclamation to be completed at the expense of the municipality. The municipality's costs shall constitute an assessment against the owner, and shall create a lien against the real estate on which the excavation is located. Such assessment and lien may be enforced and collected in the same manner as provided for real estate taxes.

(c) *The site of an excavation which ceased commercially useful operation prior to August 24, 1977, but for which the affected area has not been brought into compliance with the reclamation standards of RSA 155-E:5, may be made subject to the remedy prescribed in RSA 155-E:2, II(b) only if the regulator finds in writing that specified reclamation measures are necessary to eliminate or mitigate an identified hazard to public health or safety.*

8 Stationary Manufacturing Plants; Compliance with Standards. Amend RSA 155-E:2, III to read as follows:

### III. Stationary Manufacturing Plants.

(a) No permit shall be required under this chapter for excavation from [an area] *a site* which on [the effective date of this section is] *August 4, 1989, was* contiguous to or [is] *was* contiguous land in common ownership with stationary manufacturing and processing plants which were in operation as of August 24, 1979, and which use earth obtained from such [areas] *site*. Such excavation shall be performed in compliance with the operational standards [of] *as expressly set forth in* RSA 155-E:4-a and the reclamation standards [of] *as expressly set forth in* RSA 155-E:5 and 155-E:5-a, *which express standards shall be the sole standards with which such excavations must comply in order to retain their non-permit status as provided under this para-*

*graph. Such excavation* [and] may be expanded without a permit under this chapter to any contiguous lands which [are] *were* in common ownership with the site of the plant on [the effective date of this section] *August 4, 1989*, except as limited by RSA 155-E:4-a, I, II, and III.

(b) No further permit shall be required under this chapter for excavation from [an area] *a site* which on [the effective date of this section is] *August 4, 1989*, *was* contiguous to or [is] *was* contiguous land in common ownership with stationary manufacturing and processing plants for which local or state permits have been granted since August 24, 1979, and before [the effective date of this section] *August 4, 1989*, *which use earth obtained from such [areas] site*. It is further provided that their operation and reclamation shall continue to be regulated by such local or state permits and any renewals or extensions thereof by the permitting authority or authorities.

9 Highway Excavations; Certification. RSA 155-E:2, IV(b) is repealed and reenacted to read as follows:

(b) Such excavation shall not be exempt from local zoning or other applicable ordinances, unless such an exemption is granted pursuant to subparagraph (c), or from the operational and reclamation standards as expressly set forth in RSA 155-E:4-a, 155-E:5 and 155-E:5-a, which express standards shall be the sole standards with which such excavations must comply in order to retain their non-permit status as provided under this paragraph. Before beginning such excavation, the governmental unit or its agents shall certify to the regulator that:

(1) The excavation shall comply with the operational and reclamation standards of RSA 155-E:4-a, RSA 155-E:5, and 155-E:5-a.

(2) The excavation shall not be within 50 feet of the boundary of a disapproving abutter or within 10 feet of the boundary of an approving abutter, unless requested by said approving abutter.

(3) The excavation shall not be unduly hazardous or injurious to the public welfare.

(4) Existing visual barriers in the areas specified in RSA 155-E:3, III shall not be removed, except to provide access to the excavation.

(5) The excavation shall not substantially damage a known aquifer, so designated by the United States Geological Survey.

(6) All required permits for the excavation from state or federal agencies have been obtained.

10 Reclamation Plan; Effects to be Addressed. RSA 155-E:3, VI is repealed and reenacted to read as follows:

VI. A plan for the reclamation of the area affected by the excavation at least in compliance with RSA 155-E:5 and RSA 155-E:5-a. Such plan shall address the effects of the proposed excavation on soil, surface and groundwater, vegetation, overburden, topography, and fill material, and may address the effects on wildlife and future land use, and shall include a timetable for reclamation of fully depleted sites within the excavation area during said project;

11 New Paragraph; Permit Application; On-Site Nuisances Addressed. Amend RSA 155-E:3 by inserting after paragraph VI the following new paragraph:

VI-a. Specific actions to be taken by the applicant on the excavation site relative to fuel and chemical handling and storage, dust control, traffic, noise control and abatement, and comprehensive site safety of unauthorized persons; and

12 Special Exception Criteria Expanded. Amend RSA 155-E:4, III to read as follows:

III. When the excavation is not permitted by zoning or other applicable ordinance, provided, however, that in municipalities which have commercial earth resources on unimproved land within their boundaries, and which do not provide for [reasonable opportunities for excavation of some of those resources] *opportunities for excavation of some of these resources in at least some, and not necessarily all, areas within the municipality*, or in municipalities which have zoning ordinances which do not address the subject of excavations, excavation shall be deemed to be a use allowed by special exception as provided in RSA 674:33, IV, *in any non-residential area of the municipality*, and the zoning board of adjustment shall grant such a special exception upon a finding that:

(a) The excavation will not cause an unreasonable diminution in area property value or unreasonably change the character of the neighborhood;

(b) The excavation will not unreasonably accelerate the deterioration of highways or create safety hazards in the use thereof; [and]

(c) The excavation will not create any unreasonable nuisance or create health or safety hazards; *and*

*(d) The excavation complies with such other special exception criteria as may be set out in applicable local ordinances.*

13 Prohibited Projects; Permit not Granted. RSA 155-E:4, VII is repealed and reenacted to read as follows:

VII. When the excavation requires permits from state or federal agencies; but the regulator may approve the application when all necessary permits have been obtained; or

14 Minimum Operational Standards. Amend the section heading and introductory paragraph of RSA 155-E:4-a to read as follows:

155-E:4-a *Minimum* Operational Standards. It shall be a violation of this chapter for any person to excavate, or for any owner to permit excavation on his excavation site, [whether] *when* such excavation is subject to a permit under this chapter. [or regulated under RSA 155-E:2,] without complying with the following *minimum* standards *or when such excavation is not subject to a permit under this chapter pursuant to RSA 155-E:2 without complying with the following express standards:*

15 New Paragraph; Excavations; Setback Requirements. Amend RSA 155-E:4-a by inserting after paragraph II the following new paragraph:

II-a. No excavation shall be permitted within 150 feet of any great pond, navigable river, or any other standing body of water 10 acres or more in area or within 50 feet of any other stream, river or brook which normally flows throughout the year, or any standing body of water less than 10 acres, prime wetland as defined in RSA 482-A:15, I or any other wetland greater than 5 acres in area.

16 Reference Change. Amend RSA 155-E:4-a, IV to read as follows:

IV. Drainage shall be maintained so as to prevent the accumulation of free-standing water for prolonged periods. Excavation practices which result in siltation of streams or degradation of any water supplies are prohibited. For excavation projects which require a permit from the division of water supply and pollution control pursuant to RSA [149:8-a] **485-A:17**, the provisions of that statute, and rules adopted under it shall supersede this paragraph. The excavator shall file a copy of the permit issued under RSA [149:8-a] **485-A:17** with the regulator.

17 Change from Site to Area; Reclamation Bond. Amend RSA 155-E:4-a, VII to read as follows:

VII. Prior to the removal of topsoil or other *overburden* material from [a new excavation] *any land area that has not yet been excavated*, the excavator shall file a reclamation bond or other security as prescribed by the regulator, sufficient to secure the reclamation of the [site] *land area to be excavated*.

18 Minimum Reclamation Standards; Soil Replacement. Amend the introductory paragraph of RSA 155-E:5 and RSA 155-E:5, I to read as follows:

155-E:5 *Minimum* Reclamation Standards. Within 12 months after the expiration date in a permit issued under this chapter, or of the completion of any excavation, whether subject to permit or not, whichever occurs first, the owner of the excavated land shall have completed the reclamation of the areas affected by the excavation to meet each of the following minimum [conditions] *standards*:

I. Except for exposed rock ledge, all areas which have been affected by the excavation or otherwise stripped of vegetation shall be spread with *the original* topsoil or strippings, if any[.]. *A sufficient quantity of the original topsoil shall be stockpiled on-site for reuse to be spread to a minimum depth of 4 inches*, but [in any case] *if not available from the original topsoil*, covered by soil capable of sustaining vegetation, and shall be planted with seedlings or grass suitable to prevent erosion. Areas visible from a public way, from which trees have been removed, shall be replanted with tree seedlings, set out in accordance with acceptable [horticultural] *agronomy* practices.

19 Reclamation Standards; Slopes. Amend RSA 155-E:5, III to read as follows:

III. All slopes, except *for* exposed ledge, shall be graded to natural repose for the type of soil of which they are composed, but shall not in any case be left steeper than [2:1] *1 vertical to 2 horizontal or some other ratio proposed by the owner and approved by the regulator in the reclamation plan*. Changes of slope shall not be abrupt, but shall blend with the surrounding terrain.

20 New Paragraph; Reclamation Standard; Prior Use. Amend RSA 155-E:5 by inserting after paragraph V the following new paragraph:

VI. As part of the reclamation plan, the land shall be returned to a usable state agreeable to the regulator.

21 Incremental Reclamation; Reclamation Plan Required. Amend RSA 155-E:5-a to read as follows:

155-E:5-a Incremental Reclamation. Any excavated area of 5 contiguous acres or more, which [either] is depleted of commercial earth materials, excluding bedrock, or *any excavation* from which [no] earth materials *of sufficient weight or volume to be commercially useful* have *not* been removed for a 2-year period, shall be reclaimed in accordance with RSA 155-E:5, within 12 months following such depletion or 2-year non-use, regardless of whether other excavation is occurring on adjacent land in contiguous ownership. *Each operator, other than the operator of stationary manufacturing plants which are exempt from permit requirements pursuant to RSA 155-E:2, III, shall prepare and submit for the regulator's record a reclamation plan for the affected land, including a timetable for reclamation of the depleted areas within the reclamation site.*

22 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill clarifies several sections of, and terms used in, RSA 155-E, and provides more stringent requirements under several sections of the chapter, especially regarding operational and reclamation requirements.

The bill removes the current limitation in the definition of "abandoned" excavation which requires excavation to have occurred after August 4, 1979. The bill also requires that a commercially useful amount of material be removed to prevent designation of a site as abandoned, and shortens the period during which an abandoned site must be reclaimed or have an approved reclamation timetable submitted to the local regulator.

The bill requires abandoned excavation sites which are found to pose a threat to public health or safety to meet the reclamation requirements of the chapter, regardless of the length of time the site has been abandoned.

The bill subjects all hazardous embankments resulting from excavations to the town regulatory powers granted under RSA 31:41-b.

The bill also requires excavation sites for highway construction to comply with certain environmental, visual, and safety standards and requires all permit applications to address various pollution, fuel storage, and safety concerns.

The bill prohibits siting of excavation sites near most water bodies. The bill also removes the waiver requirement for permitting certain excavations below stated heights above the water table.

The bill requires, to the greatest extent possible, reclamation of the site with the earth disturbed by the excavation.

The bill also specifies that the statutory operational standards are minimum standards.

Rep. Scanlan spoke in favor.

Adopted.

Report adopted.

Ordered to third reading.

#### **HB 615-FN, relative to sand and gravel. OUGHT TO PASS.**

The Committee strongly recommends passage of this bill in order to insure sand and gravel excavations be performed in an environmentally acceptable manner, at the same time allowing for local control and balancing the interests of sand and gravel operators. Vote 16-0. Rep. Jeb E. Bradley for Environment and Agriculture.

Rep. Bradley moved that the words Re-refer to Committee be substituted for the report of the Committee. Ought to pass and spoke in favor.

Re-referred to Committee

#### **HB 62-FN, relative to retirement allowances under the New Hampshire retirement system. OUGHT TO PASS WITH AMENDMENT.**

This bill amends the Retirement Statutes by defining earnable compensation, repeals a special fringe benefit for certain unclassified employees, and defines the conditions which elected and appointed officials must meet to be eligible for membership in the Retirement System. Vote 13-3. Rep. Merton S. Dyer for Executive Departments and Administration.

#### **Amendment**

Amend the bill by replacing section 2 with the following:

2 Membership Eligibility for Elected and Appointed Officials. Amend RSA 100-A:3, I(a) to read as follows:

I.(a) Any person who becomes an employee, teacher, permanent policeman or permanent fireman after the date of establishment shall become a member of the retirement system as a condition of employment; except that membership shall be

optional in the case of elected officials, officials appointed for fixed terms, *unclassified state employees*, or those employees of the general court who are eligible for membership in the retirement system. *Elected officials and officials appointed for fixed terms shall, however, be eligible for membership in the retirement system only under the following conditions:*

*(1) The office held is a full-time position with eligibility for the same fringe benefits as other full-time employees of the employer;*

*(2) The office held is the primary occupation of the person holding the office;*

*(3) The base rate of annual compensation for the office held is at least \$15,000, and requires at least 1,820 hours of employment; and*

*(4) The official satisfies the conditions under subparagraphs (1)-(3) by using only one elected or appointed office to qualify.*

Amend the bill by deleting section 4, and renumbering sections 5-10 to read as 4, 5, 6, 7, 8, and 9 respectively.

#### AMENDED ANALYSIS

This bill amends the retirement statutes, RSA 100-A, by:

(1) Amending the definition of earnable compensation so that severance pay such as vacation time and other compensation paid by an employer are used only to a certain extent to determine the average final compensation of a person upon his retirement.

(2) Repealing the special fringe benefit for certain unclassified officers or employees who withdraw from the retirement system and who make equivalent contributions to an IRA.

(3) Limiting the right of predecessor system retirees to receive a full salary and a full ordinary or accidental disability allowance as a disability retiree, when the retiree is engaged in or able to engage in gainful occupation.

(4) Defining the conditions which elected and appointed officials must meet in order to be eligible for membership in the retirement system.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 54-FN**, eliminating the laws regarding children in need of services. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: RE-REFER TO COMMITTEE.

MAJORITY: House Bill 54, a revision of the handling of children in need of services (CHINS) has been an evolutionary process. The original bill was heard for nearly four hours. Following the hearing the Subcommittee met multiple times to develop a totally new concept of the bill. This major amendment then went before the public for an additional hearing covering several hours. A significant number of comments at the second hearing indicated a need for extensive tuning of the bill's language. This was accomplished in a minimum of four executive sessions.

The concept in the amended bill provides a restructuring of the CHINS process, which is family oriented and less threatening. It becomes a process which strengthens family ties rather than punishing children.

Voluntary family services and regional assistance teams, the new process concentrates on early intervention and diversion, long before court action and costly out-of-home placement. A recent study of New Hampshire's juvenile service system by the

American Bar Association, shows we are the only state in the country that relies on costly court-ordered services to provide service to our juveniles.

The claim of potential additional costs was interjected, however, no concrete facts or testimony were forthcoming to substantiate such claims. The Committee, however, took cognizance of the possibility of such, and by its structuring of section 8 of the bill has provided a contingency review that gives us another look at the cost structure, budget, staffing, and rules before any new process takes effect.

This bill moves us forward at an appropriate time when we need to be looking not only for an adequate existing system, but rather for a new more efficient, better balanced, family-oriented service. Vote 10-6. Rep. Ellen-Ann Robinson for the Majority of Children, Youth and Juvenile Justice.

MINORITY: There was no evidence presented that the present law is not working. The minority felt rushed to come up with a decision. Our concern is that this new amendment will ultimately shift the responsibility of these children from the state to the many cities and towns that cannot bear additional monetary burdens. No one except the Department of Health and Human Services spoke in favor of the bill. The final amended bill had no public hearing or input. Although the final cost was said to be the responsibility of the parents, most of these parents lack the finances to pay for these services. Vote 10-6. Reps. Annette M. Cooke, Juanita Bell, Nancy W. MacKinnon, Lionel W. Johnson, Lillian I. Rheault and Julie M. Brown for the Minority of Children, Youth and Juvenile Justice.

#### **Amendment**

Amend the title of the bill by replacing it with the following:

#### **AN ACT**

relative to the laws regarding children in need of services.

Amend the bill by replacing all after the enacting clause with the following:

1 Children in Need of Services. RSA 169-D is repealed and reenacted to read as follows:

#### **CHAPTER 169-D**

#### **CHILDREN IN NEED OF SERVICES**

169-D:1 Applicability of Chapter; Purpose. This chapter shall apply to children in need of services as defined in this chapter and shall be construed and administered in accordance with the following purposes and policies:

I. Certain behavior occurring within a family environment indicates that a child is experiencing serious difficulties and is in need of diversion from such behavior or services to provide him with the care, counseling, discipline, and supervision necessary to assist him in becoming a responsible and productive member of society.

II. Parents are the primary caregivers for children, and are primarily responsible to assure that their children receive the care, guidance, discipline, supervision, and treatment required to assist a child in becoming a responsible and productive member of society.

III. Services should be implemented which preserve and strengthen the unity of the family, seeking change through the voluntary participation of family members in the least restrictive environment consistent with the safety of the child, family, and the public.

IV. A child should be kept in his family environment unless it is clearly shown that removal of the child from his home is necessary to maintain the safety of the child, to maintain the safety of others in the family, or to maintain public safety. This

purpose should be achieved through judicial procedures which assure that the constitutional and other rights of the parties are recognized and protected.

169-D:2 Definitions. In this chapter:

I. "Child" means a person under the age of 18.

II. "Child in need of services" means a child who is mentally competent to comprehend the reasonably expected results of his behavior upon himself or others, yet:

(a) Runs away from home, or repeatedly disregards the reasonable and lawful commands of the person responsible for his welfare, or violates the laws on compulsory school attendance, and by this behavior places himself or others in unsafe circumstances, and in imminent risk of harm; and,

(b) Is capable of benefit from a diversion program or the services available under this chapter.

III. "Conditional release" means a legal status created by a court order following an adjudication that a child is in need of services and shall be permitted to remain in the community, including his home, subject to:

(a) The conditions and limitations of his conduct prescribed by the court.

(b) Such services as are prescribed by the court, after review of the report of the interagency evaluation team.

(c) The supervision of juvenile services officers as authorized by RSA 170-G:16.

(d) Return to the court for violation of the conditions of the release and change of the disposition at any time during the term of the conditional release.

IV. "Court" means the district court, unless otherwise indicated.

V. "Diversion" means community-based programs which provide alternatives to traditional court processing for juveniles, as well as diversion programs created or funded in accordance with RSA 170-G:4, XVI.

VI. "Financial statement" means a form submitted to a court or juvenile services officer which includes all items of income and expense, assets and liabilities, of a person chargeable by law for the support of a child in need of services. The form shall also require disclosure of all governmental benefits received or receivable, and all policies of insurance which provide coverage for the child or the person chargeable for support of the child.

VII. "Home detention" means court-ordered confinement of a child with his parents or other specified home for 24 hours a day unless otherwise prescribed by written court order, under which the child is permitted out of the residence only at such hours and in the company of such persons as specified in the court order establishing the home detention.

VIII. "Imminent risk of harm" means circumstances or surroundings are present in the child's home which constitute immediate risk of harm to the child's life, health, safety, or welfare which may lead to involuntary placement away from the home.

IX. "Interagency assistance team" means a local or regionally based group, created and administered in accordance with rules adopted by the commissioner of the department of health and human services in accordance with RSA 169-D:5 charged with the performance of the duties enumerated in RSA 169-D:8.

X. "Legal supervision" means a legal status created by court order wherein the child is subject to supervision by a juvenile services officer in the place where he resides, but legal custody remains in the person responsible for the welfare of the child.

XI. "Person responsible for the welfare of a child" means the parent, guardian, or relative of a child, and does not include persons giving care in out-of-the-home situations, such as day care providers, educators, and the like.

XII. "Person chargeable for the support of a child" means such person liable for support of a child in need of services in accordance with RSA 546-A.

XIII. "Voluntary family service plan" means a written plan, negotiated by a juvenile services officer, and agreed to in writing by a child in need of services and the persons responsible for his welfare, of actions to be taken by the child and family, and the services to be authorized by the division for children and youth services instead of filing a petition seeking intervention of the court.

169-D:3 Referral For Services.

I. The division for children and youth services shall accept a referral from any person who provides specific facts to suggest that a child named in the referral is in need of services.

II. The referral may be oral, and if requested by the division shall be followed within 48 hours by a written report. The report shall contain the name and address of the child suspected to be a child in need of services, the person responsible for the welfare of the child, and the specific facts suggesting that the child is in need of services.

III. Anyone participating in good faith in the making of a referral pursuant to this chapter is immune from any liability, civil or criminal, that might otherwise be incurred or imposed. Any such participant has the same immunity with respect to participation in any assessment or judicial proceeding which may be undertaken by the division resulting from the report.

169-D:4 Duties of the Division for Children and Youth Services.

I. For each referral it receives, the division shall record the report in writing, and make an initial determination to refer the report to a different agency, determine if the child is a child in need of services, or conclude the report without further action. Rules shall be promulgated under RSA 169-D:5 to provide for timely and fair appeal of the decision of the division to conclude the report without further action.

II. The division shall immediately refer all cases in which there is reason to believe that any person referred to in the report has been engaged in criminal conduct to the appropriate law enforcement agency.

III. The division may refer the family to any state agency or community-based resource or diversion program for aid in the resolution of the problem presented in the referral.

IV. All reports retained for further assessment which allege that a child is in need of services shall be referred to a juvenile services officer.

169-D:5 Rulemaking. The commissioner of health and human services shall adopt rules, pursuant to RSA 541-A, necessary to carry out the provisions of this chapter.

169-D:6 Temporary Custody.

I. A police officer or juvenile services officer may take a child into temporary custody when there are reasonable grounds to believe that the child has run away from the person responsible for his welfare, and there is imminent risk of involuntary placement of the child away from his home. No child so detained shall be securely held in a facility used for the detention or correction of adult offenders or juvenile delinquents.

II. The officer who has taken a child into temporary custody shall release the child to a person responsible for the child's welfare if such person can be found.

appears before the officer, and the officer is reasonably assured of the safety of the child after such release.

III. The officer may, with the consent of the child and the person responsible for the child's welfare, refer the child to a diversion program. The police officer or juvenile services officer shall make a written report to his department identifying the child, specifying the grounds for taking the child into custody, and indicating the basis for the disposition.

IV. If a person responsible for the welfare of the child cannot be found, refuses to appear, or fails to provide reasonable assurance to the officer of the safety of the child after such a release, the court shall be notified, and the terms of the child's release shall be determined by the court in accordance with RSA 169-D:14. In such cases, the officer shall make a report to the interagency assistance team and the court, indicating the grounds for taking the child into custody, and indicating the basis for the disposition.

#### 169-D:7 Voluntary Family Service Plan.

I. A child alleged to be in need of services, together with the person responsible for his welfare, may accept services through a voluntary family service plan under the supervision of the division for children and youth services. Such plan shall be in writing, and shall contain:

(a) A statement of facts, describing the problems, conduct, or condition supporting the involvement of the division or other agencies in the matter.

(b) A statement of the problems to be addressed by the plan, identifying the services to be utilized by the child and family to address the problems.

(c) A statement of the objectives sought to be achieved by the plan, with agreed timeframes for achieving each objective. Services are to terminate on a date specified in the plan, unless extended in writing by the division for children and youth services with the consent of the parties.

II. The plan document shall contain a notice of the following consequences of entering into a voluntary service plan:

(a) That failure to comply with the terms of the plan may, in the discretion of the division, lead to the closure of the matter, referral to an interagency assistance team, or the filing of a petition seeking court intervention.

(b) That the state of New Hampshire may recover the costs of services authorized and provided at the expense of the state from persons chargeable by law for the support of the child.

III. The plan shall be signed by the child, the persons responsible for his welfare, the division member supervising the plan, and by any service provider who is required to provide services under the plan. The person chargeable for the support of the child shall be notified of the plan.

IV. No member of the division for children and youth services shall authorize payment for services under a voluntary family services plan until there is on file a financial statement from the person chargeable by law for the support of the child, if known, and a plan to reimburse the cost of services provided at the expense of the state through the division for children and youth services. The commissioner of health and human services shall adopt rules, under RSA 169-D:5, to govern such reimbursements. Said rules shall include, but not be limited to, a time frame for completion of the financial statement, an appeal process and a 6 month review procedure.

#### 169-D:8 Interagency Assistance Team.

I. The duties of the interagency assistance team shall be to:

(a) Upon request, assist families and juvenile services officers in the development, revision, and refinement of voluntary family service plans for children alleged to be in need of services for whom court intervention is not required.

(b) Assist in the assessment of those alleged to be children in need of services who require the intervention of the court to successfully implement a plan of services.

(c) Advise juvenile services officers who determine to file a petition with the court alleging the child to be in need of services.

(d) Assist the juvenile services officer and the court in the development of a case services plan to be implemented by court order, and to consider revisions and refinements of the case services plan at the request of the child, family, juvenile services officer, or court after adjudication of the child and implementation of the original case services plan.

II. Each interagency assistance team shall be governed by policies and procedures defined by rules adopted by the commissioner of the department of health and human services as required by RSA 169-D:5. The rules shall contain a provision for timely and fair appeal of the decision of a juvenile services officer not to file a petition seeking court intervention.

169-D:9 Jurisdiction.

I. The court shall have exclusive original jurisdiction over all proceedings alleging that a child is in need of services.

II. The court may, with the consent of the child, retain jurisdiction over any child who, prior to his eighteenth birthday, was found to be a child in need of services, and who is attending a recognized school for the purpose of obtaining a high school diploma, or general equivalency diploma.

III. The court shall make orders relative to the support and maintenance of the child after the child reaches age 18 as justice may require, but shall close the case when the child ceases to be enrolled as a full-time high school student during regular sessions of the school, or graduates from such school, or at his twenty-first birthday, whichever shall first occur.

169-D:10 Venue.

I. Proceedings under this chapter may be originated in any judicial district in which the child is found.

II. Proceedings under this chapter may, upon notice and acceptance, be transferred to another court as the interests of justice or the convenience of the parties may require, by the court on its own motion or that of any party.

III. When a child who is on conditional release moves from one political subdivision to another, the court may transfer, upon notice and acceptance, to the court with jurisdiction over the political subdivision of the child's new residence, if the transfer is in the best interest of the child.

169-D:11 Petition.

I. A petition alleging a child is in need of services may be filed by:

(a) A police officer or juvenile services officer who is holding a child in temporary custody pursuant to RSA 169-D:6, and who is unable to release the child to a person responsible for the welfare of the child.

(b) A juvenile services officer, after consultation with an interagency assistance team, in accordance with RSA 169-D:8.

II. The petition shall be in writing, verified under oath, and shall describe with particularity the date, time, place and conduct of the child which supports the allegation that he is a child in need of services who requires the intervention of the court. If

a placement away from the child's home is requested, the petition shall describe what reasonable efforts were undertaken to prevent the removal of the child from his home or describe circumstances under which no reasonable efforts could be made to prevent such removal.

III. The petition shall be filed with a judge or clerk of the court in the judicial district where the child is found or resides, which filing shall constitute commencement of the action.

169-D:12 Process.

I. Summons. Upon the filing of the petition, the clerk shall forthwith affix the court seal upon a summons, and deliver or return the summons to the person making service, who shall be responsible for prompt service of the summons and a copy of the petition upon the child and upon each and every person responsible for the welfare of the child.

II. Summons; Form. The summons shall be in such form as the court shall by rule provide. The summons shall contain a notice of the child's right to counsel and the available procedures for obtaining counsel. The summons shall further state as follows: "Parents and other persons chargeable by law for the child's support may be liable for expenses incurred in this proceeding, including the cost of certain evaluations and placements. RSA 186-C regarding educationally disabled children grants children and their parents certain rights to services from school districts at public expense and to appeal school district decisions regarding services to be provided."

III. Manner of Service. Process shall be served by a sheriff, deputy sheriff, or local police officer by delivery to the individual in person, unless upon a minor, in which case personal service shall be made upon the parent, guardian, or person having actual care and control of the child.

IV. Manner of Alternative Service. If process cannot be served in the above manner, the petitioner shall advise the court by affidavit of the facts preventing such service, and the court shall enter a specific order in writing allowing alternative service by such means as the court finds most likely to provide actual notice of the process to the individual sought to be served.

V. Return of Service. The person making service shall note the date, time, and specific manner of service upon the process, and return it to the petitioner, who shall file the return of service with the court. Filing of such return by the petitioner shall constitute a representation that the person served received a true copy of the process in the manner noted on such return. Failure to make a return of service upon each and every person responsible for the welfare of a child shall not prevent the court from proceeding to hearing, but a person not served shall not be bound in the absence of actual notice of the proceeding.

VI. Additional pleadings. Copies of all pleadings and other materials authorized by rule or statute to be filed with the court and copies of all communications with the court shall be served upon all counsel of record or parties appearing pro se by mailing or delivery in hand, unless otherwise ordered by the court. All such materials shall contain a statement of compliance herewith.

169-D:13 Failure to Appear; Warrant. Any person summoned at any stage of the proceedings who, without reasonable cause, fails to appear with the child may be proceeded against as in case of contempt of court; or in the alternative, a warrant may issue for the appearance of the child or of the person so summoned.

169-D:14 Release Prior to Initial Appearance.

I. If a child taken into temporary custody pursuant to RSA 169-D:6 cannot be released to a person responsible for his welfare within 4 hours of being taken into custody, the court shall be notified, a petition shall be filed, and placement until the initial appearance shall be determined by the court.

II. If placement is likely to be made other than with a person responsible for the welfare of the child, the division shall be notified and, pursuant to RSA 169-F, shall be granted an opportunity to be heard prior to the entry of an order for placement.

III. The court shall release the child to one of the following, which in the court's opinion is the least restrictive and most appropriate:

(a) A person responsible for the welfare of the child.

(b) The division for children and youth services for placement with a suitable adult willing to pursue licensure for foster care, in a foster home, group home, crisis home, or shelter care facility licensed pursuant to RSA 170-E, and certified by the division to accept children in need of services, or an alcohol crisis center certified to accept juveniles, with expenses charged according to RSA 169-D:23 and RSA 169-D:24.

(c) An adult, who at the time of the hearing is an acquaintance of the child, is found to be suitable by the court, and who agrees to accept placement of the child for a period of up to 30 days under such conditions as may be prescribed by the court, which shall include a home visit by a representative of DCYS, the results of which shall be reported to the court.

IV. No child alleged to be or adjudicated a child in need of services shall be securely held in a facility used for the detention or correction of adult offenders or juvenile delinquents at any stage of the proceedings.

#### 169-D:15 Initial Appearance.

I. An initial appearance shall be held not less than 24 hours nor more than 7 days from the time of filing of a petition. The general public shall be excluded from all hearings under this chapter. Only such persons as the parties, their witnesses, counsel, and representatives of the agencies present to perform their official duties shall be admitted.

II. At the initial appearance, the court shall:

(a) Advise the child orally and in writing of the contents of the petition.

(b) Appoint counsel for the child pursuant to RSA 169-D:16.

(c) Pending the adjudicatory hearing, release the child as provided in RSA 169-D:14, III, provided that the court may in writing set such conditions of release as it deems necessary to protect the safety of the child, the safety of others in the family, or public safety.

(d) Set a hearing date for the adjudicatory hearing, to be held within 21 days of the initial appearance.

(e) Join the legally liable local education agency for the purposes set forth in RSA 169-D:17.

(f) In its discretion, refer the matter to the interagency assistance team for review in accordance with RSA 169-D:8.

(g) Advise parents and other persons chargeable by law for the child's support orally and in writing that they may be liable for expenses incurred in the proceeding, including the cost of certain evaluations and placements, and that RSA 186-C regarding educationally disabled children grants children and their parents certain rights to services from school districts at public expense and to appeal school district decisions regarding services to be provided.

However, no plea of true shall be taken until the child has had an opportunity to consult with counsel, or until a waiver is filed pursuant to RSA 169-D:16.

III. After hearing, the court may, with the consent of the child and the person responsible for the welfare of the child, dispose of the petition by accepting the request of the child to participate in a diversion program, which may include a voluntary service plan.

169-D:16 Appointment of Counsel; Waiver of Counsel.

I. At the time of the initial appearance, the court shall assure that the right of the child to counsel is protected in the following manner:

(a) By appointing an attorney to serve as counsel for the child.

(b) If the court is of the opinion that the best interests of the child require separate protection, by appointing a guardian ad litem to represent the best interests of the child.

II. The expenses of counsel appointed under paragraph I shall be paid through the indigent defense fund.

III. No person responsible for the welfare of a child or other person appearing before the court with respect to the proceeding shall be entitled to have counsel appointed by the court at the expense of the state to represent their interests.

IV. The child may waive the right to have counsel appointed only with the consent of the person responsible for the welfare of the child, and upon a finding by that court that such waiver is made voluntarily, competently, and with full understanding of the consequences.

169-D:17 Educationally Disabled Child.

I. At any point during the proceedings, on its own motion or the motion of any party, the court shall join the legally liable local education authority as a party to the proceeding under this chapter if:

(a) The child is presently determined to be educationally disabled in accordance with RSA 186-C.

(b) Any party requests the court to seek a determination from the legally liable local education authority that the child is educationally disabled in accordance with RSA 186-C.

(c) The child is found to be educationally disabled on appeal from the local education authority's decision in accordance with the due process procedures of RSA 186-C.

II. Once joined as a party, the legally liable local education authority shall have full access to all records maintained by the district court under this chapter, and shall be offered the opportunity to participate in the interagency assistance team developing a voluntary family service plan or case service plan for the child.

III. The local education authority shall offer to the interagency assistance team and to the district court a recommendation as to how the educational needs of the child can best be met. Such recommendation shall be submitted at any stage of the proceeding which contemplates a change in the placement of the child which has the potential to interfere with the provision of a free and appropriate public education to the child in accordance with an approved and implemented individual education plan for the educationally disabled child.

IV. In any order where the court declines to accept the recommendation of the local education authority, the court shall make written findings of fact to explain why the recommendation was not followed.

169-D:18 Adjudicatory Hearing.

I. An adjudicatory hearing shall be conducted by the court, separate from the trial of criminal cases. The petitioner has the burden to prove the allegations in support of the petition by a preponderance of the evidence. The court shall not be bound by the technical rules of evidence, and may admit evidence which it considers relevant and material.

II. Upon its own motion, or the motion of any party, the court may enter an order to control the disclosure of witnesses, admission of facts and documents, and the sharing of any other relevant or material information between the parties in advance of the adjudicatory hearing. Upon the request of any party, the court may issue such protective orders as it deems just to control the use of such shared information, but such orders shall not prevent access to information as allowed in RSA 169-D:22.

III. The petitioner shall present witnesses to testify in support of the petition, and any other evidence necessary to support the petition. The child shall have the right to present evidence and witnesses on his behalf and to cross-examine adverse witnesses.

IV. If the court finds that the petitioner has not sustained its burden of proof, it shall dismiss the petition, and unless stayed or modified by the court pending an appeal, any order of placement shall expire, and the child shall be returned to the person responsible for his welfare forthwith.

V. If the court sustains the petition, the court shall order the division for children and youth services to prepare an investigation report and case service plan. The division may seek the assistance of the interagency assistance team in the preparation of the plan. The court may order the child and any person responsible for his welfare to submit to a physical examination or mental health evaluation as required by the division. The child and any person responsible for his welfare shall be advised of their right to object to any order for physical or mental health evaluation. Objections shall be submitted in writing to the court within 5 days after notification of the time and place of the examination or evaluation. The court may excuse any person so filing an objection for good cause shown, or may deny the objection, and proceed to enforce its order for the examination or evaluation as in cases of contempt of court.

VI. If the court sustains the petition, it shall make an order for the release of the child in accordance with RSA 169-D:14, pending the final dispositional hearing.

VII. The court shall set a date for the final dispositional hearing, to be commenced within 30 days of the conclusion of the adjudicatory hearing. All reports to be considered at the final dispositional hearing shall be filed with the court 5 business days in advance of the hearing, and shall be shared with all parties. The court may excuse this requirement for good cause shown, or may recess the final dispositional hearing to allow any party a further opportunity to review the report or obtain information in opposition to the conclusions reached in the report.

#### 169-D:19 Final Dispositional Hearing.

I. If the court sustains the petition, and finds the child is in need of services, it shall order the least restrictive and most appropriate disposition considering the facts in the case. In making this disposition, the court shall also consider and make written finding of the following:

(a) The basis for the finding that the child is in need of services.

(b) If placed away from his home, that the division for children and youth services undertook reasonable efforts to prevent such placement, and the case service plan constitutes a reasonable effort to reunify the child with his family.

(c) The dispositional placement does not deny the child the free exercise of his religion, or that of his parents, whether living or dead, nor the liberty of worshipping God in accordance with such religion.

II. Such disposition may include:

(a) Permitting the child to remain with a person responsible for his welfare or suitable adult willing to pursue licensure for foster care, subject to such limitations and conditions as the court may prescribe, including:

(1) Home detention, as defined in the court order.

(2) Placing the child on conditional release for a period of up to 2 years, but not to extend beyond the period of extended jurisdiction defined in RSA 169-D:9.

(3) Acceptance of the terms of an individual education plan proposed for an educationally disabled child.

(4) Ordering the child or the person responsible for his welfare to accept mental health services or medical treatment.

(b) Releasing the child in the legal supervision of the division for children and youth services for placement as follows. Any placement in this state shall be with a facility licensed pursuant to RSA 170-E and certified by the division to provide services to children in need of services. If a child is placed out of state, the provisions of RSA 170-A, and rules governing the certification of providers shall be followed. The court may further order the child or the person responsible for his welfare to accept mental health services or medical treatment. Placement may be made with:

(1) A foster home.

(2) A group home, crisis home, or shelter care facility.

III. Every final dispositional order shall contain an order for reimbursement of the expenses incurred for services to a child in need of services in accordance with the requirements and procedure set forth in RSA 169-D:23 and 169-D:24. Every person chargeable for support of the child shall be afforded notice of a hearing, and an opportunity to be heard at the final dispositional hearing upon the issue of reimbursement. The division shall make a recommendation for the amount of reimbursement, calculated in accordance with rules adopted pursuant to RSA 169-D:5. If the court deviates from such recommendation, it shall enter written findings of the basis for such deviation.

IV. Any child or person responsible for the welfare of a child adjudicated pursuant to this chapter who shall fail or refuse to comply with the final dispositional order may be proceeded against for civil contempt of court.

V. Upon its own motion or the motion of any party seeking sanctions for contempt, the court shall schedule a hearing, provide notice of the conduct alleged to constitute contempt, and shall make a finding of contempt only after all parties are afforded an opportunity to be heard, and show cause why such person should not be found to be in contempt of court.

VI. An adult responsible for the welfare of a child may in addition be found in criminal contempt of court for refusal to participate in the dispositional plan ordered by the court. The adult shall be afforded notice of the essential facts constituting the criminal contempt charged, a hearing, counsel, and shall be adjudged guilty of criminal contempt only upon proof beyond a reasonable doubt.

VII. A child found in contempt of court may be removed from an existing placement, and placed in a more restrictive setting until such time as the contempt is purged by the performance of such acts as may be ordered by the court.

169-D:20 Review of Final Dispositional Orders.

I. At any time following the entry of the final dispositional order, upon the motion of any party, or upon its own motion, the court may schedule a hearing to review or modify a final dispositional order.

II. Notwithstanding the provisions of paragraph I, the court shall schedule and hold a review hearing at least once within each 6-month period following the entry of the final dispositional order.

169-D:21 Appeals. An appeal under this chapter may be taken to the superior court by the child or the person responsible for his welfare within 30 days after the final dispositional order, but an appeal shall not suspend the order or decision of the court unless the court so orders. The superior court shall hear the matter de novo, and shall give an appeal under this chapter priority on the court calendar.

169-D:22 Confidentiality of Court Records.

I. All records pertaining to cases of children in need of services shall be kept in books and files separate from all other court records. Such records shall be withheld from public inspection, but shall be open to juvenile services officers, the child, persons responsible for the welfare of the child, attorneys for the parties, a local education agency joined as a party, and the guardian ad litem. Additional access shall be granted by the court upon good cause shown. Once a child in need of services reaches the age of 18, and his case has closed, all such records, except for statistical data which shall not serve to identify the child shall be destroyed.

II. No participant in any hearing relating to a child alleged to be in need of services shall disclose any data with respect to such child or hearing to any person without the prior express order of the court, upon penalty of being in civil or criminal contempt of court.

III. No owner, employee, or agent or representative of a print, electronic, or other form of media shall print or otherwise broadcast or publish any information with respect to a child alleged to be in need of services without prior permission of the court. Any such person or partnership, trust or corporation which violates this section shall be proceeded against for civil contempt of court.

169-D:23 Liability for Expenses.

I. Any expense incurred in the provision of services to a family or child under a voluntary family service plan, or under a court ordered case service plan, including expenses for board and care of the child placed outside of the home of the person responsible for the welfare of the child, and services required to meet the medical treatment or mental health needs of such child, shall be paid in the first instance by the division for children and youth services, except for:

(a) Expenses for services which, when authorized, were capable of being paid for by an insurance policy which insured the child in need of services or person responsible for the welfare of the child in need of services.

(b) Expenses for services provided to an educationally disabled child, unless as expressly required by RSA 186-C.

II. Notwithstanding paragraph I the county in which the child resided or was found at the time the case commenced, whether by voluntary family service plan or by court intervention, shall reimburse the division for children and youth services for 25 percent of the expenses authorized for such child, and paid by the division.

III. Notwithstanding any change of residence by a child or family while under a voluntary family service plan, or subsequent acts by a child in need of services which brings him to the attention of a court, the county made initially liable under paragraph

III shall remain the county of liability until the child reaches the age of 18, or jurisdiction of the court shall cease, whichever shall last occur.

IV. The state of New Hampshire acting on its own behalf, and for the county of liability shall, within the context of a proceeding under this chapter, be entitled to recover funds expended to serve a child in need of services from the persons chargeable by law for the child's support and necessities. Such sums shall be deemed to be child support.

169-D:24 Collection of Reimbursements Due to State.

I. No further action or process shall be required to permit the state of New Hampshire to collect the expenses paid for services for any person under this chapter from a person chargeable by law for such expenses who is before the court.

II. If a child or family is receiving services pursuant to a voluntary family service plan, and has agreed to a plan for reimbursement of the state of New Hampshire for expenses associated with the plan, such plan shall be enforceable in the judicial district where the child resided or was found at the time the plan commenced.

III. The office of reimbursements is authorized to compromise or reduce any expense to be charged to the state as a result of services at New Hampshire hospital.

IV. There is created a rebuttable presumption in any final dispositional order that the person chargeable by law for support of the child shall satisfy the obligation to repay and reimburse the state as an award of child support that the amount of the award which would result from the application of the guidelines provided under RSA 458-C is the correct amount of support to be paid for the child. A written finding by the court on the record that the application of the guidelines would be unjust or inappropriate in a particular case, as defined by using the criteria contained in RSA 458-C:5 shall be sufficient to rebut the presumption in each case.

V. The jurisdiction of the court to order reimbursements shall continue until the obligation to reimburse has been fulfilled.

169-D:25 Severability. If any provision of this chapter or the application thereof to any person or circumstances is held to be invalid, the remainder of the chapter and the application of such provisions to other persons or circumstances shall not be affected thereby.

2 Definition Modified. Amend RSA 169-B:2, IV to read as follows:

IV. "Delinquent" means a person who has committed an offense before reaching the age of 18 years which would be a felony, [or] misdemeanor *or violation* under the criminal code of this state, *or any other statute creating a violation offense* if committed by an adult, and is expressly found to be in need of counselling, supervision, treatment, or rehabilitation as a consequence thereof.

3 Reference Changed. Amend RSA 170-G:4, XVII to read as follows:

XVII. After consultation with the advisory board created by RSA 170-G:6, establish rates for all services, placements and programs which are paid for by the division pursuant to RSA 169-B:40, 169-C:27, [169-D:29] *169-D:23, 169-D:24*, and any services required to be provided by the division pursuant to paragraph II of this section. When educational aspects are present in any service, placement or program subject to rate-setting by the division, rates for the educational component shall be addressed jointly by the division and the department of education.

4 Reference Changed. Amend RSA 170-G:4, XVIII to read as follows:

XVIII. Certify all providers of services, placements and programs which are paid for by the division pursuant to RSA 169-B:40, 169-C:27, [169-D:29] *169-D:23, 169-D:24*, and any services required to be provided by the division pursuant to paragraph

II of this section. Each certification issued for this purpose shall have 2 components: one based upon standards of quality and performance, and one based upon the need the state may have for such service, placement or program. When educational aspects are present in any service, placement or program subject to certification by the division, certification for the educational component shall be addressed jointly by the division and the department of education. The commissioner of the department of health and human services shall develop by rule an appeal process for providers of services, placements, and programs who have sought and been refused certification under this paragraph.

5 Reference Changed. Amend RSA 170-G:5-a to read as follows:

170-G:5-a County Reimbursement. County payments due under RSA 169-B:40, 169-C:27 [and 169-D:29], **169-D:23 and 169-D:24** shall be paid to the division for children and youth services on a monthly basis within 30 days' notice of the amount due to the state. Delinquent payments due under these chapters, with interest at the rate of 12 percent per annum, may be recovered by action in a court of competent jurisdiction against the political subdivision liable therefor or may, at the request of the state agency, be deducted from any other moneys payable to such subdivision by any department or agency of the state.

6 Reference Changed. Amend RSA 172-B:3, V to read as follows:

V. Notwithstanding any other provisions of law, whenever a person under 18 years of age who is judged by a peace officer to be intoxicated or incapacitated and who has not been charged with a crime is taken into protective custody, if no needed treatment is available, his parent or guardian shall be immediately notified and such person may be held at a police station or a local jail or a county correctional facility in a room or ward separate from any adult or any person charged with juvenile delinquency until the arrival of his parent or guardian. If such person has no parent or guardian in the area, arrangements shall be made to house him according to the provisions of RSA [169-D:17] **169-D:20**.

7 Reference Changed. Amend RSA 186-C:19-b, II(b) to read as follows:

(b) The division for children and youth services shall be liable for all court-ordered costs pursuant to RSA 169-B:40, 169-C:27, [and 169-D:29] **169-D:23 and 169-D:24** other than for special education or special education and educationally related services.

8 Contingency. Within 30 days after the passage of this act, the director of the division for children and youth services shall hold a public hearing for the purpose of receiving input from the general public as to the implementation of this act. The director shall on or before September 1, 1991, create and submit to the general court an implementation plan. At a minimum, this plan shall define a process of transition from the existing law to the new law, define a budget for the provision of the services, which will also specify the staffing pattern to be used to implement the act, and the training that such staff shall receive. All rules required to implement the act shall be disclosed in the plan, and shall be submitted for adoption pursuant to RSA 541-A. A select committee of the general court, consisting of 3 members of the house children, youth and juvenile justice committee, appointed by the chair of such committee, one member of the appropriations committee from division III, appointed by the chair of such committee, 2 senators from the senate judiciary committee and one senator from the senate finance committee, appointed by the president of the senate. The select committee shall review and accept or reject the plan on or before January 1, 1992. The 3 member of the select committee from the house children, youth and juvenile

justice committee shall seek the advice of the full committee on children, youth and juvenile justice. The director shall not implement the plan and sections 1-7 of this act shall not take effect until the plan has received the approval of the select committee and in any case shall not implement the plan before January 1, 1992.

9 Effective Date.

I. Section 8 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect as provided in section 8 of this act.

#### AMENDED ANALYSIS

This bill modifies the laws regarding children in need of services.

Rep. Annette Cooke moved that the words Re-refer to Committee be substituted for the report of the Committee, Ought to Pass with Amendment.

Rep. William McCain spoke against.

Rep. Asplund spoke in favor.

Rep. Connell spoke against.

Rep. Julie Brown spoke in favor.

Rep. Trombly spoke against and yielded to questions.

Reps. Irene Pratt and Bell spoke in favor.

Rep. Robinson spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

 Schotanus, Merle W.

Flint, Gordon B.  
 Peyron, Fredrik  
 Stamatakis, Carol M.

The Committee offered a floor amendment.

**Floor Amendment**

Amend RSA 169-D:10, I as inserted by section 1 of the bill by replacing it with the following:

I. Proceedings under this chapter may be originated in any judicial district in which the child is found or resides.

Amend RSA 169-D:16 as inserted by section 1 of the bill by deleting paragraph II and renumbering the original paragraphs III-IV to read as II and III, respectively.

Amend RSA 169-D:24 as inserted by section 1 of the bill by deleting paragraph IV and renumbering the original paragraph V to read as IV.

Floor amendment adopted.

Report adopted.

Ordered to third reading.

Rep. Pelley notified the Clerk that she inadvertently did not vote and meant to vote yea.

Rep. Jacobson notified the Clerk that he inadvertently voted yea and meant to vote nay.

**HB 298-FN**, lowering the level from .10 to .08 for legal intoxication under the DWI laws. **OUGHT TO PASS WITH AMENDMENT.**

The bill lowers the legal blood alcohol content for DWI from .10 to .08. Testimony indicated that a person's driving skills are greatly impaired at .08 causing a person having more than .08 BAC to become a danger to others on the highways. The bill, as amended, adds a definition of BAC and specifies three digits in reporting BAC concentration. It also requires a statement of probable error in the test. Vote 14-3. Rep. C. William Johnson for Judiciary.

### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

lowering the level from .10 to .080 for legal intoxication under the DWI laws.

Amend the bill by replacing all after the enacting clause with the following:

1 Intoxication. Amend RSA 214:20, II to read as follows:

II. Upon complaint, information, indictment or trial of any person charged with a violation of this section, the court may admit evidence of the defendant's alcohol concentration, as defined in RSA 259:3-b, [as shown by a chemical analysis of his breath, urine, or blood] *measured to the thousandths place in grams per 100 milliliters. A statement which indicates the probable error of measurement shall be attached to such evidence.* Evidence that there was, at the time alleged, an alcohol concentration of [0.05] *0.050* or less is prima facie evidence that the defendant was not under the influence of intoxicating liquor. Evidence that the defendant had, at the time alleged, an alcohol concentration of from [0.05] *0.050* to [0.10] *0.080* is relevant evidence but it is not to be given prima facie effect in indicating whether or not the defendant was under the influence of intoxicating liquor, but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. Evidence that there was, at the time alleged, an alcohol concentration of [0.10] *0.080* or more is prima facie evidence that the defendant was under the influence of intoxicating liquor. The foregoing provisions of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question whether or not the defendant was under the influence of intoxicating liquor.

2 Evidence; OHRVs. Amend RSA 215-A:11-c to read as follows:

215-A:11-c Evidence. Upon complaint, information, indictment or trial of any person charged with a violation of the provisions of RSA 215-A relative to the operation of off highway recreational vehicles by a person under the influence of intoxicating liquor or a controlled drug, the court may admit evidence of the defendant's alcohol concentration at the time alleged, as [shown by a chemical, infrared molecular absorption or gas chromatograph test or tests of his breath, urine, or blood] *defined in RSA 259:3-b, measured to the thousandths place in grams per 100 milliliters. A statement which indicates the probable error of measurement shall be attached to such evidence.* Evidence that there was, at the time alleged, an alcohol concentration of [0.10] *0.080* or more is prima facie evidence that the defendant was under the influence of intoxicating liquor. Evidence that there was, at the time alleged, an alcohol concentration of more than [0.05] *0.050* and less than [0.10] *0.080* is relevant evidence and may be considered with other competent evidence in determining whether or not the defendant was under the influence of intoxicating liquor. Evidence

that the defendant had, at the time alleged, an alcohol concentration of [0.05] **0.050** or less is prima facie evidence that the defendant was not under the influence of intoxicating liquor.

3 Definition of Alcohol Concentration Expanded. Amend RSA 259:3-b to read as follows:

259:3-b Alcohol Concentration. "Alcohol concentration" shall mean [either] grams of alcohol per 100 milliliters of blood[, grams of alcohol per 67 milliliters of urine, or grams of alcohol per 210 liters of breath]. *Measurements may be made in blood, urine, or breath by chemical, infrared molecular absorption, gas chromatography or other suitable means, but all measurement results shall be converted to give the equivalent grams of alcohol per 100 milliliters of blood, or g/(100 mL), under standard conditions. Measurements expressed in percent shall be deemed to mean g/(100 mL).*

4 Driving Under the Influence. Amend RSA 265:82, I(b) to read as follows:

(b) While he has an alcohol concentration of [0.10] **0.080** or more.

5 Aggravated Driving Under Influence. Amend the introductory paragraph of RSA 265:82-a, II to read as follows:

II. While he has an alcohol concentration of [0.10] **0.080** or more and, at the time alleged:

6 Annulment; Plea Bargaining. Amend RSA 265:82-c to read as follows:

265:82-c Annulment; Plea Bargaining.

I. Notwithstanding the provisions of RSA 651:5, no court shall order an annulment of any record of conviction of driving or attempting to drive a vehicle upon any way while under the influence of intoxicating liquor or any controlled drug or while having an alcohol concentration of [0.10] **0.080** or more or of aggravated drunken driving until 7 years after the date of conviction.

II. Notwithstanding any other provision of law to the contrary, in any case in which a person is arrested for and charged with the offense of driving or attempting to drive a vehicle on any way while under the influence of intoxicating liquor or drugs or while having an alcohol concentration of [0.10] **0.080** or more and that charge is reduced from a second or subsequent offense to a first offense or in which the original charge is reduced to or in any manner substituted with another charge or a nolle prosequi entered in exchange for an agreement to plead guilty or nolo contendere to another charge, the prosecutor shall submit to the attorney general a written report describing such agreement. All such written reports shall be submitted to the attorney general on a monthly basis. The report shall contain such information as the attorney general shall prescribe; provided, however, that he shall not be subject to the provisions of RSA 541-A in prescribing such information. The report required by this paragraph shall be a public record and shall be available for public inspection as provided in RSA 91-A:4.

III. Notwithstanding any other provision of law to the contrary, if a person is arrested for driving or attempting to drive a motor vehicle upon any way while under the influence of intoxicating liquor or drugs or while having an alcohol concentration of [0.10] **0.080** or more, no prosecutor shall enter into any agreement with such person or such person's attorney if such agreement would result in a charge that removed the case from consideration under any provision of RSA 259-RSA 266. The provisions of this paragraph, however, shall not prevent the bringing of any charge under RSA 630:2 or RSA 630:3.

7 Implied Consent. Amend RSA 265:84 to read as follows:

265:84 Implied Consent of Driver of Motor Vehicle to Submit to Testing to Determine Alcohol Concentration. Any person who drives a vehicle upon the ways of this state shall be deemed to have given consent to [a chemical, infrared molecular absorption or gas chromatograph test or tests of any or all of any combination of the following: blood, urine, or breath,] *an alcohol concentration test, as defined in RSA 259:3-b*, for the purpose of determining the controlled drug content of his blood or his alcohol concentration if arrested for any offense arising out of acts alleged to have been committed while the person was driving or in actual physical control of a vehicle while under the influence of intoxicating liquor or controlled drugs or while having an alcohol concentration of [0.10] *0.080* or more. The test or tests shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a vehicle upon the ways of this state while under the influence of intoxicating liquor or controlled drugs or while having an alcohol concentration of [0.10] *0.080* or more. A copy of the report of any such test shall be furnished by the law enforcement agency to the person tested within 48 hours of receipt of the report by the agency by certified mail directed to the address shown on such person's license or other identification furnished by the person. Results of a test of the breath shall be furnished immediately in writing to the person tested by the law enforcement officer conducting the test.

8 Evidence: Serious Traffic Offenses. Amend RSA 265:89 to read as follows:

265:89 Evidence. Upon complaint, information, indictment or trial of any person charged with the violation of RSA 265:82 or 265:82-a, the court may admit evidence of the defendant's alcohol concentration, as [shown by a test of his breath, blood, or urine] *defined in RSA 259:3-b, measured to the thousandths place in grams per 100 milliliters*, as provided in RSA 265:84. *A statement which indicates the probable error of measurement shall be attached to such evidence.* Evidence that there was, at the time alleged, an alcohol concentration of [0.05] *0.050* or less is prima facie evidence that the defendant was not under the influence of intoxicating liquor. Evidence that there was, at the time alleged, an alcohol concentration of more than 0.05 and less than [0.10] *0.080* is relevant evidence but is not to be given prima facie effect in indicating whether or not the defendant was under the influence of intoxicating liquor; but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. Evidence that there was, at the time alleged, an alcohol concentration of [0.10] *0.080* or more is prima facie evidence that the defendant was under the influence of intoxicating liquor. In addition, evidence that there was, at the time alleged, an alcohol concentration of [0.10] *0.080* or more shall, in conjunction with the evidence otherwise required by RSA 265:82, I(b) of driving or attempting to drive a vehicle upon a way, constitute a separate offense under RSA 265:82, I(b); and evidence that there was, at the time alleged, an alcohol concentration of [0.10] *0.080* or more shall, in conjunction with the evidence otherwise required by RSA 265:82-a, II of driving or attempting to drive a vehicle upon a way and of one or more of the circumstances specified in RSA 265:82-a, II (a), (b) and (c), constitute a separate offense under RSA 265:82-a, II; and evidence that there was, at the time alleged, an alcohol concentration of [0.20] *0.200* or more shall, in conjunction with the evidence otherwise required by RSA 265:82-a, III of driving or attempting to drive a vehicle upon a way, constitute a separate offense under RSA 265:82-a, III.

9 Refusal of Consent. Amend RSA 265:92, II(a) to read as follows:

(a) That he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a vehicle upon the ways of this state as defined in RSA 259:125, II, while under the influence of intoxicating liquor or controlled drugs or while the arrested person had an alcohol concentration of [0.10] *0.080* or more;

10 Preliminary Breath Test. Amend RSA 265:92-a. I to read as follows:

I. Any police officer, who has been certified by the police standards and training council according to standards for such certification contained in rules adopted by said council pursuant to RSA 541-A, having reasonable grounds to believe that a person has been driving or operating a vehicle on a way while under the influence of intoxicating liquor or controlled drug or while the person's alcohol concentration was [0.10] *0.080* or more may, without making an arrest, request that such person submit to a preliminary breath test for alcohol concentration to be administered by the officer. The results of this test shall not be admissible in evidence by the prosecution, and failure to submit to the test shall not constitute a violation of this chapter. Nothing contained in this section shall be construed to prevent or require a subsequent test pursuant to RSA 265:84. The police officer requesting the test shall advise orally and in writing the person to be tested that his failure to take the test or his taking of the test shall not be construed to prevent or require a subsequent test pursuant to RSA 265:84. The results of the test shall be furnished immediately in writing to the person tested by the police officer administering the test.

11 Evidence; Boating Implied Consent. Amend RSA 270:51 to read as follows:

270:51 Evidence. Upon complaint, information, indictment or trial of any person charged with a violation of the provisions of RSA 631:5 relative to the operation of boats by a person under the influence of intoxicating liquor or a controlled drug, the court may admit evidence of the defendant's alcohol concentration at the time alleged, as [shown by a chemical, infrared molecular absorption or gas chromatograph test or tests of his breath, urine, or blood] *defined in RSA 259:3-b, measured to the thousandths place in grams per 100 milliliters. A statement which indicates the probable error of measurement shall be attached to such evidence.* Evidence that there was, at the time alleged, an alcohol concentration of [0.10] *0.080* or more, is prima facie evidence that the defendant was under the influence of intoxicating liquor. Evidence that the defendant had at the time alleged, an alcohol concentration of more than [0.05] *0.050* and less than [0.10] *0.080* is relevant evidence and may be considered with other competent evidence in determining whether or not the defendant was under the influence of intoxicating liquor. Evidence that the defendant had, at the time alleged, an alcohol concentration of [0.05] *0.050* or less is prima facie evidence that the defendant was not under the influence of intoxicating liquor.

12 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill lowers the alcohol concentration legal intoxication level from .10 to .080 in laws relating to DWI for motor vehicles, boats and OHRVs and in the law relating to hunting while intoxicated.

Rep. C. William Johnson spoke against the amendment and yielded to questions. Amendment lost.

Rep. Nielsen spoke in favor of the bill and yielded to questions.

Rep. Jacobson spoke to the bill and yielded to questions.

Adopted.

Ordered to third reading.

**HB 350-FN**, relative to negligent homicide. OUGHT TO PASS WITH AMENDMENT.

The Committee agreed with the sponsors that it is a tragedy when a woman suffers the loss of a pregnancy due to someone's negligence or deliberate actions. The Committee has made it a Class A felony for purposely or knowingly causing the loss and a Class B felony for recklessly or negligently causing the loss. These penalties are the same as the sponsors requested in the original bill. Vote 14-0. Rep. Donnalee M. Lozeau for Judiciary.

### Amendment

Amend the title of the bill by replacing it with the following:

AN ACT  
relative to assault.

Amend the bill by replacing all after the enacting clause with the following:

1 First Degree Assault. Amend RSA 631:1 to read as follows:

631:1 First Degree Assault.

*I. A person is guilty of a class A felony if he:*

*[I.](a) Purposely causes serious bodily injury to another; or*

*[II.](b) Purposely or knowingly causes bodily injury to another by means of a deadly weapon, except that if the deadly weapon is a firearm, he shall be sentenced in accordance with RSA 651:2, II-g[.]; or*

*(c) Purposely or knowingly causes injury to another resulting in miscarriage or stillbirth.*

*II. In this section:*

*(a) "Miscarriage" means the interruption of the normal development of the fetus other than by a live birth and not an induced abortion, resulting in the complete expulsion or extraction of a fetus; and*

*(b) "Stillbirth" means the death of a fetus prior to complete expulsion or extraction and not an induced abortion.*

2 Second Degree Assault. Amend RSA 631:2 to read as follows:

631:2 Second Degree Assault.

*I. A person is guilty of a class B felony if he:*

*[I.](a) Knowingly or recklessly causes serious bodily injury to another; or*

*[II.](b) Recklessly causes bodily injury to another by means of a deadly weapon, except that if the deadly weapon is a firearm, he shall be sentenced in accordance with RSA 651:2, II-g; or*

*[III.](c) Recklessly causes bodily injury to another under circumstances manifesting extreme indifference to the value of human life; or*

*[IV.](d) Purposely or knowingly causes bodily injury to a child under 13 years of age[.]; or*

*(e) Recklessly or negligently causes injury to another resulting in miscarriage or stillbirth.*

*II. In this section:*

*(a) "Miscarriage" means the interruption of the normal development of the fetus other than by a live birth and not an induced abortion, resulting in the complete expulsion or extraction of a fetus; and*

(b) "Stillbirth" means the death of a fetus prior to complete expulsion or extraction and not an induced abortion.

3 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill allows a person to be charged under the assault laws for causing injury to another which results in a miscarriage or stillbirth.

Rep. Pepino spoke against the amendment and yielded to questions.

Rep. Spencer spoke in favor and yielded to questions.

Rep. Barberia spoke against.

Rep. Burling spoke in favor and yielded to questions.

Roll call request sufficiently seconded.

The question being the adoption of the amendment.

and the amendment was adopted.

Report adopted.

Ordered to third reading.

Rep. Weeks notified the Clerk that he inadvertently voted nay and meant to vote yea.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

**HB 485**, relative to living wills. **OUGHT TO PASS WITH AMENDMENT.**

This bill carries into law, our desire not to have forced feeding or hydration as per our living will which will allow one to have instruction to discontinue artificial nutrition and hydration in the absence of one's ability to give directions regarding the use of such life-sustaining procedures. It is one's intention that this declaration shall be honored by one's family and physicians, and to keep one as comfortable as is knowingly possible, but allowing one to die. This act will take place upon its passage. Vote 11-2. Rep. Alice B. Record for Judiciary.

**Amendment**

Amend RSA 137-H:2, II as inserted by section 3 of the bill by replacing it with the following:

II. "Life-sustaining procedures" means any medical procedure or intervention which utilizes mechanical or other artificial means to sustain, restore, or supplant a vital function, which, in the written judgment of the attending physician and a consulting physician, when applied to the qualified patient, would serve only to artificially postpone the moment of death, and where, in the written judgment of the attending physician and the consulting physician, the patient is in a terminal condition *or is permanently unconscious*. "Life-sustaining procedures" shall not include the administration of medication, sustenance, or the performance of any medical procedure deemed necessary to provide comfort care or to alleviate pain.

Amend the bill by replacing section 5 with the following:

5 New Paragraphs; Definitions Added. Amend RSA 137-H:2 by inserting after paragraph VI the following new paragraphs:

VII. "Permanently unconscious" means a lasting condition, indefinitely and without change, in which thought, awareness of self and environment, and all other

indicia of consciousness are absent as determined by the attending physician and a consulting physician.

VIII. "Artificial nutrition and hydration" means invasive procedures such as but not limited to the following: nasogastric tubes; gastrostomy tubes; intravenous feeding or hydration; and hyperalimentation. It shall not include sustenance.

IX. "Sustenance" means the natural ingestion of food or fluids by eating and drinking.

Amend RSA 137-H:3 as inserted by section 6 of the bill by replacing it with the following:

137-H:3 [Terminal Care Document] *Living Will*. A person of sound mind who is 18 years of age or older may execute at any time a document commonly known as a [terminal care document] *living will*, directing that no life-sustaining procedures be used to prolong his life when he is in a terminal condition *or is permanently unconscious*. The document shall only be effective if the person is permanently incapable of participating in decisions about his care, and it may be, but need not be, in form and substance substantially as follows:

#### DECLARATION

Declaration made this \_\_\_\_\_ day of \_\_\_\_\_ (month, year). I, \_\_\_\_\_, being of sound mind, willfully and voluntarily make known my desire that my dying shall not be artificially prolonged under the circumstances set forth below. do hereby declare:

If at any time I should have an incurable injury, disease, or illness certified to be a terminal condition *or a permanently unconscious condition* by 2 physicians who have personally examined me, one of whom shall be my attending physician, and the physicians have determined that my death will occur whether or not life-sustaining procedures are utilized *or that I will remain in a permanently unconscious condition* and where the application of life-sustaining procedures would serve only to artificially prolong the dying process, I direct that such procedures be withheld or withdrawn, and that I be permitted to die naturally with only the administration of medication, sustenance, or the performance of any medical procedure deemed necessary to provide me with comfort care. *I realize that situations could arise in which the only way to allow me to die would be to discontinue artificial nutrition and hydration. In carrying out any instruction I have given under this section, I authorize that artificial nutrition and hydration not be started or, if started, be discontinued. (yes) (no) (Circle your choice and initial beneath it. If you do not choose "yes", artificial nutrition and hydration will be provided and will not be removed.)* In the absence of my ability to give directions regarding the use of such life-sustaining procedures, it is my intention that this declaration shall be honored by my family and physicians as the final expression of my right to refuse medical or surgical treatment and accept the consequences of such refusal.

I understand the full import of this declaration, and I am emotionally and mentally competent to make this declaration.

Signed \_\_\_\_\_  
State of \_\_\_\_\_

\_\_\_\_\_, County  
We, the [declarant and] *following* witnesses, being duly sworn each declare to the notary public or justice of the peace or other official signing below as follows:

1. The declarant signed the instrument as a free and voluntary act for the purposes expressed, or expressly directed another to sign for him.
2. Each witness signed at the request of the declarant, in his presence, and in the presence of the other witness.
3. To the best of my knowledge, at the time of the signing the declarant was at least 18 years of age, and was of sane mind and under no constraint or undue influence.

[ Declarant ]

\_\_\_\_\_  
Witness

\_\_\_\_\_  
Witness

The affidavit shall be made before a notary public or justice of the peace or other official authorized to administer oaths in the place of execution, who shall not also serve as a witness, and who shall complete and sign a certificate in content and form substantially as follows:

Sworn to and signed before me by \_\_\_\_\_, declarant \_\_\_\_\_  
and \_\_\_\_\_, witnesses on \_\_\_\_\_

\_\_\_\_\_  
Signature

#### Official Capacity

Amend the bill by inserting after section 6 the following and renumbering the original sections 7-19 to read as 8-20, respectively:

7 Execution and Witness. Amend RSA 137-H:4 to read as follows:

137-H:4 Execution and Witness. The document set forth in RSA 137-H:3 shall be executed by the person making the same in the presence of 2 or more subscribing witnesses, none of whom shall be the person's spouse, heir at law, attending physician or person acting under the direction or control of the attending physician or any other person who has at the time of the witnessing thereof any claims against the estate of the person, and shall be acknowledged pursuant to the provisions of RSA 456 or RSA 456-A. *If the person making the document is a resident of a health care facility or patient in a hospital, no more than one witness may be the health care provider or such provider's employee.*

Amend the bill by replacing all after section 17 with the following:

18 Reference Change. Amend RSA 137-H:15 to read as follows:

137-H:15 Penalty. A person who knowingly and falsely makes, alters, forges, or counterfeits, or knowingly and falsely causes to be made, altered, forged or counterfeited, or procures, aids or counsels the making, altering, forging, or counterfeiting, of a [terminal care document] *living will* or revocation with the intent to injure or defraud a person shall be guilty of a class B felony, notwithstanding any provisions in title LXII.

19 Repeal. RSA 137-H:14, III, relative to persons who are patients in health care facilities, is repealed.

20 Effective Date. This act shall take effect upon its passage.

#### AMENDED ANALYSIS

This bill authorizes a person to execute a living will to express direction that no life-sustaining procedures be taken when such person is in a permanently unconscious condition as certified by 2 physicians and to specify that artificial nutrition and hydration not be provided. Artificial nutrition and hydration does not include the natural ingestion of food or fluids by eating and drinking.

This bill changes the terminology of such a document from a terminal care document to a living will.

Rep. Daniels moved that the words Re-refer to Committee be substituted for the report of the Committee, Ought to Pass with Amendment, spoke to his motion and yielded to questions.

Rep. Record spoke against.

Rep. Burling spoke against and yielded to questions.

Rep. Moore spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.

Rep. Hambrick notified the Clerk that she wished to be recorded in opposition to the motion.

Rep. Daniel Healy moved that the bill be indefinitely postponed, spoke to his motion and withdrew his motion.

Amendment Adopted.

Report adopted.

Ordered to third reading.

Rep. Rosencrantz notified the Clerk that he inadvertently voted yea and meant to vote nay.

**REGULAR CALENDAR**

**HB 464**, relative to plant closing notification. MAJORITY: INEXPEDIENT TO LEGISLATE. MINORITY: RE-REFER TO COMMITTEE.

MAJORITY: The Committee heard numerous testimonies and considered several proposed amendments. The majority of the Committee felt this bill would have an undue burden on approximately 2,500 employers. It felt that the employers would be unable to monitor the regulations of this bill.

The Committee further felt that this bill would inhibit businesses from relocating in New Hampshire and might encourage businesses currently here to leave. Vote 7-6. Reps. Arthur W. Smith, Carl R. Johnson and Larry G. Elliott for the Majority of Labor, Industrial and Rehabilitative Services.

MINORITY: This is not anti-business legislation. It is simply an attempt to give the workers of New Hampshire fair treatment and reasonable notice if they lose their jobs. New Hampshire's unemployment rate has risen sharply in the past year, causing widespread emotional and financial distress. Currently, only .2 percent of the state's workforce is covered by the federal plant closing law. This bill provides significant protection for New Hampshire employers who are trying to stay in business. Rep. John E. Splaine for the Minority of Labor, Industrial and Rehabilitative Services.

Rep. Trombly moved that the words Re-refer to Committee be substituted for the report of the Committee, Inexpedient to Legislate and spoke to his motion.

Rep. Dow spoke against.

Rep. LaMott spoke in favor.

Rep. Turner spoke against.

Rep. Baroody spoke in favor and yielded to questions.

Rep. Hawkins spoke against.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

Report adopted.

**HB 653**, relative to defense and indemnification of state officers and employees. **UGHT TO PASS WITH AMENDMENT.**

This bill is to address those lawsuits in which legislators are named as defendants. The bill provides that the Attorney General will represent and defend a legislator who is sued for any duty or action taken in Committee or in sessions of the General Court or in such other forum where the legislator appears at the request of the House or Senate or the presiding officer of either body. This representation will also be available for lawsuits arising out of the exercise of legislative functions and for other acts for which immunity is granted. Legislators will be indemnified for any damages arising out of lawsuits which are covered by RSA 99-D. Vote 10-0. Reps. Ann M. Torr and Susan S. Spear for Legislative Administration.

### Amendment

Amend RSA 99-D:2-a as inserted by section 1 of the bill by replacing it with the following:

99-D:2-a Official Duty Defined. For the purposes of RSA 99-D:2, the term "official duty" shall, in the case of a legislator, mean any duty or action taken in committee or in sessions of the general court or in such other forum where the legislator appears at the request of the house, senate or presiding officer of either body. It shall also include any other act for which immunity is granted under the provisions of RSA 541-B:19. Nothing in this section shall be construed to waive any immunity applicable to the legislator or the actions complained of, including those set forth in RSA 541-B:19, and all other provisions of RSA 99-D:2 shall apply.

### AMENDED ANALYSIS

This bill defines the term "official duty" for purposes of defense and indemnification of legislators by the state.

Rep. Burling spoke in favor.

Amendment adopted.

Report adopted.

Ordered to third reading.

**HB 359-FN**, relative to fees for registration permits for vehicles. **OUGHT TO PASS WITH AMENDMENT.**

This bill as amended would add another step to the schedule of millage rates which are used to calculate motor vehicle registration permit fees. This new rate would only apply to new vehicles. Those vehicles which are currently registered would be grandfathered. It would also change the minimum fee on vehicles whose list price is less than \$2,000, generally tractors and trailers, to \$10. Lastly, the bill would put New Hampshire in conformity with the other 49 states by basing the mill rate on the model year of the vehicle. This portion of the legislation was deemed very important by the Transportation Committee. Rep Klemarczyk represented the Transportation Committee on the Subcommittee. Please note the revised fiscal note. Vote 17-0. Rep. John S. Barnes for Municipal and County Government.

### **Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 Permit Fees Increased; Reference to Model Year. Amend RSA 261:153, I to read as follows:

I. The treasurer of each city, or such other person as the city government may designate, and the town clerk of each town shall collect fees for such permits as follows: on each vehicle offered for registration a sum equal to [18] **21** mills on each dollar of the maker's list price for a [vehicle manufactured in the] current [calendar] *model year vehicle*, [15] **18** mills on each dollar of the maker's list price for a [vehicle manufactured in the] first preceding [calendar] *model year vehicle*, [12] **15** mills on each dollar of the maker's list price for a [vehicle manufactured in the] second preceding [calendar] *model year vehicle*, [9] **12** mills on each dollar of the maker's list price for a [vehicle manufactured in the] third preceding [calendar] *model year vehicle*, [6] **9** mills on each dollar of the maker's list price for a [vehicle manufactured in the] fourth preceding [calendar] *model year vehicle* [and 3], **6** mills on each dollar of the maker's list price for a [vehicle manufactured in the] fifth preceding [calendar] *model year vehicle* and **3 mills on each dollar of the maker's list price for a sixth preceding model year vehicle** and any [calendar] *model year* prior thereto. In no event, however, shall the fee be less than [\$5] **\$10**. The director shall make the final determination of [year of manufacture of a] *any vehicle model year* in any case in which a dispute arises. The fee collected hereunder for a vehicle used only in the manner and for the purposes specified in RSA 261:82 shall be [\$5] **\$10**; and provided further, that the fee collected hereunder for a farm tractor shall be [\$5] **\$10**. In cases of doubt, the director may investigate for the purpose of determining eligibility for limited purpose registrations.

2 Reference to Model Year. Amend RSA 261:153, IV to read as follows:

IV. Each designated city official as the city government may designate and the town clerk of each town shall use the straight line method in computing fees stipulated in paragraph I for any registration. The straight line method means that no registrant shall pay less or more than 12 months at each stipulated mill rate, whether such 12 months extend over one or more registration periods. The mill rate to be charged on a vehicle originally offered for registration by a registrant shall be based on the *model year* [of manufacture] of the [said] vehicle and shall continue for the next 12 months, including the month of registration. For each successive 12 months registration of the same vehicle thereafter, whether or not such 12 months registration extends beyond one or more registration periods, the fees to be charged shall be computed succes-

sively at the next lower mill rate; provided, that the minimum rate to be charged for any registration shall always be 3 mills on each dollar of the maker's list price of a vehicle.

3 Reference to Model Year. Amend RSA 261:154 to read as follows:

261:154 Additional Fees for Registration Permits. The governing bodies of towns and cities of a population greater than 50,000 as determined by the last federal census may, subject to the provisions of RSA 261:155, direct the city treasurer or the town clerk to collect in addition to the fees imposed in RSA 261:153, fees for such permits as follows: a sum not to exceed 5 mills on each dollar of the maker's list price for a [vehicle manufactured in the] current [calendar] *model year vehicle*, a sum not to exceed 4 mills on each dollar of the maker's list price for [a [vehicle manufactured in the] first preceding [calendar] *model year vehicle*, a sum not to exceed 3 mills on each dollar of the maker's list price for a [vehicle manufactured in the] second preceding [calendar] *model year vehicle*, a sum not to exceed 2 mills on each dollar of the maker's list price for a [vehicle manufactured in the] third preceding [calendar] *model year vehicle*, and a sum not to exceed one mill on each dollar of the maker's list price for a [vehicle manufactured in the] fourth preceding [calendar] *model year vehicle* and any [calendar] *model year* prior thereto. In no event, however, shall the fee be less than [one dollar] *\$1*. The director shall make the final determination of [year of manufacture of a] *any vehicle model year* in any case in which a dispute arises. All fees collected under this section shall be used for the construction, operation and maintenance of public parking facilities as provided in RSA 231:114-129.

4 Currently Registered Vehicles. Any vehicle registered with the treasurer of each city or the town clerk of each town shall remain subject to registration at the appropriate millage rate for a model year vehicle which was in effect prior to the effective date of this act.

5 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill increases millage amounts for calculating municipal motor vehicle registration permit fees and increases by \$5 these registration fees, including registration fees for agricultural and farm vehicles.

The bill also eliminates the requirement that motor vehicle registration permit fees be based on the list price for the year of vehicle manufacture and instead requires that permit fees be based on the list price for the model year of the vehicle.

The bill also grandfathers currently registered vehicles at the millage rates which were in effect prior to the effective date of this act.

Reps. Barnes, Klemarczyk and Soucy spoke in favor and yielded to questions.

Rep. Flynn spoke against.

Rep. Grodin spoke in favor.

Amendment lost.

Report lost.

Rep. Grodin moved that the bill be Inexpedient to Legislate.

Adopted.

**HB 623-FN**, relative to contracts negotiated by public employers. OUGHT TO PASS.

While HB 623 potentially increases the complexity of budgets presented to legislative body meetings, particularly for school districts, the Committee feels that the "Right-to-Know" of the voters should be considered ahead of the desirability of pre-

serving traditional concepts of "binding" negotiations between parties to a "bargaining" agreement. Vote 14-3. Rep. Richard A. Trelfa for Municipal and County Government.

Rep. Grodin moved that the words Re-refer to Committee be substituted for the report of the Committee, Ought to Pass.

Rep. Kurk spoke against.

On a division vote, 266 members having voted in the affirmative and 57 in the negative, the bill was re-referred to Committee.

**HB 666-FN**, relative to protection and control of municipal highways. **OUGHT TO PASS.**

Even though towns throughout New Hampshire almost universally post weight limits, (the most common being typical mud season weight limits,) there is currently no specific statutory authority. RSA 41:11 is usually referenced as the authority for selectmen to post weight limits on roads and RSA 234:39 for bridges. While operators of heavy trucking object to town by town restrictions, the Committee felt that the state highway system was sufficient for the majority of their routes. Regulation of weights on town roads is essential to protect the public safety and prevent unreasonable town expenditures caused by the operation of heavy vehicles on roads which were not designed for them. Vote 13-4. Rep. Kenneth L. Weyler for Municipal and County Government.

Adopted.

Ordered to third reading.

**HB 746-FN**, relative to fees for recording certain documents with town or city clerks. **OUGHT TO PASS WITH AMENDMENT.**

This bill establishes or increases fees for recording telephone pole and cable licenses, articles of agreement, and dredge and fill permits with town or city clerks to bring them in line with current costs to municipalities in recording these documents. Additionally, the amendment deals with filing requirements for permits from the Wetlands Board. The language is identical to HB 270. Vote 11-6. Rep. Martha Fuller Clark for Municipal and County Government.

#### Amendment

Amend the title of the bill by replacing it with the following:

#### AN ACT

relative to procedures and fees for recording  
certain documents with town or city clerks.

Amend RSA 482-A:3, I as inserted by section 4 of the bill by replacing it with the following:

I. No person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without a permit from the wetlands board. The permit application *together with a detailed plan and a map showing the exact location of the proposed project, along with 4 copies of the permit application, plan and map*, shall be [sent] *submitted to the town or city clerk*, [to the wetlands board and shall be] accompanied by a filing fee *in the form of a check made out by the applicant to the New Hampshire wetlands board*. The permit application fee shall be \$50 for minimum impact projects. Fees for minor and major projects shall be assessed based on the area of dredge or fill proposed and

the number of boat slips requested. The rates shall be \$100 per boat slip and \$0.025 per square foot. [At the time of filing with the wetlands board said person shall also file copies of the permit application, with a detailed plan, including a map showing the exact location of the proposed project with the town or city clerk] *At the time the permit application is submitted to the city or town clerk, the applicant shall provide postal receipts or copies, verifying that abutters, as defined in the rules of the wetlands board, and except as further provided in said rules, have been notified by certified mail. The postal receipts or copies shall be retained by the municipality. The town or city clerk shall immediately sign the application and forward by certified mail, the application, plan, map and filing fee to the wetlands board.* The town or city clerk shall then immediately send a copy of the permit application, *plan and map* to the local [legislative] governing body, the municipal planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to exceed [\$2] *\$10 plus the cost of postage by certified mail.* [The copies of the permit application] *One copy shall remain with the city or town clerk, and shall be made reasonably accessible to the public. The foregoing procedure notwithstanding, applications and fees for projects by agencies of the state may be filed directly with the wetlands board, with 4 copies of the application, plan and map filed at the same time with the town or city clerk to be distributed as set forth above.*

#### AMENDED ANALYSIS

This bill establishes or increases fees for recording telephone pole and cable licenses, articles of agreement, and dredge and fill permits with town or city clerks.

The bill specifies additional requirements for submitting permits which include the submission of a detailed plan and map in triplicate and provision of all postal receipts to the town or city clerk to verify that abutters have been notified of an individual's intention to excavate, remove, fill or dredge an area.

Adopted.

Report adopted.

Ordered to third reading.

**HB 772-FN**, exempting land at aeronautical facilities from taxation. RE-REFER TO COMMITTEE.

There are different lease and taxing arrangements at each airport in the state. Recent events have caused some airport tenants to receive new tax bills for land they leased from municipalities. They already pay property taxes on their structures. According to testimony these airport tenants believed the lease payments were to provide the town a return on its land. The Committee recommended re-referral because a bill that might solve a problem at one locality could create problems at another. Vote 10-6. Rep. Kenneth L. Weyler for Municipal and County Government.

Re-referred to Committee.

**HB 731-FN**, to move liquor licensing and enforcement to the department of safety. INEXPEDIENT TO LEGISLATE.

The transfer of liquor enforcement and licensing to the Department of Safety is an idea which has been explored on previous occasions. The Committee, by a vote of 17-2, feels that the circumstances which prompted this bill are now being addressed by the Liquor Commission, the State Employees Association, and the new Chief of Enforcement. No testimony was received which compelled the Committee not to give these parties a chance to work things out. Rep. Thomas A. Behrens for Regulated Revenues.

Rep. Nielsen spoke against.

Rep. Behrens spoke in favor and yielded to questions.

Rep. Spencer moved that the words Ought to Pass be substituted for the report of the Committee, Inexpedient to Legislate and spoke to his motion.

Rep. Robert Kelley spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion lost.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

Report adopted.

**(Deputy Speaker Michael Hill in the Chair)**

**HB 389**, allowing the retention of a granite block retaining wall abutting Lake Winnepesaukee. **INEXPEDIENT TO LEGISLATE.**

This bill would have allowed a certain private landowner to retain a granite wall which he built that was found to encroach on the Lake Winnepesaukee lake bed. The Legislature is being asked to reconsider a dispute between the landowner and the state, which has already been litigated extensively, resulting in a Supreme Court decision favorable to the State. This bill would establish a dangerous precedent by encouraging individuals unhappy with court decisions to seek relief through the Legislature. Furthermore, there was nothing unique about this case and nothing improper in the procedures followed to justify legislative intervention. The majority of the Committee feels the role of the Legislature is to create laws for the public good, while the executive and judicial branches of government are entrusted in the enforcement and interpretation of them. The Legislature should support the agencies that enforce the laws we pass, and leave the resolution of private disputes to the courts. Vote 9-7. Rep. Carol M. Stamatakis for Resources, Recreation and Development.

Rep. Vogler moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Inexpedient to Legislate, spoke to his motion and yielded to questions.

Reps. Stamatakis and Carl Johnson spoke against and yielded to questions.

Rep. Conroy spoke against.

The motion failed.

Report adopted.

Rep. Leonard Smith moved that the remarks of Rep. Conroy be printed in the Journal.

Adopted.

Rep. Conroy:

Here I stand in this hallowed Hall to fight the battle of the Winnie Wall,

You've heard the story from beginning to end, and now you'll hear it all again.

It was built in the water and much too tall, so the Wetlands Board ordered "Do away with the Wall!"

The landowner said "I'll lower the height, but I'll not move the granite without a court fight."

So off to the Court the two parties went, with considerable monies by both sides spent.

Not only the money but time was a cost and at the end of five years the landowner lost.

But during this period the guy didn't quit, he built a dock in the water without a permit.

The next part of the saga, oh colleagues of mine, was the filing of House Bill 389.

The hearing was crowded, testimony was long, some thought he was right, others thought he was wrong.

We talked, we debated, we listened some more about the wall that abutted the Winnepesaukee shore.

The Committee then voted and as you can see, it was a tight situation for RR & D.

So now we are here and after all has been said, will you support the Committee and please press the red?

**HB 560-FN**, relative to bacteriological standards and reclassifying certain waters. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

MAJORITY: This legislation reclassifies the remaining 47 miles of Class "C" waters in New Hampshire to Class "B." Six rivers in the state have already been reclassified as such. This action speeds up the goal of attaining clean water in New Hampshire and will enable the Department of Environmental Services to receive federal monies for pollution control and give the agency the tools to move this process forward in line with the Clean Water Act and EPA's standards. Environmental groups, ranging from the Merrimack River Watershed Council to the Appalachian Mountain Club endorse this legislation. Vote 10-7. Rep. Steven R. Maviglio for the Majority of Resources, Recreation and Development.

MINORITY: The minority is in agreement with the majority relative to the bacteriological standards concerning escherichia coliform (E. coli). However, at the public hearing strong opposition was raised concerning the bill's reclassification of Class "C" rivers. The minority strongly feels changing the classification of Class "B" rivers prior to these rivers conforming to the required water quality standards, sends a false message to those using these waters and the public. By falsely upgrading these rivers prematurely to Class "B" designation, leaves concerns about public health and the integrity of the rivers classification system. Reps. Peter M. Jankowski, Barbara A. Upton, John B. Young, James A. Whittemore, Kenneth A. Cole and Frederick B. Andrews for the Minority of Resources, Recreation and Development.

#### **Amendment**

Amend the bill by replacing all after the enacting clause with the following:

1 Biennial Report to House and Senate Added; Notification to Public. Amend RSA 485-A:4, XIV to read as follows:

XIV. To formulate a policy relating to long term trends affecting the purity of the surface waters or groundwaters of the state. Insofar as practicable and necessary, a continuing program of sampling and subsequent chemical or biological analysis, or both, shall be conducted to establish patterns and reveal long term trends to serve as a basis for formulating such policy. In conducting said program of sampling and analysis, the division is authorized to accept any assistance as may be proffered by persons that the division deems to be qualified. The division shall make [an annual] *a biennial* report of its findings to the governor and council[.], *the senate environment commit-*

tee, and the house resources, recreation, and development committee. The division shall provide proper warning to the public by posting a sign indicating where water quality standards are not being attained as they relate to specified designated uses.

2 New Paragraph; Rulemaking; Temporary Partial Use Added. Amend RSA 485-A:6 by inserting after paragraph XI-b the following new paragraph:

XI-c. The location, extent, and duration of the standards specified in RSA 485-A:8, III for the temporary partial use areas provided for in RSA 485-A:8, II.

3 Number of Water Classes Decreased. Amend the introductory paragraph of RSA 485-A:8 to read as follows:

485-A:8 Standards for Classification of Surface Waters of the State. *It shall be the overall goal that all surface waters attain and maintain specified standards of water quality to achieve the purposes of the legislative classification.* For purposes of classification there shall be [3] 2 classes or grades of surface waters as follows:

4 Additional Standards for Classifying Surface Waters. Amend RSA 485-A:8, I-III, to read as follows:

I. Class A waters shall be of the highest quality and shall contain not more than [50 coliform bacteria per 100 milliliters] *either a geometric mean based on at least 3 samples obtained over a 60-day period of 47 Escherichia coli per 100 milliliters, or greater than 153 Escherichia coli per 100 milliliters in any one sample; and for designated beach areas shall contain not more than a geometric mean based on at least 3 samples obtained over a 60-day period of 47 Escherichia coli per 100 milliliters, or 88 Escherichia coli per 100 milliliters in any one sample; unless naturally occurring.* There shall be no discharge of any sewage or wastes into waters of this classification. The waters of this classification shall be considered as being potentially acceptable for water supply uses after [disinfection] *adequate treatment.*

II. Class B waters shall be of the second highest quality and shall have no objectionable physical characteristics, shall [be near saturation for dissolved oxygen] *contain a dissolved oxygen content of at least 75 percent of saturation,* and shall contain not more than [240 coliform bacteria per 100 milliliters] *either a geometric mean based on at least 3 samples obtained over a 60-day period of 126 Escherichia coli per 100 milliliters, or greater than 406 Escherichia coli per 100 milliliters in any one sample; and for designated beach areas shall contain not more than a geometric mean based on at least 3 samples obtained over a 60-day period of 47 Eschereichia coli per 100 milliliters, or 88 Escherichia coli per 100 milliliters in any one sample; unless naturally occurring.* There shall be no disposal of sewage or waste into said waters except those which have received adequate treatment to prevent the lowering of the *biological*, physical, chemical or bacteriological characteristics below those given above, nor shall such disposal of sewage or waste be inimical to [fish] *aquatic* life or to the maintenance of [fish] *aquatic* life in said receiving waters. The pH range for said waters shall be 6.5 to 8.0 except when due to natural causes. Any stream temperature increase associated with the discharge of treated sewage, waste or cooling water, *water diversions, or releases* shall not be such as to appreciably interfere with the uses assigned to this class. The waters of this classification shall be considered as being acceptable for [bathing] *fishing, swimming* and other recreational purposes and, after adequate treatment, for use as water supplies. *Where it is demonstrated to the satisfaction of the division that the class B criteria cannot reasonably be met in certain surface waters at all times as a result of combined sewer overflow events, temporary partial use areas shall be established by rules adopted under RSA 485-A:6, XI-c, which meet, as a minimum, the standards specified in paragraph III.*

III. [Class C waters shall be of the third highest quality and] *The waters in temporary partial use areas established under paragraph II* shall be free from slick, odors, turbidity, sludge deposits, and surface-floating solids of unreasonable kind or quantity, shall contain not less than 5 parts per million of dissolved oxygen; shall have a hydrogen ion concentration within the range of pH 6.0 to [8.5] **9.0** except when due to natural causes; and shall be free from chemicals and other materials and conditions inimical to [fish] *aquatic* life or the maintenance of [fish] *aquatic* life. *These criteria shall apply during combined sewer overflow discharges and up to 3 days following cessation of said discharge. At all other times the standards and uses specified in paragraph II shall apply.* [Any stream temperature increase associated with the discharge of treated sewage, waste or cooling water shall not be such as to appreciably interfere with the uses assigned to this class. The waters of this classification shall be considered as being acceptable for recreational boating, fishing, or for industrial water supply uses either with or without treatment depending upon individual requirements.]

5 Standards Changed. Amend RSA 485-A:8, V-VII, to read as follows:

V. Tidal waters utilized for swimming purposes shall [satisfy all conditions contained in paragraph II above] *contain not more than either a geometric mean based on at least 3 samples obtained over a 60-day period of 35 enterococci per 100 milliliters, or 104 enterococci per 100 milliliters in any one sample, unless naturally occurring.* Those tidal waters used for growing or taking of shellfish for human consumption shall, in addition to the foregoing requirements, [contain not more than 70 coliform bacteria per 100 milliliters] *be in accordance with the criteria recommended under the National Shellfish Program Manual of Operation, United States Department of Food and Drug Administration.*

VI. Notwithstanding anything contained in this chapter, the division shall have the authority to adopt such stream classification criteria as may be issued from time to time by the federal Environmental Protection Agency or its successor agency insofar as said criteria may relate to the water uses specified in RSA 485-A:8, II[,] and III[, and III.], provided, however, that the criteria thus issued shall not result in standards that are less than nor exceed the standards of the classification duly enacted by the general court as provided for in RSA 485-A:9 or ~~485-A:10~~.

VII. All tests and sampling for the purposes of examination of waters shall be performed and carried out in a reasonable manner and whenever practicable, in accordance with the [current edition of the Standard Methods for Examination of Water and Sewage as published jointly by the American Public Health Association and the American Water Works Association. Near saturation for dissolved oxygen shall mean a dissolved oxygen content of at least 75 per centum of saturation] *commonly accepted scientific method as selected by the division.* The waters in each classification shall satisfy all the provisions of all lower classifications. The minimum treatment for the lowest classification shall be as follows:

(a) For sewage, [primary] *secondary* treatment and disinfection [resulting in substantially complete disinfection and removal of all settleable and floatable material] *as necessary to comply with water quality standards.*

(b) For industrial wastes *and combined sewer overflows*, such treatment[, not to exceed primary treatment or its equivalent.] as the division shall determine. Appeal from any such determination shall be in the manner provided for in RSA 21-O:7, IV.

6 Purpose of Reclassifications. The general court finds that the reclassifications contained in section 6 of this act are being adopted in order to meet federal require-

ments. Therefore, the general court declares that the provisions of RSA 485-A:9 and 485-A:10 shall be deemed to have been complied with by passage of this act.

7 Reclassification. On or after the effective date of this act the following surface waters shall be reclassified in accordance with the provisions of RSA 485-A:

I. Androscoggin River from the downstream side of the highway bridge on Bridge Street, Berlin to the Maine-New Hampshire state line, in the city of Berlin and the towns of Gorham and Shelburne, class B.

II. Ashuelot River from the downstream side of the bridge on the private roadway from Main Street to the A.C. Lawrence Leather Company plant in Winchester to its confluence with the Connecticut River, in the towns of Winchester and Hinsdale, class B.

III. Great Brook, from the concrete dam at the "scrape" to its confluence with the Mascoma River, in the city of Lebanon, class B.

IV. Mascoma River, in the town of Enfield, from the crest of the Baltic Mill dam to Mascoma Lake, class B.

V. Mascoma River, from the downstream side of the Hanover street bridge to its confluence with the Connecticut River in the city of Lebanon, class B.

VI. Mascoma Lake, in the town of Enfield, extending from the entry of Mascoma River to a straight line across the lake from the house owned by Fred Columbia (#185 on water pollution commission plan of lake) to the camp owned by Cyril Rowan (#183 on same plan), enclosing about 9 acres of lake water, class B.

VII. Merrimack River from the crest of the Public Service Company of New Hampshire's Amoskeag dam in Manchester to the confluence with Cohas Brook, in the city of Manchester and town of Bedford, class B.

VIII. Nashua River, in the town of Hollis and the city of Nashua, from the New Hampshire-Massachusetts state line to its confluence with the Merrimack River, class B.

IX. Partridge Brook and all its tributaries, in the town of Westmoreland, from the upstream side of the South Village Road highway bridge to confluence with the Connecticut River, class B.

X. Reservoir Brook, outlet from Enfield reservoir, in the town of Enfield, from the Canaan-Enfield town line to its confluence with the Mascoma River, class B.

XI. Sugar River from a point just upstream of the outfall from the now defunct city of Claremont water reclamation plant to the confluence with the Connecticut River, in the city of Claremont, class B.

XII. An unnamed brook approximately 0.5 mile long in the town of Enfield just west of the village cemetery from its source to Mascoma Lake, class B.

8 Repeals. The following are repealed:

I. 1953, 59:1, VIII, relative to the Mascoma River.

II. 1953, 59:1, IX, relative to Reservoir Brook.

III. 1953, 59:1, X, relative to an unnamed brook in Enfield.

IV. 1953, 59:1, XI, relative to Mascoma Lake.

V. 1955, 168:1, V, relative to Partridge Brook.

VI. 1967, 311:1, XXXV, relative to the Mascoma River and Great Brook.

VII. 1967, 311:1, XXXVII, relative to Sugar River.

VIII. 1967, 311:1, XXXIX, relative to Ashuelot River.

IX. 1967, 311:1, XLVI, relative to the Androscoggin River.

X. 1967, 311:1, L, relative to the Merrimack River.

XI. 1985, 41:1, I, relative to the Nashua River.

9 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill changes the current pathogen indicator for classifying surface waters from a coliform bacteriological standard to the inclusion of *Escherichia coli* form (E. coli) for freshwaters and enterococci for marine waters.

This bill also changes the classification system of the state's surface waters by upgrading all surface waters which are presently classified as C to B, but allowing for temporary partial use areas for waters which do not meet class B criteria, and eliminates the class C classification for surface waters.

In addition this bill requires the department of environmental services to make a biennial report of its water sampling findings to the governor and council, the senate environment committee and the house resources, recreation and development committee.

Rep. Jankowski moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment, spoke to his motion and withdrew his motion.

Rep. Leonard Smith spoke in favor of the Committee report and yielded to questions.

On a division vote, 241 members having voted in the affirmative and 79 in the negative, the amendment was adopted.

Report adopted.

Ordered to third reading.

#### (Speaker Burns in the Chair)

**HB 777-FN**, relative to the New Hampshire Electrical Cooperative and establishing a committee to study the rate structure of New Hampshire electrical cooperative and certain wholesale electric customers. **OUGHT TO PASS WITH AMENDMENT.**

This bill as amended clarifies RSA 362-C:7 (The Reorganization of Public Service Company of New Hampshire). It provides that the Public Utilities Commission is authorized to approve New Hampshire Electric Cooperative rate increases so long as they do not exceed that approved for Public Service Company of New Hampshire. The bill further specifies that any plan that would change the allocation of base rate revenue among customer classes will require legislative approval. Vote 12-0. Rep. Charles C. Vogler for Science, Technology and Energy.

Rep. Rodeschin spoke in favor.

#### LAIID ON THE TABLE

Rep. Michael Hill moved that HB 777 be laid on the table.

Adopted.

#### SPECIAL ORDERS

Without objection, the Speaker made the following House Bills and House Resolution Special Orders for Thursday, March 21, 1991 at 10:00 a.m.

**HR 15**, urging the United States Congress to allow Regional Bell Operating Companies to promote the use of electronic telephone directories.

**HB 399**, relative to leases for tenants of manufactured housing parks.

**HB 536**, prohibiting the conversion of manufactured housing parks into condominiums.

**HB 557-FN**, relative to the BOCA code.

**HB 670-FN**, relative to condominium conversion of manufactured housing parks.

**HB 695-FN**, relative to the establishment and funding of a review board to address grievances of tenants and owners of manufactured housing parks.

**HB 706-FN**, relative to the allowable length of semi-trailers.

**HB 58**, establishing a Martin Luther King Day.

**HB 61-FN**, relative to the distribution of moneys received as a result of the commission of a crime.

**HB 133**, relative to the right to know law.

**HB 674 FN**, designating segments of the Pemigewasset, Contoocook and North Branch of the Contoocook Rivers as protected rivers.

**HB 709-FN**, establishing a study committee relative to clearcutting forest resources.

### RESOLUTION

Rep. Gross offered the following: RESOLVED, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Thursday, March 21, 1991 at 10:00 a.m.

Adopted.

### LATE SESSION

#### Third reading and final passage

**HB 433**, establishing a developmentally delayed category.

**HB 742-FN**, relative to excavation.

**HB 54-FN**, relative to the laws regarding children in need of services.

**HB 298-FN**, lowering the level from .10 to .08 for legal intoxication under the DWI laws.

**HB 350-FN**, relative to assault

**HB 485**, relative to living wills.

**HB 653**, relative to defense and indemnification of state officers and employees.

**HB 666-FN**, relative to protection and control of municipal highways.

**HB 746-FN**, relative to procedures and fees for recording certain documents with town or city clerks.

**HB 560-FN**, relative to bacteriological standards and reclassifying certain waters.

### SENATE MESSAGE

#### REQUESTS CONCURRENCE WITH AMENDMENTS

**HB 50-FN-A**, relative to state revenue and expenditures.

Rep. Hager moved that the House nonconcur and request a Committee of Conference. (Senate Amendment printed SJ 11. pp 100-136)

Adopted.

The Speaker appointed Reps. Hager, Sytek, Kurk and Vaughn.

**NOTICE OF RECONSIDERATION**

Having voted with the prevailing side, Rep. Parks served notice that today or some other day as limited by the rules, he would ask the House to reconsider its action whereby it found HB 359, relative to fees for registration permits for vehicles, Inexpedient to Legislate.

**SENATE MESSAGES  
CONCURRENCE**

**HB 125**, relative to drink rails.

**HB 179**, relative to authorization of treatment for communicable diseases.

**HJR 2**, providing that the Kona Wildlife Management Area shall be forever managed by the state of New Hampshire in a manner so as to protect its habitats.

Rep. Michael Hill moved that the House adjourn.

Adopted.

The House adjourned at 5:40 p.m.

**HOUSE JOURNAL No. 14**

Thursday, March 21, 1991

The House assembled at 10:00 a.m., the hour to which it stood adjourned and was called to order by the Deputy Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairsto.

Eternal God of power, who gives Your people strength to accomplish far more than we can even dream or imagine, to You we offer our praise and thanksgiving. Empower us today, we pray, that we may squarely face the challenges before us. Help us to distinguish between sincere moral conviction and the need for more open minds, between personal prejudices and reality, between those actions which will hurt and those which will help. Guide us in our listening, our speaking, and our voting, and so inspire us that we will seek above all else to do Your will for Your people in the Granite State. Amen.

Rep. Fields led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Hurst, Parr, Swope, Eunice Campbell, Feuerstein, Ackerman, Baker, Lynch, Martling, Stacey Cole, Holmes, Wibby and Ralph Torr, the day, illness.

Reps. Julie Brown, John Young, Wall, Donald Messier, Markley, Marsh, Weeks, Millard, Hawkinson, Shackett, Joyce Johnson, McGovern, David Young (military service), Wallner, Harland, Golden and Chulack, the day, important business.

Rep. Bernard, the day, death in the family.

Rep. Hambrick, the day, illness in the family.

**INTRODUCTION OF GUESTS**

David Whitehead, Robert Luria and Charles Magee, guests of Rep. Rodeschin. Gregory Gilmore, son of Rep. Gilmore. The 4th grade class of the Stratham Memorial School, guests of Rep. Woods.

**INTRODUCTION OF SPECIAL GUESTS**

Hon. Fred Noye, member of the Pennsylvania Legislature, Constance Rinden, retiring NH State Law Librarian and Shirley Adamovich, Commissioner of Libraries, Arts and Historical Resources, guests of Rep. Burns.

**HOUSE RESOLUTION NO. 20**

honoring State Law Librarian Constance T. Rinden on her retirement

WHEREAS, a gentlewoman is defined as one of gentle and refined manner; a well-bred woman of character and fine feelings, and

WHEREAS, in the collective opinion of her family, her friends, and her colleagues, Constance T. Rinden, affectionately known to all as Connie, is a woman who epitomizes that definition, and

WHEREAS, for nearly a full thirty-four years Connie Rinden has been a devoted and diligent New Hampshire state employee who easily has earned the respect, esteem and affection of the many persons who daily have crossed her path, and

WHEREAS, between the years of 1957 and 1969 Connie Rinden demonstrated her skills, competence and versatility while working at the State Library as an Indexer, a Cataloger, an Inventory Taker, a Bookmobile Supervisor, a PLT Instructor, an Assistant Reference Librarian, an Acting Head of Reference, and an Assistant Law Librarian, and

WHEREAS, Connie Rinden, in 1969, did assume the full duties and heavy responsibilities as New Hampshire Law Librarian and for the ensuing nineteen years has been an invaluable, indefatigable, dedicated employee, and

WHEREAS, being an erudite woman of high achievement, Connie Rinden received her bachelors degree from Randolph-Macon College and her masters of Library Science from Simmons College, and later was a founding member of the New Hampshire Law Librarians Association, and

WHEREAS, Connie Rinden, throughout her productive lifetime, has made innumerable friends, imparting to all her warmth, felicity and charm, now therefore be it

RESOLVED, by the House of Representatives in Regular Session convened, that Constance T Rinden, on this occasion of her retirement, be recognized and saluted for her outstanding and faithful service as an exemplary State of New Hampshire employee, and be it further

RESOLVED, that Constance T. Rinden receive best wishes for an enjoyable retirement, and that a suitable copy of this Resolution be prepared for presentation to her.

Unanimously adopted.

**(Speaker Burns in the Chair)**

### **SPECIAL ORDERS**

**HR 15**, urging the United States Congress to allow Regional Bell Operating Companies to promote the use of electronic telephone directories. MAJORITY: OUGHT TO PASS WITH AMENDMENT. MINORITY: INEXPEDIENT TO LEGISLATE.

MAJORITY: This resolution would urge the Congress of the United States to encourage and promote the expansion of electronic telephone directories and the provision of information services. In addition to the technical issues discussed in the resolution, there are considerable environmental savings to be made using these electronic services as outlined in the resolution. Vote 9-3. Reps. Thomas E.P. Rice and Alan B. Greenglass for the Majority of Science, Technology and Energy.

MINORITY: The initial bill recommended that the United States Congress provide exclusive consideration of the regional Bell operating companies for providing information services to customers in the form of telephone directories. In essence, the minority felt that the Bell operating companies were asking our Committee to provide lobbying services. After discussions the minority was able to eliminate reference to the Bell companies and proposed that "information systems" be substituted for "telephone directories" for a much broader application and to allow competition to enter. Rep. Arthur P. Ferlan for the Minority of Science, Technology and Energy.

### **Amendment**

Amend the resolution by replacing the title of the resolution with the following:

### **A RESOLUTION**

urging the United States Congress to encourage and promote  
the expansion of electronic telephone directories  
and the provision of information services.

Amend the resolution by replacing all after the title with the following:

Whereas, the 1990's have been proclaimed the decade of the environment; and

Whereas, the 102nd Congress has identified the solid waste crisis as one of its top environmental priorities in 1991; and

Whereas, each ton of paper not produced saves approximately 17 trees, 4,100 kilowatts of energy, 7,000 gallons of water, 600 pounds of air pollutants and 81 cubic feet of landfill space; and

Whereas, the availability of electronic telephone directories would reduce the demand for paper, conserve energy and valuable landfill space; now therefore, be it

Resolved by the House of Representatives:

That the House of Representatives of New Hampshire hereby urges the United States Congress to fulfill its responsibility to set the communications policy for the United States by enacting legislation which facilitates the introduction of electronic telephone directories to American society; and

That copies of this resolution, signed by the speaker of the house be forwarded by him to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and to each member of the New Hampshire congressional delegation.

#### AMENDED ANALYSIS

This house resolution urges the United States Congress to establish sound environmental and communications policy for the United States by enacting legislation which facilitates the introduction of electronic telephone directories.

Adopted.

Report adopted.

**HB 399**, relative to leases for tenants of manufactured housing parks. INEXPEDIENT TO LEGISLATE.

The majority of the Committee felt that this bill, as written, could place the owners of mobile homes in parks at a disadvantage when wishing to sell their mobile homes. Rental agreements may accomplish the intent of the bill. Vote 8-6. Rep. Patricia A. Dowling for State Institutions and Housing.

Adopted.

**HB 536**, prohibiting the conversion of manufactured housing parks into condominiums. INEXPEDIENT TO LEGISLATE.

The majority of the Committee felt that this bill consisted of language that was too restrictive and possibly unconstitutional. Vote 12-2. Rep. Patricia A. Dowling for State Institutions and Housing.

Adopted.

**HB 557-FN**, relative to the BOCA code. RE-REFER TO COMMITTEE.

On a vote of 11-3, the Committee decided to take another look at this house bill. A companion bill, HB 282 must be looked at before a possible solution of the question could be brought about. Rep. Lowell D. Apple for State Institutions and Housing.

Re-referred to Committee.

**HB 670-FN**, relative to condominium conversion of manufactured housing parks. RE-REFER TO COMMITTEE.

Many votes were taken on this bill, the final majority vote was to at least allow the Committee to find a "final" solution to condominium conversions. Vote 8-6. Rep. Lowell D. Apple for State Institutions and Housing.

Rep. Soldati moved that the words Ought to Pass with Amendment be substituted for the report of the Committee, Re-refer to Committee, spoke to her motion and yielded to questions.

Rep. Coffey spoke against and yielded to questions.  
 Rep. Scott Green spoke against.  
 Rep. David Cote non-spoke in favor.  
 Rep. Ouellette spoke against and yielded to questions.  
 Rep. Salatiello spoke in favor and yielded to questions.  
 Rep. Apple spoke in favor.  
 Rep. Tufts spoke against.  
 Roll call request sufficiently seconded.  
 The question being on the substitute motion.

and the motion passed.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

Rep. Wadsworth notified the Clerk that she inadvertently voted nay and meant to vote yea.

Rep. Ann Torr abstained from voting under Rule 16.

Rep. Salatiello offered a floor amendment and spoke in favor.

### Floor Amendment

Amend the bill by replacing section 1 with the following:

1 Moratorium. Notwithstanding RSA 356-B, there is hereby established a 1-year moratorium, which shall be in effect upon the effective date of this act, on converting existing manufactured housing parks, as defined in RSA 205-A:1, II, into condominiums.

Amend the bill by replacing section 3 with the following:

3 Report. The committee established in section 2 of this act shall prepare a report on its findings, including recommendations for legislation to be introduced in the 1992 legislative session, and submit such report to the speaker of the house, the senate president, and the governor on or before November 1, 1991.

Amend the bill by replacing section 5 with the following:

5 Effective Date. This act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill places a 1-year moratorium on converting existing manufactured housing parks into condominiums.

The bill also establishes a committee to study the issue of conversion of existing manufactured housing parks into condominiums. The bill requires the committee to submit a report of its findings, including recommendations for proposed legislation, to the speaker of the house, the senate president, and the governor no later than November 1, 1991.

Adopted.

Amended report adopted.

Ordered to third reading.

**HB 695-FN**, relative to the establishment and funding of a review board to address grievances of tenants and owners of manufactured housing parks. RE-REFER TO COMMITTEE.

This bill is a good bill, but still needs more work for the more than 100,000 people living in their own homes on rented land. Vote 11-2. Rep. Richard F. Doucette for State Institutions and Housing.

Re-referred to Committee.

**HB 706-FN**, relative to the allowable length of semi-trailers. OUGHT TO PASS WITH AMENDMENT.

This bill increases the allowable length from 48 feet to 53 feet for certain semi-trailers and further empowers the Department of Safety to restrict movement of those semi-trailers over designated roads or highways. The Commissioner may designate other roads or highways in the state where semi-trailers 53 feet or less in length may operate. Vote 13-0. Rep. Richard L. Haynes for Transportation.

#### Amendment

Amend RSA 266:11, II(a) and (b) as inserted by section 1 of the bill by replacing them with the following:

*(a) The distance between the kingpin and the centerline of the rear axle or the midpoint of a tandem axle of the semi-trailer exceeds 41 feet;*

*(b) The semi-trailer is not equipped with a rear end protection device of substantial construction consisting of a continuous lateral beam extending to within 4 inches of the lateral extremities of the semi-trailer and located not more than 22 inches from the surface as measured with the semi-trailer empty and on a level surface; and*

*(c) Operated on highways other than any interstate or defense highway, unless such highway is designated by the commissioner. This shall not preclude movements on highways other than interstate, defense and designated highways for a distance of one mile to terminals, points of pickup and delivery, fuel, repairs, food or rest using the most direct, practical route except if the commissioner precludes such travel for specific safety reasons on individual routes. The commissioner may designate other roads or highways in the state where semi-trailers 53 feet in length or less may be operated. The commissioner may adopt rules pursuant to RSA 541-A to impose further requirements or limitations on semi-trailers of this length.*

Amend the bill by replacing section 2 with the following:

2 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill increases the allowable length from 48 feet to 53 feet for certain semi-trailers.

The bill also places limitations on the types of highways such semi-trailers may travel.

Adopted.

Report adopted.

Ordered to third reading.

**HB 58**, establishing a Martin Luther King Day. INEXPEDIENT TO LEGISLATE.

The Committee's position regarding Martin Luther King holiday is advanced in House Bill 127. Therefore, this bill became unnecessary. Vote 15-0. Rep. John J. Sytek for Executive Departments and Administration.

Adopted.

**HB 61-FN**, relative to the distribution of moneys received as a result of the commission of a crime. RE-REFER TO COMMITTEE.

The Committee feels there is merit to the idea that criminals should not profit from royalties paid to them because they have been convicted of a crime. However, the Committee received an eight-page amendment on deadline day and wishes further time to study all the implications of the amendment. Vote 13-0. Rep. Benjamin J. DePecol for Judiciary.

Re-referred to Committee.

**HB 133**, relative to the right to know law. OUGHT TO PASS WITH AMENDMENT.

The bill changes the name of executive sessions to non-public sessions. The bill deletes the authority of a public body or agency to hold a non-public session solely for deliberation purposes. The Committee feels that the bill specifies the reasons a body or agency may go into non-public session, and identifies procedures by which a body or agency may conduct a non-public session. Vote 12-1. Rep. Benjamin J. DePecol for Judiciary.

#### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Reference Change. Amend RSA 12-A:6 to read as follows:

12-A:6 Advisory Commission; Duties. The commission shall consult with and advise the commissioner of resources and economic development with respect to the policy, programs and operations of the department upon a continuing basis and for said purposes shall meet with the commissioner not less frequently than annually at the call of the chairman or 3 commission members. A vacancy on the commission shall be filled in accordance with the requirements of RSA 12-A:5. It shall be the duty of the chairman to convene the commission not later than 10 days following his receipt of written request therefor from any 3 or more members thereof. The commissioner shall attend any meeting of the commission upon request of a majority of its membership. The advisory commission shall submit to the governor and council biennially[, beginning in October 1975,] a written report of the activities of the department covering the previous 2 calendar years, which report shall be a public document. [An executive] A *nonpublic* session of the advisory commission may be called at any time *for any of the reasons specified in RSA 91-A:3, II* upon majority vote and shall consist solely of the members thereof.

2 Reference Change. Amend RSA 91-A:2, II to read as follows:

II. All public proceedings shall be open to the public, and all persons shall be permitted to attend any meetings of those bodies or agencies. Except for town meetings, school district meetings and elections, no vote while in open session may be taken by secret ballot. Any person shall be permitted to use recording devices, including, but not limited to, tape recorders, cameras and videotape equipment, at such meetings. Minutes of all such meetings, including names of members, persons appearing before the bodies or agencies, and a brief description of the subject matter discussed and final decisions, shall be promptly recorded and open to public inspection within 144 hours of the public meeting, except as provided in RSA 91-A:6, and shall be treated as permanent records of any body or agency, or any subordinate body thereof, without exception. Except in an emergency or when there is a meeting of a

legislative committee, a notice of the time and place of each such meeting, including [an executive] **a nonpublic** session, shall be posted in 2 appropriate places or shall be printed in a newspaper of general circulation in the city or town at least 24 hours, excluding Sundays and legal holidays, prior to such meetings. An emergency shall mean a situation where immediate undelayed action is deemed to be imperative by the chairman or presiding officer of the body or agency who shall employ whatever means are available to inform the public that a meeting is to be held. The minutes of the meeting shall clearly spell out the need for the emergency meeting. When a meeting of a legislative committee is held, publication made pursuant to the rules of the house of representatives or the senate, whichever rules are appropriate, shall be sufficient notice. If the charter of any city or guidelines or rules of order of any body or agency described in RSA 91-A:1-a require a broader public access to official meetings and records than herein described, such charter provisions or guidelines or rules of order shall take precedence over the requirements of this chapter.

3 Nonpublic Sessions. RSA 91-A:3 is repealed and reenacted to read as follows:

91-A:3 Nonpublic Sessions.

I.(a) Bodies or agencies shall not meet in nonpublic session, except for one of the purposes set out in paragraph II. No session at which evidence, information or testimony in any form is received shall be closed to the public, except as provided in paragraph II. No body or agency may enter nonpublic session, except pursuant to a motion properly made and seconded.

(b) Any motion to enter nonpublic session shall state on its face the specific exemption under paragraph II which is relied upon as foundation for the nonpublic session. The vote on any such motion shall be by roll call, and shall require the affirmative vote of the majority of members present.

(c) All discussions held and decisions made during nonpublic session shall be confined to the matters set out in the motion.

II. Only the following matters shall be considered or acted upon in nonpublic session:

(a) The dismissal, promotion or compensation of any public employee or the disciplining of such employee, or the investigation of any charges against him, unless the employee affected requests an open meeting.

(b) The hiring of any person as a public employee.

(c) Matters which, if discussed in public, would likely affect adversely the reputation of any person, other than a member of the body or agency itself, unless such person requests an open meeting.

(d) Consideration of the acquisition, sale or lease of property which, if discussed in public, would likely benefit a party or parties whose interests are adverse to those of the general community.

(e) Consideration or negotiation of pending claims or litigation which has been threatened in writing or filed against the body or agency or any subdivision thereof, or against any member thereof because of his membership in such body or agency, until the claim or litigation has been fully adjudicated or otherwise settled.

(f) Consideration of applications by the adult parole board under RSA 651-A.

III. Minutes of proceedings in nonpublic session shall be kept and the record of all actions shall be promptly made available for public inspection, except as provided in this section. Decisions reached in nonpublic session shall be publicly disclosed within 72 hours of the meeting, unless, by recorded vote of 2/3 of the members present, it is determined that divulgence of the information likely would affect ad-

versely the reputation of any person other than a member of the body or agency itself or render the proposed action ineffective. In the event of such circumstances, information may be withheld until, in the opinion of a majority of members, the aforesaid circumstances no longer apply.

4 Reference Change. Amend RSA 313-A:2, V to read as follows:

V. The board shall hold at least 6 regular meetings each year. Special meetings may be called at such times as the rules of the board may provide. A quorum of the board shall consist of no fewer than 4 members. All meetings of the board shall be open to the public, except when the board conducts [an executive] *a nonpublic* session under RSA 91-A.

5 Reference Change. Amend RSA 326-B:3, X to read as follows:

X. Board meetings shall be open to the public. In accordance with RSA 91-A:3 the board may conduct part of a meeting in [executive] *nonpublic* session.

6 Effective Date. This act shall take effect January 1, 1992.

#### AMENDED ANALYSIS

This bill deletes the authority of a body or agency to hold an executive session solely for deliberative purposes. References to "executive session" are changed to "nonpublic session."

Rep. Jasper moved that the words Inexpedient to Legislate be substituted for the report of the Committee, Ought to Pass with Amendment, spoke to his motion and yielded to questions.

Rep. Coffey spoke against.

Rep. Weyler spoke in favor.

Rep. Record spoke against.

Rep. Richard Campbell spoke against and yielded to questions.

Rep. Robinson spoke in favor and yielded to questions.

Rep. DePecol spoke against and yielded to questions.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the motion failed.

Rep. Hambrick notified the Clerk that she wished to be recorded in opposition to the motion.

Amendment adopted.

Report adopted.

Ordered to third reading.

Reps. Gross and Chambers offered the following:

**HCR 13**, calling for a delay in the implementation of the Internal Revenue Service advisory opinion on mileage reimbursements for members of the general court.

Whereas, the Portsmouth district office of the United States Internal Revenue Service has recently issued an advisory opinion declaring that members of the New Hampshire general court are employees of the state of New Hampshire for Internal Revenue Service purposes; and

Whereas, such a conclusion has resulted in a determination by the Internal Revenue Service that mileage reimbursements made to state legislators are deemed to be income; and

Whereas, these reimbursements when added to the \$200 biennial salary received by legislators may result in an annual income which is incorrectly inflated and may make some legislators no longer eligible for certain programs such as disability benefits and subsidized housing; and

Whereas, members of the general court strongly disagree with the ruling of the district office, believing it to be both incorrect and unfair; and

Whereas, members of the New Hampshire congressional delegation have indicated their willingness to work with members of the general court to address this issue on the federal level: now, therefore, be it

Resolved by the House of Representatives, the Senate concurring:

That the general court of the state of New Hampshire supports a solution which would recognize mileage payments as reimbursements rather than income; and

That the general court of the state of New Hampshire requests a delay in implementing this advisory opinion until January 1, 1993, in order to pursue resolution of this issue and to insure that candidates for the New Hampshire house of representatives and senate are aware of this ruling and its potential effect; and

That the general court commends members of their congressional delegation for their assistance and continued efforts to resolve this issue at the federal level.

Reps. Michael Hill and Burling spoke in favor.

Unanimously adopted.

**HB 674-FN**, designating segments of the Pemigewasset, Contoocook and North Branch of the Contoocook Rivers as protected rivers. **OUGHT TO PASS WITH AMENDMENT.**

New Hampshire's rivers comprise one of its most important natural resources, vital to our state's tourism industry, water supplies, recreation and quality of life. Two years ago, the Legislature passed the New Hampshire Rivers Management and Protection Program, which was designed to protect the flow and water quality of our outstanding rivers. Technical assistance to those towns that request it also is available for river-corridor planning. The upper Merrimack, lower Merrimack, Saco, Swift and Lamprey rivers were given protection last year with the enthusiastic support of the Legislature and the communities through which these rivers pass. This year, community groups nominated three more outstanding rivers to the Program, the Pemigewasset (which flows from Franconia to Franklin), the North Branch (from Stoddard to Hillsborough), and the Contoocook (from Rindge to Concord). The Rivers Management Advisory Committee, with members representing the Granite State Hydro-power Association, the Business and Industry Association, Fish and Game Commission, and other interests, endorsed the nomination of both rivers, and it is now the Legislature's turn to approve of their designation into the Rivers Protection and Management Program.

Two long days of testimony were heard by the Committee. Support for both rivers was widespread; the Contoocook and North Branch Rivers universally supported, the Pemi by a majority of towns along it. Odd bedfellows, ranging from Trout Unlimited to PSNH, also endorsed the noninations.

The Committee also learned of controversy concerning the construction of a dam at the Livermore Falls Gorge in Campton, which would be prohibited under this bill. The gorge, described by DRED Commissioner, Stephen Rice as "an outstanding scenic and visual resource of great significance to New Hampshire," would be flooded. The state's multi-million dollar investment in the Atlantic salmon restoration program also would be lost. As the Federal Energy Regulatory Commission put it, "the (dam) project's significant unavoidable adverse environmental impacts would greatly outweigh its power benefits."

The Committee recognizes the outstanding value of the Pemi, as does the nation. With the strong support of the entire New Hampshire Congressional Delegation, President Bush recently signed legislation authorizing the National Park Service to study the Pemi for federal wild and scenic river designation, precluding dam construction for at least six years. While the Committee is sympathetic to the towns along the Pemi opposed to the nomination that would receive a small amount of money from the dam developers, the Committee believes this river, along with the Contoocook and North Branch, are important resources whose water quality and quantity deserve state protection for all of the citizens of New Hampshire.

In recommending passage, the Committee also notes that passage shall not adversely affect present or contemplated water supply projects from the waters of the Contoocook for the town of Jaffrey. Vote 15-2. Rep. Steven R. Maviglio for Resources, Recreation and Development.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

I New Paragraphs; Rivers Designated as Protected. Amend RSA 483:15 by inserting after paragraph V the following new paragraphs:

#### VI. Pemigewasset River:

(1) As a natural river from the outlet of Profile Lake in Franconia to the southern boundary of Franconia Notch State Park.

(2) As a "rural river":

(A) From the northernmost Thornton town line to the I-93 bridge in Plymouth.

(B) From the Holderness - Ashland town line to the Franklin Falls flood control dam.

(3) As a community river:

(A) From the I-93 bridge in Plymouth to the Holderness-Ashland town line.

(B) From the Franklin Falls flood control dam to its confluence with the Merrimack River.

#### VII.(a) Contoocook River - main stem:

(1) As a "rural river":

(A) From the Old Sharon Road Bridge in Jaffrey to Noone Falls Dam in Peterborough.

(B) From the North Peterborough Dam to the monument on the Peterborough - Hancock town line.

(C) From the North Bennington Road bridge in Antrim and Bennington to the confluence of the north branch of the Contoocook River in Hillsborough.

(D) From the Hosiery Mill dam in Hillsborough to the twin iron bridges in west Henniker.

(E) From the Shoe Factory Dam in Henniker to the Riverhill Bridge in Penacook.

(2) As a "community river":

(A) From the outlet of Poole Pond in Rindge to Old Sharon Road bridge in Jaffrey.

(B) From the Noone Falls Dam in Peterborough to North Peterborough Dam.

(C) From the monument on the Peterborough - Hancock town line to the North Bennington Road bridge in Antrim and Bennington.

(D) From the confluence of the North Branch of the Contoocook River in Hillsborough to the Hosiery Mill Dam in Hillsborough.

(E) From the twin iron bridges in West Henniker to the Shoe Factory Dam in Henniker.

(F) From the Riverhill Bridge in Penacook to the confluence with the Merrimack River.

(b) Contoocook River - north branch: From the outlet of Rye Pond in Stoddard to the confluence with the main stem in Hillsborough as a "rural river."

2 Fertilizers Added. Amend RSA 483:9, VI(c) to read as follows:

(c) Any land application of solid waste as defined in RSA 149-M:1, XIX, except manure *and wood ash* used for fertilizer, *and sludge and septage* shall be immediately incorporated into the soil and shall be set back a minimum of 250 feet from the normal high water mark of a designated natural river or segment;

3 Fertilizers Added. Amend RSA 483:9-a, VII(b) to read as follows:

(b) Any land application of solid waste as defined in RSA 149-M:1, XIX, except manure *and wood ash* used for fertilizer, *and sludge and septage* shall be immediately incorporated into the soil and shall be set back a minimum of 250 feet from the normal high water mark of a designated natural river or segment;

4 Fertilizer Added. Amend RSA 483:9-b, VII(b) to read as follows:

(b) Any land application of solid waste as defined in RSA 149-M:1, XIX, except manure *and wood ash* used for fertilizer, *and sludge and septage* shall be immediately incorporated into the soil and shall be set back a minimum of 250 feet from the normal high water mark of a designated river or segment;

5 Date Extended. Amend 1988, 271:2 as amended by 1990, 233:17 to read as follows:

273:2 Interim Protection Measures.

*I. Notwithstanding the provisions of RSA 483, but for the purposes of RSA 483:5, no new dams shall be permitted, between June 29, 1988, and July 1, 1991, on the mainstreams of the following rivers:*

*[I.](a) Pemigewasset River*

*[II.](b) Contoocook River*

*II. Notwithstanding the provisions of RSA 483, but for the purposes of RSA 483:5, no new dams shall be permitted, between June 29, 1988 and July 1, 1993, on the mainstream of the [III.] Connecticut River, excepting that segment north of the confluence of the Israel River in the town of Lancaster.*

6 Effective Date. This act shall take effect 60 days after its passage.

#### AMENDED ANALYSIS

This bill designates certain segments of the Pemigewasset, Contoocook, and North Branch of the Contoocook rivers as protected rivers under the rivers management and protection program. This bill extends the interim protection date for a portion of the Connecticut River. The bill also expands what type of materials can be applied as fertilizer and are subject to the 250-foot minimum setback requirements.

Rep. White requested that the question be divided.

The Chair ruled that the question was divisible, and that Section 1, VI would be voted on separately.

Rep. White spoke against.

Rep. Maviglio spoke in favor and yielded to questions.

It was requested that the questions by Rep. Lougee and the responses by Rep. Maviglio be printed in the Journal.

Question by Rep. Lougee: While New Hampshire plays host to the world's best skiers at Waterville Valley, I think it is appropriate to ask how this bill, as written, would affect our state ski areas. Can we be assured it is not the intention of this bill, or by placing these rivers in the New Hampshire Rivers and Protection Program, that any agency, federal, state or local as well as any private concern should interpret this bill in any way as state opposition to the clean use of any tributary rivers that run into these rivers or the clean use of bodies of water that are contained in the watersheds of these rivers by the ski areas of this state or that of any state opposition to any of the streams under consideration.

Rep. Maviglio: Well, you're close with the river, Loon Mountain will withdraw their water from either Loon Pond, which is not a river or East Branch Pemigewasset River, which is a river but is not designated in this program. Unless a river is designated in the program, it doesn't affect it. So the answer would be that Loon Mountain would not be affected by this.

Question by Rep. Lougee: I would also ask that any tributary of the Mad River, which Waterville Valley is located on also runs into the Pemigewasset, Waterville Valley would also not be affected in any way by this bill.

Rep. Maviglio: The Speaker just read the rivers and segments that would be nominated, I did not hear the Mad River so I would assume that it would not, or I know that it would not be affected.

Reps. John Chandler and William Boucher spoke in favor.

Rep. Nielsen spoke against and yielded to questions.

Rep. Paul White yielded to questions.

Rep. Stamatakis spoke in favor.

Roll call request sufficiently seconded.

The question being on the adoption of Sec. I, VI.

and Section I, VI was adopted.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

The remainder of the amendment was adopted.

Report adopted.

Ordered to third reading.

**HB 709-FN**, establishing a study committee relative to clearcutting forest resources. **OUGHT TO PASS WITH AMENDMENT.**

Legislation that regulates timber harvest cutting and other forest practices is in place, but the practice of clearcutting forest resources has not been addressed. This study committee will define clearcutting and consider the concerns of the forest land-owners and the effect on all phases of the ecology. The amendment changes the composition of the committee. Vote 14-0. Rep. William H. Nehring for Resources, Recreation and Development.

### Amendment

Amend the bill by replacing all after section 1 with the following:

#### 2 Study Committee Established.

I. There is hereby established a committee which will study and consider the need for legislation regarding a comprehensive clearcutting act to preserve and enhance the natural, aesthetic, and recreational resources of New Hampshire.

II. The duties of the committee shall be to meet to review the practice of clearcutting in the state, and to determine whether legislation should be enacted. If legislation is proposed, consideration shall be given to legislation that would:

(a) Define all areas of clearcutting.

(b) Distinguish forested areas in which clearcutting is appropriate, including shoreline cutting.

(c) Establish size limitations for clearcuts, if needed.

(d) Establish minimum standards for best forestry practices to accomplish clearcutting.

(e) Include a method of financing the equitable enforcement of such a statute.

(f) Include other provisions relative to the regulation of clearcutting.

III. The study committee shall also investigate the findings on clearcutting of other New England states, and its recommendation shall be in the form of a report to be submitted by November 1, 1991 to the governor, the president of the senate, and the speaker of the house. A study committee goal will be to distribute this report to the general public as widely as possible, using ongoing appropriate public and private program efforts.

IV. The membership of the committee shall be comprised of the following:

(a) The chairman of the resources, recreation and development committee, who shall serve as chairman of the committee.

(b) Four members of the house of representatives, appointed by the speaker of the house, of whom 2 shall be from the resources, recreation and development committee, one from the environment and agriculture committee, and one from the municipal and county government committee.

(c) Three members of the senate, appointed by the senate president, at least one of whom is a member of the environment committee.

V. The committee shall be entitled to legislative mileage when performing duties in connection with the committee.

3 Effective Date. This act shall take effect upon its passage.

### AMENDED ANALYSIS

This bill establishes a legislative study committee to consider legislation regarding a comprehensive clearcutting act. The legislation would look to preserving the state's forest resources while safeguarding the aquatic, wildlife, recreational, and aesthetic resources of the state.

Adopted.

Rep. Dickinson offered a floor amendment.

**Floor Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

establishing a study committee relative to clearcutting  
forest resources and extending the effective  
date for rulemaking by the board of  
licensing for foresters.

Amend the bill by replacing all after section 2 with the following:

3 Board of Licensing for Foresters to Adopt Rules. The state board of licensing for foresters shall adopt rules on or before January 1, 1992, pursuant to the rulemaking authority granted to the board under RSA 310-A:102.

4 Effective Date. This act shall take effect upon its passage.

**AMENDED ANALYSIS**

This bill establishes a study committee to consider legislation regarding a comprehensive clearcutting act. The legislation would look to preserving the state's forest resources while safeguarding the aquatic, wildlife, recreational, and aesthetic resources of the state. The committee shall be comprised of legislators and persons appointed by the governor and council.

The bill also requires the board of licensing for foresters to adopt rules by January 1, 1992.

Adopted.

Report adopted.

Ordered to third reading.

**REGULAR CALENDAR**

**HB 589-FN**, relative to holding companies. **OUGHT TO PASS WITH AMENDMENT.**

This bill strengthens the position of the Insurance Commissioner in regulating acquisitions and mergers of domestic insurance companies particularly in the field of investment qualification. The purpose of the bill is to enable the Insurance Commissioner to react quickly if a case of insolvency arises. Vote 16-0. Rep. Eric N. Lindblade for Commerce, Small Business and Consumer Affairs.

**Amendment**

Amend RSA 401-B:2, V as inserted by section 2 of the bill by replacing it with the following:

V. Qualification of Investment; When Determined. Whether any investment pursuant to paragraph II or III meets the applicable requirements thereof is to be determined before such investment is made, by calculating the applicable investment limitations as though the investment had already been made, taking into account the then outstanding principal balance on all previous investments in debt obligations, and the current value of all previous investments in equity securities, net of any return of capital invested, not including dividends.

Amend RSA 401-B:3, XI as inserted by section 3 of the bill by replacing it with the following:

XI. Violations of Acquiring Parties. Any acquiring party which violates any provision of this section shall be subject to an administrative fine not to exceed \$2,500 for each violation.

Amend RSA 401-B:3, V(b) and (c) as inserted by section 4 of the bill by replacing them with the following:

(b) Any person who violates a cease and desist order of the commissioner under subparagraph V(a) shall be subject to suspension or revocation of license, to an administrative fine not to exceed \$2,500 for each day of violation, or both, in the discretion of the commissioner.

(c) Any insurer or other person who fails to make any filing required by this section and who also fails to demonstrate a good faith effort to comply with any such filing requirement, shall be subject to an administrative fine not to exceed \$10,000.

Amend RSA 401-B:5, I(c) as inserted by section 7 of the bill by replacing it with the following:

(c) A domestic insurer may not enter into transactions which are part of a plan or series of like transactions with persons within the holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would occur otherwise.

Amend RSA 401-B:5, II as inserted by section 7 of the bill by replacing it with the following:

## II. DIVIDENDS AND OTHER DISTRIBUTIONS.

(a) No licensed insurance company shall pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until;

(1) Thirty days after the commissioner has received notice of the declaration thereof and has not within such period disapproved such payment; or

(2) The commissioner shall have approved such payment within such 30 day period.

(b) For the purposes of this paragraph, an extraordinary dividend or distribution includes any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding 12 months exceeds the greater of:

(1) Ten percent of such insurer's surplus as regards policyholders as of the December 31 next preceding; or

(2) The net gain from operations of such insurer, if such insurer is a life insurer, or the net investment income, if such insurer is not a life insurer, for the 12 month period ending the December 31, next preceding, but shall not include pro rata distributions of any class of the insurer's own securities.

(c) Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution which is conditional upon the commissioner's approval thereof, and such a declaration shall confer no rights upon shareholders until;

(1) The commissioner has approved the payment of such dividend or distribution; or

(2) The commissioner has not disapproved such payment within the 30 day period referred to above.

Amend RSA 401-B:10 as inserted by section 9 of the bill by replacing it with the following:

401-B:10 Sanctions. Any insurer who knowingly fails to file any registration statement as required in this chapter shall be subject to an administrative fine not to exceed \$2,500.

#### AMENDED ANALYSIS

This bill modifies existing law on insurance holding companies by adding procedures and standards for acquisitions and mergers of certain holding companies.

The bill also creates administrative fines in addition to the existing criminal penalties for violations of the chapter.

Adopted.

Report adopted.

Ordered to third reading.

#### SENATE MESSAGES

##### ACCEDES TO REQUEST FOR COMMITTEE OF CONFERENCE

**HB 50-FN-A**, relative to state revenue and expenditures.

The President appointed Sens. Dupont, Blaisdell and Hough.

#### REGULAR CALENDAR (continued)

**HB 638-FN**, relative to credit for reinsurance. OUGHT TO PASS WITH AMENDMENT.

This bill restricts the types of companies with whom insurers are allowed to enter into reinsurance agreements. It also provides a means to allow an insurer organized under the laws of any other state to become a domestic insurer and to allow a domestic insurer to transfer its domicile to another state. The Committee felt that the bill will assist the Insurance Department in monitoring and protecting the public with regard to insurance company solvency. Vote 17-0. Rep. Lawrence J. Guay for Commerce, Small Business and Consumer Affairs.

#### Amendment

Amend the introductory paragraph of RSA 405:46 as inserted by section 1 of the bill by replacing it with the following:

405:46 Credit Allowed a Domestic Ceding Insurer. Credit for all new and renewal reinsurance transactions entered into on or after January 1, 1992, shall be allowed a domestic ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when the reinsurer meets the requirements of RSA 405:46, I, II, III, IV, or V. If an insurer meets the requirements of paragraph III or IV, the requirements of paragraph VI shall also be met:

Amend RSA 405:46, III(a) as inserted by section 1 of the bill by replacing it with the following:

III.(a) Credit shall be allowed when the reinsurance is ceded to an assuming insurer, including a U.S. branch of an alien insurer, which is licensed in a state which employs standards regarding credit for reinsurance substantially similar to those applicable under this section and the assuming insurer or U.S branch of an alien assuming insurer:

(1) Maintains a surplus as regards policyholders in an amount not less than \$20,000,000; and

(2) Submits to the authority of the commissioner to examine its books and records.

Amend section 2 of the bill by replacing it with the following:

2 Reduction from Liability for Reinsurance Ceded by a Domestic Insurer to an Assuming Insurer. RSA 405:48 is repealed and reenacted to read as follows:

405:48 Reduction from Liability for Reinsurance Ceded by a Domestic Insurer to an Assuming Insurer. A reduction from liability for the reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of RSA 405:46 shall be allowed in an amount not exceeding the liabilities carried by the ceding insurer. Such reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with such assuming insurer as security for the payment of obligations under such contract, if such security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer, or, in the case of a trust, held in a qualified United States financial institution, as defined in RSA 405:45, VII. This security may be in the form of:

I. Cash.

II. Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners and qualifying as admitted assets.

III. Clean, irrevocable, unconditional letters of credit, issued or confirmed by a qualified United States institution, as defined in RSA 405:45, VI, no later than December 31, in the year for which filing is being made, and in the possession of the ceding company on or before the filing date of its annual statement. Letters of credit meeting applicable standards of issuer acceptability as of the dates of their issuance or confirmation shall, notwithstanding the issuing or confirming institution's subsequent failure to meet applicable standards of issuer acceptability, continue to be acceptable as security until their expiration, extension, renewal, modification or amendment, whichever first occurs.

IV. Any other form of security acceptable to the commissioner.

Amend section 3 of the bill by replacing it with the following:

3 Qualified United States Financial Institutions. RSA 405:45, VI and VII are repealed and reenacted to read as follows:

VI. For purposes of RSA 405:48, III, a "qualified United States financial institution" means an institution that:

(a) Is organized or, in the case of a U.S. office of a foreign banking organization, licensed, under the laws of the United States or any state thereof.

(b) Is regulated, supervised and examined by U.S. federal or state authorities having regulatory authority over banks and trust companies.

(c) Has been determined by either the commissioner or the Securities Valuation Office of the National Association of Insurance Commissioners to meet such standards of financial condition and standing as are considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit shall be acceptable to the commissioner.

VII. A "qualified United States financial institution" means, for purposes of those provisions of this law specifying those institutions that are eligible to act as a fiduciary of a trust, an institution that:

(a) Is organized, or, in the case of a U.S. branch or agency office of a foreign banking organization, licensed, under the laws of the United States or any state thereof and has been granted authority to operate with fiduciary powers.

(b) Is regulated, supervised and examined by federal or state authorities having regulatory authority over banks and trust companies.

Amend the bill by deleting sections 4 and 6 and renumbering sections 5 and 7 to read as 4 and 5, respectively.

Amend section 5 of the bill by replacing it with the following:

5 Effective Date.

I. Section 4 of this act shall take effect upon its passage.

II. The remainder of this act shall take effect January 1, 1992.

Adopted.

Report adopted.

Ordered to third reading.

**HB 384-FN**, relative to land surveying by corporations or partnerships. **INEXPEDIENT TO LEGISLATE**.

There are some merits to the bill; however, the bill restricts part-time ... usually semi-retired surveyors ... from working; and the testimony indicated very few complaints. The Committee felt that the bill did not address any significant complaint that presently is not being addressed. Vote 16-0. Rep. Lawrence A. Emerton for Executive Departments and Administration.

Adopted.

**HB 566-FN**, relative to fuel efficiency standards for state vehicles. **INEXPEDIENT TO LEGISLATE**.

The Committee felt that there was no need for this legislation at this time because both the Departments of Transportation and Administrative Services are already aware of the need for fuel efficiency standards in all state vehicles. Vote 15-1. Rep. Kathleen W. Ward for Executive Departments and Administration.

Adopted.

**HB 161-FN**, to allow former federal employees to purchase credit for their federal services as creditable service in the New Hampshire retirement system. **OUGHT TO PASS WITH AMENDMENT**.

In the last session legislation was passed to allow Group I and Group II employees to buy creditable service as earned in other states. This bill adds those who have creditable service with the federal government, i.e. civilian employees. The amendment excludes career military service as purchasable for retirement purposes. In addition, the amendment corrects the technicality that now exists when an employee has retired, but has not yet received the first check (a 30-60 day period) to cover an employee's death benefits between the time of retirement and actually receiving benefits. The second part of the amendment defines an employer participation in the New Hampshire Retirement System as required by the federal ERISA Law which allows for an exempt governmental pension system, i.e., as New Hampshire enjoys; and repeals those laws that have allowed over the years non-governmental employers' participation. Vote 13-1. Rep. Kathleen W. Ward for Executive Departments and Administration.

**Amendment**

Amend the title of the bill by replacing it with the following:

**AN ACT**

to allow former federal employees to purchase credit for their federal services as creditable service, relative to providing retirement benefits upon the death of certain group I and group II members, and to define employer participation in the retirement system.

Amend the bill by replacing all after the enacting clause with the following:

1 Employer Redefined. Amend RSA 100-A:1, IV to read as follows:

IV. "Employer" shall mean (a) the state or any department, commission, institution or agency of the state government by which an employee is paid through the office of the state treasurer with respect to their employees, (b) the state, the local school district or other employers of teachers eligible for membership in the system with respect to the teachers in their employ, (c) any police department or police force of the state, or of any county, city, town, village or precinct in the state with respect to the permanent policemen in their employ, and (d) any fire department of the state, or of any county, city, town, village or precinct in the state with respect to the permanent firemen in their employ; *provided, however, that in no instance shall any employer contribute or participate in the retirement system unless such employer qualifies as a governmental entity, political subdivision, agency or instrumentality eligible to maintain a governmental plan within the meaning of section 414(d) of the United States Internal Revenue Code of 1986, as amended.*

2 New Hampshire Retirement System Redefined. Amend RSA 100-A:2 to read as follows:

100-A:2 Name and Date of Establishment. The retirement system hereby created shall be established as of July 1, 1967. It [shall have the powers, privileges and immunities of a corporation, and] shall be known as the New Hampshire retirement system, and by such name all of its business shall be transacted, all of its funds invested, and all of its cash, securities and other property held in trust for the purpose for which received, *and is intended for all time to meet the requirements of a qualified pension trust within the meaning of section 401(a), and to qualify as a governmental plan within the meaning of section 414(d) of the United States Internal Revenue Code of 1986, as amended.*

3 Out-of-State Service to Include Federal Employment; Group I Members. Amend the introductory paragraph of RSA 100-A:4-b, I to read as follows:

I. Notwithstanding any provision of RSA 100-A to the contrary, any group I employee or teacher member of the New Hampshire retirement system, in service on or after June 30, 1990, who was formerly a member of a public employees' retirement system outside of New Hampshire, shall be allowed to purchase credit for such out-of-state service as creditable service in the New Hampshire retirement system [under]; *provided, however, that creditable service in the New Hampshire retirement system which is purchased under this paragraph shall not be deemed creditable service for the purpose of eligibility for medical and surgical benefits as a retired employee under RSA 21-I:30. For such employee or teacher members, only creditable service performed in the state of New Hampshire as a member of the New Hampshire retirement system shall be counted as creditable service for the purpose*

*of eligibility for medical and surgical benefits as a retired employee under RSA 21-1:30. For the purposes of this section, "public employees' retirement system" shall include any retirement system established and maintained by the United States government, the members of which are federal government employees. For the purposes of this section, any military service not otherwise authorized pursuant to RSA 100-A:4, IV and V shall not be included as creditable service in a public employees' retirement system. The group I employee or teacher member shall meet the following conditions:*

4 Federal Employment as Out-of-State Service; Group II Members. Amend the introductory paragraph of RSA 100-A:4-c, I to read as follows:

I. Notwithstanding any provision of RSA 100-A to the contrary, any group II permanent policeman or permanent fireman member of the New Hampshire retirement system, in service on or after June 30, 1990, who was formerly a member of a public employees' retirement system outside of New Hampshire, shall be allowed to purchase credit for such out-of-state service as creditable service in the New Hampshire retirement system [under]; *provided, however, that creditable service in the New Hampshire retirement system which is purchased under this paragraph shall not be deemed creditable service for the purpose of eligibility for medical and surgical benefits as a retired employee under RSA 21-1:30. For such employee or teacher members, only creditable service performed in the state of New Hampshire as a member of the New Hampshire retirement system shall be counted as creditable service for the purpose of eligibility for medical and surgical benefits as a retired employee under RSA 21-1:30. For the purposes of this section, "public employees' retirement system" shall include any retirement system established and maintained by the United States government, the members of which are federal government employees. For the purposes of this section, any military service not otherwise authorized pursuant to RSA 100-A:4, IV and V shall not be included as creditable service in a public employees' retirement system. The group II permanent policeman or permanent fireman member shall meet the following conditions:*

5 Benefits Upon Group I Member's Death After Retirement. Amend RSA 100-A:11, I(d) to read as follows:

(d) Upon the death of a [retired] group I member [after his retirement allowance payments have commenced,] *who has retired, or upon the death of a group I member who has filed an application for retirement benefits with the board of trustees after January 1, 1991,* provided he has not elected an optional allowance that has become effective, any excess of the amount of his accumulated contributions at retirement over the sum of the retirement allowance payments received shall be paid in one sum to the person or persons nominated by the member, if living, otherwise to the member's estate. Upon the death of the survivor of a retired group I member and the beneficiary nominated by him under the terms of an option, if an option was elected and had become effective, any excess of the retired member's accumulated contributions at retirement over the sum of the retirement allowance payments received by the retired member and such beneficiary shall be paid to the person nominated by the member, if living, otherwise to the estate of the last to survive of the member and such beneficiary. Nomination of a person to receive the return of the member's contributions pursuant to this section shall be made by the member in writing filed with the board of trustees. A member may change his nomination by a similar writing. A designation, revocation or change of the person nominated under an optional election may be made only as provided in RSA 100-A:13.

6 Benefits Upon Group II Member's Death After Retirement. Amend RSA 100-A:12, II to read as follows:

II. Upon the death of a [retired] group II member who *has* retired on or after April 1, 1987, [after the member's retirement allowance payments have commenced,] *or upon the death of a group II member who has filed an application for retirement benefits with the board of trustees after January 1, 1991*, there shall be paid to the person nominated by the member by written designation filed with the board, if living, otherwise to the retired member's estate, in addition to the amount payable under RSA 100-A:11 a lump sum of \$3,600 if the member retired before July 1, 1988, and there shall be paid to the member's surviving spouse an allowance to continue until the spouse's death or remarriage equal to 50 percent of the member's service, ordinary disability, or accidental disability retirement allowance payments. For any person who is a group II member as of June 30, 1988, and who retires on or after July 1, 1988, the lump sum payment shall be \$10,000. For any person who becomes a member of group II on or after July 1, 1988, the lump sum payment shall be \$3,600. It is the intent of the legislature that future group II members shall be included only if the total cost of such inclusion can be funded by reimbursement from the special account established under RSA 100-A:16, II(h).

7 Repeal. The following are repealed:

I. RSA 100-A:29, relative to participation in the retirement system for nongovernmental entities.

II. RSA 100-A:30, relative to membership requirements for nongovernmental entities.

III. RSA 100-A:31, relative to reports by nongovernmental entities.

8 Appropriation from Administrative Account. There is hereby appropriated the sum of \$50,000 from available amounts in the New Hampshire retirement system administrative account, as established under RSA 100-A:14, XIII for the purpose of implementing the provisions of sections 1, 2, and 7 of this act. The board of trustees is authorized in its sole discretion to expend such funds as it deems necessary to implement the provisions of sections 1, 2, and 7 of this act, including but not limited to the employment of temporary employees. Any unexpended funds from this appropriation shall lapse to the administrative account.

9 Effective Date. This act shall take effect June 30, 1991.

#### AMENDED ANALYSIS

This amendment requires that those employers permitted to participate under the New Hampshire retirement system shall be solely limited to the government of the state of New Hampshire or the governments of its political subdivisions, and any agencies or instrumentalities thereof, for the purpose of maintaining the retirement system's tax exempt status as a qualified governmental pension plan meeting the requirements of sections 401(a) and 414(d) of the United States Internal Revenue Code of 1986, as amended. What constitutes a "government", "political subdivision", "agency" and or "instrumentality" for purposes of system coverage is necessarily defined with respect to applicable federal rather than state law.

Regarding those nongovernmental employers currently contributing to the system, in order to preserve the retirement system's tax exempt status as a governmental plan, such nongovernmental employers and employees shall be required to cease contributions, and those nongovernmental employees presently covered under the system shall cease to accrue benefits under the system, no later than June 30, 1991.

All benefits accrued to the time of withdrawal from the system shall be fully vested in such withdrawing nongovernmental employees, and the system shall cooperate with withdrawing nongovernmental employers in their establishing successor retirement plans and shall cooperate in arranging for the transfer of such employee retirement benefits earned under the system to successor retirement plans where practicable.

This bill extends the right to purchase such out-of-state service to employees of the federal government, but excludes any military service credit which is not otherwise authorized by statute.

The bill also changes the provisions for providing retirement benefits upon the death of a group I or a group II member after the member's retirement.

Rep. Ward spoke in favor and yielded to questions.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 762-FN**, to incorporate the inhabitants of the northeasterly part of Laconia into a separate town to be known as Weirs Beach, with all the privileges and immunities of other towns in this state. RE-REFER TO COMMITTEE.

During almost four hours of testimony, speakers from Weirs Beach testified of long-standing grievances against the City of Laconia, and almost none of the complaints were refuted. Nevertheless, questions about the situation and concerning the proposal for secession remain unanswered or partially unanswered. Among these are: 1) Documentation of measures which have been taken aimed either at obtaining redress of grievances or obtaining adequate support and the nature of responses to those measures; 2) Whether or not Article 39, Part First of the New Hampshire Constitution poses a bar to legislative action to grant secession in this case, and the extent (To address this question the Committee recommends passage of a resolution asking for the opinions of the justices); 3) Inquiry into the basis for the separation line proposed by Weirs Beach and the possible effect that proposal would have on the future of the City of Laconia as well as on the Weirs Beach community; 4) Other possible measures aimed at reconciliation, and the parties concerned; 5) As a matter of general policy, under what circumstances should the Legislature consider favorably a request for secession by one fraction of a community?

To answer these and other questions, a considerable amount of time and study will be required. Accordingly, it is recommended that this bill be re-referred to Committee. Vote 17-0. Rep. Richard A. Grodin for Municipal and County Government.

Reps. Grodin and Rosen spoke in favor.

Re-referred to Committee.

The Committee on Municipal and County Government offered the following:

#### **HOUSE RESOLUTION NO. 19**

requesting an opinion of the justices concerning  
the constitutionality of HB 762-FN.

Whereas, there is pending in the House, HB 762-FN, "An Act to incorporate the inhabitants of the northeasterly part of Laconia into a separate town to be known as Weirs Beach, with all the privileges and immunities of other cities and towns in this state"; and

Whereas, "Revised Charter of City of Laconia, 1970," as recorded at the office of the Secretary of State [a copy of which Charter shall accompany this resolution],

contains in its Article I a description of the boundaries of the city of Laconia and descriptions of the boundaries of the various wards of the city of Laconia; and

Whereas, "Revised Charter of City of Laconia, 1970," as recorded at the office of the Secretary of State, provides for a city council-city manager form of government; and

Whereas, enactment of HB 762-FN would, by establishing a new town of Weirs Beach within the current boundaries of the city of Laconia, effect a change of the boundaries of the city of Laconia; and

Whereas, enactment of HB 762-FN would, by establishing a new town of Weirs Beach, cause those inhabitants of the new town of Weirs Beach who were formerly inhabitants of the city of Laconia to become inhabitants of a town as opposed to a city, but would not effect a change in the form of government of the remaining inhabitants of the city of Laconia; and

Whereas, HB 762-FN contains a provision requiring a referendum of the inhabitants of that portion of the city of Laconia which would become the new town of Weirs Beach, as a precondition to the bill's taking effect if enacted; and

Whereas, HB 762-FN contains certain provisions relating to the apportionment of debts, liabilities, obligations, real estate, equipment and personal property between the city of Laconia and the new town of Weirs Beach; and

Whereas, a question has arisen as to the constitutionality of the provisions of the bill; and

Whereas, it is important that the question of the constitutionality of said provisions should be settled in advance of its enactment; now, therefore, be it

Resolved by the house:

That the Justices of the Supreme Court be respectfully requested to give their opinion on the following questions of law:

1. Would the change of the current boundaries of the city of Laconia, effected by enactment of HB 762-FN, constitute a change to "the charter or form of government" of the city of Laconia, as that phrase is contemplated by Part I, Article 39 of the New Hampshire Constitution, in view of the court's decision in *Sedgewick v. City of Dover*, 122 N.H. 193 (1982)?

2. Would enactment of HB 762-FN, by establishing a new town of Weirs Beach and causing those inhabitants of the new town of Weirs Beach who were formerly inhabitants of the city of Laconia to become inhabitants of a town as opposed to a city, change "the charter or form of government" of the city of Laconia, as that phrase is contemplated by Part I, Article 39 of the New Hampshire Constitution?

3. Would any other provisions of HB 762-FN, if enacted, constitute a change to "the charter or form of government" of the city of Laconia, as that phrase is contemplated by Part I, Article 39 of the New Hampshire Constitution?

4. If the answer to question 1, 2, or 3 is in the affirmative, does the provision contained in HB 762-FN, requiring a referendum of the inhabitants of that portion of the city of Laconia which would become the new town of Weirs Beach as a precondition to the bill's taking effect, satisfy the requirements of Part I, Article 39 of the New Hampshire Constitution?

5. Do any other aspects of HB 762-FN violate or conflict with any provisions of the New Hampshire Constitution?

That the clerk of the House of Representatives transmit copies of this resolution and HB 762-FN to the Justices of the New Hampshire Supreme Court.

Adopted.

**HB 720-FN**, relative to fireworks. **WITHOUT RECOMMENDATION.**

Rep. Benton moved that the words Ought to Pass be substituted for the report of the Committee, Without Recommendation, and spoke to his motion.

Rep. Thomas Christie spoke against and yielded to questions.

Rep. Benton yielded to questions.

Rep. Hoar spoke in favor and yielded to questions.

Rep. Chasse spoke in favor

Rep. Welch spoke against.

Rep. Pantelakos spoke in favor

Rep. William Boucher spoke against.

Rep. Reidy spoke in favor.

Roll call request sufficiently seconded.

The question being on the substitute motion.

and the bill was ordered to third reading.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

### HB 35-A, making appropriations for capital improvements. OUGHT TO PASS WITH AMENDMENT.

The Committee has made a few changes from the original version. It has tried to walk a fine line in this Capital Budget by funding some projects which will provide jobs, some projects which were determined to be critical and removing some items which were deemed inappropriate for a Capital Budget. Highlights of the bill include the following: Rockingham County Courthouse, Nashua and Concord District Court furnishings, Land Conservation Program, new home at Glencliff, addition to the John O. Morton Building (Department of Transportation), \$15 million for a biological sciences building at the University of New Hampshire, contingent upon the University System raising \$15 million. Port Authority expansion program. Major items deleted included demolition of the Walker Building, purchasing of the women's prison in Hillsborough County, the I-95 liquor store, design of a Fire Service Training Center, Police Standards range and dorm facility. Also removed was \$15 million from the Department of Environmental Services for interest and principal payments on existing bonded debt; obligations which traditionally have and should continue to be in the Operating Budget. Vote 11-0. Rep. Gene G. Chandler for Public Works.

### Amendment

Amend the bill by replacing all after the enacting clause with the following:

1 Capital Appropriations. The sums hereinafter detailed are hereby appropriated for the projects specified to the departments, agencies and branches named:

#### I. Adjutant General

|                                       |            |
|---------------------------------------|------------|
| A. Replace 2 roofs *                  | \$ 130,000 |
| Total state appropriation paragraph I | \$ 130,000 |

#### II. Administrative Services

|  |            |
|--|------------|
| A. Repair State House dome   | \$ 250,000 |
| B. Hillsborough county superior court and<br>Concord district court furnishings* | 1,250,000  |

|  |                     |
|--|---------------------|
| C. Land acquisition, design, construction, and furnishings of Rockingham county superior court | 11,165,000          |
| D. State House elevator repairs  | <u>200,000</u>      |
| Total state appropriation paragraph II   | \$12,865,000        |
| III. Environmental Services  |                     |
| A. Match state water pollution revolving loan fund   | \$ 5,131,074        |
| B. Winnepesaukee river basin project (sewage system improvements)                              | <u>292,000</u>      |
| Total state appropriation paragraph III  | \$ 5,423,074        |
| IV. Executive - State Planning   |                     |
| A. Land conservation program   | <u>\$ 7,000,000</u> |
| Total state appropriation paragraph IV   | \$ 7,000,000        |
| V. Health and Human Services   |                     |
| A. New Hampshire hospital  |                     |
| 1. Philbrook health and safety   | <u>225,000</u>      |
| Total subparagraph A   | \$ 225,000          |
| B. Glencliff home for the elderly  |                     |
| 1. Replace fire hydrant *  | \$ 40,000           |
| 2. Replace sewer lines *   | 30,000              |
| 3. Slip proof tunnels *  | 32,000              |
| 4. Design, construction, and furnishings of 75-bed nursing home facility                       | <u>\$ 5,350,000</u> |
| Total subparagraph B   | \$ 5,452,000        |
| C. Division for Children and Youth Services  |                     |
| 1. Rewire administration building - YDC *  | \$ 160,000          |
| 2. Repair roof on administration building - YDC *  | 45,000              |
| 3. Hook up sewer in administration building - YDC *  | 50,000              |
| 4. Asbestos removal or containment - YDC *   | 50,000              |
| 5. Locks and cylinders - YDC *   | 55,000              |
| 6. Air handling - Tobey building, N.H. hospital  | <u>100,000</u>      |
| Total subparagraph C   | \$ 460,000          |
| D. Division of public health services  |                     |
| 1. Laboratory modernization  | \$ 250,000          |
| 2. Radiological laboratory update  | <u>130,000</u>      |
| Total subparagraph D   | \$ 380,000          |
| E. Office of alcohol and drug abuse prevention   |                     |
| 1. Tirrell House *   | <u>\$ 57,000</u>    |
| Total subparagraph E   | \$ 57,000           |
| Total state appropriation paragraph V  | \$ 6,574,000        |
| VI. Liquor Commission  |                     |
| A. Roof replacement *  | <u>\$ 162,000</u>   |
| Total state appropriation paragraph VI   | \$ 162,000          |
| VII. Postsecondary Technical Education   |                     |
| A. NHTC - Manchester   |                     |
| 1. Phase II rehabilitation of Knox Building  | \$ 1,830,000        |
| 2. Electric laboratory station   | <u>325,000</u>      |
| Total subparagraph A   | \$ 2,155,000        |

|   |              |
|---|--------------|
| B. NHTC - Berlin  |              |
| 1. Roof replacement *   | \$ 45,000    |
| 2. Office simulation lab *  | 90,000       |
| 3. Cad cam lab *  | 161,376      |
| Total subparagraph B  | \$ 296,376   |
| C. NHTC - Nashua  |              |
| 1. 25 station IBM personal computer lab *   | \$ 87,200    |
| Total subparagraph C  | \$ 87,200    |
| D. NHTC - Claremont   |              |
| 1. Technical lab *  | \$ 241,000   |
| Total subparagraph D  | \$ 241,000   |
| E. NHTC - Laconia   |              |
| 1. Computer lab*  | \$ 156,334   |
| 2. Automobile technical lab   | \$ 100,000   |
| Total subparagraph E  | \$ 256,334   |
| F. NHTI - Concord   |              |
| 1. Parking lot  | \$ 1,100,000 |
| Less police standards share   | -200,000     |
| Less planetarium share  | -100,000     |
| Net appropriation subparagraph F  | \$ 800,000   |
| Total state appropriation paragraph VII   | \$ 3,835,910 |
| VIII. Resources and Economic Development  |              |
| A. Division of parks  |              |
| 1. Repairs and renovations system-wide for<br>major deferred projects   | \$ 1,000,000 |
| Total subparagraph A  | \$ 1,000,000 |
| (The funds appropriated in subparagraph VIII, A, 1 shall not be spent, obligated,<br>or encumbered until such time as the department of resources and economic develop-<br>ment has developed an action plan and received the approval of such plan from the<br>capital budget overview committee.) |              |
| B. Ski operations   |              |
| 1. Cannon - snowmaking  | \$ 600,000   |
| 2. Cannon - replace snowmaking pipe   | 150,000      |
| 3. Sunapee - air compressor   | 250,000      |
| 4. Sunapee - move and expand rental shop  | 93,000       |
| 5. Sunapee - intake valve   | 250,000      |
| Total subparagraph B  | \$ 1,343,000 |
| Total state appropriation paragraph VIII  | \$ 2,343,000 |
| IX. Department of Safety  |              |
| A. Glendale deck repair   | \$ 350,000   |
| Total state appropriation paragraph IX  | \$ 350,000   |
| X. Department of Transportation   |              |
| A. Division of aeronautics  |              |
| 1. Skyhaven - runway/taxi   | \$ 164,000   |
| 2. Skyhaven - renovate administration building  | 85,000       |

|  |            |
|--|------------|
| 3. State required 5 percent - 10 percent match for<br>FAA - approved airport priority projects | \$ 500,000 |
|--|------------|

|                      |            |
|----------------------|------------|
| Total subparagraph A | \$ 749,000 |
|----------------------|------------|

(The funds appropriated in subparagraph X, A, 3 shall be for airport projects approved by the Federal Aeronautics Administration, which include the following projects: construction of aircraft parking apron, Concord; construction of perimeter road and installation of security fence; expansion and improvement of aircraft parking apron, Concord; land acquisition, Manchester; land acquisition, Nashua; master plan update, Berlin; master plan update, Rochester; purchase crash, fire, and rescue equipment; purchase snow removal equipment, Lebanon; ramp and apron for new terminal, Manchester; reconstruct runway 7-25, Lebanon; and taxiway, apron, and lighting, Nashua.)

B. Division of public works

|  |              |
|--|--------------|
| 1. Underground tank removal<br>and replacement statewide | \$ 2,100,000 |
| Less fish and game fund                                  | -33,000      |
| Less highway fund  | -956,000     |

|                                  |              |
|----------------------------------|--------------|
| Net appropriation subparagraph B | \$ 1,111,000 |
|----------------------------------|--------------|

|                                       |              |
|---------------------------------------|--------------|
| Total state appropriation paragraph X | \$ 1,860,000 |
|---------------------------------------|--------------|

|                                     |              |
|-------------------------------------|--------------|
| Total state appropriation section 1 | \$40,542,984 |
|-------------------------------------|--------------|

\*To be 5-year bonds.

2 Appropriation; University System of New Hampshire. The sums hereinafter detailed are hereby appropriated for the projects specified:

|  |              |
|--|--------------|
| A. Repairs and renovations system-wide | \$ 5,000,000 |
|--|--------------|

(The funds appropriated in subparagraph A shall not be spent, obligated, or encumbered until such time as the university system of New Hampshire has developed an action plan and received the approval of such plan from the capital budget overview committee.)

|                                       |             |
|---------------------------------------|-------------|
| B. Biological science center - Durham | 30,000,000  |
| Less Other (Donations, grants, etc.)  | -15,000,000 |

|                                  |            |
|----------------------------------|------------|
| Net appropriation subparagraph B | 15,000,000 |
|----------------------------------|------------|

(No funds appropriated by subparagraph B shall be expended or encumbered in any way until the university system of New Hampshire certifies to the capital budget overview committee that it has raised and can account for \$15,000,000 or more in gifts, grants, donations, or pledges from sources other than the state, to be used for the construction of a biological science center on the Durham campus of the university system of New Hampshire. The funds appropriated in subparagraph B shall constitute the total state share of completed construction costs of the biological science center. The university system of New Hampshire may use any gifts, grants, donations, or pledges in excess of its \$15,000,000 share of the construction toward the costs of construction.)

|  |         |
|--|---------|
| C. Public television equipment replacement | 500,000 |
|--|---------|

|                                     |              |
|-------------------------------------|--------------|
| Total state appropriation section 2 | \$20,500,000 |
|-------------------------------------|--------------|

3 Appropriation; Department of Transportation. The sums hereinafter detailed are hereby appropriated for the projects specified:

A. Central office

|                            |            |
|----------------------------|------------|
| 1. Computer power upgrade* | \$ 350,000 |
|----------------------------|------------|

|   |              |
|---|--------------|
| 2. John O. Morton building addition   | 6,250,000    |
| Total state appropriation section 3   | \$ 6,600,000 |
| 4 Appropriation; Fish and Game. The sums hereinafter detailed are hereby appropriated for the projects specified:   |              |
| A. Water line replacement   | \$ 100,000   |
| Less federal  | -75,000      |
| Net appropriation subparagraph A  | \$ 25,000    |
| B. Replace pools/raceway hatchery   | 500,000      |
| Less federal  | \$ -375,000  |
| Net appropriation subparagraph B  | \$ 125,000   |
| C. New Hampton and Berlin hatcheries facility renovations   | 85,000       |
| Less federal  | -63,750      |
| Net appropriation subparagraph C  | \$ 21,250    |
| D. Pool/raceway enclosures  | 150,000      |
| Less federal  | -112,500     |
| Net appropriation subparagraph D  | \$ 37,500    |
| E. Water system - Berlin  | 100,000      |
| Less federal  | -75,000      |
| Net appropriation subparagraph E  | \$ 25,000    |
| Total state appropriation section 4   | \$ 233,750   |
| 5 Appropriation; Port Authority - Self Liquidating From Revenue. The sums hereinafter detailed are hereby appropriated for the projects specified:  |              |
| A. Port of Portsmouth expansion   | \$16,500,000 |
| Total state appropriation section 5   | \$16,500,000 |
| (The funds appropriated in subparagraph A for the Port of Portsmouth expansion shall not be expended, encumbered, or obligated in any way without the prior approval of an action plan by both the fiscal committee and the governor and council. The action plan shall include the identification of sufficient revenue sources to amortize both the annual principal and interest payments.)  |              |
| 6 Increase Bond Authorization; Dam Maintenance Fund. Amend RSA 482:56 to read as follows:   |              |
| 482:56 Bonds Authorized. To provide working capital for initiation of the fund established in RSA 482:55, the state treasurer is hereby authorized to borrow upon the credit of the state the sum of [\$4,200,000] <b>\$5,700,000</b> and for said purpose shall issue bonds and notes in the name of and on behalf of the state of New Hampshire in accordance with RSA 6-A.   |              |
| Total state appropriation section 6   | \$1,500,000  |
| 7 Expenditures; General. The appropriation made for the purposes mentioned in sections 1, 3, 4, 5, and 6 and the sums available for those projects shall be expended by the trustees, commissions, commissioner, or department head of the institutions and departments referred to herein; provided that all contracts and projects and plans and specifications therefor shall be awarded in accordance with the provisions of RSA 228. |              |
| 8 Expenditures; University System of New Hampshire.   |              |
| I. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university system   |              |

of New Hampshire. All contracts for the construction of all or any part of said building or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each of 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less than 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. The appropriations made in section 2 are available for all costs incidental to the completion of the projects enumerated including the costs of the services of architects, engineers, and other consultants of such kind and capacity as the university system board of trustees may, in its discretion, wish to employ on such terms and conditions as the board determines. These moneys shall be spent under the direction of the university system board of trustees.

III. If, in the judgment of the trustees of the university system, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder; or, if the next lowest bid should be rejected, the contract may be awarded to the third lowest bidder.

IV. The board of trustees of the university system has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university system and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

9 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, 4, 5, and 6 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$85,876,734 and for said purposes may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. In order to provide funds to pay the cost of issuing the bonds authorized by this section, the state treasurer may issue bonds up to 102 percent of the authorized amounts. The proceeds from the additional bonds may be used only for the purpose of paying such issuance costs.

#### 10 Payments.

I. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds of the state.

II. The payment of principal and interest on bonds issued for projects in:

- (a) section 3 shall be made from the highway fund.
- (b) section 4 shall be made from the fish and game fund.
- (c) section 5 shall be made from the port authority revenues.
- (d) section 6 shall be made from the dam maintenance fund.

11 Liquidation. The state treasurer is authorized to deduct from the fund accruing to the university under RSA 187-A:7, or appropriation in lieu thereof, for each fiscal year such sum as may be necessary to meet interest and principal payments in accordance with the terms and conditions of the bonds and notes issued for the purpose of section 2.

12 Land Acquisition. Any land acquired under the appropriations made in sections 1, 3, 4, 5, and 6 except the land conservation program in section 1, IV, A and such land, if any, as may be acquired under the appropriation for the division of water resources, shall be purchased by the commissioner of transportation with the approval of governor and council.

13 Architectural Requirements. No new building authorized by this act shall be constructed without meeting life safety code requirements, handicapped architectural barrier-free code requirements and energy conservation code requirements.

14 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government, or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1, 3, 4, 5, and 6 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 9 shall be reduced by the same amount.

15 Transfers. The individual project appropriations provided in sections 1, 3, 4, 5, and 6 of this act shall not be transferred or expended for any other purposes; provided that if there is a balance remaining after an individual project, which is fully funded by state funds, is completed, accepted, and final payment made, said balance or any part thereof may be transferred by governor and council to any other individual project or projects, which are also fully funded by state funds, within the same section and from the same funding source, provided that prior approval of the capital budget oversight committee is obtained.

16 Reduction of Appropriation and Bonding Authority. If the net appropriation of state funds for any project provided for by sections 1, 3, 4, 5, and 6 is determined on the basis of an estimate of anticipated federal, local, or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such project and the net appropriation of state funds thereof shall be reduced by the same proportion as the proportion by which federal, local, or other funds are reduced. The amount of bonding authorized by section 9 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

17 Lapse Dates Extended.

I. The appropriation made to the department of corrections in 1988, 224:1, I, A for phase V prison construction, as amended by 1989, 367:27, 1, is hereby extended to June 30, 1993. Authorization is hereby granted to expend the remaining funds of approximately \$2,000,000 to renovate Laconia developmental services buildings for use as a drug and alcohol treatment center and boot camp for approximately 300 minimum and medium security prison inmates and to renovate a facility for use by men and women as a halfway house.

II. The following appropriations are hereby extended to June 30, 1992:

(a) The appropriation made to the supreme court in 1989, 367:1, XI, A, for construction of Concord district court.

(b) The appropriation made to the department of revenue administration in 1989, 367:1, X, A, for computer hardware and software development.

(c) The appropriation made to the department of resources and economic development in 1987, 3:1, as amended by 1989, 137:1, for Hampton beach seawall improvements.

(d) The appropriation made to Laconia developmental services in 1989, 367:1, V, B, 2 for replacement of steam lines.

(e) The appropriation made to the department of administrative services in 1989, 367:1, II, A - C, relative to Londergan hall renovations, repair of state house dome, and Spaulding hall renovations.

(f) The appropriation made to the department of resources and economic development in 1988, 224:1, IV, D, for Hampton harbor dredging.

(g) The appropriation made to the department of environmental services in 1989, 367:1, IV, A, 1, for small watershed programs.

18 Effective Date. This act shall take effect July 1, 1991.

Rep. Gene Chandler spoke in favor and yielded to questions.

Rep. Thomas Christie asked that the question be divided.

The Chair ruled that the question was divisible.

The question is on Section 1. IV. (Land conservation program \$7,000,000)

Rep. Thomas Christie spoke against.

Rep. Chandler spoke in favor.

Roll call request sufficiently seconded.

and the remainder of the amendment was adopted.

Rep. Hambrick notified the Clerk that she wished to be recorded in favor of the motion.

Rep. Gene Chandler offered a floor.

**Floor Amendment**

Amend the bill by replacing section 3 with the following:

3 Appropriation: Department of Transportation. The sums hereinafter detailed are hereby appropriated for the projects specified:

**A. Central office**

|                            |            |
|----------------------------|------------|
| 1. Computer power upgrade* | \$ 350,000 |
|----------------------------|------------|

|                                     |            |
|-------------------------------------|------------|
| Total state appropriation section 3 | \$ 350,000 |
|-------------------------------------|------------|

Amend the bill by replacing section 9 with the following:

9 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1, 2, 3, 4, 5, and 6 of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$79,626,734 and for said purposes may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A. In order to provide funds to pay the cost of issuing the bonds authorized by this section, the state treasurer may issue bonds up to 102 percent of the authorized amounts. The proceeds from the additional bonds may be used only for the purpose of paying such issuance costs.

Rep. Gene Chandler spoke in favor.

Adopted.

Report adopted.

Referred to Appropriations.

**HB 676-FN**, relative to notice of discontinuance of class IV, V or Vi highways. OUGHT TO PASS.

This bill originally was reported Inexpedient to Legislate by a very slim margin. It was voted to Recommit to Committee as the result of a substitute motion on the floor of the House. The prime sponsor of the bill testified to the Committee (which he had been unable to do at the original hearing). He convinced the Committee that absentee landowners have as much right to be notified as residents, and that such notification could preclude future court action. Vote 11-0. Rep. Daniel P. McNerney for Public Works.

Adopted.

Ordered to third reading.

**HB 784-FN**, creating a long-range construction program for New Hampshire's highways and highway bridges. **OUGHT TO PASS WITH AMENDMENT.**

House Bill 784 requires the Commissioner of the Department of Transportation to develop and implement a long-range highway and bridge construction program so that New Hampshire may fully participate in the proposed 1992 Federal Aid. Highway Act. The Governor's Advisory Commission on Highways are in favor of this bill. Vote 11-0. Rep. Beaton Marsh for Public Works.

#### **Amendment**

Amend the bill by replacing all after section 2 with the following:

3 Public Hearings and Report. The commissioner shall submit the tentative construction program to the governor's advisory commission on highways no later than November 1, of the final year of the biennium. The governor's advisory commission on highways shall conduct a public hearing in each executive council district to present the tentative construction program to the public and to receive the public's comments and recommendations regarding the program. The governor's advisory commission on highways shall submit such program along with the commission's recommendations to the governor no later than June 1, of each odd year.

I. The governor shall submit his recommendations for the 10-year highway program to the department of transportation by August 1, of each odd year.

II. The commissioner shall develop project descriptions, cost estimates and a construction schedule for the long-range highway and bridge construction program and shall submit the program to the governor no later than December 1, of each odd year.

III. The governor shall submit to the general court no later than February 15, of each even year the long-range construction program for New Hampshire's highways and highway bridges.

IV. The commissioner shall revise and update the program every 2 years. The governor's advisory commission on highways shall conduct a public hearing in each executive council district to present the revised program to the public and to receive the public's comments and recommendations regarding the revised program.

4 Effective Date. This act shall take effect 60 days after its passage.

Adopted.

Report adopted.

Ordered to third reading.

#### **SUSPENSION OF RULES**

Rep. Rodeschin moved that the rules be so far suspended as to permit consideration at the present time of HCR 12, concerning the use of automatic dialing devices for telephone solicitation purposes.

Adopted by the necessary two-thirds.

**HCR 12**, concerning the use of automatic dialing devices for telephone solicitation purposes. **OUGHT TO PASS.**

This resolution is in response to a bill addressing a telecommunications problem which the Committee felt was best solved on a national level. The Committee sincerely wishes that there would be a simple solution to the unwanted computer-generated calls that plague us all; however, since these calls are generated on an

interstate basis, the Committee felt that it was best to let its feelings be known to the national delegation. Vote 11-0. Rep. Karen K. McRae for Science, Technology and Energy.

Adopted.

Ordered to third reading.

### RESOLUTION

Rep. Gross offered the following: **RESOLVED**, that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet Tuesday, March 26, 1991 at 1:00 p.m..

Adopted.

### LATE SESSION

#### Third reading and final passage

**HB 670-FN**, relative to condominium conversion of manufactured housing parks.

**HB 706-FN**, relative to the allowable length of semi-trailers.

**HCR 13**, calling for a delay in the implementation of the Internal Revenue Service advisory opinion on mileage reimbursements for members of the general court.

**HB 133**, relative to the right to know law.

**HB 674 FN**, designating segments of the Pemigewasset, Contoocook and North Branch of the Contoocook Rivers as protected rivers.

**HB 709-FN**, establishing a study committee relative to clearcutting forest resources and extending the effective date for rulemaking by the board of licensing for foresters.

**HB 589-FN**, relative to holding companies.

**HB 638-FN**, relative to credit for reinsurance.

**HB 720-FN**, relative to fireworks.

**HB 676-FN**, relative to notice of discontinuance of class IV, V or VI highways.

**HB 784-FN**, creating a long-range construction program for New Hampshire's highways and highway bridges.

**HCR 12**, concerning the use of automatic dialing devices for telephone solicitation purposes.

### RECONSIDERATION

Having voted with the prevailing side, Rep. Ferguson moved that the House reconsider its action whereby it made HB 359, relative to fees for registration permits for vehicles Inexpedient to Legislate and spoke to his motion.

Rep. Parks spoke in favor and yielded to questions.

Rep. Gross spoke in favor.

Reps. Flynn, Jacobson, and Chambers spoke against.

Rep. Ferguson withdrew his motion.

**CONFEREE CHANGES**

**HB 50-FN-A**, Rep. Gross replaces Rep. Kurk.

Rep. Ann Torr moved that the House stand in recess for the purpose of Enrolled Bills Reports only.

Adopted.

The House recessed at 5:15 p.m.

**RECESS**

Rep. Michael Hill moved that the House adjourn.

Adopted.

**HOUSE JOURNAL No. 15**

Tuesday, March 26, 1991

The House assembled at 1:00 p.m., the hour to which it stood adjourned and was called to order by the Speaker.

Prayer was offered by House Chaplain, the Reverend Henry A. Beairisto.

Almighty God, by whose power we are given life, by whose love our lives are sustained, and by whose Spirit we are guided throughout our days, for all the divine goodness that comes to us each day we offer our thanks. Pull us away now, we pray, from unhelpful distractions and personal concerns. Help us to center our hearts and minds and energies on the work that is before us. Give to us, we ask, minds that are alert, hearts that are pure, and consciences that are clear, and so guide us in our speaking and in our voting that upon leaving this place this day we can go with the assurance that we have done our very best. Amen.

Rep. Bonnie Lou McCann led the Pledge of Allegiance.

**LEAVES OF ABSENCE**

Reps. Bernard, Eunice Campbell, Feuerstein, Swope, Parr, Lawrence Chase, Jr., Ackerman, Syracuse, Stewart and Annette Cooke, the day, illness.

Reps. Asplund, Lown, Nancy Ford, Tsiros, William Riley, David Young (military service), Senter, C. Fitzgerald Buckley, Donald Messier, Falwell, Jeffrey Brown, David Wheeler, Martin and Tarpley, the day, important business.

**INTRODUCTION OF GUESTS**

Benjamin Clemons, Danielle Lacovara, Michael and Sean Munroe, June Lacovara and Tima Munroe, son, niece, nephews, and sisters of Rep. Clemons. Kristie Bellance, Proum Phath, Reth Bun and Mary Lou Lotterhand, students and teacher from Lebanon High School, guests of Reps. Channing Brown and Pamela Bean. Pauline Green, mother of Rep. Scott Green. Christopher Messier, son of Rep. Irene Messier. Patty Berthiaune, Marcia B. Tennant, Linda Lahey, Carrol Bond and Cathie Marcoux, guests of Rep. Ouellette. Herbert Smith, Sergeant-at-Arms of the Vermont Legislature, guest of Rep. Burns. Seth and Tracey Clason and Kelly Lynch, grandson and daughters of Rep. Lynch.

**COMMITTEE OF CONFERENCE REPORTS**

**HB 50-FN-A**, relative to state revenue and expenditures.

Rep. Kurk spoke against.

Rep. Hager spoke in favor and yielded to questions.

Rep. Donna Sytek yielded to questions.

Rep. Gross spoke in favor.

Roll call request sufficiently seconded.

The question being the adoption of the Conference Report.

**SULLIVAN**

Allison, David C.  
and the report was adopted.

Harland, Jane A.

Tetu, Michael A.

Rep. Lozeau abstained from voting under Rule 16.

**ENROLLED BILLS REPORT**

**HB 125**, relative to drink rails.

**HB 179**, relative to authorization of treatment for communicable diseases.

**HJR 2**, providing that the Kona Wildlife Management Area shall be forever managed by the state of New Hampshire in a manner so as to protect its habitats.

Rep. Dunn, Sen. Currier  
for the Committee.

**REGULAR CALENDAR**

**HB 660-FN-A**, establishing a highway and bridge betterment program and making an appropriation therefor. **OUGHT TO PASS.**

This bill establishes a highway and bridge betterment program to improve the condition of State-maintained highways and bridges by increasing the gasoline tax by \$.02. The funds will be spent on the six state highway districts based 1/2 on population and 1/2 on miles of roads, exclusive of turnpikes. Cities and towns will receive 12 percent of the funds received to be distributed under the highway community assistance program.

The bill will insure maximum utilization of federal highway funds and improve the economy of the state. Vote 17-0. Rep. Barbara E. Arnold for Ways and Means. Adopted.

Ordered to third reading.

Rep. Braiterman notified the Clerk that she wished to be recorded in opposition to **HB 660**.

**HB 763-FN-A**, to fund state aid to education, to provide for property tax relief for cities and towns and individuals, to amend the state tax structure, and making an appropriation therefor. **MAJORITY: RE-REFER TO COMMITTEE. MINORITY: INEXPEDIENT TO LEGISLATE.**

**MAJORITY:** Although this bill, as drafted, presented many problems, both major and minor, to virtually every member of the Committee, it voted to Re-refer to Committee believing that (1) it was necessary to have a companion bill to CACR 9, detail-
